(iii) the video surveillance cameras shall record at a minimum speed of fifteen frames per second;

(iv) the video surveillance camera images shall be capable of being viewed through use of appropriate technology, including but not limited to a computer screen or closed circuit television monitor;

(vii) the video surveillance cameras shall be maintained in good working condition;

(viii) except as otherwise provided by rule, the video surveillance cameras shall be in operation and recording continuously during all hours of operation of the cabaret or public dance hall and for two hours after the cabaret or public dance hall closes;

(ix) the recordings made by video surveillance cameras installed and maintained pursuant to this section shall be indexed by dates and times and preserved for a minimum of thirty days so that they may be made available to the department, the police department and other government agencies acting in furtherance of a criminal investigation or a civil or administrative law enforcement purpose;

(x) all recording made by video surveillance cameras installed and maintained pursuant to this section while in the possession of the cabaret or public dance hall shall be stored in a locked receptacle located in a controlled access area, to which only authorized personnel have access, or shall otherwise be secured so that only authorized personnel may access such video recordings. All personnel authorized to access such video recordings must certify in writing that they have been informed on the appropriate use and retention of recordings as set forth in this section, and on the legal issues associated with video surveillance and the use and retention of recordings. The cabaret or public dance hall shall keep a log of all instances of requests for, access to, dissemination and use of, recorded materials made by video surveillance cameras installed and maintained pursuant to this section. (xii) the cabaret or public dance hall shall post signage at appropriate locations, as determined by rule of the secretary, to notify the public of its use of video surveillance equipment and the locations of

video surveillance equipment so that the public has sufficient warning that surveillance is in operation.

c. Each person subject to the provisions of this section shall submit, or ensure the submission of, a report to the department within thirty days after the effective date of this section, or, in the case of a new cabaret or public dance hall, within thirty days after the establishment of such cabaret or public dance hall. Such report shall certify that the cabaret or public dance hall is in compliance with this section. Reports filed pursuant to this paragraph shall be submitted in such form and manner and containing such information as shall be provided by rule of the secretary.

d. The department shall conduct periodic inspections of licensees to ensure compliance with the use and retention policies set forth in this section.

e. The secretary may suspend or revoke a cabaret or public dance hall license if the licensee violates the requirements of this section and, in addition, shall impose a fine of one thousand dollars for each violation of subparagraph (ix), (x) or (xii) of paragraph b of this subdivision, and any additional penalties and fines as required by subparagraph (xi) of paragraph b of this subdivision.
