4 shall require a tax clearance from the department of taxation and  
5 finance, as provided for in section one hundred seventy-one-w of the tax  
6 law, for each member-elect of the legislature. No person elected to the  
7 legislature having past-due tax liabilities, as defined in subdivision  
8 one of section one hundred seventy-one-w of the tax law, or otherwise  
9 denied a tax clearance by the department of taxation and finance pursu-  
10 ant to such section, shall be sworn into or assume office unless and  
11 until such past-due tax liabilities are satisfied, settled, or made  
12 subject to a payment plan established by the department of taxation and  
13 finance and in which such person is in good standing.

1 liabilities, as defined in subdivision one of section one hundred seven-  
2 ty-one-w of the tax law, or otherwise denied a tax clearance by the  
3 department of taxation and finance pursuant to such section, shall be  
4 sworn into or assume office unless and until such past-due tax liabil-  
5 ities are satisfied, settled, or made subject to a payment plan estab-  
6 lished by the department of taxation and finance and in which such  
7 person is in good standing.

8 (ii) If, after six months subsequent to the date on which a person  
9 elected to statewide office would have been sworn into office but for  
10 their owing past-due tax liabilities, such past-due tax liabilities have  
11 not been satisfied, settled, or made subject to a payment plan estab-  
12 lished by the department of taxation and finance and in which such  
13 person is in good standing, then a special election shall be held to  
14 fill such office.

15 § 3. The tax law is amended by adding a new section 171-w to read as  
16 follows:

17 § 171-w. Enforcement of delinquent tax liabilities through tax clear-  
18 ances. (1) For the purposes of this section, the term "tax liabilities"  
19 shall mean any tax, surcharge, or fee administered by the commissioner,  
20 or any penalty or interest owed by an individual or entity. The term  
21 "past-due tax liabilities" means any unpaid tax liabilities that have  
22 become fixed and final such that the taxpayer no longer has any right to  
23 administrative or judicial review. The term "government entity" means  
24 the state of New York, or any of its agencies, political subdivisions,  
25 instrumentalities, public corporations (including a public corporation  
26 created pursuant to agreement or compact with another state or Canada),  
27 or combination thereof.

28 (2) The commissioner, or his or her designee, shall cooperate with any  
29 government entity that is required by law or has elected to require tax  
30 clearances to establish procedures by which the department shall receive  
31 a tax clearance request and transmit such tax clearance to the govern-  
32 ment entity, and any other procedures deemed necessary to carry out the  
33 provisions of this section. These procedures shall, to the extent prac-  
34 ticable, require secure electronic communication between the department  
35 and the requesting government entity for the transmission of tax clear-  
36 ance requests to the department and transmission of tax clearances to  
37 the requesting entity. Notwithstanding any other law to the contrary, a  
38 government entity shall be authorized to share any data or information  
39 with the department that is necessary to ensure the proper matching of a  
40 person who is the subject of a tax clearance request to the tax records  
41 maintained by the department.

42 (3) Upon receipt of a tax clearance request, the department shall  
43 examine its records to determine whether the subject of the tax clear-  
44 ance request has past-due tax liabilities equal to or in excess of the  
45 dollar threshold applicable for such tax clearance request. When a tax  
46 clearance request so requires, the department shall also determine  
47 whether (i) the subject of such request has complied with applicable tax  
48 return filing requirements for each of the past three years; and/or (ii)  
49 whether a subject of such request that is an individual or entity that  
50 is a person required to register pursuant to section one thousand one  
51 hundred thirty-four of this chapter is registered pursuant to such  
52 section. The department shall deny a tax clearance if it determines that  
53 the subject of a tax clearance request has past-due tax liabilities  
54 equal to or in excess of the applicable threshold or, when the tax  
55 clearance request so requires, has not complied with applicable return  
56 filing and/or registration requirements.

1 (4) If a tax clearance is denied, the government entity that requested  
2 the clearance shall provide notice to the subject of the request to  
3 contact the department. Such notice shall be made by first class mail  
4 with a certificate of mailing and a copy of such notice also shall be  
5 provided to the department. When the subject of the request contacts the  
6 department, the department shall inform him or her of the basis for the  
7 denial of the tax clearance and shall also inform such person (i) that a  
8 tax clearance denied due to past-due tax liabilities may be issued once  
9 the taxpayer fully satisfies past-due tax liabilities or makes payment  
10 arrangements satisfactory to the commissioner; (ii) that a tax clearance  
11 denied due to failure to file tax returns may be issued once the indi-  
12 vidual has satisfied the applicable return filing requirements; (iii)  
13 that a tax clearance denied for failure to register pursuant to section  
14 one thousand one hundred thirty-four of this chapter may be issued once  
15 the individual has registered pursuant to such section; and (iv) the  
16 grounds for challenging the denial of a tax clearance listed in subdivi-  
17 sion five of this section.

18 (5) (a) Notwithstanding any other provision of law, and except as  
19 specifically provided herein, an individual denied a tax clearance shall  
20 have no right to commence a court action or proceeding or seek any other  
21 legal recourse against the department or the government entity related  
22 to the denial of a tax clearance by the department.

23 (b) An individual seeking to challenge the denial of a tax clearance  
24 must protest to the department or the division of tax appeals no later  
25 than sixty days from the date of the notification to the individual that  
26 the tax clearance was denied. An individual may challenge a department  
27 finding of past-due tax liabilities only on the grounds that (i) the  
28 individual or entity denied the tax clearance is not the individual or  
29 entity with the past-due tax liabilities at issue or (ii) the past-due  
30 tax liabilities were satisfied. An individual may challenge a depart-  
31 ment finding of failure to comply with tax return filing requirements  
32 only on the grounds that all required tax returns have been filed for  
33 each of the past three years.

34 (c) Nothing in this subdivision is intended to limit any individual  
35 from seeking relief from joint and several liability pursuant to section  
36 six hundred fifty-four of this chapter, to the extent that he or she is  
37 eligible pursuant to that section, or establishing to the department  
38 that the enforcement of the underlying tax liabilities has been stayed  
39 by the filing of a petition pursuant to the Bankruptcy Code of 1978  
40 (Title Eleven of the United States Code).

41 (6) Notwithstanding any other provision of law, the department may  
42 exchange with a government entity any data or information that, in the  
43 discretion of the commissioner, is necessary for the implementation of a  
44 tax clearance requirement. However, no government entity may re-disclose  
45 this information to any other entity or person, other than for the  
46 purpose of informing the individual that a required tax clearance has  
47 been denied, unless otherwise permitted by law.

48 (7) Except as otherwise provided in this section, the activities to  
49 collect past-due tax liabilities undertaken by the department pursuant  
50 to this section shall not in any way limit, restrict or impair the  
51 department from exercising any other authority to collect or enforce tax  
52 liabilities under any other applicable provision of law.

53 (8) Except as otherwise provided in this section, the provisions of  
54 this section are not applicable to the tax clearance required by section  
55 one hundred seventy-one-v of this article.

1 § 4. This act shall take effect June 1, 2017; provided, however, that  
2 the department of taxation and finance, and any other government entity  
3 electing to receive a tax clearance from the department of taxation and  
4 finance may work to execute the necessary procedures and technical  
5 changes to support the tax clearance process as described in this act  
6 before that date; provided, further, that this effective date will not  
7 impact the administration of any tax clearance program authorized by  
8 another provision of law.
