1 (ii) such association of producers or growers that produces or grows 2 eqgs, livestock, fish, dairy products (excluding milk), juice, grains, and species of fresh fruit and vegetables, is comprised of owners of 3 farms who also operate such farms and have combined to fill the order of 4 5 a school district, and where such order is for twenty-five thousand б dollars or less as herein authorized, provided however, that a school district may apply to the commissioner of education for permission to 7 8 purchase orders of more than twenty-five thousand dollars from an asso-9 ciation of owners of such farms when no other producers or growers have 10 offered to sell to such school;

(b) [the amount that may be expended by a school district in any fiscal year for such purchases shall not exceed an amount equal to twenty cents multiplied by the total number of days in the school year multiplied by the total enrollment of such school district;

(c)] upon determination by a board of education that the cost of such 15 food products is not reasonably competitive, the specifications requir-16 17 ing such purchase shall be waived for that specific food product until the next contract for such food product is let out for bid. For purposes 18 of this subdivision "reasonably competitive" shall mean that the cost of 19 20 the New York state grown, produced, harvested or processed food product 21 does not exceed a cost premium of ten percent above the cost of a comparable product that is not grown, produced, harvested or processed in New 22 23 York state.

(c) upon determination by a board of education that such food products are not available in sufficient quantity for purchasing, the specifications requiring such purchase shall be waived for that specific food product until the next contract for such food product is let out for bid.

29 (d) all such purchases shall be administered pursuant to regulations 30 promulgated by the commissioner of education. Such regulations shall: be 31 developed in consultation with the commissioner of agriculture and 32 markets to accommodate and promote the provisions of the farm-to-school 33 program established pursuant to subdivision five-b of [the] section 34 sixteen of the agriculture and markets law and subdivision thirty-one of section three hundred five of the education law as added by chapter two 35 36 of the laws of two thousand [two] one; ensure that the prices paid by a 37 district for any items so purchased do not exceed the prices of compara-38 ble local farm products that are available to districts through their usual purchases of such items; ensure that all producers and growers who 39 40 desire to sell to school districts can readily access information in 41 accordance with the farm-to-school law; include provisions for situ-42 ations when more than one producer or grower seeks to sell the same 43 product to a district to ensure that all such producers or growers have 44 an equitable opportunity to do so in a manner similar to the usual 45 purchasing practices of such districts; develop guidelines for approval 46 of purchases of items from associations of more than ten growers and 47 producers; and, to the maximum extent practicable, minimize additional 48 paperwork, recordkeeping and other similar requirements on both growers 49 and producers and school districts.

50 § 2. This act shall take effect immediately and shall apply to the 51 academic school year commencing on or after July 1, 2017; provided that, 52 effective immediately, the addition, amendment and/or repeal of any rule 53 or regulation necessary for the implementation of this act on its effec-54 tive date is authorized and directed to be made and completed on or 55 before such effective date.
