AN ACT to amend the public service law, in relation to a rate classification for volunteer emergency response organizations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and intent. Volunteer emergency 1 2 response organizations provide a public benefit to the state of New York 3 and lessen the burdens of government. Further, members of these not-for-4 profit organizations risk their lives to ensure the safety, health and 5 general welfare of our citizens. In the past, the state of New York recognized the value of similar organizations and the sacrifices of 6 7 their members when it established a reduced utility rate for veterans' 8 organizations. Therefore, the legislature hereby finds and declares that 9 volunteer emergency response organizations and veterans' organizations 10 are similarly situated in their structures, practices and actions, and 11 further finds and declares that a reduced utility rate is justified for 12 volunteer emergency response organizations to help ensure their contin-13 ued operation.

14 § 2. Subdivision 14 of section 66 of the public service law, as 15 amended by chapter 696 of the laws of 1936, is amended to read as 16 follows:
