AN ACT to amend the education law, in relation to mandatory continuing education for nurses

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 6912  
2 to read as follows:

3 § 6912. Mandatory continuing education for registered professional  
4 nurses. 1. (a) Each licensed registered professional nurse required  
5 under this article to register triennially with the department to prac-  
6 tice in the state shall comply with provisions of the mandatory continu-  
7 ing education requirements prescribed in subdivision two of this section  
8 except as set forth in paragraphs (b) and (c) of this subdivision. Nurs-  
9 es who do not satisfy the mandatory continuing education requirements  
10 shall not practice until they have met such requirements, and have been  
11 issued a registration certificate, except that a nurse may practice  
12 without having met such requirements if he or she is issued a condi-  
13 tional registration certificate pursuant to subdivision three of this  
14 section.

15 (b) Registered professional nurses shall be exempt from the mandatory  
16 continuing education requirement for the triennial registration period  
17 during which they are first licensed. In accord with the intent of this  
18 section, adjustment to the mandatory continuing education requirement  
19 may be granted by the department for reasons of health certified by an  
20 appropriate health care professional, for extended active duty with the  
21 armed forces of the United States, or for other good cause acceptable to  
22 the department which may prevent compliance.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 (c) A licensed registered professional nurse not engaged in practice  
2 as determined by the department, shall be exempt from the mandatory  
3 continuing education requirement upon the filing of a statement with the  
4 department declaring such status. Any licensee who returns to the prac-  
5 tice of registered professional nursing during the triennial registra-  
6 tion period shall notify the department prior to reentering the profes-  
7 sion and shall meet such mandatory education requirements as shall be  
8 prescribed by regulations of the commissioner.

9 2. During each triennial registration period an applicant for regis-  
10 tration shall complete a minimum of forty-five hours of acceptable  
11 formal continuing education, as specified in subdivision four of this  
12 section. Any registered professional nurse whose first registration date  
13 following the effective date of this section occurs less than three  
14 years from such effective date, shall complete continuing education  
15 hours on a prorated basis at the rate of one and one quarter hour per  
16 month for the period beginning January first, two thousand nineteen up  
17 to the first registration date thereafter. A licensee who has not satis-  
18 fied the mandatory continuing education requirements shall not be issued  
19 a triennial registration certificate by the department and shall not  
20 practice unless and until a conditional registration certificate is  
21 issued as provided for in subdivision three of this section.

22 3. The department, in its discretion, may issue a conditional regis-  
23 tration to a licensee who fails to meet the continuing education  
24 requirements established in subdivision two of this section but who  
25 agrees to make up any deficiencies and complete any additional education  
26 which the department may require. The fee for such a conditional regis-  
27 tration shall be the same as, and in addition to, the fee for the trien-  
28 niel registration. The duration of such conditional registration shall  
29 be determined by the department but shall not exceed one year. Any  
30 licensee who is notified of the denial of registration for failure to  
31 submit evidence, satisfactory to the department, of required continuing  
32 education and who practices registered professional nursing without such  
33 registration, may be subject to disciplinary proceedings pursuant to  
34 section sixty-five hundred ten of this title.

35 4. As used in subdivision two of this section, "acceptable formal  
36 continuing education" shall mean formal courses of learning that are  
37 acceptable to the department, including courses in an accredited and  
38 approved registered professional nursing degree or certificate program,  
39 which contribute to professional practice as a registered professional  
40 nurse and which meet the standards prescribed by regulations of the  
41 commissioner.

42 5. Registered professional nurses shall maintain adequate documenta-  
43 tion of completion of acceptable formal continuing education and shall  
44 provide such documentation at the request of the department.

45 6. The mandatory continuing education fee shall be forty-five dollars,  
46 shall be payable on or before the first day of each triennial registra-  
47 tion period, and shall be paid in addition to the triennial registration  
48 fee required by section sixty-nine hundred five of this article.

49 § 2. This act shall take effect January 1, 2019; provided that any  
50 rules and regulations necessary to implement the provisions of this act  
51 on its effective date are authorized and directed to be promulgated,  
52 repealed and/or amended by such effective date.
