2017-2018 Regular Sessions

IN SENATE

January 19, 2017

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

AN ACT to amend the executive law, in relation to requiring state and local law enforcement officers to identify themselves to the public

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Declaration of legislative intent and findings. The legis-
2 lature finds that the people of the state of New York are in great debt
3 to the hard work and dedication of police officers in their daily
4 duties. The legislature further finds that mistrust of law enforcement
5 officers based on real or perceived discrimination hinders law enforce-
6 ment efforts and is a threat to public safety. New York state and local
7 police policy already requires that officers wear shields and nameplates
8 at all times while in uniform, and that they provide their rank, name,
9 shield number and command when asked.

10 In adopting this act, it is the intent of the legislature to increase
11 transparency in police practices and to build trust between police offi-
12 cers and members of the public by providing the public with notice of
13 the reasons behind their encounters with the police, and a written
14 record of their interactions with the police in situations that do not
15 result in an arrest or summons.

16 § 2. The executive law is amended by adding a new article 13-B to read
17 as follows:

32 tion to be invalid, such judgment shall not affect, impair or invalidate

35 in the controversy in which such judgment shall have been rendered.
