1 respect to liquor. Provided, further, that an abbreviated registration
2 in the from of a permit, without a bond, may be instituted by the
3 commissioner for the purpose of authorizing the importation of up to
4 ~~[three hundred sixty liters ninety-five gallons of liquors per year into~~
5 ~~this state by an individual for such individual's personal use and~~

7 ~~§ 2. Paragraphs (e), (f) and the opening paragraph of paragraph (g) of~~
8 ~~subdivision 1 of section 424 of the tax law, paragraph (e) as amended by~~
9 ~~chapter 190 of the laws of 1990, paragraph (f) and the opening paragraph~~
10 ~~of paragraph (g) as amended by chapter 508 of the laws of 1993, are~~
11 ~~amended to read as follows:~~

12 ~~(e) [Sixty seven]~~ Two dollars and fifty-four cents per ~~[liter]~~ gallon
13 upon liquors containing not more than twenty-four per centum of alcohol
14 by volume except liquors containing not more than two per centum of
15 alcohol by volume, upon which the tax shall be ~~[one-cent]~~ four cents per
16 ~~[liter]~~ gallon; and

17 ~~(f) [One-dollar-and-seventy]~~ Six dollars and forty-four cents per
18 ~~[liter]~~ gallon upon all other liquors; when sold or used within this
19 state, except when sold or used under such circumstances that this state
20 is without power to impose such tax or when sold to the United States
21 and except beers when sold to or by a voluntary unincorporated organiza-
22 tion of the armed forces of the United States operating a place for the
23 sale of goods pursuant to regulations promulgated by the appropriate
24 executive agency of the United States, to the extent provided in such
25 regulations, directives and policy statements of such an agency applica-
26 ble to such sales, and except when sold to professional foreign
27 consuls-general, consuls and vice-consuls who are nationals of the state
28 appointing them and who are assigned to foreign consulates in this
29 state, provided that American consular officers of equal rank who are
30 citizens of the United States and who exercise their official functions
31 at American consulates in such foreign country are granted reciprocal
32 exemptions; provided, however, that the commissioner may permit the sale
33 of alcohol without tax to a holder of any industrial alcohol permit,
34 alcohol permit or alcohol distributor's permit, issued by the state
35 liquor authority, and by the holder of an alcohol distributor's permit,
36 class A, issued by such authority to a holder of a distiller's license,
37 class B, or a winery license, issued by such authority and may also
38 permit the use of alcohol for any purpose other than the production of
39 alcoholic beverages by such holders without tax; provided also that the
40 commissioner may permit the sale of cider without tax by a holder of a
41 cider producer's license issued by the state liquor authority to a hold-
42 er of a cider producer's license or a cider wholesaler's license issued
43 by such authority.

44 For purposes of this chapter, it is presumed that liquors are
45 possessed for the purpose of sale in this state if the quantity of
46 liquors possessed in this state, imported or caused to be imported into
47 this state or produced, distilled, manufactured, compounded, mixed or
48 fermented in this state exceeds ~~[ninety liters]~~ twenty-four gallons.
49 Such presumption may be rebutted by the introduction of substantial
50 evidence to the contrary. In any case where the quantity of alcoholic
51 beverages taxable pursuant to this article is a fractional part of one
52 ~~[liter (or one)]~~ gallon ~~[in the case of beers]~~ or an amount greater than
53 a whole multiple of ~~[liters (or)]~~ gallons ~~[in the case of beers]~~, the
54 amount of tax levied and imposed on such fractional part of one ~~[liter~~
55 ~~(or one)]~~ gallon ~~[in the case of beers]~~, or fractional part of a ~~[liter~~
56 ~~(or)]~~ gallon~~)]~~ in excess of a whole multiple of ~~[liters-or]~~ gallons

1 shall be such fractional part of the rate imposed by paragraphs (a)
2 through (f).

3 § 3. Section 425-a of the tax law, as added by chapter 508 of the laws
4 of 1993, is amended to read as follows:

5 § 425-a. Presumption of taxability. For the purpose of the proper
6 administration of the taxes imposed by this article and to prevent
7 evasion thereof, it shall be presumed with respect to this chapter that
8 all alcoholic beverages possessed or found in this state are subject to
9 the taxes imposed by this article until the contrary is established by
10 substantial evidence. Except with respect to a purchase at retail of
11 beers or wines and a purchase at retail of [~~ninety liters~~] twenty-four
12 gallons or less of liquors, no person shall purchase alcoholic beverages
13 in this state unless the taxes imposed by this article with respect to
14 such beverages have been assumed by a distributor registered under this
15 article or paid by such distributor pursuant to and in accordance with
16 the manner provided herein and evidenced in accordance with the manner
17 provided herein. In the case of liquors, such taxes shall be assumed by
18 a distributor in accordance with the invoice required, and the certifi-
19 cation of tax payment included therein, under section four hundred
20 twenty-seven of this article; in the case of other alcoholic beverages,
21 the taxes shall be assumed by such distributor pursuant to and in
22 accordance with the rules or regulations of the department.

23 § 4. Section 426 of the tax law, as amended by chapter 891 of the laws
24 of 1986, is amended to read as follows:

25 § 426. Records to be kept by brand owners, distributors, owners and
26 others. Every brand owner, distributor, owner or other person shall
27 keep a complete and accurate record of all purchases and sales or other
28 dispositions of alcoholic beverages, and a complete and accurate record
29 of the number of gallons of beers produced, manufactured, brewed or
30 fermented and [~~liters~~] gallons of all other alcoholic beverages
31 produced, distilled, manufactured, brewed, compounded, mixed or ferment-
32 ed. Such records shall be in such form and contain such other informa-
33 tion as the tax commission shall prescribe. Said commission, by rule or
34 regulation, also may require the delivery of statements to purchasers of
35 alcoholic beverages, and prescribe the matters to be contained therein.
36 Such records and statements, unless required by the tax commission to be
37 preserved for a longer period, shall be preserved for a period of one
38 year and shall be offered for inspection at any time upon oral or writ-
39 ten demand by the commissioner [~~of taxation and finance~~] or his duly
40 authorized agents, and every such distributor, brand owner, owner or
41 other person shall make such reports to the department [~~of taxation and~~
42 finance] as may be required by the tax commission. Nothing in this
43 section contained shall be construed to require the keeping of a record
44 of the purchase or disposition of alcoholic beverages by a consumer
45 thereof, except by a person who uses the same for commercial purposes,
46 or of the sale of alcoholic beverages at retail.

47 § 5. Subdivision 1 and paragraph (i) of subdivision 2 of section 427
48 of the tax law, as added by chapter 508 of the laws of 1993, are amended
49 to read as follows:

50 1. Every sale of liquors, except a sale at retail of [~~ninety liters~~]
51 twenty-four gallons or less, shall be evidenced by and recorded on an
52 individual, serially numbered invoice, and, with respect to each such
53 sale, the seller therein shall make and complete such invoice which
54 shall contain the information required by this section and give the same
55 to the purchaser at the time of delivery. The seller shall sign and date

1 the invoice required by this section and certify the entire content of
2 such invoice.

3 (i) the size (in [~~liters~~] gallons) and number of bottles of liquors
4 sold, and its description, by brand name and price; and

5 § 6. Subdivision 2 of section 428 of the tax law, as added by chapter
6 508 of the laws of 1993, is amended to read as follows:

7 2. The operator of a motor vehicle, as such term is defined in subdi-
8 vision three of section two hundred eighty-two of this chapter, or any
9 other means of transport of liquors in which more than [~~ninety liters~~]
10 twenty-four gallons of liquors is being transported in this state must
11 have in his or her possession a manifest, invoice or other document
12 which shows the name and address of the person from whom such liquors
13 were received and the date and place of receipt of such liquor and the
14 name and address of every person to whom such operator is to make deliv-
15 ery of the same and the place of delivery, together with the number of
16 liters to be delivered to each person, and, if such liquor is being
17 imported into the state in such motor vehicle or such other means of
18 transport, the name of the distributor importing or causing such liquors
19 to be imported into the state and such other information as the commis-
20 sioner may require pursuant to rule or regulation. Every operator of
21 such motor vehicle or such other means of transport shall at the request
22 of a peace officer, acting pursuant to his special duties, a police
23 officer, any representative of the department or any other person
24 authorized by law to inquire into or investigate the transportation of
25 such liquors, produce such manifest, invoice or other document for
26 inspection. The person causing the operation of such motor vehicle or
27 such other means of transport shall be responsible to cause the operator
28 to keep in such operator's possession in such motor vehicle or such
29 other means of transport the manifest, invoice or other document
30 required by this section. The absence of the manifest, invoice or other
31 document required by this section shall give rise to a presumption that
32 the liquors being transported are being imported or caused to be
33 imported into this state for sale or use therein by other than a regis-
34 tered distributor. Moreover, the absence of (1) the place of delivery
35 of liquors on the manifest, invoice or other document with respect to
36 liquors being imported into the state shall give rise to a presumption
37 that such liquors are being imported into the state for sale or use in
38 the state and (2) the name of a registered distributor on the manifest,
39 invoice or other document with respect to liquors being imported into
40 the state shall give rise to a presumption that such liquors are being
41 so imported or caused to be imported into this state, for sale or use
42 therein, by other than a registered distributor. Such presumptions may
43 be rebutted by the introduction of substantial evidence to the contrary.

44 § 7. Subdivisions 1 and 2 of section 429 of the tax law, as amended by
45 chapter 433 of the laws of 1978, are amended to read as follows:

46 1. Every distributor, noncommercial importer or other person shall, on
47 or before the twentieth day of each month, file with the department [~~of~~
48 ~~taxation and finance~~] a return, on forms to be prescribed by the tax
49 commission and furnished by such department, stating separately the
50 number of gallons, or lesser quantity, of beers, [~~and the number of~~
51 ~~liters, or lesser quantity, of~~] wines and liquors sold or used by such
52 distributor, noncommercial importer or other person in this state during
53 the preceding calendar month, except that the tax commission may, if it
54 deems it necessary in order to insure the payment of the tax imposed by
55 this article, require returns to be made at such times and covering such
56 periods as it may deem necessary. Such return shall contain such further

1 information as the tax commission shall require. The fact that the name
2 of the distributor, noncommercial importer or other person is signed to
3 a filed return shall be prima facie evidence for all purposes that the
4 return was actually signed by such distributor, noncommercial importer
5 or other person.

6 2. Each such distributor, noncommercial importer or other person shall
7 pay to such department with the filing of such return, the tax imposed
8 by this article, on each gallon, or lesser quantity, of [~~beers and on~~
9 ~~each liter, or lesser quantity of all other~~] all alcoholic beverages
10 sold or used by such distributor, noncommercial importer or other person
11 in this state, as so reported, during the period covered by such return,
12 except that, where a distributor has purchased alcoholic beverages prior
13 to the expiration of the period covered by the return, upon which the
14 taxes imposed by this article have been or are required to be paid by
15 another distributor, a credit shall be allowed for the amount of such
16 taxes.

17 § 8. Paragraph (b) of subdivision 1 and subdivision 2 of section 445
18 of the tax law, as amended by chapter 433 of the laws of 1978, are
19 amended to read as follows:

20 (b) [~~Twenty-six and four-tenths~~] Ninety-nine and nine-tenths cents per
21 [~~liter~~] gallon on the liquors described in paragraph (f) of subdivision
22 one of section four hundred twenty-four, when sold or used in such city.

23 2. Every local law imposing taxes pursuant to the authority of subdivi-
24 sion one shall also impose upon each person, other than a distributor
25 within the meaning of such local law, who, on the date the taxes imposed
26 pursuant to the authority of such subdivision become effective, owns and
27 possesses for the purposes of sale beer, or other alcoholic beverages
28 described in subdivision one, a floor tax at the rates applicable under
29 subdivision one upon such beer or other alcoholic beverages in excess of
30 one hundred gallons [~~and upon such other alcoholic beverages in excess~~
31 ~~of four hundred liters~~]. Such floor tax shall be due and payable on the
32 twentieth day of the month succeeding the month in which the taxes
33 become effective.

34 § 9. Subdivisions (e), (f) and (g) of section 1813 of the tax law, as

17 person required to be registered as a distributor for city purposes
18 pursuant to the provisions of section four hundred forty-five of article
19 eighteen of this chapter who, while not so registered, knowingly imports

46 (3) For purposes of this subdivision, it shall be presumed that the
47 importation or the causing to be imported into such city or the
48 production, distillation, manufacture, compounding, mixing or fermenting
49 in such city of more than [~~ninety liters~~] twenty-four gallons of liquors
50 by any person in a one-year period is for purposes of sale. Such
51 presumption may be rebutted by the introduction of substantial evidence
52 to the contrary.

55 imported into this state, who shall willfully and knowingly have in his

17 § 10. Subdivisions (a), (k) and (l) of section 1845 of the tax law, as
18 added by chapter 508 of the laws of 1993, are amended to read as
