DEPARTMENT OF HEALTH

STATE OPERATIONS 2017-18

1 projected medicaid expenditures by category of service and by geographic region, as
2 determined by the commissioner of health,
3 incurred both prior to and subsequent to
4 such assessment for each such period, and
5 if the director of the budget determines
6 that such expenditures are expected to
7 cause medicaid spending for such period to
8 exceed the aggregate limit specified here-
9 in for such period, the state medicaid
10 director, in consultation with the direc-
11 tor of the budget and the commissioner of
12 health, shall develop a medicaid savings
13 allocation plan to limit such spending to
14 the aggregate limit specified herein for
15 such period.
16

17 Such medicaid savings allocation plan shall
18 be designed, to reduce the expenditures
19 authorized by the appropriations herein in
20 compliance with the following guidelines:
21 (1) reductions shall be made in compliance
22 with applicable federal law, including the
23 provisions of the Patient Protection and
24 Affordable Care Act, Public Law No.
25 111-148, and the Health Care and Education
26 Reconciliation Act of 2010, Public Law No.
27 111-152 (collectively "Affordable Care
28 Act") and any subsequent amendments there-
29 to or regulations promulgated thereunder;
30 (2) reductions shall be made in a manner
31 that complies with the state medicaid plan
32 approved by the federal centers for medi-
33 care and medicaid services, provided,
34 however, that the commissioner of health
35 is authorized to submit any state plan
36 amendment or seek other federal approval,
37 including waiver authority, to implement
38 the provisions of the medicaid savings
39 allocation plan that meets the other
40 criteria set forth herein; (3) reductions
41 shall be made in a manner that maximizes
42 federal financial participation, to the
43 extent practicable, including any federal
44 financial participation that is available
45 or is reasonably expected to become avail-
46 able, in the discretion of the commission-
47 er, under the Affordable Care Act; (4)
48 reductions shall be made uniformly among
49 categories of services and geographic
50 regions of the state, to the extent prac-
51 ticable, and shall be made uniformly with-
52 in a category of service, to the extent

STATE OPERATIONS 2017-18

1 practicable, except where the commissioner
2 determines that there are sufficient
3 grounds for non-uniformity, including but
4 not limited to: the extent to which
5 specific categories of services contrib-
6 uted to department of health medicaid
7 state funds spending in excess of the
8 limits specified herein; the need to main-
9 tain safety net services in underserved
10 communities; or the potential benefits of
11 pursuing innovative payment models contem-
12 plated by the Affordable Care Act, in
13 which case such grounds shall be set forth
14 in the medicaid savings allocation plan;
15 and (5) reductions shall be made in a
16 manner that does not unnecessarily create
17 administrative burdens to medicaid appli-
18 cants and recipients or providers.

19 The commissioner shall seek the input of the
20 legislature, as well as organizations
21 representing health care providers,
22 consumers, businesses, workers, health
23 insurers, and others with relevant exper-
24 tise, in developing such medicaid savings
25 allocation plan, to the extent that all or
26 part of such plan, in the discretion of
27 the commissioner, is likely to have a
28 material impact on the overall medicaid
29 program, particular categories of service
30 or particular geographic regions of the
31 state.

32 (a) The commissioner shall post the medicaid
33 savings allocation plan on the department
34 of health's website and shall provide
35 written copies of such plan to the chairs
36 of the senate finance and the assembly
37 ways and means committees at least 30 days
38 before the date on which implementation is
39 expected to begin.

40 (b) The commissioner may revise the medicaid
41 savings allocation plan subsequent to the
42 provisions of notice and prior to imple-
43 mentation but need provide a new notice
44 pursuant to subparagraph (i) of this para-
45 graph only if the commissioner determines,
46 in his or her discretion, that such
47 revisions materially alter the plan.

48 Notwithstanding the provisions of paragraphs
49 (a) and (b) of this subdivision, the
50 commissioner need not seek the input
51 described in paragraph (a) of this subdi-
52 vision or provide notice pursuant to para-

DEPARTMENT OF HEALTH

graph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation plan is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as: (i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation plan from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, and waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

4 the projected department of health state
5 funds disbursements in the enacted budget
6 financial plan pursuant to subdivision 3
7 of section 23 of the state finance law,
8 including spending increases or decreases
9 due to: enrollment fluctuations, rate
10 changes, utilization changes, MRT invest-

12 managed care; and variations in offline
13 medicaid payments; and (b) the actions
14 taken to implement any medicaid savings
15 allocation plan implemented pursuant to
16 subdivision 4 of this section, including
17 information concerning the impact of such

19 each geographic region of the state. Each
20 such monthly report shall be provided to
21 the chairs of the senate finance and the
22 assembly ways and means committees and
23 shall be posted on the department of
24 health's website in a timely manner.

33 proposal would increase student learning time by at least 25

29 Provided, further, that to assess proposal quality in order to award

31 partners participating in an early college high schools program, or

49 education program, shall constitute the competitive awards amount
50 authorized for the 2013-14 school year by chapter 53 of the laws of
51 2013.
52 Provided further that, notwithstanding any provision of law to the
53 contrary, the \$2,500,000 appropriated herein available for pathways
54 in technology early college high school (P-TECH) program grants
55 shall be awarded pursuant to a plan developed by the commissioner
56 and approved by the director of the budget, provided that such plan

1 shall include but not be limited to (i) assurances that K-12, higher
2 education and private-sector partners commit to the required
3 elements and responsibilities of a P-TECH program, (ii) provisions
4 to ensure regional diversity of grant recipients, and (iii) priority
5 for P-TECH programs serving students in academically challenged
6 school districts; provided further that the commissioner shall make

16 entity/entities responsible for setting tuition at the institution,
17 shall be authorized to set a reduced rate of tuition and/or fees, or

22 Provided further that, notwithstanding any provision of law to the
23 contrary, the \$10,000,000 appropriated herein available for teacher
24 excellence fund grants shall be awarded to eligible school districts
25 pursuant to a request for proposals based on a plan developed by the
26 commissioner and approved by the director of the budget; provided
27 that such plan shall include an application for award of such grants
28 to such eligible school districts to provide annual teacher excel-
29 lence fund performance awards of up to \$20,000 to eligible teachers
30 rated as "highly effective" on the most recent annual professional
31 performance review, in accordance with the requirements of section
32 3012-d of the education law and the regulations of the commissioner,
33 pursuant to such districts' approved applications; provided that in
34 making such grants the commissioner shall prioritize school
35 districts' applications based on factors including but not limited
36 to (i) the extent to which the school district's application would
37 recognize and reward such teachers in school buildings with the
38 greatest academic need, in difficult-to-staff subject or certifi-
39 cation areas and grade levels, and at critical points in a teach-
40 er's career in order to encourage highly effective teachers to
41 remain in the classroom, and (ii) the quality of the school
42 district's application; and provided further that the commissioner
43 shall make available the application for such grants on or before
44 May fifteenth and the commissioner shall issue grant awards an

1 other amounts so designated in other items of appropriation within
2 the general fund local assistance account office of pre-kindergarten
3 through grade twelve education program, shall constitute the compet-
4 itive awards amount authorized for the 2015-16 school year.
5 Provided, further, that notwithstanding any provision of law to the
6 contrary, the \$15,000,000 appropriated herein available for grants
7 to full-day and half-day pre-kindergarten programs for three-year-
8 old and four-year-old children shall be awarded, based on a request
9 for proposals developed by the commissioner and approved by the
10 director of the budget, to school districts to establish new full-
11 day and half-day pre-kindergarten placements for three-year-olds and
12 four-year-olds; provided that such grants shall only be used to
13 supplement, not supplant existing pre-kindergarten programs; and
14 provided further, however, that any portion of such \$15,000,000 that
15 is not awarded shall remain available for subsequent awards in the
16 2015-16 school year or for full-day and half-day pre-kindergarten
17 grants to be awarded in subsequent school years. Provided, further,
18 that such grants from funds appropriated herein shall be awarded

21 students to be served by each of the school districts, (iii) the
22 school district's proposal to target the highest need schools and
23 students, (iv) the extent to which the district's proposal would
24 prioritize funds to maximize the total number of eligible children
25 in the district served in pre-kindergarten programs, and (v)
26 proposal quality. Provided, however, that full-day and half-day
27 pre-kindergarten grants appropriated herein shall only be available
28 to support programs (i) that provide instruction for at least five
29 hours per school day for full-day pre-kindergarten programs and at

32 with the New York state pre-kindergarten foundation for the common
33 core standards; (iii) that ensure that, to the extent community-
34 based providers are part of such program, such providers meet the
35 requirements of paragraphs d-1 and d-2 of subdivision 12 of section
36 3602-e of the education law; and (iv) that otherwise comply with all

48 the education law; provided, further, that a school district may
49 apply for only as many full-day or half-day placements for three-

51 or children who would otherwise be eligible under paragraph c of
52 subdivision 1 of section 3602-e of the education law. Provided,
53 further, that a school district's grant for three-year-old and four-
54 year-old pre-kindergarten shall equal the product of (A) (i) two

Provided, further, that as a condition of eligibility for receipt of such funding, a school district shall agree to adopt approved quality indicators within two years, including, but not limited to, valid and reliable measures of environmental quality, the quality of teacher-student interactions and child outcomes, and ensure that any such assessment of child outcomes shall not be used to make high-stakes educational decisions for individual children. Provided, further, that no school district shall receive more than forty percent of the total pre-kindergarten for three-year-old and four-year-old children grant allocation.

Provided, further, that notwithstanding any provision of law to the contrary, the \$2,500,000 appropriated herein available for an expanded master teachers program shall support the award of stipends of \$15,000 per annum over four years to individual high-performing teachers, and of related costs, administered by the state university of New York pursuant to a plan developed in consultation with the commissioner, who shall consult with appropriate state organizations representing K-12 public school teachers and approved by the director of the budget, to build a corps of outstanding teachers in order to improve the quality of instruction at public secondary schools. Such plan for use of funding appropriated herein shall: (i) allocate at least 80 percent of such stipends to high-performing teachers in math, science and related fields and up to 20 percent of such stipends to high performing teachers with an extension to their content area certificate in bilingual education or who hold certification in English as a Second Language and high-performing teachers with dual certification in a content area and special education; (ii) establish an application process; (iii) guidelines by which applications from eligible teachers shall be evaluated, which shall include, but not be limited to, achievement of a rating of highly effective on the annual professional performance review; and (iv) provide periodic opportunities for professional development for successful applicants. Provided, further, that priority shall be given to applicants in regions of the state where a similar program is not otherwise offered. Notwithstanding any provision of law to the contrary, upon approval of the director of the budget, such \$2,500,000 of master teachers program funding may be sub-allocated, interchanged, transferred or otherwise made available to the state university of New York for the services and expenses of administering such program. 1 to ensure regional diversity of grant recipients, and (iii) priority
2 for P-TECH programs serving students in academically challenged
3 school districts; provided further that the commissioner shall make

9 credits earned annually by participating students, consistent with
10 guidelines established by the commissioner. Provided further that in
11 connection with such guidelines, the commissioner shall execute a

31 Provided, further, that such plan shall establish a process for
32 selection of experienced nonprofit entities to manage the program.
33 Provided, further, that no school district shall receive more than
34 forty percent of the total grant allocation.

35 Provided, further, that notwithstanding any provision of law to the
36 contrary, \$1,500,000 of the amount appropriated herein shall be made
37 available for payment of New York state masters-in-education teacher
38 incentive scholarship program awards. Provided, further, that eligi-

Provided further that, notwithstanding any provision of law to the contrary, higher education partners participating in an early college high school program, or the entity/entities responsible for setting tuition at the institution, shall be authorized to set a reduced rate of tuition and/or fees, or to waive tuition and/or fees entirely, for students enrolled in such an early college high school program with no reduction in other state, local or other support for such students earning college credit that such higher education partner would otherwise be eligible to receive.

Provided further that, notwithstanding any provision of law to the contrary, the \$500,000 appropriated herein available for career and technical education (CTE) programs shall be awarded, pursuant to a plan developed by the commissioner and approved by the director of the budget, to provide CTE programs with support and resources to eliminate barriers to students with special needs and English language learners from participating in such programs, as well as promote gender diversity in CTE programs.

Provided, further, that notwithstanding any provision of law to the contrary, the \$1,000,000 appropriated herein available for QUALITYstarsNY shall be used, pursuant to a plan approved by the director of the budget, to support implementation of a statewide system to assess, improve, and communicate the level of quality in early education and care settings throughout the state. Notwithstanding any provision of law to the contrary, upon approval of the director of the budget, the \$1,000,000 of funding appropriated herein for QUALITYstarsNY may be suballocated, interchanged, transferred or otherwise made available to the office of children and family services for the sole purpose of administering such system. Provided that, for the 2016-17 [~~and 2017-18~~] through 2018-19 school years, a portion of these funds shall be used to support programs identified by the office of children and family services, the department of health and mental hygiene of the city of New York, or the department as needing extraordinary quality support.

Provided further that, notwithstanding any inconsistent provision of law, subject to the approval of the director of the budget, funds appropriated herein may be interchanged with the appropriation for School District Performance Improvement grants within the general fund local assistance account office of pre-kindergarten through grade twelve education program.

Notwithstanding section 40 of the state finance law or any provision of law to the contrary, this appropriation shall lapse on March 31, [~~2018~~] 2019 ... 250,000,000 (re. \$126,748,000)

Funds appropriated herein shall be used to provide competitive grants pursuant to a request for proposals, developed by the commissioner and approved by the director of budget, to those school districts

1 that are participating in the race to the top program and/or which
2 demonstrate satisfactory progress, as determined by the commissioner,
3 towards implementation of elements such as high quality student
4 assessments; use of data to improve instruction and student performance
5 and provision of professional development to improve teacher
6 performance; and that those eligible districts also demonstrate the
7 most improved academic achievement gains and student outcomes such
8 as establishing or expanding participation in college level or early
9 college programs; and other appropriate measures of student performance;
10 provided further that in determining the amount of the award
11 to be made from the funds appropriated herein for those school
12 districts identified as making the greatest achievement gains and
13 eligible for such award, the maximum grant award available to each
14 school district shall be based upon the size of the district measured
15 by public school enrollment of the district; and provided
16 further that such amount shall be adjusted based upon measures of
17 district need and provided further that no district receiving a
18 grant may be awarded more than forty percent of the total amount
19 awarded; and provided further that any such funds awarded to a
20 school district shall be used to increase student performance,
21 narrow the achievement gap, and increase academic performance in
22 traditionally underserved student groups.

23 Provided further that, notwithstanding any provision of law to the
24 contrary, in addition to the competitive awards amount as defined in
25 paragraph ee of subdivision 1 of section 3602 of the education law,
26 a minimum of \$37,500,000 shall be available for the payment of grant
27 awards made in the 2013-14 school year, with additional amounts to
28 be made available in the 2014-15 through ~~2017-18~~ 2018-19 state
29 fiscal years as necessary to continue such awards, make an additional
30 round of awards pursuant to subdivision 6-a of section 3641
31 of the education law in the 2014-15 school year not to exceed the
32 amount awarded in the 2013-14 school year pursuant to such subdivision
33 6-a, and make additional master teachers awards to the extent
34 that the master teachers program authorized herein would not otherwise
35 expend the maximum school year amount authorized herein; and
36 such \$37,500,000 shall be made available for \$12,500,000 of pre-kindergarten
37 grants, \$10,000,000 of school-wide extended learning
38 grants, \$7,500,000 of community schools grants, \$5,500,000 for a
39 master teacher program and \$2,000,000 for the early college high
40 school program; provided, however, the funds appropriated herein for
41 pre-kindergarten grants shall only be available for grants awarded
42 for the 2016-17 school year and prior school years; provided, however,
43 that no school district shall receive any portion of the funds
44 appropriated herein unless it shall have submitted documentation
45 that has been approved by the commissioner by September 1 of 2013
46 and of each school year in which a payment to such district from
47 this appropriation would otherwise be made demonstrating that it has
48 fully implemented new standards and procedures for conducting annual
49 professional performance reviews of classroom teachers and building
50 principals to determine teacher and principal effectiveness.

51 Provided, further, that notwithstanding any provision of law to the
52 contrary, the \$12,500,000 appropriated herein available for full-day
53 and half-day pre-kindergarten grants shall be awarded, based on a
54 request for proposals developed by the commissioner and approved by
55 the director of the budget, to school districts to establish new
56 full-day and half-day pre-kindergarten placements and/or to convert

existing half-day pre-kindergarten placements into full-day placements; provided that preference shall be granted for full-day placements while ensuring that a portion of grants include half-day placements based on eligible applications; and provided, further, that such grants shall only be used to supplement, not supplant existing pre-kindergarten programs, and provided further, however, that any portion of such \$12,500,000 that is not awarded shall remain available for subsequent awards in the 2013-14 school year or for full-day and half-day pre-kindergarten grants to be awarded in subsequent school years. Provided, further, that such grants from funds appropriated herein shall be awarded based on factors including, but not limited to, the following: (i) measures of school district need, (ii) measures of the need of students to be served by each of the school districts, (iii) the school district's proposal to target the highest need schools and students, (iv) the extent to which the district's proposal would prioritize funds to maximize the total number of eligible children in the district served in pre-kindergarten programs, and (v) proposal quality. Provided, however, that full-day and half-day pre-kindergarten grants appropriated herein shall only be available to support programs (i) that provide instruction for at least five hours per school day for full-day pre-kindergarten programs and at least two and one-half hours per school day for half-day pre-kindergarten programs; (ii) that agree to offer instruction consistent with the New York state pre-kindergarten foundation for the common core standards within three years; (iii) that ensure that, to the extent community-based providers are part of such program, such providers meet the requirements of paragraphs d-1 and d-2 of subdivision 12 of section 3602-e of the education law; and (iv) that otherwise comply with all of the same rules and requirements as universal pre-kindergarten programs pursuant to section 3602-e of the education law except as modified herein. Provided, further, that a school district's pre-kindergarten grant shall equal the product of (A) (i) two multiplied by the approved number of new full-day pre-kindergarten placements plus (ii) the approved number of half-day pre-kindergarten placement conversions and new half-day pre-kindergarten placements, and (B) the district's selected aid per pre-kindergarten pupil pursuant to subparagraph i of paragraph b of subdivision 10 of section 3602-e of the education law; provided, however, that no district shall receive a grant in excess of the total actual grant expenditures incurred by the district in the current school year as approved by the commissioner. Provided, further, that as a condition of eligibility for receipt of such funding, a school district shall agree to adopt approved quality indicators within two years, including, but not limited to, valid and reliable measures of environmental quality, the quality of teacher-student interactions and child outcomes, and ensure that any such assessment of child outcomes shall not be used to make high-stakes educational decisions for individual children. Provided, further, that no school district shall receive more than forty percent of the total pre-kindergarten grant allocation.

Provided, further, that notwithstanding any provision of law to the contrary, the \$10,000,000 appropriated herein available for school-wide extended learning grants shall be awarded to school districts or school districts in collaboration with not-for-profit community-based organizations based on responses to a request for proposals for planning and implementation grants that is (i) developed by the

1 commissioner; (ii) approved by the director of the budget; and (iii)
2 issued by the commissioner. Provided, further, that such grants
3 shall be awarded based on factors including, but not limited to, the
4 following: (i) the school district's proposal to target the schools
5 and students with the greatest need, and (ii) proposal quality.
6 Provided, further, that to assess proposal quality in order to award
7 implementation grant funding, the commissioner shall take into
8 account factors including, but not limited to: (i) the extent to
9 which the school district's proposal would maximize the use of the
10 additional learning time through a comprehensive restructuring of
11 the school day and/or year, (ii) the extent to which the proposal
12 would provide additional learning time for students in grades six
13 through eight, and (iii) how the additional learning time would be
14 utilized, including, but not limited to, additional time spent on
15 core academics. Provided, however, that no district shall be eligi-
16 ble to receive a school-wide extended learning grant unless its
17 proposal would increase student learning time by at least 25
18 percent. Provided, further, that a school district's schoolwide
19 extended learning implementation grant shall equal its average daily
20 attendance in the school-wide extended learning program multiplied
21 by the expected cost per pupil of the additional learning time;
22 provided, further, that the expected cost per pupil of the addi-
23 tional learning time shall equal the greater of \$1,500 or (A) the
24 quotient of (i) the school district's approved operating expense,
25 pursuant to paragraph t of subdivision 1 of section 3602 of the
26 education law, for the year prior to the base year, divided by (ii)
27 the district's public school district enrollment, pursuant to
28 subparagraph (2) of paragraph n of such subdivision, for the year
29 prior to the base year, multiplied by (B) 10 percent (0.10), multi-
30 plied by (C) the quotient of (i) the average of the national consum-
31 er price indexes determined by the United States department of labor
32 for the 12-month period preceding January first of the base year,
33 divided by (ii) the average of the national consumer price indexes
34 determined by the United States department of labor for the 12-month
35 period preceding January first of the year two years prior to the
36 base year; provided, however, that in extraordinary cases the
37 commissioner may award a grant that exceeds the per pupil limit
38 described above; provided further, however, that no district shall
39 receive a grant in excess of the total actual grant expenditures
40 incurred by the district in the current school year as approved by
41 the commissioner. Provided, further, that no school district shall
42 receive more than forty percent of the total school-wide extended
43 learning grant allocation.

44 Provided, further, that notwithstanding any provision of law to the
45 contrary, the \$7,500,000 appropriated herein available for community
46 schools grants shall be awarded, based on a request for proposals
47 (i) developed by the state council on children and families in coor-
48 dination with the commissioner, (ii) approved by the director of the
49 budget and (iii) issued by the commissioner, to school districts, or
50 in a city with a population of one million or more an eligible enti-
51 ty, to improve student outcomes through the implementation of commu-
52 nity schools programs that use school buildings as community hubs to
53 deliver co-located or school-linked academic, health, mental health,
54 nutrition, counseling, legal and/or other services to students and
55 their families. In a city with a population of one million or more,
56 eligible entities shall mean the city school district of the city of

1 New York, or not-for-profit organizations, which shall include not-
2 for-profit community-based organizations. An eligible entity that is
3 a not-for-profit may apply for a community school grant provided
4 that it collaborates with the city school district of the city of
5 New York and receives the approval of the chancellor of the city
6 school district of the city of New York. Provided, further, that
7 such grants shall be awarded based on factors including, but not
8 limited to, the following: (i) measures of school district need,
9 (ii) measures of the need of students to be served by each of the
10 school districts, (iii) the school district's proposal to target the
11 highest need schools and students, (iv) the sustainability of the
12 proposed community schools program, and (v) proposal quality.
13 Provided, further, that to assess proposal quality in order to award
14 such funding, the commissioner shall take into account factors
15 including, but not limited to: (i) the extent to which the school
16 district's proposal would provide such community services through
17 partnerships with local governments and non-profit organizations,
18 (ii) the extent to which the proposal would provide for delivery of
19 such services directly in school buildings, (iii) the extent to
20 which the proposal articulates how such services would facilitate
21 measurable improvement in student and family outcomes, (iv) the
22 extent to which the proposal articulates and identifies how existing
23 funding streams and programs would be used to provide such community
24 services, and (v) the extent to which the proposal ensures the safe-
25 ty of all students, staff and community members in school buildings
26 used as community hubs. Provided, however, that community schools
27 grants appropriated herein shall be paid to school districts in
28 installments upon successful implementation of each phase of a
29 school district's approved proposal. Provided, further, that no
30 school district shall receive more than forty percent of the total
31 community schools grant allocation, and that each individual commu-
32 nity school site shall be limited to a maximum grant of \$500,000.
33 Provided, further, that notwithstanding any provision of law to the
34 contrary, the \$5,500,000 appropriated herein available for a master
35 teachers program shall support the award of stipends of \$15,000 per
36 annum over four years to individual high-performing teachers in
37 math, science and related fields, and of related costs, administered
38 by the state university of New York pursuant to a plan developed in
39 consultation with the commissioner, who shall consult with appropri-
40 ate state organizations representing K-12 public school teachers,
41 and approved by the director of the budget, to build a corps of
42 outstanding math, science and related fields teachers in order to
43 improve the quality of instruction at public secondary schools. Such
44 plan for use of funding appropriated herein shall: (i) establish an
45 application process; (ii) guidelines by which applications from
46 eligible teachers shall be evaluated, which shall include, but not
47 be limited to, achievement of a rating of highly effective on the
48 annual professional performance review; and (iii) provide periodic
49 opportunities for professional development for successful appli-
50 cants. Provided, further, that priority shall be given to applicants
51 in regions of the state where a similar program is not otherwise
52 offered. Notwithstanding any provision of law to the contrary, upon
53 approval of the director of the budget, such \$5,500,000 of master
54 teachers program funding may be sub-allocated, interchanged, trans-
55 ferred or otherwise made available to the state university of New
56 York for the services and expenses of administering such program.

1 Nothing herein shall be construed to limit the rights of labor
2 organizations to collectively bargain terms and conditions pursuant
3 to article 14 of the civil service law.

4 Provided, further, that notwithstanding any provision of law to the
5 contrary, the \$2,000,000 appropriated herein available for the early
6 college high school program shall support the continuation and
7 expansion of such program pursuant to a plan developed by the
8 commissioner and approved by the director of the budget. Provided,
9 however, that a portion of the payments to early college high school
10 programs awarded funding from this appropriation shall be awarded on
11 a sliding scale based upon the number of college credits earned
12 annually by participating students, consistent with guidelines
13 established by the commissioner. Provided further that, notwith-
14 standing any provision of law to the contrary, higher education
15 partners participating in an early college high schools program, or
16 the entity/entities responsible for setting tuition at the institu-
17 tion, shall be authorized to set a reduced rate of tuition and/or
18 fees, or to waive tuition and/or fees entirely, for students
19 enrolled in such early college high schools program with no
20 reduction in other state, local or other support for such students
21 earning college credit that such higher education partner would
22 otherwise be eligible to receive.

23 Provided further that, notwithstanding any provision of law to the
24 contrary, of the amount appropriated herein, a minimum of
25 \$12,500,000 per year shall be available in the 2014-15 through
26 ~~2017-18~~ 2018-19 school years for the payment of grant awards as
27 follows: \$2,500,000 of pathways in technology early college high
28 school program grants and \$10,000,000 of teacher excellence fund
29 grants; provided further that, notwithstanding any provision of law
30 to the contrary, such \$12,500,000, plus any other amounts so desig-
31 nated in other items of appropriation within the general fund local
32 assistance account office of pre-kindergarten through grade twelve
33 education program, shall constitute the competitive awards amount
34 authorized for the 2013-14 school year by chapter 53 of the laws of
35 2013.

36 Provided further that, notwithstanding any provision of law to the
37 contrary, the \$2,500,000 appropriated herein available for pathways
38 in technology early college high school (P-TECH) program grants
39 shall be awarded pursuant to a plan developed by the commissioner
40 and approved by the director of the budget, provided that such plan
41 shall include but not be limited to (i) assurances that K-12, higher
42 education and private-sector partners commit to the required
43 elements and responsibilities of a P-TECH program, (ii) provisions
44 to ensure regional diversity of grant recipients, and (iii) priority
45 for P-TECH programs serving students in academically challenged
46 school districts; provided further that the commissioner shall make
47 available the request for proposals for such program on or before
48 May fifteenth and the commissioner shall issue awards on or before
49 August fifteenth; and provided further that a portion of the
50 payments to P-TECH programs awarded funding from this appropriation
51 shall be made on a sliding scale based upon the number of college
52 credits earned annually by participating students, consistent with
53 guidelines established by the commissioner. Provided further that,
54 notwithstanding any provision of law to the contrary, higher educa-
55 tion partners participating in a P-TECH program, or the
56 entity/entities responsible for setting tuition at the institution,

1 shall be authorized to set a reduced rate of tuition and/or fees, or
2 to waive tuition and/or fees entirely, for students enrolled in such
3 P-TECH program with no reduction in other state, local or other
4 support for such students earning college credit that such higher
5 education partner would otherwise be eligible to receive.

6 Provided further that, notwithstanding any provision of law to the
7 contrary, the \$10,000,000 appropriated herein available for teacher
8 excellence fund grants shall be awarded to eligible school districts
9 pursuant to a request for proposals based on a plan developed by the
10 commissioner and approved by the director of the budget; provided
11 that such plan shall include an application for award of such grants
12 to such eligible school districts to provide annual teacher excel-
13 lence fund performance awards of up to \$20,000 to eligible teachers
14 rated as "highly effective" on the most recent annual professional
15 performance review, in accordance with the requirements of section
16 3012-d of the education law and the regulations of the commissioner,
17 pursuant to such districts' approved applications; provided that in
18 making such grants the commissioner shall prioritize school
19 districts' applications based on factors including but not limited
20 to (i) the extent to which the school district's application would
21 recognize and reward such teachers in school buildings with the
22 greatest academic need, in difficult-to-staff subject or certif-
23 ication areas and grade levels, and at critical points in a teach-
24 er's career in order to encourage highly effective teachers to
25 remain in the classroom, and (ii) the quality of the school
26 district's application; and provided further that the commissioner
27 shall make available the application for such grants on or before
28 May fifteenth and the commissioner shall issue grant awards an
29 agreed-to schedule.

30 Provided further that, notwithstanding any provision of law to the
31 contrary, of the amount appropriated herein, a minimum of
32 \$23,500,000 per year shall be available in the 2015-16 through
33 ~~2017-18~~ 2018-19 school years for the payment of grant awards as
34 follows: \$15,000,000 for pre-kindergarten grants, \$2,500,000 for an

36 gy early college high school program grants, \$1,500,000 for a school
37 district teacher residency program, \$1,500,000 for a New York state
38 masters-in-education teacher incentive scholarship program, and
39 \$1,500,000 for QUALITYstarsNY; provided further that, notwithstand-
40 ing any provision of law to the contrary, such \$23,500,000, plus any
41 other amounts so designated in other items of appropriation within
42 the general fund local assistance account office of pre-kindergarten
43 through grade twelve education program, shall constitute the compet-
44 itive awards amount authorized for the 2015-16 school year.

45 Provided, further, that notwithstanding any provision of law to the
46 contrary, the \$15,000,000 appropriated herein available for grants
47 to full-day and half-day pre-kindergarten programs for three-year-
48 old and four-year-old children shall be awarded, based on a request
49 for proposals developed by the commissioner and approved by the
50 director of the budget, to school districts to establish new full-
51 day and half-day pre-kindergarten placements for three-year-olds and
52 four-year-olds; provided that such grants shall only be used to
53 supplement, not supplant existing pre-kindergarten programs; and
54 provided further, however, that any portion of such \$15,000,000 that
55 is not awarded shall remain available for subsequent awards in the
56 2015-16 school year or for full-day and half-day pre-kindergarten

1 grants to be awarded in subsequent school years. Provided, further,
2 that such grants from funds appropriated herein shall be awarded
3 based on factors including, but not limited to, the following: (i)
4 measures of school district need, (ii) measures of the need of
5 students to be served by each of the school districts, (iii) the
6 school district's proposal to target the highest need schools and
7 students, (iv) the extent to which the district's proposal would
8 prioritize funds to maximize the total number of eligible children
9 in the district served in pre-kindergarten programs, and (v)
10 proposal quality. Provided, however, that full-day and half-day
11 pre-kindergarten grants appropriated herein shall only be available
12 to support programs (i) that provide instruction for at least five
13 hours per school day for full-day pre-kindergarten programs and at
14 least two and one-half hours per school day for half-day pre-kindergarten
15 programs; (ii) that agree to offer instruction consistent
16 with the New York state pre-kindergarten foundation for the common
17 core standards; (iii) that ensure that, to the extent community-
18 based providers are part of such program, such providers meet the
19 requirements of paragraphs d-1 and d-2 of subdivision 12 of section
20 3602-e of the education law; and (iv) that otherwise comply with all
21 of the same rules and requirements as universal pre-kindergarten
22 programs pursuant to section 3602-e of the education law except as
23 modified herein; provided that notwithstanding paragraph c of subdivi-
24 sion 1 of section 3602-e of the education law notwithstanding, for
25 the purposes of this appropriation, an eligible child shall be a
26 resident child who is three years of age on or before December first
27 of the year in which he or she is enrolled. Provided, further, that
28 as a condition of eligibility for receipt of such funding for three-
29 year-olds, a school district must currently offer a pre-kindergarten
30 program for four-year-old children, or children who would otherwise
31 be eligible under paragraph c of subdivision 1 of section 3602-e of
32 the education law; provided, further, that a school district may
33 apply for only as many full-day or half-day placements for three-
34 year-old children as it currently offers for four-year-old children,
35 or children who would otherwise be eligible under paragraph c of
36 subdivision 1 of section 3602-e of the education law. Provided,
37 further, that a school district's grant for three-year-old and four-
38 year-old pre-kindergarten shall equal the product of (A) (i) two
39 multiplied by the approved number of new full-day pre-kindergarten
40 placements plus (ii) the approved number of new half-day pre-kindergarten
41 placements, and (B) the district's selected aid per pre-kindergarten
42 pupil pursuant to subparagraph i of paragraph b of subdivision 10 of section 3602-e of the education law; provided, however,
43 that no district shall receive a grant in excess of the total actual
44 grant expenditures incurred by the district in the current school
45 year as approved by the commissioner. Provided, further, that as a
46 condition of eligibility for receipt of such funding, a school
47 district shall agree to adopt approved quality indicators within two
48 years, including, but not limited to, valid and reliable measures of
49 environmental quality, the quality of teacher-student interactions
50 and child outcomes, and ensure that any such assessment of child
51 outcomes shall not be used to make high-stakes educational decisions
52 for individual children. Provided, further, that no school district
53 shall receive more than forty percent of the total pre-kindergarten
54 for three-year-old and four-year-old children grant allocation.
55

1 Provided, further, that notwithstanding any provision of law to the
2 contrary, the \$2,500,000 appropriated herein available for an
3 expanded master teachers program shall support the award of stipends
4 of \$15,000 per annum over four years to individual high-performing
5 teachers, and of related costs, administered by the state university
6 of New York pursuant to a plan developed in consultation with the
7 commissioner, who shall consult with appropriate state organizations
8 representing K-12 public school teachers and approved by the direc-
9 tor of the budget, to build a corps of outstanding teachers in order
10 to improve the quality of instruction at public secondary schools.
11 Such plan for use of funding appropriated herein shall: (i) allocate
12 at least 80 percent of such stipends to high performing teachers in
13 math, science, and related fields and up to 20 percent of such
14 stipends to high performing teachers with an extension to their
15 content area certificate in bilingual education or who hold certif-
16 ication in English as a Second Language and high-performing teachers
17 with dual certification in a content area and special education;
18 (ii) establish an application process; (iii) guidelines by which
19 applications from eligible teachers shall be evaluated, which shall
20 include, but not be limited to, achievement of a rating of highly
21 effective on the annual professional performance review; and (iv)
22 provide periodic opportunities for professional development for
23 successful applicants. Provided, further, that priority shall be
24 given to applicants in regions of the state where a similar program
25 is not otherwise offered. Notwithstanding any provision of law to
26 the contrary, upon approval of the director of the budget, such
27 \$2,500,000 of master teachers program funding may be sub-allocated,
28 interchanged, transferred or otherwise made available to the state
29 university of New York for the ~~services and expenses~~ services and
