1 (b) may appoint such other subcommittees as are necessary to consider
2 bills or resolutions involving particular topics that are referred to
3 the standing committee on conference; and

4 (c) shall invite the prime sponsors of the bill from each house to

6 2. Whenever a bill or resolution has passed the senate or the assembly
7 and such bill or resolution contains substantially the same provisions
8 of law or accomplishes substantially the same purposes as a bill or
9 resolution passed by the other house, such bill or resolution shall:

10 (a) at the joint request of the temporary president of the senate and
11 the speaker of the assembly; or

12 (b) at the joint request of the prime sponsor of the bill or resol-

22 legislative bill drafting commission to determine whether a bill or
23 resolution passed in one house is similar to any bills or resolutions
24 passed in the other house. If the nonpartisan counsel appointed by the
25 commissioners of the legislative bill drafting commission determines
26 that any bills or resolutions are similar under the guidelines set forth
27 in this section, then such bills or resolutions shall be referred to the
28 standing committee on conference and that committee shall dispose of the
29 similar bills or resolutions as provided in this section.

30 4. (a) When similar bills or resolutions are referred to the standing
31 committee on conference under this section, the committee shall there-
32 after meet within ten calendar days of the referral and shall follow the
33 process set forth in this subdivision:

34 (i) the standing committee on conference shall conference the bill or

36 the bills or resolutions submitted to it within fifteen days after the
37 referral as provided herein; or

38 (ii) the standing committee on conference shall refer such bills or
39 resolutions to a subcommittee with jurisdiction over the subject matter
40 of such bills or resolutions, which committee shall be appointed by the
41 standing committee on conference and which subcommittee shall consist of
42 four members of each house, including one member of the minority from
43 each house.

44 (b) In any event, either the standing committee on conference or the
45 duly created subcommittee shall file a report with the secretary of the
46 senate or the clerk of the assembly which shall:

47 (i) contain a conference bill or conference resolution, which has an
48 agreed on text and is supported by a majority of the standing committee
49 on conference members that conferenced the two bills or resolutions as
50 well as a minority report of the committee members, if any, regarding
51 the conference bill or conference resolution; or

52 (ii) contain a report of the standing committee on conference deliber-
53 ations on the bill or resolution and an explanation regarding the fail-
54 ure of the committee to agree on the text of the conference bill or
55 conference resolution.

1 5. Any conference bill or resolution, approved by a majority of the
2 standing committee on conference or the duly created subcommittee shall,
3 if reported favorably to the secretary of the senate and the clerk of
4 the assembly, and after receipt by those officers of each house, be
5 placed on the third reading calendar for each house and such bill or
6 resolution shall thereafter be subject to any appropriate motion,
7 including a motion to discharge or to advance for debate, at any time
8 thereafter.

9 6. (a) The nonpartisan counsel appointed by the commissioners of the
10 legislative bill drafting commission shall have experience in legisla-
11 tive bill drafting. The counsel shall serve for a one year term, which
12 may be renewed by the commissioners of the legislative bill drafting
13 commission for a term of no more than one year thereafter. The counsel
14 shall have such resources as the legislature may permit.

15 (b) In considering whether bills passed by both houses are similar,
16 the nonpartisan counsel jointly appointed by the commissioners of the
17 legislative bill drafting commission shall consider, but not be limited
18 to considering, the following factors:

19 (i) whether each bill amends the same section and subdivision of the
20 laws of the state of New York;

21 (ii) whether each bill contains similar language and concepts even
22 though it may amend different sections of state law;

23 (iii) whether each bill includes appropriations from state accounts
24 and benefits or impacts similarly-situated groups of people; and

25 (iv) whether each bill originated in a similar committee in each
26 house.

27 (c) The legislative bill drafting commission and its nonpartisan coun-
28 sel shall make an annual report to the legislature on its determinations
29 regarding the similarity of bills and resolutions and the creation of
30 conference committees.

31 § 2. This act shall take effect immediately.
