1 addition to such housing accommodation and otherwise eligible according
2 to the prerequisites for major capital improvement rent increases. Any
3 repair or replacement intended to maintain an existing service shall not
4 be eligible for a major capital improvement rent increase. No applica-
5 tion for a major capital improvement rent increase may be approved if
6 there exist any outstanding hazardous violations at the time of the
7 consideration of such application, as determined pursuant to regulations
8 of the division of housing and community renewal or any agency adminis-
9 tering and enforcing a building code in the jurisdiction in which the
10 property is located, unless it is determined by the division of housing
11 and community renewal that such work is essential to the alleviation of
12 the violations and such approval is consistent with the provisions of
13 this section. Except in the case of emergency or good cause, the owner
14 of the property shall file, not less than thirty days before the
15 commencement of the improvement, with the division of housing and commu-

25 tenants or unlawful eviction. Upon receipt of the scope of work and
26 affidavit provided for herein, the division of housing and community
27 renewal shall provide the tenants in occupancy in such buildings with
28 such information. The division of housing and community renewal shall,
29 in addition, implement procedures including, but not limited to, eliciting
30 tenant comments to determine whether major capital improvement reha-
31 bilitation work has been satisfactorily completed. No major capital
32 improvement rent increase shall become effective until any defective or
33 deficient rehabilitation work has been cured. The increase permitted for
34 such capital improvement shall be collected as a monthly surcharge to
35 the maximum rent. It shall be separately designated and billed as such
36 and shall not be compounded by any other adjustment to the maximum rent.
37 The surcharge allocable to each apartment shall be an amount equal to
38 the cost of the improvement divided by eighty-four, divided by the
39 number of rooms in the building, and then multiplied by the number of
40 rooms in such apartment; provided that the surcharge allocable to any
41 apartment in any one year may not exceed an amount equal to six percent
42 of the monthly rent collected by the owner for such apartment as set
43 forth in the schedule of gross rents. Any excess above said six percent
44 shall be carried forward and collected in future years as a further
45 surcharge not to exceed an additional six percent in any one year period
46 until the total surcharge equals the amount it would have been if the
47 aforementioned six percent limitation did not apply; or

52 seventy, in connection with and in addition to a concurrent major capi-
53 tal improvement pursuant to subparagraph (g) of this paragraph, other
54 expenditures to improve, restore or preserve the quality of the struc-
55 ture. An adjustment under this subparagraph shall be granted only if
56 such improvements represent an expenditure equal to at least ten per

centum of the total operating and maintenance expenses for the preceding year. An adjustment under this subparagraph shall be in addition to any adjustment granted for the concurrent major capital improvement and shall be ~~[in an amount sufficient to amortize the cost of the improvements pursuant to this subparagraph over a seven-year period]~~ implemented in the same manner as such major capital improvement as a further surcharge to the maximum rent.

§ 3. Paragraph 6 of subdivision c of section 26-511 of the administrative code of the city of New York, as amended by section 29 of part A of chapter 20 of the laws of 2015, is amended to read as follows:

2 increase over the rent set forth in the schedule of gross rents, with
3 collectability of any dollar excess above said sum to be spread forward
4 in similar increments and added to the stabilized rent as established or
5 set in future years;

6 § 4. Subdivision c of section 26-511 of the administrative code of the
7 city of New York is amended by adding three new paragraphs 6-b, 6-c and

18 approved by the division of housing and community renewal unless the
19 work performed is an enhancement or upgrade to a housing accommodation
20 or service therein; or is an addition to such housing accommodation and
21 otherwise eligible according to the prerequisites for major capital
22 improvement rent increases. Any repair or replacement intended to main-

24 improvement rent increase;

25 (iii) no application for a major capital improvement rent increase may

32 alleviation of the violations and such approval is consistent with the
33 provisions of this section. Except in the case of emergency or good
34 cause, the owner of the property shall file, not less than thirty days
35 before the commencement of the improvement, with the division of housing

The surcharge allocable to each apartment shall be an amount equal to the cost of the improvement divided by eighty-four divided by the number of rooms in the building, and then multiplied by the number of rooms in such apartment; provided that the surcharge allocable to any apartment, in any one year may not exceed an amount equal to six percent of the monthly rent collected by the owner for such apartment as set forth in the schedule of gross rents. Any excess above said six percent shall be carried forward and collected in future years as a further surcharge not to exceed an additional six percent in any one year period until the total surcharge equals the amount it would have been if the aforementioned six percent limitation did not apply.

(6-d) collection of surcharges in excess of the level of fair rent authorized pursuant to paragraph six-b and six-c of this subdivision shall cease when the owner has recovered the cost of the major capital improvement.

§ 5. Paragraph 3 of subdivision d of section 6 of section 4 of chapter 576 of the laws of 1974, constituting the emergency tenant protection act of nineteen seventy-four, as amended by section 30 of part A of chapter 20 of the laws of 2015, is amended to read as follows:

An adjustment under this paragraph shall be in an amount sufficient to amortize the cost of the improvements pursuant to this paragraph over an eight-year period for a building with thirty-five or fewer housing accommodations, or a nine-year period for a building with more than thirty-five housing accommodations, for any determination issued by the division of housing and community renewal after the effective date of the rent act of 2015,~~]; provided that the commissioner first finds that such improvements are deemed depreciable under the internal revenue code and such improvements are required for the operation or preservation of the structure. Any repair or replacement intended to maintain an existing service shall not be eligible for a major capital improvement rent increase. No application for a major capital improvement rent increase may be approved if there exist any outstanding hazardous violations at the time of the consideration of such application, as determined pursuant to regulations of the division of housing and community renewal or any agency administering and enforcing a building code in the jurisdiction in which the property is located, unless it is determined by the division of housing and community renewal that such work is essential to the alleviation of the violations and such approval is consistent with the provisions of this section. The division of housing and community renewal shall, in addition, implement procedures including, but not limited to, eliciting tenant comments to determine whether major capital improvement rehabilitation work has been satisfactorily completed. No major capital improvement rent increase shall become effective until any defective or deficient rehabilitation work has been cured. The increase permitted for such capital improvement shall be collected as a monthly surcharge to the legal regulated rent. It shall be separately designated and billed as such and shall not be compounded by any annual rent adjustment authorized by the rent guidelines board under this act. The surcharge allocable to each apartment shall be an amount equal to the cost of the improvement divided by eighty-four, divided by the number of rooms in the building, and then multiplied by the number of rooms in such apartment; provided that the surcharge allocable to any apartment in any one year may not exceed an amount equal to six percent of the monthly rent collected by the owner for such apartment as set forth in the schedule of gross rents. § 6. The second undesignated paragraph of paragraph (a) of subdivision 4 of section 4 of chapter 274 of the laws of 1946, constituting the emergency housing rent control law, as amended by section 25 of part B of chapter 97 of the laws of 2011, subparagraph 7 as amended by section 32 of part A of chapter 20 of the laws of 2015, is amended to read as follows:

No application for adjustment of maximum rent based upon a sales price valuation shall be filed by the landlord under this subparagraph prior to six months from the date of such sale of the property. In addition, no adjustment ordered by the commission based upon such sales price valuation shall be effective prior to one year from the date of such sale. Where, however, the assessed valuation of the land exceeds four times the assessed valuation of the buildings thereon, the commission may determine a valuation of the property equal to five times the equalized assessed valuation of the buildings, for the purposes of this subparagraph. The commission may make a determination that the valuation of the property is an amount different from such equalized assessed valuation where there is a request for a reduction in such assessed valuation currently pending; or where there has been a reduction in the assessed valuation for the year next preceding the effective date of the current assessed valuation in effect at the time of the filing of the

1 application. Net annual return shall be the amount by which the earned
2 income exceeds the operating expenses of the property, excluding mort-
3 gage interest and amortization, and excluding allowances for obsoles-
4 cence and reserves, but including an allowance for depreciation of two
5 per centum of the value of the buildings exclusive of the land, or the
6 amount shown for depreciation of the buildings in the latest required
7 federal income tax return, whichever is lower; provided, however, that
8 (1) no allowance for depreciation of the buildings shall be included
9 where the buildings have been fully depreciated for federal income tax
10 purposes or on the books of the owner; or (2) the landlord who owns no
11 more than four rental units within the state has not been fully compen-
12 sated by increases in rental income sufficient to offset unavoidable
13 increases in property taxes, fuel, utilities, insurance and repairs and
14 maintenance, excluding mortgage interest and amortization, and excluding
15 allowances for depreciation, obsolescence and reserves, which have
16 occurred since the federal date determining the maximum rent or the date
17 the property was acquired by the present owner, whichever is later; or
18 (3) the landlord operates a hotel or rooming house or owns a cooperative
19 apartment and has not been fully compensated by increases in rental
20 income from the controlled housing accommodations sufficient to offset
21 unavoidable increases in property taxes and other costs as are allocable
22 to such controlled housing accommodations, including costs of operation
23 of such hotel or rooming house, but excluding mortgage interest and
24 amortization, and excluding allowances for depreciation, obsolescence
25 and reserves, which have occurred since the federal date determining the
26 maximum rent or the date the landlord commenced the operation of the
27 property, whichever is later; or (4) the landlord and tenant voluntarily
28 enter into a valid written lease in good faith with respect to any hous-
29 ing accommodation, which lease provides for an increase in the maximum
30 rent not in excess of fifteen per centum and for a term of not less than
31 two years, except that where such lease provides for an increase in
32 excess of fifteen per centum, the increase shall be automatically
33 reduced to fifteen per centum; or (5) the landlord and tenant by mutual
34 voluntary written agreement agree to a substantial increase or decrease
35 in dwelling space or a change in the services, furniture, furnishings or
36 equipment provided in the housing accommodations; provided that an owner
37 shall be entitled to a rent increase where there has been a substantial
38 modification or increase of dwelling space or an increase in the
39 services, or installation of new equipment or improvements or new furni-
40 ture or furnishings provided in or to a tenant's housing accommodation.
41 The permanent increase in the maximum rent for the affected housing
42 accommodation shall be one-fortieth, in the case of a building with
43 thirty-five or fewer housing accommodations, or one-sixtieth, in the
44 case of a building with more than thirty-five housing accommodations
45 where such permanent increase takes effect on or after September twen-
46 ty-fourth, two thousand eleven, of the total cost incurred by the land-
47 lord in providing such modification or increase in dwelling space,
48 services, furniture, furnishings or equipment, including the cost of
49 installation, but excluding finance charges provided further that an
50 owner who is entitled to a rent increase pursuant to this clause shall
51 not be entitled to a further rent increase based upon the installation
52 of similar equipment, or new furniture or furnishings within the useful
53 life of such new equipment, or new furniture or furnishings. The owner
54 shall give written notice to the commission of any such adjustment
55 pursuant to this clause; or (6) there has been, since March first, nine-
56 teen hundred fifty, an increase in the rental value of the housing

1 accommodations as a result of a substantial rehabilitation of the build-
2 ing or housing accommodation therein which materially adds to the value
3 of the property or appreciably prolongs its life, excluding ordinary
4 repairs, maintenance and replacements; or (7)(i) collection of
5 surcharges to the maximum rent authorized pursuant to item (ii) of this
6 clause shall cease when the owner has recovered the cost of the major
7 capital improvement; (ii) there has been since March first, nineteen
8 hundred fifty, a major capital improvement [~~required for the operation,~~
9 ~~preservation or maintenance of the structure, which for any order of the~~
10 ~~commissioner issued after the effective date of the rent act of 2015 the~~
11 ~~cost of such improvement shall be amortized over an eight year period~~
12 ~~for buildings with thirty five or fewer units or a nine year period for~~
13 ~~buildings with more than thirty-five units, or~~]; provided that the
14 commissioner first finds that such improvements are deemed depreciable
15 under the internal revenue code and such improvements are required for
16 the operation or preservation of the structure. However, no major capi-
17 tal improvement rent increase will be approved by the division of hous-
18 ing and community renewal unless the work performed is an enhancement or
19 upgrade to a housing accommodation or service therein; or is an addition
20 to such housing accommodation and otherwise eligible according to the
21 prerequisites for major capital improvement rent increases. Any repair
22 or replacement intended to maintain an existing service shall not be
23 eligible for a major capital improvement rent increase. No application
24 for a major capital improvement rent increase may be approved if there
25 exist any outstanding hazardous violations at the time of the consider-
26 ation of such application, as determined pursuant to regulations of the
27 division of housing and community renewal or any agency administering
28 and enforcing a building code in the jurisdiction in which the property
29 is located, unless it is determined by the division of housing and
30 community renewal that such work is essential to the alleviation of the
31 violations and such approval is consistent with the provisions of this
32 section. Except in the case of emergency or good cause, the owner of the
33 property shall file, not less than thirty days before the commencement
34 of the improvement, with the division of housing and community renewal a
35 statement containing information outlining the scope of work, expected
36 date of completion for such work and an affidavit setting forth the
37 following information: (a) every owner of record and owner of a substan-
38 tial interest in the property or entity owning the property or sponsor-
39 ing the improvement; and (b) a statement that none of such persons had,
40 within the five years prior to the improvement, been found to have
41 harassed or unlawfully evicted tenants by judgment or determination of a
42 court or agency under the penal law, any state or local law regulating
43 rents or any state or local law relating to harassment of tenants or
44 unlawful eviction. Upon receipt of the scope of work and affidavit
45 provided for herein, the division of housing and community renewal shall
46 provide the tenants in occupancy in such buildings with such informa-
47 tion. The division of housing and community renewal shall, in addition,
48 implement procedures including, but not limited to, eliciting tenant
49 comments to determine whether major capital improvement rehabilitation
50 work has been satisfactorily completed. No major capital improvement
51 rent increase shall become effective until any defective or deficient
52 rehabilitation work has been cured. The increase permitted for such
53 capital improvement shall be collected as a monthly surcharge to the
54 maximum rent. It shall be separately designated and billed as such and
55 shall not be compounded by any other adjustment to the maximum rent. The
56 surcharge allocable to each apartment shall be an amount equal to the

cost of the improvement divided by eighty-four, divided by the number of rooms in the building, and then multiplied by the number of rooms in such apartment; provided that the surcharge allocable to any apartment in any one year may not exceed an amount equal to six percent of the monthly rent collected by the owner for such apartment as set forth in the schedule of gross rents. Any excess above said six percent shall be carried forward and collected in future years as a further surcharge not to exceed an additional six percent in any one year period until the total surcharge equals the amount it would have been if the aforementioned six percent limitation did not apply; or (8) there has been since March first, nineteen hundred fifty, in structures containing more than four housing accommodations, other improvements made with the express consent of the tenants in occupancy of at least seventy-five per centum of the housing accommodations, provided, however, that no adjustment granted hereunder shall exceed fifteen per centum unless the tenants have agreed to a higher percentage of increase, as herein provided; or (9) there has been, since March first, nineteen hundred fifty, a subletting without written consent from the landlord or an increase in the number of adult occupants who are not members of the immediate family of the tenant, and the landlord has not been compensated therefor by adjustment of the maximum rent by lease or order of the commission or pursuant to the federal act; or (10) the presence of unique or peculiar circumstances materially affecting the maximum rent has resulted in a maximum rent which is substantially lower than the rents generally prevailing in the same area for substantially similar housing accommodations.

§ 7. Paragraph 5 of subdivision d of section 6 of section 4 of chapter 576 of the laws of 1974, constituting the emergency tenant protection act of nineteen seventy-four, as amended by chapter 102 of the laws of 1984, is amended and a new paragraph 6 is added to read as follows:

(5) as an alternative to the hardship application provided under paragraph four of this subdivision, owners of buildings acquired by the same owner or a related entity owned by the same principals three years prior to the date of application may apply to the division for increases in excess of the level of applicable guideline increases established under this law based on a finding by the commissioner that such guideline increases are not sufficient to enable the owner to maintain an annual gross rent income for such building which exceeds the annual operating expenses of such building by a sum equal to at least five percent of such gross rent. For the purposes of this paragraph, operating expenses shall consist of the actual, reasonable, costs of fuel, labor, utilities, taxes, other than income or corporate franchise taxes, fees, permits, necessary contracted services and non-capital repairs, insurance, parts and supplies, management fees and other administrative costs and mortgage interest. For the purposes of this paragraph, mortgage interest shall be deemed to mean interest on a bona fide mortgage including an allocable portion of charges related thereto. Criteria to be considered in determining a bona fide mortgage other than an institutional mortgage shall include[+]: condition of the property, location of the property, the existing mortgage market at the time the mortgage is placed, the term of the mortgage, the amortization rate, the principal amount of the mortgage, security and other terms and conditions of the mortgage. The commissioner shall set a rental value for any unit occupied by the owner or a person related to the owner or unoccupied at the owner's choice for more than one month at the last regulated rent plus the minimum number of guidelines increases or, if no such regulated rent

1 existed or is known, the commissioner shall impute a rent consistent
2 with other rents in the building. The amount of hardship increase shall
3 be such as may be required to maintain the annual gross rent income as
4 provided by this paragraph. The division shall not grant a hardship
5 application under this paragraph or paragraph four of this subdivision
6 for a period of three years subsequent to granting a hardship applica-
7 tion under the provisions of this paragraph. The collection of any
8 increase in the rent for any housing accommodation pursuant to this
9 paragraph shall not exceed six percent in any year from the effective
10 date of the order granting the increase over the rent set forth in the
11 schedule of gross rents, with collectability of any dollar excess above
12 said sum to be spread forward in similar increments and added to the
13 rent as established or set in future years. No application shall be
14 approved unless the owner's equity in such building exceeds five percent
15 of: (i) the arms length purchase price of the property; (ii) the cost of
16 any capital improvements for which the owner has not collected a
17 surcharge; (iii) any repayment of principal of any mortgage or loan used
18 to finance the purchase of the property or any capital improvements for
19 which the owner has not collected a surcharge; and (iv) any increase in
20 the equalized assessed value of the property which occurred subsequent
21 to the first valuation of the property after purchase by the owner. For
22 the purposes of this paragraph, owner's equity shall mean the sum of (i)
23 the purchase price of the property less the principal of any mortgage or
24 loan used to finance the purchase of the property, (ii) the cost of any
25 capital improvement for which the owner has not collected a surcharge
26 less the principal of any mortgage or loan used to finance said improve-
27 ment, (iii) any repayment of the principal of any mortgage or loan used
28 to finance the purchase of the property or any capital improvement for
29 which the owner has not collected a surcharge, and (iv) any increase in
30 the equalized assessed value of the property which occurred subsequent
31 to the first valuation of the property after purchase by the owner[+];
32 or

33 (6) notwithstanding paragraph three of this subdivision there shall be
34 no adjustment for any major capital improvement funded in any part from
35 moneys provided by the New York state energy research and development
36 authority.

37 § 8. Paragraph 1 of subdivision g of section 26-405 of the administra-
