AN ACT to amend the real property tax law, in relation to the base proportion in approved assessing units in Nassau county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph (a) of subdivision 3 of section 1903 of the real property tax law is amended by adding a new subparagraph (xviii) to read as follows:

(xviii) Notwithstanding any other provision of law, in an approved assessing unit in the county of Nassau and for current base proportions to be determined by taxes based on such approved assessing unit's two thousand seventeen roll, the current base proportion of any class shall not exceed the adjusted base proportion or adjusted proportion, whichever is appropriate, of the immediately preceding year, by more than one percent, provided that such approved assessing unit has passed a local law, ordinance or resolution providing therefor. Where the computation of current base proportions would otherwise produce such result, the current base proportion of such class or classes shall be limited to such one percent increase and the legislative body of such approved assessing unit shall alter the current base proportion of either class so that the sum of the current base proportions equals one.

§ 2. This act shall take effect immediately and shall apply to the levy of taxes based on the 2017 assessment roll in approved assessing units in the county of Nassau that pass a local law, ordinance or resolution to adopt these provisions.
