

STATE OF NEW YORK

2581

2017-2018 Regular Sessions

IN SENATE

January 13, 2017

Introduced by Sen. HELMING -- read twice and ordered printed, and when printed to be committed to the Committee on Investigations and Government Operations

AN ACT to amend the state law, in relation to making English the official language of New York state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The state law is amended by adding a new article 9 to read
2 as follows:

ARTICLE 9

OFFICIAL STATE LANGUAGE

Section 130. Legislative findings and intent.

131. Short title.

132. Official state language.

8 § 130. Legislative findings and intent. The legislature hereby finds
9 that, the state is comprised of individuals from many ethnic, cultural,
10 and linguistic backgrounds, and continues to benefit from this rich
11 diversity. Throughout the history of New York and the United States, the
12 common thread binding individuals of differing backgrounds has been the
13 English language. Command of the English language is necessary to
14 participate in and take full advantage of the opportunities afforded by
15 American life. Absent a rudimentary command of the English language,
16 citizens of this state are not able to make their voices heard in the
17 legislative process, effectively exercise their right to vote, or fully
18 understand the rights afforded them by the United States and New York
19 Constitutions. Such citizens also have a more difficult time finding
20 gainful employment, affordable housing, health insurance, and otherwise
21 availing themselves of the full benefits of American life for themselves
22 and their families.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
