Introduced by Sens. AN ACT to amend the labor law, in relation to establishing the youth apprenticeship program; and making an appropriation therefor (Part A); to amend the education law, in relation to establishing the enhanced regents professional diploma (Part B); and to amend the tax law, in relation to establishing a youth apprenticeship tax credit (Part C)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "learning  
2 for work act".  
3 § 2. Legislative findings and intent. According to a recent college  
4 and career readiness study released by the New York state education  
5 department, only thirty-five percent of high school graduates are  
6 college or career ready. This lack of preparedness has driven many high  
7 school graduates into low-paying jobs, or college degree programs that  
8 they are not interested in, fail to lead to careers and result in an  
9 unreasonably high amount of student debt. For many current and future  
10 high school students, the traditional pathway of a basic high school  
11 education and then on to a four-year college may not be the correct  
12 route to take. These students would benefit from a program that would  
13 prepare them for employment immediately upon graduating high school.  
14 Therefore, the legislature finds it necessary to establish this "learn-  
15 ing for work" program in our high schools that will create a youth  
16 apprenticeship program, an enhanced regents professional diploma with a  
17 designation in a specified occupational area and a tax credit for  
18 employers who take part in the youth apprenticeship program. This would

1 further the goals of limiting the accumulation of unsustainable student  
2 debt, and ensuring all students in the state of New York are prepared to  
3 enter the twenty-first century workforce.

4 § 3. This act enacts into law major components of legislation which  
5 are necessary to implement the "learning for work act". Each component  
6 is wholly contained within a Part identified as Parts A through C. The  
7 effective date for each particular provision contained within such Part  
8 is set forth in the last section of such Part. Any provision in any  
9 section contained within a Part, including the effective date of the  
10 Part, which makes a reference to a section "of this act", when used in  
11 connection with that particular component, shall be deemed to mean and  
12 refer to the corresponding section of the Part in which it is found.  
13 Section five of this act sets forth the general effective date of this  
14 act.

15 PART A

16 Section 1. The labor law is amended by adding a new article 23-C to  
17 read as follows:
