33 the total amount paid pursuant to such appropriation or appropriations
34 shall be deposited to such metropolitan transportation authority dedi-

36 section twelve hundred seventy-c of the public authorities law. Nothing
37 contained in this subdivision shall be deemed to restrict the right of
38 the state to amend, repeal, modify or otherwise alter statutes imposing
39 or relating to the taxes producing revenues for deposit in the metropol-
40 itan mass transportation operating assistance account or the appropri-
41 ations relating thereto. The metropolitan transportation authority shall

47 however that no payment shall be made to any public transportation
48 system that is operating in violation of an order by the public trans-

51 public transportation system has fully complied with said order or
52 unless the order is otherwise lifted.

15 appropriated statewide, other than bond funds, for transportation capi-
16 tal purposes from other sources shall not be reduced because of the
17 availability of such moneys made available pursuant to this chapter, nor
18 shall such moneys be used to match federal aid. Prior to the allocation
19 of state advance funds appropriated pursuant to this section, the muni-

21 of transportation that the amount of funds appropriated for transporta-

23 of the availability of such state advance funds, and that such moneys
24 shall not be used to match federal aid. Provided, however that no

39 Provided, however that no payment shall be made to any public transpor-
40 tation system that is operating in violation of an order by the public
41 transportation safety board pursuant to subdivision nine of section two

25 (b) while the TNC driver is engaged in a TNC prearranged trip.

26 2. (a) The following automobile financial responsibility insurance
27 requirements shall apply while a TNC driver is logged onto the TNC's
28 digital network and is available to receive transportation requests but
29 is not engaged in a TNC prearranged trip: insurance against loss from
30 the liability imposed by law for damages, including damages for care and
31 loss of services, because of bodily injury to or death of any person,
32 and injury to or destruction of property arising out of the ownership,
33 maintenance, use or operation of a personal vehicle or vehicles within
34 this state, exclusive of interest and costs, with respect to each such
35 occurrence, of at least fifty thousand dollars because of bodily injury
36 to or death of one person in any one accident and, subject to said limit
37 for one person, to a limit of at least one hundred thousand dollars
38 because of bodily injury to or death of two or more persons in any one
39 accident, and to a limit of at least twenty-five thousand dollars
40 because of injury to or destruction of property of others in any one
41 accident provided, however, that such policy need not be for a period
42 coterminous with the registration period of the personal vehicle
43 insured, and coverage in satisfaction of the financial responsibility
44 requirements set forth in section three thousand four hundred twenty of
45 the insurance law, article fifty-one of the insurance law, and such
46 other requirements or regulations that may apply for the purposes of
47 satisfying the financial responsibility requirements with respect to the
48 use or operation of a motor vehicle.

49 (b) The coverage requirements of paragraph (a) of this subdivision may
50 be satisfied by any of the following:

51 (i) insurance maintained by the TNC driver; or

52 (ii) insurance provided through a group policy maintained by the TNC;
53 or

54 (iii) a combination of subparagraphs (i) and (ii) of this paragraph.

55 3. (a) The following automobile financial responsibility insurance
56 requirements shall apply while a TNC driver is engaged in a TNC prear-

1 ranged trip: insurance against loss from the liability imposed by law
2 for damages, including damages for care and loss of services, because of
3 bodily injury to or death of any person, and injury to or destruction of
4 property arising out of the ownership, maintenance, use, or operation of
5 a personal vehicle or vehicles within this state, subject to a limit,
6 exclusive of interest and costs, with respect to each such occurrence,
7 of at least one million dollars because of bodily injuries, death and
8 property damage, provided, however, that such policy need not be for a
9 period coterminous with the registration period of the personal vehicle
10 insured, and coverage in satisfaction of the financial responsibility
11 requirements set forth in section three thousand four hundred twenty of
12 the insurance law, article fifty-one of the insurance law, and such
13 other requirements or regulations that may apply for the purposes of
14 satisfying the financial responsibility requirements with respect to the
15 use or operation of a motor vehicle.

16 (b) The coverage requirements of paragraph (a) of this subdivision may
17 be satisfied by any of the following:

18 (i) insurance maintained by the TNC driver; or

19 (ii) insurance provided through a group policy maintained by the TNC;
20 or

21 (iii) a combination of subparagraphs (i) and (ii) of this paragraph.

22 4. A TNC shall, upon entering into a contractual agreement with a TNC
23 driver, provide notice to the TNC driver that he or she may need addi-
24 tional insurance coverage including motor vehicle physical damage cover-
25 age as described in paragraph nineteen of subsection (a) of section one
26 thousand one hundred thirteen of the insurance law if the TNC vehicle
27 being used by the TNC driver is subject to a lease or loan. A TNC shall
28 also post this notice on its website.

29 5. If insurance maintained by a TNC driver pursuant to subdivisions
30 two and three of this section has lapsed or does not provide the
31 required coverage, then the group policy maintained by a TNC shall
32 provide the coverage required by this section beginning with the first
33 dollar of a claim and have the duty to defend such claim.

34 6. Coverage under a group policy maintained by the TNC shall not be
35 dependent on the denial of a claim by the insurer that issued the insur-
36 ance policy used to register the TNC vehicle, nor shall that insurer be
37 required to first deny a claim.

38 7. (a) Except as provided in subdivision two of this section, a group
39 policy maintained by a TNC pursuant to subparagraph (ii) of paragraph
40 (b) of subdivisions two or three of this section shall be placed with an
41 insurer authorized to write insurance in this state.

42 (b) If a TNC is unable to purchase a group policy pursuant to subpara-
43 graph (ii) of paragraph (b) of subdivisions two or three of this section
44 because such insurance is unavailable from authorized insurers the TNC
45 may acquire such group insurance with an excess line broker pursuant to
46 section two thousand one hundred eighteen of the insurance law.

47 (c) The obligation to determine whether the insurance required by this
48 section is unavailable from insurers authorized to write insurance in
49 this state shall be made prior to the initial placement and each renewal
50 of a policy.

51 8. Insurance satisfying the requirements of this section may be used,
52 when the TNC vehicle is being used or operated during the period speci-
53 fied in subdivision one of this section, to satisfy the financial
54 responsibility requirements set forth in subdivision four of section
55 three hundred eleven of this chapter, and any other requirements or
56 regulations that may apply for the purposes of satisfying the financial

1 responsibility requirements with respect to the use or operation of a
2 motor vehicle.

3 9. A TNC driver shall carry proof of coverage satisfying subdivisions
4 two and three of this section with him or her at all times during his or
5 her use or operation of a TNC vehicle in connection with a TNC's digital
6 network. Such proof of coverage shall be in such form as the commission-
7 er shall prescribe, which may be in the form of an insurance identifica-
8 tion card as defined in section three hundred eleven of this chapter.
9 Any insurance identification card issued pursuant to the provisions of
10 this article shall be in addition to the insurance identification card
11 required pursuant to article six of this chapter, and nothing contained
12 in this article shall be deemed to supersede the requirements of such
13 article six. Whenever the production of an insurance identification card
14 is required by law, a TNC driver shall (a) produce the insurance iden-
15 tification card issued pursuant to article six of this chapter and, (b)
16 if such driver either (i) was logged onto the TNC's digital network or
17 (ii) was engaged in a TNC prearranged trip and the activity under this
18 subdivision is being covered primarily by insurance purchased by a TNC
19 such driver shall also produce the insurance identification card
20 required pursuant to this article.

21 10. The superintendent of financial services is authorized to issue
22 such rules and regulations necessary to implement this section.

23 11. Nothing in this section shall impose financial responsibility
24 requirements upon any entities operating as vehicles for hire in a city
25 with a population of one million or more.

26 12. A group policy placed by an excess line broker under paragraph
27 (b) of subdivision seven of this section shall not include a mandatory
28 arbitration clause in a policy issued pursuant to this section. Nothing
29 in this section supercedes the mandatory arbitration requirements
30 contained in section five thousand one hundred five of the insurance
31 law.

32 § 1694. Disclosures. A TNC shall disclose in writing to TNC drivers
33 the following before they are allowed to accept a request for a TNC
34 prearranged trip on the TNC's digital network:

35 1. The insurance coverage, including the types of coverage and the
36 limits for each coverage, that the TNC provides while the TNC driver
37 uses a TNC vehicle in connection with a TNC's digital network;

38 2. That the TNC driver's own automobile insurance policy might not
39 provide any coverage while the TNC driver is logged on to the TNC's
40 digital network and is available to receive transportation requests or
41 is engaged in a TNC prearranged trip, depending on its terms; and

42 3. That, if a TNC vehicle has a lien against it, then the continued
43 use of such TNC vehicle by its TNC driver without physical damage cover-
44 age may violate the terms of the contract with the lienholder.

45 § 1695. Insurance provisions. 1. Insurers that write motor vehicle
46 insurance in this state may, in the insurance policy, exclude any and
47 all coverage afforded under the policy issued to an owner or operator of
48 a TNC vehicle for any loss or injury that occurs while a TNC driver is
49 logged on to a TNC's digital network or while a driver provides a prear-
50 ranged trip, including:

51 (a) liability coverage for bodily injury and property damage;

52 (b) coverage provided pursuant to article fifty-one of the insurance
53 law;

54 (c) uninsured and underinsured motorist coverage; and

1 (d) motor vehicle physical damage coverage as described in paragraph
2 nineteen of subsection (a) of section one thousand one hundred thirteen
3 of the insurance law.

4 2. Such exclusions shall apply notwithstanding any requirement under
5 the law to the contrary. Nothing in this section implies or requires
6 that an owner's policy of liability insurance or other motor vehicle
7 insurance policy provide coverage while the TNC driver is logged on to
8 the TNC's digital network, while the TNC driver is engaged in a TNC
9 prearranged trip or while the TNC driver otherwise uses or operates a
10 TNC vehicle to transport passengers for compensation.

11 3. Nothing shall be deemed to preclude an insurer from providing
12 primary, excess, or umbrella coverage for the TNC driver's TNC vehicle,
13 if it chose to do so by contract or endorsement.

14 4. Motor vehicle insurers that exclude the coverage described in this
15 article shall have no duty to defend or indemnify any claim expressly
16 excluded thereunder. Nothing in this article shall be deemed to invali-
17 date or limit an exclusion contained in a policy including any policy in
18 use or approved for use in this state prior to the effective date of
19 this section.

20 5. A motor vehicle insurer that defends or indemnifies a claim against
21 a TNC driver that is excluded under the terms of its policy shall have a
22 right of contribution against other insurers that provide motor vehicle
23 insurance to the same driver in satisfaction of the coverage require-
24 ments of the provisions of the chapter of the laws of two thousand
25 seventeen which added this article at the time of loss.

26 6. In a claims coverage investigation, a TNC and any insurer poten-
27 tially providing coverage under this article shall, within fifteen days
28 after a claim has been filed, facilitate the exchange of relevant infor-
29 mation with directly involved parties and any insurer of the TNC driver
30 if applicable, including the precise times that a TNC driver logged on
31 and off of the TNC's digital network in the twelve hour period imme-
32 diately preceding and in the twelve hour period immediately following
33 the accident and disclose to one another a clear description of the
34 coverage, exclusions and limits provided under any motor vehicle insur-
35 ance maintained under this article.

36 7. (a) The commissioner shall promulgate regulations for the provision
37 of relevant insurance coverage information required by this article to
38 the following persons upon request:

39 (i) a person to whom an accident report pertains or who is named in
40 such report, or his or her authorized representative; and

41 (ii) any other person or his or her authorized representative who has
42 demonstrated to the satisfaction of the commissioner that such person is
43 or may be a party to a civil action arising out of the conduct described
44 in such accident report.

45 (b) Except as provided under paragraph (a) of this subdivision, the
46 name of a TNC driver associated with such insurance information is
47 designated confidential whether or not so marked, is not subject to
48 disclosure by a third party by the department of motor vehicles without
49 prior consent of the TNC, and is exempt from disclosure pursuant to
50 article six of the public officers law. Nothing in this section shall be
51 considered as limiting the applicability of any other exemptions under
52 article six of the public officers law.

53 § 1696. Driver and vehicle requirements. 1. (a) At all times, an indi-
54 vidual acting as a TNC driver shall be permitted by the TNC as follows:

55 (i) The individual shall submit an application to the TNC, which shall
56 include information regarding his or her address, age, driver's license,

1 motor vehicle registration, automobile liability insurance, and other
2 information required by the TNC;

3 (ii) The TNC shall conduct or have a third party conduct, a local and
4 national, criminal background check for each applicant in accordance
5 with section sixteen hundred ninety-nine of this article and that shall
6 review;

7 (A) Whether the applicant is listed on the publicly available New York
8 state sex offender registry pursuant to section one hundred
9 sixty-eight-q of the correction law; and

10 (B) The United States Department of Justice National Sex Offender
11 public website;

12 (iii) The TNC shall obtain and review, or have a third party obtain
13 and review, a driving history research report for such individual.

16 hundred ninety-nine of this article;

17 (ii) is a match in the United States Department of Justice National
18 Sex Offender Public Website;

19 (iii) does not possess a valid New York driver's license, unless such
20 applicant does possess a valid out of state driver's license and proof
21 that such applicant is an active duty member of the armed services of
22 the United States stationed in this state or is a family or household
23 member of such an active duty member;

24 (iv) does not possess proof of registration for the motor vehicle(s)
25 used to provide TNC prearranged trips;

26 (v) does not possess proof of automobile liability insurance for the
27 motor vehicle(s) used to provide TNC prearranged trips as a TNC vehicle;
28 or

29 (vi) is not at least nineteen years of age.

30 (c) Upon review of all information received and retained by the TNC
31 and upon verifying that the individual is not disqualified pursuant to
32 this section from receiving a TNC driver permit, a TNC may issue a TNC
33 driver permit to the applicant. The TNC shall review all information
34 received relating to such applicant and hold such information for six
35 years along with a certification that such applicant qualifies to
36 receive a TNC driver permit.

37 (d) A TNC that issues a TNC driver's permit pursuant to this section
38 shall participate in the New York License Event Notification Service

40 the following violations are added to a TNC driver's driving record:

55 so marked, is not subject to disclosure to a third party by the depart-
56 ment without prior consent of the TNC, and is exempt from disclosure

1 pursuant to article six of the public officers law. Nothing in this
2 section shall be construed as limiting the applicability of any other
3 exemptions under article six of the public officers law.

4 (f) No person shall operate a TNC vehicle or operate as a TNC driver
5 unless such person holds a valid TNC driver permit issued pursuant to
6 this section. A violation of this paragraph shall be a traffic infrac-
7 tion punishable by a fine of not less than seventy-five nor more than
8 three hundred dollars, or by imprisonment for not more than fifteen
9 days, or by both such fine and imprisonment.

10 2. A TNC shall implement a zero-tolerance policy regarding a TNC driv-
11 er's activities while accessing the TNC's digital network. Such policy
12 shall address the issue of operating a vehicle under the influence of
13 alcohol or drugs while a TNC driver is providing TNC prearranged trips
14 or is logged onto the TNC's digital network but is not providing TNC
15 prearranged trips, and the TNC shall provide notice of this policy on
16 its digital network, as well as procedures to report a complaint about a
17 TNC driver with whom a TNC prearranged trip was commenced and whom the
18 passenger reasonably suspects was operating a vehicle under the influ-

30 (c) TNC drivers shall comply with all applicable laws relating to
31 accommodation of service animals.

32 (d) A TNC shall implement and maintain a policy of providing accessi-
33 bility to passengers or potential passengers with a disability and

36 the extent practicable adopt findings established by the New York state
37 TNC accessibility task force adopted pursuant to section eighteen of the

2 trip was provided; and

3 2. individual records of TNC drivers at least until the six year anni-
4 versary of the date on which a TNC driver's relationship with the TNC
5 has ended.

6 § 1698. Audit procedures; confidentiality of records. 1. For the sole
7 purpose of verifying that a TNC is in compliance with the requirements
8 of this article and no more than biannually, the department shall
9 reserve the right to visually inspect a sample of records that the TNC
10 is required to maintain, upon request by the department that shall be
11 fulfilled in no less than thirty business days by the TNC. The sample
12 shall be chosen randomly by the department in a manner agreeable to both

26 may exclude information that would tend to identify specific drivers or
27 passengers, unless the identity of a driver or passenger is relevant to
28 the complaint.

29 (d) Any records inspected by the department under this section are
30 designated confidential, are not subject to disclosure to a third party
31 by the department without prior consent of the TNC, and are exempt from
32 disclosure under article six of the public officers law. Nothing in this
33 section shall be construed as limiting the applicability of any other
34 exemption under article six of the public officers law.

35 3. The department shall promulgate regulations for the filing of
36 complaints pursuant to this section.

37 § 1699. Criminal history background check of transportation network

7 chapter. In calculating the three year period under this subparagraph,
8 any period of time during which the person was incarcerated after the
9 commission of such offense shall be excluded and such three year period
10 shall be extended by a period or periods equal to the time spent incar-

29 department.

30 (c) A criminal history record that contains criminal conviction infor-

4 § 1700. Controlling authority. 1. Notwithstanding any other provision
5 of law, the regulation of TNCs and TNC drivers is governed exclusively
6 by the provisions of the chapter of the laws of two thousand seventeen
7 which added this section and any rules promulgated by the state through
8 its agencies consistent with such chapter. No county, town, city or
9 village may enact a tax or any fee or other surcharge on a TNC, a TNC
10 driver, or a TNC vehicle used by a TNC driver or require a license,
11 permit, or additional insurance coverage or any other limitations or
12 restrictions, where such fee, surcharge, unauthorized tax, license,
13 permit, insurance coverage, limitation or restriction, relates to facil-

(34) Transportation service. The service of transporting, carrying or conveying a person or persons by livery service; whether to a single destination or to multiple destinations; and whether the compensation paid by or on behalf of the passenger is based on mileage, trip, time consumed or any other basis. A service that begins and ends in this state is deemed intra-state even if it passes outside this state during a portion of the trip. However, transportation service does not include transportation of persons in connection with funerals. Transportation service includes transporting, carrying, or conveying property of the person being transported, whether owned by or in the care of such person. Notwithstanding the foregoing, transportation service shall not include a TNC prearranged trip, as that term is defined in article forty-four-B of the vehicle and traffic law, that is subject to tax under article twenty-nine-B of this chapter. In addition to what is included in the definition of "receipt" in paragraph three of this subdivision, receipts from the sale of transportation service subject to tax include any handling, carrying, baggage, booking service, administrative, mark-up, additional, or other charge, of any nature, made in conjunction with the transportation service. Livery service means service provided by limousine, black car or other motor vehicle, with a driver, but excluding (i) a taxicab, (ii) a bus, and (iii), in a city of one million or more in this state, an affiliated livery vehicle, and excluding any scheduled public service. Limousine means a vehicle with a seating capacity of up to fourteen persons, excluding the driver. Black car means a for-hire vehicle dispatched from a central facility. "Affiliated livery vehicle" means a for-hire motor vehicle with a seating capacity of up to six persons, including the driver, other than a black car or luxury limousine, that is authorized and licensed by the taxi and limousine commission of a city of one million or more to be dispatched by a base station located in such a city and regulated by such taxi and limousine commission; and the charges for service provided by an affiliated livery vehicle are on the basis of flat rate, time, mileage, or zones and not on a garage to garage basis.

§ 15. The tax law is amended by adding a new article 29-B to read as follows:

Section 1291. Definitions.

1292. Imposition.

1293. Presumption.

1294. Returns and payment of state assessment fee.

1295. Records to be kept.

1296. Secrecy of returns and reports.

1297. Practice and procedure.

§ 1291. Definitions. (b) "City" means a city of a million or more located in the metropolitan commuter transportation district established by section twelve hundred sixty-two of the public authorities law.

1 (c) "Transportation network company" or "TNC" shall have the same
2 meaning as the term is defined in article forty-four-B of the vehicle
3 and traffic law.

4 (d) "TNC prearranged trip" shall have the same meaning as the term is
5 defined in article forty-four-B of the vehicle and traffic law.

6 (e) "TNC driver" shall have the same meaning as the term is defined in
7 article forty-four-B of the vehicle and traffic law.

8 (f) "TNC vehicle" shall have the same meaning as the term is defined
9 in article forty-four-B of the vehicle and traffic law.

10 (g) "Gross trip fare" means the sum of the base fare charge, distance
11 charge and time charge for a complete TNC prearranged trip at the rate
12 published by the TNC by or through which such trip is arranged.

13 § 1292. Imposition. There is hereby imposed on every TNC a state
14 assessment fee of 5.5% of the gross trip fare of every TNC prearranged
15 trip provided by such TNC that originates anywhere in the state outside
16 the city and terminates anywhere in this state.

17 § 1293. Presumption. For the purpose of the proper administration of
18 this article and to prevent evasion of the state assessment fee imposed
19 by this article, it shall be presumed that every TNC prearranged trip
20 that originates anywhere in the state outside the city is subject to the
21 state assessment fee. This presumption shall prevail until the contrary
22 is proven by the person liable for the fee.

23 § 1294. Returns and payment of state assessment fee. (a) Every person
24 liable for the state assessment fee imposed by this article shall file a
25 return on a calendar-quarterly basis with the commissioner. Each return
26 shall show the number of TNC prearranged trips in the quarter for which
27 the return is filed, together with such other information as the commis-
28 sioner may require. The returns required by this section shall be filed
29 within thirty days after the end of the quarterly period covered there-
30 by. If the commissioner deems it necessary in order to ensure the
31 payment of the state assessment fee imposed by this article, the commis-
32 sioner may require returns to be made for shorter periods than
33 prescribed by the foregoing provisions of this section, and upon such
34 dates as the commissioner may specify. The form of returns shall be
35 prescribed by the commissioner and shall contain such information as the
36 commissioner may deem necessary for the proper administration of this
37 article. The commissioner may require amended returns to be filed within
38 thirty days after notice and to contain the information specified in the
39 notice. The commissioner may require that the returns be filed electron-
40 ically.

41 (b) Every person required to file a return under this article shall,
42 at the time of filing such return, pay to the commissioner the total of
43 all state assessment fees on the correct number of trips subject to such
44 fee under this article. The amount so payable to the commissioner for
45 the period for which a return is required to be filed shall be due and
46 payable to the commissioner on the date specified for the filing of the
47 return for such period, without regard to whether a return is filed or
48 whether the return that is filed correctly shows the correct number of
49 trips or the amount of fees due thereon. The commissioner may require
50 that the fee be paid electronically.

51 § 1295. Records to be kept. Every person liable for the state assess-
52 ment fee imposed by this article shall keep:

53 (a) records of every TNC prearranged trip subject to the state assess-
54 ment fee under this article, and of all amounts paid, charged or due
55 thereon, in such form as the commissioner may require;

1 (b) true and complete copies of any records required to be kept by a
2 state agency that is authorized to permit or regulate a TNC; and

3 (c) such other records and information as the commissioner may require
4 to perform his or her duties under this article.

5 § 1296. Secrecy of returns and reports. (a) Except in accordance with
6 proper judicial order or as otherwise provided by law, it shall be
7 unlawful for the commissioner, any officer or employee of the depart-
8 ment, any person engaged or retained by the department on an independent
9 contract basis, or any person who in any manner may acquire knowledge of
10 the contents of a return or report filed with the commissioner pursuant
11 to this article, to divulge or make known in any manner any particulars
12 set forth or disclosed in any such return or report. The officers
13 charged with the custody of such returns and reports shall not be
14 required to produce any of them or evidence of anything contained in
15 them in any action or proceeding in any court, except on behalf of the
16 commissioner in an action or proceeding under the provisions of this
17 chapter or in any other action or proceeding involving the collection of
18 a state assessment fee due under this article to which the state or the
19 commissioner is a party or a claimant, or on behalf of any party to any
20 action, proceeding or hearing under the provisions of this article when
21 the returns, reports or facts shown thereby are directly involved in
22 such action, proceeding or hearing, in any of which events the court, or
23 in the case of a hearing, the division of tax appeals may require the
24 production of, and may admit into evidence, so much of said returns,
25 reports or of the facts shown thereby, as are pertinent to the action,
26 proceeding or hearing and no more. The commissioner or the division of
27 tax appeals may, nevertheless, publish a copy or a summary of any deci-
28 sion rendered after a hearing required by this article. Nothing in this
29 section shall be construed to prohibit the delivery to a person who has
30 filed a return or report or to such person's duly authorized represen-
31 tative of a certified copy of any return or report filed in connection
32 with such person's state assessment fee. Nor shall anything in this
33 section be construed to prohibit the publication of statistics so clas-
34 sified as to prevent the identification of particular returns or reports
35 and the items thereof, or the inspection by the attorney general or
36 other legal representatives of the state of the return or report of any
37 person required to pay the state assessment fee who shall bring action
38 to review the state assessment fee based thereon, or against whom an
39 action or proceeding under this chapter has been recommended by the
40 commissioner or the attorney general or has been instituted, or the
41 inspection of the returns or reports required under this article by the
42 comptroller or duly designated officer or employee of the state depart-
43 ment of audit and control, for purposes of the audit of a refund of any
44 state assessment fee paid by a person required to pay the state assess-
45 ment fee under this article. Provided, further, nothing in this section
46 shall be construed to prohibit the disclosure, in such manner as the
47 commissioner deems appropriate, of the names and other appropriate iden-
48 tifying information of those persons required to pay state assessment
49 fee under this article.

50 (b) Notwithstanding the provisions of subdivision (a) of this section,
51 the commissioner, in his or her discretion, may require or permit any or
52 all persons liable for any state assessment fee imposed by this article,
53 to make payment to banks, banking houses or trust companies designated
54 by the commissioner and to file returns with such banks, banking houses
55 or trust companies as agents of the commissioner, in lieu of paying any
56 such state assessment fee directly to the commissioner. However, the

1 commissioner shall designate only such banks, banking houses or trust
2 companies as are already designated by the comptroller as depositories
3 pursuant to section twelve hundred eighty-eight of this chapter.

4 (c) Notwithstanding the provisions of subdivision (a) of this section,
5 the commissioner may permit the secretary of the treasury of the United
6 States or such secretary's delegate, or the authorized representative of
7 either such officer, to inspect any return filed under this article, or
8 may furnish to such officer or such officer's authorized representative
9 an abstract of any such return or supply such person with information
10 concerning an item contained in any such return, or disclosed by any
11 investigation of liability under this article, but such permission shall
12 be granted or such information furnished only if the laws of the United
13 States grant substantially similar privileges to the commissioner or
14 officer of this state charged with the administration of the state
15 assessment fee imposed by this article, and only if such information is
16 to be used for purposes of tax administration only; and provided further
17 the commissioner may furnish to the commissioner of internal revenue or
18 such commissioner's authorized representative such returns filed under
19 this article and other tax information, as such commissioner may consid-
20 er proper, for use in court actions or proceedings under the internal
21 revenue code, whether civil or criminal, where a written request there-
22 for has been made to the commissioner by the secretary of the treasury
23 of the United States or such secretary's delegate, provided the laws of
24 the United States grant substantially similar powers to the secretary of
25 the treasury of the United States or his or her delegate. Where the
26 commissioner has so authorized use of returns and other information in
27 such actions or proceedings, officers and employees of the department
28 may testify in such actions or proceedings in respect to such returns or
29 other information.

30 (d) Returns and reports filed under this article shall be preserved
31 for three years and thereafter until the commissioner orders them to be
32 destroyed.

33 (e) (1) Any officer or employee of the state who willfully violates
34 the provisions of subdivision (a) of this section shall be dismissed
35 from office and be incapable of holding any public office for a period
36 of five years thereafter.

37 (2) Cross-reference: For criminal penalties, see article thirty-seven
38 of this chapter.

40 of this chapter shall apply with respect to the administration of and
41 procedure with respect to the state assessment fee imposed by this arti-
42 cle in the same manner and with the same force and effect as if the
43 language of such article twenty-seven had been incorporated in full into
44 this article and had expressly referred to the state assessment fee
45 under this article, except to the extent that any such provision is
46 either inconsistent with a provision of this article or is not relevant
47 to this article.

48 § 1298. Deposit and disposition of revenue. All taxes, fees, interest
49 and penalties collected or received by the commissioner under this arti-
50 cle shall be deposited and disposed of pursuant to the provisions of
51 section one hundred seventy-one-a of this chapter. From such taxes,
52 interest and penalties collected or received by the commissioner under
53 this article, 27.27% shall be deposited to the credit of the local tran-
54 sit assistance fund established in section eighty-nine-i of the state
55 finance law for the support of local transit systems, operations or

1 projects other than the metropolitan transportation authority or any
2 subsidiary or affiliate of the metropolitan transportation authority.

39 ~~deemed repealed April 1, 2017~~].

40 § 2. This act shall take effect immediately.

41 PART X

42 Section 1. Legislative findings. In order to increase the authority of
43 the superintendent of financial services to respond to the harm posed by
44 impaired insurers in this state, the legislature finds that it is in the
45 best interest of the people of this state to enact an administrative
46 supervision statute. The superintendent of financial services has the
47 right and responsibility to enforce the insurance law and the authority
48 to seek redress against any person responsible for the impairment or
49 insolvency of the insurer, and nothing in this act is intended to
50 restrict or limit such right, responsibility, or authority.

51 § 2. The insurance law is amended by adding a new section 1123 to read
52 as follows:

1 § 1123. Administrative supervision. (a) For the purposes of this
2 subsection, "insurer" shall have the meaning set forth in paragraph one
3 of subsection (b) of section seven thousand four hundred one of this
4 chapter, and shall include a licensed United States branch of an alien
5 insurer entered through this state.

6 (b)(1) The superintendent may issue an order placing a domestic insurer
7 under administrative supervision if the superintendent determines
8 that one or more of the conditions set forth in section seven thousand
9 four hundred two of this chapter exists. Upon such a determination, the
10 superintendent shall furnish the insurer with a written list of require-
11 ments to abate the condition or conditions within the time specified in
12 the order, which shall not exceed one hundred eighty days. The domestic
13 insurer may challenge the order by requesting an administrative hearing
14 pursuant to the adjudicatory proceeding rules in article three of the
15 state administrative procedure act and regulations promulgated by the
16 superintendent but the order shall remain in full force and effect
17 during the course of the adjudicatory proceeding. Upon issuance of the
18 order, the superintendent shall advise such domestic insurer of its
19 right to request a hearing challenging the order pursuant to the adjudi-
20 catory proceeding rules in article three of the state administrative
21 procedure act and regulations promulgated by the superintendent.

22 (2) If, at the end of the period specified in the order, the super-
23 intendent determines that the condition or conditions that gave rise to
24 the order still exists or exist, then administrative supervision shall
25 continue. The insurer may request a hearing to challenge the superinten-
26 dent's determination to continue administrative supervision.

27 (3) If the superintendent determines that the condition or conditions
28 that gave rise to administrative supervision no longer exists or exist,
29 then the superintendent shall release the insurer from supervision.

30 (c) During the period of supervision, the superintendent may prohibit
31 the insurer from engaging in any of the following activities without the
32 superintendent's prior approval:

33 (1) disposing of, conveying, or encumbering any of its assets or its
34 business in force;

35 (2) withdrawing any funds from its bank accounts;

36 (3) lending any of its funds;

37 (4) investing any of its funds;

38 (5) paying any claims;

39 (6) transferring any of its property;

40 (7) incurring any debt, obligation, or liability;

41 (8) merging or consolidating with another company;

42 (9) approving new premiums or renewing any policies;

43 (10) entering into any new reinsurance contract or treaty;

44 (11) terminating, surrendering, forfeiting, converting, or lapsing any
45 insurance policy, certificate, or contract, except for nonpayment of
46 premiums due;

47 (12) releasing, paying, or refunding premium deposits, accrued cash or
48 loan values, unearned premiums, or other reserves on any insurance poli-
49 cy, certificate, or contract;

50 (13) making any material change in management;

51 (14) increasing salaries and benefits of officers or directors or the
52 payment of bonuses, dividends, or other payments; or

53 (15) such other activities that the superintendent determines are
54 necessary to protect policyholders or the people of this state.

(d) The superintendent may appoint as administrative supervisor, at the insurer's expense, one or more persons not employed by any insurer or interested in such insurer, except as a policyholder.

(e)(1) The expenses of administrative supervision pursuant to this subsection shall be borne and paid by the insurer so supervised.

(2) In the event that an insurer becomes subject to a proceeding under article seventy-four of this chapter within one year of the superintendent releasing the insurer from administrative supervision, all accrued and outstanding expenses incurred in connection with administrative supervision shall be treated as actual and necessary costs and expenses of the administration of such proceeding under article seventy-four of this chapter.

(f) All matters pertaining to a proceeding or determination pursuant to this subsection shall be confidential and not subject to subpoena or public inspection under article six of the public officers law or any other statute, except to the extent that the superintendent finds release of information necessary to protect the public.

(g) Nothing in this subsection shall be construed as precluding the superintendent from initiating judicial proceedings to place an insurer in rehabilitation, liquidation, conservation, or dissolution proceedings.

§ 3. Subsection (a) of section 1309 of the insurance law is amended to read as follows:

(a) Whenever the superintendent finds from a financial statement or report on examination that an authorized insurer is unable to pay its outstanding lawful obligations as they mature in the regular course of business, as shown by an excess of required reserves and other liabilities over admitted assets, or by its not having sufficient assets to reinsure all outstanding risks with other solvent authorized assuming insurers after paying all accrued claims owed, such insurer shall be deemed insolvent and the superintendent may proceed against it pursuant to the provisions of article seventy-four of this chapter or may place the insurer under administrative supervision pursuant to section one thousand one hundred twenty-three of this chapter.

§ 4. Subsection (a) of section 1310 of the insurance law is amended to read as follows:

(a) Whenever the superintendent finds from a financial statement, or a report on examination, of any domestic stock insurer that ~~[(i)]~~ (1) the admitted assets are less than the aggregate amount of its liabilities and outstanding capital stock or ~~[(ii)]~~ (2) the admitted assets of any such insurer ~~[which]~~ that is required to maintain a minimum surplus to policyholders are less than the aggregate amount of its liabilities and the amount of its minimum surplus to policyholders, ~~[he]~~ the superintendent shall determine the amount of the impairment and order the insurer to eliminate the impairment within such period as ~~[he]~~ the superintendent designates, not more than ninety days from the service of the order. ~~[He]~~ The superintendent may also order the insurer not to issue any new policies while the impairment exists. If the impairment as determined by the provisions of ~~[item (i) hereof]~~ paragraph one of this subsection equals or exceeds twenty-five percent of the insurer's outstanding capital stock, or as determined by the provisions of ~~[item (i) or (ii) hereof]~~ paragraph one or two of this subsection is such that the insurer does not have the minimum capital or minimum surplus to policyholders required by this chapter, and if at the expiration of such designated period, such insurer has not satisfied the superintendent that such impairment has been eliminated, the superintendent may proceed

1 against the insurer pursuant to the provisions of article seventy-four
2 of this chapter on the ground that its condition is such that its
3 further transaction of business will be hazardous to its policyholders
4 or its creditors or the public or the superintendent may place the
5 insurer under administrative supervision pursuant to section one thou-
6 sand one hundred twenty-three of this chapter.

7 § 5. Subsection (c) of section 1311 of the insurance law is amended to
8 read as follows:

9 (c) If the impairment so determined is such that such insurer does not
10 have the minimum surplus required for item (iii) of subsection (a)
11 ~~[hereof]~~ of this section, and if when such designated period expires the
12 insurer has not satisfied the superintendent that such impairment has
13 been eliminated, the superintendent may proceed against such insurer
14 pursuant to the provisions of article seventy-four of this chapter on
15 the ground that its further transaction of business will be hazardous to
16 its policyholders, its creditors or the public or the superintendent may
17 place the insurer under administrative supervision pursuant to section
18 one thousand one hundred twenty-three of this chapter.

19 § 6. Paragraph 2 of subsection (c) of section 1312 of the insurance
20 law is amended to read as follows:

21 (2) If at the expiration of such designated period such insurer has
22 not satisfied the superintendent that such impairment has been elimi-
23 nated, the superintendent may proceed against such insurer pursuant to
24 the provisions of article seventy-four of this chapter as an insurer
25 whose condition is such that its further transaction of business in the
26 United States will be hazardous to its policyholders, its creditors or
27 the public in the United States or the superintendent may place the
28 insurer under administrative supervision pursuant to subsection (b) of
29 section one thousand one hundred twenty-three of this chapter.

30 § 7. This act shall take effect immediately.

31 PART Y

32 Section 1. Subsections (c) and (d) of section 109 of the insurance
33 law, paragraph 1 of subsection (c) as amended by section 55 of part A of
34 chapter 62 of the laws of 2011, is amended and a new subsection (e) is
35 added to read as follows:

36 (c) (1) If the superintendent finds after notice and hearing that any
37 ~~[authorized]~~ insurer, representative of the insurer, ~~[licensed]~~ insur-
38 ance agent, ~~[licensed]~~ insurance broker, ~~[licensed]~~ adjuster, or any
39 other person or entity ~~[licensed, certified, registered, or authorized~~
40 ~~pursuant]~~ subject to this chapter, has wilfully violated the provisions
41 of this chapter or any regulation promulgated thereunder, then the
42 superintendent may order the person or entity to pay to the people of
43 this state a penalty in a sum not exceeding ~~[one]~~ the greater of (A) ten
44 thousand dollars for each offense; (B) a multiple of two times the
45 aggregate damages attributable to the violation; or (C) a multiple of
46 two times the aggregate economic gain attributable to the violation. The
47 superintendent may promulgate regulations implementing the terms of this
48 subsection.

49 (2) Failure to pay such penalty within thirty days after the order,
50 unless it is suspended by an order of a court of competent jurisdiction,
51 shall constitute a further violation of the provisions of this chapter.

52 (3) No penalty shall be imposed pursuant to this subsection if a mone-
53 tary penalty is otherwise provided in this chapter.

(d) (1) The superintendent may maintain a civil action in the name of the people of the state to recover a judgment for a money penalty imposed by law or to enforce any order issued by the superintendent for the violation of any provision of this chapter.

(2) Notwithstanding any law to the contrary, the superintendent may, in his or her sole discretion, either (A) prosecute any such action and retain charge and control of the action; or (B) refer such action to the department of law for prosecution.

(e) Any person or entity that is required by this chapter to be licensed, certified, registered, or authorized shall be subject to the laws of this chapter and the penalties contained herein as if the person or entity was so licensed, certified, registered, or authorized, even if the person or entity does not possess the required license, certification, registration, or authorization.

§ 2. Section 44 of the banking law is amended by adding two new subdivisions 10 and 11 to read as follows:

10. The superintendent may maintain a civil action in the name of the people of the state to recover a judgement for a money penalty imposed by law or to enforce any order issued by the superintendent for the violation of any provision of this chapter. Notwithstanding any law to the contrary, the superintendent may, in his or her discretion, either (a) prosecute any such action and retain charge and control of the action; or (b) refer such action to the department of law for prosecution.

11. Any person or entity who engages in activity that is regulated in this chapter without being licensed, certified, registered, authorized, chartered, accredited, incorporated or otherwise obtaining any permission of the superintendent required by this chapter before engaging in such activity shall be subject to the laws of this chapter and the penalties contained herein as if the person or entity was so licensed, certified, registered, authorized, chartered, accredited, incorporated, or otherwise approved by the superintendent.

§ 3. Subsection (a) of section 309 of the financial services law is amended and a new subsection (c) is added to read as follows:

(a) In addition to such other remedies as are provided under this chapter, the superintendent may maintain and prosecute an action against any person subject to this chapter, the insurance law or the banking law, or the person's officers, directors, trustees or agents, for the purpose of obtaining an injunction restraining such person or persons from doing any acts in violation of the provisions of this chapter, the insurance law or the banking law. The superintendent may commence such action against any person or entity that is required by this chapter, the banking law, or the insurance law to be licensed, certified, registered, authorized, chartered, accredited, or incorporated, as if the person or entity was so licensed, certified, registered, authorized, chartered, accredited, or incorporated, even if the person or entity does not possess the required license, certification, registration, authorization, charter, accreditation, or incorporation.

(c) Notwithstanding any law to the contrary, the superintendent may, in his or her discretion, either (i) prosecute any such action and retain charge and control of the action; or (ii) refer such action to the department of law for prosecution.

20 law to the legal representative, as hereinafter defined, of one who has
21 control of a student loan servicer. Thereafter, such legal represen-

37 indirectly, owns, controls or holds with power to vote ten per centum or
38 more of the voting stock of any student loan servicer or of any person
39 which owns, controls or holds with power to vote ten per centum or more
40 of the voting stock of any student loan servicer, but no person shall be
41 deemed to control a student loan servicer solely by reason of being an
42 officer or director of such student loan servicer. The superintendent
43 may in his discretion, upon the application of a student loan servicer
44 or any person who, directly or indirectly, owns, controls or holds with
45 power to vote or seeks to own, control or hold with power to vote any
46 voting stock of such student loan servicer, determine whether or not the
47 ownership, control or holding of such voting stock constitutes or would
48 constitute control of such student loan servicer for purposes of this
49 section.

50 § 716. Grounds for suspension or revocation of license. 1. The super-
51 intendent may revoke any license to engage in the business of a student
52 loan servicer issued pursuant to this article if he or she shall find
53 that:

54 (a) a servicer has violated any provision of this article, any rule or
55 regulation promulgated by the superintendent under and within the
56 authority of this article, or any other applicable law;

1 (b) any fact or condition exists which, if it had existed at the time
2 of the original application for such license, would have warranted the
3 superintendent refusing originally to issue such license;

4 (c) a servicer does not cooperate with an examination or investigation
5 by the superintendent;

6 (d) a servicer engages in fraud, intentional misrepresentation, or
7 gross negligence in servicing a student loan;

8 (e) the competence, experience, character, or general fitness of the
9 servicer, an individual controlling, directly or indirectly, ten percent
10 or more of the outstanding interests, or any person responsible for
11 servicing a student loan for the servicer indicates that it is not in
12 the public interest to permit the servicer to continue servicing student
13 loans;

14 (f) the servicer engages in unsafe or injurious practice;

15 (g) the servicer is insolvent, suspends payment of its obligations, or
16 makes a general assignment for the benefit of its creditors; or

17 (h) a servicer has violated the laws of this state, any other state
18 law or any federal law involving fraudulent or dishonest dealing, or a
19 final judgment has been entered against a student loan servicer in a
20 civil action upon grounds of fraud, misrepresentation or deceit.

21 2. As a part of his or her determination regarding suspension or revo-
22 cation, the superintendent is authorized to require the fingerprinting
23 of any person, officer, director, partner, member or employee of a
24 student loan servicer. Such fingerprints shall be submitted to the divi-
25 sion of criminal justice services for a state criminal history record
26 check and may be submitted to the federal bureau of investigation for a
27 national criminal history record check.

28 3. The superintendent may, on good cause shown, or where there is a
29 substantial risk of public harm, suspend any license for a period not
30 exceeding thirty days, pending investigation. "Good cause", as used in
31 this subdivision, shall exist when a student loan servicer has defaulted
32 or is likely to default in performing its financial engagements or
33 engages in dishonest or inequitable practices which may cause substan-
34 tial harm to the persons afforded the protection of this article.

35 4. Except as provided in subdivision three of this section, no license
36 shall be revoked or suspended except after notice and a hearing thereon.
37 Any order of suspension issued after notice and a hearing may include as
38 a condition of reinstatement that the student loan servicer make resti-
39 tution to consumers of fees or other charges which have been improperly
40 charged or collected, including but not limited to by allocating
41 payments contrary to a borrower's direction or in a manner that fails to
42 help a borrower avoid default, as determined by the superintendent. Any
43 hearing held pursuant to the provisions of this section shall be
44 noticed, conducted and administered in compliance with the state admin-
45 istrative procedure act.

46 5. Any student loan servicer may surrender any license by delivering
47 to the superintendent written notice that the student loan servicer
48 thereby surrenders such license, but such surrender shall not affect the
49 servicer's civil or criminal liability for acts committed prior to the
50 surrender. If such surrender is made after the issuance by the super-
51 intendent of a statement of charges and notice of hearing, the super-
52 intendent may proceed against the servicer as if the surrender had not
53 taken place.

54 6. No revocation, suspension, or surrender of any license shall impair
55 or affect the obligation of any pre-existing lawful contract between the

1 student loan servicer and any person, including the department of finan-
2 cial services.

3 7. Every license issued pursuant to this article shall remain in full
4 force and effect until the same shall have been surrendered, revoked or
5 suspended in accordance with any other provisions of this article.

6 8. Whenever the superintendent shall revoke or suspend a license
7 issued pursuant to this article, he or she shall forthwith execute in
8 duplicate a written order to that effect. The superintendent shall file
9 one copy of the order in the office of the department of financial
10 services and shall forthwith serve the other copy upon the student loan
11 servicer. Any such order may be reviewed in the manner provided by arti-
12 cle seventy-eight of the civil practice law and rules. An application
13 for review as authorized by this section must be made within thirty days
14 from the date of the order of suspension or revocation.

15 § 717. Books and records; reports and electronic filing. 1. Each
16 student loan servicer and exempt organization shall keep and use in its
17 business such books, accounts and records as will enable the superinten-
18 dent to determine whether the servicer or exempt organization is comply-
19 ing with the provisions of this article and with the rules and regu-
20 lations lawfully made by the superintendent. Every servicer and exempt
21 organization shall preserve such books, accounts, and records, for at
22 least three years.

23 2. (a) Each student loan servicer shall annually, on or before a date
24 to be determined by the superintendent, file a report with the super-
25 intendent giving such information as the superintendent may require
26 concerning the business and operations during the preceding calendar
27 year of such servicer under authority of this article. Such report shall
28 be subscribed and affirmed as true by the servicer under the penalties
29 of perjury and shall be in the form prescribed by the superintendent.

30 (b) In addition to annual reports, the superintendent may require such
31 additional regular or special reports as he or she may deem necessary to
32 the proper supervision of student loan servicers under this article.
33 Such additional reports shall be subscribed and affirmed as true by the
34 servicer under the penalties of perjury and shall be in the form
35 prescribed by the superintendent.

36 3. Notwithstanding article three of the state technology law or any
37 other law to the contrary, the superintendent may require that any
38 submission or approval as may be required by the superintendent be made
39 or executed by electronic means if he or she deems it necessary to
40 ensure the efficient administration of this article.

41 § 718. Rules and regulations. 1. In addition to such powers as may
42 otherwise be prescribed by this chapter, the superintendent is hereby
43 authorized and empowered to promulgate such rules and regulations as may
44 in the judgment of the superintendent be consistent with the purposes of
45 this article, or appropriate for the effective administration of this
46 article, including, but not limited to:

47 (a) Such rules and regulations in connection with the activities of
48 student loan servicers and exempt organizations as may be necessary and
49 appropriate for the protection of borrowers in this state.

50 (b) Such rules and regulations as may be necessary and appropriate to
51 define unfair, deceptive or abusive acts or practices in connection with
52 the activities of student loan servicers and exempt organizations in
53 servicing student loans.

54 (c) Such rules and regulations as may define the terms used in this
55 article and as may be necessary and appropriate to interpret and imple-
56 ment the provisions of this article.

1 (d) Such rules and regulations as may be necessary for the enforcement
2 of this article.

3 2. The superintendent is hereby authorized and empowered to make such
4 specific rulings, demands and findings as the superintendent may deem
5 necessary for the proper conduct of the student loan servicing industry.

6 § 719. Prohibited practices. No student loan servicer shall:

7 1. Directly or indirectly employ any scheme, device or artifice to
8 defraud or mislead a borrower.

9 2. Engage in any unfair, deceptive or predatory act or practice toward
10 any person or misrepresent or omit any material information in
11 connection with the servicing of a student loan, including, but not
12 limited to, misrepresenting the amount, nature or terms of any fee or
13 payment due or claimed to be due on a student loan, the terms and condi-
14 tions of the loan agreement or the borrower's obligations under the
15 loan.

16 3. Misapply payments to the outstanding balance of any student loan or
17 to any related interest or fees.

18 4. Provide inaccurate information to a consumer reporting agency.

19 5. Refuse to communicate with an authorized representative of the
20 borrower who provides a written authorization signed by the borrower,
21 provided that the servicer may adopt procedures reasonably related to
22 verifying that the representative is in fact authorized to act on behalf
23 of the borrower.

24 6. Make any false statement or make any omission of a material fact in
25 connection with any information or reports filed with a governmental
26 agency or in connection with any investigation conducted by the super-
27 intendent or another governmental agency.

28 § 720. Servicing student loans without a license. 1. Whenever, in the
29 opinion of the superintendent, a person is engaged in the business of
30 servicing student loans, either actually or through subterfuge, without
31 a license from the superintendent, the superintendent may order that
32 person to desist and refrain from engaging in the business of servicing
33 student loans in the state. If, within thirty days after an order is
34 served, a request for a hearing is filed in writing and the hearing is
35 not held within sixty days of the filing, the order shall be rescinded.

36 2. The superintendent may maintain a civil action to enforce any order
37 issued by the superintendent pursuant to this section.

38 3. This section shall not apply to exempt organizations.

39 § 721. Responsibilities. 1. If a student loan servicer regularly
40 reports information to a consumer reporting agency, the servicer shall
41 accurately report a borrower's payment performance to at least one
42 consumer reporting agency that compiles and maintains files on consumers
43 on a nationwide basis as defined in Section 603(p) of the federal Fair
44 Credit Reporting Act (15 U.S.C. Sec. 1681a(p)), upon acceptance as a
45 data furnisher by that consumer reporting agency.

46 2. (a) Except as provided in federal law or required by a student loan
47 agreement, a student loan servicer shall inquire of a borrower how to
48 apply a borrower's nonconforming payment. A borrower's direction on how
49 to apply a nonconforming payment shall remain in effect for any future
50 nonconforming payment during the term of a student loan until the
51 borrower provides different directions.

52 (b) For purposes of this subdivision, "nonconforming payment" shall
53 mean a payment that is either more or less than the borrower's required
54 student loan payment.

55 3. (a) If the sale, assignment, or other transfer of the servicing of
56 a student loan results in a change in the identity of the person to whom

1 the borrower is required to send subsequent payments or direct any
2 communications concerning the student loan, a student loan servicer
3 shall transfer all information regarding a borrower, a borrower's
4 account, and a borrower's student loan, including but not limited to the
5 borrower's repayment status and any borrower benefits associated with
6 the borrower's student loan, to the new student loan servicer servicing
7 the borrower's student loan within forty-five days.

8 (b) A student loan servicer shall adopt policies and procedures to
9 verify that it has received all information regarding a borrower, a
10 borrower's account, and a borrower's student loan, including but not
11 limited to the borrower's repayment status and any borrower benefits
12 associated with the borrower's student loan, when the servicer obtains
13 the right to service a student loan.

14 4. If a student loan servicer sells, assigns, or otherwise transfers
15 the servicing of a student loan to a new servicer, the sale, assignment
16 or other transfer shall be completed at least seven days before the
17 borrower's next payment is due.

18 5. (a) A student loan servicer that sells, assigns, or otherwise
19 transfers the servicing of a student loan shall require as a condition
20 of such sale, assignment or other transfer that the new student loan
21 servicer shall honor all borrower benefits originally represented as
22 being available to a borrower during the repayment of the student loan
23 and the possibility of such benefits, including any benefits that were
24 represented as being available but for which the borrower had not yet
25 qualified.

26 (b) A student loan servicer that obtains the right to service a
27 student loan shall honor all borrower benefits originally represented as
28 being available to a borrower during the repayment of the student loan
29 and the possibility of such benefits, including any benefits that were
30 represented as being available but for which the borrower had not yet
31 qualified.

32 6. A student loan servicer shall respond within thirty days after
33 receipt to a written inquiry from a borrower or a borrower's represen-
34 tative.

35 7. A student loan servicer shall preserve records of each student loan
36 and all communications with borrowers for not less than two years
37 following the final payment on a student loan or the sale, assignment or
38 other transfer of the servicing of a student loan, whichever occurs
39 first, or such longer period as may be required by any other provision
40 of law.

41 § 722. Examinations. 1. The superintendent may at any time, and as
42 often as he or she may determine, either personally or by a person duly
43 designated by the superintendent, investigate the business and examine
44 the books, accounts, records, and files used therein of every student
45 loan servicer. For that purpose the superintendent and his or her duly
46 designated representative shall have free access to the offices and
47 places of business, books, accounts, papers, records, files, safes and
48 vaults of all student loan servicers. The superintendent and any person
49 duly designated by him or her shall have the authority to require the
50 attendance of and to examine under oath all persons whose testimony he
51 or she may require relative to such business.

52 2. No person subject to investigation or examination under this
53 section may knowingly withhold, abstract, remove, mutilate, destroy or
54 secrete any books, records, computer records or other information.

55 3. The expenses incurred in making any examination pursuant to this
56 section shall be assessed against and paid by the student loan servicer

1 so examined, except that traveling and subsistence expenses so incurred
2 shall be charged against and paid by servicers in such proportions as
3 the superintendent shall deem just and reasonable, and such propor-
4 tionate charges shall be added to the assessment of the other expenses
5 incurred upon each examination. Upon written notice by the superinten-
6 dent of the total amount of such assessment, the servicer shall become
7 liable for and shall pay such assessment to the superintendent.

8 4. In any hearing in which a department employee acting under authori-
9 ty of this chapter is available for cross-examination, any official
10 written report, worksheet, other related papers, or duly certified copy
11 thereof, compiled, prepared, drafted, or otherwise made by such depart-
12 ment employee, after being duly authenticated by the employee, may be
13 admitted as competent evidence upon the oath of the employee that such
14 worksheet, investigative report, or other related documents were
15 prepared as a result of an examination of the books and records of a
16 servicer or other person, conducted pursuant to the authority of this
17 chapter.

18 5. Unless otherwise exempt pursuant to subdivision two of section
19 seven hundred eleven of this article, affiliates of a student loan
20 servicer shall be subject to examination by the superintendent on the
21 same terms as the servicer, but only when reports from, or examination
22 of, a servicer provides evidence of unlawful activity between a servicer
23 and affiliate benefitting, affecting, or arising from the activities
24 regulated by this article.

25 § 723. Penalties for violation of this article. 1. In addition to such
26 penalties as may otherwise be applicable by law, the superintendent may,
27 after notice and hearing, require any person found violating the
28 provisions of this article or the rules or regulations promulgated here-
29 under to pay to the people of this state an additional penalty for each
30 violation of the article or any regulation or policy promulgated here-
31 under a sum not to exceed an amount as determined pursuant to section
32 forty-four of this chapter for each such violation.

33 2. Nothing in this article shall limit any statutory or common-law
34 right of any person to bring any action in any court for any act, or the
35 right of the state to punish any person for any violation of any law.

36 § 724. Severability of provisions. If any provision of this article,
37 or the application of such provision to any person or circumstance,
38 shall be held invalid, illegal or unenforceable, the remainder of the
39 article, and the application of such provision to persons or circum-
40 stances other than those as to which it is held invalid, illegal or
41 unenforceable, shall not be affected thereby.

42 § 725. Compliance with other laws. 1. Student loan servicers shall
43 engage in the business of servicing student loans in conformity with the
44 provisions of this chapter, such rules and regulations as may be promul-
45 gated by the superintendent thereunder and all applicable federal laws
46 and the rules and regulations promulgated thereunder.

47 2. Nothing in this section shall be construed to limit any otherwise
48 applicable state or federal law or regulations.

16 publication of a copy of any such report or any part thereof in such
17 manner as may be deemed proper or unless such laws specifically author-

§ 4-d. Protecting vulnerable adults from financial exploitation. 1. Definitions. As used in this section:

(a) "Banking institution" means any bank, trust company, savings bank, savings and loan association, credit union, or branch of a foreign banking corporation, which is chartered, organized or licensed under the laws of this state or any other state or the United States, and, in the ordinary course of business takes deposit accounts in this state.

(b) "Vulnerable adult" means an individual who, because of mental and/or physical impairment is potentially unable to manage his or her own resources or protect himself or herself from financial exploitation.

(c) "Financial exploitation" means: (i) the improper taking, withholding, appropriation, or use of a vulnerable adult's money, assets, or property; or (ii) any act or omission by a person, including through the use of a power of attorney, guardianship, or any other authority regarding a vulnerable adult to: (A) obtain control, through deception, intimidation or undue influence, over the vulnerable adult's money, assets, or property or (B) convert the vulnerable adult's money, assets, or property.

10 protect a vulnerable adult's money, assets, or property from financial
11 exploitation, then the banking institution may, at its discretion, apply
12 a transaction hold on the account of a vulnerable adult, the account on
13 which a vulnerable adult is a beneficiary, including a trust or guardi-

18 account of a vulnerable adult, the account on which a vulnerable adult
19 is a beneficiary, including a trust or guardianship account, or the
20 account of a person who is reasonably believed by the banking institu-
21 tion to be engaging in the financial exploitation of a vulnerable adult,
22 if: (i) adult protective services or a law enforcement agency provides
23 information to the banking institution establishing a reasonable basis
24 to believe that financial exploitation of a vulnerable adult may have
25 occurred, may have been attempted, or is being attempted; and (ii) the

33 (ii) immediately, but no later than one business day after the trans-
34 action hold is placed, report the transaction hold, including the basis
35 for the banking institution's belief that the financial exploitation of a
36 vulnerable adult may have occurred, may have been attempted, or is being
37 attempted, to adult protective services and to a law enforcement agency;

38 (iii) at the request of adult protective services or a law enforcement
39 agency, provide all information and documents that relate to the trans-
40 action hold within three business days of the request for the informa-
41 tion or documents; and

42 (iv) notwithstanding the transaction hold, make funds available from
43 the account on which a transaction hold is placed to allow the vulner-
44 able adult or other account holder to meet his or her ongoing obli-
45 gations such as housing and other living expenses or emergency expenses
46 as determined by adult protective services, a law enforcement agency or
47 a not-for-profit organization that regularly provides services to
48 vulnerable adults in the community in which the vulnerable adult
49 resides.

50 (d) During the pendency of a transaction hold, a banking institution
51 may, in its discretion, also make funds available from the account on
52 which a transaction hold is placed to allow the vulnerable adult or
53 other account holder meet his or her ongoing obligations such as housing
54 and other living expenses or emergency expenses, provided the banking
55 institution does not have a reasonable basis to believe that the
56 dispersal of such funds to the vulnerable adult or other account holder

1 will result in the financial exploitation of the vulnerable adult. Any
2 such dispersal of funds pursuant to this subdivision shall be reported
3 within one business day after the dispersal is made to adult protective
4 services and to a law enforcement agency.

5 (e) The superintendent may adopt regulations identifying the factors
6 that a banking institution should consider in determining whether: (i)
7 the financial exploitation of a vulnerable adult may have occurred, may
8 have been attempted, or is being attempted; and (ii) the placement of a
9 transaction hold is necessary to protect a vulnerable adult's money,
10 assets, or property.

11 3. Duration of transaction hold. (a) Subject to paragraphs (b), (c)
12 and (d) of this subdivision, a transaction hold that a banking institu-
13 tion places on an account pursuant to this section shall terminate five
14 business days after the date on which the transaction hold is applied by
15 the banking institution. A banking institution may terminate the trans-
16 action hold at any time during this five day period if the banking
17 institution is satisfied that the termination of the transaction hold is
18 not likely to result in financial exploitation of a vulnerable adult.

19 (b) A transaction hold may be extended beyond the period set forth in
20 paragraph (a) of this subdivision for up to an additional fifteen days
21 at the request of either adult protective services or a law enforcement
22 agency.

23 (c) A transaction hold may be extended beyond the periods set forth in
24 paragraphs (a) and (b) of this subdivision only pursuant to an order
25 issued by a court of competent jurisdiction.

26 (d) A transaction hold may be terminated at any time pursuant an order
27 issued by a court of competent jurisdiction.

28 4. Immunity. A banking institution or an employee of a banking insti-
29 tution shall be immune from criminal, civil, and administrative liabil-
30 ity for all good faith actions in relation to the application of this
31 section including any good faith determination to apply or not apply a
32 transaction hold on an account. Where there is reasonable basis to
33 conclude: (a) that financial exploitation of a vulnerable adult may have
34 occurred, may have been attempted, or is being attempted; and (b) that
35 the placement of a transaction hold may be necessary to protect a
36 vulnerable adult's money, assets, or property from financial exploita-
37 tion, such immunity shall not apply to a determination not to apply a
38 transaction hold when the banking institution or employee acts reckles-
39 ly or engages in intentional misconduct in making the determination, or
40 the determination results from a conflict of interest.

41 5. Certification program. The department may develop a financial
42 exploitation certification program for banking institutions. Upon
43 completion of the training components required by the program and after
44 establishing the necessary internal policies, procedures, and in-house
45 training programs, a banking institution shall receive from the depart-
46 ment an adult financial exploitation prevention certificate demonstrat-
47 ing that staff at such banking institution have been trained on how to
48 identify, help prevent, and report the financial exploitation of a
49 vulnerable adult. At the discretion of the superintendent, the certif-
50 ication program may be mandatory for banking institutions licensed by
51 the department.

52 6. Regulations. The superintendent may issue such rules and regu-
53 lations that provide the procedures for the enforcement of the terms of
54 this section and any other rules and regulations that he or she deems
55 necessary to implement the terms of this section.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law.

PART BB

Section 1. The financial services law is amended by adding a new section 105 to read as follows:

§ 105. Disqualification. (a) Definitions. (1) Covered individual. The term "covered individual," when used in this section, means (A) an individual operating under or required to operate under a license, registration, permit certification or authorization under this chapter, the banking law, the insurance law, or the regulations promulgated thereunder, (B) an owner, director, trustee, officer, employee, member or partner of a covered entity, or (C) an individual otherwise engaged in the business of banking, insurance or financial services in the state.

(3) Disqualifying event. For purposes of this section, an individual commits a "disqualifying event," when he or she:

(B) has willfully violated an agreement between the superintendent and a covered entity;

(C) has engaged or participated in any unsafe or unsound practice in connection with any covered entity;

(D) has willfully made or caused to be made in any application, filing, or submission with the superintendent, any statement which was at the time and in the light of the circumstances under which it was made false or misleading with respect to any material fact, or has omitted to state in any such application or report any material fact which is required to be stated therein;

(E) has been convicted within five years of any felony or misdemeanor that:

(i) involves the purchase or sale of any financial product or service, the taking of a false oath, the making of a false report, bribery, perjury, burglary, any substantially equivalent activity however denominated, or conspiracy to commit any such offense;

(ii) arises out of the conduct of the business of a covered entity or in connection with the promotion, sale or delivery of a financial product or service;

(iii) involves the larceny, theft, robbery, extortion, forgery, counterfeiting, fraudulent concealment, embezzlement, fraudulent conversion, or misappropriation of funds, or securities, or substantially equivalent activity however denominated; or

2 perform one or more of the duties or responsibilities necessarily
3 related to the license, position, or job in question;

4 (F) has been found by a federal financial regulatory authority, a
5 state financial regulatory authority, or a foreign financial regulatory
6 authority that is recognized by the superintendent as such to have:

7 (i) made or caused to be made in any application for registration or
8 report required to be filed with the financial regulatory authority, or
9 in any proceeding before the financial regulatory authority with respect
10 to registration, any statement that was at the time and in the light of
11 the circumstances under which it was made false or misleading with

13 or report to the financial regulatory authority any material fact that
14 is required to be stated therein; or

15 (ii) violated any banking law, or statute or regulation regarding
16 transactions in securities, or contracts of sale of a commodity for
17 future delivery, traded on or subject to the rules of a contract market
18 or any board of trade; or

19 (G) is subject to any final order of any federal financial regulatory
20 authority, a state financial regulatory authority, or a foreign finan-
21 cial regulatory authority that is recognized by the superintendent as
22 such that:

23 (i) bars such person from association with an entity regulated by such
24 commission, authority, agency, or officer, or from engaging in the busi-
25 ness of securities, insurance, banking, savings association activities,
26 or credit union activities; or

27 (ii) constitutes a final order based on violations of any laws or
28 regulations that prohibits fraudulent, manipulative, or deceptive
29 conduct.

30 (b) Disqualification. Without limiting any power granted to the super-
31 intendent under any other provision of state or federal law, (1) whenev-
32 er the superintendent has reason to believe that a covered individual
33 has committed a disqualifying event that is of such severity as to have
34 a direct bearing on the individual's fitness or ability to (A) serve as
35 an owner, director, trustee, officer, employee, member or partner of a
36 covered entity or having any association with a covered entity, (B) hold
37 any license, registration, permit, certification or authorization issued
38 by the department, or (C) otherwise engage in the business of banking,
39 insurance, or financial services in the state, (2) the superintendent
40 may serve a statement of the charges against such covered individual and
41 a notice of an opportunity to appear before the superintendent to show
42 cause why he or she should not be disqualified from (A) serving as an
43 owner, director, trustee, officer, employee, member or partner of a
44 covered entity or having any association with a covered entity, (B)
45 holding any license, registration, permit, certification or authori-
46 zation issued by the department, or (C) otherwise engaging in the busi-
47 ness of banking, insurance, or financial services in the state.

48 (c) Order of disqualification. Without limiting any power granted to
49 the superintendent under any other provision of state or federal law, if
50 such covered individual waives a hearing, or fails to appear in person
51 or by a duly authorized representative without good cause shown at the
52 time and place set for the hearing or, if after a hearing, (1) the
53 superintendent finds that the covered individual has engaged in a
54 disqualifying event that is of such severity as to have a direct bearing
55 on the individual's fitness or ability to (A) serve as an owner, direc-
56 tor, trustee, officer, employee, member or partner of a covered entity

1 or having any association with a covered entity, (B) hold any license,
2 registration, permit, certification or authorization issued by the
3 department, or (C) otherwise engage in the business of banking, insur-
4 ance, or financial services in the state, (2) the superintendent may
5 issue an order disqualifying the covered individual from (A) serving as
6 an owner, director, trustee, officer, employee, member or partner of a
7 covered entity or having any association with a covered entity, (B)
8 holding any license, registration, permit, certification or authori-
9 zation issued by the department, or (C) otherwise engaging in the busi-
10 ness of banking, insurance, or financial services in the state. Such
11 order of disqualification may also prohibit the covered individual's
12 performance of any contractual agreements with any covered entity. Such
13 order of disqualification may be for the covered individual's lifetime
14 or for any shorter period determined by the superintendent to be in the
15 public's interest. Any order issued pursuant to this subsection and the
16 findings of fact upon which it is based may not be made public or
17 disclosed to anyone, except as provided in subdivision ten of section
18 thirty-six of the banking law or in connection with proceedings for a
19 violation of this section.

20 (d) Suspension pending determination of charges. (1) In connection
21 with, or at any time after service of the written notice pursuant to
22 subsection (b) of this section, the superintendent may suspend for a
23 period of up to one hundred eighty days, pending the determination of
24 the charges, a covered individual from serving as a director, trustee,
25 officer, employee, member or partner of a covered entity or having any
26 association with a covered entity; or holding any license, registration,
27 certification or authorization issued by the department, if the super-
28 intendent has reason to believe that by reason of the conduct giving
29 rise to the alleged disqualifying event:

30 (A) a covered entity has suffered or will probably suffer financial
31 loss;

32 (B) the interests of the depositors at a covered entity have been or
33 could be prejudiced; or

34 (C) the covered individual demonstrates willful disregard for the
35 safety and soundness of a covered entity.

36 (2) The superintendent may extend the suspension for additional peri-
37 ods of up to one hundred eighty days if the hearing conducted pursuant
38 to subsection (c) of this section is not completed within the prior
39 suspension period due to the request of the covered individual.

40 (3) Any suspension order issued pursuant to this subsection shall
41 become effective upon service, unless it is amended or rescinded by the
42 superintendent or a court of competent jurisdiction, or replaced by an
43 order issued pursuant to subsection (c) of this section. Such suspension
44 order may be reviewed in the manner provided by article seventy-eight of
45 the civil practice law and rules.

46 (e) Rules and regulations. The superintendent may issue such rules and
47 regulations as are necessary to implement the provisions of this
48 section.

49 § 2. This act shall take effect January 1, 2018.

50 PART CC

51 Section 1. The banking law is amended by adding a new section 340-a to
52 read as follows:

53 § 340-a. Exemption for certain lenders and partnering organizations.
54 1. For purposes of this section:

1 (a) "Exempt entity" shall mean an entity exempted pursuant to subdivi-
2 sion two of this section.

3 (b) "Limited lending activity" shall mean the lending of money to an
4 individual borrower for which no interest or fees, except as otherwise
5 provided for in this section, are charged and for which the borrower may
6 make full or partial repayment of the loan prior to the disbursement of
7 the loan proceeds.

8 2. Notwithstanding this section and sections one, ten, fourteen, thir-
9 ty-six-b and thirty-eight of this chapter, the superintendent may allow
10 an entity to engage in limited lending activity without being subject to
11 the requirements of this chapter, if the entity:

12 (a) engages in no activity regulated by this chapter except the making
13 of zero-interest loans and any activity incidental thereto;

14 (b) is exempt from federal income taxes under section 501 (c) (3) of
15 the Internal Revenue Code and is organized and operated exclusively for
16 one or more of the purposes described in section 501 (c) (3) of the
17 Internal Revenue Code;

18 (c) pays no part of its net earnings to a private shareholder or indi-
19 vidual;

20 (d) pays or receives no broker's fee in connection with any loan that
21 it makes; and

22 (e) satisfies the other requirements set forth in this section.

23 3. (a) An application to operate as an exempt entity shall be filed
24 with the superintendent, in a manner prescribed by the superintendent,
25 along with a fee in the amount of five hundred dollars. The superinten-
26 dent shall investigate the financial condition and responsibility,
27 financial and business experience, character and general fitness of the
28 applicant and, if the superintendent finds these qualities are such as
29 to warrant the belief that the applicant's business will be conducted
30 honestly, fairly, equitably, carefully and efficiently within the
31 purposes and intent of this section, and in a manner commanding the
32 confidence and trust of the community, the superintendent shall advise
33 the applicant in writing of the superintendent's approval of the appli-
34 cation for an exemption pursuant to this section. The superintendent
35 may, in his or her discretion, refuse to grant an exemption if he or she
36 finds that one or more of the provisions of this section were not met or
37 are not being met by the applicant or that denial of the exemption is in
38 the best interests of the public.

39 (b) The superintendent may suspend or revoke any exemption granted
40 pursuant to this section, if he or she finds that:

41 (i) any such entity, knowingly or without the exercise of due care to
42 prevent such violation, has violated any provision of this section or
43 article, or has failed to comply with any demand, or requirement made by
44 the superintendent;

45 (ii) there has been any material misstatement or failure to give a
46 true and correct answer in an application or in response to any question
47 posed by the superintendent;

48 (iii) the exempt entity has defrauded any borrower or willfully failed
49 to perform any written agreement with such person; or

50 (iv) any fact or condition exists which, if it had existed at the time
51 of the original application for an exemption, would have warranted the
52 superintendent to refuse to grant such exemption.

53 (c) Except as provided for in paragraph (d) of this subdivision, no
54 exemption granted hereunder shall be suspended or revoked except after a
55 hearing. The superintendent shall give the exempt entity at least ten
56 days written notice of the time and place of such hearing by registered

1 mail addressed to the principal place of business of the exempt entity.
2 Any order suspending or revoking an exemption shall recite the grounds
3 upon which it is based and shall not be effective until ten days after
4 written notice has been sent by registered mail to the exempt entity's
5 principal place of business.

6 (d) Upon, or at any time after service of written notice pursuant to
7 paragraph (c) of this subdivision, the superintendent may suspend, pend-
8 ing the determination of the charges, an exemption issued pursuant to
9 this section if the superintendent has reason to believe that an exempt
10 entity:

11 (i) has defaulted or is likely to default in the performance of its
12 financial engagements;

13 (ii) is engaging in dishonest or inequitable practices; or

14 (iii) poses a substantial harm to the persons afforded the protection
15 of this section.

16 4. (a) Every exempt entity shall maintain records relating to its
17 lending activities for at least five years.

18 (b) Every exempt entity shall file an annual report with the super-
19 intendent on or before March fifteenth of each year, containing informa-
20 tion that the superintendent requires concerning lending activities by
21 the entity, including any loans facilitated by a partnering nonprofit
22 organization described in subdivision thirteen of this section, within
23 the state during the preceding calendar year.

24 5. Every loan made by an exempt entity shall comply with the following
25 requirements:

26 (a) The loan shall be unsecured.

27 (b) No interest may be imposed.

28 (c) Except for a reimbursement of up to ten dollars to cover an insuf-
29 ficient funds fee incurred by an exempt entity due to actions of the
30 borrower, no administrative or other fees may be imposed on a borrower.
31 No exempt entity shall charge more than two insufficient funds fees to
32 the same borrower in a single month.

33 (d) The following information shall be disclosed to the borrower in
34 writing, in a typeface no smaller than twelve-point type and in the
35 primary language of the borrower, at the time the loan application is
36 received by the exempt entity:

37 (i) the amount to be borrowed, that no interest will be charged on the
38 loan, and the total dollar cost of the loan to the borrower if the loan
39 is paid back on time, including the principal amount borrowed, the
40 repayment installment amount, the frequency of payment, and the insuffi-
41 cient funds fee, if applicable; and

42 (ii) an explanation of whether, and under what circumstances, a
43 borrower may exit a loan agreement.

44 (e) The principal amount upon origination of the loan shall be no less
45 than two hundred fifty dollars and no more than two thousand five
46 hundred dollars, and a term of not less than the following:

47 (i) ninety days for loans whose principal balance upon origination is
48 less than five hundred dollars;

49 (ii) one hundred twenty days for loans whose principal balance upon
50 origination is at least five hundred dollars, but is less than one thou-
51 sand five hundred dollars; or

52 (iii) one hundred eighty days for loans whose principal balance upon
53 origination is at least one thousand five hundred dollars.

54 6. The exempt entity may restructure a borrower's loan only if the
55 loan as restructured continues to comply with the requirements in para-
56 graphs (a), (b) and (c) of subdivision five of this section.

1 7. An exempt entity shall not sell or assign unpaid debt arising out
2 of any loans made pursuant to the authority of this section to third
3 parties for collection.

4 8. Prior to disbursement of loan proceeds, the exempt entity shall at
5 no cost to the borrower either:

6 (a) provide a credit education program or seminar to the borrower that
7 has been previously reviewed and approved by the superintendent for use
8 in complying with this section; or

9 (b) obtain evidence that the borrower has attended a credit education
10 program or seminar offered by an independent third party that has been
11 previously reviewed and approved by the superintendent for use in
12 complying with this section.

13 9. An exempt entity shall report each borrower's payment performance
14 to at least one consumer reporting agency that compiles and maintains
15 files on consumers on a nationwide basis. For purposes of this section,
16 a consumer reporting agency that compiles and maintains files on consum-
17 ers on a nationwide basis is one that meets the definition in section
18 603(p) of the federal Fair Credit Reporting Act (15 U.S.C. Sec.
19 1681a(p)). Any exempt entity that is accepted as a data furnisher shall
20 report all borrower payment performance since the inception of lending
21 by such entity, as soon as practicable after such individual is accepted
22 into the exempt entity's lending program, but in no event more than six
23 months after its acceptance into the program.

24 10. The exempt entity shall underwrite each loan and shall ensure that
25 a loan is not made if, through its underwriting, the entity determines
26 that the borrower's total monthly debt service payments, at the time of
27 loan origination, including the loan for which the borrower is being
28 considered, and across all outstanding forms of credit that can be inde-
29 pendently verified by the exempt entity, exceeds fifty percent of the
30 borrower's gross monthly household income, unless a lesser amount is
31 mandated by subparagraph (iii) of paragraph (c) of this subdivision. The
32 exempt entity shall in every case:

33 (a) Obtain information and documentation pertaining to all of a
34 borrower's outstanding debt obligations during the loan application and
35 underwriting process, including but not limited to verified information
36 from a credit report and loans that are self-reported by the borrower
37 but not available through independent verification.

38 (b) Not include for purposes of a debt-to-income ratio evaluation,
39 loans from friends or family, except if in the judgment of the exempt
40 entity, such inclusion is necessary to protect the interests of the
41 consumer.

42 (c) Verify the borrower's household income to determine the borrower's
43 debt-to-income ratio using information from any of the following sourc-
44 es:

45 (i) electronic means or services deemed acceptable by the superinten-
46 dent;

47 (ii) Internal Revenue Service form W-2, tax returns, payroll receipts,
48 bank statements, or other third-party documents that provide reasonably
49 reliable evidence of the borrower's actual income; or

50 (iii) a signed statement from the borrower stating sources and amounts
51 of income, if the borrower's actual income cannot be independently veri-
52 fied using electronic means or services, Internal Revenue Service forms,
53 tax returns, payroll receipts, bank statements, or other third-party
54 documents. If income is verified using a signed statement from a borrow-
55 er, a loan shall not be made if the borrower's total monthly debt
56 service payments, at the time of loan origination, including the loan

1 for which the borrower is being considered, and across all outstanding
2 forms of credit, exceeds twenty-five percent of the borrower's gross
3 monthly household income.

4 11. The exempt entity shall notify each borrower, at least two days
5 prior to each payment due date, of the amount due and the payment due
6 date. Notification may be provided by any means mutually acceptable to
7 the borrower and the exempt entity. A borrower shall have the right to
8 opt out of this notification at any time, upon electronic or written
9 request to the exempt entity. The exempt entity shall notify each
10 borrower of this right prior to disbursing loan proceeds.

11 12. No exempt entity, in connection with, or incidental to, the facil-
12 itating of any loan made pursuant to this section, shall offer, sell, or
13 require a borrower to contract for "credit insurance" or insurance on
14 tangible personal or real property of any type securing any loan.

15 13. An exempt entity may partner with a nonprofit organization for the
16 purpose of facilitating zero-interest loans by the exempt entity pursu-
17 ant to this section. This nonprofit organization shall not be subject to
18 this section, provided that it satisfies the requirements applicable to
19 an exempt entity set forth in paragraphs (b), (c) and (d) of subdivision
20 two of this section and provided that:

21 (a) The exempt entity notifies the superintendent within fifteen days
22 of entering into a written agreement with a partnering nonprofit organ-
23 ization, on such form and in such manner as the superintendent may
24 prescribe. At a minimum, this notification shall include the name of the
25 partnering nonprofit organization, the contact information for a person
26 responsible for the lending activities facilitated by that partnering
27 organization, a copy of the agreement and the address or addresses at
28 which the partnering organization can be reached.

29 (b) The exempt entity includes information regarding the loans facili-
30 tated by the partnering organization in the annual report required
31 pursuant to subdivision four of this section.

32 (c) The superintendent may, at his or her sole discretion, disqualify
33 a partnering nonprofit organization upon a determination that this
34 organization has acted in violation of this section or any regulation
35 adopted hereunder.

36 14. The superintendent may examine or request a special report from
37 each exempt entity and each partnering nonprofit organization for
38 compliance with the provisions of this section at any time. Any entity
39 so examined shall make available to the superintendent or his or her
40 representative all books and records requested by the superintendent
41 related to the lending activities facilitated by that entity. In addi-
42 tion to the application fee provided for in paragraph (a) of subdivision
43 three of this section, the cost of any such examination shall be paid
44 for by the entity being examined.

45 15. All reports of examinations and investigations, correspondence and
46 memoranda concerning or arising out of any examination or investigation
47 of an exempt entity shall be subject to the provisions of subdivision
48 ten of section thirty-six of this chapter.

49 16. The superintendent is hereby authorized and empowered to make such
50 general rules and regulations, and such specific rulings, demands and
51 findings as he or she may deem necessary for the proper conduct of the
52 lending activities exempted from licensing under this section.

53 § 2. This act shall take effect on the one hundred eightieth day after
54 it shall have become a law.

1 Section 1. The state finance law is amended by adding a new section
2 89-i to read as follows:

3 § 89-i. Paid family leave risk adjustment fund. 1. There is hereby
4 established in the sole custody of the superintendent of financial
5 services a special fund, to be known as the "paid family leave risk
6 adjustment fund".

7 2. Such fund shall consist of money received by the superintendent
8 from insurance carriers as payments into any risk adjustment mechanism
9 established by regulation in accordance with paragraph two of subsection
10 (n) of section four thousand two hundred thirty-five of the insurance
11 law.

12 3. All moneys retained in such fund shall be held on behalf of insur-
13 ance carriers and paid out by the superintendent to insurance carriers
14 pursuant to the risk adjustment mechanism established by regulation in
15 accordance with paragraph two of subsection (n) of section four thousand
16 two hundred thirty-five of the insurance law.

17 4. The funds so received and deposited in such risk adjustment fund
18 shall not be deemed to be state funds.

19 § 2. This act shall take effect immediately.

20 PART EE

21 Section 1. Section 340 of the banking law, as amended by chapter 22 of
22 the laws of 1990, is amended to read as follows:

23 § 340. Doing business without license prohibited. 1. No person or
24 other entity shall engage in the business of making loans in the princi-
25 pal amount of twenty-five thousand dollars or less for any loan to an
26 individual for personal, family, household, or investment purposes and
27 in a principal amount of fifty thousand dollars or less to an individual
28 or business for business and commercial loans, [and charge, contract
29 for, or receive a greater rate of interest than the lender would be

39 section eleven hundred twelve of the public health law, or at any time
40 upon the request of the commissioner of health, the department may
41 undertake all reasonable and necessary measures to ensure that safe

44 shall include, at a minimum, all properties served by the water system
45 and any land and any surface or underground water sources identified by
46 the department or department of health as causing or contributing to the
47 contamination. The department's measures may include the installation
48 of treatment systems, including but not limited to installation of
49 onsite water supplies, or the provision of alternative water supply
50 sources to ensure that water meets applicable maximum contaminant levels
51 or other threshold concentrations set by the department of health.

52 2. If the department, in consultation with the department of health,
53 is able to identify a source of contamination which caused or contrib-
54 uted to contamination, the department shall require the owner or opera-
55 tor of the source of contamination to investigate, develop and implement
56 a plan to remediate the source of contamination.

23 is released by the commissioner of environmental conservation where a
24 legally enforceable agreement satisfactory to the commissioner has been
25 executed relating to the cleanup and removal costs and damage costs or

46 otherwise repay bonds or notes previously issued. Such bonds and notes
47 of the corporation shall not be a debt of the state, and the state shall
48 not be liable thereon, nor shall they be payable out of any funds other
49 than those appropriated by this state to the corporation for debt
50 service and related expenses pursuant to any service contracts executed
51 pursuant to subdivision one of this section, and such bonds and notes

Such status report shall reflect information available to the department as of March thirty-first of each year, and shall include an accounting of all ~~[monies]~~ moneys expended or encumbered from the environmental quality bond act of nineteen hundred eighty-six or the hazardous waste remedial fund during the preceding fiscal year, such accounting to separately list:

i. ~~[monies]~~ moneys expended or encumbered in stand-by contracts entered into pursuant to section 3-0309 of this chapter and the purposes for which these stand-by contracts were entered into; ~~[and]~~

§ 13. Paragraph b of subdivision 1 and paragraphs b and f of subdivision 5 of section 27-1313 of the environmental conservation law, paragraph b of subdivision 1 as added by section 5 of part E of chapter 1 of the laws of 2003, paragraph b as amended by and paragraph f of subdivision 5 as added by chapter 857 of the laws of 1982, are amended and a new subdivision 11 is added to read as follows:

b. The department shall have the authority to require, and may undertake directly, the development and implementation of a department-approved inactive hazardous waste disposal site remedial program, in accordance with section ninety-seven-b of the state finance law.

b. In the event that the commissioner has found that hazardous wastes at a site constitute a significant threat to the environment, but after a reasonable attempt to determine who may be responsible is either unable to determine who may be responsible, ~~[or]~~ is unable to locate a person who may be responsible, or is unable after making all reasonable effort to secure voluntary agreement to pay the costs of necessary remedial actions from owners or operators or other responsible persons, the department may develop and implement an inactive hazardous waste

1 disposal site remedial program for such site. The commissioner shall
2 make every effort, in an action brought before a court of appropriate
3 jurisdiction or in accordance with the requirements for notice, hearing
4 and review provided for in this title, to secure appropriate relief from
5 any person subsequently identified or located who is responsible for the
6 disposal of hazardous waste at such site, including, but not limited to,

10 penalties.

11 f. The commissioner shall make every effort, in an action brought
12 before a court of appropriate jurisdiction or in accordance with the
13 requirements for notice, hearing and review provided for in this title
14 to secure appropriate relief from the owner or operator of such site
15 and/or any person responsible for the disposal of hazardous wastes at
16 such site pursuant to applicable principles of statutory or common law
17 liability, including, but not limited to, development and implementation
18 of an inactive hazardous waste disposal site remedial program, payment
19 of the cost of such program, recovery of any reasonable expenses
20 incurred by the state, money damages and penalties.

21 11. A remedial decision by the state or the department or a response
22 action taken by the department or ordered by the department under this
23 section shall not constitute a final decision or order until the depart-
24 ment files an action to enforce such decision or order or to collect a
25 penalty for violation of such order or to recover its response costs.

26 § 14. The section heading and subdivision 1 of section 27-1316 of the
27 environmental conservation law, as added by section 8 of part E of chap-

30 1. The commissioner is authorized to provide, or order a person acting
31 under order or on consent, to provide grants to any eligible munici-
32 pality or not-for-profit corporation exempt from taxation under section
33 501(c)(3) of the internal revenue code who may be affected by an inac-
34 tive hazardous waste disposal site remedial program. To qualify to
35 receive such assistance, a community group must demonstrate that its
36 membership represents the interests of the community affected by such
37 site, and that members', or in the case of a municipality its residents,
38 health, economic well-being or enjoyment of the environment are poten-
39 tially affected by such site. An eligible municipality shall be a coun-
40 ty, city, town, village, or Indian tribe or nation residing within New
41 York state, with a population of ten thousand or less, provided, howev-
42 er, that the department may make a municipality eligible if it deter-
43 mines that a municipality is a hardship community. A municipality shall
44 not be eligible for a grant for any site which is owned or has been
45 operated by such municipality. Such grants shall be known as technical
46 assistance grants and may be used to obtain technical assistance in
47 interpreting information with regard to the nature of the hazard posed
48 by hazardous waste located at or emanating from an inactive hazardous
49 waste disposal site or sites and the development and implementation of
50 an inactive hazardous waste disposal site remedial program or programs.
51 Such grants may also be used:

52 (a) to advise affected residents on any health assessment; and

53 (b) for training funds for the education of interested affected commu-
54 nity members or municipality to enable them to more effectively partic-
55 ipate in the remedy selection process.

1 Grants awarded under this section may not be used for the purposes of
2 collecting field sampling data, political activity or lobbying legisla-
3 tive bodies.

4 § 15. Subdivision 1 of section 27-1321 of the environmental conserva-
5 tion law, as amended by section 22 of part G of chapter 58 of the laws
6 of 2012, is amended to read as follows:

7 1. Notwithstanding any other provision of law to the contrary, any
8 person who is, by professional training or experience and attainment,
9 qualified to analyze and interpret matters pertaining to the treatment,
10 storage, disposal, or transport of hazardous materials or hazardous
11 wastes, and who voluntarily and without expectation of monetary compen-
12 sation provides assistance or advice in mitigating the effects of an
13 accidental or threatened discharge of any hazardous materials or hazard-
14 ous wastes, or in preventing, cleaning up, or disposing of any such
15 discharge, shall not be subject to a penalty or to civil liability for
16 damages or injuries alleged to have been sustained by any person or
17 entity by reason of an act or omission in the giving of such assistance
18 or advice. For the purposes of this section, the term "hazardous materi-
19 als" shall have the same meaning as that term is defined in regulations
20 promulgated by the commissioner of transportation pursuant to section
21 fourteen-f of the transportation law, and the term "hazardous wastes"
22 shall mean those wastes identified or listed pursuant to subdivision one
23 of section [27-0903] 27-1301 of this article and any rules and regu-
24 lations promulgated thereunder.

25 § 16. Subdivision 10 of section 71-2702 of the environmental conserva-
26 tion law, as added by chapter 671 of the laws of 1986, is amended to
27 read as follows:

28 10. "Substance hazardous to public health, safety or the environment"
29 means any substance which:

30 (a) is identified or listed as a hazardous waste in regulations
31 promulgated pursuant to section 27-0903 of this chapter and all amend-
32 ments thereto, regardless of whether at the time of release the
33 substance was actually a waste; [REPEALED]

34 (b) appears on the list in regulations promulgated pursuant to para-
35 graph (a) of subdivision one of section 37-0103 of this chapter and all
36 amendments thereto[REPEALED];

37 (c) is petroleum; or

38 (d) poses a present or potential hazard to the environment when
39 improperly treated, stored, transported, disposed of, or otherwise
40 managed.

41 § 17. Paragraph a of subdivision 1 of section 71-2725 of the environ-
42 mental conservation law is REPEALED.

43 § 18. Subdivision 4 of section 11-b of the soil and water conservation
44 districts law, as amended by chapter 538 of the laws of 1996, is amended
45 to read as follows:

46 4. Eligible costs that may be funded pursuant to this section are
47 architectural and engineering services, plans and specifications,
48 including watershed based or individual agricultural nonpoint source
49 pollution assessments, consultant and legal services, conservation ease-
50 ments and associated transaction costs specific to title thirty-three of
51 article fifteen of the environmental conservation law and other direct
52 expenses related to project implementation.

53 § 19. If any clause, sentence, paragraph, section or part of this act
54 shall be adjudged by any court of competent jurisdiction to be invalid,
55 such judgment shall not affect, impair or invalidate the remainder ther-
56 eof, but shall be confined in its operation to the clause, sentence,

1 paragraph, section or part thereof directly involved in the controversy
2 in which such judgment shall have been rendered.

3 § 20. This act shall take effect immediately.

4 PART JJ

5 Section 1. Paragraph (a) of subdivision 6 of section 92-s of the state
6 finance law, as amended by chapter 432 of the laws of 1997, is amended
7 to read as follows:

8 (a) All moneys heretofore and hereafter deposited in the environmental
9 protection transfer account shall be transferred by the comptroller to
10 the solid waste account, the parks, recreation and historic preservation
11 account, the climate change mitigation and adaptation account or the
12 open space account upon the request of the director of the budget.

13 § 2. Subdivision 5 of section 27-1012 of the environmental conserva-
14 tion law, as amended by section 6 of part F of chapter 58 of the laws of
15 2013, is amended to read as follows:

16 5. All monies collected or received by the department of taxation and
17 finance pursuant to this title shall be deposited to the credit of the
18 comptroller with such responsible banks, banking houses or trust compa-
19 nies as may be designated by the comptroller. Such deposits shall be
20 kept separate and apart from all other moneys in the possession of the
21 comptroller. The comptroller shall require adequate security from all
22 such depositories. Of the total revenue collected, the comptroller shall
23 retain the amount determined by the commissioner of taxation and finance
24 to be necessary for refunds out of which the comptroller must pay any
25 refunds to which a deposit initiator may be entitled. After reserving
26 the amount to pay refunds, the comptroller must, by the tenth day of
27 each month, pay into the state treasury to the credit of the general
28 fund the revenue deposited under this subdivision during the preceding
29 calendar month and remaining to the comptroller's credit on the last day
30 of that preceding month; provided, however, that, beginning April first,
31 two thousand [~~thirteen~~] fourteen, and all fiscal years thereafter,
32 [~~fifteen~~] twenty-three million dollars plus all funds received from the
33 payments due each fiscal year pursuant to subdivision four of this
34 section in excess of [~~the amount received from April first, two thousand~~
35 ~~twelve through March thirty-first, two thousand thirteen~~] one hundred
36 twenty-two million two hundred thousand dollars, shall be deposited to
37 the credit of the environmental protection fund established pursuant to
38 section ninety-two-s of the state finance law.

39 § 3. This act shall take effect immediately and shall be deemed to
40 have been in full force and effect on and after April 1, 2016.

41 PART KK

42 Section 1. Approximately 40 percent of the food produced in the United
43 States today goes uneaten. Much of this organic waste is disposed of in
44 solid waste landfills, where its decomposition accounts for over 15
45 percent of our nation's emissions of methane, a potent greenhouse gas.
46 Meanwhile, an estimated 2.8 million New Yorkers are facing hunger and
47 food insecurity. This legislation is designed to address these multiple
48 challenges by: encouraging the prevention of food waste generation by
49 commercial generators and residents; directing the recovery of excess
50 edible food from high-volume commercial food waste generators; and
51 ensuring that a significant portion of inedible food waste from large

1 volume food waste generators is managed in a sustainable manner, and
2 does not end up being sent to landfills or incinerators.

3 § 2. Article 27 of the environmental conservation law is amended by
4 adding a new title 22 to read as follows:

5 TITLE 22

6 FOOD DONATION AND FOOD SCRAPS RECYCLING

7 Section 27-2201. Definitions.

8 27-2203. Designated food scraps generator responsibilities.

9 27-2205. Transporter responsibilities.

10 27-2207. Transfer station or other intermediary responsibil-
11 ities.

12 27-2209. Food scraps disposal prohibition.

13 27-2211. Department responsibilities.

14 27-2213. Regulations.

15 27-2215. Exclusions.

16 27-2217. Preemption and severability.

17 § 27-2201. Definitions.

18 1. "Designated food scraps generator" means a person who generates at
19 a single location an annual average of two tons per week or more of
20 excess food and food scraps, including, but not limited to, supermar-
21 kets, restaurants, higher educational institutions, hotels, food proces-
22 sors, correctional facilities, sports or entertainment venues, hospitals
23 and other health care facilities. For a location with multiple independ-
24 ent food service businesses, such as a mall or college campus, the enti-
25 ty responsible for contracting for solid waste hauling services is
26 responsible for managing excess food and food scraps from the independ-
27 ent businesses.

28 2. "Excess food" means edible food that is not sold or used by its
29 generator.

30 3. "Food scraps" means inedible food, trimmings from the preparation
31 of food, food-soiled paper, and edible food that is not donated. Food
32 scraps shall not include food from residential sources or any food which
33 is subject to a recall or seizure due to the presence of pathogens,
34 including but not limited to: Listeria Monocytogenes, confirmed Clos-
35 tridium Botulinum, E. coli 0157:H7 and all salmonella in ready-to-eat
36 foods.

37 4. "Organics recycler" means a facility that recycles food scraps
38 through use as animal feed or a feed ingredient, rendering, land appli-
39 cation, composting, aerobic digestion, anaerobic digestion, or ethanol
40 production. Animal scraps, food soiled paper, and post-consumer food
41 scraps are prohibited for use as animal feed or as a feed ingredient.
42 The product created from food scraps by a composting or digestion facil-
43 ity, or other treatment system, must be used in a beneficial manner as a
44 soil amendment and shall not be combusted or landfilled. The department
45 may designate other techniques or technologies by regulation, provided
46 they do not include combustion or landfilling.

47 5. "Person" means any individual, business entity, partnership, compa-
48 ny, corporation, not-for-profit corporation, association, governmental
49 entity, public benefit corporation, public authority, firm, organization
50 or any other group of individuals, or any officer or employee or agent
51 thereof.

52 6. "Single location" means contiguous property under common ownership,
53 which may include one or more buildings.

54 § 27-2203. Designated food scraps generator responsibilities.

55 1. No later than January first, two thousand twenty-one:

1 (a) all designated food scraps generators shall separate their excess
2 food for donation for human consumption to the maximum extent practica-
3 ble, and in accordance with applicable laws, rules and regulations
4 related to food donation; and

5 (b) except as provided in paragraph (c) of this subdivision, each
6 designated food scraps generator that is within fifty miles of an organ-
7 ics recycler, to the extent that the recycler has capacity to accept a
8 substantial portion or all of the generator's excess food and food
9 scraps as determined by the department on a yearly basis, shall:

10 (i) separate its remaining excess food and food scraps from other
11 solid waste that cannot be effectively processed by the organics recy-
12 cler that will be managing the materials. Whenever practicable, excess
13 food and food scraps should be removed from packaging at the point of
14 generation or be sent to a facility that can remove the packaging from
15 the product;

16 (ii) ensure proper storage for excess food and food scraps collection
17 on site which shall preclude such materials from becoming odorous or
18 attracting vectors;

19 (iii) post instructions and provide training for employees concerning
20 the proper methods to separate and store excess food and food scraps;
21 and

22 (iv) obtain a transporter that will deliver its excess food and food
23 scraps to an organics recycler, either directly or through an interme-
24 diary, self-haul its food scraps to an organics recycler, either direct-
25 ly or through an intermediary, or provide for organics recycling
26 on-site.

27 (c) The provisions of paragraph (b) of this subdivision shall not
28 apply to any designated food scraps generator that has all of its solid
29 waste processed in a mixed solid waste composting or mixed solid waste
30 anaerobic digestion facility.

31 2. All designated food scraps generators shall submit an annual report
32 to the department on or before March first, two thousand twenty-two, and
33 annually thereafter, in an electronic format. The annual report must
34 summarize the amount of excess food donated and the amount of excess
35 food not donated, the amount of food scraps recycled, the organics recy-
36 cler or recyclers and associated transporters used, and any other infor-
37 mation as required by the department.

38 3. A designated food scraps generator may petition the department for
39 a temporary waiver from some or all of the requirements of this title.
40 The petition must include evidence of undue hardship based on the unique
41 circumstances of the generator. A waiver shall be no longer than one
42 year in duration.

43 § 27-2205. Transporter responsibilities.

44 1. Any transporter that collects source-separated excess food and food
45 scraps for recycling from a designated food scraps generator shall:

46 (a) deliver collected excess food and food scraps to a transfer
47 station or other intermediary that will deliver such excess food and
48 food scraps to an organics recycler; or

49 (b) deliver such food scraps directly to an organics recycler.

50 2. Any transporter that collects source-separated excess food and food
51 scraps from a designated food scraps generator shall not deliver those
52 excess food and food scraps to a combustion facility or a landfill nor
53 commingle the material with any other solid waste unless such waste can
54 be processed by an organics recycler.

55 § 27-2207. Transfer station or other intermediary responsibilities.

1 Any transfer station or other intermediary that receives source-sepa-
2 rated excess food and food scraps from a designated food scraps genera-
3 tor must ensure that the food scraps are taken to an organics recycler.
4 No transfer station or other intermediary may commingle the material
5 with any other solid waste unless such waste can be processed by an
6 organics recycler.

7 § 27-2209. Food scraps disposal prohibition.

8 Solid waste combustion facilities and landfills shall not accept
9 source-separated excess food and food scraps from designated food scraps
10 generators required to send their excess food not donated and food
11 scraps to an organics recycler as outlined under section 27-2203 of this
12 title, either directly or from an intermediary, after January first, two
13 thousand twenty-one, unless the designated food scraps generator has
14 received a temporary waiver under subdivision three of section 27-2203
15 of this title.

16 § 27-2211. Department responsibilities.

17 1. The department shall, in consultation with industry represen-
18 tatives, publish on its website: (a) the methodology the department will
19 use to determine who is a designated food scrap generator; and (b) a
20 list of all designated food scraps generators, organics recyclers, and
21 all transporters that manage source-separated organics.

22 2. No later than October first, two thousand twenty, the department
23 shall assess the capacity of organic recyclers and notify designated
24 food scraps generators if they are required to comply with the
25 provisions of paragraph (b) of subdivision one of section 27-2203 of
26 this title.

27 3. The department shall develop and make available educational materi-
28 als to assist designated food scraps generators with compliance with
29 this title. The department shall also develop education materials on
30 food waste minimization and encourage municipalities to disseminate
31 these materials both on their municipal websites and in any such future
32 mailings to their residents as they may distribute.

33 § 27-2213. Regulations.

34 The department may promulgate rules and regulations necessary to
35 implement the provisions of this title. At a minimum, the department
36 shall promulgate rules and regulations that set forth how designated
37 food scraps generators shall comply with the provisions of paragraph (a)
38 and subparagraph (i) of paragraph (b) of subdivision one of section
39 27-2203 of this title.

40 § 27-2215. Exclusions.

41 1. This title shall not apply to any designated food scraps generators
42 located in a city with a population of one million or more which has a
43 local law, ordinance or regulation in place which requires the diversion
44 of excess food and food scraps from disposal.

45 2. This title does not apply to elementary and secondary schools.

46 § 27-2217. Preemption and severability.

47 1. Any provision of any local law or ordinance, or any regulation
48 promulgated thereto, governing the recycling of food scraps shall upon
49 the effective date of this title be preempted, except in a city with a
50 population of one million or more. However, local laws or ordinances,
51 or parts thereof, affecting the recycling of food scraps that include
52 generators not covered by this title shall not be preempted.

53 2. The provisions of this title shall be severable and if any portion
54 thereof or the applicability thereof to any person or circumstances is
55 held invalid, the remainder of this title and the application thereof
56 shall not be affected thereby.

§ 3. This act shall take effect immediately.

PART LL

Section 1. The public authorities law is amended by adding a new section 1005-d to read as follows:

§ 1005-d. Sharing employees, services and resources; indemnity and defense. 1. For the purposes of this section, the following words and terms shall have the following meanings unless the context indicates another meaning or intent:

No such settlement of any such

1 action, proceeding, claim or demand shall be made without the approval
2 of the authority's board of trustees or its designee.

3 6. Any claim or proceeding commenced against any unit, entity, officer
4 or employee of the authority or canal corporation that arises pursuant
5 to any shared services agreement shall not be construed in any way to
6 impair, alter, limit, modify, abrogate or restrict any immunity avail-

27 liabilities arising from or occasioned by the acts or omissions to act
28 on behalf of the department pursuant to a shared services agreement,
29 provided, however, that the act or omission from which such judgment or
30 settlement arose occurred while the department was acting within the
31 scope of its functions pursuant to a shared services agreement. Any such
32 settlement shall be executed pursuant to section twenty-a of the court
33 of claims act.

34 (d) Any claim or proceeding commenced against any unit, entity, offi-
35 cer or employee of the department pursuant to any shared services agree-
36 ment shall not be construed in any way to impair, alter, limit, modify,
37 abrogate or restrict any immunity available to or conferred upon any
38 unit, entity, officer or employee of the department, or to impair,
39 alter, limit, modify, abrogate or restrict any right to defense and
40 indemnification provided for any governmental officer or employee by, in

48 the applicable effective date of Parts A through MM of this act shall be
49 as specifically set forth in the last section of such Parts.
