45 of determining the amount to be deducted and withheld from wages on  
46 account of taxes imposed by or pursuant to the authority of article 30  
47 of the tax law in connection with the implementation of the provisions

8 amount of tax year 2017 liability so that such amount is withheld by  
9 December 31, 2017. In carrying out his or her duties and responsibil-  
10 ities under this section, the commissioner of taxation and finance may  
11 prescribe a similar procedure with respect to the taxes required to be  
12 deducted and withheld by local laws imposing taxes pursuant to the

36 (i) The tax savings for each parcel receiving the exemption authorized

2 Section 1. Subparagraph (ii) of paragraph (b) of subdivision 4 of  
3 section 425 of the real property tax law, as amended by section 3 of  
4 part E of chapter 83 of the laws of 2002, is amended to read as follows:

5 (ii) The term "income" as used herein shall mean the "adjusted gross  
6 income" for federal income tax purposes as reported on the applicant's  
7 federal or state income tax return for the applicable income tax year,  
8 subject to any subsequent amendments or revisions, reduced by distrib-  
9 utions, to the extent included in federal adjusted gross income,  
10 received from an individual retirement account and an individual retire-  
11 ment annuity; provided that if no such return was filed for the applica-  
12 ble income tax year, "income" shall mean the adjusted gross income that  
13 would have been so reported if such a return had been filed. Provided  
14 further, that effective with exemption applications for final assessment  
15 rolls to be completed in two thousand eighteen, where an income-eli-  
16 bility determination is wholly or partly based upon the income of one or  
17 more individuals who did not file a return for the applicable income tax  
18 year, then in order for the application to be considered complete, each  
19 such individual must file a statement with the department showing the  
20 source or sources of his or her income for that income tax year, and the  
21 amount or amounts thereof, that would have been reported on such a  
22 return if one had been filed. Such statement shall be filed at such  
23 time, and in such form and manner, as may be prescribed by the depart-  
24 ment, and shall be subject to the secrecy provisions of the tax law to  
25 the same extent that a personal income tax return would be. The depart-  
26 ment shall make such forms and instructions available for the filing of  
27 such statements.

28 § 2. Subparagraph (iv) of paragraph (b) of subdivision 4 of section  
29 425 of the real property tax law, as amended by chapter 451 of the laws  
30 of 2015, is amended to read as follows:

31 (iv) (A) Effective with applications for the enhanced exemption on  
32 final assessment rolls to be completed in two thousand [~~three~~] eighteen,  
33 the application form shall indicate that [~~the~~] all owners of the proper-

36 ~~eafter~~] by the [~~state~~] department [~~of taxation and finance, in lieu of~~  
37 ~~furnishing copies of the applicable income tax return or returns with~~  
38 ~~the application. If the owners of the property and any owners' spouses~~  
39 ~~residing on the premises elect to participate in this program, which~~  
40 ~~shall be known as the STAR income verification program, they~~] and must  
41 furnish their taxpayer identification numbers in order to facilitate  
42 matching with records of the department. [~~Thereafter, their~~] The income  
43 eligibility of such persons shall be verified annually by the  
44 department, and the assessor shall not request income documentation from  
45 them[, ~~unless such department advises the assessor that they do not~~  
46 ~~satisfy the applicable income eligibility requirements, or that it is~~  
47 ~~unable to determine whether they satisfy those requirements~~]. All appli-  
48 cants for the enhanced exemption and all assessing units shall be  
49 required to participate in this program, which shall be known as the  
50 STAR income verification program.

51 (B) Where the commissioner finds that the enhanced exemption should be  
52 replaced with a basic exemption because the income limitation applicable  
53 to the enhanced exemption has been exceeded, he or she shall provide the  
54 property owners with notice and an opportunity to submit to the commis-  
55 sioner evidence to the contrary. Where the commissioner finds that the

1 enhanced exemption should be removed or denied without being replaced  
2 with a basic exemption because the income limitation applicable to the  
3 basic exemption has also been exceeded, he or she shall provide the  
4 property owners with notice and an opportunity to submit to the commis-  
5 sioner evidence to the contrary. In either case, if the owners fail to  
6 respond to such notice within forty-five days from the mailing thereof,  
7 or if their response does not show to the commissioner's satisfaction  
8 that the property is eligible for the exemption claimed, the commission-  
9 er shall direct the assessor or other person having custody or control  
10 of the assessment roll or tax roll to either replace the enhanced  
11 exemption with a basic exemption, or to remove or deny the enhanced  
12 exemption without replacing it with a basic exemption, as appropriate.  
13 The commissioner shall further direct such person to correct the roll  
14 accordingly. Such a directive shall be binding upon the assessor or  
15 other person having custody or control of the assessment roll or tax  
16 roll, and shall be implemented by such person without the need for  
17 further documentation or approval.

18 (C) Notwithstanding any provision of law to the contrary, neither an  
19 assessor nor a board of assessment review has the authority to consider  
20 an objection to the replacement or removal or denial of an exemption  
21 pursuant to this subdivision, nor may such an action be reviewed in a  
22 proceeding to review an assessment pursuant to title one or one-A of  
23 article seven of this chapter. Such an action may only be challenged  
24 before the department of taxation and finance. If a taxpayer is dissat-  
25 isfied with the department's final determination, the taxpayer may  
26 appeal that determination to the state board of real property tax  
27 services in a form and manner to be prescribed by the commissioner. Such  
28 appeal shall be filed within forty-five days from the issuance of the  
29 department's final determination. If dissatisfied with the state board's  
30 determination, the taxpayer may seek judicial review thereof pursuant to  
31 article seventy-eight of the civil practice law and rules. The taxpayer  
32 shall otherwise have no right to challenge such final determination in a  
33 court action, administrative proceeding or any other form of legal  
34 recourse against the commissioner, the department of taxation and  
35 finance, the state board of real property tax services, the assessor or  
36 other person having custody or control of the assessment roll or tax  
37 roll regarding such action.

38 § 3. Subparagraphs (v) and (vi) of paragraph (b) of subdivision 4 of  
39 section 425 of the real property tax law are REPEALED.

40 § 4. Paragraphs (b) and (c) of subdivision 5 of section 425 of the  
41 real property tax law are REPEALED.

44 of 2002 and subparagraph (i) as further amended by subdivision (b) of  
45 section 1 of part W of chapter 56 of the laws of 2010, is amended to  
46 read as follows:

47 (d) Third party notice. (i) A senior citizen eligible for the enhanced  
48 exemption may request that a notice be sent to an adult third party.  
49 Such request shall be made on a form prescribed by the commissioner and  
50 shall be submitted to the assessor of the assessing unit in which the  
51 eligible taxpayer resides no later than sixty days before the first  
52 taxable status date to which it is to apply. Such form shall provide a  
53 section whereby the designated third party shall consent to such desig-

55 The assessor shall maintain a list of all eligible property owners who

1 have requested notices pursuant to this paragraph and shall furnish a

12 exemption must be filed with the assessor no later than (enter date).  
13 You are encouraged to remind him, her, or them of that fact, and to  
14 offer assistance if needed, although you are under no legal obligation  
15 to do so. Your cooperation and assistance are greatly appreciated."

16 ~~(iii) In the case of a senior citizen who has elected to participate~~  
17 ~~in the STAR income verification program, a] A notice shall be sent to~~  
18 the designated third party whenever the assessor or department sends a  
19 notice to the senior citizen regarding the possible removal of the  
20 enhanced STAR exemption. When the exemption is subject to removal  
21 because the commissioner has determined that the income eligibility  
22 requirement is not satisfied, such notice shall be sent to the third  
23 party by the department. When the exemption is subject to removal  
24 because the assessor has determined that any other eligibility require-  
25 ment is not satisfied, such notice shall be sent to the third party by  
26 the assessor. Such notice shall read substantially as follows:

11 § 8. Section 425 of the real property tax law is amended by adding a  
12 new subdivision 14-a to read as follows:

13 14-a. Implementation of certain eligibility determinations. When a  
14 taxpayer's eligibility for exemption under this section for a school  
15 year is affected by a determination made in accordance with subparagraph  
16 (iv) of paragraph (b) of subdivision four of this section or paragraph  
17 (c) or (d) of subdivision fourteen of this section, and the determi-  
18 nation is made after the school district taxes for that school year have  
19 been levied, the provisions of this subdivision shall be applicable.

20 (a) if the determination restores or increases the taxpayer's  
21 exemption for that school year, the commissioner is authorized to remit  
22 the excess directly to the property owner upon receiving confirmation  
23 that the taxpayer's original school tax bill has been paid in full. The  
24 amounts payable by the commissioner under this paragraph shall be paid  
25 from the account established for the payment of STAR benefits to late  
26 registrants pursuant to subparagraph (iii) of paragraph (a) of subdivi-  
27 sion fourteen of this section. When the commissioner implements the  
28 determination in this manner, he or she shall so notify the assessor and  
29 county director of real property tax services, but no correction shall  
30 be made to the assessment roll or tax roll for that school year, and no  
31 refund shall be issued by the school authorities to the property owner  
32 or his or her agent for the excessive amount of school taxes paid for  
33 that school year.

34 (b) If the determination removes, denies or decreases the taxpayer's  
35 exemption for that school year, the commissioner is authorized to  
36 collect the shortfall directly from the owners of the property, together  
37 with interest, by utilizing any of the procedures for collection, levy,  
38 and lien of personal income tax set forth in article twenty-two of the  
39 tax law, and any other relevant procedures referenced within the  
40 provisions of such article. When the commissioner implements the deter-  
41 mination in this manner, he or she shall so notify the assessor and  
42 county director of real property tax services, but no correction shall  
43 be made to the assessment roll or tax roll for that school year, and no  
44 corrected school tax bill shall be sent to the taxpayer for that school  
45 year.

46 § 9. Section 171-o of the tax law is REPEALED.

47 § 10. Subparagraph (B) of paragraph 1 of subsection (eee) of section  
48 606 of the tax law, as amended by section 8 of part A of chapter 73 of  
49 the laws of 2016, is amended to read as follows:

50 (B) "Affiliated income" shall mean for purposes of the basic STAR  
51 credit, the combined income of all of the owners of the parcel who  
52 resided primarily thereon as of December thirty-first of the taxable  
53 year, and of any owners' spouses residing primarily thereon as of such  
54 date, and for purposes of the enhanced STAR credit, the combined income  
55 of all of the owners of the parcel as of December thirty-first of the  
56 taxable year, and of any owners' spouses residing primarily thereon as

1 of such date; provided that for both purposes the income to be so  
 2 combined shall be the "adjusted gross income" for the taxable year as  
 3 reported for federal income tax purposes, or that would be reported as  
 4 adjusted gross income if a federal income tax return were required to be  
 5 filed, reduced by distributions, to the extent included in federal  
 6 adjusted gross income, received from an individual retirement account  
 7 and an individual retirement annuity. For taxable years beginning on  
 8 and after January first, two thousand eighteen, where an income-eli-  
 9 bility determination is wholly or partly based upon the income of one or  
 10 more individuals who did not file a return pursuant to section six  
 11 hundred fifty-one of this article for the applicable income tax year,  
 12 then in order to be eligible for the credit authorized by this  
 13 subsection, each such individual must file a statement with the depart-  
 14 ment showing the source or sources of his or her income for that income  
 15 tax year, and the amount or amounts thereof, that would have been  
 16 reported on such a return if one had been filed. Such statement shall be  
 17 filed at such time, and in such form and manner, as may be prescribed by  
 18 the department, and shall be subject to the provisions of section six  
 19 hundred ninety-seven of this article to the same extent that a return  
 20 would be. The department shall make such forms and instructions avail-  
 21 able for the filing of such statements. Provided further, that if the  
 22 qualified taxpayer was an owner of the property during the taxable year  
 23 but did not own it on December thirty-first of the taxable year, then  
 24 the determination as to whether the income of an individual should be  
 25 included in "affiliated income" shall be based upon the ownership and/or  
 26 residency status of that individual as of the first day of the month  
 27 during which the qualified taxpayer ceased to be an owner of the proper-  
 28 ty, rather than as of December thirty-first of the taxable year.

29 § 11. No application for an enhanced exemption on a final assessment  
 30 roll to be completed in 2018 may be approved if the applicants have not  
 31 enrolled in the STAR income verification program established by subpara-  
 32 graph (iv) of paragraph (b) of subdivision 4 of section 425 of the real  
 33 property tax law as amended by section two of this act, regardless of  
 34 when the application was filed. The assessor shall notify such appli-  
 35 cants that participation in that program has become mandatory for all  
 36 applicants and that their applications cannot be approved unless they  
 37 enroll therein. The commissioner of taxation and finance shall provide a  
 38 form for assessors to use, at their option, when making this notifica-  
 39 tion.

40 § 12. This act shall take effect immediately.

41 PART F

42 Section 1. Section 928-a of the real property tax law, as added by  
 43 chapter 680 of the laws of 1994, subdivision 1 as further amended by  
 44 subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010  
 45 and subdivision 2 as amended by chapter 199 of the laws of 1997, is  
 46 amended to read as follows:

47 § 928-a. Partial payment of taxes. 1. (a) Notwithstanding the  
 48 provisions of any general or special law to the contrary, [~~the board of~~  
 49 ~~supervisors or the county legislature of any county may by resolution~~  
 50 ~~authorize the collecting officers in one or more of the classes of~~  
 51 ~~municipal corporations described herein]~~ each collecting officer is  
 52 hereby authorized to accept from any taxpayer at any time partial  
 53 payments for or on account of taxes, special ad valorem levies or  
 54 special assessments [~~in such amount or manner and apply such payments on~~

1 ~~account thereof in such manner as may be prescribed by such resolution;~~  
 2 ~~provided, however, that such resolution~~], unless the governing body of  
 3 the municipal corporation that employs the collecting officer has: (i)  
 4 passed a resolution disallowing partial payments or (ii) passed a resolu-  
 5 tion limiting the conditions under which partial payments will be  
 6 accepted, in which case partial payments shall be accepted in accordance  
 7 with the conditions set forth in the resolution.

8 (b) Such resolution may require a service charge not to exceed ten  
 9 dollars to be paid with each partial payment. Such service charge shall  
 10 belong to the municipal corporation that employs the collecting officer.

11 (c) Where a statement of taxes contains separate charges for separate  
 12 purposes, any partial payments shall be applied proportionately thereto.

13 (d) Where school district taxes are payable to the collecting officer  
 14 of a city or town that has not acted to disallow partial payments, the  
 15 governing body of the school district may pass a resolution disallowing  
 16 partial payments for school district purposes. If it has not done so,  
 17 then the collecting officer shall be authorized to accept partial  
 18 payments of school district taxes under the same conditions as may apply  
 19 to city or town taxes.

20 (e) Any resolution adopted pursuant to this section shall be adopted  
 21 at least sixty days prior to the preparation and delivery of the tax  
 22 rolls to the appropriate collecting officers. A copy of any resolution  
 23 ~~[enacting, amending or repealing any such partial payment program]~~  
 24 adopted pursuant to this section, or amending or repealing a resolution  
 25 adopted pursuant to this section, shall be filed with the commissioner  
 26 and, in the case of a resolution adopted by a school district, with the  
 27 city or town clerk, no later than thirty days after the adoption there-  
 28 of.

29 2. ~~[Such resolution shall apply to one or more of the following class-~~  
 30 ~~es of municipal corporations: (a) all towns within the county; (b) all~~

10 twenty percent of such qualified life sciences company's research and  
11 development expenditures in this state for the taxable year.

12 (B) The credit shall be allowed only with respect to the first taxable  
13 year during which the criteria set forth in this paragraph are satis-  
14 fied, and with respect to each of the four taxable years next following  
15 (but only, with respect to each of such years, if such criteria are  
16 satisfied). Subsequent certifications of the life sciences company by  
17 the department of economic development pursuant to this subdivision  
18 shall not extend the five taxable year time limitation on the allowance  
19 of the credit set forth in the preceding sentence.

20 (iii) The total amount of credit allowable to a qualified life  
21 sciences company, or, if the life sciences company is properly included  
22 or required to be included in a combined report, to the combined group,  
23 taken in the aggregate, shall not exceed five hundred thousand dollars.  
24 If the life sciences company is a partner in a partnership or sharehold-  
25 er of a New York S corporation, then the total amount of credit allow-  
26 able shall be applied at the entity level, so that the total amount of  
27 credit allowable to all the partners or shareholders of each such enti-  
28 ty, taken in the aggregate, does not exceed five hundred thousand  
29 dollars.

30 (iv) No research and development expenditures made by the life  
31 sciences company and used either as the basis for the allowance of the  
32 credit provided for pursuant to this subdivision or used in the calcu-  
33 lation of the credit provided pursuant to this subdivision shall be used  
34 to claim any other credit allowed pursuant to this chapter or be used in  
35 the calculation of any other credit allowed pursuant to this chapter.

36 (2) Maximum amount of credits. The aggregate amount of tax credits  
37 allowed under this subdivision to taxpayers subject to tax under arti-  
38 cles nine-A and twenty-two of this chapter in any taxable year shall be  
39 ten million dollars, and shall be allotted from the funds available for  
40 tax credits under article seventeen of the economic development law.  
41 Such aggregate amount of credits shall be allocated by the department of  
42 economic development among taxpayers in order of priority based upon the  
43 date of filing an application for allocation of life sciences research  
44 and development tax credit with such department. If the total amount of  
45 allocated credits applied for in any particular year exceeds the aggre-  
46 gate amount of tax credits allowed for such year under this subdivision,  
47 such excess shall be treated as having been applied for on the first day  
48 of the subsequent year.

49 (b) Angel investor tax credit. (1) Allowance of credit. (i) A taxpayer  
50 that is a qualified angel investor, or that is a sole proprietor of or a  
51 partner in a partnership that is a qualified angel investor or a share-  
52 holder of a New York S corporation that is a qualified angel investor,  
53 and is subject to tax under article nine-A or twenty-two of this chap-  
54 ter, shall be allowed a credit against such tax, pursuant to the  
55 provisions referred to in subdivision (e) of this section, for a period  
56 of ten years, to be computed as provided in this subdivision, provided

1 that no credit shall be allowed for taxable years beginning on or after  
2 January first, two thousand twenty-eight. Such credit shall be claimed  
3 in the taxable year specified on the certificate of angel investment  
4 issued to the qualified angel investor.

5 (ii) The amount of the credit shall be equal to twenty-five percent of  
6 each angel investment made during the taxable year.

7 (iii) The total amount of credit allowable to a qualified angel inves-  
8 tor, or, if the qualified angel investor is properly included or  
9 required to be included in a combined report, to the combined group,  
10 taken in the aggregate, shall not exceed two hundred fifty thousand  
11 dollars. If the angel investor is a partner in a partnership or share-  
12 holder of a New York S corporation, then the total amount of credit  
13 allowable shall be applied at the entity level, so that the total amount  
14 of credit allowable to all the partners or shareholders of each such  
15 entity, taken in the aggregate, does not exceed two hundred fifty thou-  
16 sand dollars.

17 (iv) No investment made by the taxpayer and used either as the basis  
18 for the allowance of the credit provided for pursuant to this subdivi-  
19 sion or used in the calculation of the credit provided pursuant to this  
20 subdivision shall be used to claim any other credit allowed pursuant to  
21 this chapter or used in the calculation of any other credit allowed  
22 pursuant to this chapter.

23 (2) Recapture. (i) If the certificate of angel investment of an angel  
24 investor issued by the department of economic development under this  
25 section is revoked by such department because the investment made by the  
26 angel investor does not meet the eligibility requirements set forth in  
27 this section and in regulation, the amount of credit described in this  
28 subdivision and claimed by such angel investor prior to that revocation  
29 shall be added back as tax in the taxable year in which any such revoca-  
30 tion becomes final.

31 (ii) Where a taxpayer sells, transfers or otherwise disposes of corpo-  
32 rate stock, a partnership interest or other ownership interest arising  
33 from the making of an angel investment that was the basis, in whole or  
34 in part, for the allowance of the credit provided for under this subdivi-  
35 sion, or where an investment that was the basis for such allowance is,  
36 in whole or in part, recovered by such taxpayer, and such disposition or  
37 recovery occurs during the taxable year or within forty-eight months  
38 from the close of the taxable year with respect to which such credit is  
39 allowed, the taxpayer shall add back as tax, with respect to the taxable  
40 year in which the disposition or recovery described above occurred, the  
41 amount of the credit originally claimed by the taxpayer.

42 (3) Maximum amount of credits. The aggregate amount of tax credits  
43 allowed under this subdivision to taxpayers subject to tax under arti-  
44 cles nine-A and twenty-two of this chapter in any taxable year shall be  
45 five million dollars. Such aggregate amount of credits shall be allo-  
46 cated by the department of economic development among taxpayers in order  
47 of priority based upon the date of filing an application for allocation  
48 of angel investor tax credit with such department. If the total amount  
49 of allocated credits applied for in any particular year exceeds the  
50 aggregate amount of tax credits allowed for such year under this subdivi-  
51 sion, such excess shall be treated as having been applied for on the  
52 first day of the subsequent year.

53 (c) Definitions. As used in this section the following terms shall  
54 have the following meanings:

55 (1) "Angel investment" means an investment in the form of a contrib-  
56 ution to the capital of the qualified life sciences company, provided

1 that such investment is at risk and is not secured or guaranteed. An  
2 "angel investment" does not include any loans, or investments in hedge  
3 funds or commodity funds with institutional investors or with invest-  
4 ments in a business involved in retail, real estate, professional  
5 services, gaming or financial services.

6 (2) "Angel investor" means an accredited investor, as defined by the  
7 United State Securities and Exchange Commission pursuant to section

9 of accredited investors, that reviews new or proposed businesses for  
10 potential investment and that may seek active involvement, such as  
11 consulting and mentoring, in a life sciences company. "Angel investor"  
12 does not include a person controlling, directly or indirectly, fifty  
13 percent or more of the life sciences company invested in by the angel  
14 investor or who is involved in the life sciences company in a full-time  
15 professional capacity, and does not include a corporation of which such  
16 life sciences company is a direct or indirect subsidiary, as defined in  
17 section two hundred eight of this chapter.

18 (3) "Certificate of angel investment" means the document issued to a  
19 qualified angel investor by the department of economic development for  
20 each angel investment made by the qualified angel investor, after the  
21 department or economic development has verified that such angel investor  
22 has met all applicable criteria in this section to be eligible for the  
23 angel investor tax credit allowed under subdivision (b) of this section,  
24 including but not limited to certifying that the life sciences company  
25 in which the angel investor has made such investment is a qualified life  
26 sciences company. The certificate shall be issued annually if such  
27 criteria are satisfied and shall specify the exact amount of each angel  
28 investment made by the angel investor and the amount of the tax credit  
29 that may be claimed by such angel investor, pursuant to subdivision (b)  
30 of this section, and shall specify the taxable year in which such credit  
31 may be claimed.

32 (4) "Certificate of tax credit" means the document issued to a quali-  
33 fied life sciences company by the department of economic development,  
34 after the department of economic development has verified that such life  
35 sciences company has met all applicable criteria in this section to be  
36 eligible for the life sciences research and development tax credit  
37 allowed under subdivision (a) of this section, including but not limited  
38 to verifying that the life sciences company is a new business. The  
39 certificate shall be issued annually if such criteria are satisfied and  
40 shall specify the exact amount of the life sciences research and devel-  
41 opment tax credit that may be claimed by such qualified life sciences  
42 company, pursuant to subdivision (a) of this section, and shall specify  
43 the taxable year in which such credit may be claimed.

44 (5) "New business" means any business that qualifies as a new business

52 the economic development law, that has been certified by the department  
53 of economic development as a life sciences company and is a new busi-  
54 ness. Provided that, for purposes of the angel investor tax credit  
55 provided pursuant to subdivision (b) of this section, a qualified life  
56 sciences company shall at the time that the angel investor makes an

1 initial angel investment in such life sciences company employ twenty or  
2 fewer persons during the taxable year and shall have had, during the  
3 immediately preceding taxable year, gross receipts of not greater than  
4 five hundred thousand dollars. Provided however, for purposes of the  
5 credits authorized under this section, the department of economic devel-  
6 opment shall not certify as a life sciences company any corporation,  
7 partnership, limited partnership, or other entity that has been within  
8 the immediately preceding sixty months a related person to an entity  
9 that is a life sciences company or an entity that is engaged in scien-

16 subsection (b) of section 41 of the internal revenue code and as further  
17 described in paragraph 3 of subsection (b) of section 41 of the internal  
18 revenue code. If section 41 of the internal revenue code has expired,  
19 then the research and development expenses shall be calculated as if the

22 effect.

23 (9) "Related person" means a related person as defined in subparagraph  
24 (c) of paragraph three of subsection (b) of section 465 of the internal  
25 revenue code. For this purpose, a "related person" shall include an  
26 entity that would have qualified as a "related person" if it had not  
27 been dissolved, liquidated, merged with another entity or otherwise  
28 ceased to exist or operate.

29 (d)(1) For purposes of this section, in order to be eligible for the  
30 life sciences research and development tax credit allowed under subdivi-  
31 sion (a) of this section, a life sciences company must be issued a  
32 certificate of tax credit by the department of economic development.  
33 The department of economic development shall verify that such life  
34 sciences company has met all applicable eligibility criteria in this  
35 section before issuing a certificate of tax credit, including but not  
36 limited to verifying that the life sciences company is a new business.

37 (2) For purposes of this section, in order to be eligible for the  
38 angel investor tax credit allowed under subdivision (b) of this section,  
39 an angel investor must be issued a certificate of angel investment by  
40 the department of economic development for each angel investment for  
41 which the credit is claimed. The department of economic development  
42 shall verify that such angel investor has met all applicable eligibility  
43 criteria in this section before issuing a certificate of angel invest-  
44 ment, including but not limited to certifying that the life sciences  
45 company in which the angel investor has made such investment is a quali-  
46 fied life sciences company.

47 (3) The commissioner of economic development, after consulting with  
48 the commissioner, shall promulgate regulations by October thirty-first,  
49 two thousand seventeen to establish procedures for the allocation of tax  
50 credits allowed under this section. Such rules and regulations shall  
51 include provisions describing the application process for each credit,  
52 the due dates for such applications, the eligibility standards for qual-  
53 ified life sciences companies, the standards which shall be used to  
54 evaluate the applications, the documentation that will be provided to  
55 taxpayers to substantiate to the department the amount of tax credits  
56 allocated to such taxpayers, and such other provisions as deemed neces-

1 sary and appropriate. Notwithstanding any other provisions to the  
2 contrary in the state administrative procedure act, such rules and regu-  
3 lations may be adopted on an emergency basis if necessary to meet such

9 (f) Notwithstanding any provision of this chapter, (i) employees and  
10 officers of the department of economic development and the department  
11 shall be allowed and are directed to share and exchange information  
12 regarding the credits applied for, allowed, or claimed pursuant to this  
13 section and taxpayers who are applying for credits or who are claiming  
14 credits, including information contained in or derived from credit claim  
15 forms submitted to the department and applications for certification  
16 submitted to the department of economic development, and (ii) the  
17 commissioner and the commissioner of the department of economic develop-  
18 ment may release the names and addresses of any taxpayer claiming these  
19 credits and the amount of the credit earned by the taxpayer. Provided,  
20 however, if a taxpayer claims either of these credits because it is a  
21 member of a limited liability company or a partner in a partnership,  
22 only the amount of credit earned by the entity and not the amount of  
23 credit claimed by the taxpayer may be released.

24 (g) For purposes of the credits allowed under this section, the number  
25 of persons employed by a qualified life sciences company during the  
26 taxable year shall be determined by ascertaining the number of such  
27 individuals employed full-time by such company, excluding general execu-  
28 tive officers, on the thirty-first day of March, the thirtieth day of  
29 June, the thirtieth day of September and the thirty-first day of Decem-  
30 ber during each taxable year, by adding together the number of such  
31 individuals ascertained on each of such dates and dividing the sum so  
32 obtained by the number of such dates occurring within such taxable year.  
33 An individual employed full-time means an employee in a job consisting  
34 of at least thirty-five hours per week, or two or more employees who are

48 the credit allowable under this paragraph for any taxable year reduces

6 any taxable year shall not reduce the tax due for such year to less than  
7 the amount prescribed in paragraph (d) of subdivision one of section two  
8 hundred ten of this article. Provided, however, that if the amount of  
9 the credit allowable under this paragraph for any taxable year reduces  
10 the tax to such amount or if the taxpayer otherwise pays tax based on  
11 the fixed dollar minimum amount, the excess shall be treated as an over-  
12 payment of tax to be credited or refunded in accordance with the  
13 provisions of section one thousand eighty-six of this chapter. Provided,

53 law, as amended by chapter 420 of the laws of 2016, is amended to read  
54 as follows:

1 (5) For the period two thousand fifteen through two thousand [~~nine-~~  
2 ~~teen~~] twenty-two, in addition to the amount of credit established in  
3 paragraph two of this subdivision, a taxpayer shall be allowed a credit  
4 equal to the product (or pro rata share of the product, in the case of a  
5 member of a partnership) of ten percent and the amount of wages or sala-  
6 ries paid to individuals directly employed (excluding those employed as  
7 writers, directors, music directors, producers and performers, including  
8 background actors with no scripted lines) by a qualified film production  
9 company or a qualified independent film production company for services  
10 performed by those individuals in one of the counties specified in this  
11 paragraph in connection with a qualified film with a minimum budget of  
12 five hundred thousand dollars. For purposes of this additional credit,  
13 the services must be performed in one or more of the following counties:  
14 Albany, Allegany, Broome, Cattaraugus, Cayuga, Chautauqua, Chemung,  
15 Chenango, Clinton, Columbia, Cortland, Delaware, Dutchess, Erie, Essex,  
16 Franklin, Fulton, Genesee, Greene, Hamilton, Herkimer, Jefferson, Lewis,  
17 Livingston, Madison, Monroe, Montgomery, Niagara, Oneida, Onondaga,  
18 Ontario, Orange, Orleans, Oswego, Otsego, Putnam, Rensselaer, Saratoga,  
19 Schenectady, Schoharie, Schuyler, Seneca, St. Lawrence, Steuben,  
20 [~~Suffolk~~] Sullivan, Tioga, Tompkins, Ulster, Warren, Washington, Wayne,

22 to the authority of this paragraph shall be five million dollars each  
23 year during the period two thousand fifteen through two thousand [~~nine-~~  
24 ~~teen~~] twenty-two of the annual allocation made available to the program  
25 pursuant to paragraph four of subdivision (e) of this section. Such  
26 aggregate amount of credits shall be allocated by the governor's office  
27 for motion picture and television development among taxpayers in order  
28 of priority based upon the date of filing an application for allocation  
29 of film production credit with such office. If the total amount of allo-  
30 cated credits applied for under this paragraph in any year exceeds the  
31 aggregate amount of tax credits allowed for such year under this para-  
32 graph, such excess shall be treated as having been applied for on the  
33 first day of the next year. If the total amount of allocated tax credits  
34 applied for under this paragraph at the conclusion of any year is less  
35 than five million dollars, the remainder shall be treated as part of the  
36 annual allocation made available to the program pursuant to paragraph  
37 four of subdivision (e) of this section. However, in no event may the  
38 total of the credits allocated under this paragraph and the credits  
39 allocated under paragraph [~~five~~] six of subdivision (a) of section thir-  
40 ty-one of this article exceed five million dollars in any year during  
41 the period two thousand fifteen through two thousand [~~nineteen~~] twenty-  
42 two.

43 § 2. Paragraph 4 of subdivision (e) of section 24 of the tax law, as

45 amended to read as follows:

46 (4) Additional pool 2 - The aggregate amount of tax credits allowed in  
47 subdivision (a) of this section shall be increased by an additional four  
48 hundred twenty million dollars in each year starting in two thousand ten

50 million dollars of the annual allocation shall be available for the  
51 empire state film post production credit pursuant to section thirty-one  
52 of this article in two thousand thirteen and two thousand fourteen and  
53 twenty-five million dollars of the annual allocation shall be available  
54 for the empire state film post production credit pursuant to section  
55 thirty-one of this article in each year starting in two thousand fifteen  
56 through two thousand [~~nineteen~~] twenty-two. This amount shall be allo-

1 cated by the governor's office for motion picture and television devel-  
2 opment among taxpayers in accordance with subdivision (a) of this  
3 section. If the commissioner of economic development determines that the  
4 aggregate amount of tax credits available from additional pool 2 for the  
5 empire state film production tax credit have been previously allocated,  
6 and determines that the pending applications from eligible applicants  
7 for the empire state film post production tax credit pursuant to section  
8 thirty-one of this article is insufficient to utilize the balance of  
9 unallocated empire state film post production tax credits from such  
10 pool, the remainder, after such pending applications are considered,  
11 shall be made available for allocation in the empire state film tax  
12 credit pursuant to this section, subdivision twenty of section two  
13 hundred ten-B and subsection (gg) of section six hundred six of this  
14 chapter. Also, if the commissioner of economic development determines  
15 that the aggregate amount of tax credits available from additional pool  
16 2 for the empire state film post production tax credit have been previ-  
17 ously allocated, and determines that the pending applications from  
18 eligible applicants for the empire state film production tax credit  
19 pursuant to this section is insufficient to utilize the balance of unal-  
20 located film production tax credits from such pool, then all or part of  
21 the remainder, after such pending applications are considered, shall be  
22 made available for allocation for the empire state film post production  
23 credit pursuant to this section, subdivision thirty-two of section two  
24 hundred ten-B and subsection (qq) of section six hundred six of this  
25 chapter. The governor's office for motion picture and television devel-  
26 opment must notify taxpayers of their allocation year and include the  
27 allocation year on the certificate of tax credit. Taxpayers eligible to  
28 claim a credit must report the allocation year directly on their empire  
29 state film production credit tax form for each year a credit is claimed  
30 and include a copy of the certificate with their tax return. In the case  
31 of a qualified film that receives funds from additional pool 2, no  
32 empire state film production credit shall be claimed before the later of  
33 the taxable year the production of the qualified film is complete, or  
34 the taxable year immediately following the allocation year for which the  
35 film has been allocated credit by the governor's office for motion  
36 picture and television development.

37 § 3. Paragraph 6 of subdivision (a) of section 31 of the tax law, as  
38 amended by section 2 of part JJ of chapter 59 of the laws of 2014, is  
39 amended to read as follows:

40 (6) For the period two thousand fifteen through two thousand [~~nine-~~  
41 ~~teen~~] twenty-two, in addition to the amount of credit established in  
42 paragraph two of subdivision (a) of this section, a taxpayer shall be  
43 allowed a credit equal to the product (or pro rata share of the product,  
44 in the case of a member of a partnership) of ten percent and the amount  
45 of wages or salaries paid to individuals directly employed (excluding  
46 those employed as writers, directors, music directors, producers and  
47 performers, including background actors with no scripted lines) for  
48 services performed by those individuals in one of the counties specified  
49 in this paragraph in connection with the post production work on a qual-  
50 ified film with a minimum budget of five hundred thousand dollars at a  
51 qualified post production facility in one of the counties listed in this  
52 paragraph. For purposes of this additional credit, the services must be  
53 performed in one or more of the following counties: Albany, Allegany,  
54 Broome, Cattaraugus, Cayuga, Chautauqua, Chemung, Chenango, Clinton,  
55 Cortland, Delaware, Erie, Essex, Franklin, Fulton, Genesee, Hamilton,

4 pursuant to the authority of this paragraph shall be five million  
5 dollars each year during the period two thousand fifteen through two  
6 thousand ~~nineteen~~ twenty-two of the annual allocation made available  
7 to the empire state film post production credit pursuant to paragraph  
8 four of subdivision (e) of section twenty-four of this article. Such  
9 aggregate amount of credits shall be allocated by the governor's office  
10 for motion picture and television development among taxpayers in order  
11 of priority based upon the date of filing an application for allocation  
12 of post production credit with such office. If the total amount of allo-  
13 cated credits applied for under this paragraph in any year exceeds the  
14 aggregate amount of tax credits allowed for such year under this para-  
15 graph, such excess shall be treated as having been applied for on the  
16 first day of the next year. If the total amount of allocated tax credits  
17 applied for under this paragraph at the conclusion of any year is less  
18 than five million dollars, the remainder shall be treated as part of the  
19 annual allocation for two thousand seventeen made available to the  
20 empire state film post production credit pursuant to paragraph four of  
21 subdivision (e) of section twenty-four of this article. However, in no  
22 event may the total of the credits allocated under this paragraph and  
23 the credits allocated under paragraph five of subdivision (a) of section  
24 twenty-four of this article exceed five million dollars in any year  
25 during the period two thousand fifteen through two thousand ~~nineteen~~  
26 twenty-two.

34 ties Exchange Act of 1934 or a board of trade as defined in subparagraph  
35 one of paragraph (a) of section fourteen hundred ten of the not-for-pro-  
36 fit corporation law or as an entity that is wholly owned by one or more  
37 such national securities exchanges or boards of trade and that provides  
38 automation or technical services thereto, or (G) principally used as a  
39 qualified film production facility including qualified film production  
40 facilities having a situs in an empire zone designated as such pursuant  
41 to article eighteen-B of the general municipal law, where the taxpayer  
42 is providing three or more services to any qualified film production  
43 company using the facility, including such services as a studio lighting  
44 grid, lighting and grip equipment, multi-line phone service, broadband  
45 information technology access, industrial scale electrical capacity,  
46 food services, security services, and heating, ventilation and air  
47 conditioning. For purposes of clauses (D), (E) and (F) of this subpara-  
48 graph, property purchased by a taxpayer affiliated with a regulated  
49 broker, dealer, registered investment advisor, national securities  
50 exchange or board of trade, is allowed a credit under this subdivision  
51 if the property is used by its affiliated regulated broker, dealer,  
52 registered investment advisor, national securities exchange or board of  
53 trade in accordance with this subdivision. For purposes of determining  
54 if the property is principally used in qualifying uses, the uses by the  
55 taxpayer described in clauses (D) and (E) of this subparagraph may be  
56 aggregated. In addition, the uses by the taxpayer, its affiliated regu-

1 lated broker, dealer and registered investment advisor under either or  
2 both of those clauses may be aggregated. Provided, however, a taxpayer  
3 shall not be allowed the credit provided by clauses (D), (E) and (F) of  
4 this subparagraph unless the property is first placed in service before  
5 October first, two thousand fifteen and (i) eighty percent or more of  
6 the employees performing the administrative and support functions  
7 resulting from or related to the qualifying uses of such equipment are  
8 located in this state or (ii) the average number of employees that  
9 perform the administrative and support functions resulting from or  
10 related to the qualifying uses of such equipment and are located in this  
11 state during the taxable year for which the credit is claimed is equal  
12 to or greater than ninety-five percent of the average number of employ-  
13 ees that perform these functions and are located in this state during  
14 the thirty-six months immediately preceding the year for which the cred-  
15 it is claimed, or (iii) the number of employees located in this state  
16 during the taxable year for which the credit is claimed is equal to or  
17 greater than ninety percent of the number of employees located in this  
18 state on December thirty-first, nineteen hundred ninety-eight or, if the  
19 taxpayer was not a calendar year taxpayer in nineteen hundred ninety-  
20 eight, the last day of its first taxable year ending after December  
21 thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes  
22 subject to tax in this state after the taxable year beginning in nine-  
23 teen hundred ninety-eight, then the taxpayer is not required to satisfy  
24 the employment test provided in the preceding sentence of this subpara-  
25 graph for its first taxable year. For purposes of clause (iii) of this  
26 subparagraph the employment test will be based on the number of employ-  
27 ees located in this state on the last day of the first taxable year the  
28 taxpayer is subject to tax in this state. If the uses of the property  
29 must be aggregated to determine whether the property is principally used  
30 in qualifying uses, then either each affiliate using the property must  
31 satisfy this employment test or this employment test must be satisfied  
32 through the aggregation of the employees of the taxpayer, its affiliated  
33 regulated broker, dealer, and registered investment advisor using the  
34 property. For purposes of [~~this subdivision, the term "goods" shall not~~  
35 ~~include electricity~~] clause (A) of this subparagraph, tangible personal  
36 property and other tangible property shall not include property princi-  
37 pally used by the taxpayer (I) in the production or distribution of  
38 electricity, natural gas, steam, or water delivered through pipes and  
39 mains, or (II) in the creation, production or reproduction, in any medi-  
40 um, of a film, visual or audio recording, or commercial, where the costs  
41 associated with such creation, production or reproduction are incurred  
42 outside of this state, or in the duplication, for purposes of broadcast  
43 in any medium, of a master of a film, visual or audio recording, or  
44 commercial, where the costs associated with such duplication are  
45 incurred outside of this state.

46 § 2. Subparagraph (A) of paragraph 2 of subsection (a) of section 606  
47 of the tax law, as amended by chapter 637 of the laws of 2008, is  
48 amended to read as follows:

49 (A) A credit shall be allowed under this subsection with respect to  
50 tangible personal property and other tangible property, including build-  
51 ings and structural components of buildings, which are: depreciable  
52 pursuant to section one hundred sixty-seven of the internal revenue  
53 code, have a useful life of four years or more, are acquired by purchase  
54 as defined in section one hundred seventy-nine (d) of the internal  
55 revenue code, have a situs in this state and are (i) principally used by  
56 the taxpayer in the production of goods by manufacturing, processing,

1 assembling, refining, mining, extracting, farming, agriculture, horti-

7 or sale (which shall include but not be limited to the issuance, enter-  
8 ing into, assumption, offset, assignment, termination, or transfer) of  
9 stocks, bonds or other securities as defined in section four hundred  
10 seventy-five (c)(2) of the Internal Revenue Code, or of commodities as  
11 defined in section 475(e) of the Internal Revenue Code, (v) principally  
12 used in the ordinary course of the taxpayer's trade or business of  
13 providing investment advisory services for a regulated investment compa-  
14 ny as defined in section eight hundred fifty-one of the Internal Revenue  
15 Code, or lending, loan arrangement or loan origination services to  
16 customers in connection with the purchase or sale (which shall include  
17 but not be limited to the issuance, entering into, assumption, offset,  
18 assignment, termination, or transfer) of securities as defined in  
19 section four hundred seventy-five (c)(2) of the Internal Revenue Code,  
20 or (vi) principally used as a qualified film production facility includ-  
21 ing qualified film production facilities having a situs in an empire  
22 zone designated as such pursuant to article eighteen-B of the general  
23 municipal law, where the taxpayer is providing three or more services to  
24 any qualified film production company using the facility, including such  
25 services as a studio lighting grid, lighting and grip equipment, multi-  
26 line phone service, broadband information technology access, industrial  
27 scale electrical capacity, food services, security services, and heat-  
28 ing, ventilation and air conditioning. For purposes of clauses (iv) and  
29 (v) of this subparagraph, property purchased by a taxpayer affiliated  
30 with a regulated broker, dealer, or registered investment adviser is  
31 allowed a credit under this subsection if the property is used by its  
32 affiliated regulated broker, dealer or registered investment adviser in  
33 accordance with this subsection. For purposes of determining if the  
34 property is principally used in qualifying uses, the uses by the taxpay-  
35 er described in clauses (iv) and (v) of this subparagraph may be aggre-  
36 gated. In addition, the uses by the taxpayer, its affiliated regulated  
37 broker, dealer and registered investment adviser under either or both of  
38 those clauses may be aggregated. Provided, however, a taxpayer shall not  
39 be allowed the credit provided by clauses (iv) and (v) of this subpara-  
40 graph unless (I) eighty percent or more of the employees performing the  
41 administrative and support functions resulting from or related to the  
42 qualifying uses of such equipment are located in this state, or (II) the  
43 average number of employees that perform the administrative and support  
44 functions resulting from or related to the qualifying uses of such  
45 equipment and are located in this state during the taxable year for  
46 which the credit is claimed is equal to or greater than ninety-five  
47 percent of the average number of employees that perform these functions  
48 and are located in this state during the thirty-six months immediately  
49 preceding the year for which the credit is claimed, or (III) the number  
50 of employees located in this state during the taxable year for which the  
51 credit is claimed is equal to or greater than ninety percent of the  
52 number of employees located in this state on December thirty-first,  
53 nineteen hundred ninety-eight or, if the taxpayer was not a calendar  
54 year taxpayer in nineteen hundred ninety-eight, the last day of its  
55 first taxable year ending after December thirty-first, nineteen hundred  
56 ninety-eight. If the taxpayer becomes subject to tax in this state after

1 the taxable year beginning in nineteen hundred ninety-eight, then the  
2 taxpayer is not required to satisfy the employment test provided in the  
3 preceding sentence of this subparagraph for its first taxable year. For  
4 the purposes of clause (III) of this subparagraph the employment test  
5 will be based on the number of employees located in this state on the  
6 last day of the first taxable year the taxpayer is subject to tax in  
7 this state. If the uses of the property must be aggregated to determine  
8 whether the property is principally used in qualifying uses, then either  
9 each affiliate using the property must satisfy this employment test or  
10 this employment test must be satisfied through the aggregation of the  
11 employees of the taxpayer, its affiliated regulated broker, dealer, and  
12 registered investment adviser using the property. For purposes of [~~this  
13 subsection, the term "goods" shall not include electricity~~] clause (i)  
14 of this subparagraph, tangible personal property and other tangible  
15 property shall not include property principally used by the taxpayer (a)  
16 in the production or distribution of electricity, natural gas, steam, or  
17 water delivered through pipes and mains, or (b) in the creation,  
18 production or reproduction, in any medium, of a film, visual or audio  
19 recording, or commercial, where the costs associated with such creation,  
20 production or reproduction are incurred outside of this state, or in the  
21 duplication, for purposes of broadcast in any medium, of a master of a  
22 film, visual or audio recording, or commercial, where the costs associ-  
23 ated with such duplication are incurred outside of this state.

24 § 3. This act shall take effect immediately and shall apply to taxable  
25 years beginning on or after January 1, 2018.

## PART Q

27 Section 1. Legislative findings. The legislature finds it necessary to  
28 revise a decision of the tax appeals tribunal that disturbed the long-  
29 standing policy of the department of taxation and finance that single  
30 member limited liability companies that are treated as disregarded enti-  
31 ties for federal income tax purposes also would be treated as disre-  
32 garded entities for purposes of determining eligibility of the owners of  
33 such entities for tax credits allowed under article 9, 9-A, 22, 32  
34 (prior to its repeal) or 33 of the tax law. The decision of the tax  
35 appeals tribunal, if allowed to stand, will result in the denial of tax  
36 credits, such as empire zone tax credits, to taxpayers who in prior  
37 years received those credits.

38 § 2. The tax law is amended by adding a new section 43 to read as  
39 follows:

40 § 43. Single member limited liability companies and eligibility for  
41 tax credits. A limited liability company that has a single member and is  
42 disregarded as an entity separate from its owner for federal income tax  
43 purposes (without reference to any special rules related to the imposi-  
44 tion of certain federal taxes, including but not limited to certain  
45 employment and excise taxes) shall be disregarded as an entity separate  
46 from its owner for purposes of determining whether or not the taxpayer  
47 that is the single member of such limited liability company satisfies  
48 the requirements to be eligible for any tax credit allowed under article  
49 nine, nine-A, twenty-two or thirty-three of this chapter or allowed  
50 under article thirty-two of this chapter prior to the repeal of such  
51 article. Such requirements, including but not limited to any necessary  
52 certification, employment or investment thresholds, payment obligations,  
53 and any time period for eligibility, shall be imposed on the taxpayer  
54 and the determination of whether or not such requirements have been

1 satisfied and the computation of the credit shall be made by deeming  
 2 such taxpayer and such limited liability company to be a single entity.  
 3 If the taxpayer is the single member of more than one limited liability  
 4 company that is disregarded as an entity separate from its owner, the  
 5 determination of whether or not the requirements to be eligible for any  
 6 tax credit allowed under article nine, nine-A, twenty-two or thirty-  
 7 three of this chapter or allowed under article thirty-two of this chap-  
 8 ter prior to the repeal of such article have been satisfied and the  
 9 computation of the credit shall be made by deeming such taxpayer and  
 10 such limited liability companies to be a single entity.

11 § 3. This act shall take effect immediately; provided however, that  
 12 section 43 of the tax law, as added by section two of this act, shall  
 13 apply to all taxable years for which the statute of limitations for  
 14 seeking a refund or assessing additional tax is still open.

§ 2. This act shall take effect immediately.

PART U

Section 1. Paragraph (a) of subdivision 1 and paragraph (a) of subdivision 2 of section 1701 of the tax law, as added by section 1 of part CC-1 of chapter 57 of the laws of 2008, are amended to read as follows:

(a) "Debt" means ~~[all]~~ past-due tax liabilities, including unpaid tax, interest, and penalty, that the commissioner is required by law to collect and that have ~~[been reduced to judgment by the docketing of a New York state tax warrant in the office of a county clerk located in the state of New York or by the filing of a copy of the warrant in the office of the department of state]~~ become fixed and final such that the taxpayer no longer has any right to administrative or judicial review.

(a) To assist the commissioner in the collection of debts, the department must develop and operate a financial institution data match system for the purpose of identifying and seizing the non-exempt assets of tax debtors as identified by the commissioner. The commissioner is authorized to designate a third party to develop and operate this system. Notwithstanding any other provisions of this chapter, the commissioner is authorized to disclose the debt and the debtor information to such third party and to financial institutions for purposes of this system. Any third party designated by the commissioner to develop and operate a financial data match system must keep all information it obtains from both the department and the financial institution confidential, and any employee, agent or representative of that third party is prohibited from disclosing that information to anyone other than the department or the financial institution.

§ 2. This act shall take effect immediately.

PART V

Section 1. Subdivision 4 of section 50 of the civil service law is amended by adding a new closing paragraph to read as follows:

The department shall require a tax clearance from the department of taxation and finance, as provided for in section one hundred seventy-one-w of the tax law, for each applicant and shall refuse to examine an

1 applicant, or after examination to certify an eligible for whom tax  
2 clearance is denied by the department of taxation and finance. A munic-  
3 ipal commission, subject to the approval of the governing board or body  
4 of the city or county as the case may be, or a regional commission or  
5 personnel officer, pursuant to governmental agreement, may elect to  
6 require tax clearances for applicants and to refuse to examine an appli-  
7 cant, or after examination to certify an eligible for whom a tax clear-  
8 ance is denied by the department of taxation and finance. Provided,  
9 however, that the department and municipal commissions shall not require  
10 a tax clearance for (1) any current employee; or (2) a person who is  
11 considered an applicant by reason of (a) a transfer pursuant to section  
12 seventy of this chapter; or (b) a person who is on a preferred list  
13 subject to section eighty-one of this chapter; or (c) a person whose  
14 name is on an eligible list as defined in section fifty-six of this  
15 article and who has successfully completed a promotion exam subject to  
16 section fifty-two of this article. Where a tax clearance is required,  
17 the application for examination, or the instructions for such applica-  
18 tion, shall clearly inform the applicant that a tax clearance will be  
19 performed and that, if the tax clearance is denied, the applicant must  
20 contact the department of taxation and finance to resolve any past-due  
21 tax liabilities or return filing compliance before the application for  
22 examination may be resubmitted. Any applicant subject to tax clearance  
23 shall be required to provide any information deemed necessary by the  
24 department and the department of taxation and finance to efficiently and  
25 accurately provide a tax clearance, and the failure by the applicant to  
26 provide such information shall disqualify the applicant.

27 § 2. The tax law is amended by adding a new section 171-w to read as  
28 follows:

29 § 171-w. Enforcement of delinquent tax liabilities through tax clear-  
30 ances. (1) For the purposes of this section, the term "tax liabilities"  
31 shall mean any tax, surcharge, or fee administered by the commissioner,  
32 or any penalty or interest on such tax, surcharge, or fee, owed by an  
33 individual or entity. The term "past-due tax liabilities" means any  
34 unpaid tax liabilities that have become fixed and final such that the  
35 taxpayer no longer has any right to administrative or judicial review.  
36 The term "government entity" means the state of New York, or any of its  
37 agencies, political subdivisions, instrumentalities, public corporations  
38 (including a public corporation created pursuant to agreement or compact  
39 with another state or Canada), or combination thereof.

40 (2) The commissioner, or his or her designee, shall cooperate with any  
41 government entity that is required by law or has elected to require tax  
42 clearances to establish procedures by which the department shall receive  
43 a tax clearance request and transmit such tax clearance to the govern-  
44 ment entity, and any other procedures deemed necessary to carry out the  
45 provisions of this section. These procedures shall, to the extent prac-  
46 ticable, require secure electronic communication between the department  
47 and the requesting government entity for the transmission of tax clear-  
48 ance requests to the department and transmission of tax clearances to  
49 the requesting entity. Notwithstanding any other law to the contrary, a  
50 government entity shall be authorized to share any applicant data or  
51 information with the department that is necessary to ensure the proper  
52 matching of the applicant to the tax records maintained by the depart-  
53 ment.

54 (3) Upon receipt of a tax clearance request, the department shall  
55 examine its records to determine whether the subject of the tax clear-  
56 ance request has past-due tax liabilities equal to or in excess of the

1 dollar threshold applicable for such tax clearance request or, where no  
2 threshold has been established by law or otherwise, equal to or in  
3 excess of five hundred dollars. When a tax clearance request so  
4 requires, the department shall also determine whether (i) the subject of  
5 such request has complied with applicable tax return filing requirements  
6 for each of the past three years; and/or (ii) whether a subject of such  
7 request that is an individual or entity that is a person required to  
8 register pursuant to section eleven hundred thirty-four of this chapter  
9 is registered pursuant to such section. The department shall deny a tax  
10 clearance if it determines that the subject of a tax clearance request  
11 has past-due tax liabilities equal to or in excess of the applicable  
12 threshold or, when the tax clearance request so requires, has not  
13 complied with applicable return filing and/or registration requirements.

14 (4) If a tax clearance is denied, the government entity that requested  
15 the clearance shall provide notice to the applicant to contact the  
16 department. Such notice shall be made by first class mail with a certifi-  
17 cate of mailing and a copy of such notice also shall be provided to the  
18 department. When the applicant contacts the department, the department  
19 shall inform the applicant of the basis for the denial of the tax clear-  
20 ance and shall also inform the applicant (i) that a tax clearance denied  
21 due to past-due tax liabilities may be issued once the taxpayer fully  
22 satisfies past-due tax liabilities or makes payment arrangements satis-  
23 factory to the commissioner; (ii) that a tax clearance denied due to  
24 failure to file tax returns may be issued once the applicant has satis-  
25 fied the applicable return filing requirements; (iii) that a tax clear-  
26 ance denied for failure to register pursuant to section eleven hundred  
27 thirty-four of this chapter may be issued once the applicant has regis-  
28 tered pursuant to such section; and (iv) the grounds for challenging the  
29 denial of a tax clearance listed in subdivision five of this section.

30 (5) (a) Notwithstanding any other provision of law, and except as  
31 specifically provided herein, an applicant denied a tax clearance shall  
32 have no right to commence a court action or proceeding or seek any other  
33 legal recourse against the department or the government entity related  
34 to the denial of a tax clearance by the department.

35 (b) An applicant seeking to challenge the denial of a tax clearance  
36 must protest to the department or the division of tax appeals no later  
37 than sixty days from the date of the notification to the applicant that  
38 the tax clearance was denied. An applicant may challenge a department  
39 finding of past-due tax liabilities only on the grounds that (i) the  
40 individual or entity denied the tax clearance is not the individual or  
41 entity with the past-due tax liabilities at issue; (ii) the past-due tax  
42 liabilities were satisfied; (iii) the applicant's wages are being  
43 garnished for the payment of child support or combined child and spousal  
44 support pursuant to an income execution issued pursuant to section  
45 fifty-two hundred forty-one or fifty-two hundred forty-two of the civil  
46 practice law and rules or another state's income withholding order as  
47 authorized under part five of article five-B of the family court act, or  
48 garnished by the department for the payment of the past-due tax liabil-  
49 ities at issue; or (iv) the applicant is making child support payments  
50 or combined child and spousal support payments pursuant to a satisfac-  
51 tory payment arrangement under section one hundred eleven-b of the  
52 social services law with a support collection unit or otherwise making  
53 periodic payments in accordance with section four hundred forty of the  
54 family court act. An applicant may challenge a department finding of  
55 failure to comply with tax return filing requirements only on the

1 grounds that all required tax returns have been filed for each of the  
2 past three years.

3 (c) Nothing in this subdivision is intended to limit any applicant  
4 from seeking relief from joint and several liability pursuant to section  
5 six hundred fifty-four of this chapter, to the extent that he or she is  
6 eligible pursuant to that section, or establishing to the department  
7 that the enforcement of the underlying tax liabilities has been stayed  
8 by the filing of a petition pursuant to the Bankruptcy Code of 1978  
9 (Title Eleven of the United States Code).

10 (6) Notwithstanding any other provision of law, the department may  
11 exchange with a government entity any data or information that, in the  
12 discretion of the commissioner, is necessary for the implementation of a  
13 tax clearance requirement. However, no government entity may re-disclose  
14 this information to any other entity or person, other than for the  
15 purpose of informing the applicant that a required tax clearance has  
16 been denied, unless otherwise permitted by law.

17 (7) Except as otherwise provided in this section, the activities to  
18 collect past-due tax liabilities undertaken by the department pursuant  
19 to this section shall not in any way limit, restrict or impair the  
20 department from exercising any other authority to collect or enforce tax  
21 liabilities under any other applicable provision of law.

22 § 3. This act shall take effect June 1, 2017; provided, however, that  
23 the department of taxation and finance, the department of civil service,  
24 any municipal commission, and any other government entity electing to  
25 receive a tax clearance from the department of taxation and finance may  
26 work to execute the necessary procedures and technical changes to  
27 support the tax clearance process as described in sections one and two  
28 of this act before that date; provided, further, that this effective  
29 date will not impact the administration of any tax clearance program  
30 authorized by another provision of law.

7 § 40. The superintendent of financial services shall establish rates  
8 for policies providing coverage for physicians and surgeons medical  
9 malpractice for the periods commencing July 1, 1985 and ending June 30,  
10 [~~2017~~] 2018; provided, however, that notwithstanding any other provision  
11 of law, the superintendent shall not establish or approve any increase  
12 in rates for the period commencing July 1, 2009 and ending June 30,  
13 2010. The superintendent shall direct insurers to establish segregated  
14 accounts for premiums, payments, reserves and investment income attrib-  
15 utable to such premium periods and shall require periodic reports by the  
16 insurers regarding claims and expenses attributable to such periods to  
17 monitor whether such accounts will be sufficient to meet incurred claims  
18 and expenses. On or after July 1, 1989, the superintendent shall impose  
19 a surcharge on premiums to satisfy a projected deficiency that is  
20 attributable to the premium levels established pursuant to this section  
21 for such periods; provided, however, that such annual surcharge shall  
22 not exceed eight percent of the established rate until July 1, [~~2017~~]  
23 2018, at which time and thereafter such surcharge shall not exceed twen-  
24 ty-five percent of the approved adequate rate, and that such annual

26 to satisfy such deficiency. The superintendent shall not impose such  
27 surcharge during the period commencing July 1, 2009 and ending June 30,  
28 2010. On and after July 1, 1989, the surcharge prescribed by this  
29 section shall be retained by insurers to the extent that they insured

31 2018 policy periods; in the event and to the extent physicians and  
32 surgeons were insured by another insurer during such periods, all or a  
33 pro rata share of the surcharge, as the case may be, shall be remitted  
34 to such other insurer in accordance with rules and regulations to be  
35 promulgated by the superintendent. Surcharges collected from physicians  
36 and surgeons who were not insured during such policy periods shall be  
37 apportioned among all insurers in proportion to the premium written by  
38 each insurer during such policy periods; if a physician or surgeon was  
39 insured by an insurer subject to rates established by the superintendent  
40 during such policy periods, and at any time thereafter a hospital,  
41 health maintenance organization, employer or institution is responsible  
42 for responding in damages for liability arising out of such physician's  
43 or surgeon's practice of medicine, such responsible entity shall also  
44 remit to such prior insurer the equivalent amount that would then be  
45 collected as a surcharge if the physician or surgeon had continued to  
46 remain insured by such prior insurer. In the event any insurer that  
47 provided coverage during such policy periods is in liquidation, the  
48 property/casualty insurance security fund shall receive the portion of  
49 surcharges to which the insurer in liquidation would have been entitled.  
50 The surcharges authorized herein shall be deemed to be income earned for  
51 the purposes of section 2303 of the insurance law. The superintendent,  
52 in establishing adequate rates and in determining any projected defi-  
53 ciency pursuant to the requirements of this section and the insurance  
54 law, shall give substantial weight, determined in his discretion and  
55 judgment, to the prospective anticipated effect of any regulations  
56 promulgated and laws enacted and the public benefit of stabilizing

1 malpractice rates and minimizing rate level fluctuation during the peri-  
2 od of time necessary for the development of more reliable statistical  
3 experience as to the efficacy of such laws and regulations affecting  
4 medical, dental or podiatric malpractice enacted or promulgated in 1985,  
5 1986, by this act and at any other time. Notwithstanding any provision  
6 of the insurance law, rates already established and to be established by  
7 the superintendent pursuant to this section are deemed adequate if such  
8 rates would be adequate when taken together with the maximum authorized  
9 annual surcharges to be imposed for a reasonable period of time whether  
10 or not any such annual surcharge has been actually imposed as of the  
11 establishment of such rates.

39 § 7. The tax law is amended by adding a new section 171-w to read as  
40 follows:

41 § 171-w. Enforcement of delinquent tax liabilities through tax clear-  
42 ances. (1) For the purposes of this section, the term "tax liabilities"  
43 shall mean any tax, surcharge, or fee administered by the commissioner,  
44 or any penalty or interest on such tax, surcharge or fee, owed by an  
45 individual or entity. The term "past-due tax liabilities" means any  
46 unpaid tax liabilities that have become fixed and final such that the  
47 taxpayer no longer has any right to administrative or judicial review.  
48 The term "government entity" means the state of New York, or any of its  
49 agencies, political subdivisions, instrumentalities, public corporations  
50 (including a public corporation created pursuant to agreement or compact  
51 with another state or Canada), or combination thereof.

52 (2) The commissioner, or his or her designee, shall cooperate with any  
53 government entity that is required by law or has elected to require tax  
54 clearances to establish procedures by which the department shall receive  
55 a tax clearance request and transmit such tax clearance to the govern-  
56 ment entity, and any other procedures deemed necessary to carry out the

1 provisions of this section. These procedures shall, to the extent prac-  
2 ticable, require secure electronic communication between the department  
3 and the requesting government entity for the transmission of tax clear-  
4 ance requests to the department and transmission of tax clearances to  
5 the requesting entity. Notwithstanding any other law to the contrary, a  
6 government entity shall be authorized to share any applicant data or  
7 information with the department that is necessary to ensure the proper  
8 matching of the applicant to the tax records maintained by the depart-  
9 ment.

10 (3) Upon receipt of a tax clearance request, the department shall  
11 examine its records to determine whether the subject of the tax clear-  
12 ance request has past-due tax liabilities equal to or in excess of the  
13 dollar threshold applicable for such tax clearance request or, where no  
14 threshold has been established by law or otherwise, equal to or in  
15 excess of five hundred dollars. When a tax clearance request so  
16 requires, the department shall also determine whether (i) the subject of  
17 such request has complied with applicable tax return filing requirements  
18 for each of the past three years; and/or (ii) whether a subject of such  
19 request that is an individual or entity that is a person required to  
20 register pursuant to section eleven hundred thirty-four of this chapter  
21 is registered pursuant to such section. The department shall deny a tax  
22 clearance if it determines that the subject of a tax clearance request  
23 has past-due tax liabilities equal to or in excess of the applicable  
24 threshold or, when the tax clearance request so requires, has not  
25 complied with applicable return filing and/or registration requirements.

26 (4) If a tax clearance is denied, the government entity that requested  
27 the clearance shall provide notice to the applicant to contact the  
28 department. Such notice shall be made by first class mail with a certif-  
29 icate of mailing and a copy of such notice also shall be provided to the  
30 department. When the applicant contacts the department, the department  
31 shall inform the applicant of the basis for the denial of the tax clear-  
32 ance and shall also inform the applicant (i) that a tax clearance denied  
33 due to past-due tax liabilities may be issued once the taxpayer fully  
34 satisfies past-due tax liabilities or makes payment arrangements satis-  
35 factory to the commissioner; (ii) that a tax clearance denied due to  
36 failure to file tax returns may be issued once the applicant has satis-  
37 fied the applicable return filing requirements; (iii) that a tax clear-  
38 ance denied for failure to register pursuant to section eleven hundred  
39 thirty-four of this chapter may be issued once the applicant has regis-  
40 tered pursuant to such section; and (iv) the grounds for challenging the  
41 denial of a tax clearance listed in subdivision five of this section.

42 (5) (a) Notwithstanding any other provision of law, and except as  
43 specifically provided herein, an applicant denied a tax clearance shall  
44 have no right to commence a court action or proceeding or seek any other  
45 legal recourse against the department or the government entity related  
46 to the denial of a tax clearance by the department.

47 (b) An applicant seeking to challenge the denial of a tax clearance  
48 must protest to the department or the division of tax appeals no later  
49 than sixty days from the date of the notification to the applicant that  
50 the tax clearance was denied. An applicant may challenge a department  
51 finding of past-due tax liabilities only on the grounds that (i) the  
52 individual or entity denied the tax clearance is not the individual or  
53 entity with the past-due tax liabilities at issue; (ii) the past-due tax  
54 liabilities were satisfied; (iii) the applicant's wages are being  
55 garnished for the payment of child support or combined child and spousal  
56 support pursuant to an income execution issued pursuant to section

1 fifty-two hundred forty-one or fifty-two hundred forty-two of the civil  
 2 practice law and rules or another state's income withholding order as  
 3 authorized under part five of article five-B of the family court act, or  
 4 garnished by the department for the payment of the past-due tax liabil-  
 5 ities at issue; or (iv) the applicant is making child support payments  
 6 or combined child and spousal support payments pursuant to a satisfac-  
 7 tory payment arrangement under section one hundred eleven-b of the  
 8 social services law with a support collection unit or otherwise making  
 9 periodic payments in accordance with section four hundred forty of the  
 10 family court act. An applicant may challenge a department finding of  
 11 failure to comply with tax return filing requirements only on the  
 12 grounds that all required tax returns have been filed for each of the  
 13 past three years.

14 (c) Nothing in this subdivision is intended to limit any applicant  
 15 from seeking relief from joint and several liability pursuant to section  
 16 six hundred fifty-four of this chapter, to the extent that he or she is  
 17 eligible pursuant to that section, or establishing to the department  
 18 that the enforcement of the underlying tax liabilities has been stayed  
 19 by the filing of a petition pursuant to the Bankruptcy Code of 1978  
 20 (title eleven of the United States Code).

21 (6) Notwithstanding any other provision of law, the department may  
 22 exchange with a government entity any data or information that, in the  
 23 discretion of the commissioner, is necessary for the implementation of a  
 24 tax clearance requirement. However, no government entity may re-disclose  
 25 this information to any other entity or person, other than for the  
 26 purpose of informing the applicant that a required tax clearance has  
 27 been denied, unless otherwise permitted by law.

28 (7) Except as otherwise provided in this section, the activities to  
 29 collect past-due tax liabilities undertaken by the department pursuant  
 30 to this section shall not in any way limit, restrict or impair the  
 31 department from exercising any other authority to collect or enforce tax  
 32 liabilities under any other applicable provision of law.

33 § 8. This act shall take effect immediately.

39 ~~[(i) Mandated New York S corporation election. (1) Notwithstanding~~  
40 ~~the provisions in subsection (a) of this section, in the case of an~~  
41 ~~eligible S corporation for which the election under subsection (a) of~~  
42 ~~this section is not in effect for the current taxable year, the share-~~  
43 ~~holders of an eligible S corporation are deemed to have made that~~  
44 ~~election effective for the eligible S corporation's entire current taxa-~~  
45 ~~ble year, if the eligible S corporation's investment income for the~~  
46 ~~current taxable year is more than fifty percent of its federal gross~~  
47 ~~income for such year. In determining whether an eligible S corporation~~  
48 ~~is deemed to have made that election, the income of a qualified subchap-~~  
49 ~~ter S subsidiary owned directly or indirectly by the eligible S corpo-~~  
50 ~~ration shall be included with the income of the eligible S corporation.~~

51 ~~(2) For the purposes of this subsection, the term "eligible S corpo-~~  
52 ~~ration" has the same definition as in subsection (a) of this section.~~

53 ~~(3) For the purposes of this subsection, the term "investment income"~~  
54 ~~means the sum of an eligible S corporation's gross income from interest,~~  
55 ~~dividends, royalties, annuities, rents and gains derived from dealings~~  
56 ~~in property, including the corporation's share of such items from a~~

~~partnership, estate or trust, to the extent such items would be includable in federal gross income for the taxable year.~~

~~(4) Estimated tax payments. When making estimated tax payments required to be made under this chapter in the current tax year, the eligible S corporation and its shareholders may rely on the eligible S corporation's filing status for the prior year. If the eligible S corporation's filing status changes from the prior tax year the corporation or the shareholders, as the case may be, which made the payments shall be entitled to a refund of such estimated tax payments. No additions to tax with respect to any required declarations or payments of estimated tax imposed under this chapter shall be imposed on the corporation or shareholders, whichever is the taxpayer for the current taxable year, if the corporation or the shareholders file such declarations and make such estimated tax payments by January fifteenth of the following calendar year, regardless of whether the taxpayer's tax year is a calendar or a fiscal year.]~~

17 sixty of this article was not in effect and

18 (B) the amount of any modifications to federal gross income with  
19 respect to such stock pursuant to paragraph twenty of subsection (b) of

28 installment sale contract entered into when the S corporation was  
29 subject to tax in New York, allocated in a manner consistent with the  
30 applicable methods and rules for allocation under article nine-A or  
31 thirty-two of this chapter prior to its repeal, in the year that the S  
32 corporation sold its assets.

33 § 13. The section heading and paragraph 2 of subsection (a) of section  
34 632 of the tax law, the section heading as amended by chapter 606 of the  
35 laws of 1984, paragraph 2 of subsection (a) as amended by section 71 of  
36 part A of chapter 59 of the laws of 2014 and such section as renumbered  
37 by chapter 28 of the laws of 1987, are amended to read as follows:

38 Nonresident partners and [~~electing~~] shareholders of S corporations.

39 (2) In determining New York source income of a nonresident shareholder  
40 of [~~an~~] a New York S corporation [~~where the election provided for in~~  
41 ~~subsection (a) of section six hundred sixty of this article is in~~  
42 ~~effect~~], there shall be included only the portion derived from or  
43 connected with New York sources of such shareholder's pro rata share of  
44 items of S corporation income, loss and deduction entering into his  
45 federal adjusted gross income, increased by reductions for taxes  
46 described in paragraphs two and three of subsection (f) of section thir-  
47 teen hundred sixty-six of the internal revenue code, as such portion  
48 shall be determined under regulations of the commissioner consistent  
49 with the applicable methods and rules for allocation under article  
50 nine-A of this chapter, regardless of whether or not such item or  
51 reduction is included in entire net income under article nine-A for the  
52 tax year. If a nonresident is a shareholder in [~~an~~] a New York S corpo-  
53 ration [~~where the election provided for in subsection (a) of section six~~  
54 ~~hundred sixty of this article is in effect, and the S corporation~~] that  
55 has distributed an installment obligation under section 453(h)(1)(A) of  
56 the Internal Revenue Code, then any gain recognized on the receipt of

1 payments from the installment obligation for federal income tax purposes  
2 will be treated as New York source income allocated in a manner consist-  
3 ent with the applicable methods and rules for allocation under article  
4 nine-A of this chapter in the year that the assets were sold. In addi-  
5 tion, if the shareholders of the New York S corporation have made an  
6 election under section 338(h)(10) of the Internal Revenue Code, then any  
7 gain recognized on the deemed asset sale for federal income tax purposes  
8 will be treated as New York source income allocated in a manner consist-  
9 ent with the applicable methods and rules for allocation under article  
10 nine-A of this chapter in the year that the shareholder made the section  
11 338(h)(10) election. For purposes of a section 338(h)(10) election, when  
12 a nonresident shareholder exchanges his or her S corporation stock as  
13 part of the deemed liquidation, any gain or loss recognized shall be  
14 treated as the disposition of an intangible asset and will not increase  
15 or offset any gain recognized on the deemed assets sale as a result of  
16 the section 338(h)(10) election.

17 § 14. Subparagraph (A) and the opening paragraph of subparagraph (B)  
18 of paragraph 5 of subdivision (a) of section 292 of the tax law, as

24 ~~ration~~] that is a New York S corporation, there shall be added to feder-  
25 al unrelated business taxable income an amount equal to the sharehold-  
26 er's pro rata share of the corporation's reductions for taxes described  
27 in paragraphs two and three of subsection (f) of section thirteen  
28 hundred sixty-six of the internal revenue code, and

29 (ii) [~~where such election has not been made with respect to such~~  
30 ~~corporation, there shall be subtracted from federal unrelated business~~  
31 ~~taxable income any items of income of the corporation included therein,~~  
32 ~~and there shall be added to federal unrelated business taxable income~~  
33 ~~any items of loss or deduction included therein, and~~

34 ~~(iii)]~~ in the case of a New York S termination year, the amount of any  
35 such items of S corporation income, loss, deduction and reductions for  
36 taxes shall be adjusted in the manner provided in paragraph two or three  
37 of subsection (s) of section six hundred twelve of this chapter.

38 In the case of a shareholder of a corporation which was, for any of  
39 its taxable years beginning after nineteen hundred ninety-seven and  
40 before two thousand eighteen, a federal S corporation but a New York C  
41 corporation:

42 § 15. Transition rules. Any prior net operating loss conversion  
43 subtraction pool and net operating loss carryforward that otherwise  
44 would have been allowed under subparagraph (viii) of paragraph (a) of  
45 subdivision 1 of section 210 of the tax law and subparagraph (ix) of  
46 paragraph (a) of subdivision 1 of section 210 of the tax law, respec-  
47 tively, for the 2018 or subsequent taxable years, to any taxpayer that  
48 was a New York C corporation for the 2017 taxable year, and becomes a  
49 New York S corporation for the 2018 taxable year as a result of the  
50 amendments made by this act, shall be held in abeyance and be available  
51 to such taxpayer if its election to be a federal S corporation is termi-  
52 nated. Further, any credit carryforwards that otherwise would have been  
53 allowed to such a taxpayer under section 210-B of the tax law for the  
54 2018 or subsequent taxable years shall be held in abeyance and be avail-  
55 able to such taxpayer if its election to be a federal S corporation is  
56 terminated. However, the taxpayer's taxable years as a New York S corpo-

1 ration shall be counted for purposes of computing any time period appli-  
2 cable to the allowance of the prior net operating loss conversion  
3 subtraction, the net operating loss deduction or any credit carryfor-  
4 ward.

5 § 16. This act shall take effect immediately and shall apply to taxa-  
6 ble years beginning on or after January 1, 2018.

7 PART Z

8 Section 1. Clause 1 of subparagraph (A) of paragraph 1 of subsection  
9 (b) of section 631 of the tax law, as added by section 1 of part F-1 of  
10 chapter 57 of the laws of 2009, is amended to read as follows:

11 (1) For purposes of this subparagraph, the term "real property located  
12 in this state" includes an interest in a partnership, limited liability  
13 corporation, S corporation, or non-publicly traded C corporation with  
14 one hundred or fewer shareholders (hereinafter the "entity") that owns  
15 real property that is located in New York [~~and has a fair market value~~  
16 ~~that~~] or owns shares of stock in a cooperative housing corporation where  
17 the cooperative units relating to the shares are located in New York;  
18 provided, that the sum of the fair market values of such real property,  
19 cooperative shares, and related cooperative units equals or exceeds  
20 fifty percent of all the assets of the entity on the date of sale or  
21 exchange of the taxpayer's interest in the entity. Only those assets  
22 that the entity owned for at least two years before the date of the sale  
23 or exchange of the taxpayer's interest in the entity are to be used in  
24 determining the fair market value of all the assets of the entity on the  
25 date of sale or exchange. The gain or loss derived from New York sources  
26 from the taxpayer's sale or exchange of an interest in an entity that is  
27 subject to the provisions of this subparagraph is the total gain or loss  
28 for federal income tax purposes from that sale or exchange multiplied by  
29 a fraction, the numerator of which is the fair market value of the real  
30 property, and the cooperative housing corporation stock and related  
31 cooperative units located in New York on the date of sale or exchange  
32 and the denominator of which is the fair market value of all the assets  
33 of the entity on the date of sale or exchange.

34 § 2. This act shall take effect immediately and shall apply to taxable  
35 years beginning on or after January 1, 2017.

36 PART AA

37 Section 1. Paragraph 1 of subsection (a) of section 632 of the tax  
38 law, as amended by chapter 28 of the laws of 1987, is amended to read as  
39 follows:

40 (1) In determining New York source income of a nonresident partner of  
41 any partnership, there shall be included only the portion derived from  
42 or connected with New York sources of such partner's distributive share  
43 of items of partnership income, gain, loss and deduction entering into  
44 his federal adjusted gross income, as such portion shall be determined  
45 under regulations of the tax commission consistent with the applicable  
46 rules of section six hundred thirty-one of this part. If a nonresident  
47 is a partner in a partnership where a sale or transfer of the membership  
48 interest of the partner is subject to the provisions of section one-  
49 thousand sixty of the internal revenue code, then any gain recognized on  
50 the sale or transfer for federal income tax purposes shall be treated as  
51 New York source income allocated in a manner consistent with the appli-

1 cable methods and rules for allocation under this article in the year  
2 that the assets were sold or transferred.

3 § 2. This act shall take effect immediately

4 PART BB

5 Section 1. Section 1101 of the tax law is amended by adding a new  
6 subdivision (e) to read as follows:

7 (e) When used in this article for the purposes of the taxes imposed  
8 under subdivision (a) of section eleven hundred five of this article and  
9 by section eleven hundred ten of this article, the following terms shall  
10 mean:

11 (1) Marketplace provider. A person who, pursuant to an agreement with  
12 a marketplace seller, facilitates sales of tangible personal property by  
13 such marketplace seller or sellers. A person "facilitates a sale of  
14 tangible personal property" for purposes of this paragraph when the  
15 person meets both of the following conditions: (i) such person provides  
16 the forum in which, or by means of which, the sale takes place or the  
17 offer of sale is accepted, including a shop, store, or booth, an inter-  
18 net website, catalog, or similar forum; and (ii) such person or an  
19 affiliate of such person collects the receipts paid by a customer to a  
20 marketplace seller for a sale of tangible personal property, or  
21 contracts with a third party to collect such receipts. For purposes of  
22 this paragraph, two persons are affiliated if one person has an owner-  
23 ship interest of more than five percent, whether direct or indirect, in  
24 the other, or where an ownership interest of more than five percent,  
25 whether direct or indirect, is held in each of such persons by another  
26 person or by a group of other persons that are affiliated persons with  
27 respect to each other. Notwithstanding anything in this paragraph, a  
28 person who facilitates sales exclusively by means of the internet is not  
29 a marketplace provider for a sales tax quarter when such person can show  
30 that it has facilitated less than one hundred million dollars of sales  
31 annually for every calendar year after two thousand fifteen.

32 (2) Marketplace seller. Any person, whether or not such person is  
33 required to obtain a certificate of authority under section eleven  
34 hundred thirty-four of this article, who has an agreement with a market-  
35 place provider under which the marketplace provider will facilitate  
36 sales of tangible personal property by such person within the meaning of  
37 paragraph one of this subdivision.

38 § 2. Subdivision 1 of section 1131 of the tax law, as amended by chap-  
39 ter 576 of the laws of 1994, is amended to read as follows:

40 (1) "Persons required to collect tax" or "person required to collect  
41 any tax imposed by this article" shall include: every vendor of tangible  
42 personal property or services; every recipient of amusement charges;  
43 ~~and~~ every operator of a hotel, and every marketplace provider with  
44 respect to sales of tangible personal property it facilitates as  
45 described in paragraph one of subdivision (e) of section eleven hundred  
46 one of this article. Said terms shall also include any officer, director  
47 or employee of a corporation or of a dissolved corporation, any employee  
48 of a partnership, any employee or manager of a limited liability compa-  
49 ny, or any employee of an individual proprietorship who as such officer,  
50 director, employee or manager is under a duty to act for such corpo-  
51 ration, partnership, limited liability company or individual proprietor-  
52 ship in complying with any requirement of this article; and any member  
53 of a partnership or limited liability company. Provided, however, that  
54 any person who is a vendor solely by reason of clause (D) or (E) of

1 subparagraph (i) of paragraph (8) of subdivision (b) of section eleven  
2 hundred one of this article shall not be a "person required to collect  
3 any tax imposed by this article" until twenty days after the date by  
4 which such person is required to file a certificate of registration  
5 pursuant to section eleven hundred thirty-four of this part.

6 § 3. Section 1132 of the tax law is amended by adding a new subdivi-  
7 sion (1) to read as follows:

8 (1) (1) A marketplace provider, with respect to a sale of tangible  
9 personal property it facilitates: (i) shall have all the obligations and  
10 rights of a vendor under this article and article twenty-nine of this  
11 chapter and under any regulations adopted pursuant thereto, including,  
12 but not limited to, the duty to obtain a certificate of authority, to  
13 collect tax, file returns, remit tax, and the right to accept a certif-  
14 icate or other documentation from a customer substantiating an exemption  
15 or exclusion from tax, the right to receive the refund authorized by  
16 subdivision (e) of this section and the credit allowed by subdivision  
17 (f) of section eleven hundred thirty-seven of this part subject to the  
18 provisions of such subdivision; and (ii) shall keep such records and  
19 information and cooperate with the commissioner to ensure the proper  
20 collection and remittance of tax imposed collected or required to be  
21 collected under this article and article twenty-nine of this chapter.

22 (2) A marketplace seller who is a vendor is relieved from the duty to  
23 collect tax in regard to a particular sale of tangible personal property  
24 subject to tax under subdivision (a) of section eleven hundred five of  
25 this article and shall not include the receipts from such sale in its  
26 taxable receipts for purposes of section eleven hundred thirty-six of  
27 this part if, in regard to such sale: (i) the marketplace seller can  
28 show that such sale was facilitated by a marketplace provider from whom  
29 such seller has received in good faith a properly completed certificate  
30 of collection in a form prescribed by the commissioner, certifying that  
31 the marketplace provider is registered to collect sales tax and will  
32 collect sales tax on all taxable sales of tangible personal property by  
33 the marketplace seller facilitated by the marketplace provider, and with  
34 such other information as the commissioner may prescribe; and (ii) any  
35 failure of the marketplace provider to collect the proper amount of tax  
36 in regard to such sale was not the result of such marketplace seller  
37 providing the marketplace provider with incorrect information. This  
38 provision shall be administered in a manner consistent with subparagraph  
39 (i) of paragraph one of subdivision (c) of this section as if a certif-  
40 icate of collection were a resale or exemption certificate for purposes  
41 of such subparagraph, including with regard to the completeness of such  
42 certificate of collection and the timing of its acceptance by the  
43 marketplace seller. Provided that, with regard to any sales of tangible  
44 personal property by a marketplace seller that are facilitated by a  
45 marketplace provider who is affiliated with such marketplace seller  
46 within the meaning of paragraph one of subdivision (e) of section eleven  
47 hundred one of this article, the marketplace seller shall be deemed  
48 liable as a person under a duty to act for such marketplace provider for  
49 purposes of subdivision one of section eleven hundred thirty-one of this  
50 part.

51 (3) The commissioner may, in his or her discretion: (i) develop a  
52 standard provision, or approve a provision developed by a marketplace  
53 provider, in which the marketplace provider obligates itself to collect  
54 the tax on behalf of all the marketplace sellers for whom the market-  
55 place provider facilitates sales of tangible personal property, with  
56 respect to all sales that it facilitates for such sellers where delivery

1 occurs in the state; and (ii) provide by regulation or otherwise that  
 2 the inclusion of such provision in the publicly-available agreement  
 3 between the marketplace provider and marketplace seller will have the  
 4 same effect as a marketplace seller's acceptance of a certificate of  
 5 collection from such marketplace provider under paragraph two of this  
 6 subdivision.

7 § 4. Section 1133 of the tax law is amended by adding a new subdivi-  
 8 sion (f) to read as follows:

9 (f) A marketplace provider is relieved of liability under this section  
 10 for failure to collect the correct amount of tax to the extent that the  
 11 marketplace provider can show that the error was due to incorrect infor-  
 12 mation given to the marketplace provider by the marketplace seller.  
 13 Provided, however, this subdivision shall not apply if the marketplace  
 14 seller and marketplace provider are affiliated within the meaning of  
 15 paragraph one of subdivision (e) of section eleven hundred one of this

 28 and the amount of tax thereon, and the return of an operator required to  
 29 collect tax on rents shall show all rents received or charged and the  
 30 amount of tax thereon. The return of a marketplace seller shall exclude  
 31 the receipts from a sale of tangible personal property facilitated by a  
 32 marketplace provider if, in regard to such sale: (A) the marketplace  
 33 seller has timely received in good faith a properly completed certif-  
 34 icate of collection from the marketplace provider or the marketplace  
 35 provider has included a provision approved by the commissioner in the  
 36 publicly-available agreement between the marketplace provider and the  
 37 marketplace seller as described in subdivision (1) of section eleven  
 38 hundred thirty-two of this part, and (B) the information provided by the  
 39 marketplace seller to the marketplace provider about such tangible

 46 that a marketplace seller who is a vendor will be relieved of the duty  
 47 to collect tax for sales of tangible personal property facilitated by a  
 48 marketplace provider only if, in addition to the conditions prescribed  
 49 by paragraph two of subdivision (1) of section eleven hundred thirty-two  
 50 of this part being met, such marketplace provider is not on such list at  
 51 the commencement of the calendar year in which the sale was made.

52 § 7. This act shall take effect September 1, 2017, and shall apply to  
 53 sales made on or after that date.

2 law is amended by adding a new subparagraph (v) to read as follows:

3 (v) Notwithstanding the provisions of subparagraph (i) of this para-  
4 graph, the following sales of tangible personal property shall be deemed  
5 to be retail sales: (A) a sale to a single member limited liability  
6 company or a subsidiary for resale to its member or owner, where such  
7 single member limited liability company or subsidiary is disregarded as

9 out reference to any special rules related to the imposition of certain  
10 federal taxes), including but not limited to certain employment and  
11 excise taxes; (B) a sale to a partnership for resale to one or more of

21 while engaged in any manner in carrying on in this state any employment,  
22 trade, business or profession, shall not be deemed a nonresident with  
23 respect to the use in this state of property or services in such employ-  
24 ment, trade, business or profession. This exemption does not apply to

26 primarily to carry individuals, whether or not for hire, who are agents,  
27 employees, officers, shareholders, members, managers, partners, or  
28 directors of (A) the purchaser, where any of those individuals was a  
29 resident of this state when the qualified property was purchased or (B)  
30 any affiliated person that was a resident when the qualified property  
31 was purchased. For purposes of this subdivision: (i) persons are affil-  
32 iated persons with respect to each other where one of the persons has an  
33 ownership interest of more than five percent, whether direct or indi-  
34 rect, in the other, or where an ownership interest of more than five

38 [~~aircraft,~~] vessels and motor vehicles; and (iii) "carry" means to take  
39 any person from one point to another, whether for the business purposes

42 subdivision (q) of section eleven hundred eleven of this article.

43 (b) Notwithstanding any provision of this article to the contrary, the  
44 exclusion in paragraph (a) of this subdivision shall not apply to the  
45 use within the state of property or a service purchased outside this  
46 state by a nonresident that is not an individual, unless such nonresi-  
47 dent has been doing business outside the state for at least six months  
48 prior to the date such nonresident brought such property or service into  
49 this state.

50 § 3. This act shall take effect immediately.

2 PART EE

3 Section 1. Subdivision 1 of section 186-f of the tax law is amended by  
4 adding three new paragraphs (f), (g) and (h) to read as follows:

5 (f) "Prepaid wireless communications seller" means a person making a  
6 retail sale of prepaid wireless communications service or a prepaid  
7 wireless communications device.

8 (g) "Prepaid wireless communications device" means any equipment used  
9 to access a prepaid wireless communications service.

10 (h) "Prepaid wireless communications service" means a prepaid mobile  
11 calling service as defined in paragraph twenty-two of subdivision (b) of  
12 section eleven hundred one of this chapter.

13 § 2. Subdivision 2 of section 186-f of the tax law, as added by  
14 section 3 of part B of chapter 56 of the laws of 2009, is amended to  
15 read as follows:

16 2. Public safety communications surcharge. (a) (1) A surcharge on  
17 wireless communications service provided to a wireless communications  
18 customer with a place of primary use in this state is imposed at the  
19 rate of one dollar and twenty cents per month on each wireless communi-  
20 cations device in service during any part of each month. The surcharge  
21 must be reflected and made payable on bills rendered to the wireless  
22 communications customer for wireless communication service.

23 ~~[(b)]~~ (2) Each wireless communications service supplier providing  
24 wireless communications service in New York state must act as a  
25 collection agent for the state for the collection of the surcharge. The  
26 wireless communications service supplier has no legal obligation to  
27 enforce the collection of the surcharge from its customers. However,  
28 each wireless communications service supplier must collect and retain  
29 the name and address of any wireless communications customer with a  
30 place of primary use in this state that refuses or fails to pay the  
31 surcharge, as well as the cumulative amount of the surcharge remaining  
32 unpaid, and must provide this information to the commissioner at the  
33 time and according to the procedures the commissioner may provide. The  
34 surcharge must be reported and paid to the commissioner on a quarterly  
35 basis on or before the fifteenth day of the month following each quar-  
36 terly period ending on the last day of February, May, August and Novem-  
37 ber, respectively. The payments must be accompanied by a return in the  
38 form and containing the information the commissioner may prescribe.

39 ~~[(c)]~~ (3) The surcharge must be added as a separate line item to bills  
40 furnished by a wireless communications service supplier to its custom-  
41 ers, and must be identified as the "public safety communications  
42 surcharge". Each wireless communications customer who is subject to the  
43 provisions of this section remains liable to the state for the surcharge  
44 due under this section until it has been paid to the state, except that  
45 payment to a wireless communications service supplier is sufficient to  
46 relieve the customer from further liability for the surcharge.

47 ~~[(d) Each wireless communications service supplier is entitled to~~  
48 ~~retain, as an administrative fee, an amount equal to two percent of~~  
49 ~~fifty-eight and three-tenths percent of the total collections of the~~  
50 ~~surcharge imposed by this section, provided that the supplier files any~~  
51 ~~required return and remits the surcharge due to the commissioner on or~~  
52 ~~before its due date.]~~

53 (b)(1) A surcharge is imposed on the retail sale of each prepaid wire-  
54 less communications service or device at the rate of: (i) sixty cents

1 per retail sale that does not exceed thirty dollars; and (ii) one dollar  
2 and twenty cents per retail sale that exceeds thirty dollars.

3 (2) For purposes of this paragraph, a sale of a prepaid wireless  
4 communications service or device occurs in this state if the sale takes  
5 place at a seller's business location in the state. If the sale does not  
6 take place at the seller's place of business, it shall be conclusively  
7 determined to take place at the purchaser's shipping address or, if  
8 there is no item shipped, at the purchaser's billing address, or, if the  
9 seller does not have that address, at such address as approved by the  
10 commissioner that reasonably reflects the customer's location at the  
11 time of the sale of the prepaid wireless communications service or  
12 device.

13 (3) Each prepaid wireless communications seller in New York state must  
14 act as a collection agent for the state for the collection of the  
15 surcharge. The surcharge must be reported and paid to the commissioner  
16 on a quarterly basis on or before the fifteenth day of the month follow-  
17 ing each quarterly period ending on the last day of February, May,  
18 August and November, respectively. The payments must be accompanied by a  
19 return in the form and containing the information the commissioner may  
20 prescribe.

21 (4) The surcharge must be added as a separate line item to a sales  
22 slip, invoice, receipt, or other statement of the price, if any, that is  
23 furnished by a prepaid wireless communications seller to a purchaser,  
24 and must be identified as the "public safety communications surcharge."  
25 Each purchaser of a prepaid wireless communications service or device in  
26 this state remains liable to the state for the surcharge due under this  
27 section until it has been paid to the state, except that payment to a  
28 prepaid wireless communications seller is sufficient to relieve the  
29 purchaser from further liability for such surcharge.

30 § 3. The county law is amended by adding a new section 309 to read as  
31 follows:

32 § 309. Establishment of prepaid wireless surcharge for system costs.  
33 1. Definitions. When used in this article, where not otherwise specif-  
34 ically defined and unless the specific context clearly indicates other-  
35 wise:

36 (a) "Prepaid wireless communications seller" means a person making a  
37 retail sale of prepaid wireless communications service or a prepaid  
38 wireless communications device.

40 to access a prepaid wireless communications service.

41 (c) "Prepaid wireless communications service" means a prepaid mobile  
42 calling service as defined in paragraph twenty-two of subdivision (b) of  
43 section eleven hundred one of the tax law.

44 2. Notwithstanding the provisions of any law to the contrary, any  
45 municipality, as defined in section three hundred one of this article,  
46 that is authorized to impose an enhanced emergency telephone system  
47 surcharge on wireless communications service under this article, is  
48 hereby authorized and empowered to adopt, amend or repeal local laws,  
49 acting through its board, to impose a surcharge on the retail sale of  
50 each prepaid wireless communications service or device, in an amount not  
51 to exceed thirty cents per retail sale within such municipality. The  
52 proceeds from such surcharge shall be used to pay for the costs associ-  
53 ated with obtaining, operating and maintaining the telecommunication  
54 equipment and telephone services needed to provide an enhanced 911 emer-  
55 gency telephone system to serve such municipality.

1 3. For purposes of this section, a sale of a prepaid wireless communi-  
2 cations service or device occurs in a municipality if the sale takes  
3 place at a seller's business location in the municipality. If the sale  
4 does not take place at the seller's place of business, it shall be  
5 conclusively determined to take place at the purchaser's shipping  
6 address in the municipality or, if there is no item shipped, at the  
7 purchaser's billing address in the municipality, or, if the seller does  
8 not have that address, at such address that reasonably reflects the  
9 customer's location at the time of the sale of the prepaid wireless  
10 communications service or device.

11 4. Any such local law shall state the amount of the surcharge and the  
12 date on which sellers in the municipality shall begin to collect such  
13 surcharge. Any seller of a prepaid wireless communications service or  
14 device within a municipality that has imposed a surcharge pursuant to  
15 the provisions of this section shall be given a minimum of forty-five  
16 days written notice prior to the date it shall be required to begin to  
17 collect such surcharge or prior to any modification to or change in the  
18 surcharge amount.

19 5. (a) Each prepaid wireless communications seller in a municipality  
20 shall act as collection agent for such municipality and shall remit the  
21 funds collected pursuant to a surcharge imposed under the provisions of  
22 this section to the chief fiscal officer of the municipality every  
23 month. Such funds shall be remitted no later than thirty days after the  
24 last business day of the month.

25 (b) The seller shall be entitled to retain, as an administrative fee,  
26 an amount equal to two percent of its collections of the surcharge  
27 imposed under this article.

28 (c) The surcharge shall be added to and stated separately on a sales  
29 slip, invoice, receipt, or other statement of the price, if any, that is  
30 provided to the purchaser.

31 (d) The seller shall provide to the municipality an accounting of the  
32 surcharge amounts collected no more frequently than annually upon writ-  
33 ten request from the municipality's chief fiscal officer.

34 (e) Each purchaser of a prepaid wireless communications service or  
35 device in a municipality that has imposed such surcharge shall be liable  
36 to the municipality for the surcharge until it has been paid to the  
37 municipality, except that payment to a prepaid wireless communications  
38 seller is sufficient to relieve the purchaser from further liability for  
39 such surcharge.

40 6. All surcharge monies remitted to a municipality by a prepaid wire-  
41 less communications seller shall be expended only upon authorization of  
42 the legislative body of a municipality and only for payment of eligible  
43 wireless 911 service costs as defined in subdivision sixteen of section  
44 three hundred twenty-five of this chapter. The municipality shall sepa-  
45 rately account for and keep adequate books and records of the amount and  
46 source of all such monies and of the amount and object or purpose of all  
47 expenditures thereof. If, at the end of any fiscal year, the total  
48 amount of all such monies exceeds the amount necessary for payment of  
49 the above mentioned costs in such fiscal year, such excess shall be  
50 reserved and carried over for the payment of those costs in the follow-  
51 ing fiscal year.

52 § 4. This act shall take effect December 1, 2017.

20 3. Sale of tobacco products, herbal cigarettes, [~~liquid nicotine,~~

22 than by a vending machine, shall be made only to an individual who  
23 demonstrates, through (a) a valid driver's license or non-driver's iden-  
24 tification card issued by the commissioner of motor vehicles, the feder-

33 such appearance shall not constitute a defense in any proceeding alleg-  
34 ing the sale of a tobacco product, herbal cigarettes, [~~liquid nicotine,~~  
35 ~~shisha~~] or [~~electronic cigarettes~~] vapor products to an individual under  
36 eighteen years of age.

44 thousand dollars for a first violation, and a minimum of five hundred  
45 dollars, but not to exceed one thousand five hundred dollars for each  
46 subsequent violation, unless a different penalty is otherwise provided  
47 in this article. The enforcement officer shall advise the retail dealer

4 (a) Imposition of points. If the enforcement officer determines, after  
5 a hearing, that the retail dealer violated subdivision [~~one~~] two of  
6 section thirteen hundred ninety-nine-cc of this article with respect to  
7 a prohibited sale to a minor, he or she shall, in addition to imposing  
8 any other penalty required or permitted pursuant to this section, assign  
9 two points to the retail dealer's record where the individual who  
10 committed the violation did not hold a certificate of completion from a  
11 state certified tobacco sales training program and one point where the

12 interest and penalties provided by law, against any person liable there-  
13 for prior to the filing of his or her return and prior to the date when

46 has failed to attend a hearing of which he or she has been duly noti-  
47 fied, or if he or she consents to the sale, or if the commissioner  
48 determines that the expenses of conservation and maintenance will great-

30 the commission adopted effective May twenty-third, nineteen hundred  
31 eighty-six representing at least fifty-one percent of the owners and  
32 trainers [~~utilizing~~] using the facilities of such corporation.

33 In either case, any other horsemen's organization may apply to the  
34 [~~board~~] commission to be approved as the qualified organization to  
35 receive payment of the one percent of all purses by submitting to the

42 submitted with the application of any other horsemen's organization is  
43 conclusive with respect to items (i) and (ii) of this paragraph, it may  
44 approve the applicant as the qualified recipient organization.

45 In the best interests of racing, upon receipt of such an application,  
46 the [~~board~~] commission may direct the payments to the previously quali-  
47 fied horsemen's organization to continue uninterrupted, or it may direct

55 The funds authorized to be paid by the [~~board~~] commission are to be  
56 used exclusively for the benefit of those horsemen racing in New York

1 state through the administrative purposes of such qualified organiza-

49 licenses, which rules and regulations shall have the force and effect of  
50 law and shall be binding upon all municipalities issuing licenses and  
51 upon licensees thereunder and licensees of the commission, to the end  
52 that such licenses shall be issued to qualified licensees only and that  
53 said bingo games shall be fairly and properly conducted for the purposes  
54 and in the manner in the said bingo licensing law prescribed and to  
55 prevent the bingo games thereby authorized to be conducted from being  
56 conducted for commercial purposes or purposes other than those therein

34 provisions of section 50.20 of the criminal procedure law. Such immuni-  
35 ty shall be conferred only upon the vote of at least three members of  
36 the commission and only after affording the attorney general and the  
37 appropriate district attorney a reasonable opportunity to be heard with  
38 respect to any objections that they or either of them may have to the  
39 granting of such immunity.

40 § 1515. Place of investigations and hearings; witnesses; books and

44 evidence by the issuance of a subpoena signed by a person authorized by  
45 the commission to do so.

46 § 1516. Privilege against self-incrimination. The willful refusal to  
47 answer a material question or the assertion of privilege against self-  
48 incrimination during a hearing upon any investigation or review author-  
49 ized by this article by any licensee or any person identified with any  
50 licensee as an officer, director, stockholder, partner, member, employee  
51 or agent thereof shall constitute sufficient cause for the revocation or

55 that the raising of funds for the promotion of bona fide charitable,  
56 educational, scientific, health, religious, civic and patriotic causes

1 and undertakings, where the beneficiaries are indefinite, is in the  
2 public interest. It hereby finds that, as conducted prior to the effec-  
3 tive date of this title, bingo was the subject of exploitation by  
4 professional gamblers, promoters, and commercial interests. It is hereby  
5 declared to be the policy of the legislature that all phases of the  
6 supervision, licensing and regulation of bingo and of the conduct of  
7 bingo games, should be closely controlled and that the laws and regu-  
8 lations pertaining thereto should be strictly construed and rigidly  
9 enforced; that the conduct of the bingo game and all attendant activ-  
10 ities should be so regulated and adequate controls so instituted as to  
11 discourage commercialization in all its forms, including the rental of  
12 commercial premises for bingo games, and to ensure a maximum availabili-

14 worthy causes and undertakings specified herein; that the only justi-  
15 fication for this title is to foster and support such worthy causes and  
16 undertakings, and that the mandate of section nine of article one of the  
17 state constitution, as amended, should be carried out by rigid regu-

19 criminal and other undesirable elements and prevent the diversion of  
20 funds from the purposes herein authorized.

21 § 1521. Local option. Subject to the provisions of this title, and  
22 pursuant to the direction contained in subdivision two of section nine  
23 of article one of the constitution of the state, the legislature hereby  
24 gives and grants to every municipality the right, power and authority to  
25 authorize the conduct of bingo games by authorized organizations within  
26 the territorial limits of such municipality provided, however, that  
27 where the electors of a village hereafter approve a local law or ordi-  
28 nance pursuant to section fifteen hundred twenty-three of this title,  
29 the right, power and authority under this title of any town in which  
30 such village is located shall not extend to such village during such  
31 time as such village local law or ordinance is in effect.

32 § 1522. Local laws and ordinances. 1. The common council or other  
33 local legislative body of any municipality may, either by local law or  
34 ordinance, provide that it shall be lawful for any authorized organiza-  
35 tion, upon obtaining a license therefor as provided in this title, to  
36 conduct the game of bingo within the territorial limits of such munici-  
37 pality, subject to the provisions of such local law or ordinance, the  
38 provisions of this title and the provisions of the bingo control law.

39 2. No such local law or ordinance shall become operative or effective  
40 unless and until it has been approved by a majority of the electors  
41 voting on a proposition submitted at a general or special election held  
42 within such municipality who are qualified to vote for officers of such  
43 municipality.

44 3. The time, method and manner of submission, preparation and  
45 provision of ballots and ballot labels, balloting by voting machine and  
46 conducting the election, canvassing the result and making and filing the  
47 returns and all other procedure with reference to the submission of and  
48 action upon any proposition for the approval of any such local law or  
49 ordinance shall be the same as in the case of any other proposition to  
50 be submitted to the electors of such municipality at a general or  
51 special election in such municipality, as provided by law.

52 § 1523. Restrictions upon conduct of bingo games. The conduct of bingo  
53 games authorized by local law or ordinance shall be subject to the  
54 following restrictions without regard to whether such restrictions are  
55 contained in such local law or ordinance, but nothing in this section  
56 shall be construed to prevent the inclusion within such local law or

1 ordinance of other provisions imposing additional restrictions upon the  
2 conduct of bingo games:

3 1. No person, firm, association, corporation or organization, other  
4 than a licensee under the provisions of this title, shall

12 derived from the operation of such game.

13 3. No authorized organization licensed under the provisions of this  
14 title shall purchase, lease or receive any supplies or equipment specif-  
15 ically designed or adapted for use in the conduct of bingo games from  
16 other than a supplier licensed under the bingo control law or from  
17 another authorized organization.

18 4. The entire net proceeds of any game of bingo and of any rental  
19 shall be devoted exclusively to the lawful purposes of the organization  
20 permitted to conduct the same.

21 5. No prize shall exceed the sum or value of five thousand dollars in  
22 any single game of bingo.

23 6. No series of prizes on any one bingo occasion shall aggregate more  
24 than fifteen thousand dollars.

25 7. No person except a bona fide member of any such organization shall  
26 participate in the management or operation of such bingo game.

27 8. No person shall receive any remuneration for participating in the  
28 management or operation of any game of bingo.

29 9. The unauthorized conduct of a bingo game and any willful violation  
30 of any provision of any local law or ordinance shall constitute and be  
31 punishable as a misdemeanor.

32 10. No person licensed to sell bingo supplies or equipment, or any  
33 agent of such person, shall conduct, participate in or assist in the  
34 conduct of bingo. Nothing herein shall prohibit a licensed distributor  
35 from selling, offering for sale or explaining a product to an authorized  
36 organization or installing or servicing bingo equipment upon the prem-  
37 ises of a bingo game licensee.

38 11. Limited-period bingo shall be conducted in accordance with the

20 members of the applicant organization under whom the game or games of  
21 bingo will be conducted and to the application shall be appended a  
22 statement executed by the member or members so designated, that he, she  
23 or they will be responsible for the conduct of such bingo games in  
24 accordance with the terms of the license and the rules and regulations

53 (b) At the end of the license period, a recapitulation, in a manner  
54 prescribed in the rules and regulations of the commission, shall be made  
55 as between the licensee and the municipal governing body in respect of  
56 the gross rental actually received during the license period and the fee

1 paid therefor. The licensee shall pay any deficiency of fee thereby  
2 shown to be due and any excess of fee thereby shown to have been paid  
3 shall be credited to such licensee, in such manner as the commission by  
4 rules and regulations shall prescribe.

5 § 1525. Investigation; matters to be determined; issuance of license;  
6 fees; duration of license. 1. The governing body of the municipality

8 by declares that the raising of funds for the promotion of bona fide  
9 charitable, educational, scientific, health, religious and patriotic  
10 causes and undertakings, where the beneficiaries are undetermined, is in  
11 the public interest. The legislature hereby finds that, as conducted  
12 prior to the effective date of this title, games of chance were the  
13 subject of exploitation by professional gamblers, promoters and commer-  
14 cial interests. It is hereby declared to be the policy of the legisla-  
15 ture that all phases of the supervision, licensing and regulation of  
16 games of chance and of the conduct of games of chance should be closely  
17 controlled and that the laws and regulations pertaining thereto should  
18 be strictly construed and rigidly enforced; that the conduct of the game  
19 and all attendant activities should be so regulated and adequate  
20 controls so instituted as to discourage commercialization of gambling in  
21 all its forms, including the rental of commercial premises for games of  
22 chance, and to ensure a maximum availability of the net proceeds of  
23 games of chance exclusively for application to the worthy causes and  
24 undertakings specified herein; that the only justification for this  
25 title is to foster and support such worthy causes and undertakings, and  
26 that the mandate of subdivision two of section nine of article one of  
27 the state constitution, as amended, should be carried out by rigid regu-  
28 lations to prevent commercialized gambling, prevent participation by  
29 criminal and other undesirable elements and prevent the diversion of  
30 funds from the purposes herein authorized.

31 § 1551. Local option. Subject to the provisions of this title, and  
32 pursuant to the direction contained in subdivision two of section nine  
33 of article one of the state constitution, the legislature hereby gives  
34 and grants to every municipality the right, power and authority to  
35 authorize the conduct of games of chance by authorized organizations  
36 within the territorial limits of such municipality. A local law or ordi-  
37 nance adopted by a town shall be operative in any village or within any  
38 part of any village located within such town if, after adoption of such  
39 local law or ordinance, the board of trustees of such village adopts a  
40 local law or resolution subject to a permissive referendum as provided  
41 in article nine of the village law authorizing the issuance of licenses  
42 by the town for games of chance within such village. Such local law or  
43 resolution may be repealed only by a local law or resolution that shall  
44 also be subject to a permissive referendum, or by enactment of a local  
45 law authorizing games of chance as provided in section fifteen hundred  
46 fifty-two of this title.

47 § 1552. Local laws and ordinances. 1. The common council or other  
48 local legislative body of any municipality may, either by local law or  
49 ordinance, provide that it shall be lawful for any authorized organiza-  
50 tion, upon obtaining a license therefor as hereinafter provided, to  
51 conduct games of chance within the territorial limits of such munici-  
52 pality, subject to the provisions of such local law or ordinance, the  
53 provisions of this title and the provisions set forth by the commission.

54 2. No such local law or ordinance shall become operative or effective  
55 unless and until it shall have been approved by a majority of the elec-  
56 tors voting on a proposition submitted at a general or special election

1 held within such municipality who are qualified to vote for officers of  
2 such municipality.

3 3. The time, method and manner of submission, preparation and

8 ordinance shall be the same as in the case of any other proposition to  
9 be submitted to the electors of such municipality at a general or  
10 special election in such municipality, as provided by law.

11 § 1553. Powers and duties of the commission. The commission shall have  
12 the power and it shall be the duty of the commission to:

13 1. supervise the administration of the games of chance licensing law  
14 and to adopt, amend and repeal rules and regulations governing the issu-  
15 ance and amendment of licenses thereunder and the conducting of games  
16 under such licenses, which rules and regulations shall have the force  
17 and effect of law and shall be binding upon all municipalities issuing  
18 licenses, and upon licensees of the commission, to the end that such  
19 licenses shall be issued to qualified licensees only, and that said  
20 games shall be fairly and properly conducted for the purposes and in the  
21 manner of the said games of chance licensing law prescribed and to  
22 prevent the games of chance thereby authorized to be conducted from  
23 being conducted for commercial purposes or purposes other than those  
24 therein authorized, participated in by criminal or other undesirable  
25 elements and the funds derived from the games being diverted from the  
26 purposes authorized, and to provide uniformity in the administration of  
27 said law throughout the state, the commission shall prescribe forms of  
28 application for licenses, licensees, amendment of licenses, reports of  
29 the conduct of games and other matters incident to the administration of  
30 such law.

31 2. conduct, anywhere in the state, investigations of the adminis-  
32 tration, enforcement and potential or actual violations of the games of  
33 chance licensing law and of the rules and regulations of the commission.

34 3. review all determinations and actions of the clerk or department in  
35 issuing an initial license and it may review the issuance of subsequent  
36 licenses and, after hearing, revoke those licenses that do not in all  
37 respects meet the requirements of this title and the rules and regu-  
38 lations of the commission.

39 4. suspend or revoke a license, after hearing, for any violation of  
40 the provisions of this title or the rules and regulations of the commis-  
41 sion.

42 5. hear appeals from the determinations and action of the clerk,  
43 department or municipal officer in connection with the refusing to issue  
44 licenses, the suspension and revocation of licenses and the imposition  
45 of fines in the manner prescribed by law and the action and determi-  
46 nation of the commission upon any such appeal shall be binding upon the  
47 clerk, department or municipal officer and all parties thereto.

48 6. carry on continuous study of the operation of the games of chance  
49 licensing law to ascertain from time to time defects therein jeopardiz-  
50 ing or threatening to jeopardize the purposes of this title, and to  
51 formulate and recommend changes in such law and in other laws of the  
52 state that the commission may determine to be necessary for the realiza-  
53 tion of such purposes, and to the same end to make a continuous study of  
54 the operation and administration of similar laws that may be in effect  
55 in other states of the United States.

1 7. supervise the disposition of all funds derived from the conduct of  
2 games of chance by authorized organizations not currently licensed to  
3 conduct such games.

4 8. issue an identification number to an applicant authorized organiza-  
5 tion if the commission determines that the applicant satisfies the  
6 requirements of the games of chance licensing law and the rules and  
7 regulations of the commission.

8 9. approve and establish a standard set of games of chance equipment  
9 and by rules and regulations prescribe the manner in which such equip-  
10 ment is to be reproduced and distributed to licensed authorized organ-  
11 izations. The sale or distribution to a licensed authorized organization  
12 of any equipment other than that contained in the standard set of games  
13 of chance equipment shall constitute a violation of this section.

14 § 1554. Restrictions upon conduct of games of chance. The conduct of  
15 games of chance authorized by local law or ordinance shall be subject to  
16 the following restrictions without regard to whether the restrictions  
17 are contained in such local law or ordinance, but nothing herein shall  
18 be construed to prevent the inclusion within such local law or ordinance  
19 of other provisions imposing additional restrictions upon the conduct of  
20 such games:

21 1. No person, firm, partnership, corporation or organization, other  
22 than a licensee under the provisions of section fifteen hundred sixty of  
23 this title, shall

26 premises for any consideration whatsoever, direct or indirect, without  
27 obtaining the prior written approval of the commission.

28 2. No game of chance shall be held, operated or conducted on or within  
29 any leased premises if rental under such lease is to be paid, wholly or  
30 partly, on the basis of a percentage of the receipts or net profits  
31 derived from the operation of such game.

32 3. No authorized organization licensed under the provisions of this  
33 title shall purchase, lease, or receive any supplies or equipment  
34 specifically designed or adapted for use in the conduct of games of  
35 chance from other than a supplier licensed by the commission or from  
36 another authorized organization. Lease terms and conditions shall be  
37 subject to rules and regulations of the commission. The provisions of  
38 this title shall not be construed to authorize or permit an authorized  
39 organization to engage in the business of leasing games of chance,  
40 supplies or equipment. No organization shall purchase bell jar tickets,  
41 or deals of bell jar tickets, from any other person or organization  
42 other than those specifically authorized under section fifteen hundred  
43 seventy-six of this title.

5 for a ticket or other receipt.

6 (d) For coin boards and merchandise boards, the value of a prize shall  
7 be determined by the cost of such prize to the authorized organization  
8 or, if donated, the fair market value of such prize.

9 6. (a) No authorized organization shall award a series of prizes  
10 consisting of cash or of merchandise with an aggregate value in excess  
11 of:

12 (1) ten thousand dollars during the successive operations of any one  
13 merchandise wheel; and

14 (2) six thousand dollars during the successive operations of any bell  
15 jar, coin board or merchandise board.

16 (b) No series of prizes awarded by raffle shall have an aggregate

22 than five other single types of games of chance shall be conducted  
23 during any one license period.

24 8. (a) Except for merchandise wheels and raffles, no series of prizes  
25 on any one occasion shall aggregate more than four hundred dollars when  
26 the licensed authorized organization conducts five single types of games  
27 of chance during any one license period. Except for merchandise wheels,  
28 raffles and bell jars, no series of prizes on any one occasion shall  
29 aggregate more than five hundred dollars when the licensed authorized  
30 organization conducts fewer than five single types of games of chance,  
31 exclusive of merchandise wheels, raffles and bell jars, during any one  
32 license period.

33 (b) No authorized organization shall award by raffle prizes with an  
34 aggregate value in excess of three million dollars during any one  
35 license period.

36 9. Except for the limitations on the sum or value for single prizes  
37 and series of prizes, no limit shall be imposed on the sum or value of  
38 prizes awarded to any one participant during any occasion or any license  
39 period.

40 10. (a) No person except a bona fide member of the licensed authorized  
41 organization shall participate in the management of such games.

42 (b) No person except a bona fide member of the licensed authorized  
43 organization, its auxiliary or affiliated organization, shall partic-

52 premises of an authorized organization or an authorized games of chance  
53 lessor.

54 (b) Raffle tickets may be sold to the public outside the premises of  
55 an authorized organization or an authorized games of chance lessor if  
56 such sales occur in a municipality that:

1 (1) has passed a local law, ordinance or resolution in accordance with  
2 sections fifteen hundred fifty-one and fifteen hundred fifty-two of this  
3 title approving the conduct of games of chance;

4 (2) is located in the county in which the municipality issuing the  
5 raffle license is located or in a county that is contiguous to the coun-  
6 ty in which the municipality issuing the raffle license is located; and

7 (3) has not objected to such sales after the commission gives notice  
8 to such municipality of an authorized organization's request to sell  
9 such raffle tickets in such municipality.

10 (c) The commission may by regulation prescribe the advance notice an  
11 authorized organization must provide to the commission in order to take  
12 advantage of the provisions of paragraph (b) of this subdivision, forms  
13 in which such a request shall be made and the time period in which a  
14 municipality must communicate an objection to the commission.

16 eighty days prior to the date scheduled for the occasion at which the  
17 raffle will be conducted.

18 (e) The winner of any single prize in a raffle shall not be required  
19 to be present at the time such raffle is conducted.

20 14. No person licensed to manufacture, distribute or sell games of  
21 chance supplies or equipment, or their agents, shall conduct, partic-  
22 ipate in, or assist in the conduct of games of chance. Nothing herein  
23 shall prohibit a licensed distributor from selling, offering for sale or  
24 explaining a product to an authorized organization or installing or  
25 servicing games of chance equipment upon the premises of games of chance  
26 licensees.

27 15. The unauthorized conduct of a game of chance shall constitute and  
28 be punishable as a misdemeanor.

29 16. No coins or merchandise from a coin board or merchandise board  
30 shall be redeemable or convertible into cash directly or indirectly by  
31 the authorized organization.

32 17. No game of chance shall involve wagering of money by one player  
33 against another player.

34 § 1555. Authorized supplier of games of chance equipment. 1. No  
35 person, firm, partnership, corporation or organization shall sell or  
36 distribute supplies or equipment specifically designed or adapted for  
37 use in conduct of games of chance without having first obtained a  
38 license therefor upon written application made, verified and filed with  
39 the commission in the form prescribed by the rules and regulations of  
40 the commission. As a part of the commission's determination concerning  
41 the applicant's suitability for licensing as a games of chance supplier,  
42 the commission shall require the applicant to furnish to the commission  
43 two sets of fingerprints. Such fingerprints shall be submitted to the  
44 division of criminal justice services for a state criminal history

3 organizations or authorized games of chance lessors by the applicant  
4 during the preceding calendar year, or fiscal year if the applicant

20 active or employed.

21 3. The commission shall have power to examine or cause to be examined  
22 the books and records of any applicant for a license under this section.  
23 Any information so received shall not be disclosed except so far as may  
24 be necessary for the purpose of carrying out the provisions of this  
25 title.

26 4. Any solicitation of an organization licensed to conduct games of  
27 chance, to purchase or induce the purchase of games of chance supplies  
28 and equipment, other than by a person licensed or otherwise authorized  
29 pursuant to this section, shall constitute a violation of this section.

30 5. Any person who willfully makes any material false statement in any  
31 application for a license authorized to be issued under this section or  
32 who willfully violates any of the provisions of this section or of any  
33 license issued hereunder shall be guilty of a misdemeanor and, in addi-  
34 tion to the penalties in such case made and provided, shall forfeit any  
35 license issued to him, her or it under this section and be ineligible to  
36 apply for a license under this section for one year thereafter.

37 6. At the end of such period specified in the license, a recapitu-  
38 lation shall be made as between the licensee and the commission in  
39 respect of the gross sales and rentals actually recorded during that

11 Each applicant for a license shall, after obtaining an identification  
12 number from the commission, file with the clerk or department, an appli-

14 executed and verified, in which shall be stated:

15 (1) the name and address of the applicant together with sufficient

42 responsible for the management of such games in accordance with the  
43 terms of the license, the rules and regulations of the commission, this  
44 title and the applicable local laws or ordinances.

45 2. Authorized games of chance lessor. Each applicant for a license to

21 fifteen hundred of this article may file a verified statement, for which  
22 no fee shall be required, with the clerk or department and the commis-  
23 sion attesting that such organization shall derive net proceeds or net  
24 profits from raffles in an amount less than thirty thousand dollars  
25 during one occasion or part thereof at which raffles are to be

38 which the municipality issuing the raffle license is located, provided  
39 those municipalities have authorized the licensee, in writing, to sell  
40 such raffle tickets therein.

41 (b) An organization that has filed a verified statement with the clerk  
42 or department and the commission attesting that such organization shall

54 provided, that such organization shall derive net proceeds from raffles  
55 in an amount less than five thousand dollars during the conduct of one

1 raffle and shall derive net proceeds from raffles in an amount less than

8 sections fifteen hundred fifty-one and fifteen hundred fifty-two of this  
9 title approving the conduct of games of chance, and in municipalities  
10 that have passed a local law, ordinance or resolution in accordance with  
11 sections fifteen hundred fifty-one and fifteen hundred fifty-two of this

17 investigation of the qualifications of each applicant and the merits of  
18 each application, with due expedition after the filing of the applica-  
19 tion.

20 (a) Issuance of licenses to conduct games of chance. If such clerk or  
21 department determines:

22 (1) that the applicant is duly qualified to be licensed to conduct  
23 games of chance under this title;

24 (2) that the member or members of the applicant designated in the  
25 application to manage games of chance are bona fide active members of  
26 the applicant and are persons of good moral character and have never  
27 been convicted of a crime if there is a direct relationship between one  
28 or more of the previous criminal offenses and the integrity of charita-  
29 ble gaming, considering the factors set forth in section seven hundred  
30 fifty-three of the correction law;

31 (3) that such games are to be conducted in accordance with the  
32 provisions of this title and in accordance with the rules and regu-  
33 lations of the commission and applicable local laws or ordinances and  
34 that the proceeds thereof are to be disposed of as provided by this  
35 title; and

36 (4) is satisfied that no commission, salary, compensation, reward or  
37 recompense whatsoever will be paid or given to any person managing,  
38 operating or assisting therein except as in this title otherwise  
39 provided, then such clerk or department shall issue a license to the  
40 applicant for the conduct of games of chance upon payment of a license  
41 fee in an amount established by regulation of the commission for each  
42 license period.

43 (b) Issuance of licenses to authorized games of chance lessors. If  
44 such clerk or department determines:

45 (1) that the applicant seeking to lease premises for the conduct of  
46 games of chance to a games of chance licensee is duly qualified to be  
47 licensed under this title;

48 (2) that the applicant satisfies the requirements for an authorized  
49 organization as defined in section fifteen hundred of this article;

50 (3) that the applicant has filed its proposed rent for each license  
51 period; and

52 (4) that such proposed rent is fair and reasonable;

53 (5) that the net proceeds from any rental will be devoted to the  
54 lawful purposes of the applicant;

55 (6) that there is no diversion of the funds of the proposed lessee  
56 from the lawful purposes as defined in this title; and

1 (7) that such leasing of premises for the conduct of such games is to  
2 be in accordance with the provisions of this title, with the rules and  
3 regulations of the commission and applicable local laws and ordinances,  
4 then such clerk or department shall issue a license permitting the  
5 applicant to lease said premises for the conduct of such games to the  
6 games of chance licensee or licensees specified in the application  
7 during the period therein specified or such shorter period as such clerk  
8 or department determines, but not to exceed twelve license periods  
9 during a calendar year, upon payment of a license fee in an amount  
10 established by the regulations of the commission. Nothing herein shall  
11 be construed to require the applicant to be licensed under this title to  
12 conduct games of chance.

13 (c) Issuance of license upon summary application. If, upon the basis  
14 of a summary application as prescribed under subdivision three of  
15 section fifteen hundred fifty-eight of this title, the clerk or depart-  
16 ment determines that the applicant is duly qualified to be licensed to  
17 conduct games of chance under this title, said clerk or department shall  
18 forthwith issue said license. In the event the clerk or department has  
19 reason to believe that the applicant is not so qualified the applicant  
20 shall be directed to file an application pursuant to subdivision one of  
21 section fifteen hundred fifty-eight of this title.

22 2. On or before the last day of each month, the treasurer of the muni-  
23 cipality in which the licensed property is located shall transmit to the  
24 state comptroller a sum equal to fifty percent of all authorized games  
25 of chance lessor license fees and a sum established by regulation of the  
26 commission per license period for the conduct of games of chance  
27 collected by such clerk or department pursuant to this section during  
28 the preceding calendar month.

29 3. No license shall be issued under this section that is effective for  
30 a period of more than one year.

31 § 1561. Hearing; amendment of license. 1. No application for the issu-  
32 ance of a license to conduct games of chance or lease premises to an  
33 authorized organization shall be denied by the clerk or department,  
34 until after a hearing, held on due notice to the applicant, at which the  
35 applicant shall be entitled to be heard upon the qualifications of the  
36 applicant and the merits of the application.

37 2. Any license issued under this title may be amended, upon applica-  
38 tion made to such clerk or department that issued it, if the subject  
39 matter of the proposed amendment could lawfully and properly have been  
40 included in the original license and upon payment of such additional  
41 license fee, if any, as would have been payable if it had been so  
42 included.

43 § 1562. Form and contents of license; display of license. 1. Each  
44 license to conduct games of chance shall be in such form as shall be  
45 prescribed in the rules and regulations of the commission and shall  
46 contain:

48 and addresses of the members of the licensee under whom the games will  
49 be managed;

53 such games are to be devoted;

54 (d) the name of each single type of game to be conducted under the  
55 license and the number of merchandise wheels and raffles, if any, to be  
56 operated; and

1 (e) any other information that may be required by the rules and regu-  
2 lations of the commission to be contained therein.

3 2. Each license issued for the conduct of any games shall be displayed  
4 conspicuously at the place where such games are to be conducted at all  
5 times during the conduct thereof.

6 3. Each license to lease premises for conducting games of chance shall  
7 be in such form as shall be prescribed in the rules and regulations of  
8 the commission and shall contain a statement of the name and address of  
9 the licensee and the address of the leased premises, the amount of  
10 permissible rent and any information that may be required by said rules  
11 and regulations to be contained therein, and each such license shall be  
12 conspicuously displayed upon such premises at all times during the  
13 conduct of games of chance.

14 § 1563. Control and supervision; suspension of identification numbers  
15 and licenses; inspections of premises. 1. The municipal officer or  
16 department shall have and exercise rigid control and close supervision  
17 over all games of chance conducted under such license, to the end that  
18 the same are conducted fairly in accordance with the provisions of such  
19 license, the provisions of the rules and regulations promulgated by the  
20 commission and the provisions of this title. Such municipal officer or  
21 department and the commission shall have the power and the authority to  
22 suspend temporarily any license issued by the clerk or department and/or  
23 impose fines for violations not to exceed one thousand dollars. Tempo-  
24 rary suspension of licenses shall be followed promptly by a hearing, and  
25 after notice and hearing, the clerk, department or the commission may  
26 suspend or revoke the same and declare the violator ineligible to apply  
27 for a license for a period not exceeding twelve months thereafter. Any  
28 fines tendered to the clerk, department or the commission shall not be  
29 paid from funds derived from the conduct of games of chance. The munici-  
30 pal officer and the department or the commission shall additionally have  
31 the right of entry, by their respective municipal officers and agents,  
32 at all times into any premises where any game of chance is being  
33 conducted or where it is intended that any such game shall be conducted,  
34 or where any equipment being used or intended to be used in the conduct  
35 thereof is found, for the purpose of inspecting the same. Upon suspen-  
36 sion or revocation of any license or upon declaration of ineligibility  
37 to apply for a license, the commission may suspend or revoke the iden-  
38 tification number issued pursuant to section fifteen hundred fifty-three  
39 of this title. An agent of the appropriate municipal officer or depart-  
40 ment shall make an on-site inspection during the conduct of all games of  
41 chance licensed pursuant to this title.

42 2. A municipality may, by local law or ordinance enacted pursuant to  
43 the provisions of section fifteen hundred fifty-two of this title,  
44 provide that the powers and duties set forth in subdivision one of this  
45 section shall be exercised by the chief law enforcement officer of the  
46 county. In the event a municipality exercises this option, the fees  
47 provided for by subdivision two of section fifteen hundred sixty-seven  
48 of this title shall be remitted to the chief fiscal officer of the coun-  
49 ty.

50 3. Service of alcoholic beverages. Subject to the applicable  
51 provisions of the alcoholic beverage control law, beer may be offered  
52 for sale during the conduct of games of chance on games of chance prem-  
53 ises as such premises are defined in section fifteen hundred of this  
54 article; provided, however, that nothing herein shall be construed to  
55 limit the offering for sale of any other alcoholic beverage in areas  
56 other than the games of chance premises or the sale of any other alco-

1 holic beverage in premises where only the games of chance known as bell  
2 jars or raffles are conducted.

3 § 1564. Frequency of games. 1. No game or games of chance shall be  
4 conducted under any license issued under this title more often than  
5 twelve times in any calendar year. No particular premises shall be used  
6 for the conduct of games of chance on more than twenty-four license  
7 periods during any one calendar year.

8 2. Games of chance other than bell jars and raffles may be conducted  
9 at any time, unless the games of chance license provides otherwise. No  
10 license may restrict the times in which bell jars or raffles are  
11 conducted, subject to the limitations on the license period for such  
12 games set forth in subdivision eighteen of section fifteen hundred of  
13 this article.

14 § 1565. Persons operating games; equipment; expenses; compensation. 1.  
15 No person shall operate any game of chance under any license issued

17 tion to which the license is issued, or a bona fide member of an organ-  
18 ization or association that is an auxiliary to the licensee or a bona  
19 fide member of an organization or association of which such licensee is  
20 an auxiliary or a bona fide member of an organization or association  
21 that is affiliated with the licensee by being, with it, auxiliary to  
22 another organization or association. Nothing herein shall be construed  
23 to limit the number of games of chance licensees for whom such persons  
24 may operate games of chance nor to prevent non-members from assisting  
25 the licensee in any activity other than managing or operating games. For  
26 the purpose of the sale of tickets for the game of raffle, the term  
27 "operate" shall not include the sale of such tickets by persons of  
28 lineal or collateral consanguinity to members of an authorized organiza-  
29 tion licensed to conduct a raffle.

30 2. No game of chance shall be conducted with any equipment except such  
31 as shall be owned or leased by the authorized organization so licensed  
32 or used without payment of any compensation therefor by the licensee.  
33 However, in no event shall bell jar tickets be transferred from one  
34 authorized organization to another, with or without payment of any  
35 compensation thereof.

36 3. The head or heads of the authorized organization shall upon request  
37 certify, under oath, that the persons operating any game of chance are  
38 bona fide members of such authorized organization, auxiliary or affil-  
39 iated organization.

40 4. Upon request by a municipal officer or the department any such  
41 person involved in such games of chance shall certify that he or she has  
42 no criminal record or shall disclose previous criminal offenses for  
43 consideration of the factors set forth in section seven hundred fifty-  
44 three of the correction law.

45 5. No items of expense shall be incurred or paid in connection with  
46 the conducting of any game of chance pursuant to any license issued  
47 under this title except those that are reasonable and are necessarily  
48 expended for games of chance supplies and equipment, prizes, security  
49 personnel, stated rental if any, bookkeeping or accounting services  
50 according to a schedule of compensation prescribed by the commission,  
51 janitorial services and utility supplies if any, and license fees, and  
52 the cost of bus transportation, if authorized by such clerk or depart-  
53 ment.

54 6. No commission, salary, compensation, reward or recompense shall be  
55 paid or given to any person for the sale or assisting with the sale of  
56 raffle tickets.

1 § 1566. Charge for admission and participation; amount of prizes;  
2 award of prizes. 1. A fee may be charged by any licensee for admission  
3 to any game or games of chance conducted under any license issued under  
4 this title. The clerk or department may in its discretion fix a minimum  
5 fee.

6 2. With the exception of bell jars, coin boards, seal cards, merchan-  
7 dise boards and raffles, every winner shall be determined and every  
8 prize shall be awarded and delivered within the same calendar day as  
9 that upon which the game was played.

10 3. A player may purchase a chance with cash or, if the authorized  
11 organization wishes, with a personal check, credit card or debit card.

12 § 1567. Statement of receipts and expenses; additional license fees.

13 1. Within seven days after the conclusion of any license period other  
14 than a license period for a raffle, or as otherwise prescribed by the  
15 commission, the authorized organization that conducted the same, and its  
16 members who were in charge thereof, and when applicable the authorized  
17 games of chance lessor that rented its premises therefor, shall each  
18 furnish to the clerk or department a statement subscribed by the member  
19 in charge and affirmed by him or her as true, under the penalties of  
20 perjury, showing the amount of the gross receipts derived therefrom and  
21 each item of expense incurred, or paid, and each item of expenditure  
22 made or to be made other than prizes, the name and address of each  
23 person to whom each such item of expense has been paid, or is to be  
24 paid, with a detailed description of the merchandise purchased or the  
25 services rendered therefor, the net proceeds derived from the conduct of  
26 games of chance during such license period, and the use to which such  
27 proceeds have been or are to be applied. It shall be the duty of each  
28 licensee to maintain and keep such books and records as may be necessary  
29 to substantiate the particulars of each such statement.

30 2. Within thirty days after the conclusion of an occasion during which  
31 a raffle was conducted, the authorized organization conducting such  
32 raffle and the members in charge of such raffle, and, when applicable,  
33 the authorized games of chance lessor that rented its premises therefor,  
34 shall each furnish to the clerk or department a statement on a form  
35 prescribed by the commission, subscribed by the member in charge and  
36 affirmed by him or her as true, under the penalties of perjury, showing:

37 (a) the number of tickets printed;  
38 (b) the number of tickets sold;  
39 (c) the price and the number of tickets returned to or retained by the  
40 authorized organization as unsold;

41 (d) a description and statement of the fair market value for each  
42 prize actually awarded;

43 (e) the amount of the gross receipts derived therefrom;

44 (f) each item of expenditure made or to be made other than prizes;

45 (g) the name and address of each person to whom each such item of  
46 expense has been paid, or is to be paid;

47 (h) a detailed description of the merchandise purchased or the  
48 services rendered therefor;

49 (i) the net proceeds derived from the raffle at such occasion; and

50 (j) the use to which the proceeds have been or are to be applied. It  
51 shall be the duty of each licensee to maintain and keep such books and  
52 records as may be necessary to substantiate the particulars of each such  
53 statement, provided, however, where the cumulative net proceeds or net  
54 profits derived from the conduct of a raffle or raffles are less than  
55 thirty thousand dollars during any one occasion, in such case, the  
56 reporting requirement shall be satisfied by the filing within thirty

1 days of the conclusion of such occasion a verified statement prescribed  
2 by the commission attesting to the amount of such net proceeds or net  
3 profits and the distribution thereof for lawful purposes with the clerk  
4 or department and a copy with the commission, and provided further,  
5 however, where the cumulative net proceeds derived from the conduct of a  
6 raffle or raffles are less than five thousand dollars during any one  
7 occasion and less than thirty thousand dollars during one calendar year,  
8 no reporting shall be required.

9 3. Any authorized organization required to file an annual report with  
10 the secretary of state pursuant to article seven-A of the executive law  
11 or the attorney general pursuant to article eight of the estates, powers  
12 and trusts law shall include with such annual report a copy of the  
13 statement required to be filed with the clerk or department pursuant to  
14 subdivision one or two of this section.

15 4. Upon the filing of such statement of receipts pursuant to subdivi-  
16 sion one or two of this section, the authorized organization furnishing  
17 the same shall pay to the clerk or department as and for an additional  
18 license fee a sum based upon the reported net proceeds, if any, for the  
19 license period, or in the case of raffles, for the occasion covered by  
20 such statement and determined in accordance with such schedule as shall  
21 be established from time to time by the commission to defray the actual  
22 cost to municipalities or counties of administering the provisions of  
23 this title, but such additional license fee shall not exceed five  
24 percent of the net proceeds for such license period. The provisions of  
25 this subdivision shall not apply to the net proceeds from the sale of  
26 bell jar tickets. No fee shall be required where the net proceeds or net  
27 profits derived from the conduct of a raffle or raffles are less than  
28 thirty thousand dollars during any one occasion.

29 § 1568. Examination of books and records; examination of officers and  
30 employees; disclosure of information. The clerk or department and the

38 thereof under oath in relation to the conduct of any such game under any  
39 such license, the use of its premises for games of chance, or the dispo-  
40 sition of net proceeds derived from games of chance, as the case may be;  
41 or

42 2. any authorized games of chance lessor, so far as such books and  
43 records may relate to leasing premises for games of chance, and to exam-  
44 ine such lessor or any manager, officer, director, agent or employee  
45 thereof under oath in relation to such leasing. Any information so  
46 received shall not be disclosed except so far as may be necessary for  
47 the purpose of carrying out the provisions of this title.

48 § 1569. Appeals for the decision of a municipal officer, clerk or  
49 department to the commission. Any applicant for, or holder of, any  
50 license issued or to be issued under this title aggrieved by any action  
51 of a municipal officer, clerk or department, to which such application  
52 has been made or by which such license has been issued, may appeal to  
53 the commission from the determination of said municipal officer, clerk  
54 or department by filing with such municipal officer, clerk or department  
55 a written notice of appeal within thirty days after the determination or  
56 action appealed from, and upon the hearing of such appeal, the evidence,

1 if any, taken before such municipal officer, clerk or department and any  
2 additional evidence may be produced and shall be considered in arriving  
3 at a determination of the matters in issue, and the action of the  
4 commission upon said appeal shall be binding upon such municipal offi-  
5 cer, clerk or department and all parties to said appeal.

6 § 1570. Exemption from prosecution. No person, firm, partnership,  
7 corporation or organization lawfully conducting, or participating in the  
8 conduct of, games of chance, or permitting the conduct upon any premises  
9 owned or leased by him, her or it under any license lawfully issued  
10 pursuant to this title, shall be liable to prosecution or conviction for  
11 violation of any provision of article two hundred twenty-five of the  
12 penal law or any other law or ordinance to the extent that such conduct  
13 is specifically authorized by this title, but this immunity shall not  
14 extend to any person or corporation knowingly conducting or participat-  
15 ing in the conduct of games of chance under any license obtained by any  
16 false pretense or by any false statement made in any application for  
17 license or otherwise, or permitting the conduct upon any premises owned  
18 or leased by him, her or it of any game of chance conducted under any  
19 license known to him, her or it to have been obtained by any such false  
20 pretense or statement.

21 § 1571. Offenses; forfeiture of license; ineligibility to apply for  
22 license. Any person, firm, partnership, corporation or organization who  
23 or that shall:

24 1. make any material false statement in any application for any  
25 license authorized to be issued under this title;

26 2. pay or receive, for the use of any premises for conducting games of  
27 chance, a rental in excess of the amount specified as the permissible

31 all transactions connected with the conducting of games of chance or the  
32 leasing of premises to be used for the conduct of games of chance;

33 4. falsify or make any false entry in any books or records so far as  
34 they relate in any manner to the conduct of games of chance, to the  
35 disposition of the proceeds thereof and to the application of the rents  
36 received by any authorized organization;

37 5. divert or pay any portion of the net proceeds of any game of chance  
38 to any person, firm, partnership, corporation, except in furtherance of  
39 one or more of the lawful purposes defined in this title; shall be guilty  
40 of a misdemeanor and shall forfeit any license issued under this  
41 title and be ineligible to apply for a license under this title for at  
42 least one year thereafter.

43 § 1572. Unlawful games of chance. 1. Any person, association, corpo-  
44 ration or organization holding, operating or conducting a game or games  
45 of chance is guilty of a misdemeanor, except when operating, holding or

47 (a) in accordance with a valid license issued pursuant to this title;

48 (b) on behalf of a bona fide organization of persons sixty years of  
49 age or over, commonly referred to as senior citizens, solely for the

54 opportunity to participate;

55 (3) the prizes awarded or to be awarded are nominal;

1 (4) no person other than a bona fide active member of the organization

6 title.

7 2. The provisions of this section shall apply to all municipalities  
8 within this state, including those municipalities where this title is  
9 inoperative.

10 § 1573. Title inoperative until adopted by voters. Except as provided  
11 in section fifteen hundred seventy-two of this title, the provisions of  
12 this title shall remain inoperative in any municipality unless and until  
13 a proposition therefor submitted at a general or special election in  
14 such municipality shall be approved by a vote of the majority of the  
15 qualified electors in such municipality voting thereon.

16 § 1574. Amendment and repeal of local laws and ordinances. Any such  
17 local law or ordinance may be amended, from time to time, or repealed by  
18 the common council or other local legislative body of the municipality  
19 that enacted it, by a two-thirds vote of such legislative body and such  
20 amendment or repeal, as the case may be, may be made effective and oper-  
21 ative not earlier than thirty days following the effective date of the  
22 local law or ordinance effecting such amendment or repeal, as the case  
23 may be, and the approval of a majority of the electors of such munici-  
24 pality shall not be a condition prerequisite to the taking effect of  
25 such local law or ordinance.

26 § 1575. Manufacturers of bell jars; reports and records. 1. Distrib-  
27 ution; manufacturers. For business conducted in this state, manufactur-  
28 ers licensed by the commission to sell bell jar tickets shall sell such  
29 tickets only to distributors licensed by the commission. Manufacturers  
30 of bell jar tickets, seal cards, merchandise boards and coin boards may  
31 submit samples, artists' renderings or color photocopies of proposed  
32 bell jar tickets, seal cards, merchandise boards, coin boards, payout  
33 cards and flares for review and approval by the commission. Within thir-  
34 ty days of receipt of such sample or rendering, the commission shall  
35 approve or deny such bell jar tickets. Following approval of a rendering  
36 of a bell jar ticket, seal card, merchandise board or coin board by the  
37 commission, the manufacturer shall submit to the commission a sample of  
38 the printed bell jar ticket, seal card, merchandise board, coin board,  
39 payout card and flare for such game. Such sample shall be submitted  
40 prior to the sale of the game to any licensed distributor for resale in  
41 this state. For coin boards and merchandise boards, nothing herein shall  
42 require the submittal of actual coins or merchandise as part of the  
43 approval process. Any licensed manufacturer who willfully violates the  
44 provisions of this section shall:

45 (a) upon such first offense, have its license suspended for a period  
46 of thirty days;

47 (b) upon such second offense, participate in a hearing to be conducted  
48 by the commission, and surrender its license for such period as recom-  
49 ended by the commission; and

50 (c) upon such third or subsequent offense, have its license suspended  
51 for a period of one year and shall be guilty of a class E felony. Any  
52 unlicensed manufacturer who violates the provisions of this section  
53 shall be guilty of a class E felony.

54 2. Bar codes. The manufacturer shall affix to the flare of each bell  
55 jar game a bar code that provides all information prescribed by the  
56 commission and shall require that the bar code include the serial number

1 of the game the flare describes. A manufacturer shall also affix to the  
2 outside of the container or wrapping containing a deal of bell jar tick-  
3 ets a bar code providing all information prescribed by the commission  
4 and containing the same information as the bar code affixed to the  
5 flare. The commission may also prescribe additional bar code require-  
6 ments. No person may alter the bar code that appears on the flare or on  
7 the outside of the container or wrapping containing a deal of bell jar  
8 tickets. Possession of a deal of bell jar tickets that has a bar code  
9 different from the serial number of the deal inside the container or  
10 wrapping as evidenced on the flare is prima facie evidence that the  
11 possessor has altered the bar code on the container or wrapping.

12 3. Bell jar flares. (a) A manufacturer shall not ship or cause to be  
13 shipped into this state any deal of bell jar tickets that does not have  
14 its own individual flare as required for that deal by rule of the  
15 commission. A person other than a licensed manufacturer shall not manu-  
16 facture, alter, modify or otherwise change a flare for a deal of bell  
17 jar tickets except as authorized by this title or rules and regulations  
18 promulgated by the commission.

19 (b) The flare for each deal of bell jar tickets sold by a manufacturer  
20 in this state shall be placed inside the wrapping of the deal that the  
21 flare describes.

22 (c) The bar code affixed to the flare of each bell jar game shall bear  
23 the serial number of such game as prescribed by the commission.

24 (d) The flare of each bell jar game shall have affixed a bar code that  
25 provides:

26 (1) the game code;

27 (2) the serial number of the game;

28 (3) the name of the manufacturer; and

29 (4) other information the commission by rule may require.

30 The serial number included on the bar code shall be the same as the  
31 serial number of the tickets included in the deal. A manufacturer who  
32 manufactures a deal of bell jar tickets shall affix to the outside of  
33 the container or wrapping containing the bell jar tickets the same bar  
34 code that is affixed to the flare for that deal.

35 (e) No person shall alter the bar code that appears on the outside of  
36 a container or wrapping containing a deal of bell jar tickets.  
37 Possession of a deal of bell jar tickets that has a bar code different  
38 from the bar code of the deal inside the container or wrapping is prima  
39 facie evidence that the possessor has altered the bar code on the box.

40 4. Reports of sales. A manufacturer who sells bell jar tickets for  
41 resale in this state shall file with the commission, on a form  
42 prescribed by the commission, a report of all bell jar tickets sold to  
43 distributors in the state. The report shall be filed quarterly on or

16 that for coin boards and merchandise boards, delineation of the prize or  
17 prize value need not be included on the game ticket sold in conjunction  
18 with a coin board or merchandise board. In lieu of such requirement,  
19 the distributor shall be required to disclose the prize levels and the  
20 number of winners at each level and shall print clearly on the game  
21 ticket that a ticket holder may obtain the prize and prize value for  
22 each prize level by referencing the flare. Such coin boards shall be  
23 sold only by licensed distributors to licensed authorized organizations  
24 registered by the commission in accordance with the provisions of this  
25 title.

26 3. Business records. A distributor shall keep at each place of busi-  
27 ness complete and accurate records for that place of business, including  
28 itemized invoices of bell jar tickets held and purchased. The records  
29 must show the names and addresses of purchasers, the inventory at the  
30 close of each period for which a return is required, all bell jar tick-  
31 ets on hand and other pertinent papers and documents relating to the  
32 purchase, sale or disposition of bell jar tickets as may be required by  
33 the commission. Books, records, itemized invoices and other papers and  
34 documents required by this section shall be kept for a period of at  
35 least four years after the date of the documents, or the date of the  
36 entries appearing in the records, unless the commission authorizes in  
37 writing their destruction or disposal at an earlier date. A person who  
38 violates this section shall be guilty of a misdemeanor.

39 4. Sales records. A distributor shall maintain a record of all bell

53 distributor and the account number identifying the sale from the  
54 distributor to the licensed organization; and

55 (j) the name, form number or other identifying information for each  
56 game.

1 5. Invoices. A distributor shall supply with each sale of a bell jar

12 game.

13 6. Reports. A distributor shall report quarterly to the commission, on  
14 a form prescribed by the commission, its sales of each type of bell jar  
15 deal or tickets. This report shall be filed quarterly on or before the  
16 twentieth day of the month succeeding the end of the quarter in which  
17 the sale was made. The commission may require that a distributor submit  
18 the quarterly report and invoices required by this section via electron-

26 requested by the commission.

27 § 1577. Transfer restrictions. Not-for-profit, charitable or religious  
28 organizations authorized to sell bell jar tickets in accordance with  
29 this title shall purchase bell jar tickets only from distributors  
30 licensed by the commission. No not-for-profit, charitable or religious  
31 organization shall sell, donate or otherwise transfer bell jar tickets  
32 to any other not-for-profit, charitable or religious organization.

33 § 1578. Bell jars compliance and enforcement. 1. In the case of bell  
34 jars, the licensee, upon filing financial statements of bell jar oper-  
35 ations, shall also tender to the commission a sum in the amount of five  
36 percent of the net proceeds from the sale of bell jar tickets, seal

39 2. Unsold tickets of the bell jar deal shall be kept on file by the

46 § 3. Section 203 of the racing, pari-mutuel wagering and breeding law,  
47 as amended by chapter 18 of the laws of 2008, is amended to read as  
48 follows:

49 § 203. Right to hold race meetings and races. 1. Any corporation  
50 formed under the provisions of this article, if so claimed in its  
51 certificate of organization, and if it shall comply with all the  
52 provisions of this article, and any other corporation entitled to the  
53 benefits and privileges of this article as hereinafter provided, shall  
54 have the power and the right to hold one or more running race meetings  
55 in each year, and to hold, maintain and conduct running races at such  
56 meetings. At such running race meetings the corporation, or the owners

1 of horses engaged in such races, or others who are not participants in  
2 the race, may contribute purses, prizes, premiums or stakes to be  
3 contested for, but no person or persons other than the owner or owners  
4 of a horse or horses contesting in a race shall have any pecuniary  
5 interest in a purse, prize, premium or stake contested for in such race,  
6 or be entitled to or receive any portion thereof after such race is  
7 finished, and the whole of such purse, prize, premium or stake shall be  
8 allotted in accordance with the terms and conditions of such race. Races  
9 conducted by a franchised corporation shall be permitted only between  
10 sunrise and sunset.

11 2. Notwithstanding any other provision of law to the contrary, a fran-  
12 chised corporation shall be permitted to conduct races after sunset at  
13 the Belmont Park racetrack, but only if such races conclude before elev-  
14 en o'clock post meridian. The franchised corporation shall coordinate  
15 with a harness racing association or corporation authorized to operate  
16 in Westchester county to ensure that the starting times of all such  
17 races are staggered.

18 3. A track first licensed after January first, nineteen hundred nine-  
19 ty, shall not conduct the simulcasting of thoroughbred races within  
20 district one, in accordance with article ten of this chapter on days  
21 that a franchised corporation is not conducting a race meeting. In no  
22 event shall thoroughbred races conducted by a track first licensed after  
23 January first, nineteen hundred ninety be conducted after eight o'clock  
24 post meridian.

25 § 4. Subparagraph (i) of paragraph (d) of subdivision 1 of section 238  
26 of the racing, pari-mutuel wagering and breeding law, as amended by  
27 section 2 of part BB of chapter 60 of the laws of 2016, is amended to  
28 read as follows:

29 (i) The pari-mutuel tax rate authorized by paragraph (a) of this  
30 subdivision shall be effective so long as a franchised corporation noti-  
31 fies the gaming commission by August fifteenth of each year that such  
32 pari-mutuel tax rate is effective of its intent to conduct a race meet-  
33 ing at Aqueduct racetrack during the months of December, January, Febru-  
34 ary, March and April. For purposes of this paragraph such race meeting  
35 shall consist of not less than ninety-five days of racing unless other-  
36 wise agreed to in writing by the New York Thoroughbred Breeders Inc.,  
37 the New York thoroughbred horsemen's association (or such other entity  
38 as is certified and approved pursuant to section two hundred twenty-  
39 eight of this article) and approved by the commission. Not later than  
40 May first of each year that such pari-mutuel tax rate is effective, the  
41 gaming commission shall determine whether a race meeting at Aqueduct  
42 racetrack consisted of the number of days as required by this paragraph.  
43 In determining the number of race days, cancellation of a race day  
44 because of an act of God that the gaming commission approves or because  
45 of weather conditions that are unsafe or hazardous which the gaming  
46 commission approves shall not be construed as a failure to conduct a  
47 race day. Additionally, cancellation of a race day because of circum-  
48 stances beyond the control of such franchised corporation for which the  
49 gaming commission gives approval shall not be construed as a failure to  
50 conduct a race day. If the gaming commission determines that the number  
51 of days of racing as required by this paragraph have not occurred then  
52 the pari-mutuel tax rate in paragraph (a) of this subdivision shall  
53 revert to the pari-mutuel tax rates in effect prior to January first,  
54 nineteen hundred ninety-five.

55 § 5. This act shall take effect April 1, 2017; provided, however, that  
56 section one of this act shall take effect upon the appointment of a

1 majority of board members; provided, further, that the state franchise  
2 oversight board shall notify the legislative bill drafting commission  
3 upon the occurrence of such appointments in order that the commission  
4 may maintain an accurate and timely effective data base of the official  
5 text of the laws of the state of New York in furtherance of effectuating  
6 the provisions of section 44 of the legislative law and section 70-b of  
7 the public officers law; provided further that the amendments to section  
8 212 of the racing, pari-mutuel wagering and breeding law made by section  
9 two of this act shall not affect the repeal of such section and shall be  
10 deemed repealed therewith.

12 Section 1. Paragraph (a) of subdivision 1 of section 1003 of the  
13 racing, pari-mutuel wagering and breeding law, as amended by section 1  
14 of part FF of chapter 60 of the laws of 2016, is amended to read as  
15 follows:

16 (a) Any racing association or corporation or regional off-track

19 pari-mutuel betting shall be permitted in the manner and subject to the  
20 conditions provided for in this article may apply to the commission for  
21 a license so to do. Applications for licenses shall be in such form as  
22 may be prescribed by the commission and shall contain such information  
23 or other material or evidence as the commission may require. No license  
24 shall be issued by the commission authorizing the simulcast transmission  
25 of thoroughbred races from a track located in Suffolk county. The fee  
26 for such licenses shall be five hundred dollars per simulcast facility  
27 and for account wagering licensees that do not operate either a simul-  
28 cast facility that is open to the public within the state of New York or  
29 a licensed racetrack within the state, twenty thousand dollars per year  
30 payable by the licensee to the commission for deposit into the general  
31 fund. Except as provided in this section, the commission shall not  
32 approve any application to conduct simulcasting into individual or group  
33 residences, homes or other areas for the purposes of or in connection  
34 with pari-mutuel wagering. The commission may approve simulcasting into  
35 residences, homes or other areas to be conducted jointly by one or more  
36 regional off-track betting corporations and one or more of the follow-  
37 ing: a franchised corporation, thoroughbred racing corporation or a  
38 harness racing corporation or association; provided (i) the simulcasting

41 contracting off-track betting corporations which shall include wagers  
42 made in accordance with section one thousand fifteen, one thousand  
43 sixteen and one thousand seventeen of this article; provided further  
44 that the contract provisions or other simulcast arrangements for such  
45 simulcast facility shall be no less favorable than those in effect on  
46 January first, two thousand five; (ii) that each off-track betting  
47 corporation having within its geographic boundaries such residences,  
48 homes or other areas technically capable of receiving the simulcast  
49 signal shall be a contracting party; (iii) the distribution of revenues  
50 shall be subject to contractual agreement of the parties except that  
51 statutory payments to non-contracting parties, if any, may not be  
52 reduced; provided, however, that nothing herein to the contrary shall  
53 prevent a track from televising its races on an irregular basis primari-  
54 ly for promotional or marketing purposes as found by the commission. For

1 purposes of this paragraph, the provisions of section one thousand thir-  
2 teen of this article shall not apply. Any agreement authorizing an  
3 in-home simulcasting experiment commencing prior to May fifteenth, nine-  
4 teen hundred ninety-five, may, and all its terms, be extended until June  
5 thirtieth, two thousand [~~seventeen~~] eighteen; provided, however, that  
6 any party to such agreement may elect to terminate such agreement upon  
7 conveying written notice to all other parties of such agreement at least  
8 forty-five days prior to the effective date of the termination, via  
9 registered mail. Any party to an agreement receiving such notice of an  
10 intent to terminate, may request the commission to mediate between the  
11 parties new terms and conditions in a replacement agreement between the  
12 parties as will permit continuation of an in-home experiment until June  
13 thirtieth, two thousand [~~seventeen~~] eighteen; and (iv) no in-home simul-  
14 casting in the thoroughbred special betting district shall occur without  
15 the approval of the regional thoroughbred track.

24 ly for purses to be awarded at races conducted by such receiving track  
25 shall be computed as follows: of the sums so retained, two and one-half  
26 percent of the total pools. Such amount shall be increased or decreased  
27 in the amount of fifty percent of the difference in total commissions  
28 determined by comparing the total commissions available after July twen-  
29 ty-first, nineteen hundred ninety-five to the total commissions that  
30 would have been available to such track prior to July twenty-first,  
31 nineteen hundred ninety-five.
