## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as
 the "accessible electronic information act".

§ 2. Legislative finding. This legislation provides a stable 11 12 means to bring NEWSLINE to New York.

13 § 3. The public service law is amended by adding a new section 92-i to 14 read as follows:

15 § 92-i. Accessible electronic information; blind and disabled persons.
16 1. A qualified not-for-profit entity capable of providing such service
17 shall provide an accessible electronic information service for eligible
18 blind and disabled persons. This service shall be planned for continua19 tion from year to year and make maximum use of federal, state, private
20 and other funds available, including obtaining grant or in-kind support
21 from appropriate programs and securing access to low-cost interstate
22 rates for telecommunications by reimbursement or otherwise.
