context clearly indicates, shall mean the real estate transfer tax imposed pursuant to article thirty-one of the tax law.

- 2. The town board of the town of Bethlehem is authorized to establish by local law a community preservation fund pursuant to the provisions of this section. Deposits into the fund may include revenues of the local government from whatever source and shall include, at a minimum, all revenues from a tax imposed upon the transfer of real property interests in such town pursuant to article thirty-one-A-four of the tax law. The fund shall also be authorized to accept gifts of any such interests in land or of funds. Interest accrued by monies deposited into the fund shall be credited to the fund. In no event shall monies deposited in the fund be transferred to any other account. Nothing contained in this section shall be construed to prevent the financing in whole or in part, pursuant to the local finance law, of any acquisition authorized pursuant to this section. Monies from the fund may be utilized to repay any indebtedness or obligations incurred pursuant to the local finance law consistent with effectuating the purposes of this section.
- 3. - (m) preservation of historic places and properties listed on the New York state register of historic places and/or protected under a municipal historic preservation ordinance or law; and
- (n) undertaking any of the purposes of this subdivision in furtherance of the establishment of a greenbelt.
- 6. The town board which has established a community preservation fund shall create an advisory board to review and make recommendations on proposed acquisitions of interests in real property using monies from the fund. Such board shall consist of five or seven legal residents of the municipality who shall serve without compensation. No member of the local legislative body shall serve on the board. A majority of the members of the board shall have demonstrated experience with conservation or land preservation activities. The board shall act in an advisory capacity to the town board. Said evaluation shall be as specific as practicable as to each parcel selected for inclusion in such plan. Such plan shall establish the priorities for preservation, and shall include the preservation of farmland as its highest priority. Funds from the community preservation fund may only be expended for projects which have been included in such plan. Such plan shall be updated not less than once every five years, but in no event until at least three years after the adoption of the original plan. A copy of such plan shall be filed with the town clerk, the commissioner of environmental conservation, the commissioner of agriculture and markets and the commissioner of the office of parks, recreation and historic preservation. Such plan shall be completed at least sixty days before the submission of the mandatory referendum required by section fourteen hundred thirty-nine-bb of the tax law. If at the time of referendum, the town shall have in place an adopted open space plan, such plan shall be deemed sufficient to waive the preservation plan requirements of this subdivision. Any monies expended from the community preservation plan shall, however be consistent with the purposes outlined in subdivisions three and five of this section and with the open space plan for a period not to exceed twelve months.
- 8. The town board which has established a community preservation fund pursuant to this section may study and consider establishing a transfer of development rights program to protect community character as provided for by section two hundred sixty-one-a of this chapter. All provisions of such section two hundred sixty-one-a shall be complied with. If at any time during the life of the community preservation fund a transfer of development rights program is established, the town may utilize monies from the community preservation fund in order to create and fund a central bank of the transfer of development rights program. If at any time during the life of the community preservation fund, a transfer of

development rights program is repealed by the town, all monies from the central bank shall be returned to the community preservation fund.

9. No interests or rights in real property shall be acquired pursuant to this section until a public hearing is held as required by section two hundred forty-seven of the general municipal law; provided, however, that nothing herein shall prevent the town board from entering into a conditional purchase agreement before a public hearing is held. Any resolution of the town board approving an acquisition of rights or interest in real property pursuant to this section, shall find that acquisition was the best alternative for the protection of community character of all the reasonable alternatives available to the town.

10. Rights or interest in real property acquired pursuant to this section shall be administered and managed in a manner which (a) allows public use and enjoyment in a manner compatible with the natural, scenic, historic and open space character of such lands; (b) preserves the native biological diversity of such lands; (c) with regard to open spaces, limits improvements to enhancing access for passive use of such lands such as nature trails, boardwalks, bicycle paths, and peripheral parking areas provided that such improvements do not degrade the ecological value of the land or threaten essential wildlife habitat; and (d) preserves cultural property consistent with accepted standards for historic preservation. Notwithstanding any other provision of this subdivision there shall be no right to public use and enjoyment of land used in conjunction with a farm operation as defined by subdivision eleven of section three hundred one of the agriculture and markets law. In furthering the purposes of this section, the town may enter into agreements with corporations organized under the not-for-profit corporation law and engage in land trust activities to manage lands including less than fee interests acquired pursuant to the provisions of this section, provided that any such agreement shall contain a provision that such corporation shall keep the lands accessible to the public unless such corporation shall demonstrate to the satisfaction of the town that public accessibility would be detrimental to the lands or any natural resources associated therewith.

11. Rights or interests in real property acquired with monies from such fund shall not be sold, leased, exchanged, donated, or otherwise disposed of or used for other than the purposes permitted by this section without the express authority of an act of the state legislature, which shall provide for the substitution of other lands of equal environmental value and fair market value and reasonably equivalent usefulness and location to those to be discontinued, sold or disposed of, and such other requirements as shall be approved by the state legislature. Any conservation easements, created under title three of article forty-nine of the environmental conservation law, which are acquired with monies from such fund may only be modified or extinguished as provided in section 49-0307 of such law. Nothing in this section shall preclude the town, by local law, from establishing additional restrictions to the alienation of lands acquired pursuant to this section. This subdivision shall not apply to the sale of development rights by the town acquired pursuant to this section, where said sale is made by a central bank created by the town, pursuant to a transfer of development rights program established by the town pursuant to section two hundred sixty-one-a of this chapter, provided, however that (a) the lands from which said development rights were acquired shall remain preserved in perpetuity by a permanent conservation easement or other instrument that similarly preserves the community character referenced in subdivision five of this section, and (b) the proceeds from such sale shall be deposited in the community preservation fund.

Provided, however, any such local law imposing, 44 45 repealing or reimposing such tax shall be subject to a mandatory refer-46 endum pursuant to section twenty-three of the municipal home rule law. 47 Notwithstanding the foregoing, prior to adoption of such local law, the 48 town must establish a community preservation fund pursuant to section 49 sixty-four-k of the town law. Revenues from such tax shall be deposited in such fund and may be used solely for the purposes of such fund. Such 50 51 local law shall apply to any conveyance occurring on or after the first day of a month to be designated by such town board, which is not less 52 than sixty days after the enactment of such local law, but shall not 53 apply to conveyances made on or after such date pursuant to binding 54 written contracts entered into prior to such date, provided that the 55 date of execution of such contract is confirmed by independent evidence

such as the recording of the contract, payment of a deposit or other facts and circumstances as determined by the treasurer.

- § 1439-ccc. Payment of tax. 1. The real estate transfer tax imposed pursuant to this article shall be paid to the treasurer or the recording officer acting as the agent of the treasurer upon designation as such agent by the treasurer. Such tax shall be paid at the same time as the real estate transfer tax imposed by article thirty-one of this chapter is required to be paid. Such treasurer or recording officer shall endorse upon each deed or instrument effecting a conveyance a receipt for the amount of the tax so paid.
- 2. A return shall be required to be filed with such treasurer or recording officer for purposes of the real estate transfer tax imposed pursuant to this article at the same time as a return is required to be filed for purposes of the real estate transfer tax imposed by article thirty-one of this chapter. The treasurer shall prescribe the form of return, the information which it shall contain, and the documentation that shall accompany the return. Said form shall be identical to the real estate transfer tax return required to be filed pursuant to section fourteen hundred nine of this chapter, except that the treasurer shall adapt said form to reflect the provisions in this chapter that are inconsistent, different, or in addition to the provisions of article thirty-one of this chapter. The real estate transfer tax returns required to be filed pursuant to this section shall be preserved for three years and thereafter until such treasurer or recording officer orders them to be destroyed.

- § 1439-ddd. Liability for tax. 1. The real estate transfer tax shall be paid by the grantee. If the grantee has failed to pay the tax imposed pursuant to this article or if the grantee is exempt from such tax, the grantor shall have the duty to pay the tax. Where the grantor has the duty to pay the tax because the grantee has failed to pay the tax, such tax shall be the joint and several liability of the grantee and the grantor.
- 2. For the purpose of the proper administration of this article and to prevent evasion of the tax hereby imposed, it shall be presumed that all conveyances are subject to the tax. Where the consideration includes property other than money, it shall be presumed that the consideration is the fair market value of the real property or interest therein. These presumptions shall prevail until the contrary is proven, and the burden of proving the contrary shall be on the person liable for payment of the tax.
- § 1439-eee. Exemptions. 1. The following shall be exempt from the payment of the real estate transfer tax imposed by this article:
- (a) The state of New York, or any of its agencies, instrumentalities, political subdivisions, or public corporations (including a public corporation created pursuant to an agreement or compact with another state or the Dominion of Canada); and

 - 2. The tax shall not apply to any of the following conveyances:

 - (q) Conveyances which consist of a deed of partition;
 - (h) Conveyances given pursuant to the federal bankruptcy act;
 - (i) Conveyances of real property which consist of the execution of a contract to sell real property without the use or occupancy of such property or the granting of an option to purchase real property without the use or occupancy of such property;
- (i) Conveyances of real property or a portion or portions of real property that are the subject of one or more of the following develop-22 ment restrictions: 23
 - (1) agricultural, conservation, scenic, or an open space easement,
 - (2) covenants or restrictions prohibiting development where the property or portion of property being conveyed has had its development rights permanently removed,
- (3) a purchase of development rights agreement where the property or 29 portion of property being conveyed has had its development rights perma-30 nently removed,
- 31 (4) a transfer of development rights agreement, where the property 32 being conveyed has had its development rights removed,
 - (5) real property subject to any locally adopted land preservation agreement, provided said exemption is included in the local law imposing the tax authorized by this article;
 - (k) Conveyances of real property, where the property is viable agricultural land as defined in subdivision seven of section three hundred one of the agriculture and markets law and the entire property to be conveyed is to be made subject to one of the development restrictions provided for in subparagraph two of paragraph (j) of this subdivision provided that said development restriction precludes the conversion of the property to a non-agricultural use for at least eight years from the date of transfer, and said development restriction is evidenced by an easement, agreement, or other suitable instrument which is to be conveyed to the town simultaneously with the conveyance of the real property; or
 - (1) Conveyances of real property for open space, parks, or historic preservation purposes to any not-for-profit tax exempt corporation operated for conservation, environmental, or historic preservation purposes.
- 3. An exemption from the tax which is equal to the median sales price of residential real property within the applicable county, as determined by the office of real property services pursuant to section four hundred twenty-five of the real property tax law, shall be allowed on the 54 consideration of the conveyance of improved or unimproved real property

or an interest therein. 55

§ 1439-fff. Credit. A grantee shall be allowed a credit against the tax due on a conveyance of real property to the extent tax was paid by such grantee on a prior creation of a leasehold of all or a portion of the same real property or on the granting of an option or contract to purchase all or a portion of the same real property by such grantee. Such credit shall be computed by multiplying the tax paid on the creation of the leasehold or on the granting of the option or contract by a fraction, the numerator of which is the value of the consideration used to compute such tax paid which is not yet due to such grantor on the date of the subsequent conveyance (and which such grantor will not be entitled to receive after such date), and the denominator of which is the total value of the consideration used to compute such tax paid.

1439-ggg. Cooperative housing corporation transfers. 1. Notwithstanding the definition of "controlling interest" contained in subdivision two of section fourteen hundred thirty-nine-aaa of this article or anything to the contrary contained in subdivision five of section fourteen hundred thirty-nine-aaa of this article, the tax imposed pursuant to this article shall apply to (a) the original conveyance of shares of stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold by the cooperative corporation or cooperative plan sponsor, and (b) the subsequent conveyance of such stock in a cooperative housing corporation in connection with the grant or transfer of a proprietary leasehold by the owner thereof. With respect to any such subsequent conveyance where the property is an individual residential unit, the consideration for the interest conveyed shall exclude the value of any liens on certificates of stock or other evidences of an ownership interest in and a proprietary lease from a corporation or partnership formed for the purpose of cooperative ownership of residential interest in real estate remaining thereon at the time of conveyance. In determining the tax on a conveyance described in paragraph (a) of this subdivision, a credit shall be allowed for a proportionate part of the amount of any tax paid upon the conveyance to the cooperative housing corporation of the real property comprising the cooperative dwelling or dwellings to the extent that such conveyance effectuated a mere change of identity or form of ownership of such property and not a change in the beneficial ownership of such property. The amount of the credit shall be determined by multiplying the amount of tax paid upon the conveyance to the cooperative housing corporation by a percentage representing the extent to which such conveyance effectuated a mere change of identity or form of ownership and not a change in the beneficial ownership of such property, and then multiplying the resulting product by a fraction, the numerator of which shall be the number of shares of stock conveyed in a transaction described in paragraph (a) of this subdivision, and the denominator of which shall be the total number of shares of stock of the cooperative housing corporation (including any stock held by the corporation). In no event, however, shall such credit reduce the tax, on a conveyance described in paragraph (a) of this subdivision, below zero, nor shall any such credit be allowed for a tax paid more than twenty-four months prior to the date on which occurs the first in a series of conveyances of shares of stock in an offering of cooperative housing corporation shares described in paragraph (a) of this subdivision.

2. Every cooperative housing corporation shall be required to file an information return with the treasurer by July fifteenth of each year covering the preceding period of January first through June thirtieth and by January fifteenth of each year covering the preceding period of

July first through December thirty-first. The return shall contain such information regarding the conveyance of shares of stock in the cooperative housing corporation as the treasurer may deem necessary, including, but not limited to, the names, addresses and employee identification numbers or social security numbers of the grantor and the grantee, the number of shares conveyed, the date of the conveyance and the consideration paid for such conveyance.

§ 1439-hhh. Designation of agents. The treasurer is authorized to designate the recording officer to act as his or her agent for purposes of collecting the tax authorized by this article. The treasurer shall provide for the manner in which such person may be designated as his or her agent subject to such terms and conditions as the treasurer shall prescribe. The real estate transfer tax shall be paid to such agent as provided in section fourteen hundred thirty-nine-ccc of this article.

§ 1439-iii. Liability of recording officer. A recording officer shall not be liable for any inaccuracy in the amount of tax imposed pursuant to this article that he or she shall collect so long as he or she shall compute and collect such tax on the amount of consideration or the value of the interest conveyed as such amounts are provided to him or her by the person paying the tax.

§ 1439-jjj. Refunds. Whenever the treasurer shall determine that any moneys received under the provisions of the local law enacted pursuant to this article were paid in error, he or she may cause such moneys to be refunded pursuant to such requirements as he or she may prescribe, provided that any application for such refund is filed with the treasurer within two years from the date the erroneous payment was made.

§ 1439-kkk. Deposit and disposition of revenue. 1. All taxes, penalties and interest imposed by the town under the authority of section fourteen hundred thirty-nine-bbb of this article, which are collected by the treasurer or his or her agents, shall be deposited in a single trust fund for the town and shall be kept in trust and separate and apart from all other monies in possession of the treasurer. Moneys in such fund shall be deposited and secured in the manner provided by section ten of the general municipal law. Pending expenditure from such fund, moneys therein may be invested in the manner provided in section eleven of the general municipal law. Any interest earned or capital gain realized on the moneys so deposited or invested shall accrue to and become part of such fund.

2. The treasurer shall retain such amount as he or she may determine to be necessary for refunds with respect to the tax imposed by the town, under the authority of section fourteen hundred thirty-nine-bbb of this article, out of which the treasurer shall pay any refunds of such taxes to those taxpayers entitled to a refund pursuant to the provisions of this article.

3. The treasurer, after reserving such refunds, shall on or before the twelfth day of each month pay to the town supervisor the taxes, penalties and interest imposed by the town under the authority of section fourteen hundred thirty-nine-bbb of this article, collected by the treasurer, pursuant to this article during the next preceding calendar month. The amount so payable shall be certified to the town supervisor by the treasurer, who shall not be held liable for any inaccuracy in such certification. Provided, however, any such certification may be based on such information as may be available to the treasurer at the time such certification must be made under this section. Where the amount so paid over to the town in any such distribution is more or less than the amount due to the town, the amount of the overpayment or under-

payment shall be certified to the town supervisor by the treasurer, who shall not be held liable for any inaccuracy in such certification. The amount of the overpayment or underpayment shall be so certified to the town supervisor as soon after the discovery of the overpayment or underpayment as reasonably possible and subsequent payments and distributions by the treasurer to the town shall be adjusted by subtracting the amount of any such overpayment from or by adding the amount of any such underpayment to such number of subsequent payments and distributions as the treasurer and town supervisor shall consider reasonable in view of the overpayment or underpayment and all other facts and circumstances.

- 4. All monies received from the treasurer shall be deposited in the fund of the town, pursuant to section sixty-four-k of the town law.
- § 1439-111. Judicial review. 1. Any final determination of the amount of any tax payable under section fourteen hundred thirty-nine-ccc of this article shall be reviewable for error, illegality or unconstitutionality or any other reason whatsoever by a proceeding under article seventy-eight of the civil practice law and rules if application therefor is made to the supreme court within four months after the giving of the notice of such final determination, provided, however, that any such proceeding under article seventy-eight of the civil practice law and rules shall not be instituted unless (a) the amount of any tax sought to be reviewed, with such interest and penalties thereon as may be provided for by local law shall be first deposited and there is filed an undertaking, issued by a surety company authorized to transact business in this state and approved by the state superintendent of insurance as to solvency and responsibility, in such amount as a justice of the supreme court shall approve to the effect that if such proceeding be dismissed or the tax confirmed the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding or (b) at the option of the petitioner, such undertaking may be in a sum sufficient to cover the taxes, interest and penalties stated in such determination, plus the costs and charges which may accrue against it in the prosecution of the proceeding, in which event the petitioner shall not be required to pay such taxes, interest or penalties as a condition precedent to the application.
- 2. Where any tax imposed hereunder shall have been erroneously, illegally or unconstitutionally assessed or collected and application for the refund or revision thereof duly made to the proper fiscal officer or officers, and such officer or officers shall have made a determination denying such refund or revision, such determination shall be reviewable by a proceeding under article seventy-eight of the civil practice law and rules; provided, however, that (a) such proceeding is instituted within four months after the giving of the notice of such denial, (b) a final determination of tax due was not previously made, and (c) an undertaking is filed with the proper fiscal officer or officers in such amount and with such sureties as a justice of the supreme court shall approve to the effect that if such proceeding be dismissed or the tax confirmed, the petitioner will pay all costs and charges which may accrue in the prosecution of such proceeding.
- § 1439-mmm. Apportionment. A local law adopted by the town of Bethlehem, pursuant to this article, shall provide for a method of apportionment for determining the amount of tax due whenever the real property or interest therein is situated within and without the town.
- § 1439-nnn. Miscellaneous. A local law adopted by the town of Bethlehem, pursuant to this article, may contain such other provisions as the town deems necessary for the proper administration of the tax imposed

pursuant to this article, including provisions concerning the determination of tax, the imposition of interest on underpayments and overpayments and the imposition of civil penalties. Such provisions shall be identical to the corresponding provisions of the real estate transfer tax imposed by article thirty-one of this chapter, so far as such provisions can be made applicable to the tax imposed pursuant to this article.

- § 1439-ooo. Returns to be secret. 1. Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for the treasurer or any officer or employee of the county or town, including any person engaged or retained on an independent contract basis, to divulge or make known in any manner the particulars set forth or disclosed in any return required under a local law enacted pursuant to this article. However, that nothing in this section shall prohibit the recording officer from making a notation on an instrument effecting a conveyance indicating the amount of tax paid. No recorded instrument effecting a conveyance shall be considered a return for purposes of this section.
- 2. The officers charged with the custody of such returns shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the county or town in any action or proceeding involving the collection of a tax due under a local law enacted pursuant to this article to which such county or town is a party, or a claimant, or on behalf of any party to any action or proceeding under the provisions of a local law enacted pursuant to this article when the returns or facts shown thereby are directly involved in such action or proceeding, in any of which events the court may require the production of, and may admit in evidence, so much of said returns or of the facts shown thereby, as are pertinent to the action or proceeding and no more.
- 3. Nothing herein shall be construed to prohibit the delivery to a grantor or grantee of an instrument effecting a conveyance or the duly authorized representative of a grantor or grantee of a certified copy of any return filed in connection with such instrument or to prohibit the publication of statistics so classified as to prevent the identification of particular returns and the items thereof, or the inspection by the legal representatives of such county or town of the return of any taxpayer who shall bring action to set aside or review the tax based thereon.
- 4. Any officer or employee of such county or town who willfully violates the provisions of this section shall be dismissed from office and be incapable of holding any public office in this state for a period of five years thereafter.
- § 3. Severability. If any provision of this act or the application thereof shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this act, but shall be confined in its operation to the provision thereof directly involved in the controversy in which such judgment shall have been rendered.
- 50 § 4. This act shall take effect immediately; provided, however, that 51 section two of this act shall take effect on the ninetieth day after it 52 shall have become a law and shall expire December 31, 2037 when upon 53 such date the provisions of such section shall be deemed repealed.
