AN ACT to amend the real property tax law, in relation to telecommunications equipment

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraphs (d) and (i) of subdivision 12 of section 102 of
2 the real property tax law, as added by chapter 416 of the laws of 1987,
3 are amended to read as follows:

4 (d) When owned by a telephone company all telephone and telegraph
5 lines, wires, poles, supports [~~and~~], inclosures [~~for electrical conduc-~~
6 ~~tors~~], and conduits for conducting or transmitting electricity, power,
7 light or other energy or substance, upon, above and underground. For
8 purposes of this paragraph the term "real property" shall not include
9 station connections and the term "telephone company" shall mean a compa-
10 ny subject to regulation by the public service commission which
11 provides, to the general public within its local exchange area, non-cel-
12 lular switched local exchange telephone service at the points of origi-
13 nation and termination of the signal.

14 (i) When owned by other than a telephone company as such term is
15 defined in paragraph (d) [~~hereof~~] of this subdivision, all lines, wires,
16 poles, supports [~~and~~], inclosures [~~for electrical conductors~~], and
17 conduits for conducting or transmitting electricity, power, light or
18 other energy or substance, upon, above and underground used in
19 connection with the transmission or switching of electromagnetic voice,
20 video and data signals between different entities separated by air,
21 street or other public domain, except that such property shall not
22 include: (A) station connections; (B) fire and surveillance alarm system
23 property; (C) such property used in the transmission of news wire
24 services; and (D) such property used in the transmission of news or
