AN ACT to amend the agriculture and markets law and the environmental conservation law, in relation to prohibiting the use of elephants in entertainment acts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "elephant protection act".  
3 § 2. Legislative findings. The legislature hereby finds that:  
4 a. elephant abuse is a matter of worldwide concern, and the state as a  
5 recognized environmental leader should help assure the protection and  
6 welfare of elephants;  
7 b. it is widely recognized that elephants used for entertainment  
8 purposes ("entertainment elephants") suffer physical and psychological  
9 harm due to the living conditions and treatment to which they are  
10 subjected, resulting in increased mortality with life spans only one-  
11 half as long as wild elephants;  
12 c. entertainment elephants are trained with cruel techniques that  
13 involve the use of objects to control and punish, such as bullhooks,  
14 electric shocks, metal bars, whips, chaining, and other forms of phys-  
15 ical restriction and painful coercion;  
16 d. entertainment elephants live in conditions that are in no way simi-  
17 lar to their natural habitat, including an unnatural diet, restricted  
18 movement, inappropriate housing and a hostile climate;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD02319-18-7

1 e. entertainment elephants are subjected to confinement and social  
2 isolation, leading to physiological, behavioral and psychological  
3 impairments;

4 f. entertainment elephants transported into the state spend a signif-  
5 icant portion of their lives inside trucks, trains or trailers, enduring  
6 additional physical restrictions and social isolation;

7 g. the use of elephants in entertainment provides a false and inaccu-  
8 rate educational experience for children and adults, often including  
9 performance tricks that are never executed by elephants in the wild and  
10 that are stressful or harmful to the animal; and

11 h. it is in the best interest of the state that the use of elephants  
12 in entertainment be prohibited, and that the state use its authority to  
13 aid in the protection and welfare of these animals.

14 § 3. The agriculture and markets law is amended by adding a new  
15 section 380 to read as follows:

16 § 380. Use of elephants in entertainment acts. 1. No person shall use

44 entertainment acts.

45 The department shall not issue any license or permit that would  
46 authorize the use of an elephant in an entertainment act pursuant to
