perjury. This application shall be in such form as the commissioner shall prescribe and a copy thereof shall be handed to the defendant by the officer charging him or her with such offense. Thereupon the local criminal court may proceed as though the defendant had been convicted upon a plea of guilty in open court, provided, however, that any imposition of fine or penalty hereunder shall be deemed tentative until such fine or penalty shall have been paid and discharged in full, prior to which time such court, in its discretion, may annul any proceedings hereunder, including such tentative imposition of fine or penalty, and deny the application, in which event the charge shall be disposed of pursuant to the applicable provisions of law, as though no proceedings had been had under this section. If upon receipt of the aforesaid application such court shall deny the same, it shall thereupon inform the defendant of this fact, and that he or she is required to appear before the said court at a stated time and place to answer the charge which shall thereafter be disposed of pursuant to the applicable provisions of law. The holder of a class DJ or class MJ learner's permit, a class DJ or class MJ driver's license or a limited class DJ or class MJ license may not waive the provisions of section 170.10 of the criminal procedure law or section eighteen hundred seven of this article and such defendant shall be required to personally enter a plea in court.

§ 2. Paragraph (b) of subdivision 1 of section 170.10 of the criminal procedure law, as amended by chapter 661 of the laws of 1972, is amended to read as follows:

(b) In any case in which the defendant's appearance is required by a summons or an appearance ticket, the court in its discretion may, for good cause shown, permit the defendant to appear by counsel instead of in person, except in any case in which the defendant is a holder of a class DJ or class MJ learner's permit, a class DJ or class MJ driver's license issued pursuant to section five hundred two of the vehicle and traffic law, where such defendant has been charged with a violation of the vehicle and traffic law, or other law or ordinance relating to the operation of motor vehicles or motorcycles.

§ 3. Section 170.10 of the criminal procedure law is amended by adding a new subdivision 11 to read as follows:

11. (a) Notwithstanding any other provision of law to the contrary, in any case wherein a charge laid before a court on a simplified traffic information charges any holder of a class DJ or class MJ learner's permit, a class DJ or class MJ driver's license issued pursuant to section five hundred two of the vehicle and traffic law with a serious traffic violation as defined in paragraph (b) of this subdivision, any plea of guilty thereafter entered in satisfaction of such charge must include at least a plea of guilty to one of the charges that such holder was originally charged with and no other disposition by plea of guilty to any other charge in satisfaction of such charge shall be authorized, provided, however, if the district attorney upon reviewing the available evidence determines that the charge of such violation is not warranted, such district attorney may consent, and the court may allow a disposition by plea of guilty to another charge in satisfaction of such charge; provided, however, in all such cases, the court shall set forth upon the record the basis for such disposition.

(b) For purposes of this subdivision, the term "serious traffic violation" shall mean operating a motor vehicle in violation of any of the following provisions of the vehicle and traffic law: articles twenty-five and twenty-six; subdivision one of section six hundred; section six hundred one; sections eleven hundred eleven, eleven hundred seventy,

eleven hundred seventy-two and eleven hundred seventy-four; subdivisions (a), (b), (c), (d) and (f) of section eleven hundred eighty, provided that the violation involved ten or more miles per hour over the established limit; section eleven hundred eighty-two; subdivision three of section twelve hundred twenty-nine-c for violations involving use of safety belts or seats by a child under the age of sixteen; and section twelve hundred twelve.

§ 4. This act shall take effect on the ninetieth day after it shall have become a law and shall apply to violations occurring on and after such effective date.
