STATE OF NEW YORK

2942

2017-2018 Regular Sessions

IN SENATE

January 18, 2017

Introduced by Sens. HAMILTON, CARLUCCI, ORTT -- read twice and ordered printed, and when printed to be committed to the Committee on Mental Health and Developmental Disabilities

AN ACT to amend the mental hygiene law, in relation to involuntary admittance

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 9.27 of the mental hygiene law is amended by adding a new subdivision (j) to read as follows:

3 (j) When there is an initial involuntary admittance to an in-patient 4 facility pursuant to this section, the person's or the person's guardi-5 an's choice of facility shall be respected; provided, however, such choice shall be subject to the facility's ability to provide the 6 person's necessary level of care and the availability of a bed within a 7 8 reasonable time period, and provided that honoring such choice would not 9 jeopardize the health and safety of the individual in the examining 10 physician's professional judgment taking into account mitigating factors including but not limited to the individual's anticipated duration of 11 stay, and level of medical emergency. 12 13 § 2. Section 9.39 of the mental hygiene law is amended by adding a new 14 subdivision (d) to read as follows: (d) When there is an initial involuntary admittance to an in-patient 15 facility pursuant to section 9.27 of this article, the person's or the 16 person's quardian's choice of facility shall be respected; provided, 17 however, such choice shall be subject to the facility's ability to 18 19 provide the person's necessary level of care and the availability of a 20 bed within a reasonable time period, and provided that honoring such 21 choice would not jeopardize the health and safety of the individual in the examining physician's professional judgment taking into account 22 23 mitigating factors including but not limited to the individual's antic-

24 ipated duration of stay, and level of medical emergency.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
