Introduced by Sens. MONTGOMERY, PERKINS -- read twice and ordered printed, and when printed to be committed to the Committee on Crime Victims, Crime and Correction

AN ACT to amend the correction law, in relation to establishing a pilot program for the use of body-worn cameras on certain correction officers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The correction law is amended by adding a new section 135  
2 to read as follows:

3 § 135. Body camera for correction officers pilot program. 1. The  
4 commissioner shall, after consultation with the chairman of the state  
5 commission of corrections, establish a pilot program providing for the  
6 use of a body-worn personal video recording device on certain correction  
7 officers assigned to the supervision of general population inmates at a  
8 maximum security facility. No fewer than fifty correction officers in a  
9 single shift shall be selected to participate in this pilot program.  
10 Each officer chosen shall wear a personal video recording device affixed  
11 to his or her uniform while on duty in the facility chosen for such  
12 pilot program. The personal video recording device shall record all the  
13 interactions of a correction officer and inmates under his or her care,  
14 custody and control. The recording shall include both audio and video.

15 2. All such equipment shall be installed on or before six months after  
16 the effective date of the chapter of laws of two thousand seventeen that  
17 added this section. The commissioner shall promulgate all rules and  
18 regulations necessary to implement the provisions of this section. Such  
19 rules and regulations shall require that all video recordings be cata-  
20 logued and maintained as a record by the department for not less than  
21 six months and shall establish minimum standards for the personal video  
22 recording devices, and recording equipment to be used and furthermore  
23 shall provide for the protection of personal privacy for those persons

1 whose actions may be recorded. No personal video recording devices may  
2 be used as a means to conduct surveillance upon any inmate, officer or  
3 employee of the department.

4 3. The commissioner shall issue a report within six months of the  
5 completion of the pilot program detailing the use of and evaluating the  
6 effectiveness of personal video recording devices including what impact,  
7 if any, the use of body-worn personal cameras has on assaultive behav-  
8 iors, serious injury, death, and other indicators of increased physical  
9 safety of inmates, officers and personnel, and which shall also provide  
10 relevant recommendations.

11 § 2. This act shall take effect six months after it shall have become  
12 a law.
