FELDER -- read twice and ordered printed, and when printed to be committed to the Committee on Health -- recommitted to the Committee on Health in accordance with Senate Rule 6, sec. 8 -- reported favorably from said committee, ordered to first and second report, ordered to a third reading, amended and ordered reprinted, retaining its place in the order of third reading

AN ACT to amend the public health law, in relation to requiring physicians and hospitals in a city with a population of one million or more to obtain the name of the school attended by school-aged patients and to include this information in their admission registration forms

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 230-e to read as follows:

§ 230-e. Registration requirements. Every physician practicing in a city with a population of one million or more shall inquire and document as part of his or her patient registration, the name and address of the school attended by such physician's school-aged patients and include such information in the patients' medical registration form.

§ 2. The public health law is amended by adding a new section 2805-z to read as follows:

§ 2805-z. Admission registration requirements. All general hospitals in a city with a population of one million or more shall inquire and document the name and address of the school attended by school-aged patients upon admission, and include such information on the hospitals' admission registration form.

§ 3. This act shall take effect one year after the date upon which it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
