STATE OF NEW YORK

2094

2017-2018 Regular Sessions

IN SENATE

January 12, 2017

Introduced by Sen. SEWARD -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to Type 1 diabetes testing of children

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 2500-1 to read as follows:

3

7

8

- § 2500-1. Type 1 diabetes; testing of children. 1. Every child who 4 receives health services as an inpatient in a general hospital defined in subdivision ten of section twenty-eight hundred one of this chapter 6 or who receives primary care services in an outpatient department of such hospital or in a diagnostic and treatment center licensed under article twenty-eight of this chapter or from a physician, physicians 9 assistant or nurse practitioner providing primary care who presents with 10 two or more symptoms for Type 1 diabetes shall be provided a primary 11 screening of a random blood sugar test.
- 2. Where a child's random blood sugar test indicates a high blood 12 13 glucose reading, the health care provider shall conduct a glycated hemo-14 globin (A1C) test.
- 15 3. If the A1C test indicates diabetes, the health care provider shall 16 either offer the child follow-up health care or refer the parent or guardian of the child to a health care provider who can provide follow-17 18 up health care.
- 19 4. This section shall not affect the scope of practice of a health 20 <u>care practitioner</u>.
- 21 5. The commissioner shall promulgate such rules and regulations neces-22 sary to carry out the requirements of this section.
- § 2. This act shall take effect on the one hundred eightieth day after 23 24 it shall have become a law.

EXPLANATION -- Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
