IN SENATE

January 9, 2017

Introduced by Sens. FUNKE, GOLDEN -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to the fund for innovation grants

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3641 of the education law is amended by adding a
2 new subdivision 17 to read as follows:

3 17. Funds for innovation grants. a. In addition to apportionments
4 otherwise provided pursuant to this article, for aid payable in the two
5 thousand seventeen--two thousand eighteen school year and thereafter,
6 thirty million dollars shall be available and allocated pursuant to
7 paragraphs b and c of this subdivision and shall be paid for programs to
8 create public/private partnerships to develop and implement innovative,
9 technology-based learning strategies to serve high-need pupils and
10 pupils who are at risk of not meeting the New York state learning stand-
11 ards pursuant to regulations of the commissioner, including, but not
12 limited to, the creation of one-to-one laptop pilot programs, the
13 purchase of content-based software and/or support of programs which
14 provide New York state learning standards-aligned educational content,
15 class lessons and related professional development.

16 b. Any school district located in a city with at least one hundred
17 twenty-five thousand inhabitants, shall be eligible for a grant pursuant
18 to this section for the purposes contained in paragraph a of this subdi-
19 vision. Any school district located within a city with a population of
20 one million or more inhabitants shall be eligible for an amount of up to
21 forty percent of the total amount allocated pursuant to this paragraph.
22 Any city school district of a city having a population of less than one
23 million but in excess of one hundred twenty-five thousand inhabitants,
24 shall be eligible for an amount equal to the product, rounded to the
25 nearest dollar, of (i) sixty percent of the total amount allocated

1 pursuant to this paragraph, and (ii) the quotient of the district's base
2 year enrollment on file with the commissioner as of the date upon which
3 an electronic data file was created for the purposes of compliance with
4 paragraph b of subdivision twenty-one of section three hundred five of
5 this chapter on November fifteenth of the base year, divided by the sum
6 of such base year enrollments for all such city school districts. Such
7 grants shall not exceed fifteen million dollars and shall be awarded by
8 the commissioner pursuant to a competitive grant process. The commis-
9 sioner shall evaluate each grant application on the basis of criteria
10 including but not limited to: the technology needs of the school
11 district, and the ability of the school district to improve academic
12 performance by the use of these technologies.

13 c. Any school district located outside of a city with at least one
14 hundred twenty-five thousand inhabitants, shall be eligible for a grant
15 pursuant to this section for the purposes contained in paragraph a of
16 this subdivision. Such grants shall not exceed fifteen million dollars
17 and shall be awarded by the commissioner pursuant to a competitive grant
18 process. The commissioner shall evaluate each grant application on the
19 basis of criteria including but not limited to, the technology needs of
20 the school district, and the ability of the school district to improve
21 academic performance by the use of these technologies.

22 § 2. This act shall take effect immediately.
