AN ACT to amend the tax law and the state finance law, in relation to gifts for the support of the New York state council on the arts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The legislature hereby finds and determines that, due to severe budgetary constraints, the amount of state funds available for 2 the support of the New York state council on the arts has been sharply diminished over the past few years. This decrease in support has had a devastating effect upon many of New York's cultural institutions, as well as many related or dependent businesses and employees. Accordingly, the legislature hereby finds and determines that taxpayers of the state of New York should have the opportunity to use the New York state 9 personal income tax form as a mechanism for making voluntary contributions for the support of the New York state council on the arts. It is 10 the intent of the legislature that any funds so contributed shall 11 supplement and not offset or diminish in any way the amount of funds 13 made available to the New York state council on the arts pursuant to 14 annual budget appropriations.

15 The tax law is amended by adding a new section 630-e to read as 16 follows:
