(c) Where school district taxes are payable to the collecting officer of a city or town that has acted to allow partial payments, the governing body of the school district may pass a resolution allowing partial payments for school district purposes. Such resolution may limit the conditions under which partial payments may be accepted. Where a school district has passed a resolution allowing partial payments, and has provided a copy to the collecting officer at least sixty days before the last date set by law for the delivery of the tax roll to the collecting officer, the collecting officer shall be authorized to accept partial payments of school district taxes under the conditions specified in the school district’s resolution, subject to the following:

4 3. A collecting officer who is authorized to accept partial payments pursuant to this section may not decline to do so.

§ 6. Subdivision (b) of section 31 of the tax law, as amended by
section 3 of part O of chapter 60 of the laws of 2016, is amended to
read as follows:
(b) To be eligible for the excelsior jobs program credit, the taxpayer
shall have been issued a "certificate of tax credit" by the department
of economic development pursuant to subdivision four of section three
hundred fifty-four of the economic development law, which certificate
shall set forth the amount of each credit component that may be claimed
for the taxable year. A taxpayer may claim such credit for ten consec-
utive taxable years commencing in the first taxable year that the
taxpayer receives a certificate of tax credit or the first taxable year
listed on its preliminary schedule of benefits, whichever is later,
provided that no tax credits may be allowed for taxable years beginning
on or after January first, two thousand thirty. The taxpayer shall be allowed to claim only the amount listed on the certif-
icate of tax credit for that taxable year. Such certificate must be
attached to the taxpayer's return. No cost or expense paid or incurred
by the taxpayer shall be the basis for more than one component of this
credit or any other tax credit, except as provided in section three
hundred fifty-five of the economic development law.

§ 7. The tax law is amended by adding a new section 43 to read as
follows:
§ 43. Life sciences research and development tax credit. (a) Allowance
of credit. (1) A taxpayer that is a qualified life sciences company, or
that is a sole proprietor of or a partner in a partnership that is a
qualified life sciences company or a shareholder of a New York S corpo-
ration that is a qualified life sciences company, and is subject to tax
under article nine-A or twenty-two of this chapter, shall be allowed a
credit against such tax, pursuant to the provisions referred to in
subdivision (e) of this section, for a period of three years, as
provided in subparagraph (i) of paragraph two of this subdivision, to
be computed as provided in this section, provided that no credit shall
be allowed for taxable years beginning on or after January first, two
thousand twenty-eight. Such credit may be claimed in the taxable year
specified on the certificate of tax credit issued to the qualified life
sciences company.
(2)(i) For a qualified life sciences company that employs ten or more
persons during the taxable year, the amount of the credit shall be equal
to fifteen percent of such qualified life sciences company's research
and development expenditures in this state for the taxable year. For a
qualified life sciences company that employs less than ten persons
during the taxable year, the amount of the credit shall be equal to
twenty percent of such qualified life sciences company's research and
development expenditures in this state for the taxable year.
(ii) The credit shall be allowed only with respect to the first taxa-
ble year during which the criteria set forth in this subdivision are
satisfied, and with respect to each of the two taxable years next
following (but only, with respect to each of such years, if such criteria are satisfied). Subsequent certifications of the life sciences company by the department of economic development pursuant to this section shall not extend the three taxable year time limitation on the allowance of the credit set forth in the preceding sentence.

(3) The total amount of credit allowable to a qualified life sciences company, or, if the life sciences company is properly included or required to be included in a combined report, to the combined group, taken in the aggregate, shall not exceed five hundred thousand dollars in any taxable year. If the life sciences company is a partner in a partnership or shareholder of a New York S corporation, then the total amount of credit allowable shall be applied at the entity level, so that the total amount of credit allowable to all the partners or shareholders of each such entity, taken in the aggregate, does not exceed five hundred thousand dollars in any taxable year.

(4) No research and development expenditures made by the life sciences company and used either as the basis for the allowance of the credit provided for pursuant to this section or used in the calculation of the credit provided pursuant to this section shall be used to claim any other credit allowed pursuant to this chapter or be used in the calculation of any other credit allowed pursuant to this chapter.

(b) Maximum amount of credits. The aggregate amount of tax credits allowed under this section to taxpayers subject to tax under articles nine-A and twenty-two of this chapter in any taxable year shall be ten million dollars, and shall be allotted from the funds available for tax credits under article seventeen of the economic development law. Such aggregate amount of credits shall be allocated by the department of economic development among taxpayers in order of priority based upon the date of filing an application for allocation of life sciences research and development tax credit with such department. If the total amount of allocated credits applied for in any particular year exceeds the aggregate amount of tax credits allowed for such year under this section, such excess shall be treated as having been applied for on the first day of the subsequent year.

(c) Definitions. As used in this section the following terms shall have the following meanings:

(1) "Certificate of tax credit" means the document issued to a qualified life sciences company by the department of economic development, after the department of economic development has verified that such life sciences company has met all applicable criteria in this section to be eligible for the life sciences research and development tax credit allowed under this section, including but not limited to verifying that the life sciences company is a new business. The certificate shall be issued annually if such criteria are satisfied and shall specify the exact amount of the life sciences research and development tax credit that may be claimed by such qualified life sciences company, pursuant to this section, and shall specify the taxable year in which such credit may be claimed.

(2) "New business" means any business that qualifies as a new business under either paragraph (f) of subdivision one of section two hundred ten-B or paragraph ten of subsection one of section six hundred six of this chapter.

(3) "Qualified life sciences company" means a life sciences company, as defined in subdivision eleven of section three hundred fifty-two of the economic development law, that has been certified by the department of economic development as a life sciences company and is a new busi-
ness. Provided however, for purposes of the credit authorized under
this section, the department of economic development shall not certify
as a life sciences company any corporation, partnership, limited part-
nership, or other entity that has been within the immediately preceding
sixty months a related person to an entity that is a life sciences
company or an entity that is engaged in scientific research and develop-
ment as defined in subdivision twenty-two of section three hundred
fifty-two of the economic development law.

(4) "Research and development expenditures" means qualified research
expenses as defined in subsection (b) of section 41 of the internal
revenue code, provided, however, that such qualified research expenses
shall not include amounts under subparagraph (B) of paragraph 1 of
subsection (b) of section 41 of the internal revenue code and as further
described in paragraph 3 of subsection (b) of section 41 of the internal
revenue code. If section 41 of the internal revenue code has expired,
then the research and development expenses shall be calculated as if the
federal research and development credit structure and definition in
effect in section 41 in federal tax year two thousand nine were still in
effect.

(5) "Related person" means a related person as defined in subparagraph
(c) of paragraph three of subsection (b) of section 465 of the internal
revenue code. For this purpose, a "related person" shall include an
entity that would have qualified as a "related person" if it had not
been dissolved, liquidated, merged with another entity or otherwise
ceased to exist or operate.

(d)(1) For purposes of this section, in order to be eligible for the
life sciences research and development tax credit allowed under this
section, a life sciences company must be issued a certificate of tax
credit by the department of economic development. The department of
economic development shall verify that such life sciences company has
met all applicable eligibility criteria in this section before issuing a
certificate of tax credit, including but not limited to verifying that
the life sciences company is a new business.

(2) The commissioner of economic development, after consulting with
the commissioner, shall promulgate regulations by October thirty-first,
two thousand seventeen to establish procedures for the allocation of tax
credits allowed under this section. Such rules and regulations shall
include provisions describing the application process for the credit
allowed under this section, the due dates for such applications, the
eligibility standards for qualified life sciences companies, the stand-
ards which shall be used to evaluate the applications, the documentation
that will be provided to taxpayers to substantiate to the department the
amount of tax credits allocated to such taxpayers, and such other
provisions as deemed necessary and appropriate. Notwithstanding any
other provisions to the contrary in the state administrative procedure
act, such rules and regulations may be adopted on an emergency basis if
necessary to meet such October thirty-first, two thousand seventeen
deadline.

(e) Cross-references. For application of the credit provided for in
this section, see the following provisions of this chapter:
(1) article 9-A: section 210-B: subdivision 52.
(2) article 22: section 606: subsection (hhh).
(f) Notwithstanding any provision of this chapter, (i) employees and
officers of the department of economic development and the department
shall be allowed and are directed to share and exchange information
regarding the credits applied for, allowed, or claimed pursuant to this
section and taxpayers who are applying for credits or who are claiming credits, including information contained in or derived from credit claim forms submitted to the department and applications for certification submitted to the department of economic development, and (ii) the commissioner and the commissioner of the department of economic development may release the names and addresses of any taxpayer claiming the credit allowed under this section and the amount of the credit earned by the taxpayer. Provided, however, if a taxpayer claims such credit because it is a member of a limited liability company or a partner in a partnership, only the amount of credit earned by the entity and not the amount of credit claimed by the taxpayer may be released.

(g) For purposes of the credit allowed under this section, the number of persons employed by a qualified life sciences company during the taxable year shall be determined by ascertaining the number of such individuals employed full-time by such company, excluding general executive officers, on the thirty-first day of March, the thirtieth day of June, the thirtieth day of September and the thirty-first day of December during each taxable year, by adding together the number of such individuals ascertained on each of such dates and dividing the sum so obtained by the number of such dates occurring within such taxable year. An individual employed full-time means an employee in a job consisting of at least thirty-five hours per week, or two or more employees who are in jobs that together constitute the equivalent of a job of at least thirty-five hours per week (full-time equivalent).

§ 8. Section 210-B of the tax law is amended by adding a new subdivision 52 to read as follows:

52. Life sciences research and development tax credit. (a) Allowance of credit. A taxpayer that is eligible pursuant to section forty-three of this chapter shall be allowed a credit to be computed as provided in such section against the tax imposed by this article.

(b) Application of credit. The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. Provided, however, that if the amount of the credit allowable under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, further, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

In the case of a qualified film that receives funds from additional pool 2, no empire state film production credit shall be claimed before the later of the taxable year the production of the qualified film is complete, or the taxable year immediately following the allocation year for which the film has been allocated credit by the governor's office for motion picture and television development.

§ 3. Paragraph 6 of subdivision (a) of section 31 of the tax law, as amended by section 2 of part JJ of chapter 59 of the laws of 2014, is amended to read as follows:
(6) For the period two thousand fifteen through two thousand nineteen, in addition to the amount of credit established in paragraph two of subdivision (a) of this section, a taxpayer shall be allowed a credit equal to the product (or pro rata share of the product, in the case of a member of a partnership) of ten percent and the amount of wages or salaries paid to individuals directly employed (excluding those employed as writers, directors, music directors, producers and performers, including background actors with no scripted lines) for services performed by those individuals in one of the counties specified in this paragraph in connection with the post production work on a qualified film with a minimum budget of five hundred thousand dollars at a qualified post production facility in one of the counties listed in this paragraph. For purposes of this additional credit, the services must be performed in one or more of the following counties: Albany, Allegany, Broome, Cattaraugus, Cayuga, Chautauqua, Chemung, Chenango, Clinton, Cortland, Delaware, Erie, Essex, Franklin, Fulton, Genesee, Hamilton, Herkimer, Jefferson, Lewis, Livingston, Madison, Monroe, Montgomery, Niagara, Oneida, Onondaga, Ontario, Orleans, Oswego, Otsego, Schenectady, Schoharie, Schuyler, Seneca, St. Lawrence, Steuben, Tioga, Tompkins, Wayne, Wyoming, or Yates. The aggregate amount of tax credits allowed pursuant to the authority of this paragraph shall be five million dollars each year during the period two thousand fifteen through two thousand nineteen of the annual allocation made available to the empire state film post production credit pursuant to paragraph four of subdivision (e) of section twenty-four of this article. Such aggregate amount of credits shall be allocated by the governor's office for motion picture and television development among taxpayers in order of priority based upon the date of filing an application for allocation of post production credit with such office. If the total amount of allocated credits applied for under this paragraph in any year exceeds the aggregate amount of tax credits allowed for such year under this paragraph, such excess shall be treated as having been applied for on the first day of the next year. If the total amount of allocated tax credits applied for under this paragraph at the conclusion of any year is less than five million dollars, the remainder shall be treated as part of the annual allocation for two thousand seventeen made available to the empire state film post production credit pursuant to paragraph four of subdivision (e) of section twenty-four of this article. However, in no event may the total of the credits allocated under this paragraph and the credits allocated under paragraph five of subdivision (a) of section twenty-four of this article exceed five million dollars in any year during the period two thousand fifteen through two thousand nineteen.

§ 4. This act shall take effect immediately.

§ 5. This act shall take effect immediately.

SUBPART B

Section 1. The labor law is amended by adding a new section 25-c to read as follows:

§ 25-c. Power to administer the empire state apprenticeship tax credit program. (a) The commissioner is authorized to establish and administer the empire state apprenticeship tax credit program to provide tax incentives to certified employers for employing qualified apprentices pursuant to an apprenticeship agreement registered with the department pursuant to paragraph (d) of subdivision one of section eight hundred eleven of this chapter. The commissioner is authorized to allocate up to ten million dollars of tax credits annually, beginning in two thousand eighteen and ending before two thousand twenty-three. Any unused annual allocation of the credit shall be made available in each of the subsequent years before two thousand twenty-three.

(b) Definitions. (1) The term "qualified apprenticeship agreement" means an apprenticeship agreement as defined by section eight hundred sixteen of this chapter that has been registered with, and approved by, the commissioner, for a trade other than a construction trade.

(2) The term "qualified employer" means an employer that has or participates in a commissioner approved registered apprenticeship program.

(3) The term "construction" means constructing, reconstructing, altering, maintaining, moving, rehabilitating, repairing, renovating, fabricating, servicing, or demolition of any building, structure, or improvement, or component, or relating to the excavation of or other development or improvement to land.

(4) The term "participating employer" means a qualified employer that has applied to participate in the empire state apprenticeship tax credit program and received a preliminary certificate of tax credit from the commissioner. The preliminary certificate shall state the maximum amount of the tax credit that the employer may be able to claim if the applicant becomes a "certified employer."

(5) The term "certified employer" means a qualified employer that has received a final certificate of eligibility from the commissioner after the commissioner has determined that the qualified employer has fulfilled all the requisite eligibility criteria to participate in the empire state apprenticeship tax credit program established in this section. The final certificate of eligibility shall state the actual amount of tax credit that a certified employer is entitled to claim and the allocation year of the credit.

(6) The term "qualified apprentice" means an individual employed by a participating employer in a full time position for at least six months of a calendar year pursuant to a qualified apprenticeship agreement with a qualified employer. No individual employed by a qualified employer shall be deemed a qualified apprentice if such individual has not
completed their apprenticeship training program within one year of their expected date of completion of their program.

(7) The term "disadvantaged youth" means an individual:
   (i) who is between the ages of sixteen and twenty-four when the youth begins the apprenticeship; and
   (ii) who is low-income or at-risk, as those terms are defined by the commissioner.

(8) The term "mentor" means an individual who provides instruction, guidance, and support to the apprentice on a regular basis throughout the apprentice's completion of the apprenticeship as the apprentice seeks employment in the field or industry of the apprenticeship. The goal of the mentor is to help train the apprentice in his or her trade and to help the apprentice successfully complete the apprenticeship and to secure and retain employment.

(c)(1) A certified employer shall be entitled to a tax credit against income or franchise tax for each qualified apprentice. The base credit allowed under this program shall be computed as follows:
   (A) (1) two thousand dollars for each first year apprentice; (2) three thousand dollars for each second year apprentice; (3) four thousand dollars for each third year apprentice; (4) five thousand dollars for each fourth year apprentice; and (5) six thousand dollars for each fifth year apprentice. The apprentice's status as a first, second, third, fourth or fifth year apprentice will be determined on the last day of the calendar year, or if the apprentice is no longer employed by the participating employer on the last day of the calendar year, on the last day of the apprentice's employment with the participating employer. If a disadvantaged youth begins an apprenticeship before the age of twenty-five, a certified employer shall be eligible to continue to receive the tax credit for such youth under this subparagraph until that apprentice completes the apprenticeship.
   (B) in lieu of the credit specified in subparagraph (A) of this para-
   graph, for each qualified apprentice who is considered a disadvantaged youth for each tax year: (1) five thousand dollars for each first year apprentice; (2) six thousand dollars for each second year apprentice; and (3) seven thousand dollars for each third, fourth, or fifth year apprentice. The apprentice's status as a first, second, third, fourth or fifth year apprentice will be determined on the last day of the calendar year, or if the apprentice is no longer employed by the participating employer on the last day of the calendar year, on the last day of the apprentice's employment with the participating employer. If a disadvan-
   taged youth begins an apprenticeship before the age of twenty-five, a certified employer shall be eligible to continue to receive the tax credit for such youth under this subparagraph until that apprentice completes the apprenticeship.

(2) If an apprentice has been trained in his or her trade by a mentor for the entirety of the calendar year, the base credit amounts described in paragraph one of this subdivision shall be increased by five hundred dollars.

(3) The certified employer shall not be allowed a tax credit under this program for any apprentice, if that apprentice is the basis for any other state tax credit.

(d) Application and approval process. (1) To participate in the program established under this section, a qualified employer must submit to the commissioner an application in a form prescribed by the commis-
   sioner. As part of such application, a qualified employer must:
   (A) Agree to allow the department of taxation and finance to share its tax information with the department. However, any information shared as a result of this agreement shall not be available for disclosure or inspection under the state freedom of information law.
(B) Allow the department and its agents access to any and all books and records the department may require to monitor compliance.

(2) After reviewing a qualified employer's completed application and determining that the qualified employer will meet the eligibility conditions set forth under this section and any applicable regulations promulgated by the commissioner, the commissioner may admit the applicant into the program as a participating employer and provide the applicant with a preliminary certificate of eligibility establishing the qualified employer as a participating employer and stating the maximum amount of credit for which the applicant may be eligible.

(3) To receive a final certificate of tax credit, the participating employer must annually submit a final report to the commissioner, in a form prescribed by the commissioner. The report must demonstrate that the applicant has satisfied all eligibility requirements and provided all the information necessary for the commissioner to compute an actual amount of credit allowed for that calendar year, notwithstanding the fact that a participating employer's taxable year may be a fiscal year, as defined in subdivision ten of section two hundred eight of the tax law.

(4) After reviewing the final report and finding it sufficient, the commissioner shall certify the participating employer as a certified employer and issue a final certificate of tax credit. Such certificate shall include, but not be limited to, the following information:

(A) The name and employer identification number of the certified employer;

(B) The actual amount of credit to which the certified employer is entitled for that calendar year, which actual amount cannot exceed the amount of credit listed on the preliminary certificate but may be less than such amount;

(C) The allocation year of the credit.

(5) If a certified employer's taxable year is a fiscal year, it shall be entitled to claim the credit on the return for the fiscal year that includes the last day of the calendar year covered by the final certificate of tax credit.

(e) The commissioner shall establish guidelines and criteria that specify requirements for qualified employers to participate in the program including criteria for certifying qualified apprentices. Any regulations that the commissioner determines are necessary and are consistent with the purpose of this article may be adopted on an emergency basis notwithstanding any provisions to the contrary in the state administrative procedure act. The commissioner may give preference to qualified employers that hire and train disadvantaged youth through qualified apprenticeship agreements, and qualified employers that are engaged in demand occupations or industries, or in regional growth sectors, including those identified by the department, such as clean energy, health care, technology, including software engineering and web development, advanced manufacturing and conservation. In addition, the commissioner may give preference to employers that employ apprentices in newly established apprenticeship programs. The commissioner also may take the following factors into consideration when evaluating whether to approve an application in a year subsequent to the year in which a qualified employer was determined to be a certified employer:

(1) the length of the qualified apprenticeship agreement the employer has entered into;
(2) how many apprentices have graduated from the apprenticeship program to which the qualified apprentice employed by the employer belongs;
(3) how many apprentices in the apprenticeship program the qualified employer has hired; and
(4) any other factors the commissioner deems relevant.
(f) The commissioner shall annually publish a report. Such report must contain the names and addresses of any certified employer issued a final certificate of eligibility under this section, the work location of each apprentice generating credit, the amount of empire state apprenticeship tax credit allowed to the certified employer as specified on such final certificate of eligibility, and the number of each of the first year apprentices, second year apprentices, third year apprentices, fourth year apprentices, and fifth year apprentices, and how many of each of those types are considered disadvantaged youth. The commissioner shall include in such report the relevant industries of certified employers and recommendations for legislative or other action to further the intent and purpose of the empire state apprenticeship tax credit program.
(g) The commissioner shall promote, publish and disseminate information concerning the empire state apprenticeship tax credit and other available funding, particularly targeting industries and fields of business not currently taking advantage of apprenticeships.
§ 2. Section 210-B of the tax law is amended by adding a new subdivision 49 to read as follows:
49. Empire state apprenticeship tax credit. (a) A taxpayer that has been certified by the commissioner of labor as a certified employer pursuant to section twenty-five-c of the labor law shall be allowed a credit against the tax imposed by this article equal to the amount specified under subdivision (c) of section twenty-five-c of the labor law. In no event shall the taxpayer be allowed a credit greater than the amount of the credit listed on the final certificate of eligibility.
(b) The credit allowed under this subdivision for any taxable year may not reduce the tax due for that year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of the credit allowed under this subdivision for any taxable year reduces the tax to that amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit not deductible in that taxable year will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, no interest will be paid thereon.
§ 3. Section 606 of the tax law is amended by adding a new subsection (vvv) to read as follows:
(vvv) Empire state apprenticeship tax credit. (1)(A) A taxpayer that has been certified by the commissioner of labor as a certified employer pursuant to section twenty-five-c of the labor law shall be allowed a credit against the tax imposed by this article equal to the amount specified under subdivision (c) of section twenty-five-c of the labor law. In no event shall the taxpayer be allowed a credit greater than the amount of the credit listed on the final certificate of tax credit.
(B) A taxpayer that is a partner in a partnership, member of a limited liability company or shareholder in an S corporation that has been certified by the commissioner of labor as a certified employer pursuant to section twenty-five-c of the labor law shall be allowed its pro rata
share of the credit earned by the partnership, limited liability company
or S corporation.

(2) If the amount of the credit allowed under this subsection exceeds
the taxpayer’s tax for the taxable year, any amount of credit not deduc-
tible in that taxable year will be treated as an overpayment of tax to
be credited or refunded in accordance with the provisions of section six
hundred eighty-six of this article. Provided, however, no interest will
be paid thereon.

§ 4. Subparagraph (B) of paragraph 1 of subsection (i) of section 606
of the tax law is amended by adding a new clause (xliii) to read as
follows:

(xliii) Empire state apprenticeship

Amount of credit under
tax credit under subsection (vvv)
subdivision forty-nine of
section two hundred ten-B

§ 5. This act shall take effect immediately and shall apply to taxable
years commencing on or after January 1, 2018.

§ 2. Severability. If any clause, sentence, paragraph, subdivision or
section of this part shall be adjudged by any court of competent juris-
diction to be invalid, such judgment shall not affect, impair, or inval-
idate the remainder thereof, but shall be confined in its operation to
the clause, sentence, paragraph, subdivision or section thereof directly
involved in the controversy in which such judgment shall have been
rendered. It is hereby declared to be the intent of the legislature that
this part would have been enacted even if such invalid provisions had
not been included herein.

§ 3. This act shall take effect immediately; provided, however, that
the applicable effective date of Subparts A and B of this part shall be
as specifically set forth in the last section of such Subparts.

(6) Termination. The credit allowed by this subsection shall not apply
in taxable years beginning after December thirty-first, two thousand
[seventeen] twenty-two.

§ 4. This act shall take effect immediately.

PART P

Section 1. Legislative findings. The legislature finds and declares
that this act does not alter the meaning of the statutes amended herein;
instead, it is the intent of the legislature to confirm the long-stand-
ing position of the department of taxation and finance interpreting
these statutes, as well as relevant prior statutes, as not allowing the
investment tax credit where tangible personal property and other tangi-
ble property is principally used by the taxpayer in the production or
distribution of electricity or steam, the delivery of natural gas after
extraction from wells and the production and delivery of water through
pipes and mains.
§ 2. Subparagraph (i) of paragraph (b) of subdivision 1 of section
210-B of the tax law, as amended by section 31 of part T of chapter 59
of the laws of 2015, is amended to read as follows:
(i) A credit shall be allowed under this subdivision with respect to
tangible personal property and other tangible property, including build-
ings and structural components of buildings, which are: depreciable
pursuant to section one hundred sixty-seven of the internal revenue
code, have a useful life of four years or more, are acquired by purchase
as defined in section one hundred seventy-nine (d) of the internal
revenue code, have a situs in this state and are (A) principally used by
the taxpayer in the production of goods by manufacturing, processing,
assembling, refining, mining, extracting, farming, agriculture, horti-
culture, floriculture, viticulture or commercial fishing, (B) industrial
waste treatment facilities or air pollution control facilities, used in
the taxpayer's trade or business, (C) research and development property,
or (D) principally used in the ordinary course of the taxpayer's trade
or business as a broker or dealer in connection with the purchase or
sale (which shall include but not be limited to the issuance, entering
into, assumption, offset, assignment, termination, or transfer) of
stocks, bonds or other securities as defined in section four hundred
seventy-five (c)(2) of the Internal Revenue Code, or of commodities as
defined in section four hundred seventy-five (e) of the Internal Revenue
Code, (E) principally used in the ordinary course of the taxpayer's
trade or business of providing investment advisory services for a regu-
lated investment company as defined in section eight hundred fifty-one
of the Internal Revenue Code, or lending, loan arrangement or loan orig-
ination services to customers in connection with the purchase or sale
(which shall include but not be limited to the issuance, entering into,
assumption, offset, assignment, termination, or transfer) of securities
as defined in section four hundred seventy-five (c)(2) of the Internal
Revenue Code, (F) principally used in the ordinary course of the taxpay-
er's business as an exchange registered as a national securities
exchange within the meaning of sections 3(a)(1) and 6(a) of the Securi-
ties Exchange Act of 1934 or a board of trade as defined in subparagraph
one of paragraph (a) of section fourteen hundred ten of the not-for-pro-
fit corporation law or as an entity that is wholly owned by one or more
such national securities exchanges or boards of trade and that provides
automation or technical services thereto, or (G) principally used as a
qualified film production facility including qualified film production
facilities having a situs in an empire zone designated as such pursuant
to article eighteen-B of the general municipal law, where the taxpayer
is providing three or more services to any qualified film production
company using the facility, including such services as a studio lighting
grid, lighting and grip equipment, multi-line phone service, broadband
information technology access, industrial scale electrical capacity,
food services, security services, and heating, ventilation and air
conditioning. For purposes of clauses (D), (E) and (F) of this subpara-
graph, property purchased by a taxpayer affiliated with a regulated
broker, dealer, registered investment advisor, national securities
exchange or board of trade, is allowed a credit under this subdivision if the property is used by its affiliated regulated broker, dealer, registered investment advisor, national securities exchange or board of trade in accordance with this subdivision. For purposes of determining if the property is principally used in qualifying uses, the uses by the taxpayer described in clauses (D) and (E) of this subparagraph may be aggregated. In addition, the uses by the taxpayer, its affiliated regulated broker, dealer and registered investment advisor under either or both of those clauses may be aggregated. Provided, however, a taxpayer shall not be allowed the credit provided by clauses (D), (E) and (F) of this subparagraph unless the property is first placed in service before October first, two thousand fifteen and (i) eighty percent or more of the employees performing the administrative and support functions resulting from or related to the qualifying uses of such equipment are located in this state or (ii) the average number of employees that perform the administrative and support functions resulting from or related to the qualifying uses of such equipment and are located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety percent of the number of employees located in this state on December thirty-first, nineteen hundred ninety-eight or, if the taxpayer was not a calendar year taxpayer in nineteen hundred ninety-eight, the last day of its first taxable year ending after December thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes subject to tax in this state after the taxable year beginning in nineteen hundred ninety-eight, then the taxpayer is not required to satisfy the employment test provided in the preceding sentence of this subparagraph for its first taxable year. For purposes of clause (iii) of this subparagraph the employment test will be based on the number of employees located in this state on the last day of the first taxable year the taxpayer is subject to tax in this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and registered investment adviser using the property. For purposes of clause (A) of this subparagraph, tangible personal property and other tangible property shall not include property principally used by the taxpayer in the production or distribution of electricity, natural gas after extraction from wells, steam, or water delivered through pipes and mains.

§ 3. Subparagraph (A) of paragraph 2 of subsection (a) of section 606 of the tax law, as amended by chapter 637 of the laws of 2008, is amended to read as follows:

(A) A credit shall be allowed under this subsection with respect to tangible personal property and other tangible property, including buildings and structural components of buildings, which are: depreciable pursuant to section one hundred sixty-seven of the internal revenue code, have a useful life of four years or more, are acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code, have a situs in this state and are (i) principally used by
the taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (ii) industrial waste treatment facilities or air pollution control facilities, used in the taxpayer’s trade or business, (iii) research and development property, (iv) principally used in the ordinary course of the taxpayer’s trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or of commodities as defined in section 475(e) of the Internal Revenue Code, (v) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for a regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue Code, or lending, loan arrangement or loan origination services to customers in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or (vi) principally used as a qualified film production facility including qualified film production facilities having a situs in an empire zone designated as such pursuant to article eighteen-B of the general municipal law, where the taxpayer is providing three or more services to any qualified film production company using the facility, including such services as a studio lighting grid, lighting and grip equipment, multiline phone service, broadband information technology access, industrial scale electrical capacity, food services, security services, and heating, ventilation and air conditioning. For purposes of clauses (iv) and (v) of this subparagraph, property purchased by a taxpayer affiliated with a regulated broker, dealer, or registered investment adviser is allowed a credit under this subsection if the property is used by its affiliated regulated broker, dealer or registered investment adviser in accordance with this subsection. For purposes of determining if the property is principally used in qualifying uses, the uses by the taxpayer described in clauses (iv) and (v) of this subparagraph may be aggregated. In addition, the uses by the taxpayer, its affiliated regulated broker, dealer and registered investment adviser under either or both of those clauses may be aggregated. Provided, however, a taxpayer shall not be allowed the credit provided by clauses (iv) and (v) of this subparagraph unless (I) eighty percent or more of the employees performing the administrative and support functions resulting from or related to the qualifying uses of such equipment are located in this state, or (II) the average number of employees that perform the administrative and support functions resulting from or related to the qualifying uses of such equipment and are located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety-five percent of the average number of employees that perform these functions and are located in this state during the thirty-six months immediately preceding the year for which the credit is claimed, or (III) the number of employees located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety percent of the number of employees located in this state on December thirty-first, nineteen hundred ninety-eight or, if the taxpayer was not a calendar year taxpayer in nineteen hundred ninety-eight, the last day of its first taxable year ending after December thirty-first, nineteen hundred
If the taxpayer becomes subject to tax in this state after the taxable year beginning in nineteen hundred ninety-eight, then the taxpayer is not required to satisfy the employment test provided in the preceding sentence of this subparagraph for its first taxable year. For the purposes of clause (III) of this subparagraph the employment test will be based on the number of employees located in this state on the last day of the first taxable year the taxpayer is subject to tax in this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and registered investment adviser using the property. For purposes of clause (i) of this subparagraph, the term "goods" shall not include electricity, clause (i) of this subparagraph, tangible personal property and other tangible property shall not include property principally used by the taxpayer in the production or distribution of electricity, natural gas after extraction from wells, steam, or water delivered through pipes and mains.

§ 4. This act shall take effect immediately.

PART Q

Section 1. Legislative findings. The legislature finds it necessary to revise a decision of the tax appeals tribunal that disturbed the long-standing policy of the department of taxation and finance that single member limited liability companies that are treated as disregarded entities for federal income tax purposes also would be treated as disregarded entities for purposes of determining eligibility of the owners of such entities for tax credits allowed under article nine, nine-A, twenty-two or thirty-three of this chapter or allowed under article thirty-two of this chapter prior to the repeal of such article. The decision of the tax appeals tribunal, if allowed to stand, will result in the denial of tax credits, such as empire zone tax credits, to taxpayers who in prior years received those credits.

§ 2. The tax law is amended by adding a new section 43 to read as follows:

§ 43. Single member limited liability companies and eligibility for tax credits. A limited liability company that has a single member and is disregarded as an entity separate from its owner for federal income tax purposes (without reference to any special rules related to the imposition of certain federal taxes, including but not limited to certain employment and excise taxes) shall be disregarded as an entity separate from its owner for purposes of determining whether or not the taxpayer that is the single member of such limited liability company satisfies the requirements to be eligible for any tax credit allowed under article nine, nine-A, twenty-two or thirty-three of this chapter or allowed under article thirty-two of this chapter prior to the repeal of such article. Such requirements, including but not limited to any necessary certification, employment or investment thresholds, payment obligations, and any time period for eligibility, shall be imposed on the taxpayer and the determination of whether or not such requirements have been satisfied and the computation of the credit shall be made by deeming such taxpayer and such limited liability company to be a single entity. If the taxpayer is the single member of more than one limited liability company that is disregarded as an entity separate from its owner, the determination of whether or not the requirements to be eligible for any
tax credit allowed under article nine, nine-A, twenty-two or thirty-three of this chapter or allowed under article thirty-two of this chapter prior to the repeal of such article have been satisfied and the computation of the credit shall be made by deeming such taxpayer and such limited liability companies to be a single entity.

§ 3. This act shall take effect immediately; provided however, that section 43 of the tax law, as added by section two of this act, shall apply to all taxable years for which the statute of limitations for seeking a refund or assessing additional tax is still open.

Section 1. Subdivision 2 of section 902 of the racing, pari-mutuel wagering and breeding law, as amended by chapter 18 of the laws of 2008, is amended and four new subdivisions 3, 4, 5 and 6 are added to read as follows:

2. Notwithstanding any inconsistent provision of the law, all costs and expenses of the [state racing and wagering board] gaming commission for equine drug testing and research shall be paid from an appropriation from the state treasury, on the certification of the [chairman of the state racing and wagering board] executive director of the commission, upon the audit and warrant of the comptroller and pursuant to a plan developed by the [state racing and wagering board] commission as approved by the director of the budget; provided, however, the commission may direct the assessment imposed pursuant to subdivision three of this section to be paid directly to the laboratory authorized to conduct equine drug testing pursuant to subdivision one of this section, provided however, upon direction of the commission, any amounts directly paid to such laboratory shall constitute an encumbrance of appropriation.

3. (a) The commission may impose an assessment on each race track licensed or franchised pursuant to this chapter, and an additional per start fee, for any additional costs and expenses of equine drug testing and research conducted at a laboratory authorized pursuant to subdivision one of this section, after all other funds for such purpose have been expended.

(b) (i) The commission shall establish an assessable amount by May first of each year based on the projected deficit of revenues deposited into the racing regulation account established by section ninety-nine-i of the state finance law, including funds deposited pursuant to sections one hundred fifteen, two hundred thirty-six, two hundred thirty-eight, three hundred seven, three hundred eight, three hundred eighteen, five hundred twenty-seven, one thousand seven, one thousand eight, one thousand nine, one thousand fourteen, one thousand fifteen, one thousand sixteen, and one thousand eighteen of this chapter in relation to the conduct of racing, the amount of funds paid for equipment pursuant to subdivision two of section two hundred twenty-eight of this chapter, the amount of funds received by the commission from the purse enhancement account for equine health and safety pursuant to paragraph two of subdivision b of section sixteen hundred twelve of the tax law in relation to video lottery terminal facilities at race tracks licensed pursuant to articles two and three of this chapter, and by the amount of funds generated by any other existing fees, taxes and assessments paid by race tracks or owners licensed pursuant to articles two and three of this chapter for the purpose of equine drug testing, compared to expenses in the racing regulation account. The commission shall impose the assessable amount as an assessment upon each race track, and as an additional per start fee on each owner. In no event shall the total assessable amount exceed the total expense projected by the commission for equine drug testing and research conducted at a laboratory authorized pursuant to subdivision one of this section during that year.

(ii) The total value of the assessment imposed upon all race tracks shall be fifty percent of the assessable amount calculated by subparagraph (i) of this paragraph, and shall be assessed in a manner that is proportional to the number of starts at each race track during the previous year. In no event shall any race track impose the cost of such assessment, in part or in whole, on any owner or trainer.
(iii) The total value of the additional per start fee imposed on owners licensed pursuant to this chapter as an additional per start fee shall be fifty percent of the assessable amount calculated by subparagraph (i) of this paragraph divided by the total number of starts in the previous year, and shall be assessed and paid in the same manner, and in addition to, the fee for the start of a horse in New York state pari-mutuel races provided by section one hundred fifteen-a of this chapter.

4. Payment of the assessment imposed by this section shall be made to the commission, or to the laboratory authorized to conduct equine drug testing if directed by the commission, by each entity required to make such payments. Payments of such assessment shall be made on the last business day of each month and shall cover one-twelfth of the annual assessment, provided however that all such payments required to be made on the last day of April shall be due with the May payment. A penalty of five percent, and interest at the rate of one percent per month from the date the assessment, is due to the date of the payment of the assessment, and shall be payable in case any assessment imposed by this chapter is not paid when due. If the commission determines that any payment received under this section was paid in error, the commission may cause the same to be refunded without interest out of any monies collected thereunder, provided an application therefor is filed with the commission within one year from the time the erroneous payment is made.

5. Any deficit in the racing regulation account on March thirty-first of each year, excluding any deficit attributed to the negative fund balance as of March thirty-first, two thousand seventeen, shall be added to the assessable amount for the following year. Fifty percent of any surplus in such account as of March thirty-first of each year, not to exceed the amount of the assessment imposed on race tracks in that year, shall be used to reduce the assessment imposed on each race track in the following year in proportion to the amount paid by each race track in the year of the surplus. Fifty percent of any surplus in such account as of March thirty-first of each year, not to exceed the total amount of the additional start fees in that year, shall be used to reduce the additional per start fee in the following year. Such reduction shall be calculated in the same manner as the additional per start fee.

6. Not later than May first, each year, the commission shall submit to the director of the budget, the temporary president of the senate and speaker of the assembly a report on the revenue generated by the assessment, the total cost of equine drug testing, and any projected deficit or surplus in the racing regulation account. The commission shall also publish such report on the commission's website as soon as practicable.

§ 2. This act shall take effect immediately.

of the racing, pari-mutuel wagering and breeding law, as amended by
section 2 of part BB of chapter 60 of the laws of 2016, is amended to
read as follows:
(i) The pari-mutuel tax rate authorized by paragraph (a) of this subdivision shall be effective so long as a franchised corporation notifies the gaming commission by August fifteenth of each year that such pari-mutuel tax rate is effective of its intent to conduct a race meeting at Aqueduct racetrack during the months of December, January, February, March and April. For purposes of this paragraph such race meeting shall consist of not less than ninety-five days of racing unless otherwise agreed to in writing by the New York Thoroughbred Breeders Inc., the New York thoroughbred horsemen's association (or such other entity as is certified and approved pursuant to section two hundred twenty-eight of this article) and approved by the commission. Not later than May first of each year that such pari-mutuel tax rate is effective, the gaming commission shall determine whether a race meeting at Aqueduct racetrack consisted of the number of days as required by this paragraph. In determining the number of race days, cancellation of a race day because of an act of God that the gaming commission approves or because of weather conditions that are unsafe or hazardous which the gaming commission approves shall not be construed as a failure to conduct a race day. Additionally, cancellation of a race day because of circumstances beyond the control of such franchised corporation for which the gaming commission gives approval shall not be construed as a failure to conduct a race day. If the gaming commission determines that the number of days of racing as required by this paragraph have not occurred then the pari-mutuel tax rate in paragraph (a) of this subdivision shall revert to the pari-mutuel tax rates in effect prior to January first, nineteen hundred ninety-five.

§ 4. This act shall take effect April 1, 2017; provided, however, that section one of this act shall take effect upon the appointment of a majority of board members; provided, further, that the state franchise oversight board shall notify the legislative bill drafting commission upon the occurrence of such appointments in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law; provided further that the amendments to section 212 of the racing, pari-mutuel wagering and breeding law made by section two of this act shall not affect the repeal of such section and shall be deemed repealed therewith.

Any party to an agreement receiving such notice of an intent to terminate, may request the commission to mediate between the parties new terms and conditions in a replacement agreement between the parties as will permit continuation of an in-home experiment until June thirtieth, two thousand eighteen; and (iv) no in-home simulcasting in the thoroughbred special betting district shall occur without the approval of the regional thoroughbred track.

(b) The fund may elect, with the approval of the gaming commission, to secure workers' compensation insurance coverage through a form of self-insurance, provided that the fund has met the requirements of the workers' compensation board, including, without limitation, subdivision three of section fifty of the workers' compensation law.
§ 2. Subdivision 7 of section 221 of the racing, pari-mutuel wagering and breeding law, as amended by chapter 18 of the laws of 2008 and the opening paragraph as amended by section 1 of part PP of chapter 60 of the laws of 2016, is amended to read as follows:

In order to provide that any sum required to be paid by an owner or trainer is equitable, the fund shall establish payment schedules which reflect such factors as are appropriate, including where applicable, the geographic location of the racing corporation at which the owner or trainer participates, the duration of such participation, the amount of any purse earnings, the number of horses involved, or such other factors as the fund shall determine to be fair, equitable and in the best interests of racing. The amount deducted from an owner's share of purses shall not exceed one per centum after April first, two thousand [seventeen] twenty. In the cases of multiple ownerships and limited racing appearances, the fund shall equitably adjust the sum required.

The [state racing and wagering board] gaming commission shall, as a condition of racing, require any racing corporation or any quarterhorse racing association or corporation authorized under this chapter to conduct pari-mutuel betting at a race meeting or races run thereat, to require that each trainer utilizing the facilities of such association or corporation and each owner racing a horse shall place or have placed on deposit with the horsemen's bookkeeper of such racing association or corporation, an amount to be established and paid in a manner to be determined by the fund.

Should the fund determine that the amount which has been collected in the manner prescribed is inadequate to pay the annual costs required by this section, it shall notify the [state racing and wagering board] gaming commission of the deficiency and the amount of the additional sum or sums necessary to be paid by each owner and/or trainer in order to cover such deficiency. to this article or article four of this chapter who are employees under section two of the workers' compensation law, and at the election of the fund, with the approval of the gaming commission, to secure workers' compensation insurance for employees of licensed trainers or owners to pay for any of its liabilities under section fourteen-a of the workers' compensation law and to administer the workers' compensation program for such jockeys, apprentice jockeys and exercise persons, and, if approved by the gaming commission, employees of licensed trainers or owners required by this section and the workers' compensation law.

In the event the fund elects, with the approval of the gaming commission, to secure workers' compensation insurance for employees of licensed trainers or owners, the fund may elect to have the sum required to be paid by an owner or trainer pursuant to this section be subject to an examination of workers' compensation claims attributable under the fund to each such owner or trainer, including the frequency and severity of accidents and injuries.

Notwithstanding any other provision of this chapter, and for purposes of this chapter only, a jockey, apprentice jockey or exercise person licensed under article two or four of the racing, pari-mutuel wagering and breeding law, and at the election of the New York Jockey Injury Compensation Fund, Inc., with the approval of the New York state [racing and wagering board] gaming commission, employees of licensed trainers or owners, performing services for an owner or trainer in connection with the training or racing of a horse at a facility of a racing association or corporation subject to article two or four of the racing, pari-mutuel wagering and breeding law and subject to the jurisdiction of the New York state [racing and wagering board] gaming commission shall be regarded as the "employee" not solely of such owner or trainer, but shall instead be conclusively presumed to be the "employee" of The New York Jockey Injury Compensation Fund, Inc. and of all owners and trainers who are licensed or required to be licensed under article two or four of the racing, pari-mutuel wagering and breeding law at the time of any occurrence for which benefits are payable pursuant to this chapter in respect of the injury or death of such jockey, apprentice jockey, exercise person, or, if approved by the New York state gaming commission, employee of a licensed trainer or owner.

licensed or required to be licensed under article two or four of the
racing, pari-mutuel wagering and breeding law, at the time of any occur-
rence for which benefits are payable pursuant to this chapter in respect
of the injury or death of such jockey, apprentice jockey, exercise
person or, if approved by the New York State Gaming Commission, employee
of a licensed trainer or owner. For the purpose of this chapter only,

§ 8. The opening paragraph of section 11 of the workers' compensation
law, as amended by chapter 169 of the laws of 2007, is amended to read
as follows:

The liability of an employer prescribed by the last preceding section
shall be exclusive and in place of any other liability whatsoever, to
such employee, his or her personal representatives, spouse, parents,
dependents, distributees, or any person otherwise entitled to recover
damages, contribution or indemnity, at common law or otherwise, on
account of such injury or death or liability arising therefrom, except
that if an employer fails to secure the payment of compensation for his
or her injured employees and their dependents as provided in section
fifty of this chapter, an injured employee, or his or her legal repre-
sentative in case of death results from the injury, may, at his or her
option, elect to claim compensation under this chapter, or to maintain
an action in the courts for damages on account of such injury; and in
such an action it shall not be necessary to plead or prove freedom from
contributory negligence nor may the defendant plead as a defense that
the injury was caused by the negligence of a fellow servant nor that the
employee assumed the risk of his or her employment, nor that the injury
was due to the contributory negligence of the employee. The liability
under this chapter of The New York Jockey Injury Compensation Fund, Inc.

of workers' compensation coverage to jockeys, apprentice jockeys and
exercise persons, and at the election of the New York Jockey Injury
Compensation Fund, Inc., with the approval of the New York State Gaming
Commission, employees of licensed trainers or owners licensed under
article two or four of the racing, pari-mutuel wagering and breeding law
and any statutory penalties resulting from the failure to provide such
coverage.

§ 9. Subdivision 4 of section 14-a of the workers' compensation law,
as amended by chapter 169 of the laws of 2007, is amended to read as
follows:

4. With respect to a jockey, apprentice jockey or exercise person
licensed under article two or four of the racing, pari-mutuel wagering

Injury Compensation Fund, Inc., the owner or trainer for whom such jock-
ey, apprentice jockey, exercise person or, if approved by the New
York State Gaming Commission, employee of a licensed trainer or owner
was performing services at the time of the accident shall be solely
responsible for the double payments described in subdivision one of this
section, to the extent that such payments exceed any amounts otherwise payable with respect to such jockey, apprentice jockey [or, if approved by the New York state gaming commission, employee of a licensed trainer or owner] under any other section of this chapter, and the New York Jockey Injury Compensation Fund, Inc. shall have no responsibility for such excess payments, unless there shall be a failure of the responsible owner or trainer to pay such award within the time provided under this chapter. In the event of such failure to pay and the board requires the fund to pay the award on behalf of such owner or trainer who has been found to have violated this section, the fund shall be entitled to an award against such owner or trainer for the amount so paid which shall be collected in the same manner as an award of compensation.

§ 10. Section 18-a of the workers' compensation law, as amended by chapter 169 of the laws of 2007, is amended to read as follows:

8. The requirements of section ten of this chapter regarding the provision of workers' compensation insurance as to owners and trainers governed by the racing, pari-mutuel wagering and breeding law who are employers under section two of this chapter are satisfied in full by compliance with the requirements imposed upon owners and trainers by section two hundred [thirteen-a] twenty-one of the racing, pari-mutuel wagering and breeding law, provided that in the event double compensation, death benefits, or awards are payable with respect to an injured employee under section fourteen-a of this chapter, the owner or trainer for whom the injured jockey, apprentice jockey or exercise person licensed under article two or four of the racing, pari-mutuel wagering and breeding law, and at the election of the New York Jockey Injury Compensation Fund, Inc., with the approval of the New York state gaming commission, an employee of a licensed trainer or owner, is performing services as a jockey, apprentice jockey or exercise person so licensed at the time of the accident [or, if approved by the New York state gaming commission, an employee of a licensed trainer or owner] shall bear the sole responsibility for the amount payable pursuant to such section fourteen-a in excess of the amount otherwise payable under this chapter, unless there shall be a failure of the responsible owner or trainer to pay such award within the time provided under this chapter. owner, to the extent that such jockey, apprentice jockey [or], exercise
person or, if approved by the New York state gaming commission, employee
of a licensed trainer or owner is also covered under coverage procured
by The New York Jockey Injury Compensation Fund, Inc. pursuant to the
requirements of section two hundred [thirteen-a] twenty-one of the
racing, pari-mutuel wagering and breeding law, and to that extent,
coverage procured by the fund pursuant to the requirements of the
racing, pari-mutuel wagering and breeding law shall be considered prima-
ry.
§ 12. This act shall take effect immediately.

PART TT

Section 1. Subsection (eee) of section 606 of the tax law is amended
by adding a new paragraph 13 to read as follows:

(13) (A) Nothing herein shall be construed to preclude the commissi-
er from making a preliminary advance payment of the credit based upon an
estimate of the STAR tax savings applicable to a school district
portion, where he or she finds that attempting to ascertain the actual
STAR tax savings applicable to the school district portion would jeop-
ardize the timely issuance of the payment. When making such an estimate,
the commissioner shall consider the STAR tax savings applicable in the
school district fiscal year preceding the associated fiscal year, the
allowable levy growth factor applicable to the calculation of the tax
levy limit for the associated fiscal year pursuant to paragraph a of
subdivision two of section two thousand twenty-three-a of the education
law, taxable assessed value where appropriate, and such other informa-
tion that in his or her judgment will help make the estimate as accurate
as possible.

(B) Nothing herein shall be construed to preclude the commissioner
from making a preliminary advance payment of the credit without attempt-
ing to ascertain the taxpayer’s qualifying taxes, where he or she finds
that attempting to ascertain the taxpayer’s qualifying taxes would jeop-
ardize the timely issuance of the payment.

(C) If the commissioner determines that a taxpayer received a prelimi-
ary advance payment that is above or below the advance payment to which
he or she was entitled under this subsection, the commissioner shall
provide notice to such taxpayer that the next advance payment due to
such taxpayer under this subsection shall be adjusted to reconcile such
underpayment or overpayment; provided, however, the commissioner shall
permit a taxpayer to request that such adjustment be made on an
originally filed timely income tax return for the tax year in which such
overpayment or underpayment occurred, provided such return is filed on
or before the due date for such return, determined without regard to
extensions.
(D) A taxpayer who received a preliminary advance payment that consti-
tutes an overpayment shall not be required to pay interest on the amount
of the overpayment.

§ 2. Subparagraph (B) of paragraph 10 of subsection (eee) of section
606 of the tax law, as amended by section 8 of part A of chapter 73 of
the laws of 2016, is amended to read as follows:

(B) On or before [September fifteenth of each year] the date specified
below, or as soon thereafter as practicable, the commissioner shall
determine the eligibility of taxpayers for this credit utilizing the
information available to him or her as obtained from the applications
submitted on or before July first of that year, or such later date as
may have been prescribed by the commissioner for that purpose, and from
such other sources as the commissioner deems reliable and appropriate.
For those taxpayers whom the commissioner has determined eligible for
this credit, the commissioner shall advance a payment in the amount
specified in paragraph three, four or six of this subsection, whichever
is applicable. Such payment shall be issued by [September thirtieth of
the year the credit is allowed] the date specified below, or as soon
thereafter as is practicable; provided that if such payment is issued
after such date, it shall be subject to interest at the rate prescribed
by subparagraph (A) of paragraph two of subsection (j) of section six
hundred ninety-seven of this article. Nothing contained herein shall be
deemed to preclude the commissioner from issuing payments after [Septem-
ber thirtieth] such date to qualified taxpayers whose applications were
made after July first of that year, or such later date as may have been
prescribed by the commissioner for such purpose.

(i) The applicable dates for this purpose are as follows:

(I) If the school district tax roll is filed with the commissioner on
or before July first, the determination of eligibility shall be made by
July fifteenth, or as soon thereafter as is practicable, and the advance
payment shall be issued by July thirtieth, or as soon thereafter as is
practicable.

(II) If the school district tax roll is filed with the commissioner
after July first and on or before September first, the determination of
eligibility shall be made by September fifteenth, or as soon thereafter
as is practicable, and the advance payment shall be issued by September
thirtieth, or as soon thereafter as is practicable.

(III) If the school district tax roll is filed with the commissioner
after September first, the determination of eligibility shall be made by
the fifteenth day after such filing, or as soon thereafter as is practi-
cable, and the advance payment shall be issued by the thirtieth day
after such filing, or as soon thereafter as is practicable.

(ii) Notwithstanding the foregoing provisions of this subparagraph, in
the case of taxpayers whose primary residence is a cooperative apartment
or a mobile home that is subject to the provisions of subparagraph (A)
or (B) of paragraph six of this subsection, the payment shall be issued
by the sixtieth day following receipt of all of the data needed to prop-
erly calculate the credit, or as soon thereafter as is practicable.

§ 3. Subdivision 6 of section 1306-a of the real property tax law, as
amended by section 7 of part A of chapter 73 of the laws of 2016, is
amended to read as follows:

6. When the commissioner determines, at least [thirty] twenty days
prior to the levy of school district taxes, that an advance credit of
the personal income tax credit authorized by subsection (eee) of section
six hundred six of the tax law will be provided to the owners of a
parcel in that school district, he or she shall so notify the assessor,
the county director of real property tax services, and the authorities of the school district, who shall cause a statement to be placed on the tax bill for the parcel in substantially the following form: "A STAR check of $ will be mailed to you upon issuance by the NYS Tax Department." The commissioner shall advise such officials of the amount to be entered therein. "An estimated STAR check will be mailed to you upon issuance by the NYS Tax Department. Any overpayment or underpayment can be reconciled on your next tax return or STAR credit check."

Notwithstanding any provision of law to the contrary, in the event that the parcel in question had been granted a STAR exemption on the assessment roll upon which school district taxes are to be levied, such exemption shall be deemed null and void, shall be removed from the assessment roll, and shall be disregarded when the parcel's tax liability is determined. The assessor or other local official or officials having custody and control of the data file used to generate school district tax rolls and tax bills shall be authorized and directed to change such file as necessary to enable the school district authorities to discharge the duties imposed upon them by this subdivision.

§ 4. This act shall take effect immediately.

PART UU

Section 1. Paragraph 2 of subdivision (e) of section 1111 of the tax law, as amended by section 1 of part LL of chapter 59 of the laws of 2014, is amended to read as follows:

(2) (i) Where the motor fuel is imported, manufactured or sold in, or diesel motor fuel is sold or used in the region referred to in subparagraph (i) of paragraph one of this subdivision, the tax required to be prepaid pursuant to section eleven hundred two of this article on each gallon of such fuel shall be [seventeen-and-one-half] sixteen cents.

(ii) Where motor fuel is imported, manufactured or sold in, or diesel motor fuel is sold or used in the region referred to in subparagraph (ii) of paragraph one of this subdivision, the tax required to be prepaid pursuant to section eleven hundred two of this article on each gallon of such fuel shall be [twenty-one] sixteen cents.

(iii) Where motor fuel is imported, manufactured or sold in, or diesel motor fuel is sold or used in the region referred to in subparagraph (iii) of paragraph one of this subdivision, the tax required to be prepaid pursuant to section eleven hundred two of this article on each gallon of such fuel shall be [sixteen] fifteen cents.

§ 2. Subdivision (e) of section 1111 of the tax law is amended by adding two new paragraphs 4 and 5 to read as follows:

(4) The commissioner is authorized to adjust the rates in paragraph two of this subdivision and shall prescribe a schedule of such rates for each region described in paragraph one of this subdivision as provided in this paragraph.

(i) The schedule required by this paragraph shall be reviewed semianually during the months of April and October of each year, beginning in October, two thousand seventeen. The commissioner shall determine a tentative rate of tax that would be required to be prepaid pursuant to section eleven hundred two of this article on each gallon of motor fuel or diesel motor fuel sold or used by multiplying the regional average retail sales prices for such fuel for each region described in paragraph one of this subdivision by a number that is seventy-five percent of the average local sales tax rate in each such region and adding to the product thereof the taxes imposed by paragraphs one and two of subdivision
of this section. The regional average retail sales price shall be
determined for purposes of this subdivision using data regarding sales
prices, which shall include, but not be limited to, sales prices as
compiled by government or industry surveys and sources, taking into
consideration with respect to motor fuel, the volumes and prices of
unleaded motor fuels, including reformulated or like motor fuels, sold
in this state and with respect to both motor fuel and diesel motor fuel,
the volume and prices of such fuels sold at full service and self-ser-
vice pumps for such fuels, during an immediately preceding period of up
to twelve months ending the last day of March in the case of the April
semiannual review and ending the last day of September in the case of
the October semiannual review; provided, however, that the regional
average retail sales prices for both motor fuel and diesel motor fuel
shall represent the retail sales prices upon which the tax under this
article and pursuant to the authority of article twenty-nine of this
chapter is computed (including all federal and state and any local taxes
included in such price) for such period.

(ii) If upon such review, it is determined that the tentative rate of
tax that would be required to be prepaid for motor fuel or diesel motor
fuel in any of the regions described in paragraph one of this subdivi-
sion would increase or decrease the rate for such region then in effect
by two or more cents per gallon, the commissioner shall adjust such rate
to be equal to the tentative rate, which shall take effect on the first
day of June or the first day of December, respectively. Provided, howev-
er, the commissioner shall set the rate of tax required to be prepaid in
the region described in subparagraph (ii) of paragraph one of this
subdivision equal to the rate set forth in subparagraph (i) of such
paragraph, unless the regional average retail sales price in the metro-
politan commuter transportation district exceeds four dollars per
gallon. In such event, the commissioner is authorized to establish a
separate rate in the region described in such subparagraph (ii) and
shall compute such rate by multiplying the regional average retail sales
prices for motor fuel and diesel motor fuel in such region by a number
that is eighty-five percent of the average local sales tax rate in such
region and adding to the product thereof the taxes imposed by paragraphs
one and two of subdivision (m) of this section.

(iii) The commissioner shall cause to be published on the department’s
website the schedule of rates and the regional average retail sales
prices of motor fuel and diesel motor fuel fixed by this section, no
later than ten days prior to the effective date of such rates. Notwith-
standing any other provision of law, the calculation and publication of
the rates so fixed by the provisions of this section shall not be
included within paragraph (a) of subdivision two of section one hundred
two of the state administrative procedure act relating to the definition
of a rule.

(5) Where a new rate of tax required to be prepaid for motor fuel or
diesel motor fuel is determined by the commissioner, (i) if such new
rate is less than the rate then in effect, on the date the rate becomes
effective (A) a registered distributor shall be entitled to a credit in
an amount equal to the difference between the amount of the prepaid tax
paid or incurred by him or her with respect to motor fuel which he or
she imported and which he or she has in inventory at the time such new
rate becomes effective and the amount of tax which would be due on such
inventory if the prepaid tax were calculated based on such new average
price for the region in which such motor fuel was imported and (B) such
inventory shall then be deemed to have been taxed based on the rate and
all certifications of tax payment given by the distributor with respect
to motor fuel in such inventory shall indicate a pass through of the
prepaid tax based on such new price, (ii) if such new rate is greater
than the existing rate, on the date such new rate becomes effective (A)
such distributor shall become liable to pay an additional tax equal to
the difference between the amount of tax which would be due with respect
to motor fuel which he or she imported and which he or she has in inven-
tory at the time such new rate becomes effective if the prepaid tax on
such motor fuel were calculated based on such new average price for the
region in which such motor fuel was imported and the amount of prepaid
tax paid or actually incurred by such distributor with respect to such
motor fuel and (B) such inventory shall then be deemed to have been
taxed based on the new rate and all certifications of tax payment given
by the distributor with respect to motor fuel in such inventory shall
indicate a pass through of the prepaid tax based on such new rate. Such
credit shall be allowed with respect to or such tax shall be paid with
the return covering the month immediately preceding the month in which
such new rate becomes effective. Any carryover credit may be applied to
subsequent periods. The amount to be reported as additional tax shall
be paid and disposed of in the same manner as the tax required to be
prepaid by section eleven hundred two of this article. Such additional
tax shall be determined, assessed, collected and enforced in the same
manner as the tax required to be prepaid by section eleven hundred two
of this article.

§ 3. This act shall take effect September 1, 2017.

PART V

Section 1. The opening paragraph of paragraph (a) of subdivision 5 of
section 210-A of the tax law, as amended by section 4 of part P of chap-
ter 60 of the laws of 2016, is amended to read as follows:

A financial instrument is a "nonqualified financial instrument" if it
is not a qualified financial instrument. A qualified financial instru-
ment means a financial instrument that is of a type described in any of
clauses (A), (B), (C), (D), (G), (H) or (I) of subparagraph two of this
paragraph and that has been marked to market in the taxable year by the
taxpayer under section 475 or section 1256 of the internal revenue code.

Further, if the taxpayer has in the taxable year marked to market a
financial instrument of the type described in any of the clauses (A),
(B), (C), (D), (G), (H) or (I) of subparagraph two of this paragraph,
then any financial instrument within that type described in the above
specified clause or clauses that has not been marked to market by the
taxpayer under section 475 or section 1256 of the internal revenue code
is a qualified financial instrument in the taxable year. Notwithstanding
the two preceding sentences, (i) a loan secured by real property shall
not be a qualified financial instrument, (ii) if the only loans that are
marked to market by the taxpayer under section 475 or section 1256 of
the internal revenue code are loans secured by real property, then no
loans shall be qualified financial instruments, (iii) stock that is
investment capital as defined in paragraph (a) of subdivision five of
section two hundred eight of this article shall not be a qualified
financial instrument, and (iv) stock that generates other exempt income
as defined in subdivision six-a of section two hundred eight of this
article and that is not marked to market under section 475 or section
1256 of the internal revenue code shall not constitute a qualified
financial instrument with respect to the income from that stock that is
described in such subdivision six-a. If a corporation is included in a combined report, the definition of qualified financial instrument shall be determined on a combined basis. **In the case of a RIC or a REIT that is not a captive RIC or a captive REIT, a qualified financial instrument means a financial instrument that is of a type described in any of clauses (A), (B), (C), (D), (G), (H) or (I) of subparagraph two of this paragraph, other than (i) a loan secured by real property, (ii) stock that is investment capital as defined in paragraph (a) of subdivision five of section two hundred eight of this article, and (iii) stock that generates other exempt income as defined in subdivision six-a of section two hundred eight of this article with respect to the income from that stock that is described in such subdivision six-a.**

§ 2. Clause (D) of subparagraph 1 of paragraph (d) of subdivision 1 of section 210 of the tax law, as amended by section 19 of part T of chapter 59 of the laws of 2015, is amended to read as follows:

(D) Otherwise, for all other taxpayers not covered by clauses (A), (B), (C) and (D-1) of this subparagraph, the amount prescribed by this paragraph will be determined in accordance with the following table:

§ 4. The opening paragraph of paragraph (a) of subdivision 5 of section 11-654.2 of the administrative code of the city of New York, as amended by section 16 of part P of chapter 60 of the laws of 2016, is amended to read as follows:

A financial instrument is a "nonguaranteed financial instrument" if it is not a qualified financial instrument. A qualified financial instrument means a financial instrument that is of a type described in any of clauses (i), (ii), (iii), (iv), (vii), (viii) or (ix) of subparagraph two of this paragraph and that has been marked to market in the taxable year by the taxpayer under section 475 or section 1256 of
the internal revenue code. Further, if the taxpayer has in the taxable year marked to market a financial instrument of the type described in any of clauses (i), (ii), (iii), (iv), (vii), (viii) or (ix) of subparagraph two of this paragraph, then any financial instrument within that type described in the above specified clause or clauses that has not been marked to market by the taxpayer under section 475 or section 1256 of the internal revenue code is a qualified financial instrument in the taxable year. Notwithstanding the two preceding sentences, (i) a loan secured by real property shall not be a qualified financial instrument, (ii) if the only loans that are marked to market by the taxpayer under section 475 or section 1256 of the internal revenue code are loans secured by real property, then no loans shall be qualified financial instruments, (iii) stock that is investment capital as defined in paragraph (a) of subdivision four of section 11-652 of this subchapter shall not be a qualified financial instrument, and (iv) stock that generates other exempt income as defined in subdivision five-a of section 11-652 of this subchapter shall not constitute a qualified financial instrument with respect to the income from that stock that is described in such subdivision five-a. If a corporation is included in a combined report, the definition of qualified financial instrument shall be determined on a combined basis. group policy maintained by a TNC pursuant to subparagraph (ii) of para-

may acquire such group insurance with an excess line broker pursuant to
section two thousand one hundred eighteen of the insurance law.

(c) The obligation to determine whether the insurance required by this
section is unavailable from insurers authorized to write insurance in
this state shall be made prior to the initial placement and at each
renewal of a policy.

8. A TNC driver who, while operating a TNC vehicle was logged on to
the TNC's digital network but not engaged in a TNC prearranged trip or
was engaged in a TNC prearranged trip, and has in effect the insurance
required pursuant to this article, shall not be deemed to be in
violation of article six of this chapter during such time that he or she
was logged on to the TNC's digital network but not engaged in a TNC
prearranged trip or was engaged in a TNC prearranged trip.

9. A TNC driver shall carry proof of coverage satisfying subdivisions

Any insurance identification card issued pursuant to the provisions of
this article shall be in addition to the insurance identification card

1. The insurance coverage, including the types of coverage and the limits for each coverage, that the TNC provides while the TNC driver uses a TNC vehicle in connection with a TNC’s digital network;
2. That the TNC driver’s own automobile insurance policy might not provide any coverage while the TNC driver is logged on to the TNC’s digital network or is engaged in a TNC prearranged trip, depending on its terms; and
3. That, if a TNC vehicle has a lien against it, then the continued use of such TNC vehicle by its TNC driver without physical damage coverage may violate the terms of the contract with the lienholder.

§ 1695. Insurance provisions. 1. Insurers that write motor vehicle insurance in this state may, in the insurance policy, exclude any and all coverage afforded under the policy issued to an owner or operator of a TNC vehicle for any loss or injury that occurs while a TNC driver is logged on to a TNC’s digital network or while a driver provides a TNC prearranged trip, including:

3. Nothing shall be deemed to preclude an insurer from providing primary, excess, or umbrella coverage for the TNC driver’s TNC vehicle, if it chose to do so by contract or endorsement.

4. Motor vehicle insurers that exclude the coverage described in this article shall have no duty to defend or indemnify any claim expressly excluded thereunder. Nothing in this article shall be deemed to invalidate or limit an exclusion contained in a policy including any policy in use or approved for use in this state prior to the effective date of this section.

5. A motor vehicle insurer that defends or indemnifies a claim against a TNC driver that is excluded under the terms of its policy shall have a right of contribution against other insurers that provide motor vehicle insurance to the same driver in satisfaction of the coverage requirements of the provisions of this article.

6. In a claims coverage investigation, a TNC and any insurer providing coverage under this article shall, within fifteen days after a claim has been filed, facilitate the exchange of relevant information with directly involved parties and any insurer of the TNC driver if applicable, including the precise times that a TNC driver logged on and off of the TNC’s digital network in the twelve hour period immediately preceding and in the twelve hour period immediately following the accident and disclose to one another a clear description of the coverage, exclusions
and limits provided under any motor vehicle insurance maintained under this article.

7. The superintendent of financial services may promulgate such rules and regulations that the superintendent deems necessary to facilitate the sharing of information between insurers, when a motor vehicle accident occurs and at least one of the insurers is providing financial responsibility coverage to a TNC vehicle pursuant to this article.

8. The commissioner shall provide relevant insurance coverage information required by this article to the following persons upon request:
   (a) a person to whom an accident report pertains or who is named in such report, or his or her authorized representative; and
   (b) any other person or his or her authorized representative who has demonstrated to the satisfaction of the commissioner that such person is or may be a party to a civil action arising out of the conduct described in such accident report.

   (c) Upon review of all information received and retained by the TNC and upon verifying that the individual is not disqualified pursuant to this section from receiving a TNC driver permit, a TNC may issue a TNC driver permit to the applicant. The TNC shall review all information received relating to such applicant and hold such information for six years along with a certification that such applicant qualifies to receive a TNC driver permit.
   (d) (i) A TNC that issues a TNC driver's permit pursuant to this section shall participate in the New York License Event Notification Service (LENS) established by the department to obtain timely notice when any of the following violations are added to a TNC driver's driving record:

(ii) The department may promulgate regulations authorizing additional LENS notifications as the commissioner deems necessary to protect public health and safety.

policy that provides financial responsibility coverage under this
section except as permitted in section five thousand one hundred five of

A service that begins and ends in this state is deemed intra-state even if it passes outside this state during a portion of the trip. However, transportation service does not include transportation of persons in connection with funerals. Transportation service includes transporting, carrying, or conveying property of the person being transported, whether owned by or in the care of such person. Notwithstanding the foregoing, transportation service shall not include a TNC prearranged trip, as that term is defined in article forty-four-B of the vehicle and traffic law, that is subject to tax under article twenty-nine-B of this chapter. In addition to what is included in the definition of "receipt" in paragraph three of this subdivision, receipts from the sale of transportation service subject to
tax include any handling, carrying, baggage, booking service, administrative, mark-up, additional, or other charge, of any nature, made in conjunction with the transportation service. Livery service means service provided by limousine, black car or other motor vehicle, with a driver, but excluding (i) a taxicab, (ii) a bus, and (iii), in a city of one million or more in this state, an affiliated livery vehicle, and excluding any scheduled public service. (d) "TNC prearranged trip" shall have the same meaning as the term is defined in article forty-four-B of the vehicle and traffic law.

(e) "TNC driver" shall have the same meaning as the term is defined in article forty-four-B of the vehicle and traffic law.

(g) "Gross trip fare" means the sum of the base fare charge, distance charge and time charge for a complete TNC prearranged trip at the applicable rate charged by the TNC at the time such trip is arranged.

§ 1292. Imposition. There is hereby imposed on every TNC a state assessment fee of 4% of the gross trip fare of every TNC prearranged trip provided by such TNC that originates anywhere in the state outside the city and terminates anywhere in this state.
§ 1293. Presumption. For the purpose of the proper administration of this article and to prevent evasion of the state assessment fee imposed by this article, it shall be presumed that every TNC prearranged trip that originates anywhere in the state outside the city is subject to the state assessment fee. This presumption shall prevail until the contrary is proven by the person liable for the fee.

§ 1294. Returns and payment of state assessment fee. (a) Every person liable for the state assessment fee imposed by this article shall file a return on a calendar-quarterly basis with the commissioner. Each return shall show the number of TNC prearranged trips, the total gross trip fares and the amount of fees due thereon in the quarter for which the return is filed, together with such other information as the commissioner may require. The returns required by this section shall be filed within thirty days after the end of the quarterly period covered thereby. If the commissioner deems it necessary in order to ensure the payment of the state assessment fee imposed by this article, the commissioner may require returns to be made for shorter periods than prescribed by the foregoing provisions of this section, and upon such dates as the commissioner may specify. The form of returns shall be prescribed by the commissioner and shall contain such information as the commissioner may deem necessary for the proper administration of this article. The commissioner may require amended returns to be filed within thirty days after notice and to contain the information specified in the notice. The commissioner may require that the returns be filed electronically.

(b) Every person required to file a return under this article shall, at the time of filing such return, pay to the commissioner the total of all state assessment fees on the correct number of trips subject to such fee under this article. The amount so payable to the commissioner for the period for which a return is required to be filed shall be due and payable to the commissioner on the date specified for the filing of the return for such period, without regard to whether a return is filed or whether the return that is filed correctly shows the correct number of trips, gross trip fares or amount of fees due thereon. The commissioner may require that the fee be paid electronically.

§ 1295. Records to be kept. Every person liable for the state assessment fee imposed by this article shall keep:

(a) records of every TNC prearranged trip subject to the state assessment fee under this article, and of all amounts paid, charged or due thereon, in such form as the commissioner may require;

(b) true and complete copies, including electronic copies, of any records required to be kept by a state agency that is authorized to permit or regulate a TNC; and

(c) such other records and information as the commissioner may require to perform his or her duties under this article.

§ 1296. Secrecy of returns and reports. (a) Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, any person engaged or retained by the department on an independent contract basis, or any person who in any manner may acquire knowledge of the contents of a return or report filed with the commissioner pursuant to this article, to divulge or make known in any manner any particulars set forth or disclosed in any such return or report. The officers charged with the custody of such returns and reports shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the
commissioner in an action or proceeding under the provisions of this chapter or in any other action or proceeding involving the collection of a state assessment fee due under this article to which the state or the commissioner is a party or a claimant, or on behalf of any party to any action, proceeding or hearing under the provisions of this article when the returns, reports or facts shown thereby are directly involved in such action, proceeding or hearing, in any of which events the court, or in the case of a hearing, the division of tax appeals may require the production of, and may admit into evidence, so much of said returns, reports or of the facts shown thereby, as are pertinent to the action, proceeding or hearing and no more. The commissioner or the division of tax appeals may, nevertheless, publish a copy or a summary of any decision rendered after a hearing required by this article. Nothing in this section shall be construed to prohibit the delivery to a person who has filed a return or report or to such person's duly authorized representative of a certified copy of any return or report filed in connection with such person's state assessment fee. Nor shall anything in this section be construed to prohibit the publication of statistics so classified as to prevent the identification of particular returns or reports and the items thereof, or the inspection by the attorney general or other legal representatives of the state of the return or report of any person required to pay the state assessment fee who shall bring action to review the state assessment fee based thereon, or against whom an action or proceeding under this chapter has been recommended by the commissioner or the attorney general or has been instituted, or the inspection of the returns or reports required under this article by the comptroller or duly designated officer or employee of the state department of audit and control, for purposes of the audit of a refund of any state assessment fee paid by a person required to pay the state assessment fee under this article. Provided, further, nothing in this section shall be construed to prohibit the disclosure, in such manner as the commissioner deems appropriate, of the names and other appropriate identifying information of those persons required to pay state assessment fee under this article.

(b) Notwithstanding the provisions of subdivision (a) of this section, the commissioner, in his or her discretion, may require or permit any or all persons liable for any state assessment fee imposed by this article, to make payment to banks, banking houses or trust companies designated by the commissioner and to file returns with such banks, banking houses or trust companies as agents of the commissioner, in lieu of paying any such state assessment fee directly to the commissioner. However, the commissioner shall designate only such banks, banking houses or trust companies as are already designated by the comptroller as depositories pursuant to section twelve hundred eighty-eight of this chapter.

1. The chief executive officer of the county shall conduct a public presentation of the plan no later than October 15, 2018. Public notice of such public presentation shall be provided at least one week prior in the manner prescribed in subdivision 1 of section 104 of the public officers law.

2. Any such finalized property tax savings plan which would have the effect of transferring or abolishing a function or duty of the county or of the cities, towns, villages, districts or other units of government wholly contained in the county, shall not become operative unless and until it is approved in accordance with subdivision (h) of section one of article nine of the state constitution.

7. For the purposes of this part "chief executive officer" means the county executive, county manager or other chief executive of the county, or where none, the chair of the county legislative body.

8. Each county plan may be eligible for one-time funding to match savings in such plan, subject to available appropriation. The secretary of state shall develop an application, approved by the director of the
budget, with any necessary requirements to receive such matching fund-
ing. Savings that are actually and demonstrably realized by the partic-
icipating local governments are eligible for matching funding. For actions
that are a part of an approved plan finalized in 2017, savings from new
actions implemented on or after January 1, 2018 are eligible for match-
ing funding. For actions that are a part of an approved plan finalized
in 2017, savings achieved from January 1, 2018 through December 31, 2018
are eligible for matching funding. For actions that are a part of an
approved plan finalized in 2018, savings from new actions implemented on
or after January 1, 2019 are eligible for matching funding. For actions
that are a part of an approved plan finalized in 2018, savings achieved
from January 1, 2019 through December 31, 2019 are eligible for matching
funding. Only net savings between local governments for each action
would be eligible for matching funding. Savings from internal efficien-
cies or any other actions taken by a local government without the
participation of another local government are not eligible for matching
funding. Each county and all of the local governments within the county
that are part of any action to be implemented as part of the approved
plan must collectively apply for the matching funding and agree on the
distribution and use of any matching funding in order to qualify for
matching funding.

9. Where the implementation of any component of such finalized proper-
ty tax savings plan is, by any other general or special law, subject to
a public hearing, a mandatory or permissive referendum, consents of
governmental agencies, or other requirements applicable to the making of
contracts, then implementation of such component shall be conditioned on
compliance with such requirements.

10. If any clause, sentence, paragraph, subdivision, section or part
of this act shall be adjudged by any court or competent jurisdiction to
be invalid, such judgment shall not affect, impair, or invalidate the
remainder thereof, but shall be confined in its operation to the clause,
sentence, paragraph, subdivision, section or part thereof directly
involved in the controversy in which such judgment shall have been
rendered. It is hereby declared to be the intent of the legislature that
this act would have been enacted if such invalid provisions had not been
included herein.

§ 2. School district and board of cooperative educational services
participation in county-wide shared services property tax savings plans.
Notwithstanding any provision of the education law, or any other
provision of law, rule or regulation, to the contrary, any school
district or board of cooperative educational services may participate in
a county-wide shared services property tax savings plan established
pursuant to the provisions of this chapter, and may further participate
in any of the activities listed in paragraph a of subdivision 4 of
section one of this act with any participating county, town, city,
village, special improvement district, school district and/or board of
cooperative educational services participating in such county-wide
shared services property tax saving plan.

§ 3. This act shall take effect immediately.

amended to read as follows:

The provisions of sections sixty-two through sixty-six of
this act shall expire April fifteenth, two thousand eighteen, provided,
however, that if the statewide disparity study regarding the partic-
ipation of minority and women-owned business enterprises in state
contracts required pursuant to subdivision one of section three hundred
twelve-a of the executive law is completed and delivered to the governor
and the legislature on or before June thirtieth, two thousand seventeen,
then the provisions of sections sixty-two through sixty-six of this act
shall expire on December thirty-first, two thousand seventeen, except that:

§ 2. This act shall take effect immediately.

PART DDD

Section 1. Section 606 of the tax law is amended by adding a new
subsection (n-2) to read as follows:

(n-2) Credit for farm donations to food pantries. (1) General. In the
case of a taxpayer who is an eligible farmer, there shall be allowed a
credit, to be computed as hereinafter provided, against the tax imposed
by this article for taxable years beginning on and after January first,
two thousand eighteen. The amount of the credit shall be twenty-five
percent of the fair market value of the taxpayer’s qualified donations
made to any eligible food pantry during the taxable year, not to exceed
five thousand dollars per taxable year. If the taxpayer is a partner in
a partnership or a shareholder of a New York S corporation, then the cap
imposed by the preceding sentence shall be applied at the entity level,
so that the aggregate credit allowed to all partners or shareholders of
such entity in the taxable year does not exceed five thousand dollars.

(2) Eligible farmer. For purposes of this subsection, the term "eligi-
able farmer" means a taxpayer whose federal gross income from farming for
the taxable year is at least two-thirds of excess federal gross income.
Excess federal gross income means the amount of federal gross income
from all sources for the taxable year reduced by the sum (not to exceed
thirty thousand dollars) of those items included in federal gross income
that consist of: (i) earned income, (ii) pension payments, including
social security payments, (iii) interest, and (iv) dividends. For
purposes of this paragraph, the term "earned income" shall mean wages,
salaries, tips and other employee compensation, and those items of gross
income that are includible in the computation of net earnings from self-
employment. For the purposes of this paragraph, payments from the
state’s farmland protection program, administered by the department of
agriculture and markets, shall be included as federal gross income from
farming for otherwise eligible farmers.

(3) Qualified donation. For purposes of this subsection, the term
"qualified donation" means a donation of any apparently wholesome food,
as defined in section 170(e)(3)(C)(vi) of the internal revenue code,
grown or produced within this state, by an eligible farmer to an eligi-
ble food pantry.

(4) Eligible food pantry. For purposes of this subsection, the term
"eligible food pantry" means any food pantry, food bank, or other emer-
gency food program operating within this state that has qualified for
tax exemption under section 501(c)(3) of the internal revenue code.

(5) Determination of fair market value. For purposes of this
subsection, to determine the fair market value of apparently wholesome
food donated to an eligible food pantry, the standards set forth under section 170(e)(3)(C)(v) of the internal revenue code shall apply.

(6) Record of donation. To claim a credit under this subsection, a taxpayer must get and keep a receipt from the eligible food pantry showing: (i) the name of the eligible food pantry; (ii) the date and location of the qualified donation; and (iii) a reasonably detailed description of the qualified donation. A letter or other written communication from the eligible food pantry acknowledging receipt of the contribution and containing the information in subparagraphs (i), (ii), and (iii) of this paragraph will serve as a receipt.

(7) Application of credit. A taxpayer shall be allowed a credit under this subsection against the tax imposed by this article. However, if the amount of credit allowed under this subsection for any taxable year exceeds the taxpayer's tax for such year, the excess will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article. Provided, however, the provisions of subsection (c) of section six hundred eighty-eight of this article notwithstanding, no interest will be paid thereon.

§ 2. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (xliii) to read as follows:

(xliii) Farm donations to food pantries credit under subdivision fifty-two of section two hundred ten-B

§ 3. Subsection (c) of section 615 of the tax law is amended by adding a new paragraph 9 to read as follows:

(9) with respect to a taxpayer who has claimed the farm donations to food pantries credit pursuant to subsection (n-2) of section six hundred six of this article, the taxpayer's New York itemized deductions shall be reduced by any charitable contribution deduction allowed under section one hundred seventy of the internal revenue code with respect to such donations.

§ 4. Section 210-B of the tax law is amended by adding a new subdivision 52 to read as follows:

52. Credit for farm donations to food pantries. (a) General. In the case of a taxpayer that is an eligible farmer, there shall be allowed a credit, to be computed as hereinafter provided against the tax imposed by this article for taxable years beginning on and after January first, two thousand eighteen. The amount of the credit shall be twenty-five percent of the fair market value of the taxpayer's qualified donations made to any eligible food pantry during the taxable year, not to exceed five thousand dollars per taxable year. If the taxpayer is a partner in a partnership, then the cap imposed by the preceding sentence shall be applied at the entity level, so that the aggregate credit allowed to all partners of such entity in the taxable year does not exceed five thousand dollars.

(b) Eligible farmer. For purposes of this subdivision, the term "eligible farmer" means a taxpayer whose federal gross income from farming for the taxable year is at least two-thirds of excess federal gross income. Excess federal gross income means the amount of federal gross income from all sources for the taxable year in excess of thirty thousand dollars. For purposes of this paragraph, payments from the state's farmland protection program, administered by the department of agricul-
ture and markets, shall be included as federal gross income from farming for otherwise eligible farmers.

(c) Qualified donation. For purposes of this subdivision, the term "qualified donation" means a donation of apparently wholesome food, as defined in section 170(e)(3)(C)(vi) of the internal revenue code, grown or produced within this state, by an eligible farmer to an eligible food pantry.

(d) Eligible food pantry. For purposes of this subdivision, the term "eligible food pantry" means any food pantry, food bank, or other emergency food program operating within this state that has qualified for tax exemption under section 501(c)(3) of the internal revenue code.

(e) Determination of fair market value. For purposes of this subdivision, to determine the fair market value of apparently wholesome food donated to an eligible food pantry, the standards set forth under section 170(e)(3)(C)(v) of the internal revenue code shall apply.

(f) Record of donation. To claim a credit under this subdivision, a taxpayer must get and keep a receipt from the eligible food pantry showing: (i) the name of the eligible food pantry; (ii) the date and location of the qualified donation; and (iii) a reasonably detailed description of the qualified donation. A letter or other written communication from the eligible food pantry acknowledging receipt of the contribution and containing the information in subparagraphs (i), (ii), and (iii) of this paragraph will serve as a receipt.

(g) Application of credit. The credit allowed under this subdivision for any taxable year will not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowed under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year will be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest will be paid thereon.

§ 5. Paragraph (b) of subdivision 9 of section 208 of the tax law is amended by adding a new subparagraph 22 to read as follows:

(22) the amount of any deduction for charitable contributions allowed under section one hundred seventy of the internal revenue code to the extent such contributions are used as the basis of the calculation of the farm donations to food pantries credit under subdivision fifty-two of section two hundred ten-B of this article.

§ 6. This act shall take effect immediately.

PART EEE

Section 1. Subdivisions 1, 2, 3 and 4 of section 186-f of the tax law, as added by section 3 of part B of chapter 56 of the laws of 2009, are amended to read as follows:

1. Definitions. As used in this section, where not otherwise specifically defined and unless a different meaning is clearly required:

(a) "Place of primary use" has the same meaning as that term is defined in paragraph twenty-six of subdivision (b) of section eleven hundred one of this chapter.

(b) "Wireless communications customer" means mobile telecommunications customer as defined in subparagraph (i) of paragraph twenty-seven of...
(b) subdivision (b) of section eleven hundred one of this chapter, who contracts for or is the end user of wireless communications service.

(c) "Wireless communications device" means any equipment used to access a wireless communications service.

(d) "Wireless communications service" means all commercial mobile services, as that term is defined in section 332(d) of title 47 of the United States Code, as amended from time to time, including, but not limited to, all broadband personal communications services, wireless radio telephone services, geographic area specialized and enhanced specialized mobile radio services, and incumbent-wide area specialized mobile radio licensees, which offer real time, two-way voice or data service that is interconnected with the public switched telephone network or otherwise provides access to emergency communications services.

(e) "Wireless communications service supplier" means a home service provider as defined in subparagraph (ii) of paragraph twenty-seven of subdivision (b) of section eleven hundred one of this chapter, provided that the home service provider provides wireless communications service and has one or more wireless communications customers in New York state.

(f) "Prepaid wireless communications seller" means a person making a retail sale of prepaid wireless communications service.

(g) "Prepaid wireless communications service" means a prepaid mobile calling service as defined in paragraph twenty-two of subdivision (b) of section eleven hundred one of this chapter.

2. Public safety communications surcharge. (a) (1) A surcharge on wireless communications service provided to a wireless communications customer with a place of primary use in this state is imposed at the rate of one dollar and twenty cents per month on each wireless communications device in service during any part of each month. The surcharge must be reflected and made payable on bills rendered to the wireless communications customer for wireless communication service.

(2) A surcharge is imposed on the retail sale of each prepaid wireless communications service, whether or not any tangible personal property is sold therewith, at the rate of ninety cents per retail sale. A sale of a prepaid wireless communications service occurs in this state if the sale takes place at a seller's business location in the state. If the sale does not take place at the seller's place of business, it shall be conclusively determined to take place at the purchaser's shipping address or, if there is no item shipped, at the purchaser's billing address, or, if the seller does not have that address, at such address as approved by the commissioner that reasonably reflects the customer's location at the time of the sale of the prepaid wireless communications service.

(b) Each wireless communications service supplier providing wireless communications service in New York state must act as a collection agent for the state for the collection of the surcharge. The wireless communications service supplier has no legal obligation to enforce the collection of the surcharge from its customers. However, each wireless communications service supplier must collect and retain the name and address of any wireless communications customer with a place of primary use in this state that refuses or fails to pay the surcharge, as well as the cumulative amount of the surcharge remaining unpaid, and must provide this information to the commissioner at the time and according to the procedures the commissioner may provide. The surcharge must be reported and paid to the commissioner on a quarterly basis on or before the [fifteenth] twentieth day of the month following
each quarterly period ending on the last day of February, May, August and November, respectively. The payments must be accompanied by a return in the form and containing the information the commissioner may prescribe.

(c) The surcharge must be added as a separate line item to bills furnished by a wireless communications service supplier to its customers, or must be added as a separate line item to a sales slip, invoice, receipt, or other statement of the price, if any, that is furnished by a prepaid wireless communications seller to a purchaser.

(d) Each wireless communications service supplier and prepaid wireless communications seller is entitled to retain, as an administrative fee, an amount equal to two percent of fifty-eight and three-tenths percent of the total collections of the surcharge imposed by this section, provided that the supplier or seller files any required return and remits the surcharge due to the commissioner on or before its due date.

3. Applicability of article twenty-seven. For purposes of article twenty-seven of this chapter as applied to this section by section two hundred seven-b of this article, the term "taxpayer" in article twenty-seven refers to a wireless communications service supplier subject to this section or a wireless communications customer subject to this section, as the case may be, and the term "tax" in article twenty-seven refers to the surcharge imposed by this section.

4. Exemptions. The state of New York and any of its agencies, instrumentalities and political subdivisions are exempt from the surcharge imposed by this section.

4. Applicable provisions. (a) Except as otherwise provided in this section, the surcharges imposed under this section shall be administered and collected by the commissioner in a like manner as the taxes imposed by article twenty-eight of this chapter. All the provisions of article twenty-eight of this chapter, including the provisions relating to definitions, exemptions, returns, personal liability for the tax, collection of tax from the customer, payment of tax, and the administration of the taxes imposed by such article, shall apply to the surcharges imposed under the authority of this section so far as those provisions can be made applicable to the surcharges imposed by this section, with such modifications as may be necessary in order to adapt the language of those provisions to the surcharges imposed by this section. Those provisions shall apply with the same force and effect as if the language of those provisions had been set forth in full in this section, except to the extent that any of those provisions is either inconsistent with a provision of this section or is not relevant to the surcharge imposed by this section. For purposes of this section, any reference in this chapter to a tax or the taxes imposed by article twenty-eight of this chapter shall be deemed also to refer to the surcharges imposed by this section unless a different meaning is clearly required.

(b) Notwithstanding the provisions of paragraph (a) of this subdivision:
(1) the exemptions provided for in section eleven hundred sixteen of this chapter, other than the exemptions in paragraphs one, two and three of subdivision (a) of that section, shall not apply to the surcharges imposed by this section.

(2) the credit provided in subdivision (f) of section eleven hundred thirty-seven of this chapter shall not apply to this section.

§ 2. Sections 308-a, 308-b, 308-c, 309-d, 308-e, 308-f, 308-g, 308-h, 308-k, 308-l, 308-m, 308-n, 308-p, 308-q, 308-r, 308-s, 308-t, 308-u, 308-v, 308-w, 308-x and 308-y of the county law are REPEALED.

§ 3. The tax law is amended by adding a new section 186-g to read as follows:

§ 186-g. Wireless communications surcharge authorized. 1. Definitions. As used in this section, where not otherwise specifically defined and unless a different meaning is clearly required, all of the definitions of section one hundred eighty-six-f of this article shall apply to the surcharges authorized by this section.

2. Imposition of surcharge. (a) Notwithstanding any other provision of law to the contrary, and in addition to any other tax or fee imposed by this chapter or any other law, a city having a population of a million or more, and a county, other than a county wholly within such a city, acting through its local legislative body, is hereby authorized and empowered to adopt and amend local laws, ordinances or resolutions imposing a surcharge within the territorial limits of such city or county to take effect on or after December first, two thousand seventeen that shall include both (i) wireless communications service, as described in paragraph (b) of this subdivision; and (ii) prepaid wireless communications service, as described in paragraph (c) of this subdivision.

(b) Such surcharge on wireless communications service provided to a wireless communications customer with a place of primary use in a city or county authorized to impose the surcharge by this subdivision shall be imposed at the rate of thirty cents per month on each wireless communications device in service during any part of the month. The surcharge must be reflected and made payable on bills rendered to the wireless communications customer for wireless communications service.

(c) Such surcharge on the retail sale of each prepaid wireless communications service, whether or not any tangible personal property is sold therewith, shall be imposed at the rate of thirty cents per retail sale within a city or county authorized to impose the surcharge by this subdivision. A sale of a prepaid wireless communications service occurs in such city or county if the sale takes place at a seller’s business location in such city or county. If the sale does not take place at the seller’s place of business, it shall be conclusively determined to take place at the purchaser’s shipping address in such city or county or, if there is no item shipped, at the purchaser’s billing address in such city or county, or, if the seller does not have that address, at such address that reasonably reflects the customer’s location at the time of the sale of the prepaid wireless communications service.

3. Any such local law, ordinance or resolution adopted pursuant to this section shall state the amount of the surcharges and the date on which both the wireless communications service supplier shall begin to add such surcharge to the billings of its customers and the prepaid wireless communications seller shall begin to collect such surcharge from its customers. No such local law, ordinance or resolution shall be effective unless a certified copy of such law, ordinance or resolution is mailed by registered or certified mail to the commissioner in accord-
ance with the provisions of subdivisions (d) and (e) of section twelve hundred ten of this chapter.

4. Exemption. Lifeline consumers shall be exempt from the surcharges imposed by this section.

5. The surcharges must be reported and paid to the commissioner on a quarterly basis on or before the twentieth day of the month following each quarterly period ending on the last day of February, May, August and November, respectively. The payments must be accompanied by a return in the form and containing the information the commissioner may prescribe.

6. The surcharges must be added as a separate line item to bills furnished by a wireless communications service supplier to its customers, or must be added as a separate line item to a sales slip, invoice, receipt, or other statement of the price, if any, that is furnished by a prepaid wireless communications seller to a purchaser, and must be identified as the "public safety communications surcharge".

7. Each wireless communications service supplier and prepaid wireless communications seller is entitled to retain, as an administrative fee, an amount equal to three percent of its collections of the surcharges imposed under the authority of this section, provided that the supplier or seller files any required return and remits the surcharge due to the commissioner on or before its due date.

8. Applicable provisions. (a) Except as otherwise provided in this section, any surcharge imposed under the authority of this section shall be administered and collected by the commissioner in a like manner as the taxes imposed by articles twenty-eight and twenty-nine of this chapter. All the provisions of article twenty-eight and twenty-nine of this chapter, including the provisions relating to definitions, exemptions, returns, personal liability for the tax, collection of tax from the customer, payment of tax, and the administration of the taxes imposed by such article, shall apply to the surcharges imposed under the authority of this section so far as those provisions can be made applicable to the surcharges imposed under the authority of this section, with such modifications as may be necessary in order to adapt the language of those provisions to the surcharges imposed under the authority of this section. Those provisions shall apply with the same force and effect as if the language of those provisions had been set forth in full in this section, except to the extent that any of those provisions is either inconsistent with a provision of this section or is not relevant to the surcharge imposed under the authority of this section. For purposes of this section, any reference in this chapter to a tax or the taxes imposed by articles twenty-eight and twenty-nine of this chapter shall be deemed also to refer to the surcharges imposed under the authority of this section unless a different meaning is clearly required.

(b) Notwithstanding the provisions of paragraph (a) of this subdivision:

(1) the exemptions provided for in section eleven hundred sixteen of this chapter, other than the exemptions in paragraphs one, two and three of subdivision (a) of that section, shall not apply to the surcharges imposed under the authority of this section;

(2) the credit provided in subdivision (f) of section eleven hundred thirty-seven of this chapter shall not apply to this section.

9. All surcharge monies remitted to the commissioner under this section shall be expended only upon authorization of the legislative body of a city or county that imposes the surcharges pursuant to the authority of subdivision two of this section, and only for payment of
system costs, eligible wireless 911 service costs, or other costs associated with the administration, design, installation, construction, operation, or maintenance of public safety communications networks or a system to provide enhanced wireless 911 service serving such city or county, including, but not limited to, hardware, software, consultants, financing and other acquisition costs. Such city or county shall separately account for and keep adequate books and records of the amount and object or purpose of all expenditures of all such monies. If, at the end of any fiscal year, the total amount of all such monies exceeds the amount necessary for payment of the above mentioned costs in such fiscal year, such excess shall be reserved and carried over for the payment of those costs in the following fiscal year.

§ 4. This act shall take effect immediately; provided, however, sections one and two of this act shall take effect December 1, 2017; and section one of this act shall apply to wireless communications service and prepaid wireless communications service provided on and after that date.

PART FFF

Section 1. The public health law is amended by adding a new section 2825-e to read as follows:

§ 2825-e. Health care facility transformation program: statewide II. 1. A statewide health care facility transformation program is hereby established under the joint administration of the commissioner and the president of the dormitory authority of the state of New York for the purpose of strengthening and protecting continued access to health care services in communities. The program shall provide funding in support of capital projects, debt retirement, working capital or other non-capital projects that facilitate health care transformation activities including, but not limited to, merger, consolidation, acquisition or other activities intended to create financially sustainable systems of care or preserve or expand essential health care services. Grants shall not be available to support general operating expenses. The issuance of any bonds or notes hereunder shall be subject to section sixteen hundred eighty-r of the public authorities law and the approval of the director of the division of the budget, and any projects funded through the issuance of bonds or notes hereunder shall be approved by the New York state public authorities control board, as required under section fifty-one of the public authorities law.

2. The commissioner and the president of the dormitory authority shall enter into an agreement, subject to approval by the director of the budget, and subject to section sixteen hundred eighty-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this section. Such funds may be distributed by the commissioner for capital grants to general hospitals, residential health care facilities, diagnostic and treatment centers and clinics licensed pursuant to this chapter or the mental hygiene law, and community-based health care providers as defined in subdivision three of this section for works or purposes that support the purposes set forth in this section. A copy of such agreement, and any amendments thereto, shall be provided to the chair of the senate finance committee, the chair of the assembly ways and means committee, and the director of the division of the budget no later than thirty days prior to the release of a request for applications for funding under this program. Priority shall be given to new applications for projects not
funded under section twenty-eight hundred twenty-five-d of this article. Projects awarded, in whole or part, under sections twenty-eight hundred twenty-five-a and twenty-eight hundred twenty-five-b of this article shall not be eligible for grants or awards made available under this section.

3. Notwithstanding section one hundred sixty-three of the state finance law or any inconsistent provision of law to the contrary, up to five hundred million dollars of the funds appropriated for this program shall be awarded without a competitive bid or request for proposal process for grants to health care providers (hereafter "applicants"). Provided, however, that a minimum of seventy-five million dollars of total awarded funds shall be made to community-based health care providers, which for purposes of this section shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under this article; a mental health clinic licensed or granted an operating certificate under article thirty-one of the mental hygiene law; an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article thirty-two of the mental hygiene law; a primary care provider or a home care provider certified or licensed pursuant to article thirty-six of this chapter; or other purposes and community-based providers designated by the commissioner pursuant to information obtained pursuant to subdivision four-a of this section. Eligible applicants shall be those deemed by the commissioner to be a provider that fulfills or will fulfill a health care need for acute inpatient, outpatient, primary, home care or residential health care services in a community.

4. Notwithstanding subdivision two of this section or any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to three hundred million dollars of the funds made available pursuant to this section for unfunded project applications submitted in response to the request for applications number 1607010255 issued by the department on July twenty-sixth, two thousand sixteen pursuant to section twenty-eight hundred twenty-five-d of this article, provided however that the provisions of subdivision three of this section shall apply.

4-a. Authorized amounts to be awarded pursuant to applications submitted in response to the request for application number 1607010255 shall be awarded no later than May first, two thousand seventeen. The commissioner shall not issue a request for application for the remaining appropriated amounts on or before June first, two thousand seventeen to allow stakeholder, community, and legislative input regarding program eligibility, award criteria and the process by which the remaining funds will be awarded.

5. In determining awards for eligible applicants under this section, the commissioner shall consider stakeholder, community, and legislative input pursuant to subdivision four-a of this section, and other criteria including, but not limited to:

(a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;

(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;

(c) Consideration of geographic distribution of funds;
(d) The relationship between the proposed project and identified community need;
(e) The extent to which the applicant has access to alternative financing;
(f) The extent that the proposed project furthers the development of primary care and other outpatient services;
(g) The extent to which the proposed project benefits Medicaid enrollees and uninsured individuals;
(h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and
(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

6. Disbursement of awards made pursuant to this section shall be conditioned on the awardee achieving certain process and performance metrics and milestones as determined in the sole discretion of the commissioner. Such metrics and milestones shall be structured to ensure that the goals of the project are achieved, and such metrics and milestones shall be included in grant disbursement agreements or other contractual documents as required by the commissioner.

7. The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision five of this section.

§ 2. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2017.

PART GGG

Section 1. Subparagraph (i) of paragraph (g) of subdivision 7 of section 4403-f of the public health law, as amended by section 41-b of part H of chapter 59 of the laws of 2011, is amended to read as follows:
(i) Managed long term care plans and demonstrations may enroll eligible persons in the plan or demonstration upon the completion of a comprehensive assessment that shall include, but not be limited to, an evaluation of the medical, social, cognitive, and environmental needs of each prospective enrollee in such program. This assessment shall also serve as the basis for the development and provision of an appropriate plan of care for the enrollee. Upon approval of federal waivers pursuant to paragraph (b) of this subdivision which require medical assistance recipients who require community-based long term care services to enroll in a plan, and upon approval of the commissioner, a plan may enroll an applicant who is currently receiving home and community-based services and complete the comprehensive assessment within thirty days of enrollment provided that the plan continues to cover transitional care until such time as the assessment is completed.

§ 2. This act shall take effect immediately; provided, however, that the amendments to subparagraph (i) of paragraph (g) of subdivision 7 of section 4403-f of the public health law made by section one of this act shall not affect the expiration and reversion of such subparagraph and shall be deemed to expire therewith; provided, further that the amendments to subparagraph (i) of paragraph (g) of subdivision 7 of section
Section 1. The education law is amended by adding a new section 669-h to read as follows:

§ 669-h. Excelsior scholarship. 1. Eligibility. An excelsior scholarship award shall be made to an applicant who: (a) is matriculated in an approved program leading to an undergraduate degree at a New York state public institution of higher education; (b) if enrolled in (i) a public institution of higher education prior to application, has completed at least thirty combined credits per year following the student's start date, or its equivalent, applicable to his or her program or programs of study or (ii) an institution of higher education prior to application, has completed at least thirty combined credits per year following the student's start date, or its equivalent, applicable to his or her program or programs of study and which were accepted upon transfer to a public institution of higher education; (c) enrolls in at least twelve credits per semester and completes at least thirty combined credits per year following the student's start date, or its equivalent, applicable to his or her program or programs of study except in limited circumstances as prescribed by the corporation in regulation. Notwithstanding, in the student's last semester, the student may take at least one course needed to meet his or her graduation requirements and enroll in and complete at least twelve credit hours or its equivalent. For students who are disabled as defined by the Americans With Disabilities Act of 1990, 42 USC 12101, the corporation shall prescribe rules and regulations that allow applicants who are disabled to be eligible for an award pursuant to this section based on modified criteria; (d) has an adjusted gross income, as defined in this subdivision, equal to or less than: (i) one hundred thousand dollars for recipients receiving an award in the two thousand seventeen--two thousand eighteen academic year; (ii) one hundred ten thousand dollars for recipients receiving an award in the two thousand eighteen--two thousand nineteen academic year; and (iii) one hundred twenty-five thousand dollars for recipients receiving an award in the two thousand nineteen--two thousand twenty academic year and thereafter; and (e) complies with the applicable provisions of this article and all requirements promulgated by the corporation for the administration of the program. Adjusted gross income shall be the total of the combined adjusted gross income of the applicant and the applicant's parents or the applicant and the applicant's spouse, if married, as reported on the federal income tax return, or as otherwise obtained by the corporation, for the calendar year coinciding with the tax year established by the U.S. department of education to qualify applicants for federal student financial aid programs authorized by Title IV of the Higher Education Act of nineteen hundred sixty-five, as amended, for the school year in which application for assistance is made.

2. Amount. Within amounts appropriated therefor and based on availability of funds, awards shall be granted beginning with the two thousand seventeen--two thousand eighteen academic year and thereafter to applicants that the corporation has determined are eligible to receive such awards. The corporation shall grant such awards in an amount up to five thousand five hundred dollars or actual tuition, whichever is less; provided, however, (a) a student who receives educational grants and/or
scholarships that cover the student's full cost of attendance shall not
be eligible for an award under this program; and (b) an award under this
program shall be applied to tuition after the application of payments
received under the tuition assistance program pursuant to section six
hundred sixty-seven of this subpart, tuition credits pursuant to section
six hundred eighty-nine-a of this article, federal Pell grant pursuant
to section one thousand seventy of title twenty of the United States
code, et. seq., and any other program that covers the cost of attend-
ance, and the award under this program shall be reduced in the amount
equal to such payments, provided that the combined benefits do not
exceed five thousand five hundred dollars. Upon notification of an award
under this program, the institution shall defer the amount of tuition.
Notwithstanding paragraph h of subdivision two of section three hundred
fifty-five and paragraph (a) of subdivision seven of section six thou-
sand two hundred five of this chapter, and any other law, rule or regu-
lation to the contrary, the undergraduate tuition charged by the insti-
tution to recipients of an award shall not exceed the tuition rate
established by the institution for the two thousand sixteen--two thou-
sand seventeen academic year provided, however, that in the two thousand
twenty-one--two thousand twenty-two academic year and every four years
thereafter, the undergraduate tuition charged by the institution to
recipients of an award shall be reset to equal the tuition rate estab-
lished by the institution for the forthcoming academic year, provided
further that the tuition credit calculated pursuant to section six
hundred eighty-nine-a of this article shall be applied toward the
tuition rate charged for recipients of an award under this program.
Provided further that the state university of New York and the city
university of New York shall provide an additional tuition credit to
students receiving an award to cover the remaining cost of tuition.

3. Duration. An eligible recipient shall not receive an award for more
than four academic years of full-time undergraduate study or five
academic years if the program of study normally requires five years. An
eligible recipient enrolled in an eligible two year program of study
shall not receive an award for more than two academic years. Notwith-
standing, such duration may be extended for an allowable interruption of
study including, but not limited to, death of a family member, medical
leave, military service, and parental leave, as established by the
corporation in regulation.

4. Conditions. (a) An applicant who would be eligible for a New York
state tuition assistance program award pursuant to section six hundred
sixty-seven of this subpart and/or a federal Pell grant pursuant to
section one thousand seventy of title twenty of the United States code,
et. seq., is required to apply for each such award.

(b) An applicant who has earned a bachelor's degree is ineligible to
receive an award pursuant to this section.

(c) An applicant who has earned an associate's degree is ineligible to
receive an award for a two year program of study pursuant to this
section.

(d) Notwithstanding paragraph c of subdivision four of section six
hundred sixty-one of this part, a school shall certify that a recipient
has achieved a grade point average necessary for successful completion
of his or her coursework to receive payment under the award.

(e) A recipient shall agree to reside exclusively in New York state,
and shall not be employed in any other state, for a continuous number of
years equal to the duration of the award received within six months of
receipt of his or her final award payment, and sign a contract with the
corporation to have his or her full award converted to a student loan according to a schedule to be determined by the corporation if such student fails to fulfill this requirement. The terms and conditions of this paragraph may, as established by the rules and regulations of the corporation, be deferred: (i) to complete undergraduate study; or (ii) to attend graduate school on at least a half-time basis. Any obligation to comply with such provisions as outlined in this paragraph may be cancelled upon the death of the recipient. Notwithstanding any provisions of this paragraph to the contrary, the corporation is authorized to promulgate rules and regulations to provide for the waiver or suspension of any financial obligation which would involve extreme hardship.

(f) Notwithstanding paragraph (c) of subdivision one of this section, a student who otherwise satisfies all of the requirements under this section but fails to complete at least thirty combined credits, or its equivalent, applicable to his or her program or programs of study in any year shall be eligible to receive an award payment for the first semester of such year, provided however, the student shall be ineligible for any further payments under this section.

5. Recipient selection. The president may establish: (a) an application deadline and (b) a method of selecting recipients if in any given year there are insufficient funds to cover the needs of all the applicants provided that priority shall be given to eligible applicants who are currently in attendance at a public institution of higher education.

6. Rules and regulations. The corporation is authorized to promulgate rules and regulations, and may promulgate emergency regulations, necessary for the implementation of the provisions of this section including, but not limited to, the criteria for distributing the awards, which may include a lottery or other form of random selection.

§ 2. This act shall take effect immediately.

PART III

Section 1. The education law is amended by adding a new section 667-d to read as follows:

§ 667-d. Enhanced tuition awards. 1. Recipient qualifications. a. Establishment. Enhanced tuition awards are available for students who are enrolled in approved programs in private not-for-profit degree granting institutions except those institutions set forth in paragraph b of subdivision four of section six hundred sixty-one of this part and who demonstrate the ability to complete such courses, in accordance with standards established by the commissioner; provided, that, no award shall exceed one hundred percent of the amount of tuition charged.

b. Application for other awards. A student who would be eligible for a tuition assistance program award pursuant to section six hundred sixty-seven of this subpart and/or a federal Pell grant pursuant to section one thousand seventy of title twenty of the United States code, et seq., is required to apply for each such award. Any award shall be applied to tuition after the application of payments received under the tuition assistance program pursuant to section six hundred sixty-seven of this subpart.

c. GPA requirements. Notwithstanding paragraph c of subdivision four of section six hundred sixty-one of this part, a school shall certify that a recipient has achieved a grade point average necessary for successful completion of his or her coursework to receive payment under the award.
d. Credit requirements. An award shall be made to an applicant who:
(i) if enrolled in (A) a private institution of higher education prior to application, has completed at least thirty combined credits per year following the student's start date, or its equivalent, applicable to his or her program or programs of study or (B) a public institution of higher education prior to application, has completed at least thirty combined credits per year following the student's start date, or its equivalent, applicable to his or her program or programs of study and which were accepted upon transfer to a private institution of higher education; (ii) enrolls in at least twelve credits per semester and completes at least thirty combined credits per year following the student's start date, or its equivalent, applicable to his or her program or programs of study except in limited circumstances as prescribed by the corporation in regulation. Notwithstanding, in the student's last semester, the student may take at least one course needed to meet his or her graduation requirements and enroll in and complete at least twelve credit hours or its equivalent. For students who are disabled as defined by the Americans With Disabilities Act of 1990, 42 USC 12101, the corporation shall prescribe rules and regulations that allow applicants who are disabled to be eligible for an award pursuant to this section based on modified criteria.
e. Notwithstanding paragraph d of this subdivision, a student who otherwise satisfies all of the requirements under this section but fails to complete at least thirty combined credits, or its equivalent, applicable to his or her program or programs of study in any year shall be eligible to receive an award payment for the first semester of such year, provided however, the student shall be ineligible for any further payments under this section.
f. Additional requirements. A recipient shall agree to reside exclusively in New York state, and shall not be employed in any other state, for a continuous number of years equal to the duration of the award received within six months of receipt of his or her final award payment, and sign a contract with the corporation to have his or her full award converted to a student loan according to a schedule to be determined by the corporation if such student fails to fulfill this requirement. The terms and conditions of this paragraph may, as established by the rules and regulations of the corporation, be deferred: (i) to complete undergraduate study; or (ii) to attend graduate school on at least a half-time basis. Any obligation to comply with such provisions as outlined in this paragraph may be cancelled upon the death of the recipient. Notwithstanding any provisions of this paragraph to the contrary, the corporation is authorized to promulgate rules and regulations to provide for the waiver or suspension of any financial obligation which would involve extreme hardship.
g. Failure to meet the conditions of the award shall not otherwise disqualify a student's eligibility to receive an award under section six hundred sixty-seven of this subpart.

2. Duration. No undergraduate shall be eligible for more than four academic years of study, or five academic years if the program of study normally requires five years. An undergraduate student enrolled in an eligible two-year program approved by the commissioner shall be eligible for no more than two academic years. Under no circumstances shall a student receive an award for a two-year program for more than two consecutive years of academic study or four consecutive semesters of academic study; or at a four or five-year program, for more than four consecutive years or eight consecutive semesters of academic study or
five consecutive years, or ten consecutive semesters of study if the
program normally requires five years. Notwithstanding, such duration
may be extended for an allowable interruption of study including, but
not limited to, death of a family member, medical leave, military
service, and parental leave, as established by the corporation in regu-
lation.

adjusted gross income of the applicant and the applicant's parents or
the applicant and the applicant's spouse, if married, as reported on the
federal income tax return, or as otherwise obtained by the corporation,
for the calendar year coinciding with the tax year established by the
U.S. department of education to qualify applicants for federal student
financial aid programs authorized by Title IV of the Higher Education
Act of nineteen hundred sixty-five, as amended, for the school year in
which application for assistance is made.

4. Amount. Within the amounts appropriated therefor and based on
availability of funds, awards shall be granted beginning with the two
thousand seventeen--two thousand eighteen academic year and thereafter
to applicants that the corporation has determined are eligible to
receive such awards. The amount of the award under this program shall be
such that the sum of the award plus a student's tuition assistance
program award pursuant to section six hundred sixty-seven of this
subpart plus the institution's matching award pursuant to subdivision
five of this section shall equal six thousand dollars.

5. Matching awards. Commencing with the two thousand seventeen--two
thousand eighteen academic year and thereafter, participating insti-
tutions shall credit each recipient's remaining tuition expenses in an
amount equal to the recipient's award under this section. Such credit
shall be applied after the recipient has received an institutional aid
package, if any, to ensure that this program does not reduce institu-
tional aid that would otherwise be granted.

6. Tuition. The rate of tuition charged to an individual receiving an
award shall not be increased for the duration of time that such individ-
ual receives an award.

7. College option. An institution may choose not to participate in the
program and students attending any non-participating college may still
be eligible to receive an award pursuant to section six hundred sixty-
seven of this subpart.

8. Recipient selection. The president may establish: a. an application
deadline and b. a method of selecting recipients if in any given year
there are insufficient funds to cover the needs of all the applicants
provided that priority shall be given to eligible applicants who are
currently in attendance at an institution of higher education.

9. Rules and regulations. The corporation is authorized to promulgate
rules and regulations, and may promulgate emergency regulations, neces-
sary for the implementation of the provisions of this section including,
but not limited to, the criteria for distributing the awards, which may
include a lottery or other form of random selection.
§ 2. This act shall take effect immediately.

PART JJJ

Section 1. Subparagraph 4 of paragraph h of subdivision 2 of section 355 of the education law, as amended by section 1 of part D of chapter 54 of the laws of 2016, is amended to read as follows:

(4) The trustees shall not impose a differential tuition charge based upon need or income. Except as hereinafter provided, all students enrolled in programs leading to like degrees at state-operated institutions of the state university shall be charged a uniform rate of tuition except for differential tuition rates based on state residency. Provided, however, that the trustees may authorize the presidents of the colleges of technology and the colleges of agriculture and technology to set differing rates of tuition for each of the colleges for students enrolled in degree-granting programs leading to an associate degree and non-degree granting programs so long as such tuition rate does not exceed the tuition rate charged to students who are enrolled in like degree programs or degree-granting undergraduate programs leading to a baccalaureate degree at other state-operated institutions of the state university of New York. Notwithstanding any other provision of this subparagraph, the trustees may authorize the setting of a separate category of tuition rate, that shall be greater than the tuition rate for resident students and less than the tuition rate for non-resident students, only for students enrolled in distance learning courses who are not residents of the state. Except as otherwise authorized in this subparagraph, the trustees shall not adopt changes affecting tuition charges prior to the enactment of the annual budget, provided however that:

(i) Commencing with the two thousand eleven--two thousand twelve academic year and ending in the two thousand fifteen--two thousand sixteen academic year the state university of New York board of trustees shall be empowered to increase the resident undergraduate rate of tuition by not more than three hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided however that commencing with the two thousand eleven--two thousand twelve academic year [and each year thereafter] and ending in the two thousand sixteen--two thousand seventeen academic year if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition credit for each eligible student, as determined and calculated by the New York state higher education services corporation pursuant to section six hundred eighty-nine-a of this title, shall be applied toward the tuition charged for each semester, quarter or term of study. Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term.

(ii) Commencing with the two thousand seventeen--two thousand eighteen academic year and ending in the two thousand twenty--two thousand twenty-one academic year the state university of New York board of trustees shall be empowered to increase the resident undergraduate rate of tuition by not more than two hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided, however that if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition
credit for each eligible student, as determined and calculated by the
New York state higher education services corporation pursuant to section
six hundred eighty-nine-a of this title, shall be applied toward the
tuition charged for each semester, quarter or term of study. Tuition for
each semester, quarter or term of study shall not be due for any student
eligible to receive such tuition credit until the tuition credit is
calculated and applied against the tuition charged for the corresponding
semester, quarter or term. Provided, further that the revenue resulting
from an increase in the rate of tuition shall be allocated to each
campus pursuant to a plan approved by the board of trustees to support
investments in new classroom faculty, instruction, initiatives to
improve student success and on-time completion and a tuition credit for
each eligible student.

(iii) On or before November thirtieth, two thousand eleven
seventeen, the trustees shall approve and submit to the chairs of the
assembly ways and means committee and the senate finance committee and
to the director of the budget a master tuition plan setting forth the
tuition rates that the trustees propose for resident undergraduate
students for the five year period commencing with the two-

sand eleven seventeen--two thousand twelve eighteen academic year
and ending in the two thousand fifteen twenty--two thousand sixteen
twenty-one academic year, and shall submit any proposed amendments to
such plan by November thirtieth of each subsequent year thereafter
through November thirtieth, two thousand fifteen twenty, and provided
further, that with the approval of the board of trustees, each universi-
ty center may increase non-resident undergraduate tuition rates each
year by not more than ten percent over the tuition rates of the prior
academic year for a six year period commencing with the two thousand
eleven--two thousand twelve academic year and ending in the two thousand
sixteen--two thousand seventeen academic year.

(iv) Beginning in state fiscal year two thousand twelve--two
thousand thirteen and ending in state fiscal year two thousand fifteen-
--two thousand sixteen, the state shall appropriate and make available
general fund operating support, including fringe benefits, for the state
university in an amount not less than the amount appropriated and made
available in the prior state fiscal year; provided, however, that if the
governor declares a fiscal emergency, and communicates such emergency to
the temporary president of the senate and speaker of the assembly, state
support for operating expenses at the state university and city univer-
sity may be reduced in a manner proportionate to one another, and the
aforementioned provisions shall not apply.

aforementioned provisions shall not apply; provided further, the state
shall appropriate and make available general fund support to fully fund
the tuition credit pursuant to subdivision two of section six hundred
sixty-nine-h of this title.
For the state university fiscal years commencing two thousand eleven--two thousand twelve and ending two thousand fifteen--two thousand sixteen, each university center may set aside a portion of its tuition revenues derived from tuition increases to provide increased financial aid for New York state resident undergraduate students whose net taxable income is eighty thousand dollars or more subject to the approval of a NY-SUNY 2020 proposal by the governor and the chancellor of the state university of New York. Nothing in this paragraph shall be construed as to authorize that students whose net taxable income is eighty thousand dollars or more are eligible for tuition assistance program awards pursuant to section six hundred sixty-seven of this chapter.

b. have outstanding student loan debt from obtaining such degree;
c. agree to work in a voluntary not-for-profit child welfare agency in
New York state licensed by the office of children and family services as
a child welfare worker, on a full time basis for a period of no less
than five years;
d. apply for this program within two years of college graduation; and
e. comply with subdivisions three and five of section six hundred sixty-one of this part.

3. Awards. Awards shall be granted to qualified applicants in the amount of up to ten thousand dollars per year, per applicant, not to exceed a duration of five years and not to exceed the total amount of such applicant's student loan debt. The corporation shall grant such awards within amounts appropriated for such purposes and based on the availability of funds. No one applicant shall receive more than a total of fifty thousand dollars upon the end of a five-year period.

4. Priority. First priority shall be given to applicants who have received payment of an award pursuant to this section in a prior year and remain eligible. Second priority shall be given to applicants who are completing the second, third, fourth or fifth year of full-time employment at a voluntary not-for-profit child welfare agency in New York state licensed by the office of children and family services. Third priority shall be given to an applicant who can demonstrate economic need but did not receive an award during the first year of this program's operation. If larger numbers of applicants are eligible pursuant to this subdivision than funds available, applicants shall be chosen pursuant to rules and regulations promulgated by the corporation; provided, however, that each applicant chosen shall receive an award of up to ten thousand dollars in each year such applicant is accepted into the program.

5. Rules and regulations. The corporation is authorized to promulgate rules and regulations, and may promulgate emergency regulations, necessary for the implementation of the provisions of this section.

§ 4. This act shall take effect immediately.

PART NNN

Section 1. This act enacts into law components of legislation which are necessary to implement legislation relating to workers' compensation and insurance. Each component is wholly contained within a Subpart identified as Subparts A through J. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes a reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this act sets forth the general effective date of this act.

SUBPART A

Section 1. Paragraph w of subdivision 3 of section 15 of the workers' compensation law, as amended by chapter 6 of the laws of 2007, is amended to read as follows:

w. Other cases. In all other cases of permanent partial disability, the compensation shall be sixty-six and two-thirds percent of the difference between the injured employee's average weekly wages and his or her wage-earning capacity thereafter in the same employment or otherwise. Compensation under this paragraph shall be payable during the continuance of such permanent partial disability, without the necessity for the claimant who is entitled to benefits at the time of classification to demonstrate ongoing attachment to the labor market, but subject to reconsideration of the degree of such impairment by the board on its
own motion or upon application of any party in interest however, all compensation payable under this paragraph shall not exceed (i) five hundred twenty-five weeks in cases in which the loss of wage-earning capacity is greater than ninety-five percent; (ii) five hundred weeks in cases in which the loss of wage-earning capacity is greater than ninety percent but not more than ninety-five percent; (iii) four hundred seventy-five weeks in cases in which the loss of wage-earning capacity is greater than eighty-five percent but not more than ninety percent; (iv) four hundred fifty weeks in cases in which the loss of wage-earning capacity is greater than eighty percent but not more than eighty-five percent; (v) four hundred twenty-five weeks in cases in which the loss of wage-earning capacity is greater than seventy-five percent but not more than seventy-five percent; (vi) four hundred weeks in cases in which the loss of wage-earning capacity is greater than seventy percent but not more than seventy-five percent; (vii) three hundred seventy-five weeks in cases in which the loss of wage-earning capacity is greater than sixty percent but not more than seventy percent; (viii) three hundred fifty weeks in cases in which the loss of wage-earning capacity is greater than fifty percent but not more than sixty percent; (ix) three hundred weeks in cases in which the loss of wage-earning capacity is greater than forty percent but not more than fifty percent; (x) two hundred seventy-five weeks in cases in which the loss of wage-earning capacity is greater than thirty percent but not more than forty percent; (xi) two hundred fifty weeks in cases in which the loss of wage-earning capacity is greater than fifteen percent but not more than thirty percent; and (xii) two hundred twenty-five weeks in cases in which the loss of wage-earning capacity is fifteen percent or less.

For a claimant with a date of accident or disablement after the effective date of the chapter of the laws of two thousand seventeen that amended this subdivision, where the carrier or employer has provided compensation pursuant to subdivision five of this section beyond one hundred thirty weeks from the date of accident or disablement, all subsequent weeks in which compensation was paid shall be considered to be benefit weeks for purposes of this section, with the carrier or employer receiving credit for all such subsequent weeks against the amount of maximum benefit weeks when permanent partial disability under this section is determined. In the event of payment for intermittent temporary partial disability paid after one hundred thirty weeks from the date of accident or disablement, such time shall be reduced to a number of weeks, for which the carrier will receive a credit against the maximum benefit weeks.

For a claimant with a date of accident or disablement after the effective date of the chapter of the laws of two thousand seventeen that amended this subdivision, when permanency is at issue, and a claimant has submitted medical evidence that he or she is not at maximum medical improvement, and the carrier has produced or has had a reasonable opportunity to produce an independent medical examination concerning maximum medical improvement, and the board has determined that the claimant is not yet at maximum medical improvement, the carrier shall not receive a credit for benefit weeks prior to a finding that the claimant has reached maximum medical improvement, at which time the carrier shall receive credit for any weeks of temporary disability paid to claimant after such finding against the maximum benefit weeks awarded under this subdivision. For those claimants classified as permanently partially disabled who no longer receive indemnity payments because they have surpassed their number of maximum benefit weeks, the following provisions will apply:
(1) There will be a presumption that medical services shall continue notwithstanding the completion of the time period for compensation set forth in this section and the burden of proof will lie with the carrier, self-insured employer or state insurance fund in any application before the board to discontinue or suspend such services. Medical services will continue during the pendency of any such application and any appeals thereto.

(2) The board is directed to promulgate regulations that establish an independent review and appeal by an outside agent or entity of the board's choosing of any administrative law judge's determination to discontinue or suspend medical services before a final determination of the board.

§ 2. Subdivisions 3 and 4 of section 35 of the workers' compensation law, as added by chapter 6 of the laws of 2007, the opening paragraph of subdivision 4 as further amended by section 104 of part A of chapter 62 of the laws of 2011, are amended to read as follows:

3. Extreme hardship redetermination. In cases where the loss of wage-earning capacity is greater than [eighty-seventy-five percent, a claimant may request, within the year prior to the scheduled exhaustion of indemnity benefits under paragraph w of subdivision three of section fifteen of this article, that the board reclassify the claimant to permanent total disability or total industrial disability due to factors reflecting extreme hardship.

4. Annual safety net reporting. The commissioner of labor board, in conjunction with the commissioner of labor and the superintendent of financial services, shall track all claimants who have been awarded permanent partial disability status and report annually on December first, beginning in two thousand eight, to the governor, the speaker of the assembly, the majority leader of the senate, and the chairs of the labor, ways and means and finance committees of the assembly and senate:

   (i) The number of said claimants who have:

      (1) returned to gainful employment;
      (2) been recategorized as being totally industrially disabled;
      (3) remain subject to duration limitations set forth in paragraph w of subdivision three of section fifteen of this article; and
      (4) not returned to work, and whose indemnity payments have expired.

   (ii) The additional steps the commissioner contemplates are necessary to minimize the number of workers who have neither returned to work nor been recategorized from permanent partial disability.

§ 3. Section 23 of the workers' compensation law, as amended by section 10 of part GG of chapter 57 of the laws of 2013, is amended to read as follows:

§ 23. Appeals. An award or decision of the board shall be final and conclusive upon all questions within its jurisdiction, as against the state fund or between the parties, unless reversed or modified on appeal therefrom as hereinafter provided. Any party may within thirty days after notice of the filing of an award or decision of a referee, file with the board an application in writing for a modification or rescission or review of such award or decision, as provided in this chapter. The board shall render its decision upon such application in writing and shall include in such decision a statement of the facts which formed the basis of its action on the issues raised before it on such application. Within thirty days after notice of the decision of the board upon such application has been served upon the parties, or within thirty days after notice of an administrative redetermination review decision by the
chair pursuant to subdivision five of section fifty-two, section one hundred thirty-one or section one hundred forty-one-a of this chapter has been served upon any party in interest, an appeal may be taken therefrom to the appellate division of the supreme court, third department, by any party in interest, including an employer insured in the state fund; provided, however, that any party in interest may within thirty days after notice of the filing of the board panel's decision with the secretary of the board, make application in writing for review thereof by the full board. If the decision or determination was that of a panel of the board and there was a dissent from such decision or determination other than a dissent the sole basis of which is to refer the case to an impartial specialist, or if there was a decision or determination by the panel which reduced the loss of wage earning capacity finding made by a compensation claims referee pursuant to subparagraph w of subdivision three of section fifteen of this article from a percentage at or above the percentage set forth in subdivision three of section thirty-five of this article whereby a claimant would be eligible to apply for an extreme hardship redetermination to a percentage below the threshold, the full board shall review and affirm, modify or rescind such decision or determination in the same manner as herein above provided for an award or decision of a referee. If the decision or determination was that of a unanimous panel of the board, or there was a dissent from such decision or determination the sole basis of which is to refer the case to an impartial specialist, the board may in its sole discretion review and affirm, modify or rescind such decision or determination in the same manner as herein above provided for an award or decision of a referee. Failure to apply for review by the full board shall not bar any party in interest from taking an appeal directly to the court as above provided. The board may also, in its discretion certify to such appellate division of the supreme court, questions of law involved in its decision. Such appeals and the question so certified shall be heard in a summary manner and shall have precedence over all other civil cases in such court. The board shall be deemed a party to every such appeal from its decision upon such application, and the chair shall be deemed a party to every such appeal from an administrative redetermination review decision pursuant to subdivision five of section fifty-two of this chapter. The attorney general shall represent the board and the chair thereon. An appeal may also be taken to the court of appeals in the same manner and subject to the same limitations not inconsistent herewith as is now provided in the civil practice law and rules. It shall not be necessary to file exceptions to the rulings of the board. An appeal to the appellate division of the supreme court, third department, or to the court of appeals, shall not operate as a stay of the payment of compensation required by the terms of the award or of the payment of the cost of such medical, dental, surgical, optometric or other attendance, treatment, devices, apparatus or other necessary items the employer is required to provide pursuant to section thirteen of this article which are found to be fair and reasonable. Where such award is modified or rescinded upon appeal, the appellant shall be entitled to reimbursement in a sum equal to the compensation in dispute paid to the respondent in addition to a sum equal to the cost of such medical, dental, surgical, optometric or other attendance, treatment, devices, apparatus or other necessary items the employer is required to provide pursuant to section thirteen of this article paid by the appellant pending adjudication of the appeal. Such reimbursement shall be paid from administration expenses as provided in section one hundred fifty-one of this chapter upon audit and warrant of
the comptroller upon vouchers approved by the chair. Where such award is
subject to the provisions of section twenty-seven of this article, the
appellant shall pay directly to the claimant all compensation as it
becomes due during the pendency of the appeal, and upon affirmance shall
be entitled to credit for such payments. Neither the chair, the board,
the commissioners of the state insurance fund nor the claimant shall be
required to file a bond upon an appeal to the court of appeals. Upon
final determination of such an appeal, the board or chair, as the case
may be, shall enter an order in accordance therewith. Whenever a notice
of appeal is served or an application made to the board by the employer
or insurance carrier for a modification or rescission or review of an
award or decision, and the board shall find that such notice of appeal
was served or such application was made for the purpose of delay or upon
frivolous grounds, the board shall impose a penalty in the amount of
five hundred dollars upon the employer or insurance carrier, which
penalty shall be added to the compensation and paid to the claimant. The
penalties provided herein shall be collected in like manner as compen-
sation. A party against whom an award of compensation shall be made may
appeal from a part of such award. In such a case the payment of such
part of the award as is not appealed from shall not prejudice any rights
of such party on appeal, nor be taken as an admission against such
party. Any appeal by an employer from an administrative redetermination
review decision pursuant to subdivision five of section fifty-two of
this chapter shall in no way serve to relieve the employer from the
obligation to timely pay compensation and benefits otherwise payable in
accordance with the provisions of this chapter.

Nothing contained in this section shall be construed to inhibit the
continuing jurisdiction of the board as provided in section one hundred
twenty-three of this chapter.
§ 4. This act shall take effect immediately.

SUBPART B

Section 1. Subdivision 3 of section 15 of the workers' compensation
law is amended by adding a new paragraph x to read as follows:

x. Impairment guidelines. The chair shall consult with representatives
of labor, business, medical providers, insurance carriers, and self-in-
sured employers regarding revisions to permanency impairment guidelines,
including permitting review and comment by such representatives' chosen
medical advisors, and after consultation shall, in accordance with the
state administrative procedure act, propose for public comment revised
permanency guidelines concerning medical evaluation of impairment and
the determination of permanency as set forth in paragraphs a through v
of this subdivision by September first, two thousand seventeen, with
such guidelines to be adopted by the chair by January first, two thou-
sand eighteen. The permanency impairment guidelines shall be reflective
of advances in modern medicine that enhance healing and result in better
outcomes. In the event the chair fails to adopt such permanency guide-
lines to be effective by January first, two thousand eighteen, the chair
shall adopt, by emergency regulation, permanency impairment guidelines.
The permanency impairment guidelines adopted by emergency regulation
shall be either the impairment guidelines proposed by the chair on
September first, two thousand seventeen or the permanency impairment
guidelines created by the consultant to the board and submitted to
representatives of labor, business, medical providers, insurance carri-
ers, and self-insured employers, as voted on in an emergency meeting of
the board to be held on December twenty-ninth, two thousand seventeen.
In the event the board is unable to reach a decision at such meeting, the chair shall select the permanency guidelines to be adopted by emergency regulations. Emergency regulations shall be in effect for ninety days or until such time as permanent regulations are adopted by the chair. As of January first, two thousand eighteen the 2012 permanency impairment guidelines pertaining to paragraphs a through v of subdivision three of section fifteen of this article are repealed, and shall have no effect. The board shall train adjudication and other staff to ensure timely and effective implementation.

§ 2. This act shall take effect immediately.

SUBPART C

Section 1. The workers' compensation law is amended by adding a new section 13-p to read as follows:

§ 13-p. Comprehensive prescription drug formulary. The chair shall establish a comprehensive prescription drug formulary on or before December thirty-first, two thousand seventeen. The prescription drug formulary shall include a tiered list of high-quality, cost-effective medications that are pre-approved to be prescribed and dispensed, as well as additional non-preferred drugs that can be prescribed with prior approval. Such prescription drug formulary shall include but not be limited to implementation of a pharmacy reimbursement strategy, administration of a prescription drug rebate program for formulary drugs, a pre-approval program, drug utilization review, and limitations on the prescribing of compounded medications and compounded topical preparations. The board shall promulgate regulations to permit an interested party to submit a request to the medical director of the board to alter or amend the formulary to consider changing the status of a drug from non-preferred to preferred. Regulations may include a provision for reasonable costs and fees associated with the review.

§ 2. This act shall take effect immediately.

SUBPART D

Section 1. Paragraph (a) of subdivision 2 of section 25 of the workers' compensation law, as amended by chapter 635 of the laws of 1996, is amended to read as follows:

(a) In case the employer decides to controvert the right to compensation, it shall, either on or before the eighteenth day after disability or within ten days after it has knowledge of the alleged accident, whichever period is the greater, file a notice with the chair, on a form prescribed by the chair, that compensation is not being paid, giving the name of the claimant, name of the employer, date of the alleged accident and the reason why compensation is not being paid. When a claim for compensation is filed with medical evidence of work related injury or illness, and the claimant is disabled and not working, and the claimant is otherwise entitled to compensation, and the employer is not making payment to the claimant as required herein, and the employer has not controverted the claim, and the efforts to resolve the issue with the carrier have not been successful, the claimant may request, in the format prescribed by the chair, a hearing to be held within forty-five days of the board's receipt of such request.

If the insurance carrier shall fail either to file notice of controversy or begin payment of compensation within the prescribed period or
within ten days after receipt of a copy of the notice required in section one hundred ten of this chapter, whichever period is the greater, the board may, after a hearing, impose a penalty in the amount of three hundred dollars, which shall be in addition to all other penalties provided for in this chapter and shall be paid to the claimant. Such penalty shall be collected in like manner as an award of compensation.

§ 2. Subdivision 3 of section 25 of the workers' compensation law is amended by adding a new paragraph (g) to read as follows:

(g) Notwithstanding any other provision in this chapter, the chair may by regulation elect to establish a performance standard concerning the subject of any penalty or assessment provision applicable to an insurance carrier or self-insured employer, where such penalty or assessment is remittable to the New York state treasury, or chair, but not to claimants or any other payee or fund, and impose a single penalty or assessment upon the failure to meet that promulgated standard, with notice to the carrier or self-insured employer. The penalty or assessment imposed in the aggregate shall be payable to the chair. Such aggregate penalty or assessment shall be based upon the number of violations as multiplied against the applicable penalty or assessment, but may be negotiated by the chair's designee in full satisfaction of the penalty or assessment. A final agreement between the chair's designee and the carrier or self-insured employer may be submitted and approved subject to section thirty-two of this article, without notice to any claimant. Any aggregate penalty or assessment issued herein shall be issued administratively, and the board, and the chair may, by regulation, specify the method of review or redetermination, and the presentation of evidence and objections shall occur solely upon the documentation. The carrier or self-insured employer shall receive credit for any instances in which the aggregate penalty or assessment is inclusive of a penalty or assessment previously issued and paid in an individual claim or proceeding. A final determination is subject to review under section twenty-three of this article, except that no stay in payment of the penalty or assessment shall apply pending the outcome of the application for administrative review. Failure to pay the finally determined penalty or assessment, or the penalty or assessment agreed upon pursuant to section thirty-two of this article, within ten days of filing, shall result in the imposition of a twenty-percent penalty, payable to the chair. In the event of the carrier or self-insured employer instituting or continuing an issue without reasonable grounds, the provisions of subdivision three of section one hundred fourteen-a of this chapter shall be applicable. Aggregate penalties shall be borne exclusively by insurance carriers and licensed representatives pursuant to subdivision three-b of section fifty of this article and the costs shall not be passed to insured employers.

§ 3. This act shall take effect immediately.

SUBPART E

Section 1. Subdivision 3 of section 50 of the workers' compensation law, as amended by section 3 of part G of chapter 57 of the laws of 2011, the closing paragraph as further amended by section 104 of part A of chapter 62 of the laws of 2011, is amended to read as follows:

3. By furnishing satisfactory proof to the chair of his financial ability to pay such compensation for himself, or to pay such compensation on behalf of a group of employers in accordance with subdivision ten of this section, in which case the chair shall require the deposit
with the chair of such securities as the chair may deem necessary of the kind prescribed in subdivisions one, two, three, four and five, and subparagraph (a) of paragraph three of subdivision seven of section two hundred thirty-five of the banking law, or the deposit of cash, or the filing of irrevocable letters of credit issued by a qualified banking institution as defined by rules promulgated by the chair or the filing of a bond of a surety company authorized to transact business in this state, in an amount to be determined by the chair, or the posting and filing as aforesaid of a combination of such securities, cash, irrevocable letters of credit and surety bond in an amount to be determined by the chair, to secure his liability to pay the compensation provided in this chapter. Any such surety bond must be approved as to form by the chair. If an employer or group of employers posts and files a combination of securities, cash, irrevocable letters of credit and surety bond as aforesaid, and if it becomes necessary to use the same to pay the compensation provided in this chapter, the chair shall first use such securities or cash or irrevocable letters of credit and, when the full amount thereof has been exhausted, he shall then require the surety to pay forthwith to the chair all or any part of the penal sum of the bond for that purpose. The chair may also require an agreement on the part of the employer or group of employers to pay any awards commuted under section twenty-seven of this chapter, into the special fund of the state fund, as a condition of his being allowed to remain uninsured pursuant to this section. The chair shall have the authority to deny the application of an employer or group of employers to pay such compensation for himself or to revoke his consent furnished, under this section at any time, for good cause shown. The employer or group of employers qualifying under this subdivision shall be known as a self-insurer.

If for any reason the status of an employer or group of employers under this subdivision is terminated, the securities or the surety bond, or the securities, cash, or irrevocable letters of credit and surety bond, on deposit referred to herein shall remain in the custody of the chair for such time as the chair may deem proper and warranted under the circumstances. In lieu thereof, and at the discretion of the chair, the employer, his or her heirs or assigns or others carrying on or liquidating such business, may execute an assumption of workers' compensation liability insurance policy [securing] as described herein. Separately, the chair may execute an assumption of workers' compensation liability insurance policy as described herein on behalf of the special funds created under the provisions of subdivisions eight and nine of section fifteen and section twenty-five-a of this chapter, and notwithstanding any provision to the contrary the chair may execute an assumption of workers' compensation liability insurance policy on behalf of the uninsured employers' fund. An assumption of workers' compensation liability policy referred to herein shall secure such further and future contingent liability as may directly or indirectly arise from prior injuries to workers and be incurred by reason of any change in condition of such workers warranting the board making subsequent awards for payment of additional compensation. Such policy shall be in a form approved by the superintendent of financial services and issued by the state fund or any insurance company licensed to issue this class of insurance in this state or, upon application by the chair, any other insurance company deemed by the superintendent of financial services to be an acceptable issuer. In the event that such policy is issued by an insurance company other than the state fund, then said policy shall be deemed of the kind specified in paragraph fifteen of subsection (a) of section one thousand
one hundred thirteen of the insurance law and covered by the workers' compensation security fund as created and governed by article six-A of this chapter. It shall only be issued for a single complete premium payment in advance [by the employer or group of employers] and in an amount deemed acceptable by the chair and the superintendent of financial services. In lieu of the applicable premium charge ordinarily required to be imposed by a carrier, said premium shall include a surcharge in an amount to be determined by the chair to: (i) satisfy all assessment liability due and owing to the board and/or the chair under this chapter; and (ii) satisfy all future assessment liability under this section, and which surcharge shall be adjusted from time to time to reflect any changes to the assessment of group self-insured employers, including any changes enacted by the chapter of the laws of two thousand eleven amending sections fifteen and one hundred fifty-one of this chapter. Said surcharge shall be payable to the board simultaneous to the execution of the assumption of workers' compensation liability insurance policy. However, the payment of said surcharge does not relieve the carrier from any other liability, including liability owed to the superintendent of financial services pursuant to article six-A of this chapter. When issued such policy shall be non-cancellable without recourse for any cause during the continuance of the liability secured and so covered.

§ 1-a. Subparagraph (b) of paragraph 2 of subdivision 3-a of section 50 of the workers' compensation law, as amended by section 4 of part G of chapter 57 of the laws of 2011, is amended to read as follows:

(b) Where such plan is adopted the group self-insurer shall furnish satisfactory proof to the chair of its financial ability to pay such compensation for the members in the industry covered by it, its revenues, their source and assurance of continuance. The chair shall require the deposit with the chair of such securities as may be deemed necessary of the kind prescribed in subdivisions one, two, three, four and five, and subparagraph (a) of paragraph three of subdivision seven of section two hundred thirty-five of the banking law or the deposit of cash or the filing of irrevocable letters of credit issued by a qualified banking institution as defined by rules promulgated by the chair or the filing of a bond of a surety company authorized to transact business in this state, in an amount to be determined to secure its liability to pay the compensation of each employer as above provided. Such surety bond must be approved as to form by the chair. The chair shall require each group self-insurer to provide regular reports no less than annually, which shall include but not be limited to audited financial statements, actuarial opinions and payroll information containing proof that it is fully funded. Such reports shall also include a contribution year analysis detailing contributions and expenses associated with each specific contribution year. For purposes of this paragraph, proof that a group self-insurer is fully funded shall at a minimum include proof of unrestricted cash and investments permitted by regulation of the chair of at least one hundred percent of the total liabilities, including the estimate presented in the actuarial opinion submitted by the group self-insurer in accordance with this chapter. The chair by regulation, may set further financial standards for group self-insurers. Any group self-insurer that fails to show that it is fully funded shall be deemed under-funded, and must submit a plan for achieving fully funded status which may include a deficit assessment on members of such group self-insurer which shall be subject to approval or modification by the chair. The amount of such under-funding, as measured by the actuarial opinion or
assumption of loss policy quotation submitted by the group, shall be considered unfunded claims as set forth in subdivision two of section sixteen hundred eighty-q of the public authorities law as added by section 35 of Part GG of chapter 57 of the laws of 2013.

§ 2. Subdivision (i) of section 32 of the workers' compensation law, as added by chapter 6 of the laws of 2007, paragraph 5 as further amended by section 104 of part A of chapter 62 of the laws of 2011, is amended to read as follows:

(i) (1) The waiver agreement management office may contract with an insurance carrier, self-insured employer, state insurance fund or any third party to assume liability for, manage, administer, or settle claims on its behalf, so long as (A) such contract is approved by the special disability fund advisory committee and (B) such third party shall agree to be subject to any guidelines or directives as the chair may issue.

(2) The chair may, with approval of the special disability fund advisory committee and on such terms as the committee deems appropriate, shall have discretion to procure one or more private entities to assume the liability for and manage, administer, or settle all or a portion of the claims in the special disability fund including, without limitation, by obtaining "an assumption of workers' compensation liability insurance policy" as defined in subdivision three of section fifty of this chapter. Any such policy shall expressly provide and, notwithstanding any other provision of law, operate to release from any further liability (i) the special disability fund and (ii) the insurance carrier, including as the case may be the state insurance fund, originally liable for any claim covered by the assumption of workers' compensation liability insurance policy securing such further and future contingent liability as may arise from any such claim, including from prior injuries to employees and be incurred by reason of any change in the condition of such employees for payment of additional compensation. Nonetheless the chair of the workers' compensation board may approve such waiver agreement, or before the office may enter into any such policy of waiver agreement, or before the board may approve such waiver agreement. Any such procurement shall be conducted in accordance with state finance law, except as otherwise set forth below. The chair shall not award any contract that has not been approved by the special disability fund advisory committee. Notwithstanding the foregoing, the chair of the workers' compensation board may, if approved by the special disability fund advisory committee, and on such terms as the committee deems appropriate:

(A) waive any informality in a bid, and either reject all bids and again advertise for bids, or interview at least two responsible qualified bidders and negotiate and enter into a contract with one or more of such bidders; or

(B) group claims to be assigned, in whole or in part, based on the insurance carrier, self-insured employer or state insurance fund that is receiving or will receive reimbursement on those claims from the second disability fund. Such grouping shall be permissible notwithstanding that any insurance carrier may have greater access to information, or may be able to provide better terms, in regard to claims so grouped.

(3) Any such contract shall expressly provide that the special disability fund is no longer liable for the claims covered by the contract, and require security of either cash, an indemnity policy, or such security as is otherwise sufficient to cover any losses incurred as a result
of the failure or default of the entity or entities awarded any such
contract, including as a result of the insolveney of any such entity.
The chair may waive all or part of such security, and may impose other
reasonable methods of insuring payment, upon approval of the special
disability fund advisory committee.] Any policy executed by the chair
pursuant to this section shall be in the form of an assumption of work-
ners' compensation liability insurance policy securing such further and
future contingent liability as may arise from any claim covered by such
policy, including prior injuries to workers and be incurred by reason of
any change in the condition of such workers warranting the board making
subsequent awards for payment of additional compensation. Such policy
shall be in a form approved by the superintendent of financial services
and issued by the state insurance fund or any insurance company licensed
to issue this class of insurance in this state, or deemed acceptable as
an issuer upon application by the chair to the superintendent as speci-
fied in subdivision three of section fifty of this chapter. In the event
that such policy is issued by an insurance company other than the state
insurance fund, then said policy shall be deemed of the kind specified
in paragraph fifteen of subsection (a) of section one thousand one
hundred thirteen of the insurance law and covered by the workers'
compensation security fund as created and governed by article six-a of
this chapter. Such policy shall only be issued for a single complete
premium paid in advance and in an amount deemed acceptable by the chair
and the superintendent of financial services. When issued such policy
shall be noncancellable without recourse for any cause during the
continuance of the liability secured and so covered.

(4) Notwithstanding any other provision of this article, the waiver
agreement management office may request in writing any information rele-
vant to its entry into or management of waiver agreements from (A) any
insurance carrier, employer, or the state insurance fund, if that entity
has submitted a claim for reimbursement from the special disability fund
as to the claimant to whom the information relates; or (B) the special
funds conservation committee. The party to whom the request is made
shall provide the requested information within fourteen days of the
request, unless before that date it files an objection with the board to
any information which is subject to a recognized privilege or whose
production is otherwise barred by law. The objecting party shall provide
the requested information within five business days of the board's
rejection of its objection.

(5) No carrier, self-insured employer or the state insurance fund
shall assume the liability for, or management, administration or settle-
ment of any claims under this section on which it holds reserves, beyond
such reserves as are permitted by regulation of the superintendent of
financial services for purposes of this provision. No carrier may assume
liability for any claims in the special disability fund under this para-
graph unless the carrier maintains, on a stand alone basis, separate
from its parent or any affiliated entities, an interactive financial

§ 4. Section 4 of part F of chapter 60 of the laws of 2015 constituting the infrastructure investment act, is amended to read as follows:

§ 4. An entity selected by an authorized state entity to enter into a design-build contract shall be selected through a two-step method, as follows:

(a) Step one. Generation of a list of entities that have demonstrated the general capability to perform the design-build contract. Such list shall consist of a specified number of entities, as determined by an authorized state entity, and shall be generated based upon the authorized state entity's review of responses to a publicly advertised request for qualifications. The authorized state entity's request for qualifications shall include a general description of the project, the maximum number of entities to be included on the list, and the relative weight of each criteria to be used in generating the list. Such selection criteria shall include the qualifications and experience of the design and construction team, organization, demonstrated responsibility, ability of the team or of a member or members of
the team to comply with applicable requirements, including the provisions of articles 145, 147 and 148 of the education law, past record of compliance with the labor law, and such other qualifications the authorized state entity deems appropriate which may include but are not limited to project understanding, financial capability and record of past performance. The authorized state entity shall evaluate and rate all entities responding to the request for qualifications. Based upon such ratings, the authorized state entity shall list the entities that shall receive a request for proposals in accordance with subdivision (b) of this section. To the extent consistent with applicable federal law, the authorized state entity shall consider, when awarding any contract pursuant to this section, the participation of: (i) firms certified pursuant to article 15-A of the executive law as minority or women-owned businesses and the ability of other businesses under consideration to work with minority and women-owned businesses so as to promote and assist participation by such businesses; and (ii) small business concerns identified pursuant to subdivision (b) of section 139-g of the state finance law.

(b) Step two. Selection of the proposal which is the best value to the [state] authorized state entity. The authorized state entity shall issue a request for proposals to the entities listed pursuant to subdivision (a) of this section. If such an entity consists of a team of separate entities, the entities that comprise such a team must remain unchanged from the entity as listed pursuant to subdivision (a) of this section unless otherwise approved by the authorized state entity. The request for proposals shall set forth the project's scope of work, and other requirements, as determined by the authorized state entity. The request for proposals shall specify the criteria to be used to evaluate the responses and the relative weight of each such criterion. Such criteria shall include the proposal's cost, the quality of the proposal's solution, the qualifications and experience of the design-build entity, and other factors deemed pertinent by the authorized state entity, which may include, but shall not be limited to, the proposal's project implementation, ability to complete the work in a timely and satisfactory manner, maintenance costs of the completed project, maintenance of traffic approach, and community impact. Any contract awarded pursuant to this act shall be awarded to a responsive and responsible entity that submits the proposal, which, in consideration of these and other specified criteria deemed pertinent to the project, offers the best value to the [state] authorized state entity, as determined by the authorized state entity. The request for proposals shall include a statement that entities shall designate in writing those portions of the proposal that contain trade secrets or other proprietary information that are to remain confidential; that the material designated as confidential shall be readily separable from the entity's proposal. Nothing herein shall be construed to prohibit the authorized entity from negotiating final contract terms and conditions including cost. All proposals submitted shall be scored according to the criteria listed in the request for proposals and such final scores shall be published on the authorized state entity's website.

On the basis of such analysis, the additional percentage of annual wages provided for herein shall be adjusted to equal one percent of annual wages plus any amount by which the employee contribution calculated in such analysis exceeds 2.2 percent of annual wages, provided, however, that in no event shall the additional percentage of annual wages exceed 3 percent.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:
PROVISIONS OF PROPOSED LEGISLATION: The proposed legislation would amend provisions of the Retirement and Social Security Law (RSSL) to permit existing New York City Police Pension Fund (POLICE) Tier 3 and Revised Tier 3 POLICE Members to elect to join the RSSL Article 14 Enhanced Plan, and require participation for those POLICE Members who become subject to Article 14 on or after April 1, 2017. The Enhanced Plan provides changes to Accidental Disability Retirement (ADR) and Ordinary Disability Retirement (ODR) benefits, and includes a formula for adjusting increased contribution rates within defined parameters. The proposed legislation would also allow eligible POLICE Members to utilize applicable statutory presumptions for purposes of ADR.

The Effective Date of the proposed legislation would be the date of enactment.

For purposes of this Fiscal Note, all POLICE members subject to Article 14 of the RSSL will be referred to as "Tier 3 POLICE Members." Tier 3 POLICE Members who have a date of membership prior to April 1, 2012 will be referred to as "Original Tier 3 POLICE Members." Tier 3 POLICE Members who have a date of membership on or after April 1, 2012 will be referred to as "Revised Tier 3 POLICE Members."

Tier 3 POLICE Members who are Members prior to April 1, 2017 would have the option of remaining under the current benefit structure or irrevocably electing, within 120 days of the effective date of the proposed legislation, to be covered under the benefit structure contained in the proposed legislation. Tier 3 POLICE Members who become Members on and after April 1, 2017 would be subject to the benefit structure contained in the proposed legislation. Tier 3 POLICE Members who elect the benefits of this proposed legislation, and Tier 3 POLICE Members who are subject to mandatory participation, are referred to as "POLICE Enhanced Plan Members."

POLICE Enhanced Plan Members would, in addition to paying the current contribution rate of 3% of annual wages, be required to contribute additional contributions initially at 1% of annual wages and, in the future, ranging from 1% to 3% of annual wage depending on specified future cost calculations of providing POLICE Enhanced Plan benefits.

CURRENT ODR BENEFITS PAYABLE: The current ODR benefits for Tier 3 POLICE Members are equal to the greater of:
* 33 1/3% of Final Average Salary (FAS), or
* 2% of FAS multiplied by years of credited service (not in excess of 22 years),
Reduced by:
* 50% of the Primary Social Security Disability benefits (determined under RSSL Section 511), and
* 100% of Workers' Compensation benefits (if any).
FAS is a Three-Year Average (FAS3) for Original Tier 3 POLICE Members and a Five-Year Average (FAS5) for Revised Tier 3 POLICE Members. It is the understanding of the Actuary that POLICE Members are not covered by Workers' Compensation.

IMPACT ON ODR BENEFITS PAYABLE: Under the proposed legislation, the ODR benefits for POLICE Enhanced Plan Members would be revised to be equal to the greater of:

* 33 1/3% of FAS5, or
* 2% of FAS5 multiplied by years of credited service (not in excess of 22 years).

Reduced by:

* 100% of Workers' Compensation benefits (if any).

It is the understanding of the Actuary that POLICE Members are not covered by Workers' Compensation.

Eligibility for ODR benefits for Enhanced Plan Members would remain the same.

In addition, the proposed legislation would not apply the Escalation available under RSSL Section 510 to ODR benefits for POLICE Enhanced Plan Members. However, such ODR benefits would still be eligible for Cost-of-Living Adjustments (COLA) under Chapter 125 of the Laws of 2000.

CURRENT ADR BENEFITS PAYABLE: The current ADR benefits for Tier 3 POLICE Members is equal to:

* 50% multiplied by FAS,
Reduced by:

* 50% of Primary Social Security disability benefit or Primary Social Security benefits, whichever begins first (determined under RSSL Section 511), and
* 100% of Workers' Compensation benefits (if any).

FAS is a FAS3 for Original Tier 3 POLICE Members and a FAS5 for Revised Tier 3 POLICE Members.

It is the understanding of the Actuary that POLICE Members are not covered by Workers' Compensation.

IMPACT ON ADR BENEFITS PAYABLE: Under the proposed legislation, the eligibility requirements for ADR benefits for POLICE Enhanced Plan Members would be the same as current Tier 3 POLICE Members. However, these Members would also become eligible to utilize applicable statutory presumptions (e.g., certain heart conditions) for purposes of ADR.

Under the proposed legislation, the ADR benefits for Enhanced Plan Members would be revised to equal a retirement allowance of:

* 75% multiplied by FAS5,
Reduced by:

* 100% of Workers' Compensation benefits (if any).

It is the understanding of the Actuary that POLICE Members are not covered by Workers' Compensation.

In addition, the proposed legislation would not apply the Escalation available under RSSL Section 510 to ADR benefits for Enhanced Plan Members. However, such ADR benefits would still be eligible for COLA under Chapter 125 of the Laws of 2000.

FINANCIAL IMPACT - CHANGES IN PROJECTED ACTUARIAL PRESENT VALUE OF FUTURE EMPLOYER CONTRIBUTIONS AND PROJECTED EMPLOYER CONTRIBUTIONS: For purposes of this Fiscal Note, it is assumed that the changes in the Actuarial Present Value (APV) of benefits (APVB), APV of member contributions, the Unfunded Actuarial Accrued Liability (UAAL) and APV of future employer contributions would be reflected for the first time in the June 30, 2016 actuarial valuation of POLICE. Under the One-Year Lag Methodology (OYLM), the first year in which changes in benefits for
Enhanced Plan Members could impact employer contributions to POLICE would be Fiscal Year 2018.

The estimated increases in employer contributions shown in Table 1 are based upon the following projection assumptions:

* Level workforce (i.e., new employees are hired to replace those who leave active status).
* Salary increases consistent with those used in projections to be presented to the New York City Office of Management and Budget in April, 2017 (Preliminary Projections).
* New entrant salaries consistent with those used in the Preliminary Projections.

OTHER COSTS: Not measured in this Fiscal Note are the following:

* The initial, additional administrative costs of POLICE to implement the proposed legislation.
* The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.

CENSUS DATA: The starting census data used for the calculations presented herein is the census data used in the Preliminary June 30, 2016 (Lag) actuarial valuation of POLICE to determine the Preliminary Fiscal Year 2018 employer contributions.

The 3,211 Original Tier 3 POLICE members who have a date of membership prior to April 1, 2012 had an average age of approximately 31.3, average service of approximately 5.2 years and an average salary of approximately $87,300 as of June 30, 2016. The 7,998 Revised Tier 3 POLICE Members who have a date of membership on or after April 1, 2012 had an average age of approximately 28.4, average service of approximately 1.8 years and an average salary of approximately $58,400 as of June 30, 2016.

ACTUARIAL ASSUMPTIONS AND METHODS: The additional employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the Preliminary June 30, 2016 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2018 employer contributions.

In determining the change in employer contributions, the probabilities of accidental disability used for Tier 3 POLICE members equal those currently used for Tier 2 POLICE members who are not eligible for World Trade Center benefits.

It has been further assumed that all Tier 3 POLICE members who became members prior to April 1, 2017 will choose the new disability provisions.

The actuarial valuation methodology does not include a calculation of the value of an offset for Workers' Compensation benefits for Tier 3 POLICE members as it is the understanding of the Actuary that these members are not covered by such benefits.

Employer contributions under current methodology have been estimated assuming the additional APVB would be financed through future normal contributions including an amortization of the new UAAL attributable to this proposed legislation over a 15-year period (14 payments under the OYLM Methodology).

New entrants were projected to replace the members expected to leave the active population to maintain a steady-state population.

For purposes of estimating the financial impact of the changes described above, an assumed Escalation rate of 2.5% was used for current Tier 3 Police Member benefits, which is consistent with the underlying Consumer Price Inflation (CPI) assumption of 2.5% per year. Consistent with Chapter 125 of the Laws of 2000, a COLA rate of 1.5% per year (i.e., 50% of CPI adjusted to recognize a 1.0% minimum and 3.0% maximum)
on the first $18,000 of benefit was assumed for purposes of valuing proposed Enhanced Plan benefits.

In accordance with ACNY Section 13.638.2(k-2), new UAAL attributable to benefit changes are to be amortized as determined by the Actuary but generally over the remaining working lifetime of those impacted by the benefit changes. As of June 30, 2016, the remaining working lifetime of the Tier 3 POLICE members is approximately 18 years. Recognizing that this period will decrease over time as the group of Enhanced Plan Members matures, the Actuary would likely choose to amortize the new UAAL attributable to this proposed legislation over a 15-year to 20-year period (between 14 and 19 payments under the OYLM Methodology). For purposes of this Fiscal Note, the Actuary has elected to amortize the change in UAAL over a 15-year period (14 payments).

Table 1 presents an estimate of the increases in the APV of future employer contributions and in employer contributions to POLICE for Fiscal Years 2018 through 2022 due to the changes in ODR and ARD provisions for Enhanced Plan Members based on the applicable actuarial assumptions and methods noted herein:

tures, marketing and advertising, grants, awards and loans. Such
comprehensive report shall include aggregate totals for each economic
development program administered by the New York state urban development
corporation and the department, including but not limited to program
progress, program participation rates, economic impact, regional
distribution, industry trends, and any other information deemed neces-
sary by the commissioner. The department shall prominently post the
comprehensive economic development report on its website no later than
January first of each year.

§ 2. Section 438 of the economic development law is REPEALED.

§ 3. Subdivision 1 of section 433 of the economic development law, as
added by section 1 of part A of chapter 68 of the laws of 2013, is
amended to read as follows:

1. In order to participate in the START-UP NY program, a business must
satisfy all of the following criteria.
(a) The mission and activities of the business must align with or
further the academic mission of the campus, college or university spon-
soring the tax-free NY area in which it seeks to locate, and the busi-
ess's participation in the START-UP NY program must have positive
community and economic benefits.
(b) The business must demonstrate that it will, in its first year of
operation, create net new jobs. After its first year of operation, the
business must maintain net new jobs. In addition, the average number of
employees of the business and its related persons in the state during
the year must equal or exceed the sum of: (i) the average number of
employees of the business and its related persons in the state during
the year immediately preceding the year in which the business submits
its application to locate in a tax-free NY area; and (ii) net new jobs
of the business in the tax-free NY area during the year. The average
number of employees of the business and its related persons in the state
shall be determined by adding together the total number of employees of
the business and its related persons in the state on March thirty-first,
June thirtieth, September thirtieth and December thirty-first and divid-
ing the total by the number of such dates occurring within such year.
(c) Except as provided in paragraphs [(g)] [(f)] [(h)] [(g)] of this
subdivision, at the time it submits its application for the START-UP NY

(d) The business may be organized as a corporation, a partnership,
limited liability company or a sole proprietorship.
[(e)] Upon completion of its first year in the START-UP NY program and
thereafter, the business must complete and timely file the annual report
required under section four hundred thirty-eight of this article.
[(f)] Except as provided in paragraphs [(g)] [(f)] [(h)] [(g)] of
this subdivision, the business must not be engaged in a line of business
that is currently or was previously conducted by the business or a
related person in the last five years in New York state.
[(g)] If a business does not satisfy the eligibility standard set
forth in paragraph (c) or [(f)] [(e)] of this subdivision, because at one
point in time it operated in New York state but moved its operations out
of New York state on or before June first, two thousand thirteen, the
commissioner shall grant that business permission to apply to partic-
ipate in the START-UP NY program if the commissioner determines that the
business has demonstrated that it will substantially restore the jobs in
New York state that it previously had moved out of state.
[(h)] [(g)] If a business seeks to expand its current operations in New
York state into a tax-free NY area but the business does not qualify as
a new business because it does not satisfy the criteria in paragraph (c)
of subdivision six of section four hundred thirty-one of this article or
the business does not satisfy the eligibility standard set forth in
paragraph [(f)] [(e)] of this subdivision, the commissioner shall grant
the business permission to apply to participate in the START-UP NY program if the commissioner determines that the business has demonstrated that it will create net new jobs in the tax-free NY area and that it or any related person has not eliminated any jobs in the state in connection with this expansion.

§ 4. This act shall take effect immediately.

PART VVV

Section 1. Section 60.45 of the criminal procedure law is amended by adding a new subdivision 3 to read as follows:

3. (a) Where a person is subject to custodial interrogation by a public servant at a detention facility, the entire custodial interrogation, including the giving of any required advice of the rights of the individual being questioned, and the waiver of any rights by the individual, shall be recorded by an appropriate video recording device if the interrogation involves a class A-1 felony, except one defined in article two hundred twenty of the penal law; felony offenses defined in section 130.95 and 130.96 of the penal law; or a felony offense defined in article one hundred twenty-five or one hundred thirty of such law that is defined as a class B violent felony offense in section 70.02 of the penal law. For purposes of this paragraph, the term "detention facility" shall mean a police station, correctional facility, holding facility for prisoners, prosecutor's office or other facility where persons are held in detention in connection with criminal charges that have been or may be filed against them.

(b) No confession, admission or other statement shall be subject to a motion to suppress pursuant to subdivision three of section 710.20 of this chapter based solely upon the failure to video record such interrogation in a detention facility as defined in paragraph (a) of this subdivision. However, where the people offer into evidence a confession, admission or other statement made by a person in custody with respect to his or her participation or lack of participation in an offense specified in paragraph (a) of this subdivision, that has not been video recorded, the court shall consider the failure to record as a factor, but not as the sole factor, in accordance with paragraph (c) of this subdivision in determining whether such confession, admission or other statement shall be admissible.

(c) Notwithstanding the requirement of paragraph (a) of this subdivision, upon a showing of good cause by the prosecutor, the custodial interrogation need not be recorded. Good cause shall include, but not be limited to:

(i) If electronic recording equipment malfunctions.

(ii) If electronic recording equipment is not available because it was otherwise being used.

(iii) If statements are made in response to questions that are routinely asked during arrest processing.

(iv) If the statement is spontaneously made by the suspect and not in response to police questioning.

(v) If the statement is made during an interrogation that is conducted when the interviewer is unaware that a qualifying offense has occurred.

(vi) If the statement is made at a location other than the "interview room" because the suspect cannot be brought to such room, e.g., the suspect is in a hospital or the suspect is out of state and that state is not governed by a law requiring the recordation of an interrogation.
(vii) If the statement is made after a suspect has refused to participate in the interrogation if it is recorded, and appropriate effort to document such refusal is made.

(viii) If such statement is not recorded as a result of an inadvertent error or oversight, not the result of any intentional conduct by law enforcement personnel.

(ix) If it is law enforcement's reasonable belief that such recording would jeopardize the safety of any person or reveal the identity of a confidential informant.

(x) If such statement is made at a location not equipped with a video recording device and the reason for using that location is not to subvert the intent of the law. For purposes of this section, the term "location" shall include those locations specified in paragraph (b) of subdivision four of section 305.2 of the family court act.

(d) In the event the court finds that the people have not shown good cause for the non-recording of the confession, admission, or other statement, but determines that a non-recorded confession, admission or other statement is nevertheless admissible because it was voluntarily made then, upon request of the defendant, the court must instruct the jury that the people's failure to record the defendant's confession, admission or other statement as required by this section may be weighed as a factor, but not as the sole factor, in determining whether such confession, admission or other statement was voluntarily made, or was made at all.

(e) Video recording as required by this section shall be conducted in accordance with standards established by rule of the division of criminal justice services.

§ 2. Subdivision 3 of section 344.2 of the family court act is renumbered subdivision 4 and a new subdivision 3 is added to read as follows:

3. Where a respondent is subject to custodial interrogation by a public servant at a facility specified in subdivision four of section 305.2 of this article, the entire custodial interrogation, including the giving of any required advice of the rights of the individual being questioned, and the waiver of any rights by the individual, shall be recorded and governed in accordance with the provisions of paragraphs (a), (b), (c), (d) and (e) of subdivision three of section 60.45 of the criminal procedure law.

§ 3. Section 60.25 of the criminal procedure law, subparagraph (ii) of paragraph (a) of subdivision 1 as amended by chapter 479 of the laws of 1977, is amended to read as follows:

§ 60.25 Rules of evidence; identification by means of previous recognition, in absence of present identification.

1. In any criminal proceeding in which the defendant's commission of an offense is in issue, testimony as provided in subdivision two may be given by a witness when:

(a) Such witness testifies that:

(i) He or she observed the person claimed by the people to be the defendant either at the time and place of the commission of the offense or upon some other occasion relevant to the case; and

(ii) On a subsequent occasion he or she observed, under circumstances consistent with such rights as an accused person may derive under the constitution of this state or of the United States, a person or, where the observation is made pursuant to a blind or blinded procedure as defined in paragraph (c) of this subdivision, a pictorial, photographic, electronic, filmed or video recorded reproduction of a person whom he or
She recognized as the same person whom he or she had observed on the first or incriminating occasion; and

(iii) He or she is unable at the proceeding to state, on the basis of present recollection, whether or not the defendant is the person in question; and

(b) It is established that the defendant is in fact the person whom the witness observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction the witness observed and recognized on the second occasion. Such fact may be established by testimony of another person or persons to whom the witness promptly declared his or her recognition on such occasion and by such pictorial, photographic, electronic, filmed or video recorded reproduction.

(c) For purposes of this section, a "blind or blinded procedure" is one in which the witness identifies a person in an array of pictorial, photographic, electronic, filmed or video recorded reproductions under circumstances where, at the time the identification is made, the public servant administering such procedure: (i) does not know which person in the array is the suspect, or (ii) does not know where the suspect is in the array viewed by the witness. The failure of a public servant to follow such a procedure shall be assessed solely for purposes of this article and shall result in the preclusion of testimony regarding the identification procedure as evidence in chief, but shall not constitute a legal basis to suppress evidence made pursuant to subdivision six of section 710.20 of this chapter. This article neither limits nor expands subdivision six of section 710.20 of this chapter.

2. Under circumstances prescribed in subdivision one of this section, such witness may testify at the criminal proceeding that the person whom he or she observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction he or she observed and recognized on the second occasion is the same person whom he or she observed on the first or incriminating occasion. Such testimony, together with the evidence that the defendant is in fact the person whom the witness observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction he or she observed and recognized on the second occasion, constitutes evidence in chief.

§ 4. Section 60.30 of the criminal procedure law, as amended by chapter 479 of the laws of 1977, is amended to read as follows:

§ 60.30 Rules of evidence; identification by means of previous recognition, in addition to present identification.

In any criminal proceeding in which the defendant's commission of an offense is in issue, a witness who testifies that (a) he or she observed the person claimed by the people to be the defendant either at the time and place of the commission of the offense or upon some other occasion relevant to the case, and (b) on the basis of present recollection, the defendant is the person in question and (c) on a subsequent occasion he or she observed the defendant, or where the observation is made pursuant to a blind or blinded procedure, as defined in paragraph (c) of subdivision one of section 60.25 of this article, a pictorial, photographic, electronic, filmed or video recorded reproduction of the defendant, under circumstances consistent with such rights as an accused person may derive under the constitution of this state or of the United States, and then also recognized him or her or the pictorial, photographic, electronic, filmed or video recorded reproduction of him or her as the same person whom he or she had observed on the first or incriminating occasion, may, in addition to making an identification of the defendant at the criminal proceeding on the basis of present recollection as the
person whom he or she observed on the first or incriminating occasion, also describe his or her previous recognition of the defendant and testify that the person whom he or she observed or whose pictorial, photographic, electronic, filmed or video recorded reproduction he or she observed on such second occasion is the same person whom he or she had observed on the first or incriminating occasion. Such testimony and such pictorial, photographic, electronic, filmed or video recorded reproduction constitutes evidence in chief.

§ 5. Subdivision 6 of section 710.20 of the criminal procedure law, as amended by chapter 8 of the laws of 1976 and as renumbered by chapter 481 of the laws of 1983, is amended to read as follows:

6. Consists of potential testimony regarding an observation of the defendant either at the time or place of the commission of the offense or upon some other occasion relevant to the case, which potential testimony would not be admissible upon the prospective trial of such charge owing to an improperly made previous identification of the defendant or of a pictorial, photographic, electronic, filmed or video recorded reproduction of the defendant by the prospective witness. A claim that the previous identification of the defendant or of a pictorial, photographic, electronic, filmed or video recorded reproduction of the defendant by a prospective witness did not comply with paragraph (c) of subdivision one of section 60.25 of this chapter or with the protocol promulgated in accordance with subdivision twenty-one of section eight hundred thirty-seven of the executive law shall not constitute a legal basis to suppress evidence pursuant to this subdivision. A claim that a public servant failed to comply with paragraph (c) of subdivision one of section 60.25 of this chapter or of subdivision twenty-one of section eight hundred thirty-seven of the executive law shall neither expand nor limit the rights an accused person may derive under the constitution of this state or of the United States.

§ 6. Subdivision 1 of section 710.30 of the criminal procedure law, as separately amended by chapters 8 and 194 of the laws of 1976, is amended to read as follows:

1. Whenever the people intend to offer at a trial (a) evidence of a statement made by a defendant to a public servant, which statement if involuntarily made would render the evidence thereof suppressible upon motion pursuant to subdivision three of section 710.20, or (b) testimony regarding an observation of the defendant either at the time or place of the commission of the offense or upon some other occasion relevant to the case, to be given by a witness who has previously identified him or her or a pictorial, photographic, electronic, filmed or video recorded reproduction of him or her as such, they must serve upon the defendant notice of such intention, specifying the evidence intended to be offered.

§ 7. Section 343.3 of the family court act, as added by chapter 920 of the laws of 1982, is amended to read as follows:

343.3. Rules of evidence; identification by means of previous recognition in absence of present identification. 1. In any juvenile delinquency proceeding in which the respondent's commission of a crime is in issue, testimony as provided in subdivision two may be given by a witness when:

(a) such witness testifies that:

(i) he or she observed the person claimed by the presentment agency to be the respondent either at the time and place of the commission of the crime or upon some other occasion relevant to the case; and
(ii) on a subsequent occasion he or she observed, under circumstances consistent with such rights as an accused person may derive under the constitution of this state or of the United States, a person, or where the observation is made pursuant to a blind or blinded procedure as defined herein, a pictorial, photographic, electronic, filmed or video recorded reproduction of a person whom he or she recognized as the same person whom he or she had observed on the first incriminating occasion; and

(iii) he or she is unable at the proceeding to state, on the basis of present recollection, whether or not the respondent is the person in question; and

(b) it is established that the respondent is in fact the person whom the witness observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction the witness observed and recognized on the second occasion. Such fact may be established by testimony of another person or persons to whom the witness promptly declared his or her recognition on such occasion and by such pictorial, photographic, electronic, filmed or video recorded reproduction.

(c) For purposes of this section, a "blind or blinded procedure" is one in which the witness identifies a person in an array of pictorial, photographic, electronic, filmed or video recorded reproductions under circumstances where, at the time the identification is made, the public servant administering such procedure: (i) does not know which person in the array is the suspect, or (ii) does not know where the suspect is in the array viewed by the witness. The failure of a public servant to follow such a procedure shall be assessed solely for purposes of this article and shall result in the preclusion of testimony regarding the identification procedure as evidence in chief, but shall not constitute a legal basis to suppress evidence made pursuant to subdivision six of section 710.20 of the criminal procedure law. This article neither limits not expands subdivision six of section 710.20 of the criminal procedure law.

2. Under circumstances prescribed in subdivision one, such witness may testify at the proceeding that the person whom he or she observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction he or she observed and recognized on the second occasion is the same person whom he or she observed on the first or incriminating occasion. Such testimony, together with the evidence that the respondent is in fact the person whom the witness observed and recognized or whose pictorial, photographic, electronic, filmed or video recorded reproduction he or she observed and recognized on the second occasion, constitutes evidence in chief.

§ 8. Section 343.4 of the family court act, as added by chapter 920 of the laws of 1982, is amended to read as follows:

§ 343.4. Rules of evidence; identification by means of previous recognition, in addition to present identification. In any juvenile delinquency proceeding in which the respondent's commission of a crime is in issue, a witness who testifies that: (a) he or she observed the person claimed by the presentment agency to be the respondent either at the time and place of the commission of the crime or upon some other occasion relevant to the case, and (b) on the basis of present recollection, the respondent is the person in question, and (c) on a subsequent occasion he or she observed the respondent, or, where the observation is made pursuant to a blind or blinded procedure, a pictorial, photographic, electronic, filmed or video recorded reproduction of the respondent under circumstances consistent with such rights as an accused person may
derive under the constitution of this state or of the United States, and then also recognized him or her or the pictorial, photographic, electronic, filmed or video recorded reproduction of him or her as the same person whom he or she had observed on the first or incriminating occasion, may, in addition to making an identification of the respondent at the delinquency proceeding on the basis of present recollection as the person whom he or she observed on the first or incriminating occasion, also describe his or her previous recognition of the respondent and testify that the person whom he or she observed or whose pictorial, photographic, electronic, filmed or video recorded reproduction he or she observed on such second occasion is the same person whom he or she had observed on the first or incriminating occasion. Such testimony and such pictorial, photographic, electronic, filmed or video recorded reproduction constitutes evidence in chief. For purposes of this section, a "blind or blinded procedure" shall be as defined in paragraph (c) of subdivision one of section 343.3 of this part.

§ 9. Section 837 of the executive law is amended by adding a new subdivision 21 to read as follows:

(c) Disseminate the written policies and procedures promulgated in accordance with subdivision twenty-one of section eight hundred thirty-seven of this article to all police departments in this state and implement a training program for all current and new police officers regarding the policies and procedures established pursuant to such subdivision.

Such
plans shall be submitted by the office of indigent legal services to the
director of the division of budget for review and approval. However, the
director's approval shall be limited solely to the plan's projected

to appear at the next session of the youth part.

2. If the defendant waives a hearing upon the felony complaint, the
court must order that the defendant be held for the action of the grand
jury with respect to the charge or charges contained in the felony
complaint.

3. If there be a hearing, then at the conclusion of the hearing, the
youth part court must dispose of the felony complaint as follows:
   (a) If there is reasonable cause to believe that the defendant commit-
ted a crime for which a person under the age of sixteen is criminally
responsible, the court must order that the defendant be held for the
action of a grand jury; or
   (b) If there is not reasonable cause to believe that the defendant
committed a crime for which a person under the age of sixteen is crimi-
nally responsible but there is reasonable cause to believe that the
defendant is a "juvenile delinquent" as defined in subdivision one of
section 301.2 of the family court act, the court must specify the act or
acts it found reasonable cause to believe the defendant did and direct
that the action be removed to the family court in accordance with the
provisions of article seven hundred twenty-five of this title; or
   (c) If there is not reasonable cause to believe that the defendant
committed any criminal act, the court must dismiss the felony complaint
and discharge the defendant from custody if he is in custody, or if he
is at liberty on bail, it must exonerate the bail.

4. Notwithstanding the provisions of subdivisions two and three of
this section, the court shall, at the request of the district attorney,
order removal of an action against a juvenile offender to the family
court pursuant to the provisions of article seven hundred twenty-five of
this title if, upon consideration of the criteria specified in sub-
vision two of section 722.22 of this article, it is determined that to do
so would be in the interests of justice. Where, however, the felony
complaint charges the juvenile offender with murder in the second degree
as defined in section 125.25 of the penal law, rape in the first degree
as defined in subdivision one of section 130.35 of the penal law, crimi-
nal sexual act in the first degree as defined in subdivision one of
section 130.50 of the penal law, or an armed felony as defined in para-
graph (a) of subdivision forty-one of section 1.20 of this chapter, a
determination that such action be removed to the family court shall, in
addition, be based upon a finding of one or more of the following
factors: (i) mitigating circumstances that bear directly upon the manner
in which the crime was committed; or (ii) where the defendant was not
the sole participant in the crime, the defendant's participation was
relatively minor although not so minor as to constitute a defense to the
prosecution; or (iii) possible deficiencies in proof of the crime.

5. Notwithstanding the provisions of subdivision two, three, or four
of this section, if a currently undetermined felony complaint against a
juvenile offender is pending, and the defendant has not waived a hearing
pursuant to subdivision two of this section and a hearing pursuant to
subdivision three of this section has not commenced, the defendant may
move to remove the action to family court pursuant to 722.22 of this
article. The procedural rules of subdivisions one and two of section
210.45 of this chapter are applicable to a motion pursuant to this
subdivision. Upon such motion, the court shall proceed and determine the
motion as provided in section 722.22 of this article; provided, however,
that the exception provisions of paragraph (b) of subdivision one of
section 722.22 of this article shall not apply when there is not reason-
able cause to believe that the juvenile offender committed one or more
of the crimes enumerated therein, and in such event the provisions of
paragraph (a) thereof shall apply.

6. (a) If the court orders removal of the action to family court, it
shall state on the record the factor or factors upon which its determi-
nation is based, and the court shall give its reasons for removal in
detail and not in conclusory terms.

(b) The district attorney shall state upon the record the reasons for
his consent to removal of the action to the family court where such
consent is required. The reasons shall be stated in detail and not in
conclusory terms.

(c) For the purpose of making a determination pursuant to subdivision
four or five of this section, the court may make such inquiry as it
deems necessary. Any evidence which is not legally privileged may be
introduced. If the defendant testifies, his testimony may not be intro-
duced against him in any future proceeding, except to impeach his testi-
mony at such future proceeding as inconsistent prior testimony.

(d) Where a motion for removal by the defendant pursuant to subdivi-
sion five of this section has been denied, no further motion pursuant to
this section or section 722.22 of this article may be made by the juve-
nile offender with respect to the same offense or offenses.

(e) Except as provided by paragraph (f) of this subdivision, this
section shall not be construed to limit the powers of the grand jury.

(f) Where a motion by the defendant pursuant to subdivision five of
this section has been granted, there shall be no further proceedings
against the juvenile offender in any local or superior criminal court
including the youth part of the superior court for the offense or
offenses which were the subject of the removal order.
§ 722.21 Proceedings upon felony complaint; adolescent offender.

1. When an adolescent offender is arraigned before a youth part, the provisions of this section shall apply. If the youth part is not in session, the defendant shall be brought before the most accessible magistrate designated by the appellate division of the supreme court to act as a youth part for the purpose of making a determination whether such adolescent offender shall be detained. If the defendant is ordered to be detained, he or she shall be brought before the next session of the youth part. If the defendant is not detained, he or she shall be ordered to appear at the next session of the youth part.

2. If the defendant waives a hearing upon the felony complaint, the court must order that the defendant be held for the action of the grand jury with respect to the charge or charges contained in the felony complaint.

3. If there be a hearing, then at the conclusion of the hearing, the youth part court must dispose of the felony complaint as follows:
   (a) If there is reasonable cause to believe that the defendant committed a felony, the court must order that the defendant be held for the action of a grand jury; or
   (b) If there is not reasonable cause to believe that the defendant committed a felony but there is reasonable cause to believe that the defendant is a "juvenile delinquent" as defined in subdivision one of section 301.2 of the family court act, the court must specify the act or acts it found reasonable cause to believe the defendant did and direct that the action be transferred to the family court in accordance with the provisions of article seven hundred twenty-five of this title, provided, however, notwithstanding any other provision of law, section 308.1 of the family court act shall apply to actions transferred pursuant to this subdivision and such actions shall not be considered removals subject to subdivision thirteen of such section 308.1; or
   (c) If there is not reasonable cause to believe that the defendant committed any criminal act, the court must dismiss the felony complaint and discharge the defendant from custody if he is in custody, or if he is at liberty on bail, it must exonerate the bail.

4. Notwithstanding the provisions of subdivisions two and three of this section, where the defendant is charged with a felony, other than a class A felony defined outside article two hundred twenty of the penal law, a violent felony defined in section 70.02 of the penal law or a felony listed in paragraph one or two of subdivision forty-two of section 1.20 of this chapter, except as provided in paragraph (c) of subdivision two of section 722.23 of this article, the court shall, upon notice from the district attorney that he or she will not file a motion to prevent removal pursuant to section 722.23 of this article, order transfer of an action against an adolescent offender to the family court pursuant to the provisions of article seven hundred twenty-five of this title, provided, however, notwithstanding any other provision of law, section 308.1 of the family court act shall apply to actions transferred pursuant to this subdivision and such actions shall not be considered removals subject to subdivision thirteen of such section 308.1.

5. Notwithstanding subdivisions two and three of this section, at the request of the district attorney, the court shall order removal of an action against an adolescent offender charged with an offense listed in paragraph (a) of subdivision two of section 722.23 of this article, to the family court pursuant to the provisions of article seven hundred twenty-five of this title and upon consideration of the criteria specified in subdivision two of section 722.22 of this article, it is deter-
mined that to do so would be in the interests of justice. Where, howev-
er, the felony complaint charges the adolescent offender with murder in
the second degree as defined in section 125.25 of the penal law, rape in
the first degree as defined in subdivision one of section 130.35 of the
penal law, criminal sexual act in the first degree as defined in subdi-
vision one of section 130.50 of the penal law, or an armed felony as
defined in paragraph (a) of subdivision forty-one of section 1.20 of
this chapter, a determination that such action be removed to the family
court shall, in addition, be based upon a finding of one or more of the
following factors: (i) mitigating circumstances that bear directly upon
the manner in which the crime was committed; or (ii) where the defendant
was not the sole participant in the crime, the defendant's participation
was relatively minor although not so minor as to constitute a defense to
the prosecution; or (iii) possible deficiencies in proof of the crime.

6. (a) If the court orders removal of the action to family court
pursuant to subdivision five of this section, it shall state on the
record the factor or factors upon which its determination is based, and
the court shall give its reasons for removal in detail and not in
conclusory terms.

(b) The district attorney shall state upon the record the reasons for
his consent to removal of the action to the family court where such
consent is required. The reasons shall be stated in detail and not in
conclusory terms.

(c) For the purpose of making a determination pursuant to subdivision
five the court may make such inquiry as it deems necessary. Any evidence
which is not legally privileged may be introduced. If the defendant
testifies, his testimony may not be introduced against him in any future
proceeding, except to impeach his testimony at such future proceeding as
inconsistent prior testimony.

(d) Except as provided by paragraph (e), this section shall not be
construed to limit the powers of the grand jury.

(e) Where an action against a defendant has been removed to the family
court pursuant to this section, there shall be no further proceedings
against the adolescent offender in any local or superior criminal court
including the youth part of the superior court for the offense or
offenses which were the subject of the removal order.

§ 722.22 Motion to remove juvenile offender to family court.

1. After a motion by a juvenile offender, pursuant to subdivision five
of section 722.20 of this article, or after arraignment of a juvenile
offender upon an indictment, the court may, on motion of any party or on
its own motion:

(a) except as otherwise provided by paragraph (b) of this subdivision,
order removal of the action to the family court pursuant to the
provisions of article seven hundred twenty-five of this title, if, after
consideration of the factors set forth in subdivision two of this
section, the court determines that to do so would be in the interests of
justice; or

(b) with the consent of the district attorney, order removal of an
action involving an indictment charging a juvenile offender with murder
in the second degree as defined in section 125.25 of the penal law; rape
in the first degree, as defined in subdivision one of section 130.35 of
the penal law; criminal sexual act in the first degree, as defined in
subdivision one of section 130.50 of the penal law; or an armed felony
as defined in paragraph (a) of subdivision forty-one of section 1.20 of
this chapter, to the family court pursuant to the provisions of article
seven hundred twenty-five of this title if the court finds one or more
of the following factors: (i) mitigating circumstances that bear directly upon the manner in which the crime was committed; (ii) where the defendant was not the sole participant in the crime, the defendant's participation was relatively minor although not so minor as to constitute a defense to the prosecution; or (iii) possible deficiencies in the proof of the crime, and, after consideration of the factors set forth in subdivision two of this section, the court determined that removal of the action to the family court would be in the interests of justice.

2. In making its determination pursuant to subdivision one of this section the court shall, to the extent applicable, examine individually and collectively, the following:
   (a) the seriousness and circumstances of the offense;
   (b) the extent of harm caused by the offense;
   (c) the evidence of guilt, whether admissible or inadmissible at trial;
   (d) the history, character and condition of the defendant;
   (e) the purpose and effect of imposing upon the defendant a sentence authorized for the offense;
   (f) the impact of a removal of the case to the family court on the safety or welfare of the community;
   (g) the impact of a removal of the case to the family court upon the confidence of the public in the criminal justice system;
   (h) where the court deems it appropriate, the attitude of the complainant or victim with respect to the motion; and
   (i) any other relevant fact indicating that a judgment of conviction in the criminal court would serve no useful purpose.

3. The procedure for bringing on a motion pursuant to subdivision one of this section, shall accord with the procedure prescribed in subdivisions one and two of section 210.45 of this chapter. After all papers of both parties have been filed and after all documentary evidence, if any, has been submitted, the court must consider the same for the purpose of determining whether the motion is determinable on the motion papers submitted and, if not, may make such inquiry as it deems necessary for the purpose of making a determination.

4. For the purpose of making a determination pursuant to this section, any evidence which is not legally privileged may be introduced. If the defendant testifies, his testimony may not be introduced against him in any future proceeding, except to impeach his testimony at such future proceeding as inconsistent prior testimony.

5. a. If the court orders removal of the action to family court, it shall state on the record the factor or factors upon which its determination is based, and, the court shall give its reasons for removal in detail and not in conclusory terms.
   b. The district attorney shall state upon the record the reasons for his consent to removal of the action to the family court. The reasons shall be stated in detail and not in conclusory terms.

§ 722.23 Removal of adolescent offenders to family court.

1. (a) Following the arraignment of a defendant charged with a crime committed when he or she was sixteen, or commencing October first, two thousand nineteen, seventeen years of age, other than any class A felony except for those defined in article two hundred twenty of the penal law, a violent felony defined in section 70.02 of the penal law or a felony listed in paragraph one or two of subdivision forty-two of section 1.20 of this chapter, or an offense set forth in the vehicle and traffic law, the court shall order the removal of the action to the family court in accordance with the applicable provisions of article seven hundred twen-
ty-five of this title unless, within thirty calendar days of such
arraignment, the district attorney makes a motion to prevent removal of
the action pursuant to this subdivision. If the defendant fails to
report to the probation department as directed, the thirty day time
period shall be tolled until such time as he or she reports to the
probation department.

(b) A motion to prevent removal of an action in youth part shall be
made in writing and upon prompt notice to the defendant. The motion
shall contain allegations of sworn fact based upon personal knowledge of
the affiant, and shall indicate if the district attorney is requesting a
hearing. The motion shall be noticed to be heard promptly.

(c) The defendant shall be given an opportunity to reply. The defend-
ant shall be granted any reasonable request for a delay. Either party
may request a hearing on the facts alleged in the motion to prevent
removal of the action. The hearing shall be held expeditiously.

(d) The court shall deny the motion to prevent removal of the action
in youth part unless the court makes a determination upon such motion by
the district attorney that extraordinary circumstances exist that should
prevent the transfer of the action to family court.

(e) The court shall make a determination in writing or on the record
within five days of the conclusion of the hearing or submission by the
defense, whichever is later. Such determination shall include findings
of fact and to the extent practicable conclusions of law.

(f) For the purposes of this section, there shall be a presumption
against custody and case planning services shall be made available to
the defendant.

(g) Notwithstanding any other provision of law, section 308.1 of the
family court act shall apply to all actions transferred pursuant to this
section provided, however, such cases shall not be considered removals
subject to subdivision thirteen of such section 308.1.

(h) Nothing in this subdivision shall preclude, and a court may order,
the removal of an action to family court where all parties agree or
pursuant to this chapter.

2. (a) Upon the arraignment of a defendant charged with a crime
committed when he or she was sixteen or, commencing October first, two
thousand nineteen, seventeen years of age on a class A felony, other
than those defined in article 220 of the penal law, or a violent felony
defined in section 70.02 of the penal law, the court shall schedule an
appearance no later than six calendar days from such arraignment for the
purpose of reviewing the accusatory instrument pursuant to this subdivi-
sion. The court shall notify the district attorney and defendant
regarding the purpose of such appearance.

(b) Upon such appearance, the court shall review the accusatory
instrument and any other relevant facts for the purpose of making a
determination pursuant to paragraph (c) of this subdivision. Both
parties may be heard and submit information relevant to the determi-
nation.

(c) The court shall order the action to proceed in accordance with
subdivision one of this section unless, after reviewing the papers and
hearing from the parties, the court determines in writing that the
district attorney proved by a preponderance of the evidence one or more
of the following as set forth in the accusatory instrument:

(i) the defendant caused significant physical injury to a person other
than a participant in the offense; or

(ii) the defendant displayed a firearm, shotgun, rifle or deadly weap-
on as defined in the penal law in furtherance of such offense; or
(iii) the defendant unlawfully engaged in sexual intercourse, oral sexual conduct, anal sexual conduct or sexual contact as defined in section 130.00 of the penal law.

(d) Where the court makes a determination that the action shall not proceed in accordance with subdivision one of this section, such determination shall be made in writing or on the record and shall include findings of fact and to the extent practicable conclusions of law.

(e) Nothing in this subdivision shall preclude, and the court may order, the removal of an action to family court where all parties agree or pursuant to this chapter.

3. Notwithstanding the provisions of any other law, if at any time one or more charges in the accusatory instrument are reduced, such that the elements of the highest remaining charge would be removable pursuant to subdivisions one or two of this section, then the court, sua sponte or in response to a motion pursuant to subdivisions one or two of this section by the defendant, shall promptly notify the parties and direct that the matter proceed in accordance with subdivision one of this section, provided, however, that in such instance, the district attorney must file any motion to prevent removal within thirty days of effecting or receiving notice of such reduction.

4. A defendant may waive review of the accusatory instrument by the court and the opportunity for removal in accordance with this section, provided that such waiver is made by the defendant knowingly, voluntarily and in open court, in the presence of and with the approval of his or her counsel and the court. An earlier waiver shall not constitute a waiver of review and the opportunity for removal under this section.

§ 722.24 Applicability of chapter to actions and matters involving juvenile offenders or adolescent offenders.

Except where inconsistent with this article, all provisions of this chapter shall apply to all criminal actions and proceedings, and all appeals and post-judgment motions relating or attached thereto, involving a juvenile offender or adolescent offender.

§ 2. The opening paragraph and subdivisions 2 and 3 of section 725.05 of the criminal procedure law, as added by chapter 481 of the laws of 1978, are amended to read as follows:

When a [court] youth part directs that an action or charge is to be removed to the family court the [court] youth part must issue an order of removal in accordance with this section. Such order must be as follows:

2. Where the direction is authorized pursuant to paragraph (b) of subdivision three of [section-180.75] sections 722.20 or 722.21 of this [chapter] title, it must specify the act or acts it found reasonable cause to believe the defendant did.

3. Where the direction is authorized pursuant to subdivision four of [section-180.75] section 722.20 or section 722.21 of this [chapter] title, it must specify the act or acts it found reasonable cause to allege.

§ 3. Section 725.20 of the criminal procedure law, as added by chapter 481 of the laws of 1978, subdivisions 1 and 2 as amended by chapter 411 of the laws of 1979, is amended to read as follows:

§ 725.20 Record of certain actions removed.

1. The provisions of this section shall apply in any case where an order of removal to the family court is entered pursuant to a direction authorized by [subdivision-four-of-section-180.75-or-section-210.43,] article 722 of this title, or subparagraph (iii) of paragraph [(h)] (g)
of subdivision five of section 220.10 of this chapter, or section 330.25
of this chapter.

2. When such an action is removed the court that directed the removal
must cause the following additional records to be filed with the clerk
of the county court or in the city of New York with the clerk of the
supreme court of the county wherein the action was pending and with the
division of criminal justice services:

(a) A certified copy of the order of removal;

(b) Where the direction is one authorized by subdivision four of
section 180.75 of this chapter, a copy of the statement of the district
attorney made pursuant to paragraph (b) of subdivision six of section
180.75 of this chapter;

(c) Where the direction is authorized by section 180.75, a copy of
the portion of the minutes containing the statement by the court pursu-
ant to paragraph (a) of subdivision six of such section 180.75;

(d) Where the direction is one authorized by subparagraph (iii) of
paragraph (d) of subdivision five of section 220.10 or section
330.25 of this chapter, a copy of the minutes of the plea of guilty,
including the minutes of the memorandum submitted by the district attor-
ney and the court;

(e) Where the direction is one authorized by subdivision one of
section 210.43 of this chapter, a copy of that portion of the minutes
containing the statement by the court pursuant to paragraph (a) of
subdivision five of section 210.43;

(f) Where the direction is one authorized by paragraph (b) of subdi-
vision one of section 210.43 of this chapter, a copy of that portion of
the minutes containing the statement of the district attorney made
pursuant to paragraph (b) of subdivision five of section 210.43;

(g) In addition to the records specified in this subdivision,
such further statement or submission of additional information pertain-
ing to the proceeding in criminal court in accordance with standards
established by the commissioner of the division of criminal justice
services, subject to the provisions of subdivision three of this
section.

3. It shall be the duty of said clerk to maintain a separate file for
copies of orders and minutes filed pursuant to this section. Upon
receipt of such orders and minutes the clerk must promptly delete such
portions as would identify the defendant, but the clerk shall neverthe-
less maintain a separate confidential system to enable correlation of
the documents so filed with identification of the defendant. After
making such deletions the orders and minutes shall be placed within the
file and must be available for public inspection. Information permit-
ting correlation of any such record with the identity of any defendant
shall not be divulged to any person except upon order of a justice of
the supreme court based upon a finding that the public interest or the
interests of justice warrant disclosure in a particular cause for a
particular case or for a particular purpose or use.

§ 4. The article heading of article 100 of the criminal procedure law
is amended to read as follows:

COMMENCEMENT OF ACTION IN LOCAL
CRIMINAL COURT OR YOUTH PART OF A SUPERIOR COURT -- [LOCAL
CRIMINAL COURT] ACCUSATORY INSTRUMENTS

§ 5. The first undesignated paragraph of section 100.05 of the crimi-
nal procedure law is amended to read as follows:

A criminal action is commenced by the filing of an accusatory instru-
ment with a criminal court, or, in the case of a juvenile offender or
adolescent offender, other than an adolescent offender charged with only
a violation or traffic infraction, the youth part of the superior court,
and if more than one such instrument is filed in the course of the same
criminal action, such action commences when the first of such instru-
ments is filed. The only way in which a criminal action can be
commenced in a superior court, other than a criminal action against a
juvenile offender or adolescent offender is by the filing therewith by a
grand jury of an indictment against a defendant who has never been held
by a local criminal court for the action of such grand jury with respect
to any charge contained in such indictment. Otherwise, a criminal
action can be commenced only in a local criminal court, by the filing
therewith of a local criminal court accusatory instrument, namely:
§ 6. The section heading and subdivision 5 of section 100.10 of the
criminal procedure law are amended to read as follows:
Local criminal court and youth part of the superior court
accusatory
instruments; definitions thereof.
5. A "felony complaint" is a verified written accusation by a person,
filed with a local criminal court, or youth part of the superior court,
charging one or more other persons with the commission of one or more
felonies. It serves as a basis for the commencement of a criminal
action, but not as a basis for prosecution thereof.
§ 7. The section heading of section 100.40 of the criminal procedure
law is amended to read as follows:
Local criminal court and youth part of the superior court
accusatory
instruments; sufficiency on face.
§ 8. The criminal procedure law is amended by adding a new section
100.60 to read as follows:
§ 100.60 Youth part of the superior court accusatory
instruments; in
what courts filed.
Any youth part of the superior court accusatory instrument may be
filed with the youth part of the superior court of a particular county
when an offense charged therein was allegedly committed in such county
or that part thereof over which such court has jurisdiction.
§ 9. The article heading of article 110 of the criminal procedure law
is amended to read as follows:
REQUIRING DEFENDANT'S APPEARANCE
IN LOCAL CRIMINAL COURT OR YOUTH PART OF SUPERIOR COURT
FOR ARRAIGNMENT
§ 10. Section 110.10 of the criminal procedure law is amended to read
as follows:
§ 110.10 Methods of requiring defendant's appearance in local criminal
court or youth part of the superior court for arraignment;
in general.
1. After a criminal action has been commenced in a local criminal
court or youth part of the superior court by the filing of an accusatory
instrument therewith, a defendant who has not been arraigned in the
action and has not come under the control of the court may under certain
circumstances be compelled or required to appear for arraignment upon
such accusatory instrument by :
(a) The issuance and execution of a warrant of arrest, as provided in
article one hundred twenty; or
(b) The issuance and service upon him of a summons, as provided in
article one hundred thirty; or
(c) Procedures provided in articles five hundred sixty, five hundred
seventy, five hundred eighty, five hundred ninety and six hundred for
securing attendance of defendants in criminal actions who are not at liberty within the state.

2. Although no criminal action against a person has been commenced in any court, he may under certain circumstances be compelled or required to appear in a local criminal court or youth part of a superior court for arraignment upon an accusatory instrument to be filed therewith at or before the time of his appearance by:

(a) An arrest made without a warrant, as provided in article one hundred forty; or

(b) The issuance and service upon him of an appearance ticket, as provided in article one hundred fifty.

§ 11. Section 110.20 of the criminal procedure law, as amended by chapter 843 of the laws of 1980, is amended to read as follows:

§ 110.20 Local criminal court or youth part of the superior court accusatory instruments; notice thereof to district attorney.

When a criminal action in which a crime is charged is commenced in a local criminal court, or youth part of the superior court other than the criminal court of the city of New York, a copy of the accusatory instrument shall be promptly transmitted to the appropriate district attorney upon or prior to the arraignment of the defendant on the accusatory instrument. If a police officer or a peace officer is the complainant or the filer of a simplified information, or has arrested the defendant or brought him before the local criminal court or youth part of the superior court on behalf of an arresting person pursuant to subdivision one of section 140.20, such officer or his agency shall transmit the copy of the accusatory instrument to the appropriate district attorney. In all other cases, the clerk of the court in which the defendant is arraigned shall so transmit it.

§ 12. The opening paragraph of subdivision 1 of section 120.20 of the criminal procedure law, as amended by chapter 506 of the laws of 2000, is amended to read as follows:

§ 120.20 Warrant of arrest; by what courts issuable and in what courts returnable.

1. A warrant of arrest may be issued only by the local criminal court or youth part of the superior court with which the underlying accusatory instrument has been filed, and it may be made returnable in such issuing court only.

2. The particular local criminal court or courts or youth part of the superior court with which any particular local criminal court or youth part of the superior court accusatory instrument may be filed for the purpose of obtaining a warrant of arrest are determined, generally, by the provisions of section 100.55 or 100.60 of this title. If, however, a particular accusatory instrument may pursuant to said section 100.55 be filed with a particular town court and such town court is not available at the time such instrument is sought to be filed and a warrant obtained, such accusatory instrument may be filed with the town court of any adjoining town of the same county. If such instrument may be filed pursuant to said section 100.55 with a particular village court and such village court is not available at the time, it may be filed with the
town court of the town embracing such village, or if such town court is
not available either, with the town court of any adjoining town of the
same county.

§ 14. Section 120.55 of the criminal procedure law, as amended by
section 71 of subpart B of part C of chapter 62 of the laws of 2011, is
amended to read as follows:

§ 120.55  Warrant of arrest; defendant under parole or probation super-
vision.

If the defendant named within a warrant of arrest issued by a local
criminal court or youth part of the superior court pursuant to the
provisions of this article, or by a superior court issued pursuant to
subdivision three of section 210.10 of this chapter, is under the super-
vision of the state department of corrections and community supervision
or a local or state probation department, then a warrant for his or her
arrest may be executed by a parole officer or probation officer, when
authorized by his or her probation director, within his or her geograph-
ic area of employment. The execution of the warrant by a parole offi-
cer or probation officer shall be upon the same conditions and conducted
in the same manner as provided for execution of a warrant by a police
officer.

§ 15. Subdivision 1 of section 120.70 of the criminal procedure law is
amended to read as follows:

1. A warrant of arrest issued by a district court, by the New York
City criminal court, the youth part of a superior court or by a superior
court judge sitting as a local criminal court may be executed anywhere
in the state.

§ 16. Subdivisions 1, 6 and 7 of section 120.90 of the criminal proce-
dure law, subdivision 1 as amended by chapter 492 of the laws of 2016,
subdivisions 6 and 7 as amended by chapter 424 of the laws of 1998, are
amended and a new subdivision 5-a is added to read as follows:

1. Upon arresting a defendant for any offense pursuant to a warrant of
arrest in the county in which the warrant is returnable or in any
adjoining county, or upon so arresting him or her for a felony in any
other county, a police officer, if he or she be one to whom the warrant
is addressed, must without unnecessary delay bring the defendant before
the local criminal court or youth part of the superior court in which
such warrant is returnable, provided that, where a local criminal court
or youth part of the superior court in the county in which the warrant
is returnable hereunder is operating an off-hours arraignment part
designated in accordance with paragraph (w) of subdivision one of
section two hundred twelve of the judiciary law at the time of defend-
ant's return, such police officer may bring the defendant before such
local criminal court or youth part of the superior court.

5-a. Whenever a police officer is required, pursuant to this section,
to bring an arrested defendant before a youth part of a superior court
in which a warrant of arrest is returnable, and if such court is not in
session, such officer must bring such defendant before the most accessi-
ble magistrate designated by the appellate division of the supreme court
in the applicable department to act as a youth part.

6. Before bringing a defendant arrested pursuant to a warrant before
the local criminal court or youth part of a superior court in which such
warrant is returnable, a police officer must without unnecessary delay
perform all fingerprinting and other preliminary police duties required
in the particular case. In any case in which the defendant is not
brought by a police officer before such court but, following his arrest
in another county for an offense specified in subdivision one of section
160.10, is released by a local criminal court of such other county on his
own recognizance or on bail for his appearance on a specified date
before the local criminal court before which the warrant is returnable,
the latter court must, upon arraignment of the defendant before it,
direct that he be fingerprinted by the appropriate officer or agency,
and that he appear at an appropriate designated time and place for such
purpose.

7. Upon arresting a juvenile offender or adolescent offender, the
police officer shall immediately notify the parent or other person legally
responsible for his care or the person with whom he is domiciled, that
the juvenile offender or adolescent offender has been arrested, and the
location of the facility where he is being detained.

§ 17. Subdivision 1 of section 130.10 of the criminal procedure law,
as amended by chapter 446 of the laws of 1993, is amended to read as
follows:

1. A summons is a process issued by a local criminal court directing a
defendant designated in an information, a prosecutor's information, a
felony complaint or a misdemeanor complaint filed with such court, or a
youth part of a superior court directing a defendant designated in a
felony complaint, or by a superior court directing a defendant designated
in an indictment filed with such court, to appear before it at a
designated future time in connection with such accusatory instrument.
The sole function of a summons is to achieve a defendant's court appear-
ance in a criminal action for the purpose of arraignment upon the accu-
satory instrument by which such action was commenced.

§ 18. Section 130.30 of the criminal procedure law, as amended by
chapter 506 of the laws of 2000, is amended to read as follows:
§ 130.30 Summons; when issuable.

A local criminal court or youth part of the superior court may issue a
summons in any case in which, pursuant to section 120.20, it is author-
ized to issue a warrant of arrest based upon an information, a
prosecutor's information, a felony complaint or a misdemeanor complaint.
If such information, prosecutor's information, felony complaint or
misdemeanor complaint is not sufficient on its face as prescribed in
section 100.40, and if the court is satisfied that on the basis of the
available facts or evidence it would be impossible to draw and file an
authorized accusatory instrument that is sufficient on its face, the
court must dismiss the accusatory instrument. A superior court may issue
a summons in any case in which, pursuant to section 210.10, it is
authorized to issue a warrant of arrest based upon an indictment.

§ 19. Section 140.20 of the criminal procedure law is amended by
adding a new subdivision 8 to read as follows:

8. If the arrest is for a juvenile offender or adolescent offender
other than an arrest for a violation or a traffic infraction, such
offender shall be brought before the youth part of the superior court.
If the youth part is not in session, such offender shall be brought
before the most accessible magistrate designated by the appellate divi-
sion of the supreme court in the applicable department to act as a youth
part.

§ 20. Subdivision 6 of section 140.20 of the criminal procedure law,
as added by chapter 411 of the laws of 1979, is amended to read as
follows:

6. Upon arresting a juvenile offender or a person sixteen or commenc-
ing October first, two thousand nineteen, seventeen years of age, without
a warrant, the police officer shall immediately notify the parent or
other person legally responsible for his or her care or the person with
whom he or she is domiciled, that such offender or person has been arrested, and the location of the facility where he or she is being detained. If the officer determines that it is necessary to question a juvenile offender or such person, the officer must take him or her to a facility designated by the chief administrator of the courts as a suitable place for the questioning of children or, upon the consent of a parent or other person legally responsible for the care of the juvenile or such person, to his or her residence and there question him or her for a reasonable period of time. A juvenile or such person shall not be questioned pursuant to this section unless he or she and a person required to be notified pursuant to this subdivision, if present, have been advised:

(a) of the juvenile offender's or such person's right to remain silent;
(b) that the statements made by him or her may be used in a court of law;
(c) of his or her right to have an attorney present at such questioning; and
(d) of his or her right to have an attorney provided for him or her without charge if he or she is unable to afford counsel.

In determining the suitability of questioning and determining the reasonable period of time for questioning such a juvenile offender or person, his or her age, the presence or absence of his or her parents or other persons legally responsible for his or her care and notification pursuant to this subdivision shall be included among relevant considerations.

§ 21. Subdivision 2 of section 140.27 of the criminal procedure law, as amended by chapter 843 of the laws of 1980, is amended to read as follows:

2. Upon arresting a person without a warrant, a peace officer, except as otherwise provided in subdivision three or three-a, must without unnecessary delay bring him or cause him to be brought before a local criminal court, as provided in section 100.55 and subdivision one of section 140.20, and must without unnecessary delay file or cause to be filed therewith an appropriate accusatory instrument. If the offense which is the subject of the arrest is one of those specified in subdivision one of section 160.10, the arrested person must be fingerprinted and photographed as therein provided. In order to execute the required post-arrest functions, such arresting peace officer may perform such functions himself or he may enlist the aid of a police officer for the performance thereof in the manner provided in subdivision one of section 140.20.

§ 22. Section 140.27 of the criminal procedure law is amended by adding a new subdivision 3-a to read as follows:

3-a. If the arrest is for a juvenile offender or adolescent offender other than an arrest for violations or traffic infractions, such offender shall be brought before the youth part of the superior court. If the youth part is not in session, such offender shall be brought before the most accessible magistrate designated by the appellate division of the supreme court in the applicable department to act as a youth part.

§ 23. Subdivision 5 of section 140.27 of the criminal procedure law, as added by chapter 411 of the laws of 1979, is amended to read as follows:

5. Upon arresting a juvenile offender or a person sixteen or commencing October first, two thousand nineteen, seventeen years of age without a warrant, the peace officer shall immediately notify the parent or
other person legally responsible for his or her care or the person with whom he or she is domiciled, that [the juvenile] such offender or person has been arrested, and the location of the facility where he or she is being detained. If the officer determines that it is necessary to question a juvenile offender or such person, the officer must take him or her to a facility designated by the chief administrator of the courts as a suitable place for the questioning of children or, upon the consent of a parent or other person legally responsible for the care of a juvenile offender or such person, to his or her residence and there question him or her for a reasonable period of time. A juvenile offender or such person shall not be questioned pursuant to this section unless the juvenile offender or such person and a person required to be notified pursuant to this subdivision, if present, have been advised:

(a) of his or her right to remain silent;
(b) that the statements made by the juvenile offender or such person may be used in a court of law;
(c) of his or her right to have an attorney present at such questioning; and
(d) of his or her right to have an attorney provided for him or her without charge if he or she is unable to afford counsel.

In determining the suitability of questioning and determining the reasonable period of time for questioning such a juvenile offender or such person, his or her age, the presence or absence of his or her parents or other persons legally responsible for his or her care and notification pursuant to this subdivision shall be included among relevant considerations.

§ 24. Subdivision 5 of section 140.40 of the criminal procedure law, as added by chapter 411 of the laws of 1979, is amended to read as follows:

5. If a police officer takes an arrested juvenile offender or a person sixteen or commencing October first, two thousand nineteen, seventeen years of age into custody, the police officer shall immediately notify the parent or other person legally responsible for his or her care or the person with whom he or she is domiciled, that [the juvenile] such offender or person has been arrested, and the location of the facility where he or she is being detained. If the officer determines that it is necessary to question a juvenile offender or such person the officer must take him or her to a facility designated by the chief administrator of the courts as a suitable place for the questioning of children or, upon the consent of a parent or other person legally responsible for the care of the juvenile offender or such person, to his or her residence and there question him or her for a reasonable period of time. A juvenile offender or such person shall not be questioned pursuant to this subdivision, if present, have been advised:

(a) of his or her right to remain silent;
(b) that the statements made by the juvenile offender or such person may be used in a court of law;
(c) of his or her right to have an attorney present at such questioning; and
(d) of his or her right to have an attorney provided for him or her without charge if he or she is unable to afford counsel.

In determining the suitability of questioning and determining the reasonable period of time for questioning such a juvenile offender or such person, his or her age, the presence or absence of his or her parents or other persons legally responsible for his or her care and
notification pursuant to this subdivision shall be included among rele-
vant considerations.

§ 25. Subdivisions 2, 3, 4, 5 and 6 of section 180.75 of the criminal
procedure law are REPEALED.

§ 26. Subdivision 1 of section 180.75 of the criminal procedure law,
as added by chapter 481 of the laws of 1978, is amended to read as
follows:

  1. When a juvenile offender or adolescent offender is arraigned before
     a local criminal court, the youth part of a superior court or the most
     accessible magistrate designated by the appellate division of the
     supreme court in the applicable department to act as a youth part, the
     provisions of this section shall apply in lieu of the provisions of sections 180.30, 180.50
     and 180.70 of this chapter.

§ 27. The opening paragraph of section 180.80 of the criminal proce-
dure law, as amended by chapter 556 of the laws of 1982, is amended to
read as follows:

  Upon application of a defendant against whom a felony complaint has
been filed with a local criminal court or the youth part of a superior
court, and who, since the time of his arrest or subsequent thereto, has
been held in custody pending disposition of such felony complaint, and
who has been confined in such custody for a period of more than one
hundred twenty hours or, in the event that a Saturday, Sunday or legal
holiday occurs during such custody, one hundred forty-four hours, with-
out either a disposition of the felony complaint or commencement of a
hearing thereon, the local criminal court must release him on his own
recognizance unless:

§ 27-a. Section 190.80 of the criminal procedure law, the opening
paragraph as amended by chapter 411 of the laws of 1979, is amended to
read as follows:

§ 190.80 Grand jury; release of defendant upon failure of timely grand
jury action.

  Upon application of a defendant who on the basis of a felony complaint
has been held by a local criminal court for the action of a grand jury,
and who, at the time of such order or subsequent thereto, has been
committed to the custody of the sheriff pending such grand jury action,
and who has been confined in such custody for a period of more than
forty-five days, or, in the case of a juvenile offender or adolescent
offender, thirty days, without the occurrence of any grand jury action
or disposition pursuant to subdivision one, two or three of section
190.60, the superior court by which such grand jury was or is to be
impaneled must release him on his own recognizance unless:

  (a) The lack of a grand jury disposition during such period of
      confinement was due to the defendant's request, action or condition, or
      occurred with his consent; or

  (b) The people have shown good cause why such order of release should
      not be issued. Such good cause must consist of some compelling fact or
      circumstance which precluded grand jury action within the prescribed
      period or rendered the same against the interest of justice.

§ 28. Subdivision (b) of section 190.71 of the criminal procedure law,
as added by chapter 481 of the laws of 1978, is amended to read as
follows:

  (b) A grand jury may vote to file a request to remove a charge to the
      family court if it finds that a person thirteen, fourteen or fifteen
      sixteen, or commencing October first, two thousand nineteen, seventeen
      years of age or younger did an act which, if done by a person over the
age of sixteen, or commencing October first, two thousand nineteen, seventeen, would constitute a crime provided (1) such act is one for which it may not indict; (2) it does not indict such person for a crime; and (3) the evidence before it is legally sufficient to establish that such person did such act and competent and admissible evidence before it provides reasonable cause to believe that such person did such act. § 29. Subdivision 6 of section 200.20 of the criminal procedure law, as added by chapter 136 of the laws of 1980, is amended to read as follows: 6. Where an indictment charges at least one offense against a defendant who was under the age of [sixteen] seventeen, or commencing October first, two thousand nineteen, eighteen at the time of the commission of the crime and who did not lack criminal responsibility for such crime by reason of infancy, the indictment may, in addition, charge in separate counts one or more other offenses for which such person would not have been criminally responsible by reason of infancy, if: (a) the offense for which the defendant is criminally responsible and the one or more other offenses for which he or she would not have been criminally responsible by reason of infancy are based upon the same act or upon the same criminal transaction, as that term is defined in subdivision two of section 40.10 of this chapter; or (b) the offenses are of such nature that either proof of the first offense would be material and admissible as evidence in chief upon a trial of the second, or proof of the second would be material and admissible as evidence in chief upon a trial of the first. § 29-a. Subdivision 7 of section 210.30 of the criminal procedure law, as added by chapter 136 of the laws of 1980, is amended to read as follows: 7. Notwithstanding any other provision of law, where the indictment is filed against a juvenile offender or adolescent offender, the court shall dismiss the indictment or count thereof where the evidence before the grand jury was not legally sufficient to establish the offense charged or any lesser included offense for which the defendant is criminally responsible. Upon such dismissal, unless the court shall authorize the people to resubmit the charge to a subsequent grand jury, and upon a finding that there was sufficient evidence to believe defendant is a juvenile delinquent as defined in subdivision (a) of section seven hundred twelve of the family court act and upon specifying the act or acts it found sufficient evidence to believe defendant committed, the court may direct that such matter be removed to family court in accordance with the provisions of article seven hundred twenty-five of this chapter. § 30. Section 210.43 of the criminal procedure law is REPEALED. § 31. Intentionally omitted. § 31-a. Paragraph (a) of subdivision 1 of section 255.10 of the criminal procedure law, as amended by chapter 209 of the laws of 1990, is amended to read as follows: (a) dismissing or reducing an indictment pursuant to article 210 or removing an action to the family court pursuant to [section 210.43 article 722]; or § 31-b. Subdivisions 1 and 2 of section 330.25 of the criminal procedure law, subdivision 1 as added by chapter 481 of the laws of 1978 and subdivision 2 as amended by chapter 920 of the laws of 1982, are amended to read as follows: 1. Where a defendant is a juvenile offender or an adolescent offender who does not stand convicted of murder in the second degree, upon motion
and with the consent of the district attorney, the action may be removed
to the family court in the interests of justice pursuant to article
seven hundred twenty-five of this chapter notwithstanding the verdict.

2. If the district attorney consents to the motion for removal pursu-
ant to this section, he shall file a subscribed memorandum with the
court setting forth (1) a recommendation that the interests of justice
would best be served by removal of the action to the family court; and
(2) if the conviction is of an offense set forth in paragraph (b) of
subdivision one of section [210.43] 722.22 of this chapter, specific
factors, one or more of which reasonably support the recommendation,
showing, (i) mitigating circumstances that bear directly upon the manner
in which the crime was committed, or (ii) where the defendant was not
the sole participant in the crime, that the defendant's participation
was relatively minor although not so minor as to constitute a defense to
prosecution, or (iii) where the juvenile offender has no previous adju-
dications of having committed a designated felony act, as defined in
subdivision eight of section 301.2 of the family court act, regardless
of the age of the offender at the time of commission of the act, that
the criminal act was not part of a pattern of criminal behavior and, in
view of the history of the offender, is not likely to be repeated.

§ 32. Subdivision 2 of section 410.40 of the criminal procedure law,
as amended by chapter 652 of the laws of 2008, is amended to read as
follows:

2. Warrant. (a) Where the probation officer has requested that a
probation warrant be issued, the court shall, within seventy-two hours
of its receipt of the request, issue or deny the warrant or take any
other lawful action including issuance of a notice to appear pursuant to
subdivision one of this section. If at any time during the period of a
sentence of probation or of conditional discharge the court has reason-
able grounds to believe that the defendant has violated a condition of
the sentence, the court may issue a warrant to a police officer or to an
appropriate peace officer directing him or her to take the defendant
into custody and bring the defendant before the court without unneces-
sary delay; provided, however, if the court in which the warrant is
returnable is a superior court, and such court is not available, and the
warrant is addressed to a police officer or appropriate probation offi-
cer certified as a peace officer, such executing officer may unless
otherwise specified under paragraph (b) of this subdivision, bring the
defendant to the local correctional facility of the county in which such
court sits, to be detained there until not later than the commencement
of the next session of such court occurring on the next business day; or
if the court in which the warrant is returnable is a local criminal
court, and such court is not available, and the warrant is addressed to
a police officer or appropriate probation officer certified as a peace
officer, such executing officer must without unnecessary delay bring the
defendant before an alternate local criminal court, as provided in
subdivision five of section 120.90 of this chapter. A court which issues
such a warrant may attach thereto a summary of the basis for the
warrant. In any case where a defendant arrested upon the warrant is
brought before a local criminal court other than the court in which the
warrant is returnable, such local criminal court shall consider such
summary before issuing a securing order with respect to the defendant.

(b) If the court in which the warrant is returnable is a superior
court, and such court is not available, and the warrant is addressed to
a police officer or appropriate probation officer certified as a peace
officer, such executing officer shall, where a defendant is sixteen
years of age or younger who allegedly commits an offense or a violation of his or her probation or conditional discharge imposed for an offense on or after October first, two thousand eighteen, or where a defendant is seventeen years of age or younger who allegedly commits an offense or a violation of his or her probation or conditional discharge imposed for an offense on or after October first, two thousand nineteen, bring the defendant without unnecessary delay before the youth part, provided, however that if the youth part is not in session, the defendant shall be brought before the most accessible magistrate designated by the appellate division.

Where such a direction is made the sheriff shall deliver the principal in accordance therewith and such person shall although lodged and cared for in a juvenile detention facility continue to be deemed to be in the custody of the sheriff. No principal under the age [of sixteen] specified to whom the provisions of this section may apply shall be detained in any prison, jail, lockup, or other place used for adults convicted of a crime or under arrest and charged with the commission of a crime without the approval of the state division for youth office of children and family services which shall consult with the commission of correction if the principal is sixteen years of age or older in the case of each principal and the statement of its reasons therefor. § 160.59 to read as follows:

§ 160.59 Sealing of certain convictions.

1. Definitions: As used in this section, the following terms shall
have the following meanings:

(a) "Eligible offense" shall mean any crime defined in the laws of
this state other than a sex offense defined in article one hundred thir-
ty of the penal law, an offense defined in article two hundred sixty-
three of the penal law, a felony offense defined in article one hundred
twenty-five of the penal law, a violent felony offense defined in
section 70.02 of the penal law, a class A felony offense defined in the
penal law, a felony offense defined in article one hundred five of the
penal law where the underlying offense is not an eligible offense, an
attempt to commit an offense that is not an eligible offense if the
attempt is a felony, or an offense for which registration as a sex
offender is required pursuant to article six-C of the correction law.

For the purposes of this section, where the defendant is convicted of
more than one eligible offense, committed as part of the same criminal
transaction as defined in subdivision two of section 40.10 of this chap-
ter, those offenses shall be considered one eligible offense.

(b) "Sentencing judge" shall mean the judge who pronounced sentence
upon the conviction under consideration, or if that judge is no longer
sitting in a court in the jurisdiction in which the conviction was
obtained, any other judge who is sitting in the criminal court where the
judgment of conviction was entered.

1-a. The chief administrator of the courts shall, pursuant to section
10.40 of this chapter, prescribe a form application which may be used by
a defendant to apply for sealing pursuant to this section. Such form
application shall include all the essential elements required by this
section to be included in an application for sealing. Nothing in this
subdivision shall be read to require a defendant to use such form appli-
cation to apply for sealing.

2. (a) A defendant who has been convicted of up to two eligible
offenses but not more than one felony offense may apply to the court in
which he or she was convicted of the most serious offense to have such
conviction sealed. If all offenses are offenses with the same classi-
fication, the application shall be made to the court in which the
defendant was last convicted.

(b) An application shall contain (i) a copy of a certificate of dispo-
sition or other similar documentation for any offense for which the
defendant has been convicted, or an explanation of why such certificate
or other documentation is not available; (ii) a sworn statement of the
defendant as to whether he or she has filed, or then intends to file,
any application for sealing of any other eligible offense; (iii) a copy
of any other such application that has been filed; (iv) a sworn state-
ment as to the conviction or convictions for which relief is being
sought; and (v) a sworn statement of the reason or reasons why the court
should, in its discretion, grant such sealing, along with any supporting
documentation.

(c) A copy of any application for such sealing shall be served upon
the district attorney of the county in which the conviction, or, if more
than one, the convictions, was or were obtained. The district attorney
shall notify the court within forty-five days if he or she objects to
the application for sealing.

(d) When such application is filed with the court, it shall be
assigned to the sentencing judge unless more than one application is
filed in which case the application shall be assigned to the county
court or the supreme court of the county in which the criminal court is
located, who shall request and receive from the division of criminal
justice services a fingerprint based criminal history record of the
defendant, including any sealed or suppressed records. The division of
criminal justice services also shall include a criminal history report,
if any, from the federal bureau of investigation regarding any criminal
history information that occurred in other jurisdictions. The division
is hereby authorized to receive such information from the federal bureau
of investigation for this purpose, and to make such information avail-
able to the court, which may make this information available to the
district attorney and the defendant.

3. The sentencing judge, or county or supreme court shall summarily
deny the defendant’s application when:

(a) the defendant is required to register as a sex offender pursuant
to article six-C of the correction law; or
(b) the defendant has previously obtained sealing of the maximum
number of convictions allowable under section 160.58 of the criminal
procedure law; or
(c) the defendant has previously obtained sealing of the maximum
number of convictions allowable under subdivision four of this section;
or
(d) the time period specified in subdivision five of this section has
not yet been satisfied; or
(e) the defendant has an undisposed arrest or charge pending; or
(f) the defendant was convicted of any crime after the date of the
entry of judgement of the last conviction for which sealing is sought;
or
(g) the defendant has failed to provide the court with the required
sworn statement of the reasons why the court should grant the relief
requested; or
(h) the defendant has been convicted of two or more felonies or more
than two crimes.

4. Provided that the application is not summarily denied for the
reasons set forth in subdivision three of this section, a defendant who
stands convicted of up to two eligible offenses, may obtain sealing of
no more than two eligible offenses but not more than one felony offense.

5. Any eligible offense may be sealed only after at least ten years
have passed since the imposition of the sentence on the defendant’s
latest conviction or, if the defendant was sentenced to a period of
incarceration, including a period of incarceration imposed in conjunc-
tion with a sentence of probation, the defendant’s latest release from
incarceration. In calculating the ten year period under this subdivi-
sion, any period of time the defendant spent incarcerated after the
conviction for which the application for sealing is sought, shall be
excluded and such ten year period shall be extended by a period or peri-
ods equal to the time served under such incarceration.
6. Upon determining that the application is not subject to mandatory
denial pursuant to subdivision three of this section and that the appli-
cation is opposed by the district attorney, the sentencing judge or
county or supreme court shall conduct a hearing on the application in
order to consider any evidence offered by either party that would aid
the sentencing judge in his or her decision whether to seal the records
of the defendant's convictions. No hearing is required if the district
attorney does not oppose the application.

7. In considering any such application, the sentencing judge or county
or supreme court shall consider any relevant factors, including but not
limited to:
   (a) the amount of time that has elapsed since the defendant's last
   conviction;
   (b) the circumstances and seriousness of the offense for which the
defendant is seeking relief, including whether the arrest charge was not
   an eligible offense;
   (c) the circumstances and seriousness of any other offenses for which
   the defendant stands convicted;
   (d) the character of the defendant, including any measures that the
   defendant has taken toward rehabilitation, such as participating in
   treatment programs, work, or schooling, and participating in community
   service or other volunteer programs;
   (e) any statements made by the victim of the offense for which the
   defendant is seeking relief;
   (f) the impact of sealing the defendant's record upon his or her reha-
   bilitation and upon his or her successful and productive reentry and
   reintegration into society; and
   (g) the impact of sealing the defendant's record on public safety and
   upon the public's confidence in and respect for the law.

8. When a sentencing judge or county or supreme court orders sealing
pursuant to this section, all official records and papers relating to
the arrests, prosecutions, and convictions, including all duplicates and
copies thereof, on file with the division of criminal justice services
or any court shall be sealed and not made available to any person or
public or private agency except as provided for in subdivision nine of
this section; provided, however, the division shall retain any finger-
prints, palmprints and photographs, or digital images of the same. The
clerk of such court shall immediately notify the commissioner of the
division of criminal justice services regarding the records that shall
be sealed pursuant to this section. The clerk also shall notify any
court in which the defendant has stated, pursuant to paragraph (b) of
subdivision two of this section, that he or she has filed or intends to
file an application for sealing of any other eligible offense.

9. Records sealed pursuant to this section shall be made available to:
   (a) the defendant or the defendant's designated agent;
   (b) qualified agencies, as defined in subdivision nine of section
   eight hundred thirty-five of the executive law, and federal and state
   law enforcement agencies, when acting within the scope of their law
   enforcement duties; or
   (c) any state or local officer or agency with responsibility for the
   issuance of licenses to possess guns, when the person has made applica-
   tion for such a license; or
   (d) any prospective employer of a police officer or peace officer as
   those terms are defined in subdivisions thirty-three and thirty-four of
   section 1.20 of this chapter, in relation to an application for employ-
   ment as a police officer or peace officer; provided, however, that every
person who is an applicant for the position of police officer or peace
officer shall be furnished with a copy of all records obtained under
this paragraph and afforded an opportunity to make an explanation there-
to; or
(e) the criminal justice information services division of the federal
bureau of investigation, for the purposes of responding to queries to
the national instant criminal background check system regarding attempts
to purchase or otherwise take possession of firearms, as defined in 18
USC 921(a)(3).
10. A conviction which is sealed pursuant to this section is included
within the definition of a conviction for the purposes of any criminal
proceeding in which the fact of a prior conviction would enhance a
penalty or is an element of the offense charged.
11. No defendant shall be required or permitted to waive eligibility
for sealing pursuant to this section as part of a plea of guilty,
sentence or any agreement related to a conviction for an eligible
offense and any such waiver shall be deemed void and wholly enforceable.
§ 48-a. Subdivision 16 of section 296 of the executive law, as sepa-
rately amended by section 3 of part N and section 14 of part AAA of
chapter 56 of the laws of 2009, is amended to read as follows:
16. It shall be an unlawful discriminatory practice, unless specif-
ically required or permitted by statute, for any person, agency, bureau,
corporation or association, including the state and any political subdi-

cation or otherwise, or to act upon adversely to the individual
involved, any arrest or criminal accusation of such individual not then
pending against that individual which was followed by a termination of
that criminal action or proceeding in favor of such individual, as
defined in subdivision two of section 160.50 of the criminal procedure
law, or by a youthful offender adjudication, as defined in subdivision
one of section 720.35 of the criminal procedure law, or by a conviction
for a violation sealed pursuant to section 160.55 of the criminal proce-
dure law or by a conviction which is sealed pursuant to section 160.58
or 160.59 of the criminal procedure law, in connection with the licens-
ing, employment or providing of credit or insurance to such individual;
provided, further, that no person shall be required to divulge informa-
tion pertaining to any arrest or criminal accusation of such individual
not then pending against that individual which was followed by a termi-
nation of that criminal action or proceeding in favor of such individ-
ual, as defined in subdivision two of section 160.50 of the criminal
procedure law, or by a youthful offender adjudication, as defined in
subdivision one of section 720.35 of the criminal procedure law, or by a
conviction for a violation sealed pursuant to section 160.55 of the
criminal procedure law, or by a conviction which is sealed pursuant to
section 160.58 or 160.59 of the criminal procedure law. The provisions
of this subdivision shall not apply to the licensing activities of
governmental bodies in relation to the regulation of guns, firearms and
other deadly weapons or in relation to an application for employment as
a police officer or peace officer as those terms are defined in subdivi-
sions thirty-three and thirty-four of section 1.20 of the criminal
procedure law; provided further that the provisions of this subdivision
shall not apply to an application for employment or membership in any

conviction for a violation sealed pursuant to section 160.55 of the

Such additional state aid shall be made in an amount necessary to pay one hundred percent of the expenditures for evidence-based practices and juvenile risk and evidence-based intervention services provided to youth sixteen years of age or older when such services would not otherwise have been provided absent the provisions of a chapter of the laws of two thousand seventeen that increased the age of juvenile jurisdiction.

§ 103. The second undesignated paragraph of subdivision 4 of section 246 of the executive law, as added by chapter 479 of the laws of 1970, is amended to read as follows:

The director shall thereupon certify to the comptroller for payment by the state out of funds appropriated for that purpose, the amount to which the county or the city of New York shall be entitled under this section.

The commissioner of the division of criminal justice services may take into consideration granting additional state aid from an appropriation made for state aid for county probation services for counties or the city of New York when a county or the city of New York demonstrates that additional probation services were dedicated to intensive supervision programs and intensive programs for sex offenders. The commissioner shall grant additional state aid from an appropriation dedicated to juvenile risk intervention services coordination by probation departments which shall include, but not be limited to, probation services performed under article three of the family court act. The administration of such additional grants shall be made according to rules and regulations promulgated by the commissioner of the division of criminal justice services. Each county and the city of New York shall certify the total amount collected pursuant to section two hundred fifty-seven-c of this chapter. The commissioner of the division of criminal justice services shall thereupon certify to the comptroller for payment by the state out of funds appropriated for that purpose, the amount to which the county or the city of New York shall be entitled under this section.

The commissioner shall, subject to an appropriation made available for such purpose, establish and provide funding to probation departments for a continuum of evidence-based intervention services for youth alleged or adjudicated juvenile delinquents pursuant to article three of the family court act or for eligible youth before or sentenced under the youth part in accordance with the criminal procedure law.

Notwithstanding any other provision of law to the contrary, counties and the city of New York shall not be required to contribute a local share of eligible expenditures that would not have been incurred absent the provisions of a chapter of the laws of two thousand seventeen that added this section unless the most recent budget adopted by a county that is subject to the provisions of section three-c of the general municipal law exceeded the tax levy limit prescribed in such section or the local government is not subject to the provisions of section three-c of the general municipal law; provided, however, that the state budget director shall be authorized to waive any local share of expenditures associated with a chapter of the laws of two thousand seventeen that increased the age of juvenile jurisdiction above fifteen years of age, upon a showing of financial
hardship by a county or the city of New York upon application in the

section or part contained in any part of this act shall be adjudged by

not affect, impair, or invalidate the remainder thereof, but shall be
confined in its operation to the clause, sentence, paragraph, subdivi-
sion, section or part contained in any part thereof directly involved in
the controversy in which such judgment shall have been rendered. It is
hereby declared to be the intent of the legislature that this act would
have been enacted even if such invalid provisions had not been included
herein.

(a) Refunding bonds shall be issued only when the comptroller shall

§ 49. Subdivisions 1, 2 and 6 of section 57 of the state finance law, as amended by chapter 11 of the laws of 1994, are amended to read as follows:

1. Whenever the legislature, after authorization of a bond issue by the people at a general election, as provided by section eleven of article seven of the state constitution, or as provided by section three of article eighteen of the state constitution, shall have authorized, by one or more laws, the creation of a state debt or debts, bonds of the state, to the amount of the debt or debts so authorized, shall be issued and sold by the state comptroller. Any appropriation from the proceeds of the sale of bonds, pursuant to this section, shall be deemed to be an authorization for the creation of a state debt or debts to the extent of such appropriation. The state comptroller may issue and sell a single series of bonds pursuant to one or more such authorizations and for one or more duly authorized works or purposes. As part of the proceedings for each such issuance and sale of bonds, the state comptroller shall designate the works or purposes for which they are issued. It shall not be necessary for him to designate the works or purposes for which the bonds are issued on the face of the bonds. The proceeds from the sale of bonds for more than one work or purpose shall be separately accounted for according to the works or purposes designated for such sale by the comptroller and the proceeds received for each work or purpose shall be expended only for such work or purpose. The bonds shall bear interest at such rate or rates as in the judgment of the state comptroller may be sufficient or necessary to effect a sale of the bonds, and such interest shall be payable at least semi-annually, in the case of bonds with a fixed interest rate, and at least annually, in the case of bonds with an interest rate that varies periodically, in the city of New York unless annual payments of principal and interest result in substantially level or declining debt service payments over the life of an issue of bonds pursuant to paragraph (b) of subdivision two of this section or unless accrued interest is contributed to a sinking fund in accordance with subdivision three of section twelve of article seven of the state constitution, in which case interest shall be paid at such times and at
1. Such places as shall be determined by the state comptroller prior to issuance of the bonds.

2. Such bonds, or the portion thereof at any time issued, shall be made payable (a) in equal annual principal installments or (b) in annual installments of principal and interest which result in substantially level or declining debt service payments, over the life of the bonds, the first of which annual installments shall be payable not more than one year from the date of issue and the last of which shall be payable at such time as the comptroller may determine but not more than forty years \textit{or state fiscal years} after the date of issue, not more than fifty years after the date of issue in the case of housing bonds, and not more than twenty-five years in the case of urban renewal bonds. Where bonds are payable pursuant to paragraph (b) of this subdivision, except for the year \textit{or state fiscal year} of initial issuance if less than a full year of debt service is to become due in that year \textit{or state fiscal year}, either (i) the greatest aggregate amount of debt service payable in any year or state fiscal year shall not differ from the lowest aggregate amount of debt service payable in any other year or state fiscal year by more than five percent or (ii) the aggregate amount of debt service in each year or state fiscal year shall be less than the aggregate amount of debt service in the immediately preceding year or state fiscal year. For purposes of this subdivision, debt service shall include all principal, redemption price, sinking fund installments or contributions, and interest scheduled to become due. For purposes of determining whether debt service is level or declining on bonds issued with a variable rate of interest pursuant to paragraph b of subdivision four of this section, the comptroller shall assume a market rate of interest as of the date of issuance. Where the comptroller determines that interest on any bonds shall be compounded and payable at maturity, such bonds shall be payable only in accordance with paragraph (b) of this subdivision unless accrued interest is contributed to a sinking fund in accordance with subdivision three of section twelve of article seven of the state constitution. In no case shall any bonds or portion thereof be issued for a period longer than the probable life of the work or purpose, or part thereof, to which the proceeds of the bonds are to be applied, or in the alternative, the weighted average period of the probable life of the works or purposes to which the proceeds of the bonds are to be applied taking into consideration the respective amounts of bonds issued for each work or purpose, as may be determined under section sixty-one of this \textit{chapter} \textit{article} and in accordance with the certificate of the commissioner of general services, and/or the commissioner of transportation, state architect, state commissioner of housing and urban renewal, or other authority, as the case may be, having charge by law of the acquisition, construction, work or improvement for which the debt was authorized. Such certificate shall be filed in the office of the state comptroller and shall state the group, or, where the probable lives of two or more separable parts of the work or purposes are different, the groups, specified in such section, for which the amount or amounts, shall be provided by the issuance and sale of bonds. Weighted average period of probable life shall be determined by computing the sum of the products derived from multiplying the dollar value of the portion of the debt contracted for each work or purpose (or class of works or purposes) by the probable life of such work or purpose (or class of works or purposes) and dividing the resulting sum by the dollar value of the entire debt after taking into consideration any original issue discount. Any costs of issuance financed with bond proceeds shall be prorated among the various works or
purposes. Such bonds, or the portion thereof at any time sold, shall be of such denominations, subject to the foregoing provisions, as the state comptroller may determine. Notwithstanding the foregoing provisions of this subdivision, the comptroller may issue all or a portion of such bonds as serial debt, term debt or a combination thereof, maturing as required by this subdivision, provided that the comptroller shall have provided for the retirement each year or state fiscal year, or otherwise have provided for the payment of, through sinking fund installment payments or otherwise, a portion of such term bonds in an amount meeting the requirements of paragraph (a) or (b) of this subdivision or shall have established a sinking fund and provided for contributions thereto as provided in subdivision eight of this section and section twelve of article seven of the state constitution.

6. Except with respect to bonds issued in the manner provided in paragraph (c) of subdivision seven of this section, all bonds of the state of New York which the comptroller of the state of New York is authorized to issue and sell, shall be executed in the name of the state of New York by the manual or facsimile signature of the state comptroller and his seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced. In case the state comptroller who shall have signed and sealed any of the bonds shall cease to hold the office of state comptroller before the bonds so signed and sealed shall have been actually countersigned and delivered by the fiscal agent or trustee, such bonds may, nevertheless, be countersigned and delivered as herein provided, and may be issued as if the state comptroller who signed and sealed such bonds had not ceased to hold such office. Any bond of a series may be signed and sealed on behalf of the state of New York by such person as at the actual time of the execution of such bond shall hold the office of comptroller of the state of New York, although at the date of the bonds of such series such person may not have held such office. The coupons to be attached to the coupon bonds of each series shall be signed by the facsimile signature of the state comptroller of the state of New York or by any person who shall have held the office of state comptroller of the state of New York on or after the date of the bonds of such series, notwithstanding that such person may not have been such state comptroller at the date of any such bond or may have ceased to be such state comptroller at the date when any such bond shall be actually countersigned and delivered. The bonds of each series shall be countersigned with the manual signature of an authorized employee of the fiscal agent or trustee of the state of New York. No bond and no coupon thereunto appertaining shall be valid or obligatory for any purpose until such manual countersignature of an authorized employee of the fiscal agent or trustee of the state of New York shall have been duly affixed to such bond.

§ 50. Sections 58, 59 and 60 of the state finance law are REPEALED.

§ 51. Section 62 of the state finance law, as amended by chapter 219 of the laws of 1999, is amended to read as follows:

§ 62. Replacement of lost certificates. The comptroller, who may act through his duly authorized fiscal agent or trustee appointed pursuant to section sixty-five of this article, may issue to the lawful owner of any certificate or bond issued by him in behalf of this state, which he or such duly authorized fiscal agent or trustee is satisfied, by due proof filed in his office or with such duly authorized fiscal agent or trustee, has been lost or casually destroyed, a new certificate or bond, corresponding in date, number and amount with the certificate or bond so lost or destroyed, and expressing on its face that it is a renewed
certificate or bond. No such renewed certificate or bond shall be issued unless sufficient security is given to satisfy the lawful claim of any person to the original certificate or bond, or to any interest therein. The comptroller shall report annually to the legislature the number and amount of all renewed certificates or bonds so issued. If the renewed certificate is issued by the state's duly authorized fiscal agent or trustee and such agent or trustee agrees to be responsible for any loss suffered as a result of unauthorized payment, the security shall be provided to and approved by the fiscal agent or trustee and no additional approval by the comptroller or the attorney general shall be required.

Notwithstanding any other provision of law to the contrary, for the two thousand sixteen--two thousand seventeen school year the total foundation aid shall not be less than the sum of the total foundation aid base computed pursuant to paragraph j of subdivision one of this section plus the due minimum for the two thousand sixteen--two thousand seventeen school year, where such due minimum shall equal the difference of (1) the product of (A) two percent (0.02) multiplied by (B) the difference of total foundation aid for the base year less the gap elimination adjustment for the base year, less (2) the sum of (A) the difference of the amounts set forth for each school district as "FOUNDATION AID" under the heading "2016-17 ESTIMATED AIDS" in the school aid computer listing produced by the commissioner in support of the executive budget request for the two thousand sixteen--two thousand seventeen school year and entitled "BT161-7" less the amounts set forth for each school district as "FOUNDATION AID" under the heading "2015-16 BASE YEAR AIDS" in such computer listing plus (B) the gap elimination adjustment for the base year.

b-3. Due minimum for the two thousand seventeen--two thousand eighteen school year. Notwithstanding any other provision of law to the contrary, for the two thousand seventeen--two thousand eighteen school year the total foundation aid shall not be less than (A) the sum of the total foundation aid base computed pursuant to paragraph j of subdivision one of this section plus the product of (i) the difference of the amount set forth for such school district as "FOUNDATION AID" under the heading "2017-18 ESTIMATED AIDS" in the school aid computer listing produced by the commissioner in support of the executive budget request for the two thousand seventeen--two thousand eighteen school year and entitled "BT171-8" less the amount set forth for such school district as "FOUNDATION AID" under the heading "2016-17 BASE YEAR AIDS" in the school aid computer listing produced by the commissioner in support of the executive budget request for the two thousand seventeen--two thousand eighteen school year and entitled "BT171-8" multiplied by (ii) one and eighteen one-hundredths (1.18), or (B) the product of forty-four and seventy-five one-hundredths percent (0.4475) multiplied by total foundation aid as computed pursuant to paragraph a of this subdivision, or (C) the sum of the total foundation aid base computed pursuant to paragraph j of subdivision one of this section plus the due minimum for the two thousand seventeen--two thousand eighteen school year, where such due minimum shall equal (1) for school districts with a census 2000 poverty rate computed pursuant to paragraph q of subdivision one of this section, equal to or greater than eleven and nine-tenths percent (0.119), the product of the foundation aid base for the two thousand seventeen--two thousand eighteen school year computed pursuant to subparagraph (iii) of paragraph j of subdivision one of this section multiplied by three hundred thirty-five ten-thousandths (0.0335), or (2)
for all other school districts the product of the foundation aid base
for the two thousand seventeen--two thousand eighteen school year
computed pursuant to subparagraph (iii) of paragraph j of subdivision
one of this section multiplied by two and seventy-four one-hundredths
percent (0.0274).

b-4. Additional increase for the two thousand seventeen-two thousand
eighteen school year. For the two thousand seventeen--two thousand eigh-
teen school year, any school district eligible to receive a phase-in
foundation increase pursuant to this subdivision shall receive an addi-
tional foundation increase equal to the sum of tiers A, B, C, and D as
defined herein.

(i) Tier A. For all school districts other than a district within a
city with a population of one million or more, with a combined wealth
ratio less than two (2.0), where either (A) the quotient arrived at by
dividing the English language learner count pursuant to paragraph o of
subdivision one of this section for the base year by the public school
district enrollment for the base year pursuant to paragraph n of subdi-
vision one of this section is greater than two one-hundredths (0.02) or
(B) the quotient arrived at by dividing the difference of the English
language learner count pursuant to paragraph o of subdivision one of
this section for the base year less such count for one year prior to the
base year by the public school district enrollment for one year prior to
the base year pursuant to paragraph n of subdivision one of this section
is greater than one one-thousandth (0.001), tier A shall equal the prod-
uct of (A) the difference of two minus the combined wealth ratio multi-
plied by (B) one hundred dollars ($100.00) multiplied by (C) the English
language learner count for the base year.

(ii) Tier B. For any school district (A) where the amount set forth as
"25% LIMIT CAP ON INCREASE" on the computer file produced by the commis-
sioner in support of the enacted budget for the two thousand seven--two
thousand eight school year and entitled "SA070-8" is less than zero and
(B) with a combined wealth ratio computed pursuant to paragraph c of
subdivision three of this section greater than one (1.0), tier B shall
equal the product of (A) the sum of (1) the difference of total founda-
tion aid less the foundation aid base plus (2) the difference of the
amount set forth for such school district as "FOUNDATION AID" under the
heading "2017-18 ESTIMATED AIDS" in the school aid computer listing
produced by the commissioner in support of the executive budget request
and entitled "BT1718" less the foundation aid base multiplied by (B) ten
and two-tenths percent (0.102).

(iii) Tier C. For all school districts with a combined wealth ratio
for total foundation aid computed pursuant to paragraph c of subdivision
three of this section less than one (1.0), tier C shall be the greater
of (A) for districts that were designated as small city school districts
or central school districts whose boundaries include a portion of a
small city for the school aid computer listing produced by the commis-
sioner in support of the enacted budget for the two thousand fourteen--
two thousand fifteen school year and entitled "SA1415", the product of
the public school district enrollment for the base year pursuant to
paragraph n of subdivision one of this section multiplied by one hundred
sixty-seven dollars and forty cents ($167.40) or (B) for school
districts with a sparsity factor as set forth on the computer listing
produced by the commissioner in support of the enacted budget for the
two thousand seventeen--two thousand eighteen school year and entitled
"SA171-8" of greater than zero, the product of the public school
district enrollment for the base year multiplied by one hundred eighty-
eight dollars ($188.00).

(iv) Tier D. For all school districts, other than districts within a
city with a population of one hundred twenty-five thousand or more, with
a selected poverty rate of greater than eighteen hundredths (0.18), tier
D shall equal the product of the selected poverty rate multiplied by the
school district public enrollment for the base year multiplied by two
hundred forty dollars ($240.00), provided, however, that for districts
within a city with a population of greater than one hundred twenty-five
thousand but less than one million and a selected poverty rate of great-
er than eighteen hundredths (0.18), tier D shall equal the product of
the selected poverty rate multiplied by school district public enroll-
ment for the base year multiplied by three hundred forty-four dollars
($344.00), and for a city school district in a city with a population of
one million or more, tier D shall equal the product of the selected
poverty rate multiplied by school district public enrollment for the
base year multiplied by twenty-nine cents ($0.29).

c. Public excess cost aid setaside. Each school district shall set
aside from its total foundation aid computed for the current year pursu-
ant to this subdivision an amount equal to the product of: (i) the
difference between the amount the school district was eligible to
receive in the two thousand six--two thousand seven school year pursuant
to or in lieu of paragraph six of subdivision nineteen of this section
as such paragraph existed on June thirtieth, two thousand seven, minus
the amount such district was eligible to receive pursuant to or in lieu
of paragraph five of subdivision nineteen of this section as such para-
graph existed on June thirtieth, two thousand seven, in such school
year, and (ii) the sum of one and the percentage increase in the consum-
er price index for the current year over such consumer price index for
the two thousand six--two thousand seven school year, as computed pursu-
ant to section two thousand twenty-two of this chapter. Notwithstanding
any other provision of law to the contrary, the public excess cost aid
setaside shall be paid pursuant to section thirty-six hundred nine-b of
this part.

d. For the two thousand fourteen--two thousand fifteen through two
thousand sixteen--two thousand seventeen--two thousand eighteen
school years a city school district of a city having a population of one
million or more may use amounts apportioned pursuant to this subdivision
for afterschool programs.

e. Community schools aid set-aside. Each school district shall set
aside from its total foundation aid computed for the current year pursu-
ant to this subdivision an amount equal to [the following amount, if
any, for such district and] the sum of (i) the amount, if any, set forth
for such district as "COMMUNITY SCHL AID (BT1617)" in the data file
produced by the commissioner in support of the enacted budget for the
two thousand sixteen--two thousand seventeen school year and entitled
"SA161-7" and (ii) the amount, if any, set forth for such district as
"COMMUNITY SCHL INCR" in the data file produced by the commissioner in
support of the executive budget request for the two thousand seventeen--
two thousand eighteen school year and entitled "BT171-8". Each school
district shall use [the] such "COMMUNITY SCHL AID (BT1617)" amount [set
aside] to support the transformation of school buildings into commu-
nity hubs to deliver co-located or school-linked academic, health,
mental health, nutrition, counseling, legal and/or other services to
students and their families, including but not limited to providing a
community school site coordinator, or to support other costs incurred to
maximize students' academic achievement[\textsuperscript{*}]. Each school district shall use such "COMMUNITY SCHL INCR" amount to support the transformation of school buildings into community hubs to deliver co-located or school-linked academic, health, mental health services and personnel, after-school programming, dual language programs, nutrition, counseling, legal and/or other services to students and their families, including but not limited to providing a community school site coordinator and programs for English language learners, or to support other costs incurred to maximize students' academic achievement, provided however that a school district whose "COMMUNITY SCHL INCR" amount exceeds one million dollars ($1,000,000) shall use an amount equal to the greater of one hundred fifty thousand dollars ($150,000) or ten percent of such "COMMUNITY SCHL INCR" amount to support such transformation at schools with extraordinary high levels of student need as identified by the commissioner, subject to the approval of the director of the budget.

Applications for reimbursement pursuant to this section must be received by August first of each year for schools to be reimbursed for the salaries of eligible teachers in the prior year.

(b) Pursuant to paragraph (a) of this subdivision, reimbursement for eligible teachers shall be the average comparable teacher salary and personal service, per subject area, of public school teachers in the school district in which such nonpublic schools are located, multiplied by the percentage of full time equivalent secular instructional hours completed in the school day per subject area.
