Such list shall contain, adjacent to each voter's name, or in a space so designated, at least the following: street address, date of birth, party enrollment, year of registration, a computer reproduced facsimile of the voter's signature or an indication that the voter is unable to sign his name, a place for the voter to sign his name at such election and a place for the inspectors to mark the voting machine number, the public counter number [~~and~~] if any, or the number of any paper ballots given the voter.

The election inspectors or clerks attending the ballot scanner, ballot marking device, or privacy booth shall regularly inspect the face of the ballot scanner, ballot marking device, or the interior of the privacy booth to see that the ballot scanner, ballot marking device, or privacy booth has not been damaged or tampered with. During elections the door or other covering of the counter compartment of the machine shall not be unlocked or opened except by a member of the board of elections, a voting machine custodian or any other person upon the specific instructions of the board of elections.

§ 8. Subdivisions 2, 2-a, 3, 4 and 5 of section 8-302 of the election law, subdivision 2-a as added by chapter 179 of the laws of 2005, subdivisions 3 and 4 as amended by chapter 200 of the laws of 1996, the opening paragraph of paragraph (e) of subdivision 3 as amended by chapter 125 of the laws of 2011 and subparagraph (ii) of paragraph (e) of subdivision 3 as amended by chapter 164 of the laws of 2010, are amended to read as follows:

2. The voter shall give [~~his~~] the voter's name and [~~his~~] the voter's residence address to the inspectors. An inspector shall then loudly and distinctly announce the name and residence of the voter.

2-a. (a) If a voter's name appears in the ledger or computer generated registration list with a notation indicating that the voter's identity was not yet verified as required by the federal Help America Vote Act, the inspector shall require that the voter produce one of the following types of identification before permitting the voter to cast his or her vote on the voting machine:

(i) a driver's license or department of motor vehicles non-driver photo ID card or other current and valid photo identification;

(ii) a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the voter.

1 (b) If the voter produces an identification document listed in para-
2 graph (a) of this subdivision, the inspector shall indicate so in the
3 ledger or computer generated registration list, the voter will be deemed
4 verified as required by the federal Help America Vote Act and the voter
5 shall be permitted to cast his or her vote on the voting machine.

6 (c) If the voter does not produce an identification document listed in
7 paragraph (a) of this subdivision, the voter shall only be entitled to
8 vote by affidavit ballot unless a court order provides otherwise.

9 3. (a) If an applicant is challenged, the board, without delay, shall
10 either enter his name in the second section of the challenge report
11 together with the other entries required to be made in such section
12 opposite the applicant's name or make an entry next to [~~his~~] the voter's
13 name [~~on~~] in the computer generated registration list or in the place
14 provided [~~at the end of~~] in the computer generated registration list.

15 (b) A person who claims to have moved to a new address within the
16 election district in which he or she is registered to vote shall be
17 permitted to vote in the same manner as other voters unless challenged
18 on other grounds. The inspectors shall enter the names and new addresses
19 of all such persons in either the first section of the challenge report
20 or in the place provided [~~at the end of~~] in the computer generated
21 registration list and shall also enter the new address next to such
22 person's address on such computer generated registration list. When the
23 registration poll records of persons who have voted from new addresses
24 within the same election district are returned to the board of
25 elections, such board shall change the addresses on the face of such
26 registration poll records without completely obliterating the old
27 addresses and shall enter such new addresses and the new addresses for
28 any such persons whose names were [~~on~~] in computer generated registra-
29 tion lists into its computer records for such persons.

30 (c) A person who claims a changed name shall be permitted to vote in
31 the same manner as other voters unless challenged on other grounds. The
32 inspectors shall either enter the names of all such persons in the first
33 section of the challenge report or in the place provided [~~at the end of~~]
34 in the computer generated registration list, in the form in which they
35 are registered, followed in parentheses by the name as changed or enter
36 the name as changed next to such voter's name on the computer generated
37 registration list. The voter shall sign first on the registration poll
38 record or [~~on~~] in the computer generated registration list, the name
39 under which the voter is registered and, immediately above it, the new
40 name, provided that [~~on~~] in such [~~a computer generated~~] registration
41 list, the new name may be signed in the place provided [~~at the end of~~
42 ~~such list~~]. When the registration poll record of a person who has voted
43 under a new name is returned to the board of elections, such board shall
44 change [~~his~~] the voter's name on the face of each [~~of his~~] registration
45 [~~records~~] record without completely obliterating the old one, and there-
46 after such person shall vote only under his or her new name. If a voter
47 has signed a new name [~~on~~] in a computer generated registration list,
48 such board shall enter such voter's new name and new signature in such
49 voter's computer record.

50 (d) If an applicant requests assistance in voting and qualifies there-
51 for, the board shall provide assistance as directed by this chapter, and
52 shall without delay either enter such applicant's name and the other
53 entries required in the third section of the challenge report or make an
54 entry next to such applicant's name [~~on~~] in the computer generated
55 registration list or in the place provided [~~at the end of the computer~~
56 ~~generated~~] in such registration list.

(e) Whenever a voter presents himself or herself and offers to cast a ballot, and he or she claims to live in the election district in which he or she seeks to vote but no registration poll record can be found for him or her in the poll ledger or his or her name does not appear ~~[on]~~ in the computer generated registration list or his or her signature does not appear next to his or her name ~~[on]~~ in such ~~[computer-generated]~~ registration list or his or her registration poll record or the computer generated registration list does not show him or her to be enrolled in the party in which he or she claims to be enrolled, a poll clerk or election inspector shall consult a map, street finder or other description of all of the polling places and election districts within the political subdivision in which said election district is located and if necessary, contact the board of elections to obtain the relevant information and advise the voter of the correct polling place and election district for the residence address provided by the voter to such poll clerk or election inspector. Thereafter, such voter shall be permitted to vote in said election district only as hereinafter provided:

(i) He or she may present a court order requiring that he or she be permitted to vote. At a primary election, such a court order must specify the party in which the voter is permitted to vote. ~~[He]~~ The voter shall be required to sign ~~[his]~~ their full name on top of the first page of such order, together with ~~[his]~~ the voter's registration serial number, if any, and ~~[his]~~ the voter's name and the other entries required shall then be entered without delay in the fourth section of the challenge report or in the place provided ~~[at the end of]~~ in the computer generated registration list, or, if such person's name appears on ~~[the computer-generated]~~ such registration list, the board of elections may provide a place to make such entry next to his or her name on such list. The voter shall then be permitted to vote in the manner otherwise prescribed for voters whose registration poll records are found in the ledger or whose names are found on the computer generated registration list; or

(ii) He or she may swear to and subscribe an affidavit stating that he or she has duly registered to vote, the address in such election district from which he or she registered, that he or she remains a duly qualified voter in such election district, that his or her registration poll record appears to be lost or misplaced or that his or her name and/or his or her signature was omitted from the computer generated registration list or that he or she has moved within the county or city since he or she last registered, the address from which he or she was previously registered and the address at which he or she currently resides, and at a primary election, the party in which he or she is enrolled. The inspectors of election shall offer such an affidavit to each such voter whose residence address is in such election district. Each such affidavit shall be in a form prescribed by the state board of elections, shall be printed on an envelope of the size and quality used for an absentee ballot envelope, and shall contain an acknowledgment that the affiant understands that any false statement made therein is perjury punishable according to law. Such form prescribed by the state board of elections shall request information required to register such voter should the county board determine that such voter is not registered and shall constitute an application to register to vote. The voter's name and the entries required shall then be entered without delay and without further inquiry in the fourth section of the challenge report or in the place provided ~~[at the end of]~~ in the computer gener-

ated registration list, with the notation that the voter has executed the affidavit hereinabove prescribed, or, if such person's name appears ~~[on the computer generated]~~ in such registration list, the board of elections may provide a place to make such entry next to his or her name ~~[on]~~ in such list. The voter shall then, without further inquiry, be permitted to vote an affidavit ballot provided for by this chapter. Such ballot shall thereupon be placed in the envelope containing his or her affidavit, and the envelope sealed and returned to the board of elections in the manner provided by this chapter for protested official ballots, including a statement of the number of such ballots.

4. At a primary election, a voter whose registration poll record is in the ledger or computer generated registration list shall be permitted to vote only in the primary of the party in which such record shows ~~[him]~~ the voter to be enrolled unless ~~[he]~~ the voter shall present a court order pursuant to the provisions of subparagraph (i) of paragraph (e) of subdivision three of this section requiring that ~~[he]~~ the voter be permitted to vote in the primary of another party, or unless ~~[he]~~ the voter shall present a certificate of enrollment issued by the board of elections, not earlier than one month before such primary election, pursuant to the provisions of this chapter which certifies that ~~[he]~~ the voter is enrolled in a party other than the one in which such record shows ~~[him]~~ the voter to be enrolled, or unless he or she shall subscribe an affidavit pursuant to the provisions of subparagraph (ii) of paragraph (e) of subdivision three of this section.

5. Except for voters unable to sign their names, no person shall be permitted to vote without first identifying himself or herself as required by this chapter.

§ 9. Subdivisions 1, 2 and 3 of section 8-304 of the election law, subdivisions 1 and 2 as amended by chapter 425 of the laws of 1986, are amended to read as follows:

1. A person before being allowed to vote shall be required, except as provided in this chapter, to sign his or her name on the back of his or her registration poll record on the first line reserved for his or her signature at the time of election which is not filled with a previous signature, or ~~[on the line of]~~ in the space provided in the computer generated registration list reserved for ~~[his]~~ the voter's signature. The two inspectors in charge shall satisfy themselves by a comparison of this signature with ~~[his]~~ the voter's registration signature and by comparison of ~~[his]~~ the voter's appearance with the descriptive material on the face of the registration poll record that ~~[he]~~ the voter is the person registered. If they are so satisfied they shall enter the other information required for the election on the same line with the voter's latest signature, shall sign their names or initials in the spaces provided therefor, and shall permit the applicant to vote. Any inspector or inspectors not satisfied shall challenge the applicant forthwith.

2. If a person who alleges ~~[his]~~ an inability to sign his or her name presents himself or herself to vote, the board of inspectors shall permit ~~[him]~~ such person to vote, unless challenged on other grounds, provided ~~[he]~~ the voter had been permitted to register without signing ~~[his]~~ the voter's name. The board shall enter the words "Unable to Sign" in the space on ~~[his]~~ the voter's registration poll record reserved for ~~[his]~~ the voter's signature or on the line ~~[of]~~ or space the computer generated registration list reserved for ~~[his]~~ the voter's signature at such election. If ~~[his]~~ the voter's signature appears upon ~~[his]~~ the voter's registration record or ~~[upon]~~ in the computer generated registration list the board shall challenge ~~[him]~~ the voter forthwith, except

1 that if such a person claims that he or she is unable to sign his or her
2 name by reason of a physical disability incurred since [~~his~~] the voter's
3 registration, the board, if convinced of the existence of such disabili-
4 ty, shall permit him or her to vote, shall enter the words "Unable to
5 Sign" and a brief description of such disability in the space reserved
6 for [~~his~~] the voter's signature at such election. At each subsequent
7 election, if such disability still exists, [~~he~~] the voter shall be enti-
8 tled to vote without signing [~~his~~] their name and the board of inspec-
9 tors, without further notation, shall enter the words "Unable to Sign"
10 in the space reserved for [~~his~~] the voter's signature at such election.

11 3. The voter's facsimile signature [~~made by him upon registration and~~
12 ~~his signature made at subsequent elections~~] shall be effectively
13 concealed from the voter by a blotter or [~~piece of opaque paper~~] other
14 means until after the voter shall have completed [~~his~~] the signature.

15 § 10. Subdivision 3 of section 8-306 of the election law, as amended
16 by chapter 154 of the laws of 1991, is amended to read as follows:

17 3. Any voter who requires assistance to vote by reason of blindness,
18 disability or inability to read or write may be given assistance by a
19 person of the voter's choice, other than the voter's employer or agent
20 of the employer or officer or agent of the voter's union. A voter enti-
21 tled to assistance in voting who does not select a particular person may
22 be assisted by two election inspectors not of the same political faith.
23 The inspectors or person assisting a voter shall enter the voting
24 machine or booth with [~~him~~] the voter, help [~~him~~] the voter in the prep-
25 aration of [~~his~~] the voter's ballot and, if necessary, in the return of
26 the voted ballot to the inspectors for deposit in the ballot box. The
27 inspectors shall enter in the [~~remarks space on the registration poll~~
28 ~~card of an assisted voter, or next to the name of~~] space provided for
29 such voter [~~on~~] in the computer generated registration list, the name of
30 each officer or person rendering such assistance.

31 § 11. Subdivision 2 of section 8-508 of the election law, as amended
32 by chapter 200 of the laws of 1996, is amended to read as follows:

33 2. (a) The first section of such report shall be reserved for the
34 inspectors of election to enter the name, address and registration seri-
35 al number of each person who claims a change in name, or a change of
36 address within the election district, together with the new name or
37 address of each such person. In lieu of preparing section one of the
38 challenge list, the board of elections may provide, next to the name of
39 each voter [~~on~~] in the computer generated registration list, a place for
40 the inspectors of election to record the information required to be
41 entered in such section one, or provide [~~at the end of such computer~~
42 ~~generated~~] elsewhere in such registration list, a place for the inspec-
43 tors of election to enter such information.

44 (b) The second section of such report shall be reserved for the board
45 of inspectors to enter the name, address and registration serial number
46 of each person who is challenged on the day of election, together with
47 the reason for the challenge. If no voters are challenged, the board of
48 inspectors shall enter the words "No Challenges" across the space
49 reserved for such names. In lieu of preparing section two of the chal-
50 lenge report, the board of elections may provide, next to the name of
51 each voter [~~on~~] in the computer generated registration list, a place for
52 the inspectors of election to record the information required to be
53 entered in such section two, or provide [~~at the end of such computer~~
54 ~~generated~~] elsewhere in such registration list, a place for the inspec-
55 tors of election to enter such information.

(c) The third section of such report shall be reserved for the board of inspectors to enter the name, address and registration serial number of each voter given assistance, together with the reason the voter was allowed assistance, the name of the person giving such assistance and his address if not an inspector. If no voters are given assistance, the board of inspectors shall enter the words "No Assistance" across the space reserved for such names. In lieu of providing section three of the challenge report, the board of elections may provide, next to the name of each voter ~~[en]~~ in the computer generated registration list, a place for the inspectors of election to record the information required to be entered in such section three, or provide ~~[at the end of such computer generated]~~ elsewhere in such registration list, a place for the inspectors of election to enter such information.

(d) The fourth section of such report shall be reserved for the board of inspectors to enter the name, address and registration serial number of each person who was permitted to vote pursuant to a court order, or to vote on a paper ballot which was inserted in an affidavit envelope. If there are no such names, such board shall enter the word "None" across the space provided for such names. In lieu of providing section four of such report, the board of elections may provide, next to the name of each voter ~~[en]~~ in the computer generated registration list, a place for the inspectors of election to record the information required to be entered in such section four, or provide ~~[at the end of the computer generated]~~ elsewhere in such registration list, a place for the inspectors of election to enter such information.

(e) At the foot of such report ~~[and]~~ or at the end of any such computer generated registration list, if applicable, shall be ~~[printed]~~ a certificate that such report or list contains the names of all persons who were challenged on the day of election, and that each voter so reported as having been challenged took the oaths as required, that such report or list contains the names of all voters to whom such board gave or allowed assistance and lists the nature of the disability which required such assistance to be given and the names and family relationship, if any, to the voter of the persons by whom such assistance was rendered; that each such assisted voter informed such board under oath that he required such assistance and that each person rendering such assistance took the required oath; that such report or list contains the names of all voters who were permitted to vote although their registration poll records were missing; that the entries made by such board are a true and accurate record of its proceedings with respect to the persons named in such report or list.

(f) Upon the return of such report ~~[and]~~ or lists to the board of elections, it shall complete the investigation of voting qualifications of all persons named in the second section thereof or for whom entries were placed ~~[en]~~ in such computer generated registration lists in lieu of the preparation of the second section of the challenge report, and shall forthwith proceed to cancel the registration of any person who, as noted upon such report, or in such list, was challenged at such election and refused either to take a challenge oath or to answer any challenge question.

(g) The state board of elections shall prescribe a form of challenge report for use pursuant to the provisions of this section. Such form may require the insertion of such other information as the state board shall deem appropriate.

§ 12. Section 8-510 of the election law, the section heading as amended by chapter 373 of the laws of 1978, subdivision 1 as amended by

chapter 200 of the laws of 1996, and subdivision 3 as amended by chapter 43 of the laws of 1988, is amended to read as follows:

§ 8-510. Challenge report; completion of and ~~[closing of registration poll ledgers]~~ procedure after. 1. Immediately after the close of the polls the board of inspectors of election shall verify the entries which it has made on the challenge report or ~~[at the end of the]~~ in the spaces provided in the computer generated registration list by comparing such entries with the information appearing on the registration poll records of the affected voters or the information appearing ~~[next to the names of such voters on]~~ in the spaces provided in the computer generated registration list. If it has made no entries in section two, three or four of such report it shall write across or note in such section the words "No challenges", "No assistance" or "None", as the case may be, as directed in this chapter.
