STATE OF NEW YORK

9053

IN ASSEMBLY

January 18, 2018

Introduced by M. of A. JENNE -- read once and referred to the Committee on Energy

AN ACT to amend the public service law, in relation to the location of certain wind electric generation facilities; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Section 168 of the public service law is amended by adding 2 a new subdivision 3-a to read as follows:
- 3 3-a. The state shall not grant funding for the construction or operation of a wind electric generation facility to be located within:
 - (a) ten miles of the Wheeler-Sack army airfield;
- (b) ten miles of the Montague weather station;
- 7 (c) five miles of the boundary of the Wheeler-Sack army airfield regu-8 lated airspace located within St. Lawrence, Jefferson and Lewis coun-9 ties;
- 10 (d) five miles of the boundary of the Wheeler-Sack army airfield class
 11 D controlled airspace;
- 12 (e) the Wheeler-Sack army airfield class D controlled airspace; or
- 13 (f) the enclosed area beginning at the point where United States route 14 eleven intersects New York route twenty-six; then north along United
- 15 States route eleven to New York route fifty-six; thence south along New
- 16 York route fifty-six to the border of the Adirondack state park; thence
- 17 west along the border of the Adirondack state park to a point directly
- 18 <u>due east of the intersection of United States route eleven and New York</u> 19 <u>route twenty-six; thence due west until the point where United States</u>
- 20 route eleven intersects New York route twenty-six.
- 21 § 2. This act shall take effect immediately; provided, however, that
- 22 this act shall be deemed repealed fifteen years after it shall have
- 23 become a law.
