AN ACT to amend the mental hygiene law, in relation to the autism  
detection and education program and mapping of autism locations

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Subdivisions (d) and (e) of section 13.42 of the mental  
2 hygiene law, as added by chapter 469 of the laws of 2016, are amended to  
3 read as follows:

4 (d) (1) There is hereby created within the board the autism detection,  
5 education and mapping program. This program is established to promote  
6 screening and detection of autism, to educate the public regarding  
7 autism, to provide counseling and referral services and to map locations  
8 of occurrence of autism.

9 (2) The program shall include:

10 (i) establishment of a statewide public education and outreach  
11 campaign to publicize autism detection and education services, such  
12 campaign shall include: general community education, autism screening  
13 services, information on the extent of coverage for such services by  
14 health insurance, any available medical assistance program and other  
15 public and private programs.

16 (ii) provision of grants to approved organizations under subdivision  
17 (e) of this section; and

18 (iii) compilation of data concerning the autism detection, education  
19 and mapping program including mapping of the frequency of the occurrence  
20 of autism in various locations in the state and dissemination of the  
21 data to the public.

22 (e) (1) The board shall make grants within the amounts appropriated to  
23 approved organizations, as defined in paragraph two of this subdivision,  
24 for the provision of services relating to autism screening, detection  
25 and mapping as part of this program. Such services shall include but not  
26 be limited to:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD05898-02-7

(i) promotion and provision of detection of autism;  
(ii) provision of counseling and information on treatment options and referral for appropriate medical treatment;  
(iii) dissemination of information to the general public and to health care professionals concerning autism, the benefits of detection and treatment, and the availability of autism services;  
(iv) identification of local autism screening services within the approved organization's region;  
(v) provision of information, counseling and referral services to individuals diagnosed with autism; and  
(vi) mapping of the frequency of the occurrence of autism in various locations of the state.

(2) For the purposes of this section, "approved organization" shall mean an organization approved by the board, to provide services under this subdivision. Such organizations shall include, but not be limited to, the following:

(i) a hospital licensed under article twenty-eight of the public health law;  
(ii) a health maintenance organization licensed under article forty-three of the insurance law or certified under article forty-four of the public health law;  
(iii) an organization with program expertise in autism related issues;  
(iv) a county or city health department; or  
(v) any combination of the above.

(3) The board shall develop standards for the implementation of autism detection, education and mapping programs by approved organizations which shall ensure the following:

(i) integration of the approved organization with existing health care providers;  
(ii) maximizing third party reimbursement; and  
(iii) providing data collection for mapping of the occurrence of autism in various locations of the state.

(f) Such board shall meet at least quarterly. Special meetings may be called by the chair. The agenda and meeting place of all regular or special meetings shall be made available to the public in advance of such meetings.

~~(e)~~ (g) The advisory board shall submit a written report to the governor, the temporary president of the senate and the speaker of the assembly by no later than October first of the year next succeeding the effective date of this section and annually thereafter, setting forth the recommendations and activities of the council on matters within the scope of its duties as set forth in this section. Beginning in two thousand eighteen, the advisory board shall also include in such annual report information concerning the operation of the autism detection, education and mapping program. Such reports shall include the experience of the program in providing detection, education and mapping of the frequency of the occurrence of autism in various locations around the state. Approved organizations shall provide such data and assessment as the board may require for such report. Such report shall also include any recommendations for additional action to respond to the high incidence of autism in this state.

§ 2. This act shall take effect on the ninetieth day after it shall have become a law; provided, however, that effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized and directed to be made and completed on or before such effective date.
