IN ASSEMBLY

January 12, 2018

Introduced by M. of A. DINOWITZ -- read once and referred to the Committee on Judiciary

AN ACT to amend the general obligations law, in relation to settlements in tort actions; and to repeal section 15-108 of such law relating to release or covenant not to sue

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 15-108 of the general obligations law is REPEALED and a new section 15-108 is added to read as follows:

3 § 15-108. Settlements in tort actions. (a) Effect of settlement. (1) A 4 settlement reached with one of two or more persons who are liable or 5 claimed to be liable in tort for the same injury or wrongful death does 6 not discharge any other tortfeasor from liability unless its terms 7 expressly so provide, except that each of the remaining tortfeasors may choose to reduce his or her liability to the plaintiff or claimant by 8 9 the stated settlement amount, the consideration actually paid, or the 10 settling tortfeasor's equitable share of the damages as determined under 11 article fourteen of the civil practice law and rules.

12 (2) When more than one person settles with a plaintiff or claimant, 13 each of the remaining tortfeasors may choose to reduce his or her 14 liability to the plaintiff or claimant by the total of all stated 15 settlement amounts, the total consideration actually paid for all of the 16 settlements, or the total of the settling tortfeasors' equitable shares 17 of the damages as determined under article fourteen of the civil prac-18 tice law and rules.

(3) The choice authorized by this subdivision shall be made in open 19 20 court or in a writing subscribed on behalf of the party seeking to limit 21 liability, and shall be made prior to the first opening statement of the 22 trial unless the party making the election only later becomes aware that 23 a settlement has occurred. In the latter event, the election shall be made as soon as reasonably practicable after the party making the 24 25 election is apprised of the settlement or settlements in issue, and, if 26 feasible, prior to the return of a verdict. In the absence of specific and timely election otherwise, a party limiting liability will be deemed 27

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

A. 9028

1	to have elected reduction in the total amount of the equitable share or
2	shares of all settling tortfeasors.
3	(4) For purposes of calculating the reduction of liability under this
4	subdivision in a case where a remaining tortfeasor is subject to a peri-
5	odic payment judgment pursuant to article fifty-A or article fifty-B of
б	the civil practice law and rules, the manner in which such reduction is
7	effected shall depend on the type of credit chosen by the remaining
8	tortfeasors.
9	(A) In those instances in which the remaining tortfeasor has elected
10	pursuant to paragraph one of this subdivision to receive a credit equiv-
11	alent to the amount or amounts which the plaintiff or claimant received
12	in settlement, the credit provided by this subdivision shall be ratably
13	apportioned between the past damages of the plaintiff and the future
14	damages. This shall be done by determining the ratio between the
15	plaintiff's past damages and the plaintiff's total damages, and then
16	apportioning that same percentage of the settlement towards payment of
17	the plaintiff's past damages. The remainder of the settlement credit
18	would be credited towards, and would thus reduce, the plaintiff's future
19	damages.
20	For purposes of the apportionment of the settlement credit between
21	past and future damages, the ratio between past damages and total
22	damages will be premised upon the amounts of damages awarded by the
23	trier of fact after adjustment has already been made for all other set-
24	offs, credits and reductions otherwise dictated by subdivision (a) of
25	section five thousand thirty-one, or subdivision (a) of section five
26	thousand forty-one of the civil practice law and rules, and before
27	consideration of any of the calculations dictated by subdivision (b),
28	(c), (d) or (e) of such sections.
29	(B) In those instances in which the remaining tortfeasor has elected
30	pursuant to paragraph one of this subdivision to receive an equitable
31	share credit, each of the plaintiff's awards for past damages and for
32	future damages as remain after all other set-offs, credits and
33	reductions otherwise dictated by subdivision (a) of section five thou-
34	sand thirty-one or subdivision (a) of section five thousand forty-one of
35	the civil practice law and rules shall be reduced by the settlor's equi-
36	table share of the total culpability.
37	(b) Liability of settling tortfeasor. Except as otherwise provided in
38	subdivision (f) of this section, a settlement between the plaintiff or
39	claimant and a tortfeasor relieves such tortfeasor from liability to any
40	other person for contribution or indemnification.
41	(c) Waiver of contribution and indemnification. Except as otherwise
42	provided in subdivisions (d) and (f) of this section, a tortfeasor who
43	has settled with the plaintiff or claimant shall not be entitled to
44	contribution or indemnification from any other person.
45	(d) Settling tortfeasor's limited right to contribution or indemnifi-
46	cation. Notwithstanding the provisions of subdivision (c) of this
47	section, a tortfeasor who has entered into a settlement with a plaintiff
48	or claimant may seek contribution or indemnification from any other
49	tortfeasor if, in consideration for such settlement, the plaintiff or
50	claimant has released from liability the person or persons from whom
51	contribution or indemnification is sought. Contribution or indemnifica-
52	tion shall be available pursuant to this subdivision except to the
53	extent that it is established by the party or parties from whom contrib-
54	ution or indemnification is sought that the amount paid in settlement
<u> </u>	aller of the second the second of the second
55	was not reasonable.

A. 9028

1	(e) Relationship with article sixteen of the civil practice law and
2	rules. If a person seeks to limit liability pursuant to both subdivision
3	(a) of this section and article sixteen of the civil practice law and
4	rules, the limitation shall be made by determining the percentage that
5	the plaintiff's or claimant's non-economic loss bears to such person's
6	total loss, and then applying the same percentage of the settlement
7	credit to the plaintiff's or claimant's non-economic loss. A person
8	whose liability is reduced under this section shall be entitled to an
9	additional reduction of liability pursuant to article sixteen of the
10	civil practice law and rules, but only to the extent that such person's
11	remaining liability for non-economic loss exceeds the limitation of
12	<u>liability, if any, established by such article.</u>
13	(f) Exemptions. Nothing contained in this section shall be construed
14	<u>to affect or impair:</u>
15	(1) any claim for indemnification if, prior to the accident or occur-
16	rence on which the claim is based, the party seeking indemnification and
17	the party from whom indemnification is sought had entered into a written
18	contract in which the latter had expressly agreed to indemnify the
19	former for the type of loss suffered; or
20	(2) a claim for indemnification by a public employee, including indem-
21	nification pursuant to section fifty-k of the general municipal law or
22	section seventeen or section eighteen of the public officers law.
23	(g) Settlements within the scope of this section. An agreement between
24	a plaintiff or claimant and a person who is liable or claimed to be
25	liable in tort shall be deemed a settlement for the purposes of this
26	section only if:
27	(1) the agreement completely or substantially terminates the dispute
28	between those parties;
29	(2) the plaintiff or claimant receives, as part of the agreement,
30	monetary consideration greater than one dollar; and
31	(3) such settlement occurs prior to entry of a judgment.
32	(h) Valuation of structured settlements. Where the monetary consider-
33	ation for a settlement includes one or more payments which are to be
34	made more than one year after the date of the settlement, the value of
35	such future payments shall, for purposes of subdivision (a) of this
36	section, be deemed to be the settling tortfeasor's cost in providing
37	such payments.
38	§ 2. This act shall take effect on the thirty-first of January next

39 succeeding the date on which it shall have become a law, and shall be 40 applicable to any action commenced on or after such effective date.
