## IN ASSEMBLY

January 8, 2018

Introduced by M. of A. GALEF -- read once and referred to the Committee on Real Property Taxation

AN ACT directing the commissioner of taxation and finance to submit a report relating to public utility mass real property; and to repeal chapter 501 of the laws of 2017, amending the real property tax law relating to establishing an energy-related public utility mass real property central assessment pilot program

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Chapter 501 of the laws of 2017, amending the real property tax law relating to establishing an energy-related public utility mass real property central assessment pilot program, is REPEALED.

2

§ 2. On or before May 1, 2018, the commissioner of taxation and finance, after consulting with the department of public service, shall submit to the governor, the temporary president of the senate and the speaker of the assembly a written report analyzing the economic, policy and legal objectives that would be served by establishing an assessment 9 ceiling program for all public utility mass real property within the 10 state. Such report shall include, without limitation, an analysis of the 11 potential impact upon the taxable assessed valuations of public utility mass real property throughout the state, the potential impact upon the 13 real property taxes of the owners of public utility mass real property 14 throughout the state, the potential impact upon the real property rates 15 and revenues of those local governments in which a significant portion 16 of the tax base consists of public utility mass real property; any 17 significant administrative benefits or challenges such a program might present; and any other potential advantages and disadvantages that such 18 19 a program might present. Such report shall also address how such a 20 program would specifically impact the distribution of taxes within 21 assessing units with a population of one million of more.

§ 3. Such report shall be informed to the extent practicable by the observations and experiences obtained by the department of taxation and finance in the course of the implementation and administration of the assessment ceilings program established by chapter 475 of the laws of

2013 for public utility mass real property that is used in the telecommunications industry.

§ 4. For purpose of this act, "public utility mass real property" 3 shall include, but not be limited to, real property, including mains, pipes, conduits, cables, lines, wires, poles, supports and enclosures for electrical conductors located on, above and below real property, 7 which is used in the transmission and distribution of gas, electricity, steam, water, petroleum and any other substance as well as refriger-9 ation, heat, telephone or telegraph service, and electromagnetic voice, 10 video and data signals. Such term shall include all property described in paragraphs (d), (e) and (i) of subdivision twelve of section one 11 12 hundred two of the real property tax law. Special franchise property as described in subdivision seventeen of section one hundred two of the 13 14 real property tax law and all property described in subparagraphs (A), 15 (B), (C) and (D) of paragraph (i) of subdivision twelve of section one 16 hundred two of the real property tax law shall not be considered public 17 utility mass real property for purposes of this act.

18 § 5. This act shall take effect immediately.
