Nothing in this article shall be construed as creating any authority to take an adverse action against a licensee by virtue of a report pursuant to this para- graph which has not been substantiated. § 1-a. Section 6501 of the education law, as amended by chapter 299 of the laws of 2016, is amended to read as follows: § 6501. Admission to a profession (licensing) and criminal history records search. 1. Admission. Admission to practice of a profession in this state is accomplished by a license being issued to a qualified applicant by the education department. To qualify for a license an applicant shall meet the requirements prescribed in the article for the particular profession and shall meet the requirements prescribed in section 3-503 of the general obligations law. 2. Licensing of military spouses. a. Notwithstanding any provision of law to the contrary, any applicant seeking to qualify for a license pursuant to this title who is the spouse of an active duty member of the armed forces of the United States, national guard or reserves as defined in 10 U.S.C. sections 1209 and 1211, and such spouse is transferred by the military to this state shall be afforded an expedited review of his or her application for licensure. Such application shall be on a form prescribed by the department and shall include an attestation by the applicant of the military status of his or her spouse and any other such supporting documentation that the department may require. Upon review of such application, the department shall issue a license to the applicant if the applicant holds a license in good standing in another state and</pre>

1 b. In addition to the expedited review granted in paragraph a of this 2 subdivision, an applicant who provides satisfactory documentation that he or she holds a license in good standing from another state, may 3 request the issuance of a temporary practice permit, which, if granted 4 5 will permit the applicant to work under the supervision of a New York б state licensee in accordance with regulations of the commissioner. The 7 department may grant such temporary practice permit when it appears 8 based on the application and supporting documentation received that the 9 applicant will meet the requirements for licensure in this state because 10 he or she holds a license in good standing from another state with 11 significantly comparable licensure requirements to those of this state, except the department has not been able to secure direct source verifi-12 13 cation of the applicant's underlying credentials (e.g., receipt of 14 original transcript, experience verification). Such permit shall be 15 valid for six months or until ten days after notification that the 16 applicant does not meet the qualifications for licensure. An additional 17 six months may be granted upon a determination by the department that the applicant is expected to qualify for the full license upon receipt 18 19 of the remaining direct source verification documents requested by the 20 department in such time period and that the delay in providing the 21 necessary documentation for full licensure was due to extenuating circumstances which the military spouse could not avoid. 22

c. A temporary practice permit issued under paragraph b of this subdivision shall be subject to the full disciplinary and regulatory authority of the board of regents and the department, pursuant to this title, as if such authorization were a professional license issued under this article.

28 d. The department shall reduce the initial licensure application fee 29 by one-half for any application submitted by a military spouse under 30 this subdivision.

31 3. Moral character requirement. Notwithstanding any other provision of 32 law or regulation to the contrary, to qualify for a professional license 33 or to be a registered entity under this title, an applicant for licen-34 sure or registration as defined by the commissioner in regulations shall 35 be of good moral character as determined by the department.

<u>4. Mandatory reporting of convictions and pending criminal charges and</u>
 <u>adverse employment actions.</u>

38 a. All licensees as defined by the commissioner in regulation, shall 39 be required to report to the department within thirty days any record of 40 a conviction of a crime and/or any pending criminal charges. Such reporting requirements shall not apply for traffic violations, acquit-41 42 tals or dismissed charges. Licensees shall also report to the department 43 within thirty days any charges of professional misconduct in any juris-44 diction and/or any adverse actions undertaken by a hospital, institution 45 or employer as a result of the licensee's professional duties. Failure 46 of a licensee to provide such a report to the department within thirty 47 days of the action, shall be grounds for professional misconduct pursu-48 ant to section sixty-five hundred ten of this article. 49 b. The department shall promulgate a form to be provided to all licensees by which they must report charges as defined in paragraph a of this 50 51 subdivision.

52 c. All such records processed and submitted pursuant to this subdivi-53 sion shall be confidential pursuant to the applicable federal and state 54 laws, rules and regulations, and shall not be published or in any way 55 disclosed to persons other than the department personnel, unless other-56 wise authorized by law. No cause of action against the commissioner, the

department or the division of criminal justice services for damages 1 related to the dissemination of records pursuant to this subdivision 2 3 shall exist when the commissioner, department or division of criminal 4 justice services have reasonably and in good faith relied upon the accu-5 racy and completeness of information furnished to it by the licensee or б qualified agencies. 7 d. Upon receipt of a report from a licensee that they have been the 8 subject of a criminal conviction or disciplinary action, the department 9 may refer the report to the professional conduct officer for an investigation of potential disciplinary action under the applicable provisions 10 11 of this section. e. In the event that a licensee is convicted of any crime, the 12 district attorney shall provide notice thereof to the commissioner. 13 14 Upon receiving notice of a conviction from a district attorney pursuant to this paragraph, the commissioner shall, without delay, proceed to 15 16 determine whether the individual possesses good moral character, in 17 accordance with the regulations of the commissioner. Nothing in this article shall be construed as creating any authority to take an adverse 18 action against a licensee by virtue of a report pursuant to this para-19 20 graph which has not been substantiated. 21 Section 6510 of the education law is amended by adding a new 3 2. 22 subdivision 10 to read as follows: 10. Summary action. a. Whenever the commissioner or his or her desig-23 nee, (i) after being presented with information indicating that a licen-24 25 see or a registered entity is causing or engaging in conduct which has 26 resulted in patient and/or client harm and if in the commissioner's 27 opinion it would be prejudicial to the interests of the people to delay action until an opportunity for a hearing can be provided in accordance 28 with the prehearing and hearing provisions of this section; or (ii) 29 30 after an investigation and a recommendation by the commissioner that 31 based upon a determination that a licensee is causing or engaging in 32 conduct which in the commissioner's opinion constitutes an imminent 33 danger to the health and/or safety of the people, and that it therefore 34 appears to be prejudicial to the interests of the people to delay action 35 until an opportunity for a hearing can be provided in accordance with 36 the prehearing and hearing provisions of this section; the commissioner 37 may order the licensee, by written notice, to discontinue such dangerous 38 conduct, which shall include the suspension of any privileges to practice the profession pursuant to this title in the state of New York, or 39 take certain action immediately and for a period of ninety days from the 40 41 date of service of the order. Within ten days from the date of service 42 of such order, the department shall regularly schedule such hearing 43 proceedings as required by this section, provided, however, that the 44 hearing shall be completed within ninety days of the date of service of 45 the order. To the extent that the issue of imminent danger or harm can 46 be proven without the attorney representing the department putting in its entire case, the commissioner shall first determine whether by a 47 preponderance of the evidence the licensee is causing, engaging in or 48 maintaining a condition or activity which constitutes an imminent danger 49 or harm to the health of the people. The attorney representing the 50 51 department shall have the burden of going forward and proving by a preponderance of the evidence that the licensee's conduct, activity or 52 53 practice resulted in patient or client harm, or such practice consti-54 tutes an imminent danger to the health and/or safety of the people. The licensee shall have an opportunity to be heard and to present proof. 55 56 When both the department and the licensee have completed their cases

with respect to the question of harm or imminent danger, the commissioner or his or her designee shall promptly make a recommendation to a single member of the board of regents, appointed by the chancellor of the board of regents or his or her designee, on the issue of harm or imminent danger and determine whether the summary order should be left in effect, modified or vacated, and continue the hearing on all the remaining charges, if any, in accordance with the provisions of this section. Within ten days of the commissioner or his or her designee's

8 section. Within ten days of the commissioner or his or her designee's 9 recommendation, the single member of the board of regents, as appointed 10 by the chancellor of the board of regents or his or her designee, shall 11 determine whether or not to adopt the recommendations of the commissioner or his or her her designee, in whole or in part, and shall leave in 12 13 effect, modify or vacate the summary order. Where the order of the 14 commissioner remains in effect either in whole or in part, a hearing on the remaining charges of professional misconduct shall be commenced 15 16 pursuant to the provisions of this section. The department must make a 17 reasonable effort to avoid any delay in completing and determining such proceedings. If, at the conclusion of the initial hearing, (i) the 18 19 single board member of the board of regents determines that the basis of 20 the charges constituted imminent danger or harm and that the summary 21 order shall continue, and (ii) the ninety day term of the order has not expired, the summary order shall remain in full force and effect until a 22 final decision has been rendered by the board of regents pursuant to the 23 applicable provisions of this section. Notwithstanding any other 24 provision of law to the contrary, a summary order shall be public upon 25 26 issuance.

27 b. When a licensee has pleaded or been found quilty or convicted of committing an act constituting a felony under New York state law or 28 federal law, or the law of another jurisdiction which, if committed 29 30 within this state, would have constituted a felony under New York state 31 law, or when the duly authorized professional disciplinary agency of 32 another jurisdiction has made a finding substantially equivalent to a 33 finding that the practice of the profession by the licensee in that jurisdiction constitutes an imminent danger to the health of its people, 34 35 or when a licensee has been disciplined by a duly authorized profes-36 sional disciplinary agency of another jurisdiction for acts which if 37 committed in this state would have constituted the basis for summary 38 action by the department pursuant to paragraph a of this subdivision, a 39 single board member of the board of regents, appointed by the chancellor of the board of regents or his or her designee, after a recommendation 40 41 by the commissioner or his or her designee, may order the licensee, by 42 written notice, to discontinue or refrain from practicing the profession 43 in whole or in part or to take certain immediate actions authorized pursuant to this title. The order of the single member of the board of 44 45 regents shall constitute summary action against the licensee and become public upon issuance. The summary suspension shall remain in effect 46 until the final determination of the regents review committee, which 47 shall commence within ninety days of the date of service of the depart-48 49 ment's order and otherwise be held in accordance with paragraph a of 50 this subdivision. 51 c. Provided however, the provisions of this subdivision shall not

52 apply to individuals licensed under article one hundred thirty-one, 53 article one hundred thirty-one-B, and article one hundred thirty-one-C 54 of this title, who are regulated under the jurisdiction of the office of 55 professional medical conduct as defined in section two hundred thirty of 56 the public health law.

Any other use or dissemination of information from such records by any person by any means, unless it is pursu-18 ant to a valid court order or otherwise authorized by law, shall be 19 20 prohibited; 21 § 4.
