AN ACT to amend the executive law, in relation to the reporting of demographic data

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding a new section 170-c to read as follows:

§ 170-c. Reporting of demographic data. 1. Every state agency, board, or commission that directly or by contract reports demographic data resulting from any inspections or pending cases it authorizes or penalties it imposes, shall base such disaggregated data on race, gender and region.

2. The demographic data collected pursuant to subdivision one of this section shall be included in every report resulting from any inspections, pending cases or penalties by the state agency, board, or commission published or released on or after July first, the calendar year following the effective date of this section. The data shall be made available to the public in accordance with state and federal law, except for personal identifying information, which shall be deemed confidential, by posting such data on the internet website of the agency on or before July first, the calendar year following the effective date of this section, and annually thereafter. This subdivision shall not be construed to prevent any other state agency from posting data collected pursuant to subdivision one of this section on the agency's website, in the manner prescribed by this section.

§ 2. This act shall take effect on the one hundred twentieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
