2017-2018 Regular Sessions

IN SENATE

January 24, 2017

Introduced by Sen. LANZA -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to requiring the reporting of the results of English/language arts and mathematics assessments to the person in parental relation to each elementary school pupil who is so assessed

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new section 3211-b to read as follows:

§ 3211-b. Reports of English/language arts and mathematics assessments. The results of and the department designated proficiency level of any English/language arts or mathematics assessment test administered by a school district or school to any elementary school pupil shall be reported to the person in parental relation to such pupil by the department on or before the last day of class for the school year in which such test was administered. The regents and department shall establish and provide to every person in parental relation, school district and school, on or before May twentieth, the four proficiency levels for each grade level or each assessment test administered to such grade.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
