§ 2. Subdivisions a and f of section 607-c of the retirement and social security law, subdivision a as added by chapter 639 of the laws of 1999 and subdivision f as added by chapter 521 of the laws of 2014, are amended to read as follows:

f. § 3. Notwithstanding any other provision of law to the contrary, none of the provisions of this act shall be subject to the appropriation requirement of section 25 of the retirement and social security law.

§ 4. This act shall take effect immediately.

FISCAL NOTE.--This bill will grant coverage under a 75% of pay performance of duty disability benefit for assistant wardens whose employers already have elected to provide this benefit for their sheriff, undersheriff, deputy sheriffs and correction officers.

If this bill is enacted, the increase in the annual contributions of such affected counties will depend on the current salary and plan coverage of the affected members in its employ. For the fiscal year ending March 31, 2018, the additional annual cost, expressed as a percentage of annual pay of the affected members, will be 2.1% of pay for tiers 3, 4 and 5, and 1.9% of pay for tier 6. In future years, this annual cost will vary as the billing rates of these plans change.

There would also be a one-time past service cost of 12.6% of the affected wardens' annual billing salaries. This past service cost would be shared by the State of New York and the participating employers in the New York State and Local Employees' Retirement System.
