3 development corporation act.

4 § 2. The public authorities law is amended by adding a new section
5 1285-v to read as follows:

6 § 1285-v. Small business environmental fund. 1. The corporation shall
7 undertake and provide assistance in support of a program to assist small
8 businesses in leveraging capital from financial institutions to achieve
9 pollution prevention and/or compliance with federal or state environ-
10 mental laws.

11 2. There is hereby established in the custody of the corporation a
12 special fund to be known as the small business environmental fund.
13 Moneys in such fund shall be segregated from all other funds of or in
14 the custody of the corporation subject to any rights of holders of
15 corporation bonds or notes issued for the purposes of this section.
16 Moneys in such fund shall only be used in accordance with the provisions
17 of this section. The moneys in such fund shall be applied to or paid out
18 for authorized purposes of such fund on the direction of the chairman of
19 the corporation in accordance with subdivision four of this section, or
20 such other person as the corporation shall authorize to make such direc-
21 tion.

22 3. Such fund shall consist of all of the following: (a) moneys appro-
23 priated by the state legislature for the purpose of such fund or other-
24 wise transferred by the state for deposit therein by the comptroller as
25 required by law; (b) payments of the loan origination fee authorized
26 pursuant to subdivision six of this section; (c) investment earnings on
27 amounts in such fund; (d) the proceeds of bonds or notes issued by the
28 corporation for purposes of leveraging capital on behalf of small busi-
29 nesses seeking to achieve pollution prevention and/or comply with feder-
30 al or state environmental laws; and (e) any other payments received from
31 the federal government or other sources for the purposes of the fund.

32 4. (a) Moneys in such fund shall be applied by the corporation as a
33 loan loss reserve fund, to provide credit enhancement to encourage
34 financial institutions to make pollution prevention or compliance loans
35 including such loans as may be necessary to purchase, lease, install or
36 acquire pollution control equipment to small businesses.

37 (b) The corporation is hereby authorized to provide assistance in the
38 form of a loan loss reserve fund for loans by financial institutions to
39 small businesses that otherwise find it difficult to obtain bank financ-
40 ing for pollution prevention or compliance activities control. The
41 corporation may use moneys in the fund to guarantee up to ninety percent
42 of the outstanding principal of each loan to be made by a financial
43 institution to a small business for pollution prevention or compliance
44 activities, provided, however, that no loan by a financial institution
45 pursuant to this section shall exceed five hundred thousand dollars.

46 5. (a) The corporation shall enter into agreements with financial
47 institutions governing participation in the fund which shall include,
48 but not be limited to, the terms of the payment of claims pursuant to
49 subdivision seven of this section. Such agreements shall set forth any
50 loan application fee to be charged by the financial institution to the
51 applicant and the loan origination fee to be paid to the corporation for
52 loans pursuant to this section. In entering into agreements with finan-
53 cial institutions, the corporation shall give priority to the execution
54 of agreements which provide for the participation of a consortium of
55 financial institutions serving an entire economic development region as
56 defined in section two hundred thirty of the economic development law.

1 (b) The corporation shall also establish procedures and other require-
2 ments for small business participation. Such procedures shall include a
3 simplified application form for small businesses seeking assistance.
4 Such application shall require a demonstration by the applicant that
5 difficulty in obtaining conventional bank financing for pollution
6 prevention or compliance activities in the purchase, lease, installation
7 or acquisition of pollution control equipment impedes the ability of the
8 applicant to achieve pollution prevention or comply with federal or
9 state environmental laws. Such application shall also include such
10 specific information as the corporation may require, with regard to the
11 pollution prevention or compliance activities proposed, and the esti-
12 mated cost of financing such activities.

13 (c) Within twenty-eight days of receipt of an application pursuant to
14 this section, the corporation shall either approve or reject such appli-
15 cation. The corporation shall approve an application pursuant to para-
16 graph (b) of this subdivision based upon a determination that:

17 (1) the proposed pollution prevention or compliance activities will
18 assist the small business in achieving pollution prevention and/or full
19 compliance with federal or state environmental laws;

20 (2) a loan is required to finance the pollution prevention or compli-
21 ance activities or to finance the purchase, lease, installment or acqui-
22 sition of pollution control equipment;

23 (3) approval is not sought for an outstanding loan previously made by
24 a financial institution to the small business; and

25 (4) no concurrent loan has been made to the small business pursuant to
26 this section.

27 (d) In the approval of applications, the corporation shall give pref-
28 erence to those small businesses which are:

29 (1) seeking to comply with new requirements imposed pursuant to the
30 federal Clean Air Act (42 U.S.C. 7401 et seq. as amended by P.L. 101-

32 ant to chapter six hundred eight of the laws of nineteen hundred nine-
33 ty-three, the provisions of article seventeen of the environmental
34 conservation law relating to water pollution control, and the provisions
35 of title nine of article twenty-seven of the environmental conservation
36 law, relating to industrial hazardous waste management, or any rules and
37 regulations promulgated thereunder; and are

38 (2) seeking to comply with new requirements imposed pursuant to feder-
39 al or state environmental laws; and are

40 (3) in highly distressed areas or minority-owned business enterprises
41 or women-owned business enterprises.

42 (e) Upon approval or denial of an application, the corporation shall
43 notify the applicant of such action by regular mail. The corporation may
44 also notify any financial institution of the approval or denial of an
45 application.

46 6. (a) Decisions to execute a loan pursuant to this section shall be
47 made solely by the financial institution and may provide for such inter-
48 est rate, fees and other terms and conditions as the financial institu-
49 tion and borrower may agree, provided, however, that:

50 (1) unless approved by the corporation, the term of the loan shall not
51 exceed seven years or the estimated useful life of any financed changes
52 in pollution prevention or control methods or equipment, whichever is
53 less; and

54 (2) if the amount of the loan is determined by a commitment agreement
55 that establishes a line of credit, the amount of the actual loan is the
56 maximum amount available to the borrower under the agreement.

1 **(b) A small business, in receipt of a loan pursuant to this section,**
2 **shall pay an origination fee to the corporation upon distribution of**
3 **loan proceeds. Moneys from such a fee shall be deposited in the fund;**
4 **provided, however, that the corporation, in consultation with the direc-**
5 **tor of the division of the budget, may use a portion of such moneys for**
6 **the administration of the fund. Nothing contained in this section shall**
7 **prohibit the financing of the origination fee in the terms of the loan.**

15 **amount agreed upon at the time of closing, plus accrued interest attrib-**
16 **utable to such agreed upon amounts, consistent with the requirements of**
17 **this section.**

18 **(b) For loans made pursuant to this section, the financial institution**
19 **shall determine a loan to be in default in a manner consistent with**
20 **methods employed by the financial institution for similar loans not made**
21 **pursuant to this section.**

22 **(c) The corporation is authorized and directed to adopt rules and**
23 **regulations governing the payment of claims from the fund. Such rules**
24 **and regulations shall provide that upon receipt of a claim filed by a**
25 **financial institution, the corporation shall, within ten business days,**
26 **pay from the fund the amount of the claim as submitted, unless informa-**
27 **tion provided by the financial institution is found by the corporation**
28 **to be incomplete or was known by the financial institution to be false**
29 **at the closing of the loan. The terms of the payment of claims from the**
30 **fund shall be included in the agreement entered into by the corporation**
31 **and the financial institution pursuant to subdivision five of this**
32 **section.**

33 **(d) Upon payment of a claim, the corporation shall report the claim to**
34 **the office of the attorney general, who then shall exercise the rights**
35 **of subrogation. The financial institution thereafter shall assign to the**
36 **attorney general any right, title, or interest to any collateral, secu-**
37 **rity, or other right of recovery in connection with the loan. Any money**
38 **received by the attorney general as a result of enforcement actions**
39 **taken with respect to any collateral, security or other rights of recov-**
40 **ery shall be promptly deposited by the attorney general through the**
41 **corporation in the fund, less any out-of-pocket expenses incurred by the**
42 **attorney general in taking such enforcement actions.**

43 **8. Pursuant to rules and regulations of the corporation, the corpo-**
44 **ration may terminate the participation of a financial institution in the**
45 **fund upon a determination that such institution is not in substantial**
46 **compliance with the requirements of this section or the provisions of an**
47 **agreement executed pursuant to subdivision five of this section. The**
48 **corporation shall provide notice to a financial institution at least**
49 **ninety days in advance of such termination.**

50 **9. The corporation shall monitor the activities of participating**
51 **financial institutions and small businesses and may require such period-**
52 **ic reports or other information as deemed necessary from such insti-**
53 **tutions and businesses on the status of loans made pursuant to this**
54 **section. On or before the first day of March following the effective**
55 **date of this section, and on such date annually thereafter, the corpo-**
