AN ACT to amend the civil service law, in relation to implementing a state policy of fair and equal pay for equivalent value of work

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The civil service law is amended by adding a new section 28 2 to read as follows: 3 § 28. Policy of the state. 1. It is the policy of New York state and all political subdivisions thereof to comply with the letter and spirit 4 5 of the federal "Equal Pay Act of 1963," Pub. L. 88-38 (29 U.S.C. § 206) which requires that employees of both sexes receive equal pay for equal б 7 work, the federal "Civil Rights Act of 1964," Pub. L. 88-352 (42 U.S.C. 8 § 2000e-2) which prohibits discrimination on the basis of sex, race or 9 national origin in all terms of employment, article fifteen of the executive law and section forty-c of the civil rights law, which prohibit 10 11 discrimination on the basis of sex, race or national origin in all terms of employment. Consistent with these laws, it is the policy of the state 12 13 to ensure a fair, non-biased compensation structure for all employees in 14 which sex, race or national origin is not a consideration either direct-15 ly or indirectly in determining the proper wages for a title or in 16 determining the pay for any individual or group of employees. For the purpose of this section, the terms "wages" and "wage rates" shall 17 include all compensation in any form that an employer provides to 18 19 employees in payment for work done or services rendered, including but 20 not limited to base pay, bonuses, commissions, awards, tips, or various 21 forms of non-monetary compensation if provided in lieu of or in addition 22 to monetary compensation and that have economic value to an employee. In order to attract unusual merit and ability to the service of the poli-23 24 tical subdivisions of New York, to stimulate higher efficiency among the 25 personnel, to provide skilled leadership in administrative departments,

to reward merit and to insure to the people and the taxpayers of the 1 state of New York the highest return in services for the necessary costs 2 of government, it is the policy of the state to provide equal pay for 3 4 equal and similar work and for equivalent value of work, and regular 5 increases in pay in proper proportion to increase of ability, increase б of output and increase of quality of work demonstrated in service. For the purpose of this section, the term "political subdivision" is 7 8 consistent with the definition in section one hundred of the general 9 <u>municipal law.</u> 10 2. The principle of fair and equal pay for similar work and for equiv-11 alent value of work shall be followed in the classification and reclassification and the allocation and reallocation of positions and all 12 positions having the same title shall be allocated to the same salary 13 14 grade. Equivalent value of work shall mean titles or position classifications that are equal within the meaning of the "Equal Pay Act of 15 16 1963", Pub. L. 88-38 (29 U.S.C. 206(d)), or titles or position classi-17 fications that are dissimilar but whose requirements are equivalent, when viewed as a composite of skills, effort, responsibility and working 18 conditions. The principle of fair and equal pay for equivalent value of 19 20 work requires that consideration of sex, race or national origin shall 21 not influence directly or indirectly the establishment of wages. 22 It shall not be an unlawful employment practice for an employer to pay different wage rates to employees, where such payments are made pursuant 23 to: 24 25 (a) a bona fide seniority or merit system; 26 (b) the geographic location of the job; or 27 (c) any other bona fide factor other than sex, race or national origin, provided however, that such factor does not result in discrimi-28 29 nation based on sex, race or national origin. Nothing set forth in this section shall be construed to impede, 30 infringe or diminish the rights and benefits which accrue to employees 31 32 through collective bargaining agreements, or otherwise diminish the 33 integrity of the existing collective bargaining relationship. 3. The commission shall promulgate regulations specifying the method-34 35 ology for determining equivalent value of work based on skill, effort, responsibility, and working conditions. Any methodology prescribed by 36 37 the commission, such as a systematic point evaluation system, shall 38 ensure that comparison systems do not ignore or undervalue the worth of jobs where women and minorities are disproportionately represented. For 39 the purposes of this section, a segregated title shall constitute any 40 title in which the total percentage of employees in the title of a 41 42 particular sex, race or national origin is equal to or greater than one 43 hundred twenty percent of the percentage of that sex, race or national 44 origin in the employ of the political subdivision. The department shall, 45 upon the request of any local civil service administration, render 46 service or technical advice and assistance relative to the position 47 classification and pay equity compensation assessment of offices and employments under the jurisdiction of such local civil service adminis-48 49 tration pursuant to subdivision one of section twenty-three of this 50 title. 51 4. By October first, two thousand eighteen, and every five years thereafter, all local civil service administrations pursuant to section 52 53 fifteen of this title, shall submit to the president of the commission a 54 list showing, by negotiating unit and for management/confidential employees, those segregated titles for which a disparity exists based on 55

56 the equivalent value of the work. The president of the commission shall

trations and, by January first, two thousand nineteen, and every five 2 years thereafter, submit to the legislature and the governor's office of 3 employee relations, a list showing, by negotiating unit and for 4 5 management/confidential employees, those segregated titles for which a б disparity exists based on the equivalent value of the work as reported by the local civil service administrations. 7 8 5. When a local civil service administration creates new titles or, 9 because of mergers or takeovers, transfers workforce from one title to another title, it shall re-submit to the president of the commission a 10 list of any segregated titles for which a disparity exists based on the 11 equivalent value of work, who will then submit the list to the legisla-12 13 ture. 14 6. Upon the discovery of the existence of segregated titles for which a disparity exists based on the equivalent value of work, the employer 15 16 and the local civil service administration shall correct the disparity. 17 An employer who is in violation of this section, as determined by the commission, shall not, in order to comply with this section, reduce the 18

19 wages of any employee or reduce the wage rate for any position.

20 § 2. This act shall take effect immediately.
