IN SENATE

January 10, 2017

Introduced by Sen. CARLUCCI -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

AN ACT to amend the executive law, in relation to the classification procedure and use of DNA samples to identify unidentified dead and missing persons

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 838 of the executive law, as
2 amended by chapter 153 of the laws of 2016, is amended to read as
3 follows:

4 1. Every county medical examiner and coroner shall promptly furnish
5 the division and the National Missing and Unidentified Persons System
6 created by the Office of Justice Program's National Institute of
7 Justice, with copies of fingerprints on standardized eight inch by eight
8 inch fingerprint cards or the equivalent digital image, shall furnish
9 the New York state police forensic laboratory promptly with DNA samples
10 of deceased persons or unidentified body parts, for the purpose of clas-
11 sification, which samples shall then be forwarded by the state police
12 forensic laboratory to the division for the purpose of comparison and
13 filing, and shall furnish the division promptly with personal
14 descriptions and other identifying data, including date and place of
15 death, of all deceased persons whose deaths are in a classification
16 requiring inquiry by the medical examiner or coroner where the deceased
17 is not identified or the medical examiner or coroner is not satisfied
18 with the decedent's identification. The division shall promptly make
19 available personal descriptions and other identifying data, including
20 date and place of death, of such deceased persons to all law enforcement
21 agencies in the state, and upon request, to law enforcement agencies
22 outside of the state. The division shall forward such records regarding
23 such deceased persons or unidentified body parts to the National Crime

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

3 § 2. Subdivision 4 of section 838 of the executive law, as added by
4 chapter 670 of the laws of 1982, is amended to read as follows:

5 4. The division shall compare the fingerprints and DNA samples
6 received from the county medical examiners or coroners to fingerprints
7 and DNA band patterns on file with the division for purposes of attempt-
8 ing to determine the identity of the deceased. Other descriptive data
9 supplied with the fingerprints shall also be compared to records main-
10 tained by the division concerning missing persons. The division shall
11 submit the results of the comparisons to the appropriate medical examin-
12 er or coroner and if a tentative or positive identification is made, to
13 the law enforcement authority which submitted the report of the missing
14 person.

15 § 3. Section 995-d of the executive law is amended by adding a new
16 subdivision 3 to read as follows:

17 3. All records, findings, reports and results of DNA testing performed
18 pursuant to subdivision one or four of section eight hundred thirty-
19 eight of this chapter shall be subject to the provisions of this
20 section, and shall be treated in a manner consistent with subdivisions
21 five, six, seven and eight of section nine hundred ninety-five-c of this
22 article.

23 § 4. This act shall take effect on the first of the calendar month
24 next succeeding the sixtieth day after it shall have become a law.
