

STATE OF NEW YORK

8819

2017-2018 Regular Sessions

IN ASSEMBLY

December 6, 2017

Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to the distribution of information to patients at high risk of developing lymphedema

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 2803-v to read as follows:

3 § 2803-v. Lymphedema information distribution. 1. For the purposes of
4 this section, the term "lymphedema" shall mean an accumulation of fluid
5 in the interstitial tissue that causes swelling, most often in the arms
6 and/or legs, and occasionally in other parts of the body, from any
7 cause.

8 2. The commissioner shall design an informational packet about lymph-
9 edema and shall require that every hospital or general hospital
10 distribute such packet to all patients at high risk of developing lymph-
11 edema. Patients at high risk shall include, but not be limited to:

12 (a) patients who have had their lymph nodes removed or their lymphatic
13 system damaged during cancer treatment;

14 (b) veterans injured in combat;

15 (c) patients who have endured physical trauma; and

16 (d) parents or guardians of any child who experiences swelling or
17 deformation in infancy.

18 § 2. This act shall take effect on the one hundred twentieth day after
19 it shall have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
