STATE OF NEW YORK

2701

2017-2018 Regular Sessions

IN SENATE

January 17, 2017

Introduced by Sens. PARKER, AVELLA, DILAN -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to authorizing the commissioner of health to make grants to be used for the costs of conducting a local blood donation drive

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. Section 3100 of the public health law is amended to read as 2 follows:
- 3 § 3100. Human blood and its derivatives; collection, processing, stor-4 age and distribution; general powers of commissioner. 1. The commissioner is hereby authorized:
- (a) to establish, equip, maintain and conduct a suitable program to collect, process, store and distribute human blood, and the various human blood derivatives including special therapeutic and diagnostic serums, which are deemed of value in the treatment of sick and injured 10 persons, and the prevention of certain diseases;
- (b) to carry out such educational and research activities as he or she 11 12 may deem necessary in connection with said program; [and]
- (c) to make grants, within amounts appropriated for this purpose, to 14 not-for-profit organizations and elementary, secondary and postsecondary 15 schools to be used to help pay for the costs of conducting a local blood 16 donation drive; and
- (d) to establish necessary rules and regulations to effect the purpose 17 18 of this article.
- 19 2. The commissioner may conduct such program solely as a state activ-20 ity, or in cooperation with such institutions, hospitals or municipal 21 corporations as he or she may select, on such terms as may be agreed 22 upon.
- 23 § 2. This act shall take effect immediately.
