1 (b) Allowance of credit. A taxpayer subject to tax under article
2 nine-A or twenty-two of this chapter shall be allowed credit against
3 such tax, pursuant to the provisions referenced in subdivision (1) of
4 this section, with respect to qualified contributions made during the
5 taxable year.

6 (c) Amount of credit. For taxpayers whose federal adjusted gross
7 income is less than three hundred thousand dollars for the taxable year
8 during which such taxpayer made at least one qualified contribution, the
9 amount of the credit shall be ninety percent of the taxpayer's total
10 qualified contributions, capped at eight hundred seventy-five thousand
11 dollars. For taxpayers whose federal adjusted gross income is greater
12 than or equal to three hundred thousand dollars for the taxable year
13 during which such taxpayer made at least one qualified contribution, the
14 amount of credit shall be seventy-five percent of the taxpayer's total
15 qualified contributions, capped at eight hundred seventy-five thousand
16 dollars. A taxpayer that is a partner in a partnership, member of a
17 limited liability company or shareholder in an S corporation shall be
18 allowed to claim its pro rata share of the credit earned by the partner-
19 ship, limited liability company or S corporation, provided that such a
20 taxpayer shall not claim credit in excess of eight hundred seventy-five
21 thousand dollars.

22 (d) Information to be posted on the department's website. The commis-
23 sioner shall maintain on the department's website a running total of the
24 amount of available credit for which taxpayers may apply pursuant to
25 this section. Such running total shall be updated on a daily basis.
26 Additionally, the commissioner shall maintain on the department's
27 website a list of the school improvement organizations, local education
28 funds and educational scholarship organizations approved to issue
29 certificates of receipt pursuant to article twenty-five of the education
30 law. The commissioner shall also maintain on the department's website a
31 list of public education entities, school improvement organizations,
32 local education funds and educational scholarship organizations whose
33 approval to issue certificates of receipt has been revoked along with
34 the date of revocation.

35 (e) Applications for contribution authorization certificates. Prior to
36 making a contribution to a public education entity, school improvement
37 organization, local education fund, or educational scholarship organiza-
38 tion, the taxpayer shall apply to the department for a contribution
39 authorization certificate for such contribution. Such application shall
40 be in the form and manner prescribed by the department. The department
41 may allow taxpayers to make multiple applications on the same form,
42 provided that each contribution listed on such application shall be
43 treated as a separate application and that the department shall issue
44 separate contribution authorization certificates for each such applica-
45 tion.

46 (f) Contribution authorization certificates. 1. Issuance of certif-
47 icates. The commissioner shall issue contribution authorization certif-
48 icates in two phases. In phase one, which begins on the first day of
49 January and ends on the thirty-first day of January, the commissioner
50 shall accept applications for contribution authorization certificates.
51 Commencing after the fifth day of February, the commissioner shall issue
52 contribution authorization certificates for applications received during
53 phase one, provided that if the aggregate total of the contributions for
54 which applications have been received during phase one exceeds the
55 amount of the credit cap in subdivision (h) of this section, then phase
56 one of the credit cap application shall be allocated in two steps. In

1 step one, the allocation shall equal the contribution cap divided by the
2 total number of applications for contributions, rounded down to the
3 nearest cent. Each application requesting an amount which is less than
4 or equal to the allocation in step one shall receive the amount on their
5 application for contribution and the difference, which shall be referred
6 to as "excess distributions" for the purposes of this subdivision, shall
7 be available for allocation in step two. Each application requesting an
8 amount which exceeds the allocation in step one shall be allocated cred-
9 its in step two. In step two, if excess distributions equal zero then
10 each application shall receive the allocation amount from step one,
11 otherwise each application shall receive an amount equal to the sum of
12 the (i) the allocation amount in step one and (ii) a pro rata share of
13 aggregate excess distributions based on the difference between the
14 amount on their application for contribution and the allocation in step
15 one. For the purposes of this subdivision, multiple applications by the
16 same taxpayer shall be treated as one application. If the credit cap is
17 not exceeded, phase two commences on February twentieth and ends on
18 October thirty-first. During phase two the commissioner shall issue
19 contribution authorization certificates on a first-come first serve
20 basis based upon the date the department received the taxpayer's appli-
21 cation for such certificate. Contribution authorization certificates
22 for applications received during phase one shall be mailed no later than

35 which the taxpayer may make the authorized contribution, and (vii) any
36 other information that the commissioner deems necessary.

37 3. Notification of the issuance of a contribution authorization
38 certificate. Upon the issuance of a contribution authorization certif-

42 authorization certificate. Such notification shall include (i) the

49 (g) Certificate of receipt. 1. In general. No public education entity,
50 school improvement organization, local education fund, or educational
51 scholarship organization shall issue a certificate of receipt for any
52 contribution made by a taxpayer unless such public education entity,
53 school improvement organization, local education fund, or educational
54 scholarship organization has been approved to issue certificates of
55 receipt pursuant to article twenty-five of the education law. No public
56 education entity, school improvement organization, local education fund,

14 within thirty days of receipt of the authorized contribution, issue to
15 the taxpayer a certificate of receipt; provided, however, that if the
16 taxpayer contributes an amount that is less than the amount listed on
17 the taxpayer's contribution authorization certificate, the taxpayer
18 shall not be issued a certificate of receipt for such contribution.
