whether or not to initiate a child protective proceeding, and criteria for the formulation of treatment plans and for the delivery of child 3 protective services including specification of the services to be classified as child protective services, which shall also apply to any society for the prevention of cruelty to children which has entered into a currently valid contract with a local department of social services to 7 investigate child abuse or maltreatment reports. The department shall 8 promulgate regulations establishing minimum standards and practices for 9 the delivery of child protective services in connection with monitoring 10 and supervising respondents and their families as ordered by a family 11 court pursuant to section ten hundred thirty-nine and paragraphs (i), (iii), (iv) and (v) of subdivision (a) of section ten hundred fifty-two 12 13 the family court act. The department shall require that every case-14 worker, child protective services employee or any person acting pursuant 15 to a contract for services with a local social services department who 16 has contact with a child as part of a treatment plan or supervision and 17 monitoring, to document each such contact with a date and time stamped photograph of the front door of the residence where such child is domi-18 ciled during such visit or contact using a global positioning satellite 19 20 capable tablet, cellular phone or comparable device. Such photograph 21 shall be part of the confidential case record for such child and shall be subject to periodic review by the supervisor of the case. Such photo-22 23 graph must be of sufficient quality to clearly identify the front door 24 of the residence where the child is domiciled, and contain accurate data 25 with regard to the time, date and location of the photograph. The super-26 vising authority shall also require that the caseworker geographically 27 document such visit utilizing technology allowing for such geographic documentation. If the parent or legal guardian objects to the photograph 28 29 of the entrance to the residence where the child is domiciled or for the 30 geographic documentation of the visit, the caseworker shall provide a 31 form, supplied by the caseworker's agency of employment, stating that 32 the caseworker conducted the visit with the child and verified the well being of the child. Such form shall indicate which procedure or proce-33 34 dures prescribed in this section were objected to and shall be signed 35 and dated by both the child's parent or legal guardian and the casework-36 er. Such form shall be utilized at each visit where either a photograph 37 is not taken or the visit is not geographically documented. Such requ-38 lations required under this subdivision shall also require local child protective services to comply with notification requirements of the 39 40 family court act in connection with such monitoring and supervisory responsibilities. 41

§ 3. Section 372 of the social services law is amended by adding a new subdivision 4-c to read as follows:

4-c. The records maintained pursuant to this section by any caseworker, child protective services employee or authorized agency as defined in section three hundred seventy-one of this title who has contact with a foster child as part of a treatment plan or supervision and monitoring, shall include documentation of each such contact in accordance with the requirements set forth in subdivision three of section four hundred twenty-one of this article.

§ 4. This act shall take effect immediately.
