FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would amend Section 6-r of the General Municipal Law to
allow eligible participating employers of the New York State Teachers'

Retirement System (NYSTRS) to establish a reserve sub-fund within the retirement contribution reserve fund for the purpose of reserving money to offset future required contributions to NYSTRS. An employer may pay into such sub-fund during any particular fiscal year an amount not to exceed two percent of the total compensation or salaries of all teachers employed by the employer who are members of NYSTRS paid during the immediately preceding fiscal year. Additionally, the total balance in the sub-fund shall not exceed ten percent of the total compensation or salaries of all teachers employed by the employer who are members of NYSTRS paid during the immediately preceding final year.

The governing board of the employer may by resolution authorize expenditures from the retirement contribution reserve fund. The governing board of the employer may also by resolution authorize the transfer of money between the separately administered sub-fund and the retirement contribution reserve fund subject to the limits on annual payments into the sub-fund and the balance of the sub-fund as provided in this bill.

It is estimated that there will be no annual cost to the employers of members of the New York State Teachers' Retirement System if this bill is enacted.

Member data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Data distributions and statistics can be found in the System's Comprehensive Annual Financial Report (CAFR). System assets are as reported in the System's financial statements, and can also be found in the CAFR. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report.

The source of this estimate is Fiscal Note 2018-2 dated October 6, 2017 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2018 Legislative Session. I, Richard A. Young, am the Actuary for the New York State Teachers' Retirement System. I am a member of the American Academy of Actuaries and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

1 PART B

2 Section 1. The education law is amended by adding a new section 908 to
3 read as follows:

4 § 908. Prohibition against meal shaming. 1. All school districts,
5 charter schools and non-public schools in the state that participate in
6 the national school lunch program or school breakfast program in which
7 there is a school where not all students are eligible to participate in
8 the community eligibility provision or provision two of the federal
9 national school lunch act shall develop a policy, consistent with feder-
10 al and state guidance on meal charge policies, to ensure that a student
11 whose parent or guardian has unpaid school meal fees is not shamed or
12 treated differently than a student whose parent or guardian does not
13 have unpaid school meal fees. The school district, charter school or
14 non-public school shall adopt and post the policy on its website by July
15 first, two thousand eighteen. The policy shall be provided annually, in
16 writing, to all students at the start of each school year. The plan
17 shall include, but not be limited to:
18 a. a requirement stating that the school provide the student with the
19 student's meal of choice from the available reimbursable meal choices
20 for such school day, if the student requests one, provided that the

1 school is only required to provide access to reimbursable meals, not a
2 la carte items, adult meals, or other similar items;

3 b. an explanation of how staff will be trained to ensure that the
4 policy is implemented correctly and to assist parents or guardians in
5 determining whether their child is eligible for free or reduced-price
6 meals;

7 c. actions that the school will take to collect a student's unpaid
8 school meal fees from the student's parent or guardian including a
9 procedure for notifying the student's parent or guardian that the
10 student's meal card or account balance is exhausted and unpaid meal
11 charges are due. The school may use a repayment schedule to collect
12 unpaid school meal fees from a parent or guardian, but the school shall
13 not charge any interest or fees in connection with any meals charged and
14 shall not use a debt collector, as defined in section 1692a of title 15
15 of the United States Code. Nothing in this section, however, is intended
16 to allow for the unlimited accrual of debt; and

17 d. a procedure designed to inform and assist eligible families in
18 enrolling their child for free or reduced price meals. Such procedure
19 shall include a process for determining eligibility when a student owes
20 money for five or more meals, wherein the school shall:

21 i. make every attempt to determine if a student is directly certified
22 to be eligible for free or reduced price meals;

23 ii. make at least two attempts, not including the application or
24 instructions included in a school enrollment packet, to reach the
25 student's parent or guardian and have the parent or guardian fill out a
26 meal application; and

27 iii. require a designated school administrator or other school person-
28 nel to contact the parent or guardian to offer assistance with a meal
29 application, determine if there are other issues within the household
30 that have caused the child to have insufficient funds to purchase a
31 school meal and offer any other assistance that is appropriate.

32 2. No school shall:

33 a. publicly identify or stigmatize a student who cannot pay for a meal
34 or who owes a meal debt by any means including, but not limited to,
35 requiring that a student wear a wristband or hand stamp;

36 b. require a student who cannot pay for a meal or who owes a meal debt
37 to do chores or other work to pay for meals;

38 c. require that a student throw away a meal after it has been served
39 because of the student's inability to pay for the meal or because money
40 is owed for earlier meals; or

41 d. take any action directed at a student to collect unpaid school meal
42 fees. A school or school district shall only communicate directly with a
43 parent or guardian about payment of school meal fees or collection of
44 unpaid school meal fees. A school or school district may, however,
45 direct actions or communications about such fees to or through a student
46 if a parent or guardian provides written consent.

47 3. If a school becomes aware that a student who has not submitted a
48 meal application is eligible for free or reduced price meals, the school
49 shall complete and file an application for the student pursuant to part
50 245 of the code of federal regulations , as such regulations may, from
51 time to time, be amended.

52 4. School liaisons designated under subdivision two-a of section thir-
53 ty-two hundred nine of this chapter for homeless students and school
54 district points of contact designated for foster students shall ensure
55 eligible students receive school meals, in accordance with federal law.

1 § 2. Section 4 of chapter 537 of the laws of 1976, relating to paid,
2 free and reduced price breakfast for eligible pupils in certain school
3 districts, is renumbered section 6 and two new sections 4 and 5 are
4 added to read as follows:

5 § 4. a. All public elementary and secondary schools in this state,
6 including charter schools authorized by article 56 of the education law,
7 with at least seventy percent or more of its pupils eligible for free or
8 reduced-price meals under the National School Lunch Program in the prior
9 school year, as determined by the State Education Department, shall be
10 required to offer all pupils a school breakfast after the instructional
11 day has begun. The commissioner of education shall develop and distrib-
12 ute guidelines, consistent with applicable federal and state laws
13 governing the national school breakfast program, for schools to use to
14 implement such a program.

15 b. Each school may determine the breakfast service delivery model that
16 best suits its pupils. Service delivery models may include, but are not
17 limited to, breakfast in the classroom, grab and go breakfast, and
18 second chance breakfast. Time spent by pupils consuming breakfast may be
19 considered instructional time when pupils consume breakfast while
20 instruction is being provided. In determining a service delivery model,
21 schools shall consult with teachers, parents or guardians, pupils, local
22 food authorities and members of the community. Every school shall notify
23 a pupil's parent or guardian that the school will be offering a break-
24 fast after the instructional day has begun program.

25 c. On or before May 1, 2018 and each year thereafter, the commissioner
26 of education shall identify and publish a list of schools that shall
27 comply with the requirements of this subdivision in the following school
28 year. Any school identified pursuant to this subdivision may apply to
29 the commissioner of education, in accordance with regulations estab-
30 lished by the commissioner of education, for a waiver from establishing
31 a breakfast after the instructional day has begun program pursuant to
32 this section. A waiver may be granted upon demonstrating one or more of
33 the following:

34 i. a lack of need for a school breakfast after the instructional day
35 has begun program because of a successful existing breakfast program;

36 ii. a lack of need for a school breakfast after the instructional day
37 has begun program due to documented projections of low participation;

38 iii. providing a breakfast after the instructional day has begun
39 program would cause economic hardship for the school; or

40 iv. other good cause shown that makes the establishment of a school
41 breakfast after the instructional day has begun program impractical.

42 § 5. a. Notwithstanding any monetary limitations with respect to
43 school lunch programs contained in any law or regulation, for school
44 lunch meals served in the school year commencing July 1, 2019 and each
45 July 1 thereafter, a school food authority shall be eligible for a lunch
46 meal State subsidy of twenty-five cents, which shall include any annual
47 State subsidy received by such school food authority under any other
48 provision of State law, for any school lunch meal served by such school
49 food authority; provided that the school food authority certifies to the
50 State Education Department through the application submitted pursuant to
51 subdivision b of this section that at least thirty percent of the total
52 cost of food products for the school lunch service program of such food
53 authority is purchased from New York state farmers, growers, producers
54 or processors that process food in facilities located in New York state
55 in the preceding school year.

b. The State Education Department, in cooperation with the Department of Agriculture and Markets, shall develop an application for school food authorities to seek an additional State subsidy pursuant to this section in a timeline and format prescribed by the commissioner of education. Such application shall include, but not be limited to, documentation demonstrating the school food authority's total food purchases for its school lunch service programs, including its total food purchases for its school lunch service programs and percentages for such programs from New York State farmers, growers, producers or processors that process food in facilities located in New York state in the preceding school year. The application shall also include an attestation from the school food authority's chief operating officer that at least thirty percent of the total cost of food products for the school lunch service program of such food authority is purchased from New York State farmers, growers, producers or processors that process food in facilities located in New York state in the preceding school year in order to meet the requirements for this additional State subsidy. School food authorities shall be required to annually apply for this subsidy.

c. The State Education Department shall annually publish information on its website commencing on September 1, 2019 and each September 1 thereafter, relating to each school food authority that applied for and received this additional State subsidy.

§ 3. Paragraph i of subdivision a of section 1 of chapter 537 of the laws of 1976, relating to paid, free and reduced price breakfast for eligible pupils in certain school districts, is amended to read as follows:

i. The term "pupil" means a child attending any public school or charter school in any grade from pre-kindergarten through high school, whether such pupil attends classes on either a full day, split session or half day basis, provided, however, a pupil attending an afternoon session shall be eligible only for the school lunch program.

§ 4. This act shall take effect immediately; provided, however, that subdivision a of section 4 of chapter 537 of the laws of 1976, as added by section two of this act, shall take effect September 1, 2018.

PART C

Intentionally Omitted

Costs allocated to a partic-

ipating non-component school district pursuant to a memorandum of understanding shall be aidable pursuant to subdivision five of this section to the same extent and on the same basis as costs allocated to a component school district.

47 with the premium wages prevailing in the area in which the work is
48 performed. No such dispensation shall be effective with respect to any
49 public work unless and until the department of jurisdiction, as defined
50 in this section, certifies to the commissioner that such public work is

22 PART Q

23 Section 1. Section 2 of the lien law is amended by adding three new
24 subdivisions 21, 22 and 23 to read as follows:

25 21. Employee. The term "employee", when used in this chapter, shall
26 have the same meaning as "employee" pursuant to articles one, six, nine-
27 teen and nineteen-A of the labor law, as applicable, or the Fair Labor
28 Standards Act, 29 U.S.C. § 201 et. seq., as applicable.

29 22. Employer. The term "employer", when used in this chapter, shall
30 have the same meaning as "employer" pursuant to articles one, six, nine-
31 teen and nineteen-A of the labor law, as applicable, or the Fair Labor
32 Standards Act, 29 U.S.C. § 201 et. seq., as applicable.

33 23. Wage claim. The term "wage claim", when used in this chapter,
34 means a claim that an employee has suffered a violation of sections one
35 hundred seventy, one hundred ninety-one, one hundred ninety-three, one
36 hundred ninety-six-d, six hundred fifty-two or six hundred seventy-three
37 of the labor law or the related regulations and wage orders promulgated
38 by the commissioner, a claim for wages due to an employee pursuant to an
39 employment contract that were unpaid in violation of that contract, or a
40 claim that an employee has suffered a violation of 29 U.S.C. § 206 or
41 207.

42 § 2. Section 3 of the lien law, as amended by chapter 137 of the laws
43 of 1985, is amended to read as follows:

44 § 3. Mechanic's lien and employee's lien on [~~real~~] property. 1.
45 Mechanic's lien. A contractor, subcontractor, laborer, materialman,
46 landscape gardener, nurseryman or person or corporation selling fruit or
47 ornamental trees, roses, shrubbery, vines and small fruits, who performs
48 labor or furnishes materials for the improvement of real property with
49 the consent or at the request of the owner thereof, or of his agent,
50 contractor or subcontractor, and any trust fund to which benefits and
51 wage supplements are due or payable for the benefit of such laborers,
52 shall have a lien for the principal and interest, of the value, or the
53 agreed price, of such labor, including benefits and wage supplements due
54 or payable for the benefit of any laborer, or materials upon the real

1 property improved or to be improved and upon such improvement, from the
2 time of filing a notice of such lien as prescribed in this chapter.
3 Where the contract for an improvement is made with a husband or wife and
4 the property belongs to the other or both, the husband or wife contract-
5 ing shall also be presumed to be the agent of the other, unless such
6 other having knowledge of the improvement shall, within ten days after
7 learning of the contract give the contractor written notice of his or
8 her refusal to consent to the improvement. Within the meaning of the
9 provisions of this chapter, materials actually manufactured for but not
10 delivered to the real property, shall also be deemed to be materials
11 furnished.

12 2. Employee's lien. An employee who has a wage claim as that term is
13 defined in subdivision twenty-three of section two of this chapter shall
14 have a lien on his or her employer's interest in property for the value
15 of the wage claim arising out of the employment, including liquidated
16 damages pursuant to subdivision one-a of section one hundred ninety-
17 eight, section six hundred sixty-three or section six hundred eighty-one
18 of the labor law, or 29 U.S.C. § 216 (b), from the time of filing a
19 notice of such lien as prescribed in this chapter. An employee's lien
20 based on a wage claim may be had against the employer's interest in real
21 property and against the employer's interest in personal property that
22 can be sufficiently described within the meaning of section 9-108 of the
23 uniform commercial code, except that an employee's lien shall not extend
24 to deposit accounts or goods as those terms are defined in section 9-102
25 of the uniform commercial code. The department of labor and the attor-
26 ney general may obtain an employee's lien for the value of wage claims
27 of the employees who are the subject of their investigations, court
28 actions or administrative agency actions.

29 3. As used in this article and unless otherwise specified, a lien
30 shall mean an employee's lien or a mechanic's lien.

31 § 3. Subdivisions 1 and 2 of section 4 of the lien law, subdivision 1
32 as amended by chapter 515 of the laws of 1929 and subdivision 2 as added
33 by chapter 704 of the laws of 1985, are amended to read as follows:

34 (1) [~~Such~~] A mechanic's or employee's lien and employee's lien against
35 real property shall extend to the owner's right, title or interest in
36 the real property and improvements, existing at the time of filing the
37 notice of lien, or thereafter acquired, except as hereinafter in this
38 article provided. If an owner assigns his interest in such real property
39 by a general assignment for the benefit of creditors, within thirty days
40 prior to such filing, the lien shall extend to the interest thus
41 assigned. If any part of the real property subjected to such lien be
42 removed by the owner or by any other person, at any time before the
43 discharge thereof, such removal shall not affect the rights of the
44 lienor, either in respect to the remaining real property, or the part so
45 removed. If labor is performed for, or materials furnished to, a
46 contractor or subcontractor for an improvement, the mechanic's lien
47 shall not be for a sum greater than the sum earned and unpaid on the
48 contract at the time of filing the notice of lien, and any sum subse-
49 quently earned thereon. In no case shall the owner be liable to pay by
50 reason of all mechanic's liens created pursuant to this article a sum
51 greater than the value or agreed price of the labor and materials
52 remaining unpaid, at the time of filing notices of such liens, except as
53 hereinafter provided.

54 (2) [~~Such~~] A mechanic's or employee's lien shall not extend to the
55 owner's right, title or interest in real property and improvements,
56 existing at the time of filing the notice of lien if such lien arises

1 from the failure of a lessee of the right to explore, develop or produce
2 natural gas or oil, to pay for, compensate or render value for improve-
3 ments made with the consent or at the request of such lessee by a
4 contractor, subcontractor, materialman, equipment operator or owner,
5 landscaper, nurseryman, or person or corporation who performs labor or
6 furnishes materials for the exploration, development, or production of
7 oil or natural gas or otherwise improves such leased property. Such
8 mechanic's or employee's lien shall extend to the improvements made for
9 the exploration, development and production of oil and natural gas, and
10 the working interest held by a lessee of the right to explore, develop
11 or produce oil and natural gas.

12 § 4. The opening paragraph of section 4-a of the lien law, as amended
13 by chapter 696 of the laws of 1959, is amended to read as follows:

14 The proceeds of any insurance which by the terms of the policy are
15 payable to the owner of real property improved, and actually received or
16 to be received by him because of the destruction or removal by fire or
17 other casualty of an improvement on which lienors have performed labor
18 or services or for which they have furnished materials, or upon which an
19 employee has established an employee's lien, shall after the owner has
20 been reimbursed therefrom for premiums paid by him, if any, for such
21 insurance, be subject to liens provided by this act to the same extent
22 and in the same order of priority as the real property would have been
23 had such improvement not been so destroyed or removed.

24 § 5. Subdivisions 1, 2 and 5 of section 9 of the lien law, as amended
25 by chapter 515 of the laws of 1929, are amended to read as follows:

26 1. The name of the lienor, and either the residence of the lienor or
27 the name and business address of the lienor's attorney, if any; and if
28 the lienor is a partnership or a corporation, the business address of
29 such firm, or corporation, the names of partners and principal place of
30 business, and if a foreign corporation, its principal place of business
31 within the state.

32 2. The name of the owner of the [~~real~~] property against whose interest
33 therein a lien is claimed, and the interest of the owner as far as known
34 to the lienor.

35 5. The amount unpaid to the lienor for such labor or materials, or the
36 amount of the wage claim if a wage claim is the basis for establishment
37 of the lien, the items of the wage claim and the value thereof which
38 make up the amount for which the lienor claims a lien.

39 § 6. Subdivision 1 of section 10 of the lien law, as amended by chap-
40 ter 367 of the laws of 2011, is amended to read as follows:

41 1. (a) Notice of mechanic's lien may be filed at any time during the
42 progress of the work and the furnishing of the materials, or, within
43 eight months after the completion of the contract, or the final perform-
44 ance of the work, or the final furnishing of the materials, dating from
45 the last item of work performed or materials furnished; provided, howev-
46 er, that where the improvement is related to real property improved or
47 to be improved with a single family dwelling, the notice of mechanic's
48 lien may be filed at any time during the progress of the work and the
49 furnishing of the materials, or, within four months after the completion
50 of the contract, or the final performance of the work, or the final
51 furnishing of the materials, dating from the last item of work performed
52 or materials furnished; and provided further where the notice of mechan-
53 ic's lien is for retainage, the notice of mechanic's lien may be filed
54 within ninety days after the date the retainage was due to be released;
55 except that in the case of a mechanic's lien by a real estate broker,
56 the notice of mechanic's lien may be filed only after the performance of

1 the brokerage services and execution of lease by both lessor and lessee
2 and only if a copy of the alleged written agreement of employment or
3 compensation is annexed to the notice of lien, provided that where the
4 payment pursuant to the written agreement of employment or compensation
5 is to be made in installments, then a notice of lien may be filed within
6 eight months after the final payment is due, but in no event later than
7 a date five years after the first payment was made. For purposes of this
8 section, the term "single family dwelling" shall not include a dwelling
9 unit which is a part of a subdivision that has been filed with a municipi-
10 pality in which the subdivision is located when at the time the lien is
11 filed, such property in the subdivision is owned by the developer for
12 purposes other than his personal residence. For purposes of this
13 section, "developer" shall mean and include any private individual,
14 partnership, trust or corporation which improves two or more parcels of
15 real property with single family dwellings pursuant to a common scheme
16 or plan. [The]

17 (b) Notice of employee's lien may be filed at any time not later than
18 three years following the end of the employment giving rise to the wage

20 (c) A notice of lien, other than for a lien on personal property, must
21 be filed in the clerk's office of the county where the property is situ-
22 ated. If such property is situated in two or more counties, the notice
23 of lien shall be filed in the office of the clerk of each of such coun-

25 be called the "lien docket," which shall be suitably ruled in columns
26 headed "owners," "lienors," "lienor's attorney," "property," "amount,"
27 "time of filing," "proceedings had," in each of which he shall enter the
28 particulars of the notice, properly belonging therein. The date, hour
29 and minute of the filing of each notice of lien shall be entered in the
30 proper column. Except where the county clerk maintains a block index,
31 the names of the owners shall be arranged in such book in alphabetical
32 order. The validity of the lien and the right to file a notice thereof
33 shall not be affected by the death of the owner before notice of the
34 lien is filed. A notice of employee's lien on personal property must be
35 filed, together with a financing statement, in the filing office as set
36 forth in section 9-501 of the uniform commercial code.

37 § 7. Section 11 of the lien law, as amended by chapter 147 of the laws
38 of 1996, is amended to read as follows:

39 § 11. Service of copy of notice of lien. 1. Within five days before
40 or thirty days after filing the notice of a mechanic's lien, the lienor
41 shall serve a copy of such notice upon the owner, if a natural person,
42 (a) by delivering the same to him personally, or if the owner cannot be
43 found, to his agent or attorney, or (b) by leaving it at his last known
44 place of residence in the city or town in which the real property or
45 some part thereof is situated, with a person of suitable age and
46 discretion, or (c) by registered or certified mail addressed to his last
47 known place of residence, or (d) if such owner has no such residence in
48 such city or town, or cannot be found, and he has no agent or attorney,
49 by affixing a copy thereof conspicuously on such property, between the
50 hours of nine o'clock in the forenoon and four o'clock in the afternoon;
51 if the owner be a corporation, said service shall be made (i) by deliv-
52 ering such copy to and leaving the same with the president, vice-presi-
53 dent, secretary or clerk to the corporation, the cashier, treasurer or a
54 director or managing agent thereof, personally, within the state, or
55 (ii) if such officer cannot be found within the state by affixing a copy
56 thereof conspicuously on such property between the hours of nine o'clock

1 in the forenoon and four o'clock in the afternoon, or (iii) by regis-
2 tered or certified mail addressed to its last known place of business.
3 Failure to file proof of such a service with the county clerk within
4 thirty-five days after the notice of lien is filed shall terminate the
5 notice as a lien. Until service of the notice has been made, as above
6 provided, an owner, without knowledge of the lien, shall be protected in
7 any payment made in good faith to any contractor or other person claim-
8 ing a lien.

9 2. Within five days before or thirty days after filing the notice of
10 an employee's lien, the lienor shall serve a copy of such notice upon
11 the employer, if a natural person, (a) by delivering the same to him
12 personally, or if the employer cannot be found, to his agent or attor-
13 ney, or (b) by leaving it as his last known place of residence or busi-
14 ness, with a person of suitable age and discretion, or (c) by registered
15 or certified mail addressed to his last known place of residence or
16 business, or (d) if such employer owns real property, by affixing a copy
17 thereof conspicuously on such property, between the hours of nine
18 o'clock in the forenoon and four o'clock in the afternoon. The lienor
19 also shall, within thirty days after filing the notice of employee's
20 lien, affix a copy thereof conspicuously on the real property identified
21 in the notice of employee's lien, between the hours of nine o'clock in
22 the forenoon and four o'clock in the afternoon. If the employer be a
23 corporation, said service shall be made (i) by delivering such copy to
24 and leaving the same with the president, vice-president, secretary or
25 clerk to the corporation, the cashier, treasurer or a director or manag-
26 ing agent thereof, personally, within the state, or (ii) if such officer
27 cannot be found within the state by affixing a copy thereof conspicu-
28 ously on such property between the hours of nine o'clock in the forenoon
29 and four o'clock in the afternoon, or (iii) by registered or certified
30 mail addressed to its last known place of business, or (iv) by delivery
31 to the secretary of the department of state in the same manner as
32 required by subparagraph one of paragraph (b) of section three hundred
33 six of the business corporation law. Failure to file proof of such a
34 service with the county clerk within thirty-five days after the notice
35 of lien is filed shall terminate the notice as a lien. Until service of
36 the notice has been made, as above provided, an owner, without knowledge
37 of the lien, shall be protected in any payment made in good faith to any
38 other person claiming a lien.

39 § 8. Section 11-b of the lien law, as amended by chapter 147 of the
40 laws of 1996, is amended to read as follows:

41 § 11-b. Copy of notice of mechanic's lien to a contractor or subcon-
42 tractor. Within five days before or thirty days after filing a notice
43 of mechanic's lien in accordance with section ten of this chapter or the
44 filing of an amendment of notice of mechanic's lien in accordance with
45 section twelve-a of this [~~chapter~~] article the lienor shall serve a copy
46 of such notice or amendment by certified mail on the contractor, subcon-
47 tractor, assignee or legal representative for whom he was employed or to
48 whom he furnished materials or if the lienor is a contractor or subcon-
49 tractor to the person, firm or corporation with whom the contract was
50 made. A lienor having a direct contractual relationship with a subcon-
51 tractor or a sub-subcontractor but not with a contractor shall also
52 serve a copy of such notice or amendment by certified mail to the
53 contractor. Failure to file proof of such a service with the county
54 clerk within thirty-five days after the notice of lien is filed shall
55 terminate the notice as a lien. Any lienor, or a person acting on behalf
56 of a lienor, who fails to serve a copy of the notice of mechanic's lien

1 as required by this section shall be liable for reasonable attorney's
2 fees, costs and expenses, as determined by the court, incurred in
3 obtaining such copy.

4 § 9. Subdivision 1 of section 12-a of the lien law, as amended by
5 chapter 1048 of the laws of 1971, is amended to read as follows:

6 1. Within sixty days after the original filing, a lienor may amend his
7 lien upon twenty days notice to existing lienors, mortgagees and the
8 owner, provided that no action or proceeding to enforce or cancel the
9 mechanics' lien or employee's lien has been brought in the interim,
10 where the purpose of the amendment is to reduce the amount of the lien,
11 except the question of wilful exaggeration shall survive such amendment.

12 § 10. Subdivision 1 of section 13 of the lien law, as amended by chap-
13 ter 878 of the laws of 1947, is amended to read as follows:

14 (1) [A] An employee's lien, or a lien for materials furnished or labor
15 performed in the improvement of real property, shall have priority over
16 a conveyance, mortgage, judgment or other claim against such property
17 not recorded, docketed or filed at the time of the filing of the notice
18 of such lien, except as hereinafter in this chapter provided; over
19 advances made upon any mortgage or other encumbrance thereon after such
20 filing, except as hereinafter in this article provided; and over the
21 claim of a creditor who has not furnished materials or performed labor
22 upon such property, if such property has been assigned by the owner by a
23 general assignment for the benefit of creditors, within thirty days
24 before the filing of either of such notices; and also over an attachment
25 hereafter issued or a money judgment hereafter recovered upon a claim,
26 which, in whole or in part, was not for materials furnished, labor
27 performed or moneys advanced for the improvement of such real property;
28 and over any claim or lien acquired in any proceedings upon such judg-
29 ment. Such liens shall also have priority over advances made upon a
30 contract by an owner for an improvement of real property which contains
31 an option to the contractor, his successor or assigns to purchase the
32 property, if such advances were made after the time when the labor began
33 or the first item of material was furnished, as stated in the notice of
34 lien. If several buildings are demolished, erected, altered or repaired,
35 or several pieces or parcels of real property are improved, under one
36 contract, and there are conflicting liens thereon, each lienor shall
37 have priority upon the particular part of the real property or upon the
38 particular building or premises where his labor is performed or his
39 materials are used. Persons shall have no priority on account of the
40 time of filing their respective notices of liens, but all liens shall be
41 on a parity except as hereinafter in section fifty-six of this chapter
42 provided; and except that in all cases laborers for daily or weekly
43 wages with a mechanic's lien, and employees with an employee's lien,
44 shall have preference over all other claimants under this article.

45 § 11. Section 17 of the lien law, as amended by chapter 324 of the
46 laws of 2000, is amended to read as follows:

47 § 17. Duration of lien. 1. (a) No mechanic's lien specified in this
48 article shall be a lien for a longer period than one year after the
49 notice of lien has been filed, unless within that time an action is
50 commenced to foreclose the lien, and a notice of the pendency of such
51 action, whether in a court of record or in a court not of record, is
52 filed with the county clerk of the county in which the notice of lien is
53 filed, containing the names of the parties to the action, the object of
54 the action, a brief description of the real property affected thereby,
55 and the time of filing the notice of lien; or unless an extension to
56 such lien, except for a lien on real property improved or to be improved

1 with a single family dwelling, is filed with the county clerk of the
2 county in which the notice of lien is filed within one year from the
3 filing of the original notice of lien, continuing such lien and such
4 lien shall be redocketed as of the date of filing such extension. Such
5 extension shall contain the names of the lienor and the owner of the
6 real property against whose interest therein such lien is claimed, a
7 brief description of the real property affected by such lien, the amount
8 of such lien, and the date of filing the notice of lien. No lien shall
9 be continued by such extension for more than one year from the filing
10 thereof. In the event an action is not commenced to foreclose the lien
11 within such extended period, such lien shall be extinguished unless an
12 order be granted by a court of record or a judge or justice thereof,
13 continuing such lien, and such lien shall be redocketed as of the date
14 of granting such order and a statement made that such lien is continued
15 by virtue of such order. A lien on real property improved or to be
16 improved with a single family dwelling may only be extended by an order
17 of a court of record, or a judge or justice thereof. No lien shall be
18 continued by court order for more than one year from the granting there-
19 of, but a new order and entry may be made in each of two successive
20 years. If a lienor is made a party defendant in an action to enforce
21 another lien, and the plaintiff or such defendant has filed a notice of
22 the pendency of the action within the time prescribed in this section,
23 the lien of such defendant is thereby continued. Such action shall be
24 deemed an action to enforce the lien of such defendant lienor. The fail-
25 ure to file a notice of pendency of action shall not abate the action as
26 to any person liable for the payment of the debt specified in the notice
27 of lien, and the action may be prosecuted to judgment against such
28 person. The provisions of this section in regard to continuing liens
29 shall apply to liens discharged by deposit or by order on the filing of
30 an undertaking. Where a lien is discharged by deposit or by order, a
31 notice of pendency of action shall not be filed.

32 (b) A lien, the duration of which has been extended by the filing of a
33 notice of the pendency of an action as above provided, shall neverthe-
34 less terminate as a lien after such notice has been canceled as provided
35 in section sixty-five hundred fourteen of the civil practice law and
36 rules or has ceased to be effective as constructive notice as provided
37 in section sixty-five hundred thirteen of the civil practice law and
38 rules.

39 2. (a) No employee's lien on real property shall be a lien for a long-
40 er period than one year after the notice of lien has been filed, unless
41 an extension to such lien is filed with the county clerk of the county
42 in which the notice of lien is filed within one year from the filing of
43 the original notice of lien, continuing such lien and such lien shall be
44 redocketed as of the date of filing such extension. Such extension shall
45 contain the names of the lienor and the owner of the real property
46 against whose interest therein such lien is claimed, a brief description
47 of the property affected by such lien, the amount of such lien, and the
48 date of filing the notice of lien. No lien shall be continued by such
49 extension for more than one year from the filing thereof. In the event
50 an action is not commenced to obtain judgment on the wage claim or to
51 foreclose the lien within such extended period, such lien shall be
52 extinguished unless an order be granted by a court of record or a judge
53 or justice thereof, continuing such lien, and such lien shall be redock-
54 eted as of the date of granting such order and a statement made that
55 such lien is continued by virtue of such order.

1 (b) No employee's lien on personal property shall be a lien for a
2 longer period than one year after the financing statement has been
3 recorded, unless an extension to such lien, is filed with the filing
4 office in which the financing statement is required to be filed pursuant
5 to section 9-501 of the uniform commercial code within one year from the
6 filing of the original financing statement, continuing such lien. Such
7 extension shall contain the names of the lienor and the owner of the
8 property against whose interest therein such lien is claimed, a brief
9 description of the prior financing statement to be extended, and the
10 date of filing the prior financing statement. No lien shall be contin-
11 ued by such extension for more than one year from the filing thereof. In
12 the event an action is not commenced to obtain judgment on the wage
13 claim or to foreclose the lien within such extended period, such lien
14 shall be extinguished unless an order be granted by a court of record or
15 a judge or justice thereof, continuing such lien, and such lien shall be
16 refiled as of the date of granting such order and a statement made that
17 such lien is continued by virtue of such order.

18 (c) If a lienor is made a party defendant in an action to enforce
19 another lien, and the plaintiff or such defendant has filed a notice of
20 the pendency of the action within the time prescribed in this section,
21 the lien of such defendant is thereby continued. Such action shall be
22 deemed an action to enforce the lien of such defendant lienor. The fail-
23 ure to file a notice of pendency of action shall not abate the action as
24 to any person liable for the payment of the debt specified in the notice
25 of lien, and the action may be prosecuted to judgment against such
26 person. The provisions of this section in regard to continuing liens
27 shall apply to liens discharged by deposit or by order on the filing of
28 an undertaking. Where a lien is discharged by deposit or by order, a
29 notice of pendency of action shall not be filed.

30 (d) Notwithstanding the foregoing, if a lienor commences a foreclosure
31 action or an action to obtain a judgment on the wage claim within one
32 year from the filing of the notice of lien on real property or the
33 recording of the financing statement creating lien on personal property,
34 the lien shall be extended during the pendency of the action and for one
35 hundred twenty days following the entry of final judgment in such
36 action, unless the action results in a final judgment or administrative
37 order in the lienor's favor on the wage claims and the lienor commences
38 a foreclosure action, in which instance the lien shall be valid during
39 the pendency of the foreclosure action. If a lien is extended due to the
40 pendency of a foreclosure action or an action to obtain a judgment on
41 the wage claim, the lienor shall file a notice of such pendency and
42 extension with the county clerk of the county in which the notice of
43 lien is filed, containing the names of the parties to the action, the
44 object of the action, a brief description of the property affected
45 thereby, and the time of filing the notice of lien, or in the case of a
46 lien on personal property shall file such notice with the office author-
47 ized to accept financing statements pursuant to section 9-501 of the
48 uniform commercial code. For purposes of this section, an action to
49 obtain judgment on a wage claim includes an action brought in any court
50 of competent jurisdiction, the submission of a complaint to the depart-
51 ment of labor or the submission of a claim to arbitration pursuant to an
52 arbitration agreement. An action also includes an investigation of wage
53 claims by the commissioner of labor or the attorney general of the state
54 of New York, regardless of whether such investigation was initiated by a
55 complaint.

(e) A lien, the duration of which has been extended by the filing of a notice of the pendency of an action as above provided, shall nevertheless terminate as a lien after such notice has been canceled as provided in section sixty-five hundred fourteen of the civil practice law and rules or has ceased to be effective as constructive notice as provided in section sixty-five hundred thirteen of the civil practice law and rules.

§ 12. Subdivisions 2 and 4 of section 19 of the lien law, subdivision 2 as amended by chapter 310 of the laws of 1962, subdivision 4 as added by chapter 582 of the laws of 2002 and paragraph a of subdivision 4 as further amended by section 104 of part A of chapter 62 of the laws of 2011, are amended to read as follows:

(2) By failure to begin an action to foreclose such lien or to secure an order continuing it, within one year from the time of filing the notice of lien, unless (i) an action be begun within the same period to foreclose a mortgage or another mechanic's lien upon the same property or any part thereof and a notice of pendency of such action is filed according to law, or (ii) an action is commenced to obtain a judgment on a wage claim pursuant to subdivision two of section seventeen of this article, but a lien, the duration of which has been extended by the filing of a notice of the pendency of an action as herein provided, shall nevertheless terminate as a lien after such notice has been cancelled or has ceased to be effective as constructive notice.

(4) Either before or after the beginning of an action by the employer, owner or contractor executing a bond or undertaking in an amount equal to one hundred ten percent of such lien conditioned for the payment of any judgment which may be rendered against the property or employer for the enforcement of the lien:

a. The execution of any such bond or undertaking by any fidelity or surety company authorized by the laws of this state to transact business, shall be sufficient; and where a certificate of qualification has been issued by the superintendent of financial services under the provisions of section one thousand one hundred eleven of the insurance law, and has not been revoked, no justification or notice thereof shall be necessary. Any such company may execute any such bond or undertaking as surety by the hand of its officers, or attorney, duly authorized thereto by resolution of its board of directors, a certified copy of which resolution, under the seal of said company, shall be filed with each bond or undertaking. Any such bond or undertaking shall be filed with the clerk of the county in which the notice of lien is filed, and a copy shall be served upon the adverse party. The undertaking is effective when so served and filed. If a certificate of qualification issued pursuant to subsections (b), (c) and (d) of section one thousand one hundred eleven of the insurance law is not filed with the undertaking, a party may except, to the sufficiency of a surety and by a written notice of exception served upon the adverse party within ten days after receipt, a copy of the undertaking. Exceptions deemed by the court to have been taken unnecessarily, or for vexation or delay, may, upon notice, be set aside, with costs. Where no exception to sureties is taken within ten days or where exceptions taken are set aside, the undertaking shall be allowed.

b. In the case of bonds or undertakings not executed pursuant to paragraph a of this subdivision, the employer, owner or contractor shall execute an undertaking with two or more sufficient sureties, who shall be free holders, to the clerk of the county where the premises are situated. The sureties must together justify in at least double the sum

1 named in the undertaking. A copy of the undertaking, with notice that
2 the sureties will justify before the court, or a judge or justice there-
3 of, at the time and place therein mentioned, must be served upon the
4 lienor or his attorney, not less than five days before such time. Upon
5 the approval of the undertaking by the court, judge or justice an order
6 shall be made by such court, judge or justice discharging such lien.

7 c. If the lienor cannot be found, or does not appear by attorney,
8 service under this subsection may be made by leaving a copy of such
9 undertaking and notice at the lienor's place of residence, or if a
10 corporation at its principal place of business within the state as stat-
11 ed in the notice of lien, with a person of suitable age and discretion
12 therein, or if the house of his abode or its place of business is not
13 stated in said notice of lien and is not known, then in such manner as
14 the court may direct. The premises, if any, described in the notice of
15 lien as the lienor's residence or place of business shall be deemed to
16 be his said residence or its place of business for the purposes of said
17 service at the time thereof, unless it is shown affirmatively that the
18 person servicing the papers or directing the service had knowledge to
19 the contrary. Notwithstanding the other provisions of this subdivision
20 relating to service of notice, in any case where the mailing address of
21 the lienor is outside the state such service may be made by registered
22 or certified mail, return receipt requested, to such lienor at the mail-
23 ing address contained in the notice of lien.

24 d. Except as otherwise provided in this subdivision, the provisions of
25 article twenty-five of the civil practice law and rules regulating
26 undertakings is applicable to a bond or undertaking given for the
27 discharge of a lien on account of private improvements or of an employ-
28 ee's lien.

29 § 13. Section 24 of the lien law, as amended by chapter 515 of the
30 laws of 1929, is amended to read as follows:

31 § 24. Enforcement of [~~mechanic's~~] lien. (1) Real property. The
32 [~~mechanics~~] liens on real property specified in this article may be
33 enforced against the property specified in the notice of lien and which
34 is subject thereto and against any person liable for the debt upon which
35 the lien is founded, as prescribed in article three of this chapter.

36 (2) Personal property. An employee's lien on personal property speci-
37 fied in this article may immediately be enforced against the property
38 through a foreclosure as prescribed in article nine of the uniform
39 commercial code, or upon judgment obtained by the employee, commissioner
40 of labor or attorney general of the state of New York, may be enforced
41 in any manner available to the judgment creditor pursuant to article
42 nine of the uniform commercial code or other applicable laws.

43 § 14. Section 26 of the lien law, as amended by chapter 373 of the
44 laws of 1977, is amended to read as follows:

45 § 26. Subordination of liens after agreement with owner. In case an
46 owner of real property shall execute to one or more persons, or a corpo-
47 ration, as trustee or trustees, a bond and mortgage or a note and mort-
48 gage affecting such property in whole or in part, or an assignment of
49 the moneys due or to become due under a contract for a building loan in
50 relation to such property, and in case such mortgage, if any, shall be
51 recorded in the office of the register of the county where such real
52 property is situated, or if such county has no register then in the
53 office of the clerk of such county, and in case such assignment, if any,
54 shall be filed in the office of the clerk of the county where such real
55 property is situated; and in case lienors having [~~mechanics~~] liens
56 against said real property, notices of which have been filed up to and

1 not later than fifteen days after the recording of such mortgage or the
2 filing of such assignment, and which liens have not been discharged as
3 in this article provided, shall, to the extent of at least fifty-five
4 per centum of the aggregate amount for which such notices of liens have
5 been so filed, approve such bond and mortgage or such note and mortgage,
6 if any, and such assignment, if any, by an instrument or instruments in
7 writing, duly acknowledged and filed in the office of such county clerk,
8 then all mechanics' liens for labor performed or material furnished
9 prior to the recording of such mortgage or filing of such assignment,
10 whether notices thereof have been theretofore or are thereafter filed
11 and which have not been discharged as in this article provided, shall be
12 subordinate to the lien of such trust bond and mortgage or such trust
13 note and mortgage to the extent of the aggregate amount of all certifi-
14 cates of interest therein issued by such trustee or trustees, or their
15 successors, for moneys loaned, materials furnished, labor performed and
16 any other indebtedness incurred after said trust mortgage shall have
17 been recorded, and for expenses in connection with said trust mortgage,
18 and shall also be subordinate to the lien of the bond and mortgage or
19 note and mortgage, given to secure the amount agreed to be advanced
20 under such contract for a building loan to the extent of the amount
21 which shall be advanced by the holder of such bond and mortgage or such
22 note and mortgage to the trustee or trustees, or their successors, under
23 such assignment. The provisions of this section shall apply to all bonds
24 and mortgages and notes and mortgages and all assignments of moneys due,
25 or to become due under building loan contracts executed by such owner,
26 in like manner, and recorded or filed, from time to time as hereinbefore
27 provided. In case of an assignment to trustees under the provisions of
28 this section, the trustees and their successors shall be the agents of
29 the assignor to receive and receipt for any and all sums advanced by the
30 holder of the building loan bond and mortgage or the building loan note
31 and mortgage under the building loan contract and such assignment. No
32 lienor shall have any priority over the bond and mortgage or note and
33 mortgage given to secure the money agreed to be advanced under a build-
34 ing loan contract or over the advances made thereunder, by reason of any
35 act preceding the making and approval of such assignment.

36 § 15. Section 38 of the lien law, as amended by chapter 859 of the
37 laws of 1930, is amended to read as follows:

38 § 38. Itemized statement may be required of lienor. A lienor who has
39 filed a notice of mechanic's lien shall, on demand in writing, deliver
40 to the owner or contractor making such demand a statement in writing
41 which shall set forth the items of labor and/or material and the value
42 thereof which make up the amount for which he claims a lien, and which
43 shall also set forth the terms of the contract under which such items
44 were furnished. The statement shall be verified by the lienor or his
45 agent in the form required for the verification of notices in section
46 nine of this ~~chapter~~ article. If the lienor shall fail to comply with
47 such a demand within five days after the same shall have been made by
48 the owner or contractor, or if the lienor delivers an insufficient
49 statement, the person aggrieved may petition the supreme court of this
50 state or any justice thereof, or the county court of the county where
51 the premises are situated, or the county judge of such county for an
52 order directing the lienor within a time specified in the order to
53 deliver to the petitioner the statement required by this section. Two
54 days' notice in writing of such application shall be served upon the
55 lienor. Such service shall be made in the manner provided by law for the
56 personal service of a summons. The court or a justice or judge thereof

1 shall hear the parties and upon being satisfied that the lienor has
2 failed, neglected or refused to comply with the requirements of this
3 section shall have an appropriate order directing such compliance. In
4 case the lienor fails to comply with the order so made within the time
5 specified, then upon five days' notice to the lienor, served in the
6 manner provided by law for the personal service of a summons, the court
7 or a justice or judge thereof may make an order cancelling the lien.

8 § 16. Section 39 of the lien law, as added by chapter 859 of the laws
9 of 1930, is amended to read as follows:

10 § 39. Lien wilfully exaggerated is void. In any action or proceeding
11 to enforce a [~~mechanic's~~] lien upon a private or public improvement or
12 in which the validity of the lien is an issue, if the court shall find
13 that a lienor has wilfully exaggerated the amount for which he claims a
14 lien as stated in his notice of lien, his lien shall be declared to be
15 void and no recovery shall be had thereon. No such lienor shall have a
16 right to file any other or further lien for the same claim. A second or
17 subsequent lien filed in contravention of this section may be vacated
18 upon application to the court on two days' notice.

19 § 17. Section 40 of the lien law, as amended by chapter 515 of the
20 laws of 1929, is amended to read as follows:

21 § 40. Construction of article. This article is to be construed in
22 connection with article two of this chapter, and provides proceedings
23 for the enforcement of employee's liens on real property, as well as
24 liens for labor performed and materials furnished in the improvement of
25 real property, created by virtue of such article.

26 § 18. Section 41 of the lien law, as amended by chapter 807 of the
27 laws of 1952, is amended to read as follows:

28 § 41. Enforcement of mechanic's or employee's lien on real property. A
29 mechanic's lien or employee's lien on real property may be enforced
30 against such property, and against a person liable for the debt upon
31 which the lien is founded, by an action, by the lienor, his assignee or
32 legal representative, in the supreme court or in a county court other-
33 wise having jurisdiction, regardless of the amount of such debt, or in a
34 court which has jurisdiction in an action founded on a contract for a
35 sum of money equivalent to the amount of such debt.

36 § 19. Section 43 of the lien law, as amended by chapter 310 of the
37 laws of 1962, is amended to read as follows:

38 § 43. Action in a court of record; consolidation of actions. The
39 provisions of the real property actions and proceedings law relating to
40 actions for the foreclosure of a mortgage upon real property, and the
41 sale and the distribution of the proceeds thereof apply to actions in a
42 court of record, to enforce mechanics' liens and employees' liens on
43 real property, except as otherwise provided in this article. If actions
44 are brought by different lienors in a court of record, the court in
45 which the first action was brought, may, upon its own motion, or upon
46 the application of any party in any of such actions, consolidate all of
47 such actions.

48 § 20. Section 46 of the lien law, as amended by chapter 515 of the
49 laws of 1929, is amended to read as follows:

50 § 46. Action in a court not of record. If an action to enforce a
51 mechanic's lien or employee's lien against real property is brought in a
52 court not of record, it shall be commenced by the personal service upon
53 the owner of a summons and complaint verified in the same manner as a
54 complaint in an action in a court of record. The complaint must set
55 forth substantially the facts contained in the notice of lien, and the
56 substance of the agreement under which the labor was performed or the

1 materials were furnished, or if the lien is based upon a wage claim as
2 defined in section two of this chapter, the basis for such wage claim.

3 The form and contents of the summons shall be the same as provided by
4 law for the commencement of an action upon a contract in such court. The
5 summons must be returnable not less than twelve nor more than twenty
6 days after the date of the summons, or if service is made by publica-
7 tion, after the day of the last publication of the summons. Service
8 must be made at least eight days before the return day.

9 § 21. Section 50 of the lien law, as amended by chapter 515 of the
10 laws of 1929, is amended to read as follows:

11 § 50. Execution. Execution may be issued upon a judgment obtained in
12 an action to enforce a mechanic's lien or an employee's lien against
13 real property in a court not of record, which shall direct the officer
14 to sell the title and interest of the owner in the premises, upon which
15 the lien set forth in the complaint existed at the time of filing the
16 notice of lien.

17 § 22. Section 53 of the lien law, as amended by chapter 515 of the
18 laws of 1929, is amended to read as follows:

19 § 53. Costs and disbursements. If an action is brought to enforce a
20 mechanic's lien or an employee's lien against real property in a court
21 of record, the costs and disbursements shall rest in the discretion of
22 the court, and may be awarded to the prevailing party. The judgment
23 rendered in such an action shall include the amount of such costs and
24 specify to whom and by whom the costs are to be paid. If such action is
25 brought in a court not of record, they shall be the same as allowed in
26 civil actions in such court. The expenses incurred in serving the
27 summons by publication may be added to the amount of costs now allowed
28 in such court.

29 § 23. Section 59 of the lien law, as amended by chapter 515 of the
30 laws of 1929, is amended to read as follows:

31 § 59. Vacating of a [~~mechanic's~~] lien; cancellation of bond; return of
32 deposit, by order of court. 1. A mechanic's lien notice of which has
33 been filed on real property or a bond given to discharge the same may be
34 vacated and cancelled or a deposit made to discharge a lien pursuant to
35 section twenty of this chapter may be returned, by an order of a court
36 of record. Before such order shall be granted, a notice shall be served
37 upon the lienor, either personally or by leaving it at his last known
38 place of residence, with a person of suitable age, with directions to
39 deliver it to the lienor. Such notice shall require the lienor to
40 commence an action to enforce the lien, within a time specified in the
41 notice, not less than thirty days from the time of service, or show
42 cause at a special term of a court of record, or at a county court, in a
43 county in which the property is situated, at a time and place specified
44 therein, why the notice of lien filed or the bond given should not be
45 vacated and cancelled, or the deposit returned, as the case may be.
46 Proof of such service and that the lienor has not commenced the action
47 to foreclose such lien, as directed in the notice, shall be made by
48 affidavit, at the time of applying for such order.

49 2. An employee's lien notice of which has been filed on real property
50 or a bond given to discharge the same may be vacated and cancelled or a
51 deposit made to discharge a lien pursuant to section twenty of this
52 chapter may be returned, by an order of a court of record. Before such
53 order shall be granted, a notice shall be served upon the lienor, either
54 personally or by leaving it at his last known place of residence or
55 attorney's place of business, with a person of suitable age, with
56 directions to deliver it to the lienor. Such notice shall require the

1 lienor to commence an action to enforce the lien, or to commence an
2 action to obtain judgment on the wage claim upon which the lien was
3 established, within a time specified in the notice, not less than ninety
4 days from the time of service, or show cause at a special term of a
5 court of record, or at a county court, in a county in which the property
6 is situated, at a time and place specified therein, why the notice of
7 lien filed or the bond given should not be vacated and cancelled, or the
8 deposit returned, as the case may be. Proof of such service and that the
9 lienor has not commenced the action to foreclose such lien or an action
10 to obtain judgment on the wage claim upon which the lien was estab-
11 lished, as directed in the notice, shall be made by affidavit, at the
12 time of applying for such order.

13 § 24. Section 62 of the lien law, as amended by chapter 697 of the
14 laws of 1934, is amended to read as follows:

15 § 62. Bringing in new parties. A lienor who has filed a notice of lien
16 after the commencement of an action in a court of record to foreclose or
17 enforce an employee's lien or a mechanic's lien against real property or
18 a public improvement, may at any time up to and including the day
19 preceding the day on which the trial of such action is commenced, make
20 application upon notice to the plaintiff or his attorney in such action,
21 to be made a party therein. Upon good cause shown, the court must order
22 such lienor to be brought in by amendment. If the application is made by
23 any other party in said action to make such lienor or other person a
24 party, the court may in its discretion direct such lienor or other
25 person to be brought in by like amendment. The order to be entered on
26 such application shall provide the time for and manner of serving the
27 pleading of such additional lienor or other person and shall direct that
28 the pleadings, papers and proceedings of the other several parties in
29 such action, shall be deemed amended, so as not to require the making or
30 serving of papers other than said order to effectuate such amendment,
31 and shall further provide that the allegations in the answer of such
32 additional lienor or other person shall, for the purposes of the action,
33 be deemed denied by the other parties therein. The action shall be so
34 conducted by the court as not to cause substantially any delay in the
35 trial thereof. The bringing in of such additional lienor or other
36 person shall be without prejudice to the proceedings had, and if the
37 action be on the calendar of the court, same shall retain its place on
38 such calendar without the necessity of serving a new note of issue and
39 new notices of trial.

40 § 25. Subdivision 3 of section 199-a of the labor law, as amended by
41 chapter 564 of the laws of 2010, is amended to read as follows:

42 3. Each employee and his or her authorized representative shall be
43 notified in writing, of the termination of the commissioner's investi-
44 gation of the employee's complaint and the result of such investigation,
45 of any award and collection of back wages and civil penalties, and of
46 any intent to seek criminal penalties. In the event that criminal penal-
47 ties are sought the employee and his or her authorized representative

(ii) If the commissioner and the director of the division of the budget find good cause after considering the factors set forth in subparagraph (iv) of this paragraph, a waiver of the limit on total compensation that a charter executive may receive may be granted, provided, however, that in no event shall the total compensation exceed one hundred and fifty percent of Level I of the federal government's Rates of Basic Pay for the Executive Schedule promulgated by the United States Office of Personnel Management.

(iii) The application for a waiver must be filed no later than the fifteenth day of February of the year for which the waiver is sought. A waiver may be only for the single calendar year in which it is granted.

(iv) The following factors, in addition to any other deemed relevant by the commissioner and the director of the division of the budget, shall be considered in the determination of whether good cause exists to grant a waiver:

(B) the extent to which the charter school would be unable to provide educational services at the same levels of quality and availability without a waiver of the limit on total compensation that a charter executive may receive;

(C) the nature, size, and complexity of the charter school or charter affiliate's operations;

(D) the charter school or charter affiliate's review and approval process for the total compensation that is the subject of the waiver, including whether such process involved a review and approval by the board of trustees of the school, whether such review was conducted by at least two independent directors or independent members of the board of trustees, whether such review included an assessment of comparability data including a compensation survey, and a contemporaneous substantiation of the deliberation and decision to approve the total compensation;

(E) the qualifications and experience possessed by or required for the charter executive's position; and

(F) the charter school or charter affiliate's efforts, if any, to secure a charter executive with the same levels of experience, exper-

2 levels of compensation.

3 (v) To be considered, an application for such a waiver shall comply
4 with this paragraph in its entirety.

5 (vi) Unless additional information has been requested but not received
6 from the charter school or charter affiliate, a decision on a timely
7 submitted waiver application shall be provided no later than sixty
8 calendar days after submission of the application.

9 (vii) If granted, a waiver to a charter executive shall remain in

12 (A) the total compensation that is the subject of the waiver
13 increases; or

14 (B) notice of revocation is provided to the charter executive at the
15 discretion of the department as a result of additional relevant circum-

17 (viii) Information provided in connection with a waiver application
18 shall be subject to public disclosure pursuant to article six of the
19 public officers law.

20 (ix) Where a waiver is granted, the commissioner shall make it public-
21 ly available via the department's official internet website within five
22 days.

23 (c) No charter school shall use funds received pursuant to section
24 twenty-eight hundred fifty-six of this article or allow a charter affil-

26 compensation to a charter executive greater than one hundred ninety-nine
27 thousand dollars per annum.

28 (d) Failure to comply with the provisions of this subdivision shall
29 result in the assessment of a penalty against the payor in an amount
30 equal to the amount of compensation paid or provided in violation of
31 this subdivision.

32 (e) A charter school's failure to comply with the provisions of this
33 subdivision shall be a very significant factor in determining whether

36 (f) As used in this subdivision:

37 (i) "total compensation" shall include: (A) any compensation or remun-
38 eration, whether paid or given, by or on behalf of the charter school or
39 any charter affiliate, for services rendered to, on behalf of, or at the
40 request of the charter school, including but not limited to salary,
41 bonus, and deferred compensation and (B) any benefit having monetary
42 value provided by or on behalf of the charter school or any charter

44 employer contributions to defined contribution retirement plans and
45 other retirement or severance benefits.

46 (ii) "charter affiliate" means: (A) any entity that is, directly or

21 students who are English language learners as defined in regulations of
22 the commissioner, (B) students who receive or are mandated to receive
23 any special education service, (C) students who have individual educa-
24 tion plans that mandate they receive services for at least sixty percent
25 of the school day outside the general education setting, (D) students
26 who are eligible to receive free lunch in accordance with title I of the
27 elementary and secondary education act, and (E) students who reside in
28 temporary or transitional housing. The minimum number of students a
29 charter school shall enroll and continually keep enrolled in each such
30 category shall be the number of students that, as a percentage of the
31 students authorized to be served by the charter school in its charter,
32 is equal to the percentage of students in each category that non-charter
33 public schools in the district where the charter school is located
34 enrolled in the preceding June in all of the grades combined which are
35 served by the charter school. For purposes of this subparagraph, for the
36 city school district of the city of New York, district shall mean the
37 community school district and shall include all non-charter public
38 schools, except those in district seventy-five, geographically located
39 in the community school district.

40 (iii) Prior to a charter school selecting or enrolling students for
41 the next school year, the commissioner shall provide the charter school
42 with the minimum number of students it shall enroll and continually keep
43 enrolled in each category pursuant to subparagraph (ii) of this para-
44 graph. The minimum number of students each charter school shall enroll
45 and continually keep enrolled in each category pursuant to subparagraph
46 (ii) of this paragraph shall be made public by the commissioner no later
47 than five business days after it has been provided to the charter
48 school.

49 (iv) A charter school shall enroll each eligible student who submits a
50 timely application by the first day of April each year[7] unless the
51 number of applications exceeds the capacity of the grade level or build-
52 ing or would cause the charter school to be below the minimum number of
53 students it must enroll and continually keep enrolled in each category
54 pursuant to subparagraph (ii) of this paragraph. In such cases, students
55 shall be accepted from among applicants by a random selection process,
56 provided[~~7-however7~~] that separate random selection processes shall be

1 conducted for students that are not in any category set forth in subpar-
2 agraph (ii) of this paragraph and for students in each category set
3 forth in subparagraph (ii) of this paragraph such that a charter school
4 enrolls at least the minimum number of students required pursuant to
5 subparagraph (ii) of this paragraph.

6 (v) Where a charter school does not enroll the minimum number of
7 students it must enroll and continually keep enrolled in each category
8 set forth in subparagraph (ii) of this paragraph, the charter school
9 shall hold open a sufficient number of enrollment spaces such that it is
10 possible for the charter school, consistent with its charter, to subse-
11 quently enroll the number of students required by subparagraph (ii) of
12 this paragraph.

13 (vi) A charter school may provide an enrollment preference [~~shall be~~
14 ~~provided~~] to pupils returning to the charter school in the second or any
15 subsequent year of operation and pupils residing in the school district
16 in which the charter school is located, and siblings of pupils already
17 enrolled in the charter school provided that the charter school enrolls
18 and continually keeps enrolled the minimum number of students required
19 in each category pursuant to subparagraph (ii) of this paragraph and
20 holds open the number of enrollment spaces as required by subparagraph
21 (v) of this paragraph. Preference may also be provided to children of
22 employees of the charter school or charter management organization,
23 provided that the charter school enrolls and continually keeps enrolled
24 the minimum number of students required in each category pursuant to
25 subparagraph (ii) of this paragraph and holds open the number of enroll-
26 ment spaces as required by subparagraph (v) of this paragraph and
27 provided further that such children of employees may constitute no more
28 than fifteen percent of the charter school's total enrollment.

29 (vii) For purposes of this paragraph, if a student withdraws from a
30 charter school as a result of a voluntary decision of the student's
31 parent or guardian and, as a direct result, the charter school no longer
32 has the minimum number of students in each category required pursuant to
33 subparagraph (ii) of this paragraph, the charter school shall neverthe-
34 less be considered to have continually kept enrolled the minimum number
35 of students required by subparagraph (ii) of this paragraph if, within
36 thirty days of the student being withdrawn, the charter school replaces
37 the student that was withdrawn with a different student such that the
38 charter school has the minimum number of students in each category
39 required pursuant to subparagraph (ii) of this paragraph, provided
40 however, that this subparagraph shall not apply (A) if the charter
41 school was already in violation of the requirements of subparagraph (ii)
42 of this paragraph at the time the student was withdrawn or (B) if the
43 decision of the student's parent or guardian was substantially motivated
44 by any action or inaction of the charter school, or any of its agents or
45 employees, that was in violation of any law, rule, or regulation.

46 (viii) (A) A charter school shall report the names of any parents or
47 guardians of students who are on a waitlist for enrollment in the char-
48 ter school to the superintendent of the district in which the charter
49 school is located or, for charter schools located within the geographic
50 area served by the city school district of the city of New York, the
51 chancellor of the city school district of the city of New York, whether
52 each such student is in one of the categories set forth in subparagraph
53 (ii) of this paragraph and, if so, which one.

54 (B) A charter school that, at any time, does not have enrolled the
55 minimum number of students required in each category pursuant to subpar-
56 agraph (ii) of this paragraph shall notify the superintendent of the

1 district in which the charter school is located or, for charter schools
2 located within the geographic area served by the city school district of
3 the city of New York, the chancellor of the city school district of the
4 city of New York, within five days of the date of the school being below
5 the minimum number of students. A separate notification shall be
6 provided each time a charter school's enrollment falls below the minimum
7 in any category pursuant to subparagraph (ii) of this paragraph.

8 (C) Where the superintendent of the district or the chancellor of the
9 city school district of the city of New York receives notification
10 pursuant to clause (B) of this subparagraph, he or she shall first offer
11 the enrollment spaces to any parents or guardians of students who are in
12 a category in which the charter school is below the minimum set forth in
13 subparagraph (ii) of this paragraph who are on the school's waitlist,
14 then to any parents or guardians of students who are in a category in
15 which the charter school is below the minimum set forth in subparagraph
16 (ii) of this paragraph who are on the waitlist of another charter school
17 in the district in which the charter school is located or, for charter
18 schools located within the geographic area served by the city school
19 district of the city of New York geographically located in the community
20 school district, and then to any other parents or guardians of students
21 who are in a category in which the charter school is below the minimum
22 set forth in subparagraph (ii) of this paragraph who reside in the
23 district; such process of enrollment offers shall continue until the
24 charter school is no longer below such minimum in any category or such
25 superintendent or chancellor certifies there are no such students seek-
26 ing enrollment.

27 (D) Offers made pursuant to this subparagraph shall be made in writing
28 in the parent or guardian's primary language. Where an offer is made
29 pursuant to this subparagraph and the parent or guardian accepts, the
30 charter school shall enroll the student within five calendar days of the
31 offer being accepted.

32 (ix) (A) For each month during the school year, a charter school shall
33 report the number of students then enrolled, as of the first day of the
34 month, in each category set forth in subparagraph (ii) of this paragraph
35 and the number of students then enrolled, as of the first day of the
36 month, that are in none of the categories set forth in subparagraph (ii)
37 of this paragraph.

38 (B) Reports pursuant to this subparagraph shall be made to the board
39 of regents, the school's charter entity, the comptroller of the city of
40 New York for charter schools located in New York city and the comp-
41 troller of the state of New York for charter schools located outside of
42 the city of New York, and the superintendent of the district in which
43 the charter school is located or, for charter schools located within the
44 geographic area served by the city school district of the city of New
45 York, the chancellor of the city school district of the city of New
46 York. The commissioner shall ensure that such report is made publicly
47 available via such department's official internet website within five
48 days of its receipt.

49 (C) Reports pursuant to this subparagraph shall be made on the fifth
50 day of the ensuing month during the school year and shall be accompanied
51 by a statement, under oath, by the chairperson of the school's board of
52 trustees or other appropriate member of the board of trustees, that,
53 after the due inquiry, the reports are true and correct and have been
54 provided to each member of the school's board of trustees.

55 (x) The commissioner shall establish regulations to require that the
56 random selection [~~process~~] ~~processes~~ conducted pursuant to this para-

graph be performed in a transparent and equitable manner and to require that the time and place of the random selection process be publicized in a manner consistent with the requirements of section one hundred four of the public officers law and be open to the public. ~~[For]~~ Except where another definition is provided, for the purposes of this paragraph and paragraph (a) of this subdivision, the school district in which the charter school is located shall mean, for the city school district of the city of New York, the community district in which the charter school is located.

(xi) The commissioner may, by regulation, require the board of education of each school district or the chancellor of the city school district of the city of New York to provide to him or her such information as is necessary to calculate the minimum number of students a charter school must enroll and continually have enrolled pursuant to subparagraph (ii) of this paragraph. Such information shall be made public by the commissioner within five business days of receipt.

(xii)(A) If a charter school fails to enroll the number of students required by subparagraph (ii) of this paragraph the appropriate school district shall withhold from the charter school's funding an amount equal to the additional per pupil funding the charter school would have received had each student not enrolled as required by subparagraph (ii) of this paragraph been enrolled.

(B) Money withheld by the school district in accordance with this subparagraph shall be returned to the commissioner for distribution to each of the school districts, using an equitable formula determined by the commissioner, provided the charter school or schools from which the monies are withheld shall not be entitled to the return of any money withheld pursuant to this subparagraph or any additional monies as a result of the commissioner's distribution of funds pursuant to this subparagraph.

(xiii) (A) No charter school shall first commence instruction if it is operated by, managed by, affiliated with, in the same chain as, shares the same management company as, or has any common charter applicant as, a school that has been in violation, within the last two years, of the enrollment requirements of subparagraph (ii) of this paragraph.

(B) No charter school shall expand beyond the grades with enrolled students, even if such expansion is authorized by its charter, if it has been in violation, within the last two years, of the enrollment requirements of subparagraph (ii) of this paragraph.

(xiv) The provisions of this paragraph shall be enforceable by the commissioner or by a court of competent jurisdiction. Any employee of the school district in which the charter school is located or the parent or guardian of a student attending the district in which the charter school is located shall have standing to enforce the provisions of this paragraph.

(xv) A charter school's failure to comply with the provisions of this paragraph shall be a very significant factor in determining whether the charter entity or the board of regents terminates the school's charter.

(b-1) Prior to submission of enrollment counts to a school district pursuant to subdivision one of section twenty-eight hundred fifty-six of this article, on or after October first of the two thousand eighteen--two thousand nineteen school year and October first of each school year thereafter, a charter school shall determine whether that school district is the school district of residence of each student for whom enrollment is claimed. Such residency determination shall be made in accordance with the regulations of the commissioner and the residency

1 policy of the school district in which the charter school is located,
2 provided that the charter school may fulfill such requirement by requir-
3 ing that the parents or other persons in parental relation register
4 their child with the school district they have identified as their
5 school district of residence. Notwithstanding any other provision of
6 law to the contrary, the parents or other persons in parental relation
7 shall not be required to annually prove their continued residency,
8 provided that they either annually certify to the charter school and the
9 school district of residence that their residency has not changed or
10 notify the charter school and the school district that their residency
11 has changed and that a new school district of residence should be iden-
12 tified pursuant to this paragraph. Upon making a residency determi-
13 nation, a charter school making its own residency determination shall
14 promptly submit its proof of residence to the school district identified
15 as the district of residence for purposes of enrollment of the student
16 in such school district in accordance with subdivision one of section
17 twenty-eight hundred fifty-six of this article, and the provision of
18 services pursuant to subdivision four of section twenty-eight hundred
19 fifty-three of this article. In the event of a dispute over the residen-
20 cy of a student, the school district shall make its own residency deter-
21 mination pursuant to the regulations of the commissioner after consider-
22 ing the proof of residency submitted by the charter school, and such
23 determination may be appealed to the commissioner by the charter school
24 or by the parent or other person in parental relation or both pursuant
25 to section three hundred ten of this chapter. During the pendency of
26 such appeal, the student shall be deemed enrolled in the school
27 district, shall be entitled to services pursuant to subdivision four of
28 section twenty-eight hundred fifty-three of this article, and the school
29 district shall be liable for charter school tuition, provided that upon
30 a final determination in such appeal that the student is not a resident
31 of the school district, the school district may deduct the cost of such
32 tuition and services from future payments due the charter school. The
33 provisions of this paragraph shall not apply to charter schools located
34 in a city having a population of one million or more.

35 (c) A charter school shall serve one or more of the grades one through
36 twelve, and shall limit admission to pupils within the grade levels
37 served. Nothing herein shall prohibit a charter school from establishing
38 a kindergarten program.

39 (d) A student may withdraw from a charter school at any time and
40 enroll in a public school. [~~A charter school may refuse admission to any~~
41 ~~student who has been expelled or suspended from a public school until~~
42 ~~the period of suspension or expulsion from the public school has~~
43 ~~expired, consistent with the requirements of due process]~~

44 (i) A student may only be disciplined, suspended or expelled from a
45 charter school in accordance with the applicable provisions of subdivi-
46 sions two-a, three, and three-a of section thirty-two hundred fourteen
47 of this chapter. Every charter school shall develop a code of conduct in
48 accordance with the provisions of section twenty-eight hundred one of
49 this title.

50 (ii) Every charter school shall submit a detailed annual report
51 regarding disciplinary measures imposed on students. The report shall be
52 submitted to the charter entity and the board of regents as part of the
53 annual report required pursuant to subdivision two of section twenty-
54 eight hundred fifty-seven of this article. The report shall be in a form
55 prescribed by the commissioner, and shall include, but not be limited
56 to, number of classroom removals, number of in-school suspensions,

1 number of out-of-school suspensions, number of expulsions, and the
2 action the student took that led to each disciplinary measure imposed.
3 Such data shall be disaggregated by race/ethnicity, status as a student
4 with a disability and status as an English language learner. The report
5 shall be posted on the department's website.

6 (iii) For the purposes of this subdivision:

7 (A) the term "superintendent," "superintendent of schools," "district
8 superintendent of schools," or "community superintendent," as used in
9 subdivision three of section thirty-two hundred fourteen of this chap-
10 ter, as such terms relate to charter schools shall mean the chairperson
11 of the board of trustees of the charter school or the chief school offi-
12 cer of the charter school; and

13 (B) the term "board of education" or "board," as used in subdivision
14 three of section thirty-two hundred fourteen of this chapter, as such
15 terms relate to charter schools shall mean the board of trustees of the
16 charter school.

17 § 15. Subdivision 1 of section 2855 of the education law, as amended
18 by chapter 101 of the laws of 2010, is amended to read as follows:

19 1. The charter entity, or the board of regents, may terminate a char-
20 ter upon any of the following grounds:

21 (a) When a charter school's outcome on student assessment measures
22 adopted by the board of regents falls below the level that would allow
23 the commissioner to revoke the registration of another public school,
24 and student achievement on such measures has not shown improvement over
25 the preceding three school years;

26 (b) ~~[Serious violations]~~ A violation of law;

27 (c) ~~[Material and substantial]~~ A violation of the charter~~[, including~~
28 ~~fiscal mismanagement]~~;

29 (d) When the public employment relations board makes a determination
30 that the charter school ~~[demonstrates a practice and pattern of egre-~~
31 ~~gious and intentional violations of]~~ has violated subdivision one of
32 section two hundred nine-a of the civil service law involving interfer-
33 ence with or discrimination against employee rights under article four-
34 teen of the civil service law; or the national labor relations board
35 created pursuant to subchapter II of chapter seven of title twenty-nine
36 of the United States Code, or any person or entity to whom the national
37 labor relations board has lawfully delegated its authority, makes a
38 determination that the charter school has violated section 158(a) of
39 title twenty-nine of the United States Code;

40 (e) ~~[Repeated failure]~~ Failure to comply with the requirement to meet
41 or exceed enrollment and retention targets of students with disabili-
42 ties, English language learners, and students who are eligible appli-
43 cants for the free and reduced price lunch program pursuant to targets
44 established by the board of regents or the board of trustees of the
45 state university of New York, as applicable. Provided, however, if no
46 grounds for terminating a charter are established pursuant to this
47 section other than pursuant to this paragraph, and the charter school
48 demonstrates that it has made extensive efforts to recruit and retain
49 such students, including outreach to parents and families in the
50 surrounding communities, widely publicizing the lottery for such school,
51 and efforts to academically support such students in such charter
52 school, then the charter entity or board of regents may retain such
53 charter; or

54 (f) Failure to comply with the data reporting requirements prescribed
55 in subdivisions two and two-a of section twenty-eight hundred fifty-sev-
56 en of this article.

§ 16. Subdivision 3 of section 2855 of the education law, as added by chapter 4 of the laws of 1998, is amended to read as follows:

3. (a) In addition to the provisions of subdivision two of this section, the charter entity or the board of regents may place a charter school falling within the provisions of subdivision one of this section on probationary status to allow the implementation of a remedial action plan. The failure of a charter school to comply with the terms and conditions of a remedial action plan may result in summary revocation of the school's charter.

(b) A charter school that is placed on probationary status shall annually notify the parents or guardians of all students and applicants of the placement. The initial notice shall be distributed within two weeks of being placed on probationary status. Such notice shall be written and delivered via mail. The department shall identify all charter schools on probationary status on the department's website and shall also post the remedial action plan.

§ 17. Subdivision 4 of section 2855 of the education law, as added by chapter 4 of the laws of 1998, is amended to read as follows:

4. (a) Any individual or group may bring a complaint to the board of trustees of a charter school alleging a violation of the provisions of this article, the charter, or any other provision of law relating to the management or operation of the charter school. If, after presentation of the complaint to the board of trustees of a charter school, the individual or group determines that such board has not adequately addressed the complaint, they may present that complaint to the charter entity, which shall investigate and respond. If, after presentation of the complaint to the charter entity, the individual or group determines that the charter entity has not adequately addressed the complaint, they may present that complaint to the board of regents, which shall investigate and respond. The charter entity and the board of regents shall have the power and the duty to issue appropriate remedial orders to charter schools under their jurisdiction to effectuate the provisions of this section.

(b) At the beginning of each school year, a charter school shall provide the parent or guardian of each student enrolled in the charter school information detailing the process by which a complaint can be brought against the charter school pursuant to paragraph (a) of this subdivision. In addition to detailing the process by which a complaint can be brought, the information provided shall include, but not be limited to the contact information for the board of trustees of the charter school in which the student is enrolled, the contact information for the charter entity of the charter school, and the contact information for the board of regents, if the board of regents is not the charter entity. Such information shall also be posted and updated annually on the charter school's website.

§ 18. Subdivisions 2 and 3 of section 2856 of the education law are renumbered subdivisions 3 and 4 and a new subdivision 2 is added to read as follows:

2. In the event that in any school year a charter school receives combined payments from any local, state, or federal source that exceed expenditures for such school year related to the operation of such charter school by seven percent, then any excess funds above such amount shall be returned proportionately to all school districts that have paid tuition to such charter school.

1 § 19. Subdivision 3 of section 2856 of the education law, as added by
2 chapter 4 of the laws of 1998 and as renumbered by section eighteen of
3 this act, is amended to read as follows:

4 3. (a) In the event of the failure of the school district to make
5 payments required by this section, the state comptroller shall deduct
6 from any state funds which become due to such school district an amount
7 equal to the unpaid obligation. The comptroller shall pay over such sum
8 to the charter school upon certification of the commissioner. The
9 commissioner shall promulgate regulations to implement the provisions of
10 this subdivision.

11 (b) At least thirty days prior to submission of a request for an
12 intercept of state funds pursuant to paragraph (a) of this subdivision,
13 the charter school shall provide the school district of residence with a
14 list of students whose tuition is proposed to be included in the inter-
15 cept and documentation of any special education services provided by the
16 charter school, the cost of which would be included in the intercept.
17 If the school district objects to inclusion of the tuition or cost of
18 services in the intercept, the school district shall provide the charter
19 school with a written statement of its reasons for objecting to the
20 intercept that identifies the students whose costs are in dispute and
21 the charter school shall schedule a resolution session for the purpose
22 of resolving the dispute, which shall be held within five business days
23 of receipt of the school district's objection. Each party shall ensure
24 that their representatives who attend the resolution are fully author-
25 ized to bind the school district or charter school, and any agreement
26 reached at the resolution session shall be final and binding upon both
27 parties. In the event the school district does not notify the charter
28 school of its objections within ten days of its receipt of the list of
29 students or fails to participate in a resolution session, the school
30 district shall be deemed to have waived its objections to the intercept
31 and the charter school shall not be required to offer a resolution
32 session. If the parties are unable to reach agreement at a resolution
33 session, they may agree to schedule additional resolution sessions or,
34 if one of the parties informs the other that agreement is not possible,
35 the dispute may be raised by the district as a charter school complaint
36 pursuant to subdivision four of section twenty-eight hundred fifty-five
37 of this article, or, if the dispute concerns the residency of a student,
38 an appeal may be brought pursuant to paragraph (c) of this subdivision.
39 The department shall not process an intercept for tuition or the cost of
40 services of a student whose costs are in dispute until the charter
41 school notifies the department that a resolution session has been held
42 and no agreement has been reached, or that no resolution session is
43 required because the school district failed to provide timely notice or
44 failed to participate in a scheduled resolution session.

45 (c) In the event of a dispute over the residency of a student, the
46 school district shall make its own residency determination pursuant to
47 the regulations of the commissioner after considering the proof of resi-
48 dency submitted by the charter school, and such determination may be
49 appealed to the commissioner by the charter school or by the parent or
50 other person in parental relation or both pursuant to section three
51 hundred ten of this chapter. During the pendency of such appeal, the
52 student shall be deemed enrolled in the school district, shall be enti-
53 tled to services pursuant to subdivision four of section twenty-eight
54 hundred fifty-three of this article, and the school district shall be
55 liable for charter school tuition, provided that upon a final determi-
56 nation in such appeal that the student is not a resident of the school

district, the school district may deduct the cost of such tuition and services from future payments due the charter school.

§ 20. Subdivision 2 of section 2857 of the education law, as amended by chapter 101 of the laws of 2010, is amended and a new subdivision 2-a is added to read as follows:

2. Each charter school shall submit to the charter entity and to the board of regents an annual report. Such report shall be issued no later than the first day of August of each year for the preceding school year and shall be made publicly available by such date and shall be posted on both the charter school's [website] and the department's websites.
