If a waiver is granted, the recipient shall agree to a contractual modification, including recapture provisions, to the development assistance agreement. The existence of any waiver granted pursuant to subdivision three of this section, the date of the granting of such waiver, and a brief summary of the reasons supporting the granting of such waiver shall be disclosed consistent with the provisions of this section.

3. Beginning June first, two thousand eighteen, the department shall annually compile a report on the outcomes and effectiveness of recapture provisions by program, including but not limited to: (a) the total number of authorities that receive development assistance as defined in this article; (b) the total number of recipients in violation of development agreements with the department; (c) the total number of completed recapture efforts; (d) the total number of recapture efforts initiated;
