STATE OF NEW YORK

1448

2017-2018 Regular Sessions

IN SENATE

January 9, 2017

Introduced by Sens. AVELLA, CARLUCCI, LATIMER -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to establishing a product stewardship program for primary batteries

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Article 27 of the environmental conservation law is amended
2	by adding a new title 16 to read as follows:
3	TITLE 16
4	PRODUCT STEWARDSHIP
5	FOR PRIMARY BATTERIES
6	Section 27-1601. Definitions.
7	27-1603. Primary battery registration.
8	<u>27-1605. Primary battery stewardship plan.</u>
9	<u>27-1607. Annual report; plan audit.</u>
10	27-1609. Agency responsibilities.
11	27-1611. Retailer obligations.
12	27-1613. Administrative fee.
13	27-1615. Penalties.
14	27-1617. Rulemaking; procedure.
15	<u>§ 27-1601. Definitions.</u>
16	When used in this title:
17	1. "Department" means the department of environmental conservation.
18	2. "Brand" means a name, symbol, word, or traceable mark that identi-
19	fies a primary battery and attributes the primary battery to the owner
20	or licensee of the brand as the producer.
21	3. "Collection rate" means a percentage by weight that each producer
22	or producers collects by an established date. The collection rate shall
23	be calculated by weight based on the percentage of primary batteries
24	that are collected during a calendar year, as compared to the average

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD01044-01-7

1	weight of primary batteries that were estimated to have been sold in the
2	state by participating producers during the three previous calendar
3	years. Estimates of primary batteries sold in the state may be based on
4	a reasonable pro rata calculation based on national sales.
5	4. "Consumer" means any person who returns any number of unwanted
6	primary batteries.
7	5. "Discarded primary battery" means a primary battery that is no
8	longer used for its manufactured purpose, wanted by its owner, or for
9	any other reason enters the waste collection, recovery, treatment or
10	recycling system.
11	6. "Easily removable" means readily detachable by a person without the
12	use of tools or with the use of common household tools.
13	7. "Primary battery" means a nonrechargeable battery weighing two
14	kilograms or less, including alkaline, carbon-zinc, and lithium metal.
15	Primary battery shall not mean:
16	(A) Batteries intended for industrial, business to business, warranty
17	or maintenance services, or nonpersonal use;
18	(B) A battery that is not easily removable or is not intended to be
19	removed from a consumer product; and
20	(C) A battery that is sold or used in a medical device regulated by
21	the United States Food and Drug Administration.
22	8. "Primary battery stewardship plan" or "plan" means a plan submitted
23	to the commissioner pursuant to section 27-1605 of this title by an
24	individual producer or by two or more producers acting collectively.
25	9. "Producer" means one of the following with regard to a primary
26	battery that is sold, offered for sale, or distributed in the state:
27	a. a person who manufactures a primary battery and who sells, offers
28	for sale, or distributes that primary battery in the state under the
29	person's own name or brand;
30	b, if subparagraph a of this paragraph does not apply, a person who
30 31	b. if subparagraph a of this paragraph does not apply, a person who owns or licenses a trademark or brand under which a primary battery is
31	owns or licenses a trademark or brand under which a primary battery is
31 32	owns or licenses a trademark or brand under which a primary battery is sold, offered for sale, or distributed in the state, whether or not the
31 32 33	owns or licenses a trademark or brand under which a primary battery is sold, offered for sale, or distributed in the state, whether or not the trademark is registered; or
31 32 33 34	owns or licenses a trademark or brand under which a primary battery is sold, offered for sale, or distributed in the state, whether or not the trademark is registered; or c. if subparagraphs a and b of this paragraph do not apply, a person
31 32 33 34 35	owns or licenses a trademark or brand under which a primary battery is sold, offered for sale, or distributed in the state, whether or not the trademark is registered; or c. if subparagraphs a and b of this paragraph do not apply, a person who imports a primary battery into the state for sale or distribution.
31 32 33 34 35 36	owns or licenses a trademark or brand under which a primary battery is sold, offered for sale, or distributed in the state, whether or not the trademark is registered; or c. if subparagraphs a and b of this paragraph do not apply, a person who imports a primary battery into the state for sale or distribution. 10. "Program" or "stewardship program" means the system for the

Primary battery registration. 1. Sale prohibited. Beginning January first, two thousand nineteen, except as set forth under this subdivision, a producer of a primary</pre>

-	
1	a. the producer is registered under an approved and implemented prima-
2	<u>ry battery stewardship plan;</u>
3	b. the producer or producers have paid the fee under section 27-1613
4	<u>of this title; and</u>
5	c. the producer or producers and the brand of such producer or produc-
6	ers designated on the department website are identified as covered by an
7	approved primary battery stewardship plan.
8	2. New producers. A producer who, after January first, two thousand
9	nineteen, seeks to sell, offer for sale, or offer for promotional
10	purposes in the state a primary battery not previously sold in the
11	state, shall notify the commissioner prior to selling or offering a
12	product not covered by a stewardship plan in the state. The commissioner
13	shall list a producer who supplies notice under this subdivision as a
14	"new producer" on the department's website. A producer that supplies
15	notice under this subdivision shall have ninety days to either act coop-
16	eratively with at least one other producer or to submit its own primary
17	battery stewardship plan for approval to the state.
18	3. Exemption. A producer who annually sells, offers for sale, distrib-
19	utes, or imports in the state primary batteries with a total retail
	value of less than five hundred dollars shall be exempt from the
20	
21	requirements of this title.
22	<u>§ 27-1605. Primary battery stewardship plan.</u>
23	1. Primary battery stewardship plan required. On or before April
24	first, two thousand eighteen, each producer selling, offering for sale,
25	or offering for promotional purposes a primary battery in the state
26	shall individually or as part of a primary battery stewardship organiza-
27	tion submit a primary battery stewardship plan to the commissioner for
28	review.
29	2. Primary battery stewardship plan; minimum requirements. Each prima-
30	ry battery stewardship plan shall include, at a minimum, all of the
31	following elements:
32	a. List of producers and brands. Each primary battery stewardship plan
33	shall list:
34	(i) all participating producers and contact information for each of
35	the participating producers; and
36	(ii) the brands of primary batteries covered by the plan.
37	b. Free collection. Each primary battery stewardship plan shall
38	provide for the free collection of primary batteries from consumers. A
39	producer shall not refuse the collection of a primary battery based on
40	the brand or manufacturer of the primary battery.
41	c. Collection; convenience. Each primary battery stewardship plan
42	shall:
43	(i) allow all retailers that sell primary batteries or primary batter-
44	y-containing products covered under the plan and all municipalities to
45	opt to be a collection facility;
46	(ii) provide, at a minimum, no fewer than two permanent collection
47	facilities in each county in the state; and
48	(iii) provide for the acceptance from a consumer of up to twenty
49	batteries per visit. A collection facility may agree to accept more than
50	
-	
51	twenty batteries per visit from a consumer.
51 52	twenty batteries per visit from a consumer. d. Method of disposition. Each primary battery stewardship plan shall
52	twenty batteries per visit from a consumer. d. Method of disposition. Each primary battery stewardship plan shall include a description of the method that will be used to responsibly and
	twenty batteries per visit from a consumer. d. Method of disposition. Each primary battery stewardship plan shall

55 technically feasible, are recycled.

1	e. Roles and responsibilities. A primary battery stewardship plan
2	shall list all key participants in the primary battery collection chain,
3	including:
4	(i) the number and name of the collection facilities accepting primary
5	batteries under the plan, including the address and contact information
б	for each facility;
7	(ii) the name and contact information of a transporter or contractor
8	collecting primary batteries from collection facilities; and
9	(iii) the name, address, and contact information of the recycling
10	facilities that process the collected primary batteries.
11	f. Education and outreach. A primary battery stewardship plan shall
12	include an education and outreach program. The education and outreach
13	program may include media advertising, retail displays, articles in
14	trade and other journals and publications, and other public educational
15	efforts. The education and outreach program shall describe the outreach
16	procedures that will be used to provide notice of the program to busi-
17	nesses, municipalities, retailers, wholesalers, and transporters. At a
18	minimum, the education and outreach program shall notify the public of
19	the following:
20	(i) that there is a free collection program for all primary batteries;
21	and
22	(ii) the location of collection points and how to access the
23	collection program.
24	3. Implementation. A producer or producers shall include provisions in
25	the plan for the implementation of the program in conjunction with those
26	retailers and municipalities acting as collection facilities under a
27	program. Implementation of the program shall be at no cost to retailers
28	or municipalities acting as collection facilities under a program. A
29	producer shall provide retailers and municipalities acting as collection
30	facilities products or equipment for setting up a collection point and
31	for providing for the pickup of collected primary batteries, including
32	arranging for the management of those primary batteries.
33	§ 27-1607. Annual report; plan audit.
34	1. Annual report. On or before April first, two thousand twenty, and
35	annually thereafter, a producer or a primary battery stewardship organ-
36	ization shall submit a report to the commissioner that contains the
37	following:
38	a. the weight of primary batteries collected by the producer or
39	producers acting cooperatively in the prior calendar year;
40	b. the collection rate achieved in the prior calendar year;
41	c. specifies the collection facilities that failed in the previous
42	calendar year to collect a minimum of one hundred pounds by weight of
43	primary batteries and whether these collection facilities will be elimi-
44	nated from the producer's plan or the plan of producers acting coopera-
45	tively;
46	d. the locations for all collection points set up by the producers
47	covered by the plan and contact information for each location;
48	e. examples and description of educational materials used to increase
49	collection;
50	f. the manner in which the collected primary batteries were managed;
51	g. any material change to the primary battery stewardship plan; and
52	h. the cost of implementation of the program, including the costs of
53	collection, recycling, education, and outreach.
54	2. Plan audit. Once every five years, a producer or stewardship organ-
55	ization shall hire an independent third party to audit the plan and plan
56	operation. The auditor shall examine the effectiveness of the program in

1	collecting and recycling primary batteries. The independent auditor
2	shall examine the cost-effectiveness of the program and compare it to
3	that of collection programs for primary batteries in other jurisdic-
4	tions. The independent auditor shall make recommendations to the
5	commissioner on ways to increase program efficacy and cost-effective-
6	ness.
7	<u>§ 27-1609. Agency responsibilities.</u>
8	1. Approval of plan. Within ninety days after receipt of a proposed
9	stewardship plan, the commissioner shall determine whether the plan
10	complies with the requirements of section 27-1605 of this title. If the
11	commissioner approves a plan, the commissioner shall notify the appli-
12	cant of the plan approval in writing. If the commissioner rejects a
13	plan, the commissioner shall notify the applicant in writing of the
14	reasons for rejecting the plan. An applicant whose plan is rejected by
15	the commissioner shall submit a revised plan to the commissioner within
16	forty-five days of receiving notice of rejection.
17	2. Plan amendment; changes. Any changes to a proposed stewardship plan
18	shall be approved by the commissioner in writing. The commissioner, in
19	his or her discretion or at the request of a producer, may require a
20	producer or producers to amend an approved plan.
21	3. Public notice. The commissioner shall post all proposed and
22	approved primary battery stewardship plans on the department's website.
23	4. Public input. The commissioner shall establish a process under
24	which a primary battery stewardship plan, prior to plan approval or
25	amendment, is available for public review and comment.
26	5. Registrations. The commissioner shall accept, review, and approve
27	or deny primary battery stewardship plans submitted under section
28	27-1605 of this title.
29	6. Agency website. The commissioner shall maintain a website that
30	includes the names of producers with approved plans or participation in
31	approved plans. The website shall list all of an approved producer's
32	brands covered by the stewardship plan filed with the commissioner. The
33	commissioner shall update information on the website within ten days of
34	receipt of notice of any change to the listed information.
35	7. Term of stewardship plan. A primary battery stewardship plan
36	approved by the commissioner under this section shall have a term not to
37	exceed five years, provided that the producer remains in compliance with
20	exceed live years, provided that the producer remains in compitance with
38	the requirements of this title and the terms of the approved plan.
