IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD12554-03-7

1 c) The several amounts specified in this chapter as capital projects -
2 reappropriations, or so much thereof as shall be sufficient to accom-
3 plish the purpose of the appropriations, as appropriated by comprehen-
4 sive construction programs (hereinafter referred to by the abbreviation
5 CCP), purposes, and projects, being the undisbursed and/or unexpended
6 balances of the prior year's appropriations, are reappropriated and
7 unless otherwise amended or repealed in part or total in this chapter
8 shall continue to be available for the same purposes as the prior appro-
9 priations or as otherwise amended for the fiscal year beginning April 1,
10 2017.

11 The capital projects reappropriations contained in this chapter may be
12 amended by repealing the items set forth in brackets and by adding ther-
13 eto the underscored material. Certain reappropriations in this chapter
14 are shown using abbreviated text, with three leader dots (an ellipsis)
15 followed by three spaces (...) used to indicate where existing law
16 that is being continued is not shown. However, unless a change is clear-
17 ly indicated by the use of brackets [-] for deletions and underscores
18 for additions, the purpose, amounts, funding source and all other
19 aspects pertinent to each item of appropriation shall be as last appro-
20 priated.

21 For the purpose of complying with section 25 of the state finance law,
22 the year, chapter and section of the last act reappropriating a former
23 original appropriation or any part thereof is, unless otherwise indi-
24 cated, chapter 55, section 1, of the laws of 2016 and, for the city
25 university of New York and state university of New York, chapter 53,
26 section 3, of the laws of 2016.

27 d) No moneys appropriated by this chapter shall be available for
28 payment until a certificate of approval has been issued by the director
29 of the budget, who shall file such certificate with the department of
30 audit and control, the chairperson of the senate finance committee and
31 the chairperson of the assembly ways and means committee.

32 e) The appropriations contained in this chapter shall be available for
33 the fiscal year beginning on April 1, 2017 except as otherwise noted.

science research center at city college,
which means a prehire collective bargain-
ing agreement between the agency and a
labor organization establishing the labor
organization as the collective bargaining
representative for all persons who will
perform work pursuant to all contracts for
the construction, reconstruction, rehabil-
itation or improvement of facilities, and
which provides that only contractors and
subcontractors who sign a prenegotiated
agreement with the labor organization can
perform project work, when the record
supporting the decision to enter into such
an agreement establishes that it is justi-
fied by the interests underlying the

DEPARTMENT OF ENVIRONMENTAL CONSERVATION

CAPITAL PROJECTS - REAPPROPRIATIONS 2017-18

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan consistent with paragraph (b) of subdivision 1 of section 56-0303 of the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650357) ... 8,168,000 (re. \$544,000)

By chapter 54, section 1, of the laws of 2002:

For water resources purposes, shall be available for the state share of the costs of water quality improvement projects, as defined in section 56-0101 of the environmental conservation law, to implement the Long Island Sound Comprehensive Conservation Management Plan consistent with paragraph (b) of subdivision 1 of section 56-0303 of the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650257) ... 4,900,000 (re. \$668,000)

By chapter 54, section 1, of the laws of 1990, as amended by chapter 54, section 1, of the laws of 2002:

For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1990, in accordance with the provisions of title 3 of article 51 of the environmental conservation law as amended, to provide state matching funds for projects scheduled to receive construction grants from federal fiscal years 1989 and 1990 funds, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities.

Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall have all disbursements reimbursed from the Pure Waters Bond Act proceeds authorizations and are contingent upon the partial repeal of existing capital projects fund authorizations elsewhere in this chapter. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (09019057) ... 4,609,600 (re. \$1,466,000)

CAPITAL PROJECTS - REAPPROPRIATIONS 2017-18

1 section 163 of the state finance law or any other provision of law
2 to the contrary, this appropriation may be used to fund payments and
3 or grants made by the commissioner of health in his or her sole
4 discretion, without a competitive bid or request for proposal
5 process, to eligible applicants as determined by the commissioner of
6 health for purposes in support of essential health care services.
7 Such purposes may include renovating or replacing inefficient or
8 outdated facilities as part of a merger, consolidation, acquisition
9 or other significant corporate restructuring activity that is part
10 of an overall transformation plan intended to create a financially
11 sustainable system of care that promotes a patient-centered model of
12 health care delivery aimed at improving the overall health and well-
13 being of a community. Eligible applicants shall be those deemed by
14 the commissioner to be a provider that fulfills or will fulfill a
15 health care need for acute inpatient, outpatient, primary, home care
16 or residential health care services in a community. The commissioner
17 and the president of the dormitory authority of the state of New
18 York shall enter into an agreement, subject to the approval of the
19 director of the budget, and subject to section 1680-r of the public
20 authorities law, for the purposes of awarding, distributing, and
21 administering the funds made available pursuant to this appropri-
22 ation. In determining awards for eligible applicants under this
23 appropriation, the commissioner of health and the president of the
24 authority shall consider criteria including, but not limited to:

- 25 (a) the extent to which the proposed capital project will contribute
26 to the integration of health care services and long term sustain-
27 ability of the applicant or preservation of essential health
28 services in the community or communities served by the applicant;
- 29 (b) the extent to which the proposed project or purpose is aligned
30 with delivery system reform incentive payment ("DSRIP") program
31 goals and objectives;
- 32 (c) consideration of geographic distribution of funds;
- 33 (d) the relationship between the proposed capital project and identi-
34 fied community need;
- 35 (e) the extent to which the applicant has access to alternative
36 financing;
- 37 (f) the extent that the proposed capital project furthers the develop-
38 ment of primary care and other outpatient services;
- 39 (g) the extent to which the proposed capital project benefits medicaid
40 enrollees and uninsured individuals;
- 41 (h) the extent to which the applicant has engaged the community
42 affected by the proposed capital project and the manner in which
43 community engagement has shaped such capital project; and
- 44 (i) the extent to which the proposed capital project addresses poten-
45 tial risk to patient safety and welfare.

46 Disbursement of awards made pursuant to this appropriation shall be
47 conditioned on the awardee achieving certain process and performance

4 By chapter 55, section 1, of the laws of 2016:

5 For state aid to municipal corporations for the preparation of
6 designs, plans, specifications and estimates, for the acquisition,
7 construction, reconstruction, and improvement of mass transportation
8 capital projects including the acquisition of real property, for
9 other mass transportation projects including local transportation
10 planning studies. Notwithstanding any inconsistent provisions of
11 law, the state share of such projects shall be 50 percent of the
12 non-federal share, but in no event shall the state share exceed 10
13 percent of project costs.

14 Notwithstanding any other provision of law, the commissioner of trans-
15 portation shall make available directly to the City of New York
16 (City) an amount commensurate with the state share of (i) federal
17 funds previously awarded to the City and reallocated to the metro-
18 politan transportation authority (MTA), and (ii) the federally
19 authorized level of financial assistance transferred by resolution
20 of the metropolitan planning organization (MPO) to the metropolitan
21 transportation authority (MTA) and credited to the City by the MTA
22 for capital expenses.

23 The state share of such reimbursement shall be 50 percent of the
24 nonfederal share of the federally authorized level of financial
25 assistance transferred to the MTA, but in no event shall the state
26 share exceed 10 percent of project costs. Prior to requesting
27 reimbursement for projects progressed by the MTA on behalf of the
28 City, the City shall certify to the commissioner of transportation
29 that each eligible project progressed under this provision is feder-
30 ally eligible and that the match amount requested does not exceed
31 the state share of the federally authorized level of financial
32 assistance. In addition, the City must provide an application to the
33 commissioner of transportation certifying that the work to be funded
34 under the project has been performed and that the City has reim-
35 bursed the MTA for 100 percent of the match amount for the project.
36 Upon such application, the commissioner of transportation shall
37 review and approve eligible activities for reimbursement.

38 Prior to requesting approval of a certificate of approval of avail-
39 ability for the moneys hereby appropriated, the commissioner of
40 transportation shall certify that each omnibus project progressed
41 under the program has received federal approval.

42 Such certificate shall report the federally authorized level of finan-

1 City, the City shall certify to the commissioner of transportation
2 that each eligible project progressed under this provision is feder-
3 ally eligible and that the match amount requested does not exceed
4 the state share of the federally authorized level of financial
5 assistance. In addition, the City must provide an application to
6 the commissioner of transportation certifying that the work to be
7 funded under the project has been performed and that the City has
8 reimbursed the MTA for 100 percent of the match amount for the
9 project. Upon such application, the commissioner of transportation
10 shall review and approve eligible activities for reimbursement.

11 Prior to requesting approval of a certificate of approval of avail-
12 ability for the moneys hereby appropriated, the commissioner of
13 transportation shall certify that each omnibus project progressed
14 under the program has received federal approval. Such certificate
15 shall report the federally authorized level of financial assistance
16 (17OM0829) ... 20,000,000 (re. \$2,738,000)

17 By chapter 55, section 1, of the laws of 2007, as amended by chapter 55,
18 section 1, of the laws of 2016:

19 For state aid to municipal corporations for the preparation of
20 designs, plans, specifications and estimates, for the acquisition,
21 construction, reconstruction, and improvement of mass transportation
22 capital projects including the acquisition of real property, for
23 other mass transportation projects including local transportation
24 planning studies. Notwithstanding any inconsistent provisions of
25 law, the state share of such projects shall be 50 percent of the
26 nonfederal share, but in no event shall the state share exceed 10
27 percent of project costs.

28 Notwithstanding any other provision of law, the commissioner of trans-
29 portation shall make available directly to the City of New York
30 (City) an amount commensurate with the state share of (i) federal
31 funds previously awarded to the City and reallocated to the metro-
32 politan transportation authority (MTA), and (ii) the federally
33 authorized level of financial assistance transferred by resolution
34 of the metropolitan planning organization (MPO) to the metropolitan
35 transportation authority (MTA) and credited to the City by the MTA
36 for capital expenses.

37 The state share of such reimbursement shall be 50 percent of the
38 nonfederal share of the federally authorized level of financial
39 assistance transferred to the MTA, but in no event shall the state
40 share exceed 10 percent of project costs. Prior to requesting
41 reimbursement for projects progressed by the MTA on behalf of the
42 City, the City shall certify to the commissioner of transportation
43 that each eligible project progressed under this provision is feder-
44 ally eligible and that the match amount requested does not exceed
45 the state share of the federally authorized level of financial
46 assistance. In addition, the City must provide an application to the
47 commissioner of transportation certifying that the work to be funded
48 under the project has been performed and that the City has reim-
49 bursed the MTA for 100 percent of the match amount for the project.
50 Upon such application, the commissioner of transportation shall
51 review and approve eligible activities for reimbursement.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial access portion of such project's cost is greater than \$2,000,000 (17060379) ... 9,000,000 (re. \$3,140,000)

The appropriation made by chapter 55, section 1, of the laws of 2002, is hereby amended and reappropriated to read:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2002. For the payment of reimbursements to the engineering services fund for the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed \$1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the

12 pursuant to section 16 of chapter 329 of the laws of 1991 shall be
13 deemed to be \$19,460,000. The amount distributed pursuant to section
14 16-a of chapter 329 of the laws of 1991 shall be deemed to be
15 \$39,337,000. Notwithstanding the provisions of any general or
16 special law, the amounts deemed distributed in accordance with
17 section 16 of chapter 329 of the laws of 1991 shall be adjusted so
18 that such amounts will not be less than 13.421 percent of the "fund-
19 ing level" as defined in subdivision 5 of section 10-c of the high-
20 way law for each such municipality. In order to achieve the objec-
21 tives of section 16 of chapter 329 of the laws of 1991, to the
22 extent necessary, the amounts in excess of 13.421 percent of the
23 funding level to be deemed distributed to each municipality under
24 this paragraph shall be reduced in equal proportion. To the extent
25 that the total of remaining payment allocations calculated herein
26 varies from \$58,797,000, the payment amounts to each locality shall
27 be adjusted by a uniform percentage so that the total payments equal
28 \$58,797,000.

29 Payments shall be made on the fifteenth day of June, September, Decem-
30 ber and March (17CH1421) ... 438,097,000 (re. \$8,605,000)

31 For capital grants to municipalities pursuant to annual program
32 authorizations enacted and effective prior to April 1, 2014, in
33 relation to the suburban highway improvement program in sections
34 10-f and 10-g of the highway law. Notwithstanding any contrary
35 provision of law contained in such annual program authorization,
36 payments pursuant to this appropriation shall be made from the state
37 capital projects fund (17SH1421) ... 1,700,000 (re. \$1,700,000)

38 For capital grants to municipalities for extreme winter recovery:

39 The sum of \$40,000,000 to municipalities for reimbursement of eligible
40 costs of local highway and bridge projects pursuant to section 16-a
41 of chapter 329 of the laws of 1991, as added by section 9 of chapter
42 330 of the laws of 1991, as amended. For the purposes of computing
43 allocations to municipalities, the amount distributed pursuant to
44 section 16-a of chapter 329 of the laws of 1991 shall be deemed to
45 be \$40,000,000. To the extent that the total of payment allocations
46 calculated herein varies from \$40,000,000, the payment amounts to
47 each locality shall be adjusted by a uniform percentage so that the
48 total payments equal \$40,000,000.

49 Payments shall be made on the fifteenth day of June, September, Decem-
50 ber and March (17EW1421) ... 40,000,000 (re. \$960,000)

CAPITAL PROJECTS - REAPPROPRIATIONS 2017-18

1 The appropriation made by chapter 54, section 1, of the laws of 2014, as
2 amended by chapter 54, section 1, of the laws of 2015, is hereby
3 amended and reappropriated to read:

4 For capital grants to municipalities pursuant to annual program
5 authorizations enacted and effective prior to April 1, 2014 under
6 the municipal streets and highways program for repayment of eligible
7 costs of federal aid municipal street and highway projects pursuant
8 to section 15 of chapter 329 of the laws of 1991, as added by
9 section 9 of chapter 330 of the laws of 1991, as amended. The
10 department of transportation shall provide such information to the
11 municipalities as may be necessary to maintain the federal tax
12 exempt status of any bonds, notes, or other obligations issued by
13 such municipalities to provide for the non-federal share of the cost
14 of projects pursuant to chapter 330 of the laws of 1991 or section
15 80-b of the highway law (17MR1421)
16 217,097,000 (re. \$125,525,000)

17 For capital grants to municipalities pursuant to annual program
18 authorizations enacted and effective prior to April 1, 2014, in
19 relation to the consolidated local street and highway improvement
20 program in section 10-c of the highway law and sections 16 and 16-a
21 of chapter 329 of the laws of 1991. Notwithstanding any contrary
22 provision of law contained in such annual program authorization,
23 payments pursuant to this appropriation shall be made from the state
24 capital projects fund.

25 Payments shall be made on the fifteenth day of June, September, Decem-
26 ber and March (17CR1421) ... 110,803,000 (re. \$4,243,000)

27 For capital grants to municipalities pursuant to annual program
28 authorizations enacted and effective prior to April 1, 2014, in
29 relation to the multi-modal program in section 14-k of the transpor-
30 tation law. Notwithstanding any contrary provision of law contained
31 in such annual program authorization, payments pursuant to this
32 appropriation shall be made from the state capital projects fund.

33 Provided however that notwithstanding anything to the contrary found
34 within any provision of law, any resolution of the legislature, or
35 any memorandum of understanding or other agreement: (A) no contract
36 or grant agreement requested by, or funding for a contract or agree-
37 ment necessitated by a request for funding by, a member of the
38 legislature (which for purposes of this reappropriation shall mean a
39 member of the legislature that submits, either verbally or in writ-
40 ing, a request for a contract, grant agreement, or funding for a
41 contract or agreement, to either (i) the speaker of the assembly,
42 (ii) the chair of the assembly ways and means committee, (iii) the
43 temporary president and majority leader of the senate, (iv) the
44 chair of the senate finance committee, (v) any state agency, and/or
45 (vi) any other government official, and who shall be hereinafter
46 referred to as a "legislative sponsor") shall be executed by any
47 state agency on or after April 1, 2017 through March 31, 2018 that
48 is funded by this reappropriation unless all of the following condi-
49 tions are satisfied: (1) each legislative sponsor of such contract,
50 grant agreement, or funding request necessitating a contract or
51 grant agreement submits a written declaration to the director of the
52 division of the budget that (a) the requested contract, grant agree-

expended pursuant to the terms of the contract or grant agreement
are intended to be used and will be used solely and directly for the
lawful purpose or purposes specified in the contract, grant agree-
ment, or funding request and (b) the legislative sponsor has (i) no
financial interest, direct or indirect, in connection with the
requested contract or grant agreement, or funding request, (ii) not
received and will not receive any financial benefit, either directly
or indirectly from the contractor or grantee that is a party to the
requested contract or grant agreement or contract or grant agreement
neecessitated by the legislative sponsor's funding request, and (iii)
no known conflict of interest as set forth in section 74 of the
public officers law in connection with the requested contract or
grant agreement, or funding request, and (2) the respective house of
the legislature has, for each requested contract or grant agreement,
or funding request necessitating a contract or grant agreement,
posted on its public facing website for a period of at least 30 days
commencing from the date of such request: (a) the legal name of the
proposed contract or grant recipient, including the legislative
district in which such recipient resides and a description of the
project(s) such contract or grant will be used for; (b) the names of
all legislative sponsors, including each sponsor's district; (c) the
amount of funding requested; and (d) the proposed administering
state agency; and (B) expenditures shall only be made from this
reappropriation to pay for obligations incurred under an executed
contract or grant agreement meeting the requirements set forth in
clause (A) above if the respective house of the legislature has, for
such executed contract or grant agreement, continuously posted on
its public facing website the information required in item (2) of

10 The appropriation made by chapter 55, section 1, of the laws of 2005, as
 11 added by chapter 162, section 4, of the laws of 2005, is hereby
 12 amended and reappropriated to read:

13 The sum of \$75,000,000 is hereby appropriated to the New York State
 14 economic development program (CCP) out of any moneys in the state
 15 treasury in the general fund to the credit of the capital projects
 16 fund, not otherwise appropriated, and made immediately available,
 17 for the purpose of economic development projects outside cities with
 18 a population of one million or more pursuant to a memorandum of
 19 understanding to be executed by the governor, the temporary presi-
 20 dent of the senate and the speaker of the assembly.

21 Provided however that notwithstanding anything to the contrary found
 22 within any provision of law, any resolution of the legislature, or

19 50,000,000 (re. \$50,000,000)

20 By chapter 54, section 1, of the laws of 2015:

21 The sum of \$50,000,000 is hereby appropriated for payments and grants
22 to eligible nonprofit human services organizations for the nonprofit
23 infrastructure capital investment program. Such program shall
24 provide for targeted investment for capital projects in such eligi-
25 ble nonprofit human services organizations to improve the quality,
26 efficiency, and accessibility of nonprofit human services organiza-
27 tions that serve New Yorkers. Provided that such investments
28 include, but are not limited to: technology upgrades related to
29 improving electronic records, data analysis, or confidentiality;
30 renovations or expansions of space used for direct program services;
31 modifications to provide for sustainable, energy efficient spaces
32 that would result in overall energy and cost savings; and accessi-
33 bility renovations. Provided further that such eligible nonprofit
34 human services organizations are those which provide direct services
35 to New Yorkers through state contracts, state authorized payments,
36 and/or state payment rates. Funding from this appropriation shall be
37 made available through a competitive process that shall include
38 representatives from multiple state agencies to be determined by the
39 director of the budget and the guidelines for the program and
40 competitive process and such process shall also ensure that such
41 funding is made available for uses throughout the state, and shall
42 be subject to the approval of the director of the budget. Provided
43 further that such proposals submitted by eligible nonprofit human
44 services organizations shall include, at a minimum, the following:
45 the amount of funds requested in relation to the size and scope of
46 the proposed project and the number of clients who will benefit; a
47 detailed description of the project, including projected costs
48 including the sources and uses of funds, project completion time-
49 line, and funds necessary at each stage of project completion; the

palities where a state-funded antipoverty task force or initiative already exists and is receiving or has received funding, each such taskforce shall make efforts to be comprised of, but not limited to, the following members: representatives from municipal, county, and/or state government; individuals who have lived in or currently live in households in poverty; individuals and advocates representing local not-for-profit and community organizations; representatives from local school districts; and representatives from local social services districts. Of the funds appropriated herein, the amount available for each local anti-poverty task force shall be determined based on the number of people in each municipality, or a borough, who are living in poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate provided that each local anti-poverty task force shall be eligible to receive funding in the following amounts: municipalities with fewer than 5,000 individuals in poverty shall each be eligible to receive \$500,000; municipalities with between 5,000 and 10,000 individuals in poverty shall each be eligible to receive \$1,000,000; municipalities with between 10,000 and 40,000 individuals in poverty shall each be eligible to receive \$1,500,000; and municipalities, or a borough, with more than 40,000 individuals in poverty shall each be eligible to receive \$2,750,000. Funds appropriated herein shall be available to support the work of each anti-poverty task force and such work shall be divided into two phases. During the first phase, the mayor of the municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that has demonstrated successful performance working with community stakeholders and achieving objectives specified herein, to coordinate the local antipoverty task force. The not-for-profit organization serving as coordinator will assemble the antipoverty task force using the criteria outlined above. Provided further that, with guidance and oversight of the commissioner of the office of temporary and disability assistance, each local anti-poverty task force shall use data to identify high need issues and neighborhoods within the municipality, or in the case of the Bronx, the borough; identify problems that are common in neighborhoods throughout the municipality, or in the case of the Bronx, the borough; receive input from local residents; use data and resident input to select one or more focus areas related to either one or more issues or one or more neighborhoods; and develop a plan for how funding will be targeted toward the identified issues or neighborhoods. Such focus areas may include, but are not limited to childhood poverty and homelessness. Activities included in such plan may include, but are not limited to: providing public assistance recipients opportunities to participate in enhanced work activities that either provide recognized credentialing or enhanced career readiness or job training for better linkage to potential employment; assisting families in poverty through services provided to parents and children; and addressing chronic homelessness or housing insecurity. Such plan must include measurable objectives and a timeframe for completion and shall be

submitted for approval to the commissioner of the office of temporary and disability assistance. Of the total amount made available to each anti-poverty task force, the lesser of \$300,000 or 20 percent of the total award may be used to carry out planning and administration, provided however, that the amount used for planning and administration may exceed such limitation if such amount is approved by the commissioner of the office of temporary and disability assistance as part of the plan required herein. Upon receiving approval from the commissioner of the office of temporary and disability assistance, each such anti-poverty task force shall commence the second phase of its work, which will support the implementation of the plan developed during the first phase. Funding appropriated herein shall be made available to the not-for-profit organization serving as coordinator and its use shall be restricted to purposes or initiatives that do not necessitate ongoing state financial support. Such anti-poverty task forces shall be encouraged to secure match funding from private sector and foundation sources to supplement the funds appropriated herein and provided further that any funding provided from this appropriation shall not be used to supplant funding for programs already in existence. Such funds may be made available pursuant to a plan approved by the director of the budget (931A16SP) ... 25,000,000 (re. \$25,000,000)

Notwithstanding any inconsistent provision of law, in support of a comprehensive statewide multi-year housing program [~~in accordance with a plan approved in a memorandum of understanding executed by the director of the budget, the speaker of the assembly, and the temporary president of the senate~~] to prevent and address homelessness across the State, funds appropriated herein may be used in conjunction with other resources made available as part of the state fiscal year 2016-17 local assistance, capital and state operations budget to support various programs to support homeless individuals and youth or individuals and youth at risk of becoming homeless, including but not limited to, a statewide multiagency supportive housing program to provide housing and support services for vulnerable New Yorkers including but not limited to seniors, veterans, victims of domestic violence, formerly incarcerated individuals, individuals diagnosed with HIV/AIDS and homeless individuals with copresenting health conditions, eligible services to runaway and homeless youth, and for services to meet the emergency needs of homeless individuals and families (931116SP) 50,000,000 (re. \$50,000,000)

5 The appropriation made by chapter 55, section 1, of the laws of 2000, as
6 amended by chapter 54, section 1, of the laws of 2011, is hereby
7 amended and reappropriated to read:

8 The sum of \$215,650,000 is hereby appropriated for environmental
9 projects, including the preservation of historically significant
10 places in New York state, and projects to conserve, acquire, develop
11 or improve parklands, parks or public recreation areas; economic
12 development projects which will facilitate the creation or retention
13 of jobs or increase business activity within a municipality or
14 region of the state; higher education projects; projects to estab-
15 lish new or rehabilitate existing business incubator facilities to
16 accommodate emerging or small high technology companies; arts or
17 cultural projects, provided that the allocation made available to
18 the Governor as authorized by paragraph one of the memorandum of
19 understanding governing administration of the strategic investment
20 program, shall be reduced by \$9,350,000 to \$65,650,000.

21 Provided however that notwithstanding anything to the contrary found
22 within any provision of law, any resolution of the legislature, or
23 any memorandum of understanding or other agreement: (A) no contract
24 or grant agreement requested by, or funding for a contract or agree-
25 ment necessitated by a request for funding by, a member of the
