5 the provisions of this section. Deposits into the fund may include  
6 revenues of the municipality from whatever source and shall include, at  
7 a minimum, all revenues from a tax imposed upon the transfer of real  
8 property interests in such municipality pursuant to section fourteen  
9 hundred forty-nine-bbbbbbb of the tax law. The fund shall also be author-

12 by funds deposited into the fund shall be credited to the fund. In no  
13 event shall monies deposited in the fund be transferred to any other  
14 account or used for any purpose other than community preservation.  
15 Monies of a municipality's community preservation fund may be expended  
16 jointly with one or more other municipalities for the benefit of the  
17 residents of all municipalities contributing to such joint expenditure.  
18 Nothing contained in this subdivision shall be construed to prevent the  
19 financing, in whole or in part, pursuant to the local finance law, of  
20 any acquisition authorized pursuant to this section. Monies from the  
21 fund may be utilized to repay any indebtedness or obligations incurred  
22 pursuant to the local finance law consistent with effectuating the  
23 purposes of this section.

24 (b) Nothing in this section shall be construed to supersede, affect,  
25 impair or invalidate any provision of section sixty-four-e or sixty-  
26 four-f of the town law. Nothing in section sixty-four-e or sixty-four-f  
27 of the town law shall affect or impair the authority of the towns of  
28 Brookhaven, East Hampton, Riverhead, Shelter Island, Southampton and  
29 Southold to establish by local law a community preservation fund pursu-  
30 ant to the provisions of this section.

31 3. The purposes of the fund shall be exclusively:

32 (a) to implement a plan for the preservation of community character in  
33 accordance with this section;

34 (b) to acquire interests or rights in real property for the preserva-  
35 tion of community character within the municipality including villages  
36 therein, in accordance with such plan and in cooperation with willing  
37 sellers;

38 (c) to establish a bank pursuant to a transfer of development rights  
39 program consistent with the applicable provisions of section two hundred  
40 sixty-one-a of the town law and section twenty-f of the general city  
41 law; and

42 (d) to provide for the management and stewardship of such interests  
43 and rights consistent with subdivision eight of this section and in  
44 accordance with such plan designed to preserve community character;  
45 provided that not more than ten percent of the fund shall be utilized  
46 for such management and stewardship program.

47 4. If the implementation of the community preservation project plan  
48 adopted by a municipal legislative body as provided in subdivision seven  
49 of this section has been completed and funds are no longer needed for  
50 the purposes outlined in this subdivision, then any remaining monies in  
51 the fund shall be applied to reduce any bonded indebtedness or obli-  
52 gations incurred to effectuate the purposes of this section.

53 5. Preservation of community character shall involve one or more of  
54 the following:

55 (a) preservation of open space;

56 (b) establishment of parks, nature preserves, or recreation areas;

1 (c) preservation of land which is predominantly viable agricultural  
2 land, as defined in subdivision seven of section three hundred one of

23 of the establishment of a greenbelt.

24 6. The municipal legislative body of any municipality which has estab-  
25 lished a community preservation fund shall create an advisory board to  
26 review and make recommendations to the municipal legislative body on  
27 proposed acquisitions of interests in real property using monies from  
28 the fund. No member of the municipal legislative body shall serve on the  
29 advisory board. The members and the chairperson shall be appointed by  
30 the municipal legislative body. Such advisory board shall consist of  
31 five or seven residents of the municipality who shall serve without  
32 compensation. No member of the local legislative body shall serve on  
33 the board. A majority of the members of the board shall have demon-  
34 strated experience with land conservation or historic preservation. The  
35 municipal legislative body shall make a reasonable effort to appoint at  
36 least one active farmer to the board. In any county that has a county  
37 agricultural and farmland protection board established pursuant to  
38 section three hundred two of the agriculture and markets law, the munic-  
39 ipal legislative body shall make a reasonable effort to appoint at least  
40 one member of the county agricultural and farmland protection board to  
41 the advisory board. The terms of members of the board first appointed  
42 shall be so fixed that the term of one member shall expire at the end of  
43 the municipal official year in which such members were initially  
44 appointed. The terms of the remaining members first appointed shall be  
45 so fixed that the term shall expire at the end of each official year  
46 thereafter. At the expiration of the term of each member first  
47 appointed, his or her successor shall be appointed for a term which  
48 shall be equal in years to the number of members of the advisory board.

49 7. The municipal legislative body of any municipality which has estab-  
50 lished a community preservation fund shall, by local law, adopt a commu-  
51 nity preservation project plan. This plan shall list every project  
52 which the municipality plans to undertake pursuant to the community  
53 preservation fund. It shall include every parcel which is necessary to  
54 be acquired in the municipality in order to protect community character.  
55 Such plan shall provide for a detailed evaluation of all available land

1 use alternatives to protect community character, including but not  
2 limited to:

- 3 (a) fee simple acquisition;
- 4 (b) zoning regulations, including density reductions, cluster develop-
- 5 ment, and site plan and design requirements;
- 6 (c) transfer of development rights;
- 7 (d) the purchase of development rights; and
- 8 (e) scenic and conservation easements.

9 Such evaluation shall be as specific as practicable as to the parcels  
10 selected for inclusion in the plan. The plan shall establish the priori-  
11 ties for preservation. Funds from the community preservation fund may  
12 only be expended for projects which have been included in the plan. Such  
13 plan shall be updated not less than once every five years. A copy of  
14 the plan shall be filed with the commissioners of environmental conser-  
15 vation, agriculture and markets, and the office of parks, recreation and  
16 historic preservation, the secretary of state, and with the clerk of the  
17 municipality and, where practical, posted on the municipality's website.  
18 Such plan shall be completed at least sixty days before the submission  
19 of the mandatory referendum required by section fourteen hundred forty-  
20 nine-bbbbbbb of the tax law.

21 8. Any municipal legislative body which has established a community  
22 preservation fund pursuant to this section may study and consider estab-  
23 lishing a transfer of development rights program to protect community  
24 character as provided for by section two hundred sixty-one-a of the town  
25 law or section twenty-f of the general city law. If at any time during  
26 the life of the community preservation fund a transfer of development  
27 rights program is established, the municipality may utilize monies from  
28 the community preservation fund in order to create and fund a central  
29 bank of the transfer of development rights program. If at any time  
30 during the life of the community preservation fund, a transfer of devel-  
31 opment rights program is repealed by the municipal legislative body, all  
32 monies from the central bank shall be returned to the community preser-  
33 vation fund.

34 9. No interests or rights in real property shall be acquired pursuant  
35 to this section until notice is provided and a public hearing is held as  
36 required by section two hundred forty-seven of this article; provided,  
37 however, that nothing pursuant to this section shall prevent the municip-  
38 al legislative body from entering into a conditional purchase agreement  
39 before a public hearing is held. Any resolution of a municipal legisla-  
40 tive body approving an acquisition of interests or rights in real prop-  
41 erty pursuant to this section shall find that such acquisition was the  
42 best alternative for the protection of community character of all the  
43 reasonable alternatives available to the municipality.

44 10. Rights or interests in real property acquired pursuant to this  
45 section shall be administered and managed in a manner which:

46 (a) allows public use and enjoyment in a manner compatible with the  
47 natural, scenic, historic, and open space character of such lands or  
48 with the sustainable forestry use of such lands;

49 (b) preserves the native biological diversity of such lands;

50 (c) with regard to open spaces, limits improvements to enhancing  
51 access for passive use of such lands such as nature trails, board walks,  
52 hiking trails, snowshoe and cross-country ski trails, bicycle paths, and  
53 peripheral parking areas provided that such improvements do not degrade  
54 the ecological value of the land or threaten essential wildlife habitat;  
55 and

1 (d) preserves cultural property consistent with accepted standards for  
2 historic preservation.

3 Notwithstanding any other provision of this subdivision, there shall  
4 be no right to public use and enjoyment of land used in conjunction with  
5 a farm operation as defined by subdivision eleven of section three  
6 hundred one of the agriculture and markets law. In furthering the  
7 purposes of this section, the municipality may enter into agreements  
8 with corporations organized under the not-for-profit corporation law  
9 that engage in land trust activities to manage lands including less than  
10 fee interests acquired pursuant to the provisions of this section,  
11 provided that any such agreement shall contain a provision that such  
12 corporation shall keep and manage the lands consistent with this  
13 section.

14 11. Rights or interests in real property acquired with monies from  
15 such fund shall not be sold, leased, exchanged, donated, or otherwise  
16 disposed of or used for other than the purposes permitted by this  
17 section without the express authority of an act of the state legisla-  
18 ture, which shall provide for the substitution of other lands of equal  
19 environmental, historical, or agricultural value and fair market value  
20 and reasonably equivalent usefulness and location to those to be discon-  
21 tinued, sold or disposed of, and such other requirements as shall be  
22 approved by the state legislature. Any conservation easements, created  
23 under title three of article forty-nine of the environmental conserva-  
24 tion law, which are acquired with monies from such fund, may only be  
25 modified or extinguished as provided by section 49-0307 of the environ-  
26 mental conservation law. Nothing in this section shall preclude a muni-  
27 cipality, by local law, from establishing additional restrictions to the  
28 alienation of rights or interests in real property acquired pursuant to  
29 this section. This subdivision shall not apply to the sale of develop-  
30 ment rights by a municipality acquired pursuant to this section, where  
31 such sale is made by a development rights bank created by a munici-  
32 pality, pursuant to a transfer of development rights program established  
33 by a municipality pursuant to the applicable provisions of section two  
34 hundred sixty-one-a of the town law or section twenty-f of the general  
35 city law, provided, however:

36 (a) that the lands from which such development rights were acquired  
37 shall remain preserved in perpetuity by a permanent conservation or  
38 other instrument that similarly preserves the community character refer-  
39 enced in subdivision five of this section; and

40 (b) the proceeds from such sale shall be deposited in the community  
41 preservation fund.

31 because the buyer has failed to pay the tax, such tax shall be the joint  
32 and several liability of the buyer and the seller.

33     2. For the purpose of the proper administration of this article and to  
34 prevent evasion of the tax hereby imposed, it shall be presumed that all  
35 conveyances are subject to the tax. Where the consideration includes  
36 property other than money, it shall be presumed that the consideration  
37 is the fair market value of the real property or interest therein. These  
38 presumptions shall prevail until the contrary is proven, and the burden  
39 of proving the contrary shall be on the person liable for payment of the  
40 tax.

41     § 1449-eeeeeee. Exemptions. 1. The following shall be exempt from the  
42 payment of the tax:

43     (a) The state of New York, or any of its agencies, instrumentalities,  
44 political subdivisions, or public corporations (including a public  
45 corporation created pursuant to an agreement or compact with another  
46 state or the Dominion of Canada); and

47     (b) The United Nations, the United States of America or any of its  
48 agencies or instrumentalities.

49     2. The tax shall not apply to any of the following conveyances:

50     (a) Conveyances to the United Nations, the United States of America,  
51 the state of New York, or any of their instrumentalities, agencies or  
52 political subdivisions or any public corporation (including a public  
53 corporation created pursuant to agreement or compact with another state  
54 or the Dominion of Canada);

55     (b) Conveyances which are or were used to secure a debt or other obli-  
56 gation;

1 (c) Conveyances which, without additional consideration, confirm,  
2 correct, modify or supplement a deed previously recorded;

3 (d) Conveyances of real property without consideration and otherwise  
4 than in connection with a sale, including deeds conveying realty as bona  
5 fide gifts;

6 (e) Conveyances given in connection with a tax sale;

7 (f) Conveyances to effectuate a mere change of identity or form of  
8 ownership or organization where there is no change in beneficial owner-  
9 ship, other than conveyances to a cooperative housing corporation of the  
10 real property comprising the cooperative dwelling or dwellings;

11 (g) Conveyances which consist of a deed of partition;

12 (h) Conveyances given pursuant to the federal bankruptcy act;

13 (i) Conveyances of real property which consist of the execution of a  
14 contract to sell real property without the use or occupancy of such  
15 property or the granting of an option to purchase real property without  
16 the use or occupancy of such property;

17 (j) Conveyances of real property, where the entire parcel of real  
18 property to be conveyed is the subject of one or more of the following  
19 development restrictions:

20 (1) agricultural, conservation, scenic, or open space easement,

21 (2) covenants or restrictions prohibiting development where the prop-  
22 erty being conveyed has had its development rights permanently removed,

23 (3) a purchase of development rights agreement where the property  
24 being conveyed has had its development rights permanently removed,

25 (4) a transfer of development rights agreement, where the property  
26 being conveyed has had its development rights permanently removed, or

27 (5) real property subject to any locally adopted land preservation  
28 agreement; provided that the municipal legislative body exempts from the  
29 tax those conveyances subject to such development restriction in the  
30 local law adopted pursuant to this article;

31 (k) Conveyances of real property, where the property is predominantly  
32 viable agricultural land as defined in subdivision seven of section  
33 three hundred one of the agriculture and markets law, and the entire  
34 property to be conveyed is to be made subject to one of the development  
35 restrictions provided for in paragraph (j) of this subdivision; provided  
36 that such development restriction precludes the conversion of the prop-  
37 erty to a non-agricultural use for at least eight years from the date of  
38 transfer, and that said development restriction is evidenced by an ease-  
39 ment, agreement, or other suitable instrument which is to be conveyed to  
40 the municipality simultaneously with the conveyance of the real prop-  
41 erty; or

42 (l) Conveyances of real property for open space, parks, or historic  
43 preservation purposes to any not-for-profit tax exempt corporation oper-  
44 ated for conservation, environmental, parks or historic preservation  
45 purposes.

46 3. An exemption from the tax which is equal to the median sales price  
47 of residential real property within the applicable county, as determined  
48 by the commissioner pursuant to section four hundred twenty-five of the  
49 real property tax law, shall be allowed on the consideration of the  
50 conveyance of improved or unimproved real property or an interest there-  
51 in.

52 § 1449-ffffff. Credit. A buyer shall be allowed a credit against the  
53 tax due on a conveyance of real property to the extent the tax was paid  
54 by such buyer on a prior creation of a leasehold of all or a portion of  
55 the same real property or on the granting of an option or contract to  
56 purchase all or a portion of the same real property by such buyer. Such

1 credit shall be computed by multiplying the tax paid on the creation of  
2 the leasehold or on the granting of the option or contract by a frac-  
3 tion, the numerator of which is the value of the consideration used to  
4 compute such tax paid which is not yet due to such seller on the date of  
5 the subsequent conveyance (and which such seller will not be entitled to  
6 receive after such date), and the denominator of which is the total  
7 value of the consideration used to compute such tax paid.

8 § 1449-gggggg. Cooperative housing corporation transfers. 1. Notwith-  
9 standing the definition of "controlling interest" contained in subdivi-  
10 sion two of section fourteen hundred forty-nine-aaaaaa of this article  
11 or anything to the contrary contained in subdivision five of section  
12 fourteen hundred forty-nine-aaaaaa of this article, the tax imposed  
13 pursuant to this article shall apply to (a) the original conveyance of  
14 shares of stock in a cooperative housing corporation in connection with  
15 the grant or transfer of a proprietary leasehold by the cooperative  
16 corporation or cooperative plan sponsor, and (b) the subsequent convey-  
17 ance of such stock in a cooperative housing corporation in connection  
18 with the grant or transfer of a proprietary leasehold by the owner ther-  
19 eof. With respect to any such subsequent conveyance where the property  
20 is an individual residential unit, the consideration for the interest  
21 conveyed shall exclude the value of any liens on certificates of stock  
22 or other evidences of an ownership interest in and a proprietary lease  
23 from a corporation or partnership formed for the purpose of cooperative  
24 ownership of residential interest in real estate remaining thereon at  
25 the time of conveyance. In determining the tax on a conveyance described  
26 in paragraph (a) of this subdivision, a credit shall be allowed for a  
27 proportionate part of the amount of any tax paid upon the conveyance to  
28 the cooperative housing corporation of the real property comprising the  
29 cooperative dwelling or dwellings to the extent that such conveyance  
30 effectuated a mere change of identity or form of ownership of such prop-  
31 erty and not a change in the beneficial ownership of such property. The  
32 amount of the credit shall be determined by multiplying the amount of  
33 tax paid upon the conveyance to the cooperative housing corporation by a  
34 percentage representing the extent to which such conveyance effectuated  
35 a mere change of identity or form of ownership and not a change in the  
36 beneficial ownership of such property, and then multiplying the result-  
37 ing product by a fraction, the numerator of which shall be the number of  
38 shares of stock conveyed in a transaction described in paragraph (a) of  
39 this subdivision, and the denominator of which shall be the total number  
40 of shares of stock of the cooperative housing corporation (including any  
41 stock held by the corporation). In no event, however, shall such credit  
42 reduce the tax, on a conveyance described in paragraph (a) of this  
43 subdivision, below zero, nor shall any such credit be allowed for a tax  
44 paid more than twenty-four months prior to the date on which occurs the  
45 first in a series of conveyances of shares of stock in an offering of  
46 cooperative housing corporation shares described in paragraph (a) of  
47 this subdivision.

48 2. Every cooperative housing corporation shall be required to file an  
49 information return with the treasurer by July fifteenth of each year  
50 covering the preceding period of January first through June thirtieth  
51 and by January fifteenth of each year covering the preceding period of  
52 July first through December thirty-first. The return shall contain such  
53 information regarding the conveyance of shares of stock in the cooper-  
54 ative housing corporation as the treasurer may deem necessary, includ-  
55 ing, but not limited to, the names, addresses and employee identifica-  
56 tion numbers or social security numbers of the seller and the buyer, the

1 number of shares conveyed, the date of the conveyance and the consider-  
2 ation paid for such conveyance.

3 § 1449-hhhhhh. Designation of agents. The treasurer is authorized to  
4 designate the recording officer to act as his or her agent for purposes  
5 of collecting the tax authorized by this article. The treasurer shall  
6 provide for the manner in which such person may be designated as his or  
7 her agent subject to such terms and conditions as the treasurer shall  
8 prescribe. The tax shall be paid to such agent as provided in section  
9 fourteen hundred forty-nine-cccccc of this article.

10 § 1449-iiiii. Liability of recording officer. A recording officer  
11 shall not be liable for any inaccuracy in the amount of tax imposed  
12 pursuant to this article that he or she shall collect so long as he or  
13 she shall compute and collect such tax on the amount of consideration or  
14 the value of the interest conveyed as such amounts are provided to him  
15 or her by the person paying the tax.

16 § 1449-jjjjjj. Refunds. Whenever the treasurer shall determine that  
17 any moneys received under the provisions of the local law enacted pursu-  
18 ant to this article were paid in error, he or she may cause such moneys  
19 to be refunded pursuant to such requirements he or she may prescribe,  
20 provided that any application for such refund is filed with the treasur-  
21 er within two years from the date the erroneous payment was made.

22 § 1449-kkkkkk. Deposit and disposition of revenue. 1. All taxes,  
23 penalties and interest imposed by the municipality under the authority  
24 of section fourteen hundred forty-nine-bbbbbbb of this article, which are  
25 collected by the treasurer or his or her agents, shall be deposited in a  
26 single trust fund for the municipality and shall be kept in trust and  
27 separate and apart from all other monies in possession of the treasurer.  
28 Moneys in such fund shall be deposited and secured in the manner  
29 provided by section ten of the general municipal law. Pending expendi-  
30 ture from such fund, moneys therein may be invested in the manner  
31 provided in section eleven of the general municipal law. Any interest  
32 earned or capital gain realized on the moneys so deposited or invested  
33 shall accrue to and become part of such fund.

34 2. The treasurer shall retain such amount as he or she may determine  
35 to be necessary for refunds with respect to the tax imposed by the muni-  
36 cipality, under the authority of section fourteen hundred forty-nine-  
37 bbbbbbb of this article, out of which the treasurer shall pay any refunds  
38 of such taxes to those subject to the taxes entitled to a refund pursu-  
39 ant to the provisions of this article.

40 3. The treasurer, after reserving such refunds, shall on or before the  
41 twelfth day of each month pay to the municipality the taxes, penalties  
42 and interest imposed by the municipality under the authority of section  
43 fourteen hundred forty-nine-bbbbbbb of this article, collected by the  
44 treasurer pursuant to this article during the next preceding calendar  
45 month. The amount so payable shall be certified to the municipal legis-  
46 lative body by the treasurer, who shall not be held liable for any inac-  
47 curacy in such certification. Provided, however, any such certification  
48 may be based on such information as may be available to the treasurer at  
49 the time such certification must be made under this section. Where the  
50 amount so paid over to the municipality in any such distribution is more  
51 or less than the amount due to the municipality, the amount of the over-  
52 payment or underpayment shall be certified to the municipal legislative  
53 body by the treasurer, who shall not be held liable for any inaccuracy  
54 in such certification. The amount of the overpayment or underpayment  
55 shall be so certified to the municipal legislative body as soon after  
56 the discovery of the overpayment or underpayment as reasonably possible

1 and subsequent payments and distributions by the treasurer to such muni-  
2 cipality shall be adjusted by subtracting the amount of any such over-  
3 payment from or by adding the amount of any such underpayment to such  
4 number of subsequent payments and distributions as the treasurer and the  
5 municipal legislative body shall consider reasonable in view of the  
6 overpayment or underpayment and all other facts and circumstances.

7 4. All monies received from the treasurer shall be deposited in the  
8 fund of the municipality, pursuant to section two hundred forty-eight of  
9 the general municipal law.

10 § 1449-llllll. Judicial review. 1. Any final determination of the  
11 amount of any tax payable under section fourteen hundred forty-nine-  
12 cccccc of this article shall be reviewable for error, illegality or  
13 unconstitutionality or any other reason whatsoever by a proceeding under  
14 article seventy-eight of the civil practice law and rules if application  
15 therefor is made to the supreme court within four months after the  
16 giving of the notice of such final determination, provided, however,  
17 that any such proceeding under article seventy-eight of the civil prac-  
18 tice law and rules shall not be instituted unless (a) the amount of any  
19 tax sought to be reviewed, with such interest and penalties thereon as  
20 may be provided for by local law shall be first deposited and there is  
21 filed an undertaking, issued by a surety company authorized to transact  
22 business in this state and approved by the superintendent of financial  
23 services as to solvency and responsibility, in such amount as a justice  
24 of the supreme court shall approve to the effect that if such proceeding  
25 be dismissed or the tax confirmed the petitioner will pay all costs and  
26 charges which may accrue in the prosecution of such proceeding or (b) at  
27 the option of the petitioner, such undertaking may be in a sum suffi-  
28 cient to cover the taxes, interest and penalties stated in such determi-  
29 nation, plus the costs and charges which may accrue against it in the  
30 prosecution of the proceeding, in which event the petitioner shall not  
31 be required to pay such taxes, interest or penalties as a condition  
32 precedent to the application.

33 2. Where any tax imposed hereunder shall have been erroneously, ille-  
34 gally or unconstitutionally assessed or collected and application for  
35 the refund or revision thereof duly made to the proper fiscal officer or  
36 officers, and such officer or officers shall have made a determination  
37 denying such refund or revision, such determination shall be reviewable  
38 by a proceeding under article seventy-eight of the civil practice law  
39 and rules; provided, however, that (a) such proceeding is instituted  
40 within four months after the giving of the notice of such denial, and  
41 (b) a final determination of tax due was not previously made, and (c) an  
42 undertaking is filed with the proper fiscal officer or officers in such  
43 amount and with such sureties as a justice of the supreme court shall  
44 approve to the effect that if such proceeding be dismissed or the tax  
45 confirmed, the petitioner will pay all costs and charges which may  
46 accrue in the prosecution of such proceeding.

47 § 1449-mmmmmmm. Apportionment. A local law adopted by any municipality  
48 pursuant to this article shall provide for a method of apportionment for  
49 determining the amount of tax due whenever the real property or interest  
50 therein is situated within and without the municipality.

51 § 1449-nnnnnnn. Miscellaneous. A local law adopted by any municipality  
52 pursuant to this article may contain such other provisions as the muni-  
53 cipality deems necessary for the proper administration of the tax  
54 imposed pursuant to this article, including provisions concerning the  
55 determination of tax, the imposition of interest on underpayments and  
56 overpayments and the imposition of civil penalties. Such provisions

1 shall be identical to the corresponding provisions of the real estate  
2 transfer tax imposed by article thirty-one of this chapter, so far as  
3 such provisions can be made applicable to the fee imposed pursuant to  
4 this article.

5 § 1449-oooooo. Returns to be secret. 1. Except in accordance with  
6 proper judicial order or as otherwise provided by law, it shall be  
7 unlawful for the treasurer or any officer or employee of the munici-  
8 pality, including any person engaged or retained on an independent  
9 contract basis, to divulge or make known in any manner the particulars  
10 set forth or disclosed in any return required under a local law enacted  
11 pursuant to this article; provided, however, that nothing in this  
12 section shall prohibit the recording officer from making a notation on  
13 an instrument effecting a conveyance indicating the amount of tax paid.  
14 No recorded instrument effecting a conveyance shall be considered a  
15 return for purposes of this section.

16 2. The officers charged with the custody of such returns shall not be  
17 required to produce any of them or evidence of anything contained in  
18 them in any action or proceeding in any court, except on behalf of the  
19 municipality in any action or proceeding involving the collection of a  
20 tax due under a local law enacted pursuant to this article to which such  
21 municipality is a party, or a claimant, or on behalf of any party to any  
22 action or proceeding under the provisions of a local law enacted pursu-  
23 ant to this article when the returns or facts shown thereby are directly  
24 involved in such action or proceeding, in any of which events the court  
25 may require the production of, and may admit in evidence, so much of  
26 such returns or of the facts shown thereby, as are pertinent to the  
27 action or proceeding and no more.

28 3. Nothing in this section shall be construed to prohibit the delivery  
29 to a seller or buyer of an instrument effecting a conveyance or the duly  
30 authorized representative of a seller or buyer of a certified copy of  
31 any return filed in connection with such instrument or to prohibit the  
32 publication of statistics so classified as to prevent the identification  
33 of particular returns and the items thereof, or the inspection by the  
34 legal representatives of such municipality of the return of anyone  
35 subject to the tax who shall bring action to set aside or review the tax  
36 based thereon.

37 § 4. Severability. If any provision of this act or the application  
38 thereof shall for any reason be adjudged by any court of competent  
39 jurisdiction to be invalid, such judgment shall not affect, impair or  
40 invalidate this act, but shall be confined in its operation to the  
41 provision thereof directly involved in the controversy in which such  
42 judgment shall have been rendered.

43 § 5. This act shall take effect immediately.
