

STATE OF NEW YORK

2017-2018 Regular Sessions

IN SENATE

January 19, 2017

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to establishing the age-appropriate sex education grant program, to be referred to as the healthy teens act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The legislature finds and declares
2 that New York state's teen pregnancy rate, 56.2 per 1000 female 15-19
3 year olds as compared to the Healthy People 2010 goal of 43 cases per
4 1000 female 15-19 year olds falls far too short of the public health
5 expectation set by the Surgeon General. New York state had 40,000 teen
6 pregnancies in 2006. In addition, according to the centers for disease
7 control, 1 in 4 teenage girls has a sexually transmitted infection.
8 This is true in New York state as well. Current research documents that
9 individuals who receive early, comprehensive, age-appropriate, and
10 scientifically accurate education in the health and other benefits of
11 sexual abstinence, family planning, and birth control are more likely to
12 delay sexual activity and engage later in such activity with a higher
13 degree of responsibility and safety. Comprehensive sex education
14 programs which complement parental involvement and instruction respect
15 the diversity and values of our state and provide our youth at risk with
16 the foundation to make responsibly informed choices. The earlier such
17 programs are commenced on an age-appropriate curriculum basis, the more
18 responsible will be the sexual activity decisions.

19 Statistics within New York state communities show an increase in rates
20 of sexually transmitted diseases among adolescents over the past several
21 years. Adolescents are the fastest growing population of new HIV/AIDS
22 cases. These increases place greater demand on the state's health care
23 delivery system and require that we take immediate action and embark on
24 a dedicated mission to provide targeted at-risk adolescents with a more

concentrated sex education program with a significant parental component, designed to inform and instruct them on abstinence, protection and pregnancy prevention. Approximately 25 percent of new cases of sexually transmitted diseases each year occur among teenagers and two-thirds of such new cases occur among persons 15 to 24 years old. By age 24, at least one in three sexually active persons are estimated to have had a sexually transmitted disease. By way of example, the highest age-specific gonorrhea rates among women and the third highest rates among men are in the 15 to 19 year old group.

It is the intent of the legislature that the age-appropriate sex education grant program established in this act provide at-risk adolescents with the information, assistance, skills and support to enable them to make responsible decisions, including abstaining from sexual intercourse and for those who do become sexually active, the use of condoms or contraceptives effectively.

It is also the intent of the legislature to reduce the current teenage pregnancy rate to 36.2 among 15 to 17 year olds and 105.9 among 18 to 19 year olds by the year 2020 to meet the federal government initiative known as Healthy People 2020.

§ 2. This act shall be known and may be cited as the "healthy teens act".

§ 3. The public health law is amended by adding a new article 14-A to read as follows:

13 required of all applicant programs. No program may include information
14 or messages that contradict any of the components.

15 3. Any eligible applicant may apply for, and upon approval of the
16 application by the commissioner, shall be awarded an annual sex educa-
17 tion grant provided it demonstrates in the grant program plan submitted
18 to the commissioner that:

23 article;

24 (b) if such applicant is a community based organization, that it has a

37 4. All monies provided in grants under this article shall be in addi-
38 tion to, and not in lieu of, any moneys historically appropriated for
39 the same or similar purposes and shall not be used to offset or reduce

41 § 1452. Age-appropriate sex education grant program awards. 1. Within
42 amounts appropriated therefor, the commissioner shall be authorized to
43 grant awards for the support of approved age-appropriate sex education
44 grant programs.

45 2. Grants to support an approved age-appropriate sex education grant
46 program shall be awarded on a competitive basis in accordance with
47 criteria established by the commissioner.

51 education grant program authorized by this article for the state fiscal
52 year commencing one year following the effective date of this article.

53 4. Not more than five percent of any amounts made available by appro-
54 priation in any single fiscal year for the age-appropriate sex education
55 grant program shall be annually retained by the commissioner for the
56 administrative purposes of the department.

3 appropriation for the state fiscal year commencing three years following
4 the effective date of this article shall be made available for payment
5 to a nationally recognized and accredited organization with experience
6 in analyzing the efficacy and benefits of sex education grant programs
7 for purposes of enabling such organization to evaluate the totality of
8 the grant program and grants awarded in the two years following the
9 effective date of this article. Similarly, not more than four percent
10 of any funds for the state fiscal year commencing four years following
11 the effective date of this article shall be made available for payment
12 to the same organization which was awarded the initial contract to so
13 analyze the age-appropriate sex education grant program for the purpose
14 of providing necessary funds to them to analyze the age-appropriate sex
15 education grant program from its inception through and including all the
16 grant year periods authorized under this article. The contract to be
17 awarded to such organization shall be let only after a request for
18 proposal has been issued by the department in the manner provided for by
19 law, and the award of such contract shall be subject to competitive
20 bidding requirements as also required by law. The department shall
21 include within the request for proposal detailed criteria of evaluation
22 to be employed by the organization to be awarded the bid. The request
23 for proposal shall also allow for a bidding organization to submit addi-
24 tional evaluative criteria that may be utilized by the organization
25 awarded the bid if approved by the department. Notwithstanding any
26 inconsistent provision of this subdivision, the request for proposal
27 shall include a provision authorizing the commissioner to terminate the
28 awarded contract to the successful bidder with respect to the conduct of
29 the second evaluation of the grant program for the entire grant period
30 authorized under this article if the commissioner is not satisfied with
31 the quality of effort demonstrated by such bidder in the first evalu-
32 ation of the grant program period. In such case, a similar request for
33 proposal procedure shall be utilized for the purpose of making the
34 second evaluation.

35 6. Beginning with the school year in July two years following the
36 effective date of this article and every school year thereafter, from
37 any annual appropriations and/or reappropriations made therefor, the
38 commissioner shall set aside eighty percent of the money so appropriated
39 (minus any amounts necessary to pay adjustment expenses pursuant to
40 subdivisions three, four and five of this section) for the purpose of
41 awarding grants for sex education grant program plans approved by the
42 commissioner pursuant to section fourteen hundred fifty-three of this
43 article to be conducted by public school districts and/or boards of

2. The eligible applicant shall submit with its age-appropriate sex education grant application its grant program plan to the commissioner, which shall include a detailed description of the proposed age-appropriate sex education program, including but not limited to:

(a) the manner in which parents and other adults will be included in the program;

(b) an outline for the curriculum to be covered in the eligible applicant's program, including the instructional materials, books, videos or other instructional tools to be used and the training which will be provided to teachers, personnel and volunteers who will conduct the program. Such curriculum shall include, but need not be limited to, a comprehensive block of instruction that stresses abstinence as the most effective and appropriate protection against HIV/AIDS and pregnancy and which contains written and oral instruction on the prevention of sexually transmitted diseases. The other core elements shall satisfy a significant number of, or preferably all of, the components of an age-appropriate sex education grant program as established in section fourteen hundred fifty-one of this article;

13 section thirty-six hundred two of the education law, and any other
14 generally available statistical data which indicates that the area to be
15 served is economically or otherwise disadvantaged, (iv) the high school
16 drop out rate in the area as determined by the education department, and

32 record of success in the conduct of sex education programs of a similar
33 nature to the sex education program provided for in this article.

34 § 1454. Maintenance of effort. Any monies made available to an eligi-
35 ble applicant shall not be used to offset or reduce the amount of moneys
36 previously expended for the same or similar programs in a prior year,
37 but shall be used to supplement any prior years' expenditures. No eligi-
38 ble applicant shall reduce any subsequent years' expenditures for the
39 same or similar programs as a result of receiving any grant, or increase
40 in the amount of any prior awarded grant, pursuant to this article.

41 § 1455. Annual reports by grant recipients. 1. Every eligible appli-
42 cant that has been awarded a grant under this article shall file an

46 program it conducted, with a summary of its success or failures in
47 altering attitudes regarding the merits of sexual abstinence as well as
48 in preventing unwanted pregnancies, sexually transmitted diseases and
49 HIV/AIDS.

50 2. The commissioner shall on or before February first in each year,

2 section fourteen hundred fifty-two of this article.

3 § 1456. Notification to potential applicants. The commissioner shall
4 timely send to every public school district and board of cooperative
5 educational services and to every requesting community based organiza-

15 or of any other application of any provision of this act.

16 § 5. This act shall take effect immediately and shall apply to the
17 school year which commences on or after July first in the year next
18 succeeding the date on which it shall have become a law; provided that
19 the commissioner of health shall promulgate such regulations as shall be
20 necessary to implement the provisions of this act not later than 90 days
21 after such effective date.
