If no such indication is received from such candidate 10 within the time specified in the request, such officer or board shall 11 make the necessary determination.

12 3. (a) The party name or other designation[<del>, and a designating letter</del> 13 and number] shall be affixed to the name of each candidate, or, in case 14 of presidential electors, to the names of the candidates for president 15 and vice-president of such party.

 <u>candidate, or in the case of presidential electors, to the names of the</u>

26 [(c)] (d) Each office shall occupy as many columns or rows on the 27 [machine] ballot as the number of candidates to be elected to that 28 office, except where candidate placements due to cross endorsements 29 require additional columns or rows.

4. (a) The names of all candidates nominated by any party or independent body for an office shall always appear in the row or column containing generally the names of candidates nominated by such party or independent body for other offices except as hereinafter provided.

(b) When the same person has been nominated for an office to be filled at the election by more than one party, the voting machine shall be so adjusted that his or her name shall appear in each row or column containing generally the names of candidates for other offices nominated by any such party.

39 (c) If such candidate has also been nominated by one or more independ-40 ent bodies, his or her name shall appear only in each row or column containing generally the names of candidates for other offices nominated 41 42 by any such party and the name of each such independent body shall 43 appear in one such row or column to be designated by the candidate in a writing filed with the officer or board charged with the duty of 44 45 [providing ballots] certifying the candidates for such office, or if 46 such person shall fail to so designate, the names of such independent 47 bodies shall appear in such row or column as such officer or board shall 48 determine.

(d) If any person shall be nominated for any office by one party and two or more independent bodies his or her name shall appear on the [voting machine] ballot twice; once in the row or column containing generally the names of candidates for other offices nominated by such party, and once in the row or column containing generally the names of candidates nominated by the independent body designated by such person in a writing filed with the officer or board charged with the duty of [providing ballots] certifying the candidates for such office and in 1 connection with the name of such person in such row or column shall 2 appear the name of each independent body nominating him or her or, if 3 such person shall fail to so designate, the name of such candidate and 4 the names of such independent bodies shall appear in such row or column 5 as such officer or board shall determine.

If any type of machine used in any county or city contains any 24 25 feature approved by the state board of elections, the use of which is 26 neither required nor prohibited by the provisions of this chapter, the 27 board of elections may, by resolution, require that one or more of such features shall be used in such county. Thereafter all machines of such 28 29 type used in such county or city shall be operated in conformity with 30 any such resolution. Any such resolution may thereafter be rescinded by 31 such board and after being so rescinded may be re-adopted. Once re-a-32 dopted by any board of elections, such a resolution may not be rescinded 33 again by such board.

In the same space, in black letters as large as the space will permit, shall be 38 printed] the name of the party or independent body [and at the right of 39 the fist and below the index finger shall be printed in black ink the 40 **emblem**] and the designating [**letters**] **letter** of the row or column. 41

8. With respect to candidates for the offices of governor and lieutenant governor of a party or independent body, ballots shall be printed so that the names of such candidates for both offices shall appear in the same row or column, with the name of the candidate for governor appearing first and the ballot shall be so adjusted that both offices are voted for jointly and have but one designating [letter or] number <u>if</u> such column/row designating numbers are utilized.

9. In those counties in which ballots are required by federal law, or otherwise, to be provided in a language other than English, there shall be versions of the ballot printed in English and in each of the additional languages required so that each version of the ballot shall contain English and no more than two other languages. The county board of elections in such counties shall instruct, in their poll worker training and materials, the procedures to be followed to ensure that

2	by the state board.

4	instructions shall be printed in line lengths no wider than five inches.
5	Ballot instructions may be printed on the front or back of the ballot or

23	clearly" or "print the name clearly in the box labeled 'write-in'"),
24	staying within the box. Any mark or writing outside the spaces provided
25	for voting may void the entire ballot. The number of choices is listed
26	for each contest. Do not mark the ballot for more candidates than
27	allowed. If you do, your vote in that contest will not count. If you
28	make a mistake, or want to change your vote, ask a poll worker for a new
29	ballot.
30 31	14. The state board of elections shall provide line drawing illus- trations to supplement these instructions. At a minimum, an illustration
	of the correct way to mark the ballot shall be provided, but nothing in
32 33	this section shall be construed to limit the board in providing addi-
33 34	tional illustrations.
35	<u>15. When a question or proposal is included on the ballot,</u>

18	date's name is printed, the name of the political party or independent
19	body by which the candidate was nominated or designated.
